Paradise Valley Community College ACCREDITATION - Paradise Valley Community College is accredited by The Higher Learning Commission (HLC) of the North Central Association. PVCC's ten-year accreditation status was renewed in 2015.

To access the 2019–2020 Catalog online visit www.paradisevalley.edu/catalogs

Welcome From The President

On behalf of the students, faculty, and staff, I extend a warm welcome to our college, where we have provided a quality higher education experience for the residents of North Phoenix and the greater northern Maricopa County community for over 30 years. Additionally, our Black Mountain site (located at 60th Street and Carefree Highway) serves communities of Northeast Phoenix, Carefree, Cave Creek, and Anthem.

In this catalog we introduce you to our college and the courses and programs designed with your success in mind. Whether your goal is to transfer to a four-year university, prepare for a career, or enhance your skills, PVCC has an associate degree or certificate program that is right for you. And now you can even earn your bachelor's degree right here on campus through NAU or UofA. We also offer multiple start dates for 16-, 14-, 12- and 8-week Express classes - in person and online - making it more convenient than ever to fit college into your busy life.

We invite you to discover "The Power of Learning" at PVCC. Our goal is to create educationally meaningful activities that engage, motivate, and inspire you as a learner. At PVCC, we view student development and learning as interconnected processes that challenge you to take an active role in educating yourself intellectually, ethically, emotionally, socially, and physically. Specifically, it is important for you to have purposeful intent and to be prepared to learn.

If there's something we know about college students, it's that the most successful ones plan their goals and monitor their progress. Successful students know that college is not a spectator sport, so they engage in the classroom, meet with their academic advisors, and participate in college activities — and their results are amazing! Our "Puma Pathway" agenda for student success and learning helps you identify, right from the start, where you are going, and ties together how your in- and out-of-class experiences will get you there.

This catalog is a resource to assist you in making your educational decisions. It provides information on programs, classes, policies, and procedures. If you have any questions, please meet with one of your faculty members or one of our student affairs staff. We wish you success in the attainment of your goals and welcome you to Paradise Valley Community College!

Sincerely,

A handwritten signature in black ink that reads "Paul A. Dale". The signature is written in a cursive, flowing style with a long horizontal stroke at the end.

Paul Dale, Ed.D.
President

2019-2020

Academic Calendar

Summer 2019 Semester

NOTE: SUBJECT TO THE 2019/2020 CATALOG

Monday	May 27	Observance of Memorial Day - campus closed
Tuesday	May 28	First 5-Wk/8-Wk Sessions Begin
Thursday	June 27	First 5-Week Session Ends
Monday	July 1	Second 5-Week Session Begins
Thursday	July 4	Observance of Independence Day - campus closed
Thursday	July 18	8-Week Session Ends
Thursday	Aug 1	Second 5-Week Session Ends

Fall 2019 Semester

Saturday	August 17	Classes Begin
Monday	September 2	Observance of Labor Day - campus closed
Monday	October 7	Application for December 2019 Graduation
+		Last Day for Withdrawal w/o Instructor's Signature
Monday	November 11	Observance of Veterans' Day - campus closed

PARADISE VALLEY COMMUNITY COLLEGE

Our Mission

The mission of Paradise Valley Community College is to educate the whole person and to serve our students and our communities by providing learning opportunities that are designed to help them achieve their goals.

PV provides diverse learning opportunities including:

University transfer education	Workforce development
General education	Student development
Developmental education	Honors education
Community education	Global engagement
Continuing Education	Civic responsibility

PVCC provides access to these opportunities in a welcoming, inclusive, and supportive environment. As a college committed to learning and continuous quality improvement, PVCC annually assesses and publishes reports concerning the effectiveness of our programs and services.

Our Vision

Paradise Valley Community College (PVCC) aspires to be the higher learning organization of choice by creating engaging lifelong educational relationships that inspire and support all learners to increase their capacity for personal growth and positive social change.

Our Core Value

Learning is the core value of Paradise Valley Community College. PVCC encourages and supports learning at three levels — student, employee and organizational — and the integrative relationship between the three levels. Learning at Paradise Valley Community College means increasing the capacity of our students, our employees and the college itself, to achieve their goals. PVCC acknowledges organizational learning as a means to continuously improve our college.

Our Supporting Values

Integrity: We uphold ethical behavior in all that we do; we value accountability, transparency, fairness and honesty.

Diversity: We honor all individuals and their different viewpoints to promote an inclusive campus environment.

Innovation: We value and support innovation. We encourage informed risk-taking that holds the promise of enhancing student, employee and organizational learning. We view a good faith unsuccessful attempt not as failure, but rather as a rich opportunity to learn.

Partnerships: We are committed to building and sustaining internal and external relationships that enhance learning.

Excellence: We expect greatness in all that we do to advance student, employee and organizational success.

Sustainability: We practice organizational, social, economic and environmental responsibility.

Maricopa Community Colleges

Our Vision: A Community of Colleges—Colleges for the Community—working collectively and responsibly to meet the life-long learning needs of our diverse students and communities.

Our Mission: The Maricopa Community Colleges provide access to higher education for diverse students and communities. We focus on learning through:

University Transfer Education
General Education
Developmental Education
Workforce Development
Student Development Services

Continuing Education
Community Education
Civic Responsibility
Global Engagement

Our Institutional Values: The Maricopa Community Colleges are committed to:

Community

We value all people—our students, our employees, their families, and the communities in which they live and work. We value our global community of which we are an integral part.

Excellence

We value excellence and encourage our internal and external communities to strive for their academic, professional and personal best.

Honesty and Integrity

We value academic and personal honesty and integrity and believe these elements are essential in our learning environment. We strive to treat each other with respect, civility and fairness.

Inclusiveness

We value inclusiveness and respect for one another. We believe that team work is critical, that each team member is important; and we depend on each other to accomplish our mission.

Innovation

We value and embrace an innovative and risk-taking approach so that we remain at the forefront of global educational excellence.

Learning

We value lifelong learning opportunities that respond to the needs of our communities and are accessible, affordable, and of the highest quality. We encourage dialogue and the freedom to have an open exchange of ideas for the common good.

Responsibility

We value responsibility and believe that we are each accountable for our personal and professional actions. We are responsible for making our learning experiences significant and meaningful.

Stewardship

We value stewardship and honor the trust placed in us by the community. We are accountable to our communities for the efficient and effective use of resources as we prepare our students for their role as productive world citizens.

Maricopa County Community College District

The following are a portion of the Administrative Regulations used in managing the day-to-day operations of the Maricopa County Community College District (MCCCD) and are subject to change. Administrative Regulations are amended, adopted, or deleted as necessary and are subject to a formal approval process. Administrative Regulations are referenced by number, which corresponds with the regulations on the MCCCD web site: <https://district.maricopa.edu/regulations/admin-regs> Some regulations include reference to Arizona Revised Statutes from the State of Arizona and are noted as "ARS" followed by a reference number.

2.4.1 General Statement

The Maricopa Community Colleges are dedicated to providing a healthy, comfortable and educationally productive environment for students, employees and visitors.

2.4.2 Nondiscrimination (see 5.1.1 Maricopa EEO Policy)

It is the policy of the Maricopa District (consisting of Chandler-Gilbert Community College, the District Office, Estrella Mountain Community College, GateWay Community College, Glendale Community College, Maricopa Skill Center, Mesa Community College, Paradise Valley Community College, Phoenix College, Rio Salado Community College, Scottsdale Community College, and South Mountain Community College) to: Recruit, hire, and promote in all job groups, and to ensure that all Human Resources (HR) employment selection and decision practices do not discriminate, nor tolerate discrimination in employment or education, against any applicant, employee, or student on the basis of race, color, religion, sex, sexual orientation, gender identity, national origin, citizenship status (including document abuse), age, disability, veteran status or genetic information.

All HR employment selection and decision practices pertaining to advertising, benefit , compensation, discipline (including probation, suspension, and/or involuntary termination for cause or layoff), employee facilities, performance evaluation, recruitment, social/recreational programs, and training will continue to be administered without regard to race, color, religion, sex, sexual orientation, gender identity, national origin status, citizenship status(including document abuse) , age, disability, veteran status or genetic information.

Hold each level of management responsible for ensuring that all employment policies, procedures, and activities are in full compliance with all applicable federal, state, and local EEO statutes, rules, and regulations.

2.4.3 Equal Opportunity Statement (see 5.1.3 EEO Policy Statement)

It is the policy of Maricopa to promote equal employment opportunities through a positive continuing program. This means that Maricopa will not discriminate, nor tolerate discrimination in employment or education, against any applicant, employee, or student because of race, color, religion, sex, sexual orientation, gender identity, national origin, citizenship status (including document abuse), age, disability, veteran status or genetic information. Additionally, it is the policy of Maricopa to provide an environment for each Maricopa job applicant and employee that is free from sexual harassment, as well as harassment and intimidation on account of an individual's race, color, religion, sex, sexual orientation, gender identity, national origin, citizenship status (including document abuse) , age, disability, veteran status or genetic information. In addition, lack of English language skills is not a barrier to admission into Career and Technical Education (CTE) programs or skill centers. Students who enroll will be supported in the development of these skills by classes in English as a second language and other resources. Translation services and bilingual instruction can also be provided: contact college designee for more information.

Affirmative Action Policy Statement for Individuals with Disabilities

In conformance with the provisions of Section 503 of the Rehabilitation Act of 1973, as amended, and the implementing regulations, 41 CFR 60-741.5 (a), as amended, Maricopa County Community College District will not discriminate, nor tolerate discrimination in employment or education, against any applicant, employee, or student because of physical or mental disability in regard to any position for which the known applicant or employee is qualified. Maricopa agrees to take affirmative action to employ, advance in employment, and otherwise treat known qualified individuals with disabilities without regard to their physical or mental disability in all human resources selection and decision practices, such as the following: advertising, benefit, compensation, discipline (including probation, suspension, and/or termination for cause or layoff), employee facilities, performance evaluation, recruitment, social/recreational programs, and training. Maricopa will also continue to administer these practices without regard to race, color, religion, sex, sexual orientation, gender identity, national origin, citizenship status (including document abuse), age, disability, veteran status or genetic information. Additionally, all applicants and employees are protected from coercion, intimidation, interference, or discrimination for filing a complaint or assisting in an investigation under the Act.

Affirmative Action Policy Statement for Other Eligible Veterans, Special Disabled Veterans, and Vietnam Era Veterans

In conformance with the Vietnam Era Veterans Readjustment Assistance Act of 1974, the Veterans Employment Opportunities Act of 1998, and the implementing regulations, 41 CFR 60-250 (k), Maricopa County Community College District will not discriminate, nor tolerate discrimination in employment or education, against any applicant, employee, or student because he or she is a special disabled veteran or Vietnam era veteran in regard to any position for which the known applicant or employee is qualified. Maricopa agrees to take affirmative action to employ, advance in employment, and otherwise treat known qualified special disabled veterans and Vietnam era veterans without discrimination based upon their disabled or veteran status in all human resources selection and decision practices, such as the following: advertising, benefit, compensation, discipline (including probation, suspension, and/or termination for cause or layoff), employee facilities, performance evaluation, recruitment, social/recreational programs, and training. Maricopa will continue to administer these practices without regard to race, color, religion, sex, sexual orientation, gender identity, national origin, citizenship status (including document abuse), age, disability, veteran status or genetic information. Additionally, Maricopa agrees to post all suitable job openings at the local office of the State employment service where the job opening occurs. This includes full-time, temporary greater than 3 days' duration, and part-time employment. Finally, all applicants and employees are protected from coercion, intimidation, interference, or discrimination for filing a complaint or assisting in an investigation under the Act.

Notice of Americans with Disabilities Act (ADA)/Section 504 of the Rehabilitation Act/Title IX Coordinator:

Dr. Jana Schwartz, Vice President of Student Affairs
Paradise Valley Community College,
18401 N. 32nd Street, Phoenix, AZ 85032
Telephone: 602.787.7668

Under the ADA and Section 504, Maricopa recognizes the obligation to provide overall program accessibility throughout its locations for disabled individuals. The designated ADA/504/Title IX Coordinator at each college/center will provide information as to the existence and location of services, activities, and facilities that are accessible to and usable by individuals with disabilities. Likewise, under Title IX, there is an obligation to provide services and program accessibility in a gender-neutral manner. Students with disabilities may request catalog information in an alternative format from the college ADA/504 Coordinator.

DECLARACIONES DE ACCIÓN AFIRMATIVA

Mandato de No Discriminación

Es el mandato de los Colegios Comunitarios del Condado de Maricopa (The Maricopa Community Colleges) que consisten del Centro de Apoyo del Distrito, los colegios comunitarios de Chandler-Gilbert, Estrella Mountain, Gateway, Glendale, Mesa, Paradise Valley, Phoenix, Rio Salado, Scottsdale, South Mountain y el Centro de Capacitación de Maricopa, proveer igualdad en las oportunidades de empleo mediante un programa continuo y positivo. Esto significa que Maricopa no discriminará o tolerará discriminación en empleo o educación en contra de ningún aplicante, empleado, o estudiante debido a su raza, color, religión, sexo, orientación sexual, identidad sexual, origen nacional, ciudadanía (incluyendo abuso de documentos), edad, incapacidad, estado de veterano/a o información genética. Así mismo, es el mandato de los Colegios Comunitarios proveer para cada aplicante, empleado, y estudiante un ambiente libre de acoso sexual como también libre de acoso e intimidación referente a raza, color, religión, sexo, orientación sexual, identidad sexual, origen nacional, ciudadanía (incluyendo abuso de documentos), edad, incapacidad, estado de veterano/a o información genética.

Este mandato de no discriminación cubre todos los aspectos de contratación del empleado, ingreso, acceso a, y tratamiento de alumnos en los Colegios Comunitarios de Maricopa los cuáles incluyen también programas de educación vocacional. Este mandato también prohíbe discriminación en base de orientación sexual en la admisión y tratamiento de estudiantes, en sus programas y actividades y en la contratación, tratamiento, promoción/ascensos, evaluación y despido de empleados.

Declaración de Igualdad de Oportunidad

Es el mandato de los Colegios Comunitarios del Condado de Maricopa promover igualdad en las oportunidades de empleo mediante un programa continuo y positivo. Esto significa que Maricopa no discriminará o tolerará discriminación en contra de ningún aplicante o empleado debido a su raza, color, religión, sexo, orientación sexual, identidad sexual, origen nacional, ciudadanía (incluyendo abuso de documentos), edad, incapacidad, estado de veterano/a o información genética. Agregando, es el mandato de los Colegios Comunitarios promover para cada aplicante y empleado un ambiente libre de acoso sexual como también de acoso e intimidación referente a la raza, color, religión, sexo, orientación sexual, identidad sexual, origen nacional, ciudadanía (incluyendo abuso de documentos), edad, incapacidad, estado de veterano/a o información genética.

Declaración de Acción Afirmativa

Mandato y Declaración de Acción Afirmativa para Individuos con Incapacidades De acuerdo las provisiones en la Sección 503 de la Ley de Rehabilitación de 1973, como enmienda, y las leyes de implementación, 41 CFR 60-741.5 (a), declara que el Distrito de Colegios Comunitarios de Maricopa no discriminarán o tolerarán discriminación en contra ningún aplicante o empleado debido a su discapacidad/incapacitación física o mental referente a cualquier posición para la cuál el aplicante o empleado ha calificado. Maricopa promete tomar acción afirmativa para emplear, dar ascenso en empleo y tratar a dichos individuos con incapacidades sin hacer incapie en sus incapacidades físicas o mentales en la selección de recursos humanos y prácticas decisivas como son las siguientes: anuncios, beneficio, compensación, disciplina (incluyendo período de prueba, suspensión, y/o terminación de empleo por causa de paro forzoso), facilidades para empleados, evaluación de trabajo, reclutamiento, programas sociales/recreacionales y entrenamiento. Maricopa continuará llevando a cabo éstas prácticas de no discriminar por razones de raza, color, religión, sexo, orientación sexual, identidad sexual, origen nacional, ciudadanía (incluyendo abuso de documentos), edad, incapacidad, estado de veterano/a o información genética. Así mismo, todo los aplicantes y empleados están protegidos en contra de coacción, intimidación, interferencia o discriminación por quejas o por ayudar en una investigación cubierta bajo éste Acto.

Declaración de Mandato de Acción Afirmativa para Otros Veteranos Elegibles, Veteranos con Incapacitación Especial y Veteranos de la Era Vietnamita

Conforme a la ley de Reajuste y Asistencia para los Veteranos de la Era Vietnamita de 1974, acta de Oportunidades de Empleo para Veteranos de 1998 y reglamentos de implementación, 41 CFR 60-250(k), el Distrito de Colegios Comunitarios del Condado de Maricopa no discriminará ni tolerará discriminación en empleo o educación en contra de ningún aplicante, empleado, o estudiante veterano o veterano de la Era Vietnamita con discapacidad/incapacitación especial referente a cualquier posición la cual dicho aplicante o empleado califique. Maricopa promete aplicar acción afirmativa para emplear, ascender en empleo y tratar a dichos veteranos incapacitados y de la Era Vietnamita que califiquen sin discriminar base a su discapacidad/incapacitación o condición de veterano en todas las áreas de recursos humanos y decisiones como son las siguientes: anuncios, beneficio, compensación, disciplina (incluyendo período de prueba, suspensión, y/o despido por causa o paro forzoso), facilidades para empleados, evaluación de trabajo, reclutamiento, programas sociales/recreacionales y entrenamiento. Maricopa continuará llevando a cabo estas prácticas sin discriminar por razones de raza, color, religión, sexo, orientación sexual, identidad sexual, origen nacional, ciudadanía (incluyendo abuso de documentos), edad, incapacidad, estado de veterano/a o información genética. Maricopa promete anunciar todas las oportunidades de empleo disponibles en la oficina local del servicio de empleo del Estado donde el empleo esté disponible. Esto incluye empleo de tiempo completo, temporal de más de tres días de duración y empleo de tiempo medio. Finalmente, todos los aplicantes y empleados están protegidos en contra de coacción, intimidación, interferencia o discriminación por quejas o por ayudar en una investigación cubierta sobre este Acto.

Notificación del Acta de Americanos con Impedimentos (ADA)/Sección 504 del Acta de Rehabilitación/Coordinador del Título IX:

Dr. Jana Schwartz, Vice President of Student Affairs
Dirección: Paradise Valley Community College
18401 N. 32nd Street, Phoenix, AZ 85032
Número Telefónico: 602.787.7668

De acuerdo a ADA y a la sección 504, el distrito y sus colegios reconocen la obligación de proveer acceso a programas en todas sus localidades a personas incapacitadas. El coordinador designado de ADA/504/Título IX proveerá información tocante a la existencia y localidad de servicios, actividades y facilidades que son accesibles y de utilidad a personas incapacitadas. Solicitudes para acomodación deben ser dirigidas al coordinador. Del mismo modo, bajo el Título IX, hay obligación de proveer acceso a servicios y programas de una manera imparcial según el género.

Estudiantes incapacitados pueden solicitar información de catálogo en una forma diferente por medio del Coordinador designado por ADA/504 en cada colegio.

How To Use This Catalog

This catalog was developed for you. It provides important information to help you plan for college. The catalog includes information about courses, resources and services, academic study techniques and strategies, program descriptions, degree requirements, and college policies and procedures.

The focus of this catalog is on your success. It provides you with the information to be a successful student. It is your responsibility to review the information and to use your catalog. We recommend that you use your catalog in the following ways.

Be A Successful College Student

It has been said that life is a journey and if you don't know where you are going you will probably end up somewhere else. Whenever you begin a new journey you'll need a plan and a goal so you know how and when you've reached your destination. To help you do this, PVCC has created the Puma Pathway, the roadmap to student success, completion, and beyond.

At Paradise Valley Community College, it is not enough for our students to just show up. Successful students take advantage of all of the opportunities available to enrich their experience at PVCC both in-and-out of the classroom.

Additional resources in the following pages of this catalog will help you be a successful college student:

- Preparing to be a successful student
- Engaging in the PVCC student experience
- Committing to your own success
- Completing your program at PVCC
- Thriving as a PVCC alumnus

Learn About Courses And Degree Requirements

Knowing what the course is about and how it will fit into your goal or program is one of the main requirements for proper course selection. Course descriptions are available in this catalog or online at: <https://asa.maricopa.edu/departments/center-for-curriculum-transfer-articulation>. Whether your goal is to complete one class, a certificate, or an Associate Degree, you can use the course descriptions to find information about courses. If you are working on completing an Associate Degree, you will need to become familiar with the General Education Degree Requirements (beginning on page 23). See an advisor to obtain a degree check sheet to help you keep track of your progress. If you are planning on completing a degree or selecting courses prior to transferring to a four-year college or university, then you will find the information on the Transfer Process very helpful (pages 24).

Learn Where And How To Get Things Done

This catalog has information that will help you locate resources and assist you in becoming familiar with college policies and procedures. Information is available about resources which can help you such as Advising, Admissions, Registration & Records, Counseling, Student Services, Financial Aid, Learning Success Center, Library, and Adult Re-Entry. You can also find information about our Student Leadership Program. In addition to information about resources, you will find information about how to get things done such as adding a class, applying for graduation, getting a transcript, etc. Finally, you will find the MCCCDC Policies & Procedures, and Student Services & Resources information in this catalog.

The Puma Pathway to Your Future

Student development and learning are interconnected processes that challenge you to take an active role in educating yourself intellectually, ethically, emotionally, socially and physically. Put directly, this means that:

Because students have the major responsibility for their own development, they need to be involved actively in the learning process,

Learning occurs throughout the campus—in class and in out-of-class activities, and all employees of the college share in the responsibility of supporting faculty in their teaching and learning.

Let's Get Started Reviewing the Puma Pathway to Success, Completion, and Beyond!

If there's something we know about college students, it's that most successful students have a clear plan of how they will achieve academic and career success. They know that college is not a spectator sport, and that in order to become a successful student they will need to be an active participant.

PVCC has created The Puma Pathway, the roadmap to student success, completion, and beyond.

- **Prepare** — The student will be prepared both academically and financially to navigate the PVCC system before the first day of class in order to have a successful college experience
- **Engage** — Students will engage with faculty and staff to ensure academic success and become fully involved in college life
- **Commit** — Students will commit to a plan to reach their educational goals both in and outside of the classroom
- **Complete** — Students will successfully complete their goals, giving them the opportunity for continued education and a focused career path
- **Thrive** — PVCC alumni will thrive as lifelong learners, equipped with knowledge that creates positive social change

The Puma Pathway includes all aspects of the student life cycle from the time they enroll at PVCC to graduation and beyond.

At PVCC we value student learning in and out of the classroom. The General Education Outcomes, are critical to your overall success in college and beyond.

- Civic Engagement - You will be able to demonstrate the skills necessary to identify and address issues of public concern.
- Critical Reading - You will be able to clearly explain and/or accurately apply information you have read.
- Critical Thinking – You will be able to think critically, creatively, and practically.
- Diversity & Global Awareness – You will be able to interact effectively and appropriately in a diverse, multi-cultural, and global society.
- Information Literacy – You will be able to determine information needed and use the information effectively and appropriately.
- Oral Communication – You will be able to clearly and effectively communicate your ideas to others using effective public speaking techniques.

- Problem Solving – You will be able to critically and effectively solve problems by making inferences, relying on data, as well as predicting consequences from your actions.
- Technology – You will be able to use technological resources appropriately and efficiently.
- Written Communication – You will be able to clearly and effectively communicate your ideas to others in an organized written manner using appropriate writing techniques.

Your faculty will refer often to PVCC’s general education outcomes. Put in simple terms, general education outcomes are critical life skills that you will develop through in-class and out-of-class experiences.

Get more in-depth information on the general education outcomes at <https://www.paradisevalley.edu/employees/assessment-learning/general-education-assessment>.

Prepare

Follow the MCCCDC Enrollment Steps

- Get Admitted
 - Submit proof of identification to the PVCC Admissions & Records Office to finalize your application
 - Take the Placement Tests or submit multiple measure assessments (e.g., high school transcripts, ACT or GED scores for evaluation)
 - Attend Puma Power Up Group Advising Session
 - Register for Classes
 - Pay Tuition and Fees
 - Attend New Student Orientation

For more information on Enrollment Steps, visit <https://www.maricopa.edu/getting-started>

Get Admitted

The admissions process has been streamlined across the Maricopa Community Colleges to better fit the needs of our students. Your access to Paradise Valley Community College begins with applying for admission. To begin the admissions applications, navigate to <https://admissions.maricopa.edu>. In this step you will:

- Create your Maricopa Enterprise Identification (MEID)
- Completed the admission application by adding your personal information.

If you have already created your MEID account, you can continue a saved application or reapply or transfer at the Maricopa Student Admissions Application.

- Click **Continue Saved Application** if you have previously created an MEID account and are ready to continue with your application. Please note if you started your application more than 48 hours ago, you will need to start a new application from the beginning.
- Click **Reapply or Transfer** if you have previously enrolled at any of the ten Maricopa Community Colleges and would like to transfer to a new college or resume classes.

After completing the online application, you will need to provide proof of identification to the Admissions & Records Office in the Kranitz Student Center (KSC). For a full list of approved forms of identification visit <https://my.maricopa.edu/enrollment-services/admissions-records-registration/identity>.

Take the Placement Tests or Submit Multiple Measure Assessments

These tests assess your basic skills in English, reading and mathematics in order to help you and your Academic Advisor select the right courses for you. Your scores are provided to you immediately following the assessment tests on a Student Data Report. Assessment tests are offered free on a walk-in basis in Testing Services (602-787-7050). Visit the Web site at www.paradisevalley.edu/students/testing-services for hours of operation and additional information on multiple measure assessment requirements.

It is critical that you are prepared for your placement tests to be placed into the correct courses. Be sure to utilize the FREE test preparation materials at <https://www.paradisevalley.edu/students/testing-services/course-placement-assessments>. By studying for these assessments, you will maximize your outcomes and save both time and money in pursuit of your college educational goals.

Attend Puma PowerUp

Puma Power Up is part one of PVCC's onboarding program for new students. Puma PowerUp sessions have been designed to help support students as they transition to college. Students will learn about choosing an academic path, how to apply for financial aid, how to navigate through their Student Center, and much more. Students will participate in group advising and will register for their first semester of college and the New Student Orientation section that supports students' selected Field of Interest (FOI). For more information please visit <https://www.paradisevalley.edu/students/advisement/puma-power>

Register for Classes

You should have discussed what classes you should enroll in with your advisor during your New Student Orientation or regular academic advisement session. You can register for classes by navigating to <https://my.maricopa.edu> and logging in to your Student Center.

It is important to meet with your Academic Advisor once a semester to plan for the upcoming term. They will be able to review your current schedule and help you to decide what classes you should plan to take the following term to make sure you graduate on time.

Pay Tuition and Fees

Tuition is due 35 days prior to the start date of your first class. However, if you register with less than 355 days before the start date of your first class, your tuition is due that same day. If you do not pay the balance of your tuition and fees on time, you may risk being dropped from your classes. To check the due date of your tuition and fees, navigate to your Student Center at <https://my.maricopa.edu>. It is also important to explore your options to help you pay for school.

Complete the FAFSA – All financial aid starts with creating a Federal Student Aid (FSA) ID and completing the online Free Application for Federal Student Aid (FAFSA). To complete your FAFSA online, go to fafsa.gov.

Apply for Scholarships – There are several need and merit-based scholarship opportunities available for students. The Maricopa Community Colleges have publicly funded scholarships as well as privately funded scholarships through the Maricopa Foundation. Navigate to <https://www.maricopa.edu/getting-started/scholarships> for more information on how to apply and application deadlines.

Explore Payment Plan – If you're planning on covering some of your school tuition and fees out of pocket, it's important that you understand and enroll in a payment plan. To learn more about payment plans, navigate to <https://www.maricopa.edu/getting-started/payment-plans>. Don't forget to record the balance of what you will need to pay to attend your classes as well as the due date for your payment.

Attend New Student Orientation

New Student Orientation (NSO) is a wonderful opportunity to get questions answered and learn to navigate the college experience. It is also an opportunity to make friends and get connected to PVCC! At New Student Orientation you will have an opportunity to meet your advisor, faculty members, take a campus tour, get your Student ID and learn more about what it takes to be a successful student.

Selecting a Major and/or Career

It's okay if you have not selected a program major or a career when you arrive at PVCC. Selecting a major or career is a process and we have several resources to assist you. The Counseling Center, (602-787-6540) and

Career Services, (602-787-7073) are two great places to start. The Counseling Center provides counseling and assistance by providing and evaluating career interest inventories and assessments. Career Services offers resume reviews on a walk-in basis and by appointment and is also available to connect you with different types of career exploration seminars and resources.

If you want to consider some preliminary career choices on your own, try the 4-Step Career Planning Process

Step 1: Self-Assessment

Counseling can assist you develop awareness of your skills, values, interests, and personality traits. Assessment tools can help you gain a better understanding of yourself, expand your major and career options, and find good matches with majors and careers. Self-assessment typically includes meeting with a counselor and perhaps taking one more of the many career assessment inventories offered by PVCC Counseling.

Step 2: Explore Career Options

There are many avenues to learn about various majors and careers. Using the Library and internet resources, conducting information interviews, and volunteering are just a few ways to learn what majors fit various careers. Career Services are available to help you explore your career options based on your interests, skills, values, and knowledge. In addition, you can learn valuable information regarding career trends, educational requirements, salary expectations, and key strategies to give you the competitive edge in the world of work and attain your career goals.

Step 3: Decision Making

As we develop and grow, we evaluate our career choices many times. We may revise and change our direction. Thus, career decision-making is no longer a "one-time" event. We need to learn a process that allows the flexibility and confidence to make the best decision. To this end, Counseling services will help you create a plan of action to turn your major and career vision into reality.

Step 4: Job Search & Development

Now that you've identified one or more majors and careers that interest you, counseling can assist you identify the classes you need and valuable experiences, internships, volunteer experiences, etc. that contribute to your career development. Career Services is available to help you learn more about your specific career field and possible internships to begin gaining experience. There are also several other events held throughout the year including a job fair where you can meet potential employers in your desired career field. For more information visit <https://www.paradisevalley.edu/students/career-services>.

Engage

Discover ways to engage with faculty and staff to ensure your continued success both in and out of the classroom. Fully immerse yourself in the PVCC student life to be able to discover yourself, express who you are, and identify your leadership potential.

This section identified a few of the ways to engage and connect with other PVCC students, however there are many others. Participating in cultural events, attending concerts and events, volunteering and community outreach, taking fitness classes, and working on campus are just a few additional ways to make the most of your college education.

It's Your Education—Get involved!

Learning is not a spectator sport. The most successful students get involved in their class discussions, projects and experiences. Your success as a learner is important to everyone at PVCC. We are all involved, but the outcome is ultimately up to you. You'll want to apply your newly acquired classroom skills outside of class and the opportunities below provide opportunities for you to do just that!

Make New Life-long Friends

College is not a solo experience, so you'll want to make some friends along the way. Make it a goal to meet at least 2 new faculty or staff members each semester, join or assemble a student study group and definitely take time to join in some of the FREE social events designed for students, by students. The more people you know, the bigger your support network will be when you need help, need a favor, need a job or scholarship recommendation, or just want to hang out.

Puma Student Athletes

The mission of PVCC is to educate the whole person and to serve our students and our communities by providing learning opportunities that are designed to help them achieve their goals. The PVCC Athletics Department believe athletics are an integral part of that mission. PVCC strives to serve as a model amongst National Junior College Athletic Association (NJCAA) athletic programs for excellence in academic success and athletic achievement. We empower Puma student-athletes to achieve championship performance, while graduating/transferring and preparing them for life after intercollegiate athletics with the highest priority on integrity.

PVCC Athletics includes:

- Men & Women's Tennis
- Men's Baseball
- Women's Softball
- Men & Women's Cross Country
- Men & Women's Track & Field
- Men & Women's Golf
- Men & Women's Tennis
- Men & Women's Soccer

For more information on becoming a Puma Student Athlete navigate to <https://www.paradisevalley.edu/athletics/puma>.

Student Life & Leadership

Leadership is learned and achieved in the classroom—and through participation in out-of-class activities. Make sure that your educational experiences integrate classroom instruction with hands-on leadership development and participation in political and/or social issues in your community. Applying your college education to practical out-of-class experiences prepares you to be a contributing member of your local and global community. Here are some opportunities to get involved in student leadership at PVCC.

Emerging Leaders

Emerging Leaders is an experientially based (activity based instead of lecture) program designed to develop a greater understanding of leadership skills, develop a passion and commitment to community betterment, empower people to lead, believing in their ability to make a difference. This values-based leadership program is offered for two credits and meets only six times throughout the semester, which includes a weekend retreat. For more information visit www.paradisevalley.edu/studentlife or contact the Office of Student Life & Leadership in KSC 1303 or by phone at 602-787-7240.

Student Government (STUGO)

STUGO is PVCC's student government, which is responsible for student clubs' adherence to the general education requirements and that each club includes volunteerism, leadership training, acquisition of skills and knowledge and the development of the "whole person" as key components of its program.

Representatives from STUGO serve on college advisory, ad hoc and standing committees allowing student representatives to work closely with PVCC administration on decisions that affect the student population. For more information visit www.paradisevalley.edu/studentlife or contact the Office of Student Life & Leadership at 602-787-7240.

PVCC has variety of Student Clubs and Organizations on campus:

Anime Club, Anthropology Club, Astronomy and Physics Club, AWARE – Adults Who Are Returning to Education, Business Club, CAST – College Artists' of Society in Theatre, Christian Challenge, Club Ed(ucation)

For more information visit <https://www.paradisevalley.edu/pv-clubs> or visit the Office of Student Life & Leadership in KSC 1303 or by phone at 602-787-7240.

Work On Campus

Federal Work-Study (FWS) provides part-time jobs for undergraduate students at PVCC who demonstrate financial need. This helps students earn money to pay for their college expenses, and encourage community service work related to the student's course of study. FWS provides part-time employment (up to 19.5 hours per week) to both part-time and full-time eligible students enrolled at PVCC.

To learn more about Federal Work-Study, or to view available jobs visit <https://www.paradisevalley.edu/students/financial-aid/federal-work-study>.

PVCC Honors Program

The Honors Program at PVCC is an opportunity for academically motivated students to participate in challenging and rewarding educational experiences. The purpose of the Honors Program is to foster greater depth of thought in reading, writing, and discussion with faculty and guest lecturers that will better prepare Honors students to complete a degree and begin their careers. Honors students at PVCC form a community of bright, energetic, and caring students who are committed to their classes, the Honors Program, and to the college. For more information on the Honors Program and Honors scholarship opportunities visit <https://www.paradisevalley.edu/students/honors>.

Commit

The Commit phase of The Puma Pathway is when you identify your plans to reach your educational, personal, and career goals. These goals are important both in and out of the classroom to ensure your success after completing your program at PVCC.

Committing to a Degree Program

We know that students who commit to a degree program early on are more likely to complete their degree on time and minimize the number of unnecessary courses relevant to their degree program. Visit the Career Services center to meet with someone who can help you connect your passion to many potential careers. Our Counseling and Personal Development division also can provide you access to several career and self-assessment inventories to match your interests and personality with potential careers. Counseling is also available to facilitate small-group workshops, provide career-related resources, and offer career development courses in career/life planning and resume writing.

Meeting with Your Advisor Regularly

Once you have committed to a degree program, it is important to meet with your academic advisor at least once a semester to review your plan for the following term. Academic Advisors are here to help you develop and successfully complete your Puma Pathway. Our advisors will assist you in creating, reviewing and re-evaluating your educational and life goals, while connecting you to resources including information on college policies and procedures, degree requirements, and university transfer. It is essential that you be an active participant and engage in planning your education. Advisors specialize in helping you commit to a major in order to complete your educational goals that will allow you to thrive at PVCC and beyond. Visit <https://www.paradisevalley.edu/students/advisement> for more information including operating hours and a list of academic advisors.

Continue to Finance Your Education

It is important that as you continue through your Puma Pathway that you look into new ways to fund your education. Be sure to always check your student center for updates or requirements on your financial aid. Also, continue to apply for scholarships throughout the academic year. Many scholarships have deadlines at many different times of the year, and these can all be used to help offset your educational costs. You may also be eligible for a Federal Work-Study (FWS) position on campus. Visit <https://www.paradisevalley.edu/students/financial-aid> for more information on continuing to finance your education.

Commit to Your Classes

A large component to being a successful student is knowing how to effectively study and retain necessary information for your courses. The PVCC Learning Support Center (LSC) provides free academic support and learning strategies through services, resources, and collaborations with faculty that allow students and the community to achieve their academic goals. The LSC is a great tool for students in need of some additional support in their courses. Successful students know when to reach out for help, whether this be to your instructor, peers, or the LSC. For more information on the Learning Support Center visit <https://www.paradisevalley.edu/students/learning-support-center>.

Additional resources available to you at no cost to help you commit to your classes are:

- Computer Commons - <https://www.paradisevalley.edu/students/computer-commons>
- Counseling - <https://www.paradisevalley.edu/students/counseling>
- Disability Resources and Services - <https://www.paradisevalley.edu/students/disability-resources>
- Learning Success Center (LCS)/Tutoring - <https://www.paradisevalley.edu/students/learning-success-center>
- Library - <https://www.paradisevalley.edu/library>
- Technology Helpdesk - <https://www.paradisevalley.edu/employees/technology-helpdesk>

Connect What You Learn

Another trait of successful students is being able to connect what you are learning in the classroom to concepts in your field of study. Spend some time outside of class to learn how your current learning outcomes connect to your future career. Service learning, volunteering, and internships are all great ways to work in your future career field while you are still a student. These aspects also contribute to the vision of life-long learning and furthering your education out of the classroom.

Build Your Resume

Successful students know that they do not have to wait until after they graduate to build a professional resume. The Career Services Office on campus is here to assist you with your resume. Also, be sure to add relevant information on key leadership roles you held in campus organizations and in the community while you were pursuing your degree. Always be thinking about ways to distinguish your resume amongst other applicants including leadership roles, volunteer activities, internships, etc.

Complete

Have you completed all of the necessary requirements for your degree or certificate program? Are you ready to complete your journey at PVCC and move on to whatever comes next? If so, Congratulations! This means the big day is drawing near. However, there are several steps to take to graduate on time and be able to participate in the annual Commencement Ceremony.

Graduation

Application: Students wanting to graduate from any of the Maricopa Community Colleges must submit an application for graduation. This application must be signed by your academic advisor and submitted by the given deadlines. A final application must also include a completed degree check sheet. You will need to submit a separate application for each degree/certificate program and accompany each with a check sheet.

Official Transcripts: If you took classes at another institution, in addition to your PVCC coursework, you must request official transcripts from that institution and ask that they be evaluated and posted to your PVCC record. Official transcripts from external institutions may be subject to specific fees by that respective institution. Official transcripts sent within the Maricopa Community Colleges are free and can be requested in your Student Center.

Fees: If you plan to participate in the annual commencement ceremony in May, you must pay the \$25.00 fee (one-time fee refundable up to two weeks prior to graduation). This fee must be paid at Cashiers Services by March 1st or you may pay online in your Student Center. This fee includes your cap and gown, honor cords, five announcements, and your degree/certificate cover.

For additional information pertaining to graduation, visit <https://www.paradisevalley.edu/students/admissions/graduation>.

Transfer Partnerships

PVCC has many partnerships with several universities to offer an easier transition for community college students interested in transferring to complete their Bachelor's Degree. While the transfer process can seem overwhelming, there are resources available on-campus for you to utilize as you create your transfer plan. Many of our transfer partners also have offices at the PVCC Union Hills Campus for you to meet with and discuss your future plans.

PVCC University Partners Include:

- Arizona State University (ASU)
- Grand Canyon University (GCU)
- NAU @ PVCC
- Northern Arizona University (NAU)
- University of Arizona (U of A)
- University of Arizona North Valley
- 46+ Additional Private Out-of-State Transfer Partners

For more information on transferring from PVCC to a university, visit <https://students/advisement/transfer-information>.

Thrive

PVCC Alumni Association

If you attended or graduated from PVCC, then you are considered one of PVCC's valued alumni. We welcome you to officially join the Paradise Valley Community College Alumni Association (PVCCAA). The alumni association is a network of proud Pumas supporting each other and encouraging new students to engage in all our college has to offer. PVCCAA members are active in communities from local to global. We contribute

our time and talents to make a difference, mentor students, support scholarships, and champion major initiatives supporting community college.

Visit <https://www.paradisevalley.edu/alumni> for more information including membership benefits, alumni activities, and how to join.

Non-Credit Exercise Courses

Even if you have already completed your degree or certificate from PVCC, you can still be an active community member and enroll in one of our many non-credit exercise courses. We know that exercise is an important aspect of continuing to live a healthy lifestyle, and the PVCC Fitness Center has the perfect resources available to help you continue, or even get started. Non-credit course offerings include fitness center sessions, tai chi, and many others.

Visit <https://www.paradisevalley.edu/academics/health-and-exercise-science/commmunity-fitness> for more information.

Lifelong Learning

PVCC is committed to setting the foundation for our students to be lifelong learners. The vision of PVCC is to aspire to be the higher learning organization of choice by creating engaging lifelong educational relationships that inspire and support all learners to increase their capacity for personal growth and positive social change. As our students become the leaders of society, they also continue to learn and further their personal and professional development to reach their full potential.

The Counseling & Personal Development Division offers a Lifelong Learning Seminar Series that is free and open to the public. These seminars cover topics ranging from "Making Your Memory Your Superpower" to "Disengaging from the Harmful Effects of Stereotyping." For more information, contact the Counseling & Personal Development Division at (602) 787-6540.

TIME & ACADEMIC DEMANDS SCHEDULE

AVAILABLE TIME – per week

In a seven-day period you have	168 hours
Subtracting 7 hours/day for sleeping, 1 1/3 hours/day for eating and 1 1/2 hours/day personal grooming. (18 hours/day x 7 days)	- 70 hours

MCCCD Educational Programs

Academic Policies That Govern Associates Degrees
Designed for University Transfer

AGEC:	Arizona General Education Curriculum AGEC-A, AGECE-B, AGECE-S
AA	Associate in Arts
AA EE:	Associate in Arts in Elementary Education
AA FA:	Associate in Arts, Fine Arts–Art Degree Associate in Arts, Fine Arts–Dance Degree Associate in Arts, Fine Arts–Theatre Degree
AS	Associate in Science
ABus GR:	Associate in Business, General Requirements
ABus SR:	Associate in Business, Special Requirements
AGS:	Associate in General Studies
AAS:	Associate in Applied Science
AC:	Academic Certificates

General Graduation Requirements

Academic Policies that Govern Associate Degrees Designed for University Transfer

The following academic policies govern the associate degrees designed for university transfer (Associate in Arts [AA]; Associate in Business [ABUS]; and Associate in Science [AS]). Also governed by these policies are the major-specific pathway maps within the AA, ABUS, and AS degrees. *Note that academic policies that govern the Associate in General Studies [AGS] and Associate in Applied Science [AAS] degrees are listed separately, with the requirements for each of those degrees.*

- The graduation policies within the general catalog must be satisfied (administrative regulation 2.3.9).
- Minimum semester credits for completion vary slightly by degree. Refer to the Program (Degree) Search at curriculum.maricopa.edu for credit minimums for individual degree programs.
- Credits completed toward these minimums must be in courses numbered 100 or above with a grade of “C” or better. These credits must include a minimum of 35 in satisfaction of the requirements of the Arizona General Education Curriculum (AGEC) along with a maximum of 6 credits towards MCCC’s Additional Requirements.
- Detailed degree requirements are maintained by the Center for Curriculum and Transfer Articulation (CCTA); refer to the program search at <https://curriculum.maricopa.edu/>. Advisement check sheets are maintained at <https://curriculum.maricopa.edu/curriculum/degrees-certificates/associate-degrees/academic-degree-checklists-aa->

General Education Requirements:

- The AGEC requirements include a designated number of courses approved for each of the following areas:
 - Core
 - First Year Composition [FYC],
 - Mathematical Applications [MA], Computer/Statistics/Quantitative Applications [CS] (CS not required for Associate in Science),
 - Literacy and Critical Inquiry [L],
 - Humanities, Arts and Design [HU],
 - Social-Behavioral Sciences [SB], and
 - Natural Sciences (Science Quantitative [SQ], Science-General [SG]).
 - Awareness Areas
 - Cultural Diversity in the U.S. [C]
 - Global [G] or Historical [H] Awareness
- Note that there are three different AGECS each aligning with a different subset of associate Degrees--AGEC-A for the Associate in Arts degree (and major-specific pathway maps), AGEC-B for the Associate in Business degree (and major-specific pathway maps), and AGEC-S for the Associate in Science degree (and major-specific pathway maps). For some types of AGECS/Associate degrees, students are allowed to choose from a broad list of courses; for others the courses are more restricted or even specified.
- A single course can simultaneously count toward a Core Area, one or more Awareness Areas, MCCC’s Additional Requirements and, for some degree types, other lower division courses used to meet the degree requirements. For example, CRE101 may be used to satisfy both the MCCC’s Reading Requirement and the Literacy and Critical Inquiry area [L] of AGEC core. While multiple requirements can be met with a single course, the credits are only counted one time toward the required minimum for the degree.
- Except for the Associate in Science degree, a single course cannot be used to satisfy more than one AGEC Core Area.
- The AGEC-A and AGEC-B require a minimum of 35 credits and the AGEC-S requires a minimum of 36 credits, however, the AGEC credit count within the total credits for a degree may be under these minimums if courses are also applied toward Required Courses or Restricted Electives and the credits are counted in those areas. Awareness Areas and MCCC’s Additional Requirements may also be shared with AGEC Core Areas. Optimizing credits in this way is often recommended because some programs and universities limit transferable credits at 64.

Academic Policies that Govern Associate Degrees Designed for University Transfer

Coursework beyond General Education:

- For some degree types, the additional coursework required to complete the degree is specified while others offer the student more latitude. See degree checksheets for more complete description. Consultation with an academic advisor about course selection is always recommended.
- Oral Communication and Critical Reading are MCCCDD Additional Requirements required for Associate in Arts and Associate in Science degrees and the major-specific pathway maps within the AA and AS degrees. Refer to the Program (Degree) Search at curriculum.maricopa.edu for acceptable options to meet these requirements for individual degree programs.
- Within the Restricted Electives, course recommendations are made for specific transfer institutions. Students should select a subplan (group of courses) based on their intended transfer institution. However, not all transfer institutions are reflected in these recommendations. Therefore, students may instead select the general subplan and meet the minimum number of Restricted Elective credits using a combination of courses from the other subplans. Restricted Electives should be selected in consultation with an academic, faculty, or program advisor.
- General Electives may need to be selected to meet the minimum total credits required for the degree. All courses numbered 100-or-higher may be applied as General Electives. Students are encouraged to select courses that align with their goals.
- Note that some majors require up to a 4th semester proficiency (202-course level) in a non-English language. Students should consult with an academic advisor to discuss options to complete these requirements.
- Maricopa courses and external courses evaluated as Maricopa equivalents, departmental electives, (e.g., HISELC for a history elective), or general electives (GENELC) that are numbered 100 level or higher, and completed with a grade of "C" or higher, may be applied in the elective area, regardless of potential transferability to other institutions. It is recommended, however, that students planning to transfer to a baccalaureate-granting institution meet these general elective requirements with courses that are transferable and applicable to their intended university degree. Transfer advisement information is accessible on the following websites: aztransfer.com, curriculum.maricopa.edu, as well as those of individual universities. For appropriate course selection, students should consult with an academic advisor.
- Any course cross-referenced under another prefix(es) (for example ENH291/EDU291/STO291-Children's Literature) covers identical content and its credits can only be counted once toward requirements.

Transfer Credit from Institutions Outside of MCCCDD:

- Credits transferred from outside of MCCCDD must be at a grade of "C" (2.0 on a 4.0 scale) or better.
- External courses evaluated either as equivalent to an MCCCDD course or as elective credit may be applied toward the minimum credits for degree completion.
- Transfer credit graded pass/fail or pass/no credit may be used to satisfy AGEC requirements if documentation collected by the community college indicates that this was the only grading option available and that the Pass grade ("P") is equivalent to a "C" or better.
- The AGEC (Arizona General Education Curriculum) designations of courses completed at other Arizona public colleges or universities will be applied as listed on AZTransfer's Course Equivalency Guide (CEG) for the semester(s) in which the course(s) were completed. If a transcript evaluation determines there is no MCCCDD direct equivalency to a course from another Arizona public college or university, applicability to AGEC and/or associate degree requirements will be based on the source institution's AGEC designation for the semester in which the course was completed.
- Courses from private, out-of-state, and/or online institutions (i.e., outside of the Arizona Transfer System comprised of Arizona's public community colleges, tribal colleges and universities) will be applied toward AGEC and/or associate degree requirements based on the courses' evaluated MCCCDD equivalence. If courses are not directly equivalent, the credit may be articulated as a departmental elective, and if deemed appropriate, may have a general education designation applied to the course.

Academic Policies that Govern Associate Degrees Designed for University Transfer

- Credit awarded at a Maricopa Community College for prior learning is transferable to the other colleges in the district but is not necessarily transferable to other colleges and universities. No more than 20 such assessed semester credit hours may be applied toward AGEC, and no more than 30 credits (including up to 20 toward AGEC) may be applied toward a degree.

Completion and Transfer:

- Completion of the AGEC with a minimum Grade Point Average of at least 2.0 on a 4.0 scale for Arizona residents and 2.50 for non-residents meets Arizona public university general admission requirements. It does not ensure admission to specific university majors or programs with selective admission processes and/or limited enrollment.
- While MCCC's associate degrees are designed to facilitate a seamless transfer to other Arizona institutions, courses may be transferable and/or meet associate degree requirements, but may not necessarily meet the specific requirements of a particular degree, major, or area of emphasis at another institution.

Students planning to transfer to another college or university are urged to refer to university requirements and academic advisors from both institutions to be certain that all their selected coursework is applicable to the requirements of their intended transfer degree and within their allowed transferable credit limit. For some majors, the statewide Common Course matrix and AZTransfer Major Guides at aztransfer.com and/or university transfer guides can also provide some guidance. For appropriate course selection, students should consult with an academic advisor.

**Maricopa Community Colleges (MCCCD)
2019-2020 Arizona General Education Curriculum (AGEC) – A, B, S**

Description

The Maricopa County Community College District Arizona General Education Curriculum (MCCCD AGEC) is a general education certificate that fulfills lower-division general education requirements for students planning to transfer to any Arizona public community college or university. Generally, the MCCCD AGEC transfers as a block without loss of credit. The AGEC-A and AGEC-B require a minimum of 35 credit hours, and the AGEC-S requires a minimum of 36 credit hours.

In most cases, all courses used to satisfy the MCCCD AGEC will apply to graduation requirements of the university major for which the AGEC was designed.

There are three types of AGECS in MCCCD. They are the AGEC-A, the AGEC-B, and the AGEC-S. As described below, these AGECS are also a component of most MCCCD Associate degrees and comparable degrees at other Arizona public community colleges. The AGEC-A is the general education block of the MCCCD Associate in Arts (AA) degree (and major-specific pathway versions), the AGEC-B is part of the MCCCD Associate in Business (ABUS) degree (and major-specific pathway versions), and the AGEC-S defines the general education requirements in the MCCCD Associate in Science (AS) degree (and major-specific pathway versions).

As described in more detail below, all AGECS require designated Core courses in First Year Composition [FYC], Literacy and Critical Inquiry [L], Mathematical Studies [MA/CS] (Exception: The AGEC-S does not require CS.), Social-Behavioral Sciences [SB], Humanities, Design and Fine Arts [HU], and Natural Science [SQ/SG]. Students must satisfy two Awareness areas: Cultural Diversity in U.S. and either Global Awareness or Historical Awareness.

Purpose of the AGECS

AGECS were designed to articulate with different academic majors, and their particular requirements vary accordingly. In some major-specific pathways, students are allowed to choose from a broad list of courses to satisfy the AGEC requirements; for others the courses are more restricted or even specified. Additional information on academic majors at the Arizona public universities can be accessed via the following website: www.aztransfer.com

1. The **AGEC-A** is designed to satisfy requirements in many liberal arts majors as well as other majors that articulate with an Associate in Arts degree (e.g., social sciences, fine arts, humanities, elementary education). AGEC-A requires a minimum of college mathematics or college algebra to satisfy the Mathematics [MA] requirement.
2. The **AGEC-B** is designed to satisfy requirements in business majors that articulate with the Associate in Business. AGEC-B requires a minimum of brief calculus to satisfy the Mathematics [MA] requirement.
3. The **AGEC-S** is designed to satisfy requirements in majors with more prescriptive mathematics and mathematics-based science requirements such as many in the sciences, technology, engineering and mathematics. AGEC-S requires a minimum of the first course in a calculus sequence to satisfy the Mathematics [MA] requirement, and a minimum of eight credits of either university chemistry, university physics or general biology for majors to satisfy the Natural Sciences [SQ/SG] requirement. In addition, students must select six to ten additional credits of math and/or science appropriate to their major.

Academic Policies that Govern the AGEC-A, -B, -S

- Requires completion of at least 35 credit hours (AGEC-A, AGEC-B) and 36 credit hours (AGEC-S) in courses numbered 100 and above and that a minimum of 12 of those credits be taken at one or any combination of the MCCCD colleges.
- All courses applied to the AGEC must be completed with a grade of “C” or better.
- A single course can simultaneously count toward a Core Area and one or more Awareness Areas. For example, a course in world geography can be used to satisfy [SB] and [G] requirements. While multiple requirements can be met with a single course, the credits for that course are only counted one time toward

Maricopa Community Colleges (MCCCD)
2019-2020 Arizona General Education Curriculum (AGEC) – A, B, S

the required minimum total for the AGEC. Except as detailed below for the AGEC-S, a single course cannot be used to satisfy more than one AGEC Core Area.

- The AGEC-A and AGEC-B require a minimum of 35 credits and the AGEC-S requires a minimum of 36 credits, however, the AGEC credit count within the total credits for a degree may be lower than these minimums if courses are also applied toward Required Courses or Restricted Electives and the credits are counted in those areas. Awareness Areas and MCCCD’s Additional Requirements may also be shared with AGEC Core Areas. Optimizing credits in this way is often recommended because some programs and universities limit transferable credits at 64.

Transfer Credit from Institutions Outside of MCCCD

- Credits transferred from outside of MCCCD must be a grade of “C” (2.0 on a 4.0 scale) or better.
- External courses evaluated either as equivalent to an MCCCD course or as elective credit may be applied toward the minimum credits for degree completion.
- Transfer credit graded pass/fail or pass/no credit may be used to satisfy AGEC requirements if documentation collected by the community college indicates that this was the only grading option available and that the Pass grade (“P”) is equivalent to a “C” or better.
- The AGEC (Arizona General Education Curriculum) designations of courses completed at other Arizona public colleges or universities will be applied as listed on AZTransfer's Course Equivalency Guide (CEG) for the semester(s) in which the course(s) were completed. If a transcript evaluation determines there is no MCCCD direct equivalency to a course from another Arizona public college or university, applicability to AGEC and/or associate degree requirements will be based on the source institution's AGEC designation for the semester in which the course was completed.
- Courses from private, out-of-state, and/or online institutions (i.e., outside of the Arizona Transfer System comprised of Arizona's public community colleges, tribal colleges and universities) will be applied toward AGEC and/or associate degree requirements based on the courses’ evaluated MCCCD equivalence. If courses are not directly equivalent, the credit may be articulated as a departmental elective, and if deemed appropriate, may have a general education designation applied to the course.
- Credit awarded at a Maricopa Community College for prior learning in non-traditional setting is transferable to the other colleges in the MCCC district but is not necessarily transferable to other colleges and universities. No more than 20 such assessed semester credit hours may be applied toward AGEC.

Completion and Transfer

- Completion of the AGEC with a minimum grade point average of at least 2.0 on a 4.0 scale for Arizona residents and 2.50 for non-residents meets Arizona public university general admission requirements. It does not ensure admission to specific university majors or programs with selective admission processes and/or limited enrollment.
- Students planning to transfer to another college or university are urged to refer to university requirements and academic advisors from both institutions to be certain that all their selected coursework is applicable to the requirements of their intended transfer degree. For some majors, the statewide Common Course matrix, AZTransfer Pathway Guides and/or University Transfer Guides posted on the AZTransfer website can also provide some guidance. For appropriate course selection, students should consult with an academic advisor.

AGEC Requirements

Descriptions and definitions of the requirements for each of the three AGECS follow. The following website identifies the courses that apply to the different General Education Core and Awareness Areas within each AGEC:

**Maricopa Community Colleges (MCCCD)
2019-2020 Arizona General Education Curriculum (AGEC) – A, B, S**

[AGEC matrix](#). Courses available for both Areas during a current or upcoming semester can also be found using the “Find a Class” tool on maricopa.edu and on each MCCCD college’s website.

Note that for students pursuing a major-specific pathway within the Associate in Arts, Associate in Business or Associate in Science, the AGEC course requirements may be more prescriptive. Students pursuing a major-specific pathway should consult the Program (Degree) Search at curriculum.maricopa.edu for specific degree and AGEC requirements. Consultation with an academic advisor about course selection is always recommended.

	<u>Credits</u>
Arizona General Education Curriculum--Arts (AGEC-A).....	35 (min.)
<p>The AGEC-A requires a minimum of 35 credits, however, the AGEC credit count within the total credits for a degree may be under 35 if courses are also applied toward Required Courses or Restricted Electives and the credits are counted in those areas. Credits count once toward the total for the degree. Therefore, the AGEC-A may be met with fewer than 35 credits within an associate degree provided that all requirements listed below are completed.</p>	
A. Core Areas:	
<p>Some courses may be met by Required Courses or Restricted Electives. Some of these courses also have Awareness Areas designations and can be used to satisfy [C], [G] and/or [H] requirement(s) as well as their respective Core Area, Required Course(s) or Restricted Elective(s). AGEC designations are subject to change. Courses may meet more than one requirement but are only counted once toward the total credits for the degree. See AGEC matrix for each course's value(s) in the semester it is taken.</p>	
1. First-Year Composition [FYC].....	6
ENG101 OR ENG107.....	(3)
AND ENG102 OR ENG108.....	(3)
2. Literacy and Critical Inquiry [L].....	3
3. Mathematical Applications [MA].....	3-6
Requires a course in college mathematics (MAT140, MAT141, MAT142, MAT145, MAT146) or college algebra (MAT150, MAT151, MAT152, MAT155, MAT156) or pre calculus (MAT187) or higher [MA]-approved general education course.	
4. Computer/Statistics/Quantitative Applications [CS].....	3
5. Humanities, Arts and Design [HU].....	6
Students are encouraged to choose course work from more than one discipline.	
6. Social-Behavioral Sciences [SB].....	6
Students are encouraged to choose course work from more than one discipline.	
7. Natural Sciences [SQ/SG].....	8
The lecture courses selected for Natural Sciences must include or be accompanied by the corresponding laboratory courses for a total of four credits each. Credits for lecture and lab components may be combined or each may carry separate credit. At least four credits must be designated as SQ-Science Quantitative. Eight credits of SG-Science General will not satisfy this requirement.	
B. Awareness Areas.....	0-6
<p>Some courses may be used to satisfy both a Core Area and one or more Awareness Area(s). (See AGEC matrix for current course values.)</p>	
1. Cultural Diversity in the United States [C].....	(0-3)
2. Global Awareness [G] OR Historical Awareness [H].....	(0-3)

MAT213 Brief Calculus OR.....	(4)
Higher [MA] designated course.....	(3-5)
4. Computer/Statistics/Quantitative Applications [CS].....	3
CIS105 Survey of Computer Information Systems.....	
5. Humanities, Arts and Design [HU].....	6
Students are encouraged to choose course work from more than one discipline.....	
6. Social-Behavioral Sciences [SB].....	6
ECN211 Macroeconomics AND ECN212 Microeconomics.....	
7. Natural Sciences [SQ/SG].....	8
The lecture courses selected for Natural Sciences must include or be accompanied by the corresponding laboratory courses for a total of four credits each. Credits for lecture and lab components may be combined or each may carry separate credit. At least four credits must be designated as SQ-Science Quantitative. Eight credits of SG-Science General will not satisfy this requirement.....	
B. Awareness Areas.....	0-6
<p>Some courses may be used to satisfy both a Core Area and one or more Awareness Area(s). (See AGEC matrix for current course values.)</p>	
1. Cultural Diversity in the United States [C].....	(0-3)
2. Global Awareness [G] OR Historical Awareness [H].....	(0-3)

**Maricopa Community Colleges (MCCCD)
2019-2020 Arizona General Education Curriculum (AGEC) – A, B, S**

	<u>Credits</u> 36 (min.)
Arizona General Education Curriculum--Science (AGEC-S)	
<p>The AGEC-S requires a minimum of 36 credits, however, the AGEC credit count within the total credits for a degree may be under 35 if courses are also applied toward Required Courses or Restricted Electives and the credits are counted in those areas. Credits count once toward the total for the degree. Therefore, the AGEC-S may be met with fewer than 36 credits within an associate degree provided that all requirements listed below are completed.</p>	
A. Core Areas:	
<p>Some courses may be met by Required Courses or Restricted Electives. Some of these courses also have Awareness Areas designations and can be used to satisfy [C], [G] and/or [H] requirement(s) as well as their respective Core Area, Required Course(s) or Restricted Elective(s). AGEC designations are subject to change. Courses may meet more than one requirement but are only counted once toward the total credits for the degree. See AGEC matrix for each course's value(s) in the semester it is taken.</p>	
1. First-Year Composition [FYC].....	6
ENG101 OR ENG107.....	(3)
AND ENG102 OR ENG108.....	(3)
2. Literacy and Critical Inquiry [L].....	0-3 (0 only if shared with HU or SB)
<p>Students are strongly encouraged to choose an [L] course that also has [HU] or [SB] designation or to use CRE101 or COM225 from the Maricopa Additional Requirements Area to satisfy the [L] requirement. It may also have been approved to satisfy one or more Awareness Areas ([C], [G], [H]). (AGEC designations are subject to change. See AGEC matrix for each course's value(s) in the semester it is taken.)</p>	
3. Mathematical Applications [MA].....	4-5
<p>Requires the first semester of calculus courses designed for scientists and engineers (MAT220 or MAT221) or any other [MA] designated course for which Calculus I is a pre-requisite.</p>	
4. Humanities, Arts and Design [HU].....	6
<p>For the AGEC-S, a single course with both [HU] and [L] designations may satisfy both Areas. Note that some of these courses also have Awareness Areas designations and can be used to satisfy [C], [G] and/or [H] requirement(s) as well as their respective Core Area(s). (AGEC designations are subject to change. See AGEC matrix for each course's value(s) in the semester it is taken.)</p>	
5. Social-Behavioral Sciences [SB].....	6
<p>For the AGEC-S, a single course with both [SB] and [L] designations may satisfy both Areas. Note that some of these courses also have Awareness Areas designations and can be used to satisfy [C], [G] and/or [H] requirement(s) as well as their respective Core Area(s). (AGEC designations are subject to change. See AGEC matrix for each course's value(s) in the semester it is taken.)</p>	
6. Natural Sciences [SQ/SG].....	8
<p>Students must complete eight (8) credits of General Chemistry, University Physics or General Biology for Majors. Consult specific requirements of university transfer major for guidance.</p> <p style="padding-left: 20px;">[(CHM150 or CHM151) & CHM151LL] or CHM150AA or CHM151AA General Chemistry I AND [CHM152 & CHM152LL] or CHM152AA General Chemistry II</p>

AGEC Area Requirements Descriptions/Definitions

CORE AREAS

First-Year Composition (FYC)

First-Year Composition courses emphasize skills necessary for college-level expository writing, including correct grammar and punctuation, logical organization of ideas, and identification of supporting documentation.

Literacy and Critical Inquiry [L]

In the [L] course students, typically at the sophomore level, gather, interpret, and evaluate evidence and express their findings in writing or speech. This course includes a series of graded written or spoken formal assignments.

Literacy is defined broadly as communicative competence in written and oral discourse; critical inquiry is defined as the gathering, interpreting, and evaluating of evidence. Building on the proficiency attained in traditional First-Year Composition courses, the Literacy and Critical Inquiry [L] requirement sustains and extends students' ability to thoughtfully use and critically analyze written and/or spoken language.

Mathematical Applications [MA]

The Mathematical Studies requirement is intended to ensure that students have requisite skill in mathematics appropriate for their discipline and can apply mathematical analysis in their chosen fields.

Computer/Statistics/Quantitative Applications [CS]

AGEC-A and AGEC-B require a course that emphasizes the use of statistics, other mathematical methods, computer programming languages and/or software in the interpretation of data and in describing and analyzing quantitative relationships.

Maricopa Community Colleges (MCCCD)
2019-2020 Arizona General Education Curriculum (AGEC) – A, B, S

Humanities, Arts and Design [HU]

The study of the humanities and the disciplines of art and design deepen awareness of the complexities of the human condition and its diverse histories and cultures. Courses in the humanities are devoted to the production of human thought and imagination, particularly in philosophical, historical, religious and artistic traditions. Courses with an emphasis in fine arts and design are devoted to the study of aesthetic experiences and the processes of artistic creation. They may also feature a design emphasis in which material culture is studied as a product of human thought and imagination.

Social-Behavioral Sciences [SB]

The Social-Behavioral Sciences Core area provides scientific methods of inquiry and empirical knowledge about human behavior, both within society and within individuals. This area of emphasis in general education curriculum may include study of such disciplines as anthropology, economics, history, political science, psychology, or sociology. The courses in this area address the challenge of understanding the diverse natures of individuals and cultural groups who live together in a complex and evolving world.

Natural Sciences [SQ/SG] In addition to an understanding of basic scientific principles and concepts, courses in the Natural Sciences Core area are designed to help students appreciate, from firsthand laboratory and/or field research experience, the nature of science as a process that embraces curiosity, inquiry, testing, and communication to better understand natural phenomena. At least one of the two natural science courses must include an introduction to the fundamental behavior of matter and energy in physical or biological systems.

AWARENESS AREAS

Students must satisfy two Awareness areas: Cultural Diversity in U.S. and either Global Awareness or Historical Awareness. Courses can satisfy a Core area and one or two Awareness areas simultaneously. Therefore, no additional semester credits are required to satisfy the two Awareness areas.

Cultural Diversity in the United States [C]

The contemporary “culture” of the United States involves the complex interplay of many different cultures that exist side by side in various states of harmony and conflict. U.S. history involves the experiences not only of different groups of European immigrants and their descendants, but also of diverse groups of American Indians, Hispanic Americans, African Americans and Asian Americans--all of whom played significant roles in the development of contemporary culture and together shape the future of the United States. At the same time, the recognition that gender, class, and religious differences cut across all distinctions of race and ethnicity offers an even richer variety of perspectives from which to view one. Awareness of cultural diversity and its multiple sources can illuminate the collective past, present, and future and can help to foster greater mutual understanding and respect.

The objective of the Cultural Diversity area requirement is to promote awareness of and appreciation for cultural diversity within the contemporary United States. This is accomplished through the study of the cultural, social, or scientific contributions of women and minority groups, examination of their experiences in the United States, or exploration of successful or unsuccessful interactions between and among cultural groups.

Global Awareness [G]

Human organizations and relationships have evolved from being family and village centered to the modern global interdependence that is apparent in many disciplines--for example, contemporary art, business, engineering, music, and the natural and social sciences. Many serious local and national problems are world issues that require solutions which exhibit mutuality and reciprocity. These problems occur in a wide variety of activities, such as food supply, ecology, health care delivery, language planning, information exchange, economic and social developments, law, technology transfer, and even philosophy and the arts. The Global Awareness Area recognizes the need for an understanding of the values, elements, and social processes of cultures other than the culture of the United States. The Global Awareness Area includes courses that recognize the nature of other contemporary cultures and the relationship of the American cultural system to generic human goals and welfare.

Maricopa Community Colleges (MCCCD)
2019-2020 Arizona General Education Curriculum (AGEC) – A, B, S

Courses that satisfy the global awareness option in the requirements are of one or more of the following types:

1. Area studies that are concerned with an examination of culture-specific elements of a region of the world;
2. The study of a non-English language;
3. Studies of international relationships, particularly those in which cultural change is facilitated by such factors as social and economic development, education, and the transfer of technology; and
4. Studies of cultural interrelationships of global scope such as the global interdependence produced by problems of world ecology.

Historical Awareness [H]

The Historical Awareness Area option in the requirements aims to develop a knowledge of the past that can be useful in shaping the present and future. Because historical forces and traditions have created modern life and lie just beneath its surface, historical awareness is an aid in the analysis of present-day problems. Also, because the historical past is a source of social and national identity, historical study can produce intercultural understanding by tracing cultural differences to their origins. Even the remote past may have instructive analogies for the present.

The Historical Awareness Area consists of courses that are historical in method and content. In this area, the term “history” designates a sequence of past events or a narrative whose intent or effect is to represent such a sequence.

The requirement presumes that these are human events and that history includes all that has been felt, thought, imagined, said, and done by human beings. History is present in the languages, art, music, literature, philosophy, religion, and the natural sciences, as well as in the social science traditionally called history.

**Maricopa Community Colleges (MCCCD)
2019-2020 Associate in Arts (AA) Degree**

Description

The Maricopa County Community College District Associate in Arts degree requires a minimum of 60 semester credits for the program of study; minimum total credits for major-specific pathway versions of the Associate in Arts degree vary. Refer to the Program (Degree) Search at curriculum.maricopa.edu for credit minimums for individual degree programs. A minimum grade point average of 2.0 and grades of “C” or higher are required to earn the degree. The Associate in Arts degree, including major-specific pathways within the degree, is governed by the [MCCCD General Academic Policies for Transfer Degrees](#).

The Associate in Arts degree includes the following components:

- I. Program Prerequisites (if applicable)
- II. Required Courses (for major-specific pathway versions only)
- III. Restricted Electives (for major-specific pathway versions only)
- IV. Arizona General Education Curriculum for Arts (AGEC-A)
- V. MCCCD Additional Requirements (Oral Communication and Critical Reading)
- VI. General Electives (if needed to reach minimum credits for degree)

Purpose of the Degree

The Associate in Arts degree is designed for students planning to transfer to four-year colleges and universities. In general, the components of the degree meet requirements for majors in the Liberal Arts or programs of study other than business or science. Generally, the degree will transfer as a block without loss of credit to Arizona’s public universities and other institutions with district-wide articulation agreements.

In most cases, courses used to satisfy the MCCCD Associate in Arts will apply to general university graduation requirements of the majors that align with the Associate in Arts degree; however, students need to be aware of any specific requirements of their intended major at the university to be sure they select courses that will meet them. Information regarding the articulation of the Associate in Arts with majors at the Arizona public universities can be accessed via the following website: www.aztransfer.com

Degree Requirements

The requirements for the Associate in Arts follow. All versions of the Associate in Arts require a minimum of 60 credits; for major-specific pathways within the degree, minimum credits for categories within the degree, as well as the total, vary. Refer to the Program (Degree) Search at curriculum.maricopa.edu for credit minimums for major-specific pathways within the degree. The following websites identify the courses that apply to the different General Education Core and Awareness Areas: [AGEC-A](#) and the [AGEC matrix](#). Courses available for both Areas during a current or upcoming semester can also be found using the “Find A Class” tool on maricopa.edu and on each MCCCD college’s website.

Requirements

Credits

I. Program Prerequisites	Number varies
Program prerequisites vary by type of Associate in Arts degree, and are not required for the non-major-specific version of the degree. Refer to the Program (Degree) Search at curriculum.maricopa.edu for specific courses and credit minimums required for major-specific pathways within the degree.	
II. Required Courses	Number varies
Required (major-specific) courses vary by type of Associate in Arts degree, and are not required for the non-major-specific version of the degree. Refer to the Program (Degree) Search at curriculum.maricopa.edu for specific courses and credit minimums required for major-specific pathways within the degree.	

**Maricopa Community Colleges (MCCCD)
2019-2020 Associate in Arts (AA) Degree**

III. Restricted Electives	Number varies
<p>Restricted electives vary by type of Associate in Arts degree, and are not required for the non-major-specific version of the degree. Refer to the Program (Degree) Search at curriculum.maricopa.edu for specific courses and credit minimums required for major-specific pathways within the degree.</p>	
IV. Arizona General Education Curriculum--Arts (AGEC-A)	up to 44
<p>The AGECA requires a minimum of 35 credits, however, prerequisite/required/restricted elective courses may also meet AGECA requirements and credits count once toward the total for the degree. Therefore, the AGECA may be met with fewer than 35 credits as long as all requirements listed in this section (IV) are completed.</p>	
<p>A. Core Areas:</p> <p>Some courses may be met by Required Courses or Restricted Electives. Some of these courses also have Awareness Areas designations and can be used to satisfy [C], [G] and/or [H] requirement(s) as well as their respective Core Area, Required Course(s) or Restricted Elective(s). AGECA designations are subject to change. Courses may meet more than one requirement but are only counted once toward the total credits for the degree. See AGEC matrix for each course's value(s) in the semester it is taken.</p>	
<p>1. First-Year Composition [FYC].....</p> <p style="padding-left: 20px;">ENG101 OR ENG107.....</p> <p style="padding-left: 20px;">AND ENG102 OR ENG108.....</p>	<p>6</p> <p style="padding-left: 20px;">(3)</p> <p style="padding-left: 20px;">(3)</p>
<p>2. Literacy and Critical Inquiry [L].....</p>	<p>3</p>
<p>3. Mathematical Applications [MA].....</p> <p style="padding-left: 20px;">Requires a course in college mathematics (MAT140, MAT141, MAT142, MAT145, MAT146) or college algebra (MAT150, MAT151, MAT152, MAT155, MAT156) or pre calculus (MAT187) or higher [MA]-approved general education course.</p>	<p>3-6</p>
<p>4. Computer/Statistics/Quantitative Applications [CS].....</p>	<p>3</p>
<p>5. Humanities, Arts and Design [HU].....</p> <p style="padding-left: 20px;">Students are encouraged to choose course work from more than one discipline.</p>	<p>6</p>
<p>6. Social-Behavioral Sciences [SB].....</p> <p style="padding-left: 20px;">Students are encouraged to choose course work from more than one discipline.</p>	<p>6</p>
<p>7. Natural Sciences [SQ/SG].....</p> <p style="padding-left: 20px;">The lecture courses selected for Natural Sciences must include or be accompanied by the corresponding laboratory courses for a total of four credits each. Credits for lecture and lab components may be combined or each may carry separate credit. At least four credits must be designated as SQ-Science Quantitative. Eight credits of SG-Science General will not satisfy this requirement.</p>	<p>8</p>
B. Awareness Areas	0-6
<p>Some courses may be used to satisfy both a Core Area and one or more Awareness Area(s). (See AGECA matrix for current course values.)</p>	
<p>1. Cultural Diversity in the United States [C].....</p>	<p>(0-3)</p>
<p>2. Global Awareness [G] OR Historical Awareness [H].....</p>	<p>(0-3)</p>
V. MCCCD Additional Requirements	0-6
<p>As noted below, courses in this area may also be applied toward AGECA Core Area requirements.</p>	
A. Oral Communication	(0-3)
<p>COM100 [SB] Introduction to Human Communication OR COM110 [SB] Interpersonal Communication OR COM225 [L] Public Speaking OR COM230 [SB] Small Group Communication (3 credits) OR</p>	

**Maricopa Community Colleges (MCCCD)
2019-2020 Associate in Arts (AA) Degree**

- COM100AA & COM100AB & COM100AC [SB] (3 credits) OR
COM110AA & COM110AB & COM110AC [SB] (3 credits)
- B. Critical Reading..... (0-3)
Students may demonstrate proficiency through assessment.
CRE101 [L] Critical Reading OR equivalent as indicated by assessment

VI. General Electives..... 0-25

Select courses 100-level or higher if needed to complete a minimum of 60 semester credits but no more than a total of 64 semester credits, which is the maximum number of credits accepted toward most degree programs at Arizona’s public universities. Ideally, students should select courses that meet requirements for their major/area of interest and transfer institution. See General Associate Degree Academic Policies for further details, limitations, and guidelines.

Maricopa courses and external courses evaluated as Maricopa equivalents, departmental electives (e.g., HISELC for a history elective), or general electives (GENELC) that are numbered 100 level or higher, and completed with a grade of "C" or higher, may be applied in the elective area, regardless of potential transferability to other institutions. It is recommended, however, that students planning to transfer to a baccalaureate-granting institution meet these general elective requirements with courses that are transferable and applicable to their intended university degree. Transfer and major guides are accessible on the following websites: aztransfer.com, maricopa.edu/transfer/partners, as well as those of individual universities. For appropriate course selection, students should consult with an academic advisor.

TOTAL..... 60-64*

*64 semester credits is the maximum accepted toward most degree programs at Arizona’s public universities. Some exceptions apply; consult with an academic advisor for additional transfer pathways.

**Maricopa Community Colleges (MCCCD)
2019-2020 Associate in Arts, Elementary Education (AAEE) Degree**

Description

The Maricopa County Community College District Associate in Arts, Elementary Education degree requires a minimum of 60 semester credits for the program of study. A minimum grade point average of 2.0 and grades of “C” or higher are required to earn the degree. The Associate in Arts, Elementary Education degree is governed by the [MCCCD General Academic Policies for Transfer Degrees](#).

The Associate in Arts, Elementary Education degree includes the following components:

- I. Required Courses
- II. Restricted Electives
- III. Arizona General Education Curriculum for Arts (AGEC-A)
- IV. MCCCD Additional Requirements (Oral Communication and Critical Reading)

Purpose of the Degree

The AAEE is designed for the student who plans to transfer to an Elementary Education, Early Childhood, Multicultural/Multilingual, or Special Education program at an Arizona public higher education institution and/or who plans to become a classroom instructional aide. Generally, the degree transfers as a block without loss of credit to Arizona's public universities, and in most cases, its required courses apply to graduation requirements for these Education majors.

Degree Requirements

The requirements for the Associate in Arts in Elementary Education follow. The following websites identify the courses that apply to the different General Education Core and Awareness Areas: AGEC-A and the AGEC matrix. Courses available for both Areas during a current or upcoming semester can also be found using the “Find A Class” tool on maricopa.edu and on each MCCCD college’s website.

<u>Requirements</u>	<u>Credits</u>
---------------------	----------------

I. Required Courses	17
EDU221 Introduction to Education.....	(3)
EDU222 Introduction to the Exceptional Learner.....	(3)
EDU230 Cultural Diversity in Education.....	(3)
MAT256 Investigating Quantity: Number, Operations, and Numeration Systems.....	(4)
MAT257 Investigating Geometry, Probability, and Statistics.....	(4)

II. Restricted Electives	8
---------------------------------------	----------

A total of 8 semester credits is required to satisfy the Electives for Arizona Professional Teacher Standards: 3 credits in an additional Education course and 5 credits in Content Area Electives, as outlined below.

Courses must transfer to all public Arizona universities as elective credit, departmental elective, or equivalent to a university course as indicated in the Arizona Course Equivalency Guide in effect when the course is taken. Courses identified as non-transferable in the Arizona Course Equivalency Guide cannot be used to satisfy this requirement.

Select one additional EDU course (other than EDU221, EDU222, EDU230 or EDU250)..... (3)

Recommended:

EDU110 Education in Film

EDU220 Introduction to Serving English Language Learners (ELL)

EDU236 Classroom Relationships

EDU/HUM/STO292 The Art of Storytelling

Choose any combination from the following list of courses and prefixes to total 5 credits of additional coursework. Course(s) selected must be different from those used to fulfill a

Maricopa Community Colleges (MCCCD)
2019-2020 Associate in Arts, Elementary Education (AAEE) Degree

requirement of the AGEC-A or to fulfill an Education Foundations requirement.

- Content Area Electives: Select 5 credits from the following:..... (5)
- AAA/CPD115 Creating College Success
 - ARH+++ Any ARH Art Humanities course(s)
 - ART+++ Any ART Art course(s)
 - CFS/ECH176 Child Development
 - CFS205 Human Development
 - CIS+++ Any CIS Computer Information Systems course(s)
 - ECN+++ Any ECN Economics course(s)
 - BPC+++ Any BPC Business-Personal Computers course(s)
 - EED215 Early Learning: Health, Safety, Nutrition and Fitness
 - EDU+++ Any EDU Education course(s) (except EDU221, EDU222, EDU230, and EDU250)
 - ENG+++ Any ENG English course(s)
 - ENH+++ Any ENH English Humanities course(s)
 - GCU+++ Any GCU Cultural Geography course(s)
 - GPH+++ Any GPH Physical Geography course(s)
 - HIS+++ Any HIS History course(s)
 - MAT+++ Any MAT Mathematics course(s) 140 or higher (except MAT256 and MAT257)
 - MHL+++ Any MHL Music: History/Literature course(s)
 - MTC+++ Any MTC Music: Theory/Composition course(s)
 - POS+++ Any POS Political Science course(s)
 - THE+++ Any THE Theatre course(s)
 - THF+++ Any THF Theatre and Film course(s)
 - THP+++ Any THP Theatre Performance/Production course(s)
 - Any Foreign Language course(s)
 - Any Natural Science course(s)

III. Arizona General Education Curriculum--Arts (AGEC-A)..... 35-44

The AGEC-A requires a minimum of 35 credits, however, prerequisite/required/restricted elective courses may also meet AGEC-A requirements and credits count once toward the total for the degree. Therefore, the AGEC-A may be met with fewer than 35 credits as long as all requirements listed in this section (III) are completed.

A. Core Areas:

Some courses may be met by Required Courses or Restricted Electives. Some of these courses also have Awareness Areas designations and can be used to satisfy [C], [G] and/or [H] requirement(s) as well as their respective Core Area, Required Course(s) or Restricted Elective(s). AGEC designations are subject to change. Courses may meet more than one requirement but are only counted once toward the total credits for the degree. See [AGEC matrix](#) for each course's value(s) in the semester it is taken.

1. First-Year Composition [FYC]..... **6**
 - ENG101 OR ENG107..... (3)
 - AND ENG102 OR ENG108..... (3)
2. Literacy and Critical Inquiry [L]- COM225 Public Speaking..... **3**
3. Mathematical Applications [MA]..... **3-6**
 - Requires a course in college mathematics (MAT140, MAT141, MAT142, MAT145, MAT146) or college algebra (MAT150, MAT151, MAT152, MAT155, MAT156) or pre calculus (MAT187) or any other [MA] designated course for which college algebra is a pre-requisite.
 - (Note that MAT256, MAT257, MAT182, and MAT206 are excluded)
4. Computer/Statistics/Quantitative Applications [CS]..... **3**
 - BPC110 Computer Usage and Applications OR
 - CIS105 Survey of Computer Information Systems
5. Humanities, Arts and Design [HU]..... **6**

**Maricopa Community Colleges (MCCCD)
2019-2020 Associate in Arts, Elementary Education (AAEE) Degree**

Note that some of these courses also have Awareness Areas designations (see section 2 below) and can be used to satisfy [G] and/or [H] requirement as well as [HU]. (AGEC designations are subject to change. See [AGEC matrix](#) for each course's value(s) in the semester it is taken.)

- 1) Select one of the following ARH, DAH, MHL or THE courses:..... (3)
 - ARH100 Introduction to Art OR
 - ARH101 Prehistoric through Gothic Art OR
 - ARH102 Renaissance through Contemporary Art OR
 - DAH100 Introduction to Dance OR
 - DAH201 World Dance Studies OR
 - DAH250 Dance in Popular Culture OR
 - MHL140 Survey of Music History OR
 - MHL145 American Jazz and Popular Music OR
 - MHL146 Survey of Broadway Musicals OR
 - MHL153 Rock Music and Culture OR
 - THE111 Introduction to Theatre OR
 - THE220 Modern Drama

AND

- 2) Select one of the following EDU, ENH or HUM courses:..... (3)
 - EDU/ENH291 Children's Literature (Recommended) OR
 - ENH110 Introduction to Literature OR
 - ENH241 American Literature Before 1860 OR
 - ENH242 American Literature After 1860 OR
 - HUM250 Ideas and Values in the Humanities OR
 - HUM251 Ideas and Values in the Humanities
6. Social-Behavioral Sciences [SB]..... 6

Note that some of these courses also have Awareness Areas designations (see section 2 below) and can be used to satisfy [G] and/or [H] requirement as well as [SB]. (AGEC designations are subject to change. See [AGEC matrix](#) for each course's value(s) in the semester it is taken.)

 - 1) Select one of the following US History/Government courses*..... (3)

These courses satisfy the United States Constitution requirement for state teacher certification.

 - HIS103 United States History to 1865 OR
 - POS110 American National Government OR
 - GCU/POS113 United States and Arizona Social Studies

AND

 - 2) Select one of the following CFS, ECH, GCU, ECN, HIS or PSY courses... (3)
 - CFS205 Human Development OR
 - ECH/CFS176 Child Development OR
 - GCU121 World Geography I: Eastern Hemisphere OR
 - GCU122 World Geography II: Western Hemisphere OR
 - ECN211 Macroeconomic Principles OR
 - ECN212 Microeconomic Principles OR
 - HIS104 United States History 1865 to Present OR
 - PSY101 Introduction to Psychology
7. Natural Sciences [SQ/SG]..... 8

The lecture courses selected for Natural Sciences must include or be accompanied by the corresponding laboratory course for a total of 4 credits each. At least four (4) credits must be designated as SQ. Eight (8) credits of SG will not satisfy this requirement.

 - 1) Life Sciences: Select four (4) credits of SQ in Biology (BIO) from the following courses:..... (4)
 - BIO100 Biology Concepts

**Maricopa Community Colleges (MCCCD)
2019-2020 Associate in Arts, Elementary Education (AAEE) Degree**

- BIO101 Introduction to Human Genetics for Non-Majors
- BIO102 Cells to Systems: An Introduction to Biology for Non-Majors
- BIO105 Environmental Biology
- BIO107 Introduction to Biotechnology
- BIO108 Plants and Society
- BIO156 Introductory Biology for Allied Health
- BIO156XT Introductory Biology for Allied Health
- BIO181 General Biology (Majors) I
- BIO241 Human Genetics

AND

- 2) Physical Sciences or Earth/Space Sciences: Select four (4) credits of SQ or SG from one of the following prefixes:..... (4)
AGS, ASM, AST, CHM, GPH, GLG, PHS, or PHY

Note: Students are advised to check with the university they plan to attend as specific requirements for lab sciences may vary.

- B. Awareness Areas..... **0-3**
 - 1. Cultural Diversity in the United States [C]..... (0)
Met by EDU222 and EDU230 in Required Courses.
 - 2. Global Awareness [G] OR Historical Awareness [H]..... (0-3)
May be met by [HU] and/or [SB] course depending on specific courses selected. (AGEC designations are subject to change. See [AGEC matrix](#) for each course's value(s) in the semester it is taken.)

IV. MCCCD Additional Requirements..... 0-3

As noted below, courses in this area may also be applied toward AGECE-A Core Area requirements.

- A. Oral Communication..... (0)
Met by COM225 in Required Courses.
- B. Critical Reading..... (0-3)
Students may demonstrate proficiency through assessment.
CRE101 [L] Critical Reading OR equivalent as indicated by assessment

TOTAL..... 60-68**

*NOTE: State certification requirements include courses on the constitutions of US and Arizona. Taking GCU/POS113 for [SB] fulfills this requirement completely. Students who instead take HIS103 or POS110 for [SB] should consider taking POS221 as a Content Area Elective so they have completed study of both constitutions. POS220 meets state certification requirements for both constitutions but does not meet [SB].

**64 semester credits is the maximum accepted toward most degree programs at Arizona's public universities. Some exceptions apply; consult with an academic advisor for additional transfer pathways.

**Maricopa Community Colleges (MCCCD)
2019-2020 Associate in Arts, Fine Arts (AAFA) – Art, Dance, Music, Theatre**

Description

The Maricopa County Community College District Associate in Arts, Fine Arts degree requires a minimum of 60 semester credits for the program of study; minimum total credits for major-specific pathway versions (Art, Dance, Music, Theatre) of the Associate in Arts, Fine Arts degree vary. Refer to the Program (Degree) Search at curriculum.maricopa.edu for credit minimums for individual degree programs. A minimum grade point average of 2.0 and grades of “C” or higher are required to earn the degree. The Associate in Arts, Fine Arts degree, including major-specific pathways within the degree, is governed by the [MCCCD General Academic Policies for Transfer Degrees](#).

The Associate in Arts, Fine Arts degree includes the following components:

- I. Program Prerequisites (if applicable)
- II. Required Courses (for major-specific pathway versions-Art, Dance, Music, Theatre)
- III. Restricted Electives (for major-specific pathway versions-Art, Dance, Music, Theatre)
- IV. Arizona General Education Curriculum for Arts (AGEC-A)
- V. MCCCD Additional Requirements (Oral Communication and Critical Reading)
- VI. General Electives (if needed to reach minimum credits for degree)

Purpose of the Degree

The Associate in Arts, Fine Arts (AAFA) degree is designed for students planning to transfer to four-year colleges and universities. In general, the components of the degree meet requirements for majors in the Fine Arts. The degree is designed to prepare students to meet selective admission criteria for programs such as the Bachelor of Fine Arts, which may require a portfolio or performance requirement.

In most cases, courses used to satisfy the MCCCD Associate in Arts, Fine Arts (AAFA) will apply to general university graduation requirements of the majors that align with AAFA degree; however, students need to pay attention to any specific requirements of their intended focus at the university to be sure they select courses that will meet them. Information regarding the articulation of the AAFA degree with majors at the Arizona public universities can be accessed via the following website: www.aztransfer.com

Degree Requirements

The requirements for the Associate in Arts, Fine Arts follow. All versions of the Associate in Arts, Fine Arts require a minimum of 60 credits; for major-specific pathway versions (Art, Dance, Music, Theatre) within the degree, minimum credits for categories within the degree, as well as the total, vary. Refer to the Program (Degree) Search at curriculum.maricopa.edu for credit minimums for major-specific pathways within the degree. The following websites identify the courses that apply to the different General Education Core and Awareness Areas: [AGEC-A](#) and the [AGEC matrix](#). Courses available for both Areas during a current or upcoming semester can also be found using the “Find A Class” tool on maricopa.edu and on each MCCCD college’s website.

- B. Critical Reading..... (0-3)
Students may demonstrate proficiency through assessment.
CRE101 [L] Critical Reading OR equivalent as indicated by assessment

VI. General Electives..... 0-25

Select courses 100-level or higher if needed to complete a minimum of 60 semester credits but no more than a total of 64 semester credits, which is the maximum number of credits accepted toward most degree programs at Arizona’s public universities. Ideally, students should select courses that meet requirements for their major/area of interest and transfer institution. See General Associate Degree Academic Policies for further details, limitations, and guidelines.

Maricopa courses and external courses evaluated as Maricopa equivalents, departmental electives (e.g., HISELC for a history elective), or general electives (GENELC) that are numbered 100 level or higher, and completed with a grade of "C" or higher, may be applied in the elective area, regardless of potential transferability to other institutions. It is recommended, however, that students planning to transfer to a baccalaureate-granting institution meet these general elective requirements with courses that are transferable and applicable to their intended university degree. Transfer and major guides are accessible on the following websites: aztransfer.com, maricopa.edu/transfer/partners, as well as those of individual universities. For appropriate course selection, students should consult with an academic advisor.

TOTAL..... 60-64*

*64 semester credits is the maximum accepted toward most degree programs at Arizona’s public universities. Some exceptions apply; consult with an academic advisor for additional transfer pathways.

**Maricopa Community Colleges (MCCCD)
2019-2020 Associate in Business, General Requirements (ABUS-GR) Degree**

Description

The Maricopa County Community College District Associate in Business General Requirements (ABUS-GR) degree requires a minimum of 62 semester credits for the program of study. A minimum grade point average of 2.0 and grades of “C” or higher are required to earn the degree. The Associate in Business-General Requirements degree is governed by the [MCCCD General Academic Policies for Transfer Degrees](#).

This degree provides the first two years of a four-year curriculum for students who wish to specialize in business. For a comprehensive list of bachelor’s degrees at Arizona’s public universities, refer to the [AZTransfer Business Matrix](#). With a bachelor’s degree, students may pursue a number of careers, including but not limited to accountancy, business administration, business data analytics, economics, entrepreneurship, finance, marketing, management, retail management, and supply chain management.

The Associate in Business-General Requirements degree includes the following components:

- I. Required Courses
- II. Restricted Electives
- III. Arizona General Education Curriculum for Business (AGEC-B)
- IV. General Electives (if needed to reach minimum credits for degree)

Purpose of the Degree

The Associate in Business General Requirements (ABUS-GR) degree is designed for students who plan to transfer to four-year colleges and universities. In general, the components of this degree meet requirements for the various business majors (except Computer Information Systems) at Arizona’s public universities. Computer Information Systems majors should follow the Associate in Business Special Requirements (ABUS-SR) pathway instead. Generally, the degree transfers as a block without loss of credit to Arizona's public universities and other institutions with district-wide articulation agreements.

Special Academic Policies that Govern the ABUS-GR Degree

- The ABUS-GR does not include any MCCCD Special Requirements for Oral Communication and/or Critical Reading like the other Associate degrees. (However, some university programs have a speech requirement; consult your academic advisor or transfer guide to verify the specifics for your program.)
- A single course can be used to satisfy multiple areas within the degree simultaneously simultaneously (AGEC-B Core Area and/or Awareness Area(s), Required Courses (Common Lower Division Requirements), and/or Restricted Electives (Business Electives)). Credits are counted once toward the total for the degree.

Degree Requirements

The 62-72 semester credits required for the Associate in Business General Requirements follow. The following websites identify the courses that apply to the different General Education Core and Awareness Areas: [AGEC-B](#) and the [AGEC Matrix](#). Courses available for both Areas during a current or upcoming semester can also be found using the “Find A Class” tool on each MCCCD college’s website.

<u>Requirements</u>	<u>Credits</u>

III. Arizona General Education Curriculum- Business (AGEC-B)..... 29-37

The AGEC-B requires a minimum of 35 credits, however, Required and Restricted elective courses may also meet AGEC-B requirements and credits count once toward the total for the degree. Therefore, the AGEC-B may be met with fewer than 35 credits as long as all requirements listed in this section (III) are completed.

A. Core Areas:

Some courses may be met by Required Courses or Restricted Electives. Some of these courses also have Awareness Areas designations and can be used to satisfy [C], [G] and/or [H] requirement(s) as well as their respective Core Area, Required Course(s) or Restricted Elective(s). AGEC designations are subject to change. Courses may meet more than one requirement but are only counted once toward the total credits for the degree. See [AGEC matrix](#) for each course's value(s) in the semester it is taken.

1. First-Year Composition [FYC]..... **6**

**Maricopa Community Colleges (MCCCD)
2019-2020 Associate in Business, General Requirements (ABUS-GR) Degree**

ENG101 OR ENG107 AND.....	(3)

5. Humanities, Arts and Design [HU].....	6
Students are encouraged to choose course work from more than one discipline.	
6. Social-Behavioral Sciences [SB].....	0
Met by Required Courses ECN211 AND ECN212	
7. Natural Sciences [SQ/SG].....	8
The lecture courses selected for Natural Sciences must include or be accompanied by the corresponding laboratory courses for a total of four credits each. Credits for lecture and lab components may be combined or each may carry separate credit. At least four credits must be designated as SQ-Science Quantitative. Eight credits of SG-Science General will not satisfy this requirement.	
B. Awareness Areas.....	0-6
Some courses may be used to satisfy both a Core Area and one or more Awareness Area(s). (See AGEC matrix for current course values.)	
1. Cultural Diversity in the United States [C].....	(0-3)
2. Global Awareness [G] OR Historical Awareness [H].....	(0-3)

Note: Students transferring to ASU in Accountancy should take two of the following courses: Sociology with [SB] value, Psychology with [SB] value, and COM230 or COM225. If students do not take these prior to transfer, they may need to take additional hours to meet ASU requirements.

IV. General Electives..... 0-12
 Select courses 100-level or higher if needed to complete a minimum of 62 semester credits but no more than a total of 64 semester credits, which is the maximum number of credits accepted toward most degree programs at Arizona’s public universities. Ideally, students should select courses that meet requirements for their major/area of interest and transfer institution. See General Associate Degree Academic Policies for further details, limitations, and guidelines.

Maricopa courses and external courses evaluated as Maricopa equivalents, departmental electives (e.g., HISELC for a history elective), or general electives (GENELC) that are numbered 100 level or higher, and completed with a grade of "C" or higher, may be applied in the elective area, regardless of potential transferability to other institutions. It is recommended, however, that students planning to transfer to a baccalaureate-granting institution meet these general elective requirements with courses that are transferable and applicable to their intended university degree. Transfer advisement information is accessible on the following websites: aztransfer.com, curriculum.maricopa.edu, as well as those of individual universities. For appropriate course selection, students should consult with an academic advisor.

TOTAL..... 62-72*

*64 semester credits is the maximum accepted toward most degree programs at Arizona’s public universities. Some exceptions apply; consult with an academic advisor for additional transfer pathways.

**Maricopa Community Colleges (MCCCD)
2019-2020 Associate in Business, Special Requirements (ABUS-SR) Degree**

Description

The Maricopa County Community College District Associate in Business, Special Requirements (ABUS-SR) degree requires a minimum of 62 semester credits for the program of study. A minimum grade point average of 2.0 and grades of “C” or higher are required to earn the degree. This degree provides the first two years of a four-year curriculum for students who wish to pursue Computer Information Systems majors at Arizona’s public universities. With a bachelor’s degree, students may pursue a number of careers, including but not limited to accountancy, business administration, business data analytics, computer information systems, economics, entrepreneurship, finance, marketing, management, retail management, and supply chain management. The Associate in Business-Special Requirements degree is governed by the [MCCCD General Academic Policies for Transfer Degrees](#).

The Associate in Business-Special Requirements degree includes the following components:

- I. Required Courses
- II. Arizona General Education Curriculum for Business (AGEC-B)
- III. General Electives (if needed to reach minimum credits for degree)

Purpose of the Degree

The Associate in Business Special Requirements (ABUS-SR) degree is designed for students who plan to transfer to four-year colleges and universities. In general, the components of this degree meet requirements for Business’ Computer Information Systems majors at Arizona’s public universities.. Other Business majors should follow the Associate in Business General Requirements (ABUS-GR) pathway instead. Generally, the degree transfers as a block without loss of credit to Arizona's public universities and other institutions with district-wide articulation agreements.

Special Academic Policies that Govern the ABUS-SR Degree

- The ABUS-SR does not include any MCCCD Special Requirements for Oral Communication and/or Critical Reading like the other associate degrees. (However, some university programs have a speech requirement; consult your academic advisor or transfer guide to verify the specifics for your program.)
- A single course can be used to satisfy multiple areas within the degree simultaneously (AGEC-B Core Area and/or Awareness Area(s), Required Courses (Common Lower Division Requirements), and/or Restricted Electives (Business Electives)). Credits are counted once toward the total for the degree.

Degree Requirements

The 62-71 semester credits required for the Associate in Business Special Requirements follow. The following websites identify the courses that apply to the different General Education Core and Awareness Areas: [AGEC-B](#) and the [AGEC Matrix](#). Courses available for both Areas during a current or upcoming semester can also be found using the “Find A Class” tool on each MCCCD college’s website.

<u>Requirements</u>	<u>Credits</u>
I. Required Courses	27-31
Accounting.....	(6-9)
ACC111 Accounting Principles AND	
ACC230 Uses of Accounting Information I AND	
ACC240 Uses of Accounting Information II	
OR	
ACC211 Financial Accounting AND	
ACC212 Managerial Accounting	
OR	
ACC111 Accounting Principles I AND	
ACC112 Accounting Principles II AND	
ACC212 Managerial Accounting	

Some of the following courses can be used to satisfy both this requirement and an

Maricopa Community Colleges (MCCCD)
2019-2020 Associate in Business, Special Requirements (ABUS-SR) Degree

AGEC-B Core Area. AGEC designations are subject to change. See [AGEC matrix](#) for each course's value(s) in the semester it is taken.

ECN211 [SB] Macroeconomic Principles.....	(3)
ECN212 [SB] Microeconomic Principles.....	(3)
GBS205 Legal, Ethical, and Regulatory Issues in Business.....	(3)
GBS221 Business Statistics.....	(3)
CIS162AD C#: Level 1.....	(3)
CIS250 Management of Information Systems.....	(3)
Quantitative Methods.....	(3-4)
GBS220 Quantitative Methods in Business OR	
MAT217 or MAT218 Mathematical Analysis for Business	
<i>Note: Students planning to attend ASU W. P. Carey School of Business will be required to take MAT217 or MAT218</i>	

II. Arizona General Education Curriculum- Business (AGEC-B)..... 29-37

The AGEC-B requires a minimum of 35 credits, however, Required and Restricted elective courses may also meet AGEC-B requirements and credits count once toward the total for the degree. Therefore, the AGEC-B may be met with fewer than 35 credits as long as all requirements listed in this section (II) are completed.

A. Core Areas:

Some courses may be met by Required Courses or Restricted Electives. Some of these courses also have Awareness Areas designations and can be used to satisfy [C], [G] and/or [H] requirement(s) as well as their respective Core Area, Required Course(s) or Restricted Elective(s). AGEC designations are subject to change. Courses may meet more than one requirement but are only counted once toward the total credits for the degree. See [AGEC matrix](#) for each course's value(s) in the semester it is taken.

1. First-Year Composition [FYC].....	6
ENG101 OR ENG107 AND.....	(3)
ENG102 OR ENG108.....	(3)
2. Literacy and Critical Inquiry [L].....	3
<i>(Note: Students planning to attend ASU W.P. Carey will be required to take COM225.)</i>	
3. Mathematical Applications [MA].....	3-5
MAT212 Brief Calculus OR.....	(3)
MAT213 Brief Calculus OR.....	(4)
Higher [MA] designated course.....	(3-5)
4. Computer/Statistics/Quantitative Applications [CS].....	3
CIS105 Survey of Computer Information Systems	
5. Humanities, Arts and Design [HU].....	6
Students are encouraged to choose course work from more than one discipline.	
6. Social-Behavioral Sciences [SB].....	0
Met by Required Courses ECN211 AND ECN212	
7. Natural Sciences [SQ/SG].....	8
The lecture courses selected for Natural Sciences must include or be accompanied by the corresponding laboratory courses for a total of four credits each. Credits for lecture and lab components may be combined or each may carry separate credit. At least four credits must be designated as SQ-Science Quantitative. Eight credits of SG-Science General will not satisfy this requirement.	

B. Awareness Areas..... 0-6

Some courses may be used to satisfy both a Core Area and one or more Awareness Area(s). (See AGEC matrix for current course values.)

**Maricopa Community Colleges (MCCCD)
2019-2020 Associate in Business, Special Requirements (ABUS-SR) Degree**

1. Cultural Diversity in the United States [C]..... (0-3)
2. Global Awareness [G] OR Historical Awareness [H]..... (0-3)

Note: Students transferring to ASU in Accountancy should take two of the following courses: Sociology with [SB] value, Psychology with [SB] value, and COM230 or COM225. If students do not take these prior to transfer, they may need to take additional hours to meet ASU requirements.

III. General Electives..... 0-6

Select courses 100-level or higher if needed to complete a minimum of 62 semester credits but no more than a total of 64 semester credits, which is the maximum number of credits accepted toward most degree programs at Arizona’s public universities. Ideally, students should select courses that meet requirements for their major/area of interest and transfer institution. See General Associate Degree Academic Policies for further details, limitations, and guidelines.

Maricopa courses and external courses evaluated as Maricopa equivalents, departmental electives (e.g., HISELC for a history elective), or general electives (GENELC) that are numbered 100 level or higher, and completed with a grade of "C" or higher, may be applied in the elective area, regardless of potential transferability to other institutions. It is recommended, however, that students planning to transfer to a baccalaureate-granting institution meet these general elective requirements with courses that are transferable and applicable to their intended university degree. Transfer advisement information is accessible on the following websites: aztransfer.com, curriculum.maricopa.edu, as well as those of individual universities. For appropriate course selection, students should consult with an academic advisor.

TOTAL..... 62-71*

*64 semester credits is the maximum accepted toward most degree programs at Arizona’s public universities. Some exceptions apply; consult with an academic advisor for additional transfer pathways.

**Maricopa Community Colleges (MCCCD)
2019-2020 Academic Certificate (AC)**

Purpose of the Academic Certificate

The Maricopa County Community College District Academic Certificate (AC) is a defined and coherent program of study that is recommended for students who wish to gain additional expertise in a specific area of emphasis in an academic discipline. While this program of study can result in proficiency in specified skills and competencies, as well as mastery of a body of knowledge, it is not designed to prepare someone for employment in a specific occupation. The coursework for an Academic Certificate may be from a variety of disciplines or it can be discipline specific. There is no required general studies component to an Academic Certificate; however, the program may include some courses that have specific general studies designations such as Humanities, Arts and Design [HU], Social-Behavioral Sciences [SB], Literacy and Critical Inquiry [L], or Cultural Awareness [C]. (See [AGEC matrix](#) for current course values.)

Academic Policies that Govern the Academic Certificate:

- * Although, the program of study for an Academic Certificate (AC) does not have a mandated minimum number of credit hours, most ACs require approximately 12-39 credit hours in courses numbered 100 and above;
- * Requires a cumulative GPA of 2.0 or better in required courses for completion;
- * Follows the graduation policies listed in the college's general catalog for the appropriate catalog year;
- * Any course cross-referenced under another prefix(es) (for example ENH291/EDU291/STO291-Children's Literature) covers identical content and its credits can only be counted once toward certificate requirements;
- * Although ACs may include a subset of coursework required in particular transfer degrees, the intent of an AC is not to align with any specific university major. There is no presumption of block transfer to another college or university;
- * May have admission criteria established by the college if and when appropriate;
- * Generally offered at a limited number of colleges. For a listing of all ACs available in the district and their affiliated college(s) see the [CCTA web site](#).

Maricopa Community Colleges (MCCCD)
2019-2020 Associate in General Studies (AGS) Degree and General Education Requirements

Description

The Maricopa County Community College District Associate in General Studies degree requires 60-64 semester credits in courses numbered 100 and above. The degree includes the following components:

- I. General Education (minimum of 38 credits)
 - Core curriculum (requires a grade of “C” or better)
 - Distribution courses (requires a grade of “D” or better)
- II. General Electives (enough additional courses numbered 100 or above, passed with a grade of “D” or better, to bring total credits to at least 60)

Purpose of the Degree

The Associate in General Studies (AGS) degree is recommended for students whose educational goals require flexibility. The AGS allows students to apply any course numbered 100 or above, including some that are not transferable to a state university, toward the credits required for the degree. Therefore, for students who intend to transfer to another college or university in the future to pursue a bachelor’s degree, this degree may be less appropriate than other Associate degrees offered (Associate in Arts, Associate in Business, Associate in Science, and all major-specific pathway map versions of these degrees) by the Maricopa Community Colleges.

Academic Policies that Govern the Associate in General Studies Degree:

- The graduation policies within the general catalog must be satisfied.
- A single course can simultaneously count towards a Core Area and a Distribution requirement. Courses that meet this criterion are **bold print and underscored** in the Core areas and Distribution areas (on the course list at the conclusion of this document). For example, CRE101 may be used to satisfy both the Literacy and Critical Inquiry requirement [L] of Distribution area and the Core Curriculum’s Critical Reading area. While multiple requirements can be met with a single course, the credits are only counted one time toward the required minimum for the degree. A course cannot satisfy more than one Core area, even if it is approved for more than one Core area. A course cannot satisfy more than one Distribution area, even if it is approved for more than one Distribution area.
- Credits transferred from outside of MCCCD must be at a grade of “C” (2.0 on a 4.0 scale) or better. Transfer credit graded pass/fail or pass/no credit may be transferred if documentation collected by the community college indicates that this was the only grading option available to the student and that the Pass grade (“P”) is equivalent to a “C” or better.
- Completion of the AGS with a minimum Grade Point Average of at least 2.0 on a 4.0 scale for Arizona residents and 2.50 for non-residents meets Arizona public university general admission requirements. However, meeting all AGS minimums does not ensure admission to specific university majors or programs with selective admission processes and/or limited enrollment. Furthermore, because the AGS is not designed to align with the requirements for bachelors degrees, not all credits may be transferable and students may have deficiencies in lower division (100- and 200-level) courses for a particular major.

Summary of Degree Requirements:

Details on how to identify courses approved for each of the different categories is described following the outline.

I. MCCCD General Education	34-47
Core Areas	12-18
1. First-Year Composition	6
ENG101 OR ENG107 AND	
ENG102 OR ENG108	
2. Mathematics	3-5

Maricopa Community Colleges (MCCCD)
2019-2020 Associate in General Studies (AGS) Degree and General Education Requirements

3. Computer Usage	1
4. Oral Communication	3
<u>COM100</u> Introduction to Human Communication OR	
<u>COM110</u> Interpersonal Communication OR	
<u>COM225</u> Public Speaking OR	
<u>COM230</u> Small Group Communication (3 credits) OR	
<u>COM100AA & COM100AB & COM100AC</u> (3 credits) OR	
<u>COM110AA & COM110AB & COM110AC</u> (3 credits)	
5. Critical Reading	0-3
Students may demonstrate proficiency through assessment.	
<u>CRE101</u> Critical Reading OR	
equivalent as indicated by assessment	
Distribution Areas	22-29
1. Humanities, Arts and Design	9
Students are encouraged to choose course work from more than one discipline.	
2. Social-Behavioral Sciences	6-9
Students are encouraged to choose course work from more than one discipline.	
Social-Behavioral Sciences requirements may be met with 6 credits only if COM100,	
COM110, or COM230 is shared between Core and Distribution (see Academic	
Policies section on prior page). The credits are only counted once, but may be applied	
to meet Oral Communication and Social-Behavioral Science requirements.	
3. Natural Sciences	7-8
Two lecture courses and one corresponding laboratory course are to be selected.	
Credits for lecture and lab components may be combined or each may carry separate	
credit. For appropriate course selection students should consult with an academic	
advisor.	
4. Literacy and Critical Inquiry	0-3
Literacy requirement may be met with 0 credits only if CRE101 or COM225 is shared	
between Core and Distribution (see Academic Policies section on prior page). The credits	
are only counted once, but may be applied to meet [Oral Communication and Literacy] or	
[Critical Reading and Literacy and Critical Inquiry] requirements.	
II. General Electives	13-26
Select additional courses 100-level or higher to complete a minimum of 60 semester credits but	
no more than a total of 64 semester credits.	
Associate in General Studies Total Credits:	60-64

Maricopa Community Colleges (MCCCD)
2019-2020 Associate in General Studies (AGS) Degree and General Education Requirements

All courses listed meet AGS requirements as specified. Courses in Purple Italic Underline also meet Arizona General Education Curriculum AGEC requirements.

Courses in **bold print and underscored** simultaneously count towards a Core Area and a Distribution requirement.

Degree Requirements

GENERAL EDUCATION CORE

(16 credits - grade of "C" or better)

First-Year Composition (6 credits)

ENG English [101, 107] & [102, 108]

Oral Communication (3 credits)

COM Communication 100, 100AA & 100AB & 100AC, 110, 110AA & 110AB & 110AC, 225, 230

Critical Reading (3 credits)

CRE Critical Reading 101 or Equivalent as indicated by assessment

Mathematics (3 credits)

MAT Mathematics 112, 120, 121, 122, 126, 140, 141, 142, 145, 146, 150, 150&182, 151, 151&182, 152, 152&182, 155, 155&182, 156, 156&182, 172, 187, 206, 212, 213, 220, 221, 230, 231, 240, 241, 256, 257, 261, 262, 276, 277, Equivalent course/
Satisfactory completion of a higher level Mathematics course.

Computer Usage (1 credit)

Computer-related course or demonstration of comparable computer skills. Additional courses may be approved by individual colleges. Students should contact their advisor for college-specific courses satisfying the requirement.

- ACC Accounting 115
- ADA Advertising Arts 169, 175, 177, 183, 283, 283AA, 289
- AJS Administration of Justice Studies 205

Maricopa Community Colleges (MCCCD) 2019-2020 Associate in Science (AS) Degree

Description

The Maricopa County Community College District Associate in Science degree requires a minimum of 60 semester credits for the program of study; minimum total credits for major-specific pathway versions of the Associate in Science degree vary. Refer to the Program (Degree) Search at curriculum.maricopa.edu for credit minimums for individual degree programs. A minimum grade point average of 2.0 is required to earn the degree. The Associate in Science degree, including major-specific pathways within the degree, is governed by the [MCCCD General Academic Policies for Transfer Degrees](#).

The Associate in Science degree includes the following components:

- I. Program Prerequisites (if applicable)
- II. Required Courses (for major-specific pathway versions only)
- III. Restricted Electives (for major-specific pathway versions only)
- IV. Arizona General Education Curriculum for Science (AGEC-S)
- V. MCCCD Additional Requirements (Oral Communication and Critical Reading)
- VI. General Electives (if needed to reach minimum credits for degree)

Purpose of the Degree

The Associate in Science degree is designed for students planning to transfer to four-year colleges and universities. In general, the components of the degree meet requirements for majors with more stringent mathematics and mathematics-based science requirements. Generally, the degree will transfer as a block without loss of credit to Arizona's public universities and other institutions with district-wide articulation agreements.

In most cases, courses used to satisfy the MCCCD Associate in Science will apply to general university graduation requirements of the majors that align with Associate in Science degree; however, students need to be aware of any specific requirements of their intended major at the university to be sure they select courses that will meet them. Information regarding the articulation of the Associate in Science with majors at the Arizona public universities can be accessed via the following website: www.aztransfer.com

It is recommended that students select courses that meet more than one general education and/or awareness area requirement. Doing so will maximize the number of math and science electives the student can take as part of his/her Associate in Science degree.

Special Academic Policies that Govern the Associate in Science Degree

- The AGEC-S does not require a course with [CS] Computer/Statistics designation.
- Unlike the AGEC-A and AGEC-B, the same course is allowed to satisfy the ([L] and [HU]) or ([L] and [SB]) areas of the AGEC-S's Core Area. The credits for such a "shared" course are only counted one time toward the required minimum for the degree.

Degree Requirements

The requirements for the Associate in Science follow. All versions of the Associate in Science require at least 60 credits; for major-specific pathways within the degree, prescribed courses and minimum credits for categories within the degree, as well as the total, vary. Refer to the Program (Degree) Search at curriculum.maricopa.edu for credit minimums for major-specific pathways within the degree. The following websites identify the courses that apply to the different General Education Core and Awareness Areas: [AGEC-S](#) and the [AGEC Matrix](#). Courses available for both Areas during a current or upcoming semester can also be found using the "Find A Class" tool on each MCCCD college's website.

**Maricopa Community Colleges (MCCCD)
2019-2020 Associate in Science (AS) Degree**

Requirements

Credits

<p>I. Program Prerequisites.....</p> <p>Program prerequisites vary by type of Associate in Science degree, and are not required for the non-major-specific version of the degree. Refer to the Program (Degree) Search at curriculum.maricopa.edu for specific courses and credit minimums required for major-specific pathways within the degree.</p>	<p>Number varies</p>
<p>II. Required Courses.....</p> <p>Required (major-specific) courses vary by type of Associate in Arts degree, and are not required for the non-major-specific version of the degree. Refer to the Program (Degree) Search at curriculum.maricopa.edu for specific courses and credit minimums required for major-specific pathways within the degree.</p>	<p>Number varies</p>
<p>III. Restricted Electives.....</p> <p>Restricted electives vary by type of Associate in Arts degree, and are not required for the non-major-specific version of the degree. Refer to the Program (Degree) Search at curriculum.maricopa.edu for specific courses and credit minimums required for major-specific pathways within the degree.</p>	<p>Number varies</p>
<p>IV. Arizona General Education Curriculum—Science (AGEC-S).....</p> <p>The AGECS requires a minimum of 36 credits, however, prerequisite/required/restricted elective courses may also meet AGECS requirements and credits count once toward the total for the degree. Therefore, the AGECS may be met with fewer than 36 credits as long as all requirements listed in this section (IV) are completed.</p> <p>A. Core Areas:</p> <p>Some courses may be met by Required Courses or Restricted Electives. Some of these courses also have Awareness Areas designations and can be used to satisfy [C], [G] and/or [H] requirement(s) as well as their respective Core Area, Required Course(s) or Restricted Elective(s). AGECS designations are subject to change. Courses may meet more than one requirement but are only counted once toward the total credits for the degree. See AGEC matrix for each course's value(s) in the semester it is taken.</p>	<p>up to 56</p>
<p>1. First-Year Composition [FYC].....</p> <p style="padding-left: 20px;">ENG101 OR ENG107.....</p> <p style="padding-left: 20px;">AND ENG102 OR ENG108.....</p> <p>2. Literacy and Critical Inquiry [L].....</p> <p style="padding-left: 20px;">Students are strongly encouraged to choose an [L] course that also has [HU] or [SB] designation or to use CRE101 or COM225 from the Maricopa Additional Requirements Area to satisfy the [L] requirement. It may also have been approved to satisfy one or more Awareness Areas ([C], [G], [H]). (AGECS designations are subject to change. See AGEC matrix for each course's value(s) in the semester it is taken.)</p> <p>3. Mathematical Applications [MA].....</p> <p style="padding-left: 20px;">Requires the first semester of calculus courses designed for scientists and engineers (MAT220 or MAT221) or any other [MA] designated course for which Calculus I is a pre-requisite.</p> <p>4. Humanities, Arts and Design [HU].....</p> <p style="padding-left: 20px;">For the AGECS, a single course with both [HU] and [L] designations may satisfy both Areas. Note that some of these courses also have Awareness Areas designations and can be used to satisfy [C], [G] and/or [H] requirement(s) as well as their respective Core Area(s). (AGECS designations are subject to change. See AGEC matrix for each course's value(s) in the semester it is taken.)</p> <p>5. Social-Behavioral Sciences [SB].....</p> <p style="padding-left: 20px;">For the AGECS, a single course with both [SB] and [L] designations may satisfy both Areas. Note that some of these courses also have Awareness Areas designations and can be used to satisfy [C], [G] and/or [H] requirement(s) as well as their respective Core Area(s).</p>	<p>6</p> <p>(3)</p> <p>(3)</p> <p>0-3 (0 only if shared with HU or SB)</p> <p>4-5</p> <p>6</p> <p>6</p>

**Maricopa Community Colleges (MCCCD)
2019-2020 Associate in Science (AS) Degree**

(AGEC designations are subject to change. See [AGEC matrix](#) for each course's value(s) in the semester it is taken.)

COM110AA & COM110AB & COM110AC [SB] (3 credits) | |
| B. | Critical Reading..... | (0-3) |
| | Students may demonstrate proficiency through assessment.
CRE101 [L] Critical Reading OR equivalent as indicated by assessment | |
| VI. | General Electives..... | 0-28 |
| | Select courses 100-level or higher if needed to complete a minimum of 60 semester credits but no more than a total of 64 semester credits, which is the maximum number of credits accepted toward most degree programs at Arizona's public universities. Ideally, students should select courses that meet requirements for their major/area of interest and transfer institution. See General Associate Degree Academic Policies for further details, limitations, and guidelines. | |

**Maricopa Community Colleges (MCCCD)
2019-2020 Associate in Science (AS) Degree**

Maricopa courses and external courses evaluated as Maricopa equivalents, departmental electives (e.g., HISELC for a history elective), or general electives (GENELC) that are numbered 100 level or higher, and completed with a grade of "C" or higher, may be applied in the elective area, regardless of potential transferability to other institutions. It is recommended, however, that students planning to transfer to a baccalaureate-granting institution meet these general elective requirements with courses that are transferable and applicable to their intended university degree. Transfer and major guides are accessible on the following websites: aztransfer.com, maricopa.edu/transfer/partners, as well as those of individual universities. For appropriate course selection, students should consult with an academic advisor.

TOTAL..... 60-64*

* 64 semester credits is the maximum accepted toward most degree programs at Arizona's public universities. Some exceptions apply; consult with an academic advisor for additional transfer pathways.

Maricopa Community Colleges (MCCCD)
2019-2020 General Academic Policies for Associate Degrees Designed for University Transfer

The following academic policies govern the associate degrees designed for university transfer (Associate in Arts [AA]; Associate in Business [ABUS]; and Associate in Science [AS]). Also governed by these policies are the major-specific pathway maps within the AA, ABUS, and AS degrees. *Note that academic policies that govern the Associate in General Studies [AGS] and Associate in Applied Science [AAS] degrees are listed separately, with the requirements for each of those degrees.*

- The graduation policies within the general catalog must be satisfied (administrative regulation 2.3.9).
- Minimum semester credits for completion vary slightly by degree. Refer to the Program (Degree) Search at curriculum.maricopa.edu for credit minimums for individual degree programs.
- Credits completed toward these minimums must be in courses numbered 100 or above with a grade of “C” or better. These credits must include a minimum of 35 in satisfaction of the requirements of the Arizona General Education Curriculum (AGEC) along with a maximum of 6 credits towards MCCCD’s Additional Requirements.
- Detailed degree requirements are maintained by the Center for Curriculum and Transfer Articulation (CCTA); refer to the program search at <https://curriculum.maricopa.edu/>. Advisement check sheets are maintained at <https://curriculum.maricopa.edu/curriculum/degrees-certificates/associate-degrees/academic-degree-checklists-aa-as-abus-ags>.

General Education Requirements:

- The AGEC requirements include a designated number of courses approved for each of the following areas:
 - Core
 - First Year Composition [FYC],
 - Mathematical Applications [MA], Computer/Statistics/Quantitative Applications [CS] (CS not required for Associate in Science),
 - Literacy and Critical Inquiry [L],
 - Humanities, Arts and Design [HU],
 - Social-Behavioral Sciences [SB], and
 - Natural Sciences (Science Quantitative [SQ], Science-General [SG]).
 - Awareness Areas
 - Cultural Diversity in the U.S. [C]
 - Global [G] or Historical [H] Awareness
- Note that there are three different AGECS each aligning with a different subset of associate Degrees--AGEC-A for the Associate in Arts degree (and major-specific pathway maps), AGEC-B for the Associate in Business degree (and major-specific pathway maps), and AGEC-S for the Associate in Science degree (and major-specific pathway maps). For some types of AGECS/Associate degrees, students are allowed to choose from a broad list of courses; for others the courses are more restricted or even specified.
- A single course can simultaneously count toward a Core Area, one or more Awareness Areas, MCCCD Additional Requirements and, for some degree types, other lower division courses used to meet the degree requirements. For example, CRE101 may be used to satisfy both the MCCCD Reading Requirement and the Literacy and Critical Inquiry area [L] of AGEC core. While multiple requirements can be met with a single course, the credits are only counted one time toward the required minimum for the degree.
- Except for the Associate in Science degree, a single course cannot be used to satisfy more than one AGEC Core Area.
- The AGEC-A and AGEC-B require a minimum of 35 credits and the AGEC-S requires a minimum of 36 credits, however, the AGEC credit count within the total credits for a degree may be under these minimums if courses are also applied toward Required Courses or Restricted Electives and the credits are counted in those areas. Awareness Areas and MCCCD’s Additional Requirements may also be shared with AGEC Core Areas. Optimizing credits in this way is often recommended because some programs and universities limit transferable credits at 64.

Maricopa Community Colleges (MCCCD)
2019-2020 General Academic Policies for Associate Degrees Designed for University Transfer

Coursework beyond General Education:

- For some degree types, the additional coursework required to complete the degree is specified while others offer the student more latitude. See degree checksheets for more complete description. Consultation with an academic advisor about course selection is always recommended.
- Oral Communication and Critical Reading are MCCCD Additional Requirements required for Associate in Arts and Associate in Science degrees and the major-specific pathway maps within the AA and AS degrees. Refer to the Program (Degree) Search at curriculum.maricopa.edu for acceptable options to meet these requirements for individual degree programs.
- Within the Restricted Electives, course recommendations are made for specific transfer institutions. Students should select a subplan (group of courses) based on their intended transfer institution. However, not all transfer institutions are reflected in these recommendations. Therefore, students may instead select the general subplan and meet the minimum number of Restricted Elective credits using a combination of courses from the other subplans. Restricted Electives should be selected in consultation with an academic, faculty, or program advisor.
- General Electives may need to be selected to meet the minimum total credits required for the degree. All courses numbered 100-or-higher may be applied as General Electives. Students are encouraged to select courses that align with their goals.
- Note that some majors require up to a 4th semester proficiency (202-course level) in a non-English language. Students should consult with an academic advisor to discuss options to complete these requirements.
- Maricopa courses and external courses evaluated as Maricopa equivalents, departmental electives, (e.g., HISELC for a history elective), or general electives (GENELC) that are numbered 100 level or higher, and completed with a grade of "C" or higher, may be applied in the elective area, regardless of potential transferability to other institutions. It is recommended, however, that students planning to transfer to a baccalaureate-granting institution meet these general elective requirements with courses that are transferable and applicable to their intended university degree. Transfer advisement information is accessible on the following websites: aztransfer.com, curriculum.maricopa.edu, as well as those of individual universities. For appropriate course selection, students should consult with an academic advisor.
- Any course cross-referenced under another prefix(es) (for example ENH291/EDU291/STO291-Children's Literature) covers identical content and its credits can only be counted once toward requirements.

Transfer Credit from Institutions Outside of MCCCD:

- Credits transferred from outside of MCCCD must be at a grade of "C" (2.0 on a 4.0 scale) or better.
- External courses evaluated either as equivalent to an MCCCD course or as elective credit may be applied toward the minimum credits for degree completion.
- Transfer credit graded pass/fail or pass/no credit may be used to satisfy AGEC requirements if documentation collected by the community college indicates that this was the only grading option available and that the Pass grade ("P") is equivalent to a "C" or better.
- The AGEC (Arizona General Education Curriculum) designations of courses completed at other Arizona public colleges or universities will be applied as listed on AZTransfer's Course Equivalency Guide (CEG) for the semester(s) in which the course(s) were completed. If a transcript evaluation determines there is no MCCCD direct equivalency to a course from another Arizona public college or university, applicability to AGEC and/or associate degree requirements will be based on the source institution's AGEC designation for the semester in which the course was completed.
- Courses from private, out-of-state, and/or online institutions (i.e., outside of the Arizona Transfer System comprised of Arizona's public community colleges, tribal colleges and universities) will be applied toward AGEC and/or associate degree requirements based on the courses' evaluated MCCCD equivalence. If courses are not directly equivalent, the credit may be articulated as a departmental elective, and if deemed appropriate, may have a general education designation applied to the course.

Maricopa Community Colleges (MCCCD)
2019-2020 General Academic Policies for Associate Degrees Designed for University Transfer

- Credit awarded at a Maricopa Community College for prior learning is transferable to the other colleges in the district but is not necessarily transferable to other colleges and universities. No more than 20 such assessed semester credit hours may be applied toward AGECE, and no more than 30 credits (including up to 20 toward AGECE) may be applied toward a degree.

Completion and Transfer:

- Completion of the AGECE with a minimum Grade Point Average of at least 2.0 on a 4.0 scale for Arizona residents and 2.50 for non-residents meets Arizona public university general admission requirements. It does not ensure admission to specific university majors or programs with selective admission processes and/or limited enrollment.
- While MCCCD's associate degrees are designed to facilitate a seamless transfer to other Arizona institutions, courses may be transferable and/or meet associate degree requirements, but may not necessarily meet the specific requirements of a particular degree, major, or area of emphasis at another institution.

Students planning to transfer to another college or university are urged to refer to university requirements and academic advisors from both institutions to be certain that all their selected coursework is applicable to the requirements of their intended transfer degree and within their allowed transferable credit limit. For some majors, the statewide Common Course matrix and AZTransfer Major Guides at aztransfer.com and/or university transfer guides can also provide some guidance. For appropriate course selection, students should consult with an academic advisor.

**Maricopa Community Colleges (MCCCD)
2019-2020 Catalog Under Which A Student Graduates**

CATALOG UNDER WHICH A STUDENT GRADUATES

Students maintaining continuous enrollment at any public Arizona community college or university may graduate according to the requirements of the catalog in effect at the time of initial enrollment or according to the requirements of any single catalog in effect during subsequent terms of continuous enrollment. Students may maintain continuous enrollment whether attending a single public community college or university in Arizona or transferring among public institutions in Arizona while pursuing their degrees.

1. A semester in which a student earns course credit will be counted toward continuous enrollment. Non-credit courses, audited courses, failed courses, or courses from which the student withdraws do not count toward the determination of continuous enrollment for catalog purposes.

EXAMPLE A:

Admitted & Earned Course Credit at a Public Community College or University	Fall '17	(Active)
Continued at a Public Community College	Spring '18, Fall '18	(Active)
Transferred to a University	Spring '19	(2017 or Any Subsequent Catalog)

EXAMPLE B:

Admitted & Earned Course Credit at a Public Community College or University	Fall '14	(Active)
Enrolled But Earned All Ws, Zs, or Fs	Spring '15	(Inactive)
Enrolled in Audit Courses Only	Fall '15	(Inactive)
Nonattendance	Spring '16	(Inactive)
Transferred to a University	Fall '16	(2016 or Any Subsequent Catalog)

2. Students who do not meet the minimum enrollment standard stipulated in No. 1 during three consecutive semesters (fall/spring/fall or spring/fall/spring) and the intervening summer term* at any public Arizona community college or university are no longer considered continuously enrolled, and must meet requirements of the public Arizona community college or university catalog in effect at the time they are readmitted or of any single catalog in effect during subsequent terms of continuous enrollment after readmission.

EXAMPLE A:

Admitted & Earned Course Credit at a Public Community College or University	Fall '14	(Active)
Nonattendance	Spring '15, Fall '15, Spring '16	(Inactive)
Readmitted & Earned Course Credit at a Public Community College	Fall '16	(Active)
Transferred to a University	Spring '17	(2016 or Any Subsequent Catalog)

EXAMPLE B:

Admitted & Earned Course Credit at a Public Community College or University	Fall '14	(Active)
Nonattendance	Spring '15	(Inactive)
Readmitted & Earned Course Credit at a Public Community College	Summer '15	(Active)
Nonattendance	Fall '15, Spring '16	(Inactive)
Transferred to a University	Fall '16	(2014 or Any Subsequent Catalog)

*Students are not obligated to enroll and earn course credit during summer terms, but summer enrollment may be used to maintain continuous enrollment status.

**Maricopa Community Colleges (MCCCD)
2019-2020 Catalog Under Which A Student Graduates**

3. Students admitted or readmitted to a public Arizona community college or university during a summer term must follow the requirements of the catalog in effect the following fall semester or of any single catalog in effect during subsequent terms of continuous enrollment.

EXAMPLE:

Admitted & Earned Course Credit at a Public Community College or University	Summer '16	(Active)
Continued at a Public Community College	Fall '16, Spring '17	(Active)
Nonattendance	Fall '17	(Inactive)
Readmitted & Earned Course Credit at a Public Community College	Spring '18	(Active)
Transferred to a University	Summer '18	(2016 or Any Subsequent Catalog)

4. Students transferring among Arizona public higher education institutions must meet the admission requirements, residency requirements, and all curricular and academic requirements of the degree-granting institution.

NOTE: Time Limit for Transfer Coursework

Students should be aware that the receiving institution may have age and credit limits on certain coursework to be used in transfer. Students should be knowledgeable about the policies on time limits for transfer coursework for the institution to which they plan to transfer.

**Maricopa Community Colleges (MCCCD)
2019-2020 Graduation/General Education Policies**

GENERAL GRADUATION REQUIREMENTS

All students are required to complete the degree and/or certificate requirements as approved by the MCCCD Governing Board. The college reserves the right to make necessary course and program changes in order to meet current educational standards. In addition, students must:

1. Be credited in the Admissions and Records Office/Office of Student Enrollment with no fewer than: 60 semester credit units in courses numbered 100 or above for the Associate in Arts degree, Associate in Science degree and Associate in General Studies degree; 60 semester credit units for the Associate in Applied Science degree; 62 semester credits for the Associate in Business degrees. Minimum semester credits for completion of major-specific pathway versions of the AA and AS degrees vary slightly by pathway. Refer to the Program (Degree) Search at curriculum.maricopa.edu for credit minimums for individual degree programs. For specific certificate programs, be credited with no fewer than the minimum total of credit units required for the certificate program.

Students not continuously enrolled, as outlined in the Catalog under Which a Student Graduates Policy, must satisfy current graduation requirements.

2. Have earned a minimum of 12 semester credit units toward the degree or certificate at the district college granting the degree or certificate. The 12 hours in the AAS degree curricula must be in the Required Courses area and/or Restricted Electives courses. Courses from the General Education Core and Distribution area are excluded. In cases where the certificate requires fewer than 12 credit units, a minimum of six credit units must be completed at the college awarding the certificate. The minimum of six credit hours in the certificate or degree curricula must be in the Required Courses area and/or the Restricted Electives. Courses from the General Education Core and Distribution areas are excluded.

Shared Programs are programs offered at multiple colleges but not available at all colleges. The requirements are identical at all the colleges offering the program.

A shared program requires a minimum of six credit hours from the total program requirements to be completed with a grade of "C" or better at the college awarding the certificate or degree. The minimum of six credit hours in the certificate or degree curricula may be in the Required Courses area and/or the Restricted Electives. (The exception is the Nursing program; Nursing students must apply for graduation from the college where they have successfully completed Block 4 of the Associate in Applied Science in Nursing.) Courses from the General Education Core and Distribution areas are excluded. For those shared programs with less than six credit hours, the total hours for the program must be completed at the college awarding the certificate.

3. Have filed an application for the degree or certificate with the Admissions and Records Office/Office of Student Enrollment Services on the date determined by the college/center.
4. Have a minimum cumulative grade point average of 2.000 at the college granting the degree.
5. Have a minimum cumulative grade point average of 2.000 in all courses used to fulfill degree requirements. Some specific programs have higher grade requirements. It is the student's responsibility to be aware of these program requirements.
6. Have removed, thirty (30) days after the anticipated graduation date, all deficiencies on the record to use those courses toward program completion.
7. Have removed any indebtedness to any MCCCD college /center.
8. Have paid graduation ceremony fee, if participating in ceremony. See fee schedule for charges. See Graduation with Honors for information on honors designation.

**Maricopa Community Colleges (MCCCD)
2019-2020 Graduation/General Education Policies**

CERTIFICATES/DEGREES

The Maricopa Community Colleges offer Certificates of Completion as well as Associate Degrees, which are conferred on students who have completed a program of study. These certificates and degrees are as follows: (1) Certificate of Completion (Career Program Specified); (2) Academic Certificate; (3) General Education Certificate; (4) Associate in Arts; (5) Associate in Science; (6) Associate in Business; (7) Associate in General Studies; (8) Associate in Applied Science (Career Program Specified).

All candidates for a degree and/or certificate must complete the General Graduation Requirements as approved by the MCCCD Governing Board.

All students are urged to meet with a faculty advisor, program advisor or counselor as soon as possible to determine which program meets their needs and to plan their course of study.

LICENSURE DISCLAIMER

Maricopa Community Colleges courses and programs prepare students for entry into a variety of professions. Many of these professions require that a person hold an occupational license or certificate in order to work in a particular field. Typically, a person must meet certain legal requirements before obtaining such a license or certificate. These requirements are established by county, state or federal agencies, and often are based on a person's character, or whether the person has been convicted of a criminal offense. It is possible for a student who has obtained a degree or certificate from a community college to be denied the right to work in a particular profession after completing the degree or certificate because of concerns over the student's character or criminal background. Any student preparing to enter a field for which a professional license or certificate is required is strongly advised to consult with the appropriate government agency that issues such credentials. That agency can provide the student complete information about any requirements the law imposes for working in a particular occupation.

MCCCD General Education Statement

The general education core of the program of study for an associate degree or a certificate helps students develop a greater understanding of themselves, of their relationship with others, and of the richly diverse world in which they live. The general education experience provides students with opportunities to explore broad areas of commonly held knowledge and prepares them to contribute to society through personal, social, and professional interactions with others. General education fosters students' personal development by opening them to new directions, perspectives, and processes.

Through its general education requirements, the Maricopa County Community College District is committed to helping students develop qualities and skills that will serve them throughout their lives. General education opportunities encourage students to:

- Build self-awareness, self-respect, and self-confidence
- Recognize and respect the beliefs, traditions, abilities, and customs of all people and all cultures
- Consider the local, global, and environmental impacts of personal, professional, and social decisions and actions
- Access, evaluate, analyze, synthesize, and use information wisely
- Communicate effectively personally, socially, and professionally
- Think critically, make informed decisions, solve problems, and implement decisions
- Consider the ethical implications of their choices
- Value the learning process throughout their lives
- Integrate and connect ideas and events in a historical perspective, and see relationships among the past, the present, and the future
- Develop a personal sense of aesthetics
- Use technological resources appropriately and productively
- Work cooperatively and respectfully with others to serve their communities

Maricopa Community Colleges (MCCCD)
2019-2020 Graduation/General Education Policies

The general education experience at MCCCD is composed of specific elements across the curriculum designed to provide the learner with essential knowledge and skills:

- Communication
- Arts and Humanities
- Numeracy
- Scientific Inquiry in the Natural and Social Sciences
- Information Literacy
- Problem-Solving and Critical Thinking
- Cultural Diversity

General Education Designations (example: (FYC), [SB], [HU], etc.)

Effective Fall 2000 the course evaluation and/or general education designation, as listed in the Arizona Course Equivalency Guide (CEG) within AZ Transfer, is valid for the term in which the student is awarded credit on the transcript. A course evaluation and/or general education designation may be subject to change. Given that curriculum is dynamic at both MCCCD and the institutions to which MCCCD students transfer, students have the option to petition for general education evaluations and/or general education designations.

The college reserves the right to make necessary course and program changes in order to meet current educational standards.

Maricopa County Community College District Occupational Program Matrix

CG	=	Chandler-Gilbert Community College
EM	=	Estrella Mountain Community College
GC	=	Glendale Community College
GW	=	Gateway Community College
MC	=	Mesa Community College
PC	=	Phoenix College
PV	=	Paradise Valley Community College
RS	=	Rio Salado Community College
SC	=	Scottsdale Community College
SM	=	South Mountain Community College

The Maricopa County Community College Occupational Program Matrix identifies all programs currently available for offering within the 10 community colleges and two skill centers of the district. The programs are grouped under broad occupational areas as requested by the colleges. For specific information regarding individual programs, contact the college(s) listed as participating institutions.

Occupational Programs

DESCRIPTION

The Maricopa County Community College Occupational Program Matrix identifies all programs currently available for offering within the 10 community colleges and two skill centers of the district. The programs are grouped under broad occupational areas as requested by the colleges. For specific information regarding individual programs, contact the college(s) listed as participating institutions.

Agriculture, Food, and Natural Resources

Environmental and Natural Resource Conservation	PC
Environmental and Natural Resource Sustainability	PC
Equine Science	SC
Landscape Horticulture	MC
Landscape Aide	MC
Landscape Specialist	MC

ACCOUNTING

Certificate of Completion: 5156

Accounting Specialized Paraprofessional

35–37 credits

DESCRIPTION: This program prepares the student for entry into the accounting field as an accounting clerk, or a junior accountant who performs a variety of routine calculating and verification tasks; summarizes and posts data in designated books; performs a variety of other duties such as making invoices or monthly statements, preparing payrolls, verifying bank accounts, keeping record file, making periodic reports of business activities, and listing and checking details as instructed. He or she may devise, install and supervise the operation of general accounting, budget, and cost systems either manually or by computer. Computer application skills are important.

PROGRAM NOTES: Students must earn a grade of "C" or better for each course listed in the Required Courses area.
+ indicates course has prerequisites and/or corequisites.

PROGRAM PREREQUISITES: None

REQUIRED COURSES:	Credits: 35–37
ACC111	Accounting Principles I 3
+ ACC112	Accounting Principles II 3
+ ACC115	Computerized Accounting 2
+ ACC212	Managerial Accounting 3
+ ACC219	Intermediate Accounting I 3
+ ACC221	Tax Accounting 3
+ ACC222	Payroll Accounting 3
CIS117DM	Microsoft Access: DB Management (3) OR
CIS117AM	DB Mgt: Microsoft Access Level I (1) AND
CIS117BM	DB Mgt: Microsoft Access Level II (1) AND
CIS117CM	DB Mgt: Microsoft Access Level III (1) 3
BPC110	Computer Usage and Applications (3) OR
CIS105	Survey of Comp. Information Systems (3) 3
GBS151	Introduction to Business 3
+ GBS233	Business Communication 3
+ MAT 120	Intermediate Algebra (5) OR
+ MAT 122	Intermediate Algebra (3) OR
	Satisfactory completion of a higher level math course. 3–5

Associate of Applied Science: 3130

Accounting Specialized Paraprofessional

61–67 credits

DESCRIPTION: The Associate in Applied Science (AAS) in Accounting Specialized Para-Professional program prepares the student for entry into the accounting field as an accounting clerk, or a junior accountant who performs a variety of routine calculating and verification tasks; summarizes and posts data in designated books; performs a variety of other duties such as making invoices or monthly statements, preparing payrolls, verifying bank accounts, keeping record file, making periodic reports of business activities, and listing and checking details as instructed. He or she may devise, install and supervise the operation of general accounting, budget, and cost systems either manually or by computer. Computer application skills are important.

PROGRAM NOTES: Students must earn a grade of "C" or better for each course listed in the Required Courses area.
+ indicates course has prerequisites and/or corequisites.
++ indicates any module/suffixed courses.

PROGRAM PREREQUISITES: None

Critical Reading Credits: 3
CRE101 College Critical Reading (3) OR
Equivalent as indicated by assessment

Mathematics Credits: 0
Met by MAT120 (5) or MAT122 (3) or satisfactory completion of
a higher level mathematics course in Required Courses area.

General Education Distribution Credits: 9-10

Humanities and Fine Arts Credits: 2-3
Any approved general education course in the Humanities,
Arts and Design area. 2-3

Social and Behavioral Sciences Credits: 3
ECN211 Macroeconomic Principles (3) OR
ECN212 Microeconomic Principles (3) 3

Natural Sciences Credits: 4
Any approved general education course from the Natural
Sciences area. 4

ADMINISTRATION OF JUSTICE

Associate of Applied Science: 3181

Administration of Justice

62-68 credits

DESCRIPTION: The Associate in Applied Science (AAS) in Administration of Justice Studies is an interdisciplinary program designed to prepare students for various careers within the criminal justice system and/or transfer to a four year institution. The program also provides criminal justice practitioners with the opportunity to complete the Certificate of Completion (CCL) in Administration of Justice as well as one of four Certificates of Completion in Corrections, Law Enforcement, Legal Studies, and Victimology, and/or a transfer option.

LEARNING OUTCOMES:

1. Synthesize multiple sources of information to make timely assessments. (AJS101, AJS113, AJS123, AJS162, AJS200, AJS201, AJS205, AJS210, AJS230, AJS240, AJS255, AJS/EMT/FSC/SWU258, AJS270, AJS275, AJS290BN, BPC110, CIS105, CIS114DE, COM225, CRE101, FOR105, FOR106, [FYC], [MA], PSY101, REC120, SOC101, SWU171)
2. Solve problems through logical and sound reasoning. (AJS101, AJS109, AJS113, AJS123, AJS162, AJS201, AJS205, AJS210, AJS212, AJS225, AJS230, AJS240, AJS255, AJS/EMT/FSC/SWU258, AJS260, AJS270, AJS275, AJS290BN, BPC110, CIS105, CIS114DE, COM225, CRE101, [FYC], FOR105, FOR106, [MA], PSY101, REC120, SOC101, SWU171)
3. Communicate orally, visually and in writing precisely, appropriately, and effectively to varied audiences. (AJS101, AJS113, AJS162, AJS201, AJS205, AJS210, AJS212, AJS230, AJS240, AJS255, AJS/EMT/FSC/SWU258, AJS270, AJS275, AJS290BN, BPC110, CIS105, CIS114DE, COM225, CRE101, FOR105, FOR106, [FYC], [MA], PSY101, REC120, SOC101, SWU171)
4. Communicate in the language common to the criminal justice system. (AJS101, AJS109, AJS113, AJS162, AJS201, AJS205, AJS210, AJS212, AJS225, AJS230, AJS240, AJS255, AJS/EMT/FSC/SWU258, AJS270, AJS275, AJS290BN, COM225, CRE101, [FYC])
5. Collaborate with diverse agencies, community representatives and individuals to achieve common goals. (AJS101, AJS113, AJS123, AJS162, AJS200, AJS201, AJS210, AJS212, AJS230, AJS240, AJS255, AJS/EMT/FSC/SWU258, AJS290BN, COM225, CRE101, [FYC], PSY101, REC120, SOC101, SWU171)
6. Apply the principles and processes of criminal and constitutional law, criminology theory, knowledge of the functions and components of the criminal justice system, and current issues

Degrees & Certificates

to criminal justice operations. (AJS101, AJS109, AJS113, AJS123, AJS162, AJS200, AJS201, AJS210, AJS212, AJS225, AJS230, AJS240, AJS255, AJS/EMT/FSC/SWU258, AJS260, AJS290BN, CRE101, [FYC], [MA])

7. Utilize technology to collect, analyze and communicate data. (AJS101, AJS113, AJS162, AJS200, AJS201, AJS210, AJS230, AJS240, AJS255, AJS/EMT/FSC/SWU258, AJS270, AJS275, AJS290BN, BPC110, CIS105, CIS114DE, COM225, CRE101, FOR105, FOR106, [FYC], [MA], PSY101, SOC101)

8. Practice professional standards appropriate to the field of criminal justice. (AJS101, AJS109, AJS113, AJS119, AJS123, AJS162, AJS201, AJS210, AJS230, AJS240, AJS255, AJS/EMT/FSC/SWU258, AJS260, AJS270, AJS275, AJS290BN, COM225, CRE101, FOR105, FOR106, [FYC], PSY101, REC120, SOC101, SWU171)

9. Subscribe to and practice ethical behavior appropriate to the field of criminal justice. (AJS101, AJS109, AJS113, AJS119, AJS123, AJS162, AJS201, AJS210, AJS230, AJS240, AJS255, AJS/EMT/FSC/SWU258, AJS260, AJS270, AJS275, AJS290BN, CRE101, FOR105, FOR106, [FYC], PSY101, REC120, SOC101, SWU171)

PROGRAM NOTES: Students must earn a grade of C or better for all courses required within the program.

+ indicates course has prerequisites and/or corequisites.

++ indicates any suffixed courses.

PROGRAM PREREQUISITES: None

REQUIRED COURSES:	Credits: 30

Natural Sciences Credits: 4
Any approved general education course from the Natural Sciences area.

Associate in Applied Science: 3094

Marketing and Sales

61-64 credits

DESCRIPTION: The Associate in Applied Science (AAS) in Marketing and Sales program is designed to develop competencies essential for success in marketing and personal selling. By completing this program, students will be better equipped to apply competencies needed for successful performance in a variety of marketing/management occupations, including wholesaling, retailing, professional sales, and entrepreneurship.

PROGRAM NOTES:

+ indicates course has prerequisites and/or corequisites. Students must earn a grade of C or better for all courses required in the program.

PROGRAM PREREQUISITES: None

REQUIRED COURSES:	Credits: 27
ACC111 Accounting Principles I	3
BPC110 Computer Usage and Applications (3) OR	
CIS105 Survey of Computer Information Systems (3)	3
GBS151 Introduction to Business	3
+ GBS233 Business Communication	3
MGT251 Human Relations in Business	3
MKT110 Marketing and Social Networking	3
MKT263 Advertising Principles	3
MKT267 Principles of Salesmanship	3
MKT271 Principles of Marketing	3

RESTRICTED ELECTIVES: Credits: 12
Students should select from the following courses in consultation with a Department Advisor.

GBS205 Legal, Ethical, Regulatory Issues in Business	3
IBS101 Introduction to International Business	3
MKT+++ Any MKT Marketing courses except courses used to satisfy the Required Courses area	6

GENERAL EDUCATION REQUIREMENT Credits: 22-25
GENERAL EDUCATION CORE Credits: 12-15

First-Year Composition Credits: 6
Any approved general education courses from the First-Year Composition area.

Oral Communication Credits: 3
Any approved general education course from the Oral Communication area.

Critical Reading Credits: 0-3
+ CRE101 College Critical Reading (3) OR
Equivalent by assessment

Mathematics Any approved general education course from the Mathematics area.	Credits: 3
GENERAL EDUCATION DISTRIBUTION	Credits: 10
Humanities and Fine Arts Any approved general education course from the Humanities, Arts and Design area.	Credits: 3
Social and Behavioral Sciences SBU200 Society and Business	Credits: 3
Natural Sciences Any approved general education course from the Natural Sciences area.	Credits: 4

Certificate of Completion: 5072

Middle Management

28–30 credits

DESCRIPTION: The purposes of the program in management are 1) to train students for full-time employment in supervisory positions upon graduation; 2) to upgrade the training for personnel already involved in supervisory positions; 3) and/or provide additional training in specific areas as needed for those already employed in management positions. Students completing the program should find rewarding careers in sales/merchandising, wholesaling, finance, industry, business ownership, and the expanding services industries.

PROGRAM NOTES:
+ indicates prerequisite. ++ indicates any module.

PROGRAM PREREQUISITES: None

REQUIRED COURSES:		Credits: 28–30

+ MST152++	Microsoft Windows Server (any module)	4
+ MST155	Implementing Windows Network Infrastructure	3
+ CIS270	Essentials of Network and Information Security	3
Students must choose and successfully complete one of the following:		
+ CIS240	Local Area Network Planning and Design	3 OR
+ MST244	Microsoft SQL Server Administration (3) OR	
CWE198AC	Career/Work Experience (3) OR	
+ CIS296WC	Cooperative Education (3) OR	
+ CIS298AC	Special Projects	3

Programming: Credits: 15

+ CIS225++	Business Systems Analysis/Design (any module)	3
------------	---	---

Students must choose and successfully complete 2 of the following course sequences:

+ CIS151	Computer Game Development: Level I (3) AND	
+ CIS251	Computer Game Development: Level II (3) OR	
+ CIS159	Visual Basic Programming I (3) AND	
+ CIS259	Visual Basic Programming II (3) OR	
+ CIS162AC	Visual C++: Level I (3) AND	
+ CIS262AC	Visual C++: Level II (3) OR	
+ CIS162AD	C#: Level I (3) AND	
+ CIS262AD	C#: Level II (3) OR	
+ CIS163AA	Java Programming I (3) AND	

+ CIS263AA	Java Programming II (3)	6
------------	-------------------------	---

Web Development: Credits: 15

CIS/BPC120DF Microcomp Graphics: Adobe Photoshop (3) OR		
CIS/BPC120AF Comp Graphics: Adobe Photoshop Level I (1) &		
+ CIS/BPC120BF	Comp Graphics: Adobe Photoshop Level II (1) &	
+ CIS/BPC120CF	Comp Graphics: Adobe Photoshop Level III (1) 3	
CIS/BPC133DA	Internet/Web Development Level I	3
+ CIS233DA	Internet/Web Development Level II	3
+ CIS234	XML Application Development	3
Students must choose and successfully complete one of the following courses to complete this specialized area:		
CIS120DC	Adobe Animate: Digital Animation (3) OR	
+ CIS166++	Web Scripting (any module) (3) OR	
+ CIS235	e-Commerce (3) OR	
+ CIS270	Essentials of Network/Information Security (3) OR	
+ CIS296WC	Cooperative Education (3) OR	
+ CIS298AC	Special Projects (3) OR	
CWE198AC	Career/Work Experience (3)	3

Information Technology: Credits: 15

Student must complete a combination of 15 credits from any of the following specialized areas listed above: Computer Systems Maintenance, Networking, Programming, and Web Design.

GENERAL EDUCATION REQUIREMENT: Credits: 22–27

GENERAL EDUCATION CORE: Credits: 12–17

First-Year Composition		
+ ENG101	First-Year Composition (3) AND	
+ ENG102	First-Year Composition (3)	
+ ENG107	First-Year Composition for ESL (3) AND	
+ ENG108	First-Year Composition for ESL (3)	6

Oral Communication		3
Any approved general education course in the Oral Communication area.

Equivalent as indicated by assessment 0-3		

Mathematics 3-5

+ MAT120	Intermediate Algebra (5) OR	
+ MAT121	Intermediate Algebra (4) OR	
+ MAT122	Intermediate Algebra (3) OR	
Satisfactory completion of a higher level 3–5 credit math course		

GENERAL EDUCATION DISTRIBUTION: Credits: 10

Humanities and Fine Arts		3
Any approved general education course in the Humanities and Fine Arts area.		

Social and Behavioral Sciences 3

ECN211	Macroeconomic Principles (3) OR	
ECN212	Microeconomic Principles (3) OR	

Natural Sciences 4

Any approved general education course in the Natural Sciences area

Degrees & Certificates

Certificate of Completion: 5869

Computer Networking Technology

17 credits

DESCRIPTION: This certificate will equip students with marketable skills associated with managing and maintaining computer networks. This certificate can help prepare students for the professional certification as a Microsoft Certified Product Specialist.

PROGRAM NOTES: Students must earn a grade of "C" or better for all courses within the program.
+ indicates course has prerequisites and/or corequisites.

PROGRAM PREREQUISITES: None

REQUIRED COURSES:	Credits:	17
CIS105	Survey of Computer Information Systems	3
CIS121AB	MS-DOS Operating System	1
+ CIS190	Introduction to Local Area Networks (3) OR	
MST140	Microsoft Networking Essentials (3)	3
MST150++	Microsoft Windows Professions (any module)	3
+ MST152++	Microsoft Windows Server (any module)	4
+ CIS270	Essentials of Network and Information Security	3

Certificate of Completion: 5867

Computer Systems Maintenance

18 credits

DESCRIPTION: The Certificate of Completion (CCL) in Computer Systems Maintenance has been developed to train students to compete in the field of computer systems maintenance. It is designed to provide students with basic computer, diagnostic and customer relations skills essential for a successful computer service technician. This certificate can help prepare students for an industry-recognized professional A+ exam.

PROGRAM NOTES: Students must earn a grade of "C" or better in all courses within the program.
+ indicates course has prerequisites and/or corequisites.
++ indicates any module/suffixed courses.

PROGRAM PREREQUISITES: None

REQUIRED COURSES:	Credits:	18
+ BPC170	Computer Maintenance I: A+ Prep Level I	3
+ BPC270	Computer Maintenance II: A+ Technician Prep	3
CIS102	Interpers/Customer Service Skills for IT Prof	1
CIS105	Survey of Computer Information Systems	3
CIS121AB	MS-DOS Operating System	1

CIS121AE	Windows Operating System: Level I	1
+ CIS190	Introduction to Local Area Networks (3) OR	
MST140	Microsoft Networking Essentials (3)	3
MST150++	Microsoft Windows Professional (any module)	3

Certificate of Completion: 5204N

Linux Professional

12 credits

DESCRIPTION: The Certificate of Completion (CCL) in Linux Professional program is designed to help to prepare students for a variety of industry-recognized Linux certification exams as well as provide practical hands-on skills for the work place. The program includes a core of Linux classes including Linux operating system basics, System Administration, Network Administration and Network Security. These classes will help develop a student's knowledge and skill level in preparation for employment or to improve current professional skills. Objectives for a variety of industry certifications are encompassed within course and program objectives.

PROGRAM NOTES:
This program is not eligible for Title IV Federal Financial Aid.
Students must earn a grade of "C" or better for all courses required within the program.
+ indicates course has prerequisites and/or corequisites.
++ indicates any suffixed courses.
PROGRAM PREREQUISITES: None

REQUIRED COURSES:	Credits:	6
CIS126DL	Linux Operating System (3) OR	
CIS126RH	Red Hat System Administration I (3)	3
+ CIS238DL	Linux System Administration (3) OR	
+ CIS238RH	Red Hat System Administration II (3)	3

RESTRICTED ELECTIVES:	Credits:	6
+ BPC170 A+	Exam Prep: Computer Hardware Configuration and Support	3
+ BPC270 A+	Exam Prep: Operating System Configuration and Support	3
CIS105	Survey of Computer Information Systems	3
+ CIS197	VMware ESXI Server Enterprise	3
CIS121AH	Microsoft PowerShell/Command Line Operations	3
+ CIS226AL	Internet/Intranet Server Administration-Linux	3

CIS280	Current Topics in Computing	3
+ CIS290++	Any Computer Information Systems Internship course	1-3

COMPUTERS: ADOBE

Certificate of Completion: 5807N

Adobe Foundations

9 credits

DESCRIPTION: The Certificate of Completion (CCL) in Adobe Foundations program helps develop proficiency with three of Adobe's foundational graphics programs: Photoshop, Illustrator, and Flash. The courses in this CCL are the common subset of those required for the other Adobe Creative Suite CCLs. Thus all the courses in the Adobe Foundations CCL may be applied towards the requirements of any of these more comprehensive certificates.

PROGRAM NOTES:

This program is not eligible for Title IV Federal Financial Aid. Students must earn a grade of "C" or better in all courses required within the program.

PROGRAM PREREQUISITES: None

REQUIRED COURSES:		Credits: 9
CIS120DF	Computer Graphics: Adobe Photoshop	3
CIS120DB	Computer Graphics: Adobe Illustrator	3
CIS120DC	Adobe Animate: Digital Animation	3

COMPUTERS: PROGRAMMING & SYSTEM ANALYSIS

JOB DESCRIPTION: Microsoft solutions developers design and develop custom solutions to build Web-based, distributed, and commerce applications by using Microsoft's product, such as Microsoft SQL Server, Microsoft Visual Studio, and Microsoft Component Services. Job tasks include analyzing business requirements, defining the technical architecture, designing a solution, coding and implementing a solution, testing the solution, deploying the solution, and maintaining the solution.

Note: PVCC may not offer all courses needed for the following programs. Courses needed to complete the program(s) may also be available at RSC. PROGRAM NOTES: + indicates course has prerequisite

Certificate of Completion: 5962

Programming & System Analysis Level II

36-37 credits

DESCRIPTION: The Certificate of Completion (CCL) in Programming and Systems Analysis Level II provides an in-depth exploration of different computer language and technical skills. This CCL includes, but is not limited to the following: local area networks, team roles, and dynamics. A Certificate of Completion (CCL) in iOS Application Development and an Associate in Applied Science (AAS) in Programming and Systems Analysis are available.

The Certificate of Completion in Programming and Systems Analysis Level II is currently not Title IV Federal Financial Aid eligible.

LEARNING OUTCOMES:

1. Analyze business requirements using critical thinking skills. (CIS105, CIS133DA, CIS150++, CIS151, CIS156, CIS159, CIS162++, CIS163AA, CIS165++, CIS166++, CIS225++, CIS250, CIS251, CIS259, CIS262++, CIS263AA, CIS265, GBS151, GBS211)
2. Use computer systems and networks in a responsible and ethical manner. (CIS105, CIS190, CIS225++, CIS250, CNT140AA, GBS151, MST140++)
3. Design, develop and implement database solutions to effectively manage data. (CIS119DO, CIS276++)
4. Develop and implement well-structured computer programs that solve business problems. (CIS150++, CIS151, CIS156, CIS159, CIS162++, CIS163AA, CIS165++, CIS251, CIS259, CIS262++, CIS263AA, CIS265)
5. Utilize the software development lifecycle for application development. (CIS150++, CIS151, CIS166++, CIS156, CIS159, CIS162++, CIS163AA, CIS165++, CIS225++, CIS250, CIS251, CIS259, CIS262++, CIS263AA, CIS265)
6. Test and debug computer programs. (CIS150++, CIS151, CIS156, CIS159, CIS162++, CIS163AA, CIS165++, CIS251, CIS259, CIS262++, CIS263AA, CIS265)
7. Leverage the functions and architecture of an operating system to achieve business objectives. (CIS105, CIS126DL, CIS126RH, CIS165++, CIS265, MST150++)
8. Communicate professionally in formal and informal situations to diverse audiences. (CIS133DA, CIS166++, CIS225++, CIS250, GBS211)
9. Write effective documentation according to industry standards. (CIS133DA, CIS150++, CIS151, CIS166++, CIS156, CIS159, CIS162++, CIS163AA, CIS165++, CIS225++, CIS250, CIS251, CIS259, CIS262++, CIS263AA, CIS265)
10. Collaborate effectively with diverse teams. (GBS151)
11. Apply an understanding of characteristics and principles of business processes to software application development.

Degrees & Certificates

(CIS133DA, CIS150++, CIS151, CIS156, CIS159, CIS162++, CIS163AA, CIS165++, CIS166++, CIS224, CIS225++, CIS250, CIS251, CIS259, CIS262++, CIS263AA, CIS265, GBS151)

12. Design web-based applications using client-side and server-side scripting. (CIS133DA, CIS166++, CIS262++ CIS263AA)

13. Develop a project scope while considering factors such as customer requirements, project costs, return on investment, and internal/external business objectives. (CIS133DA, CIS150++, CIS151, CIS156, CIS159, CIS162++, CIS163AA, CIS165++, CIS166++, CIS224, CIS225++, CIS250, CIS251, CIS259, CIS262++, CIS263AA, CIS265, GBS211)

PROGRAM NOTES: Students must earn a grade of "C" or better for all courses required within the program.

+ indicates course has prerequisites and/or corequisites.

++ indicates any suffixed courses.

Consultation with an Academic Advisor is recommended for course selection.

DIETETIC TECHNOLOGY

Associate in Applied Science: 3840

Dietetic Technology

62–72 credits

DESCRIPTION: The Associate in Applied Science (AAS) in Dietetic Technology program emphasizes medical nutrition therapy and food service management. Students acquire the knowledge and skills foundation to work in dietetics through the integration of classroom learning and 466 hours of supervised practice. Emphasis is placed on the development of communication and human relations techniques that prepare the graduate for professional success. Upon successful completion of the program, the graduate will be eligible to take the Dietetic Technician Registration Examination of the Commission on Dietetic Registration (CDR).

JOB DESCRIPTION: The Dietetic Technician, Registered is prepared to play a key role in providing quality, cost-effective client care and food service management in a variety of employment settings. Job responsibilities may include patient counseling and education in basic and therapeutic nutrition, medical record documentation, health promotion and disease prevention, menu development, and supervisory and administrative skills related to nutrition services and institutional food production.

OPPORTUNITIES: Dietetic Technicians are an integral part of health care and food service management teams. They work independently or in partnership with Registered Dietitians in a variety of settings: Clinical, Hospitals, clinics, nursing homes, retirement centers, home health care programs, and research facilities; food service; schools, daycare centers, correctional facilities, restaurants, hospitals, and long-term care facilities; Community and Public Health; WIC programs; wellness; health clubs, and weight management clinics; business; food companies, food vendors, and food distributors.

PROGRAM NOTES:

Students must earn a grade of "C" or better in all courses within the program.

+ indicates course has prerequisites and/or corequisites.

PROGRAM PREREQUISITES: Credits: 0–4
CPR/AED Certification for Health Care Providers must be completed prior to registering for FON244, or FON246 practicum courses. Students selecting BIO201 and BIO202 in the Required Courses area must complete BIO156 or BIO181 in consultation with a Program Advisor.

+ BIO156 Introductory Biology for Allied Health (4) OR

EARLY CHILDHOOD EDUCATION

Certificate of Completion: 5016
Early Childhood Education
 36 credits

DESCRIPTION: The Certificate of Completion (CCL) in Early Childhood Education Program is designed to prepare students for employment as early childhood teachers in a variety of educational programs. Students learn effective teaching skills as they apply developmentally appropriate early childhood educational theory in the classroom setting. Courses have been selected with a focus on developing an educational career ladder. The AAS program includes additional early childhood electives and general education classes to broaden the student's base of knowledge.

PROGRAM NOTES: Students must earn a grade of "C" or better in all courses required within the program.

EMERGENCY MANAGEMENT & EMERGENCY MEDICAL TECHNOLOGY

Associate of Applied Science: 3065

Advanced Emergency Medical Technology (Paramedic) 60.5 Credits

DESCRIPTION: The Associate in Applied Science (AAS) in Advanced Emergency Medical Technology (Paramedic) is designed to provide advanced techniques of emergency care, stabilization, and immobilization of victims of illness and injury. The techniques of emergency care include but are not limited to assessment, detailed physical examination, recognition and documentation of signs and symptoms of illness and injury, critical thinking and diagnosis intervention, and the evaluation of the interventions. The techniques of assessment include but are not limited to electrocardiograph rhythm identification, administration of oxygen, defibrillation, synchronized cardioversion, transcutaneous pacing, and advanced airway techniques. The techniques for immobilization of the victim include but are not limited to the use of specific immobilization devices, peripheral intraosseous and central intravenous techniques, and preparation and care during transportation. A Certificate of Completion (CCL) is also available.

PROGRAM NOTES: Students must earn a grade of "C" or better in all courses required within the program.
+ indicates course has prerequisites and/or corequisites.

PROGRAM GPA: 2.50

ADMISSION CRITERIA: Prior to being considered for and accepted into the program, students may be required to complete specified exams with the EMT/FSC department. Students should seek department advisement on completing program prerequisites prior to acceptance into the program.

PROGRAM PREREQUISITES: Credits: 9-12.5
EMT101 Cardiopulmonary Resuscitation/Basic Life Support (0.5) OR
A current validation in Basic Life Support (BLS) Health Care Provider/Professional Rescuer AND
Appropriate score on Reading placement test to demonstrate minimum tenth grade level reading OR
completion of an Associate's degree or higher from an accredited institution. 0-0.5

+ EMT/FSC104 Emergency Medical Technology 9
+ CRE101 Critical and Evaluative Reading I (3) OR
Equivalent as indicated by assessment 0-3

REQUIRED COURSES: Credits: 38.5
+ EMT235 Basic ECG Rhythm Analysis and Interpretation in the Emergency Setting 3

Natural Sciences 4
 BIO160 Introduction to Human Anatomy and Physiology

Certificate of Completion: 5304

Emergency Management

18 credits

DESCRIPTION: The Certificate of Completion (CCL) in Emergency Management provides the student with knowledge and skills required to conduct a comprehensive emergency management program. The program prepares students to manage fire department operations, hazardous materials incidents, tactics, strategy, and safety of firefighting activities, and customer service in the public sector. The student will be prepared for positions such as Emergency Manager, Emergency Management Planner, Emergency Operations Coordinator, Environmental Compliance Planner, and Emergency Management Specialist, working in state, local, federal, and international governments, business and industry, military installations, and health care facilities.

PROGRAM REQUIREMENTS: Students must earn a grade of "C" or better in all courses within the program.
 + indicates course has prerequisites and/or corequisites.

PROGRAM PREREQUISITES: None

REQUIRED COURSES:	Credits:18
AJS/FSC139 Emergency Response to Terrorism	3
AJS/FSC146 Disaster Recovery Operations	3
AJS/FSC147 Emergency Preparedness	3
AJS/FSC148 Fundamentals of Emergency Management	3
AJS/FSC149 Hazard Mitigation	3
FSC224 Incident Command Systems	3

Certificate of Completion: 5643N

Emergency Medical Technology

9-10 credits

DESCRIPTION: The Certificate of Completion (CCL) in Emergency Medical Technology program includes techniques of emergency care, stabilization, and immobilization of victims of illness and injury. Recognition and documentation of signs and symptoms of illness and injury, intervention, and evaluation of the intervention, techniques for assessment, administration of oxygen, use of specific immobilization devices, and preparation for transportation are other areas of the program. This program is a prerequisite to other emergency response programs.

PROGRAM GPA: 2.50

PROGRAM NOTES: This program is not eligible for Title IV Federal Financial Aid. Students must earn a grade of "C" or better in all

courses within the program.
 + indicates course has prerequisites and/or corequisites.

EMT104 requires students to complete additional hours in a competency-based clinical, vehicular, and/or scenario based experience. Depending on the college, this may be completed through EMT104AB or program director-approved rotation.

PROGRAM PREREQUISITES: None

REQUIRED COURSES: Credits: 9-10

EMT101	Basic Life Support/Cardiopulmonary Resuscitation (CPR) Health Care Providers (0.5) OR Current validation in Basic Life Support (BLS) Health Care Provider/Professional Rescuer (0) OR Permission of Program Director(0)	0-0.5

Associate of Applied Science: 3112

Emergency Response And Operations

60-83.5 credits

DESCRIPTION: The Associate in Applied Science (AAS) in Emergency Response and Operations program provides students with a curriculum specific to the student's individual needs in addition to the knowledge and skills needed in today's changing public safety workplace. The program develops education, skills, and techniques for planning, responding, and mitigating various emergency situations within the student's specific discipline with emphasis on effective response and operations. The curriculum combines coursework in public safety emergency services with a general education component. Additional Certificates of Completion (CCL) are available.

PROGRAM NOTES: Students must earn a grade of "C" or better in all courses required within the program.

+ indicates course has prerequisites and/or corequisites.
 EMT104 requires students to complete additional hours in a competency-based clinical, vehicular, and/or scenario based experience. Depending on the college, this may be completed through EMT104AB or program director-approved rotation.

Degrees & Certificates

ADMISSION CRITERIA: Students pursuing Track I Fire Operations OR Track II Paramedicine may be required to complete a program entrance exam as appropriate OR Permission of Program Director.

PROGRAM PREREQUISITES: None

REQUIRED COURSES Credits: 17-58.5
 EMT101 Basic Life Support/Cardiopulmonary Resuscitation (CPR) Health Care Providers (0.5) OR Current validation in Basic Life Support (BLS) Health Care Provider/Professional Rescuer (0) OR Permission of Program Director(0) 0-0.5

Students must select one (1) of the following four (4) tracks:

Track I: FIRE OPERATIONS Credits: 17-27.5

FIRE SCIENCE TECHNOLOGY

Certificate of Completion: 5418N
Driver Operator
8 credits

DESCRIPTION: The Certificate of Completion (CCL) in Driver Operator program is designed for students who need (1) advanced training a professional firefighters, (2) preparation courses for career advancement opportunities in fire services, and/or (3) more comprehensive information about the role and function of an emergency vehicle driver/operator.

PROGRAM NOTES:
This program is not eligible for Title IV Federal Financial Aid. Students must earn a grade of "C" or better for all courses required within the program.

ADMISSION CRITERIA: Acceptance into the program and permission of Program Director is required.

PROGRAM PREREQUISITES: None

REQUIRED COURSES:	Credits: 8
FSC111 Emergency Vehicle Driver Operator	2
FSC117 Fire Apparatus	3
FSC118 Fire Hydraulics	3

Certificate of Completion: 5420N
Fire Officer Leadership
15 credits

DESCRIPTION: The Certificate of Completion (CCL) in Fire Officer Leadership program can be used by professional firefighters for promotions and salary advancement within the Fire Services. The program will provide courses for experienced professional firefighters who desire to learn advanced fireground tactics and strategy, building construction, practical incident command, supervisory training of personnel, and human resource management.

PROGRAM NOTES:
This program is not eligible for Title IV Federal Financial Aid. Students must earn a grade of "C" or better for all courses listed in the program
+ indicates course has prerequisites and/or corequisites. .

ADMISSION CRITERIA: Formal application and acceptance into the Fire Officer Leadership program or permission of the Program Director.

Fire Service Professional

37 credits

DESCRIPTION: The Certificate of Completion (CCL) in Fire Science Professional provides practical firefighting, hazardous materials, related operations and fire service management emphasis in this program with history and theory used where necessary to assist professionals to cope with current challenges in the field. This curriculum is designed to (1) provide training for professional fire service personnel in order that they may most efficiently perform their duties (2) prepare people for a career in Fire Service or related field, and (3) provide people with a better understanding of fire and related hazards and challenges faced in providing public safety services. An Associate in Applied Science (AAS) is also available.

PROGRAM NOTES: Students must earn a grade of "C" or better in all courses within the program.

+ indicates course has prerequisites and/or corequisites.

PROGRAM PREREQUISITES: None

REQUIRED COURSES:		Credits: 21
	FSC105 Hazardous Materials/First Responder	3
	FSC108 Fundamentals of Fire Prevention	3
	FSC113 Introduction to Fire Suppression	3
	FSC131 Introduction to Urban Technical Rescue	3
	FSC202 Supervisory Training for Firefighters	3
+	FSC204 Firefighting Tactics and Strategy	3
	FSC208 Firefighter Safety and Building Construction	3

RESTRICTED ELECTIVES: Credits: 16
Students should select 16 credit hours from the following courses in consultation with a department advisor.

+	EMT/FSC104 Emergency Medical Technology	9
+	EMT/FSC238 Vehicular Extrication and Patient Stabilization	2
	FSC101 Intro to Fire Service Selection	3
+	FSC102 Fire Department Operations	11
	FSC106 Introduction to Fire Protection	3
	FSC114 Hazardous Materials First on the Scene/Awareness Level	0.5
	FSC117 Fire Apparatus	3

INTEGRATED PUBLIC HEALTH

Certificate of Completion: 5900

Integrated Public Health: Health Administration

24-27 credits

DESCRIPTION: The Certificate of Completion (CCL) in Integrated Public Health: Health Administration program is designed to prepare individuals for the broadly defined public health workforce with a special focus on entry-level employment as a health administrator or manager. Students study principles and skills needed for employment as health administration professionals who manage, lead, and direct health care programming in a variety of health industries, including public health, clinics, hospitals, insurance companies, and a variety of non-profit agencies that serve the community.

Learning Outcomes

1. Describe the dynamics of individual, community, and organizational health infrastructures. (HCR230, HES210, IPH101, IPH115)
2. Discuss local, regional, national, and global population health and health disparities. (HCR230, HES210, IPH101)
3. Identify and explain key issues facing community public health professionals. (IPH101)
4. Communicate effectively with the health care team, diverse client populations, and their families. (COM270, SPA117)
5. Assess the social, cultural, and behavioral factors in health. (HCR230, HES210)
6. Use appropriate technology to deliver health care services to the community. (CIS105, HSM222, HTM150)

Degrees & Certificates

7. Exhibit behaviors and conduct that reflect safe, legal, and ethical practice. (COM270, HCR230, HES210, HSM222, IPH101, IPH115)
8. Provide information and refer clients based on the identified barriers and needs to appropriate resources and services available to the client. (COM270, IPH105, IPH115)
9. Describe the role of prevention and community collaborations in promoting healthy communities. (HCR230, HES210, IPH101)
10. Implement strategies to improve health outcomes for an individual and/or community. (IPH101, IPH110, IPH285, SPA117)
11. Apply systems thinking to the healthcare environment. (HSM222, IPH115)

Program Notes

+ indicates course has prerequisites and/or corequisites. Students must earn a grade of C or better in all courses required within the program.

One or more of the prerequisite courses for a Required Course may be waived by Program Director depending on student experience and/or prior skills.

Admission Criteria

Formal application and acceptance into the program.

Able to meet background check drug screening, health and immunization requirements.

Program Prerequisites: None

Required Courses

Credits: 24-27

CIS105	Survey of Computer Information Systems (3) OR Permission of the Dept/Instructor to enroll in HTM150	0-3
COM270	Health Communication	3

+ IPH285	Health Administration Practicum	3
SPA117	Health Care Spanish I	3

Certificate of Completion: 5898

Integrated Public Health: Health Education

24 credits

Description: The Certificate of Completion (CCL) in Integrated Public Health: Health Education program is designed to prepare individuals for the public health workforce with a special focus on entry-level employment as a health educator. It is designed to prepare students for employment in a variety of health industries, including public health, clinics, hospitals, insurance companies, and a variety of non-profit agencies. Students will be exposed to the principles and skills necessary to assess needs, identify factors

that influence health behaviors, assess current health disparities and emerging issues influencing health, and empower individuals and communities to sustain positive changes to obtain optimal health. Upon completion, individuals will be prepared to serve the community as health education professionals who work in health behavior change venues.

Learning Outcomes

1. Describe the dynamics of individual, community, and organizational health infrastructures. (HCR230, HES210, IPH101)
2. Discuss local, regional, national, and global population health and health disparities. (HCR230, HES210, IPH101)
3. Identify and explain key issues facing community public health professionals. (FON241, IPH101)
4. Communicate effectively with the health care team, diverse client populations, and their families. (COM270, SPA117)
5. Assess the social, cultural, and behavioral factors in health. (HCR230, HES210)
6. Incorporate evidence-based health care practices into the assessment, planning, implementation, and evaluation of health education interventions and public health programs. (COM270, FON241, HCR230, HES210, IPH110, IPH112)
7. Exhibit behaviors and conduct that reflect safe, legal, and ethical practice. (COM270, HCR230, HES210, IPH101)
8. Provide information and refer clients based on the identified barriers and needs to appropriate resources and services available to the client. (COM270)
9. Describe the role of prevention and community collaborations in promoting healthy communities. (HCR230, HES210, IPH101)
10. Implement strategies to improve health outcomes for an individual and/or community. (IPH101, IPH110, IPH112, IPH280, SPA117)
11. Explain the role of a health educator and goals of health education. (IPH110, IPH112, IPH280)
12. Describe the interrelationship between community assessment and identification of community health education issues. (FON241, IPH110, IPH112)
13. Demonstrate a community collaborative planning process for health education programs focused on prevention and promotion of healthy communities. (FON241, IPH110, IPH112, IPH280)

Program Notes

+ indicates course has prerequisites and/or corequisites. Students must earn a grade of C or better in all courses required within the program.

One or more of the prerequisite courses for a Required Course may be waived by Program Director depending on student experience and/or prior skills.

Admission Criteria

Formal application and acceptance into the program. Arizona Department of Public Safety Level one fingerprint clearance card required. Able to meet background check drug screening, health and immunization requirements.

Program Prerequisites: None

Certificate of Completion: 5896

Integrated Public Health: Health Navigation

23 credits

Description: The Certificate of Completion (CCL) in Integrated Public Health: Health Navigation program is designed to prepare individuals for entry-level employment as health navigators or community health workers. It is designed to prepare students for employment in a variety of health industries, including public health, clinics, hospitals, insurance companies, and a variety of non-profit agencies that serve the community. Students will be exposed to how to identify appropriate health resources and services for clients and to communicate with diverse populations. In addition, students will study in depth a variety of insurance coverage and government programs to help their clients optimize the benefits and resources available to them.

Learning Outcomes

1. Describe the dynamics of individual, community, and organizational health infrastructures. (HCR230, HES210, IPH101)
2. Discuss local, regional, national, and global population health and health disparities. (HCR230, HES210, IPH101)
3. Identify and explain key issues facing community public health professionals. (FON241, IPH101)
4. Communicate effectively with the health care team, diverse client populations, and their families. (COM270, HCC146, SPA117)
5. Assess the social, cultural, and behavioral factors in health. (HCR230, HES210)
6. Incorporate evidence-based health care practices into the assessment, planning, implementation, and evaluation of health education interventions and public health programs. (COM270, FON241, HCR230, HES210)
7. Exhibit behaviors and conduct that reflect safe, legal, and ethical practice. (COM270, HCR230, HES210, IPH101, IPH105)
8. Provide information and refer clients based on the identified barriers and needs to appropriate resources and services available to the client. (COM270, IPH105)
9. Describe the role of prevention and community collaborations in promoting healthy communities. (HCR230, HES210, IPH101)

10. Implement strategies to improve health outcomes for an individual and/or community. (IPH101, IPH275, SPA117)
11. Use effective care coordination and transition management methods in acute care and ambulatory care in community settings. (FON241, IPH105, IPH275)
12. Facilitate client-centered care that is compassionate, appropriate, and effective for the promotion of health. (FON241, IPH105, IPH275)

Program Notes

+ indicates course has prerequisites and/or corequisites. Students must earn a grade of C or better in all courses required within the program. One or more of the prerequisite courses for a Required Course may be waived by Program Director depending on student experience and/or prior skills.

Admission Criteria

Formal application and acceptance into the program. Arizona Department of Public Safety Level one fingerprint clearance card required. Able to meet background check drug screening, health and immunization requirements.

Program Prerequisites: None

SPA117	Health Care Spanish I	3

Certificate of Completion: 5902

Integrated Public Health: Mobile Integrated Health

24-27 credits

Description: The Certificate of Completion (CCL) in Integrated Public Health: Mobile Integrated Health program is designed for licensed health care providers such as nursing assistants, nurses, advanced practice nurses, emergency medical technicians, paramedics, dietitians, and other allied health professionals. It enhances their previous training in direct patient care, preparing them for this newly expanded role in public health to serve the community as advocates, facilitators, educators, liaisons, and resource coordinators.

Learning Outcomes

1. Describe the dynamics of individual, community, and organizational health infrastructures. (HCR230, HES210, IPH101)
2. Discuss local, regional, national, and global population health and health disparities. (IPH101, HES210, HCR230)
3. Identify and explain key issues facing community public health professionals. (FON241, IPH101)
4. Communicate effectively with the health care team, diverse client populations, and their families. (COM270, IPH220, SPA117)
5. Assess the social, cultural, and behavioral factors in health. (HCR230, HES210)
6. Incorporate evidence-based health care practices into the assessment, planning, implementation, and evaluation of health education interventions and public health programs. (COM270, FON241, HCR230, HES210)
7. Use appropriate technology to deliver health care services to the community. (CIS105, HTM150, IPH220)
8. Exhibit behaviors and conduct that reflect safe, legal, and ethical practice. (COM270, HCR230, HES210, IPH101, IPH220)
9. Provide information and refer clients based on the identified barriers and needs to appropriate resources and services available to the client. (COM270)
10. Describe the role of prevention and community collaborations in promoting healthy communities. (HCR230, HES210, IPH101)
11. Implement strategies to improve health outcomes for an individual and/or community. (IPH101, IPH290, SPA117)

Program Notes

+ indicates course has prerequisites and/or corequisites. Students must earn a grade of C or better in all courses required within the program. One or more of the prerequisite courses for a Required Course may be waived by Program Director depending on student experience and/or prior skills.

Admission Criteria

Previous licensure in a health or allied health program.
 Formal application and acceptance into the program.
 Arizona Department of Public Safety Level one finger print clearance card required.
 Able to meet background check, drug screening, health and immunization requirements.

MICROSOFT RELATED

Certificate of Completion: 5473

Microsoft Desktop Support Technology

16-20 credits

DESCRIPTION: The Certificate of Completion (CCL) in Microsoft Desktop Support Technology program is designed to provide training for entry-level computer maintenance and help-desk positions. Students will develop the skills to troubleshoot desktop environments running on the Microsoft Windows operating system. Courses in the program also help to prepare for the Microsoft Certified IT Professional: Enterprise Desktop Support Technician 7 (MCITP) examinations, 70-680 and 70-685.

PROGRAM NOTES: Students must earn a grade of "C" or better in all courses within the program.

+ indicates course has prerequisites and/or corequisites.

++ indicates any module/suffixed courses.

PROGRAM PREREQUISITES:

Credits: 0-3

In lieu of the courses listed below, students with experience in the information technology field may meet these program prerequisite requirements with the permission of the instructor.

CIS121AB	Microsoft Command Line Operations (1)	OR	
CIS121AH	Microsoft PowerShell/Command Line Operations (3)		
	OR Permission of Instructor or Program Director		0-3

REQUIRED COURSES:

Credits: 16-17

	CIS102 Interpersonal and Customer Service Skills for IT Professionals		1
	CIS105 Survey of Computer Information Systems		3
+	BPC170 Computer Maintenance I: A+ Essentials Prep 3		
+	CIS190 Introduction to Local Area Networks (3)	OR	
	CNT140AA Cisco Networking Fundamentals (4)	OR	
	MST140 Microsoft Networking Essentials (3)		3-4
+	MST141 Enterprise Desktop Support Technician		3
+	MST150++ Any Microsoft Windows Operating System (any module)		3

MUSIC: AUDIO PRODUCTION & BUSINESS

Certificate of Completion: 5334

Audio Production Technologies

36-40 credits

DESCRIPTION: The Certificate of Completion (CCL) in Audio Production Technologies program offers students an opportunity to receive training on industry-standard equipment. Students learn the concepts and theory associated with recording arts technologies while applying them in lab settings appropriate to their skill levels. Students completing the Audio Production program will gain the knowledge base, competency, and confidence they need to enter the commercial music marketplace. An Associate of Applied Science (AAS) is also available.

PROGRAM NOTES:

Students must earn a grade of "C" or better in all courses within the program.

+ indicates course has prerequisite and/or corequisites.

Associate of Applied Science: 3017

Music Business

60-63 credits

DESCRIPTION: The Associate in Applied Science (AAS) in Music Business program is an innovative curriculum designed to prepare students for today's music industry. The certificate and degree with a music business emphasis are designed for both the performing musician and the business student with limited performing experience. This program combines a flexible curriculum with an emphasis in business and marketing, along with music industry related courses and experiences.

PROGRAM NOTES: Students must earn a grade of "C" or better for all courses required within the program.
 + indicates course has prerequisite and/or corequisites.
 ++ indicates any module.

 Any approved general education course from the Social and Behavioral Sciences area

Natural Sciences 4
 Any approved general education course from the Natural Sciences area

NURSING

Maricopa Community Colleges Allied Health Or Nursing Program

Appendix S-13: The Maricopa Community Colleges Allied Health or Nursing Program

In collaboration and partnership with the health care community and its response to the dynamic changes occurring in the health care arena and health care practice, the Maricopa Community Colleges integrated the curriculum of all allied health and nursing programs. All allied health or nursing program pathways and educational offerings emphasize the achievement of relevant competencies and provide value to the individual, the employer, and the community. As a result, graduates of the various allied health or nursing program pathways will meet the community's demand for a flexible, multi-skilled health care workforce that meets employer and consumer needs. Refer to individual college catalogs for specific health care program pathways.

For further information, <https://asa.maricopa.edu/departments/healthcare-education-at-the-maricopa-community/> is a comprehensive information source.

Allied Health or Nursing Assumption of Risk/Release of Liability
Most of the allied health or nursing program pathways include a program of study in a clinical training environment that may contain exposures to risks inherent in patient-oriented educational experiences (such as but not limited to bodily injury or communicable and infectious diseases). Students enrolling in clinical educational courses will be asked to sign a statement assuming all risks inherent in their coursework.

Use of Confidential Information

Students enrolled in allied health or nursing program pathways will have learning experiences in a health care setting where they will have access to confidential information. Prior to beginning any clinical studies, the students will be asked to sign an agreement to adhere to the requirements of those clinical sites and applicable law, including the Health Insurance Portability and Accountability Act of 1996 (HIPAA).

Allied Health or Nursing Program College Attendance

As the allied health or nursing programs are integrated across the Maricopa Community Colleges, college of attendance requirements for the completion of the healthcare program pathways can be met through the completion of coursework taken at all Maricopa Community Colleges and Skills Centers.

MCCCD Required Background Checks

Students enrolled in an MCCCD allied health or nursing program are required to complete and pass clinical learning experiences, working with children, elderly persons, and other vulnerable populations. MCCCD's major clinical agency partners now mandate that any college students assigned to them for clinical experiences submit to a comprehensive background clearance prior to entering such learning experiences. Because the clinical experience portion of the programs is critical to completing a program of study, MCCCD has instituted two specific background check requirements in order for a student to enroll in a program. First, the student must obtain, at his or her own cost, a Level I Fingerprint Clearance Card from the Arizona Department of Public Safety. Precluding offenses for a Level I card can be found in Arizona Revised Statute § 41-1758.07 (<http://www.azleg.gov/FormatDocument.asp?inDoc=/ars/41/01758-07.htm&Title=41&DocType=ARS>). Additionally, students must also obtain a "pass" status on a MCCCD supplemental background check from MCCCD's authorized background check contractor. The student must also pay for this background check. The supplemental check will be based on the most stringent standards of MCCCD's clinical experience partners.

The sole program for which the background check requirements are different is the Emergency Medical Technician program. For that program, students must have obtained a Level 1 Fingerprint Clearance Card from the Arizona Department of Public Safety. They are also required, at the time of their clinical assignments, to submit to, pay for and pass any additional background check requirements of the clinical agencies to which their EMT program places students.

Certain licensing boards may require a separate background check or clearance card upon application for licensure or certification.

The MCCCD supplemental background check review may include searches of the following databases and information but MCCCD reserves the right to change the search criteria and the program background check requirements at any time without notice:

1. National Federal Health Care and Abuse Databases
2. Social Security Verification
3. Residency History
4. Arizona Statewide Criminal Records
5. Nationwide Criminal Databases
6. Nationwide Sexual Offender Registry
7. Homeland Security Search

Examples of background information that will result in a "fail" status on the supplemental background check include:

1. Social Security number does not belong to the applicant
2. Any inclusion on any registered sex offender database
3. Any inclusion on any of the Federal exclusion lists or Homeland Security watch lists
4. Any conviction of a felony no matter what age of the convictions
5. Any warrant any state
6. Any misdemeanor conviction for the following no matter how long ago:

Degrees & Certificates

- A. Violent crimes
 - B. Sex crime of any kind including non consensual sexual crimes and sexual assault
 - C. Murder, attempted murder
 - D. Abduction
 - E. Assault
 - F. Robbery
 - G. Arson
 - H. Extortion
 - I. Burglary
 - J. Pandering
 - K. Any crime against minors, children, vulnerable adults including abuse, neglect, exploitation
 - L. Any abuse or neglect
 - M. Any fraud
 - N. Illegal drugs
 - O. Aggravated DUI
7. Any misdemeanor controlled substance conviction in last 7 years
8. Any misdemeanor conviction within the last 3 years
Exceptions: any misdemeanor traffic (DUI is not considered traffi

The information that MCCCCD uses for the “pass/fail” background check is subject to change at any time without notice.

MCCCCD recommends that students carry proof of the background clearance at all times during any clinical agency learning experience.

Duty to Report Changes; Removal

Students have an obligation to immediately report to the director of their program any change in the information that they supplied on forms submitted to initiate background checks relating to the allied health or nursing program. That includes information provided to the Arizona Department of Public Safety and MCCCCD's supplemental background check vendor, as well as that related to the background check required by a clinical agency. Failure to do so will result in removal from the program. Additionally, any change in background check status that would affect the student's clearance under either MCCCCD's or a clinical agency's standards will result in removal from a program.

Additional Clinical Agency Background Check

Some clinical agencies require that students assigned to their sites submit to a criminal background check covering other offenses, as well as to a drug screening. Students are required to pay for the additional agency clinical background check. A clinical agency that requires this additional background check may refuse to place a student due to information the clinical agency obtains in its background check even though that student possess a valid Level I Fingerprint Clearance Card and has obtained a “pass” status on the MCCCCD supplemental background check.

Some conditions that have resulted in students being denied placement at clinical agencies include pending criminal charges,

outstanding warrants, unfinished terms of a sentence (such as unpaid fines), pattern of repeated types of arrests/convictions, and failure to disclose all past arrests/convictions when asked to do so on any background check application.

Inability to Place

MCCCCD has no obligation to make repeated attempts to place a student when the reason for MCCCCD's inability to place the student is due to background check issues. Since clinical agency assignments are mandatory requirements for completion of a program, a student's inability to complete required clinical experience due to his or her background check issues will result in removal from the program.

Changes to Admission or Background Check Requirements

MCCCCD may change its program admission requirements or background check requirements without notice at any time.

No Guarantee of Receipt of Licensure/Certification

Many of the nursing and allied health programs prepare graduates for application for State or National certifications or licenses. In some professions, such licensure and certification is required prior to employment or practice in the profession. Graduation from a nursing and allied health program does not guarantee the receipt of a license or certification to practice in the field of study.

Certification of Completion: 5963N

Nurse Assisting

2-6 credits

DESCRIPTION: The Certification of Completion (CCL) in Nurse Assisting prepares students for entry-level employment in various health care settings as a nursing assistant. The program combines classroom instruction with clinical laboratory, skilled care and acute care experiences. Students who complete the program are eligible to take a written and practical certification examination and work as a Certified Nursing Assistant. Licensing requirements are the exclusive responsibility of the Arizona State Board of Nursing.

The MCCCCD Nurse Assisting Program is approved by the Arizona State Board of Nursing.

Program offerings: This program is offered at the following sites: Estrella Mountain Community College GateWay Community College Glendale Community College Mesa Community College Mesa Community College/Boswell Paradise Valley Community College Waiver of Licensure/Certification Guarantee Admission or completion from the MCCCCD Nurse Assisting Program does not guarantee obtaining a license or certification to practice nursing. Licensure and certification requirements and the subsequent procedures are the exclusive right and responsibility of the Arizona State Board of Nursing. Students must satisfy the requirements of the

Degrees & Certificates

Nurse Practice Act: Statutes, Rules and Regulations, independently of any college or school requirements for graduation. Pursuant to A.R.S. 32-1606(B)(17), an applicant for professional or practical nurse license by examination is not eligible for licensure if the applicant has any felony convictions and has not received an absolute discharge from the sentences for all felony convictions. The absolute discharge must be received five or more years before submitting this application. If you cannot prove that the absolute discharge date is five or more years, the Board cannot process your application. All nurse assistant applicants for certification will be fingerprinted to permit the Department of Public Safety to obtain state and federal criminal history information. All applicants with a positive history are investigated. If there is any question about eligibility for licensure or certification, contact the nursing education consultant at the Arizona State Board of Nursing (602-899-5150). Health Declaration: It is essential that Nursing students be able to perform a number of physical activities in the clinical portion of the program. At a minimum, students will be required to lift patients, stand for several hours at a time and perform bending activities. Students who have a chronic illness or condition must be maintained on current treatment and be able to implement direct patient care. The clinical nursing experience also places students under considerable mental and emotional stress as they undertake responsibilities and duties impacting patients' lives. Students must be able to demonstrate rational and appropriate behavior under stressful conditions. Individuals should give careful consideration to the mental and physical demands of the program prior to making application. Health & Safety Requirements for MCCD Nurse Assisting Program: 1. Students must submit a completed Health and Safety Documentation Checklist and maintain current status throughout the program. 2. Students must submit CPR card for Health Care Provider and maintain current status throughout the program. 3. Admission to an Allied Health program requires that students be in compliance with the Maricopa County Community College District Supplemental Background Check policy. Program applications will not be accepted without a copy of an Arizona Department of Public Safety Level One Fingerprint Clearance Card. Upon conditional program admission, the student must comply with all requirements of the current MCCC background check policy. 4. Health Provider Signature Form signed by a licensed health care provider. 5. Negative urine drug screen. Grade Requirements: Student must obtain a "C" grade or better in all courses. University Transfer Students: For students planning a University Program Students who are planning to earn the Bachelor of Science in Nursing may obtain their prerequisite courses at Maricopa Community Colleges. For information on courses that meet requirements for admission into a baccalaureate program, please contact a program advisor. THE NURSE ASSISTING PATHWAY The nurse assisting pathway is designed to prepare students to complete the Nurse Assistant Certification through the Arizona State Board of Nursing to practice in a health care agency as a certified nurse assistant. Completion of the nurse assistant program of study provides job ready skills as a nursing assistant. Students may apply to the Nursing Program after completing the

prerequisite courses and admission requirements.

Waiver of Licensure/Certification Guarantee

Admission or completion from the MCCD Nurse Assisting Program does not guarantee obtaining a license or certificate to practice nursing. Licensure and certification requirements and the subsequent procedures are the exclusive right and responsibility of the Arizona State Board of Nursing. Students must satisfy the requirements of the Nurse Practice Act: Statutes, Rules and Regulations, independently of any college or school requirements for graduation.

Pursuant to A.R.S. § 32-1606(B)(17), an applicant for professional or practical nurse license by examination is not eligible for licensure if the applicant has any felony convictions and has not received an absolute discharge from the sentences for all felony convictions. The absolute discharge must be received five or more years before submitting this application. If you cannot prove that the absolute discharge date is five or more years, the Board cannot process your application.

All nurse assistant applicants for certification will be fingerprinted to permit the Department of Public Safety to obtain state and federal criminal history information. All applicants with a positive history are investigated. If there is any question about eligibility for licensure or certification, contact the nursing education consultant at the Arizona State Board of Nursing (602-899-5150).

Health Declaration:

It is essential that Nursing students be able to perform a number of physical activities in the clinical portion of the program. At a minimum, students will be required to lift patients, stand for several hours at a time and perform bending activities. Students who have a chronic illness or condition must be maintained on current treatment and be able to implement direct patient care. The clinical nursing experience also places students under considerable mental and emotional stress as they undertake responsibilities and duties impacting patients' lives. Students must be able to demonstrate rational and appropriate behavior under stressful conditions. Individuals should give careful consideration to the mental and physical demands of the program prior to making application.

Health & Safety Requirements for MCCD Nurse Assisting Program:

1. Students must submit a completed Health and Safety Documentation Checklist and maintain current status throughout the program.
2. Students must submit CPR card for Health Care Provider and maintain current status throughout the program.
3. Admission to an Allied Health program requires that students be in compliance with the Maricopa County Community College District Supplemental Background Check policy. Program applications will not be accepted without a copy of an Arizona Department of Public Safety Level One Fingerprint Clearance Card. Upon conditional program admission, the student must

Degrees & Certificates

comply with all requirements of the current MCCCDC background check policy.

4. Health Provider Signature Form signed by a licensed health care provider.

5. Negative urine drug screen.

Grade Requirements:

Student must obtain a "C" grade or better in all courses.

University Transfer Students:

For students planning a University Program

Students who are planning to earn the Bachelor of Science in Nursing may obtain their prerequisite courses at Maricopa Community Colleges. For information on courses that meet requirements for admission into a baccalaureate program, please contact a program advisor.

THE NURSE ASSISTING PATHWAY

The nurse assisting pathway is designed to prepare students to complete the Nurse Assistant Certification through the Arizona State Board of Nursing to practice in a health care agency as a certified nurse assistant. Completion of the nurse assistant program of study provides job ready skills as a nursing assistant. Students may apply to the Nursing Program after completing the prerequisite courses and admission requirements.

PROGRAM NOTES:

This program is not eligible for Title IV Federal Financial Aid.

Students must earn a grade of "C" or better in all courses within the program.

+ indicates course has prerequisites and/or corequisites.

ADMISSION CRITERIA: Application and acceptance into the program, High School graduate or GED, current Health Care Provider CPR Card required before beginning courses.

All students must submit a copy of a fingerprint clearance card with their application for the Maricopa Community College District Nursing Program.

PROGRAM PREREQUISITES: None

REQUIRED COURSES:

PRACTICAL NURSE EXIT OPTION

Following completion of the practical nurse level program of study, the student is eligible to apply for licensure as a practical nurse. Licensed Practical Nurses (LPN) may be employed in acute, long-term, and community-based health care settings under the direction of a registered nurse. Practical Nurses function within their legal scope of practice and use professional standards of care in illness care and health promotion activities for clients and families across the life span.

The Associate in Applied Science (AAS) Nursing Program is

approved by the Arizona State Board of Nursing and accredited by the Accreditation Commission for Education in Nursing (ACEN), 3343 Peachtree Road NE, Suite 850, Atlanta, GA 30326; (404.975.5000); email: info@acennursing.org.

Program Notes: Students must earn a grade of "C" or better in all courses within the program.

+ indicates course has prerequisites and/or corequisites

Course Fee Information:

Please see class schedule for information regarding course fees.

Maricopa Nursing is aligned with Nurse of the Future Competencies: Patient-Centered Care, Professionalism, Leadership, Systems-Based Practice, Informatics and Technology, Communication, Teamwork and Collaboration, Safety, Quality Improvement, and Evidence-Based Practice. These competencies focus on key stakeholders of healthcare clients, colleagues and communities. Demonstration of the competencies will signify preparation for successful transition into nursing practice and further professional development.

Admission Criteria: High School diploma or GED is required for the Certificate of Completion in Practical Nursing. Applicants must signify that they meet this requirement by providing high school diploma/transcripts or GED completion OR by signing the nursing application page containing the "Declaration of High School Graduation or GED completion". In some instances, high school diploma/transcripts or proof of GED completion may be required.

Formal application and admission to the program is required; all program prerequisites must be completed prior to submission. A passing score on a nursing program admission test is required to complete an application.

The Nursing Program Chair reserves the right to deny acceptance of an admission application if the applicant was previously dismissed for issues relating to academic integrity, unsafe patient care, and/or two (2) or more failures from any nursing program.

All applicants holding or receiving a certificate as a Nursing Assisting and/or license as a Practical Nurse must remain in good standing with the Board of Nursing. Once enrolled, students receiving any disciplinary actions against their certificate or license must notify the Nursing Program Chair within five (5) school days. The Nursing Program Chair reserves the right to restrict the student's participation in clinical experiences and involvement in patient care until the certificate and/or license is valid and unrestricted.

PROGRAM PREREQUISITES:

a licensed health care provider.

3. Students must test negative on a timed urine drug screen.

4. Admission to an Allied Health program requires that students be in compliance with the Maricopa County Community College District Supplemental Background Check policy. Program applications will not be accepted without a copy of an Arizona Department of Public Safety Level One Fingerprint Clearance Card. Upon conditional program admission, the student must comply with all requirements of the current MCCCD background check policy.

University Transfer Students:

Students who are planning to earn the Bachelor of Science in Nursing may obtain their prerequisite courses at the Maricopa Community Colleges. For information on courses that meet requirements for admission into a baccalaureate program, please contact a program advisor.

REGISTERED NURSE PATHWAY

Associate in Applied Science Degree in Nursing Program

The Associate in Applied Science (AAS) degree in Nursing graduate is eligible to apply for licensure as a Registered Nurse (RN). The RN is educated as a generalist who delivers health care to clients and family groups and has competencies related to the art and science of nursing. The RN may be employed in a variety of acute, long term, and community-based healthcare settings. The AAS degree in Nursing provides the graduate with an educational foundation for articulation into the university setting.

Maricopa Nursing is aligned with Nurse of the Future Competencies: Patient-Centered Care, Professionalism, Leadership, Systems-Based Practice, Informatics and Technology, Communication, Teamwork and Collaboration, Safety, Quality Improvement, and Evidence-Based Practice. These competencies focus on key stakeholders of healthcare clients, colleagues and communities. Demonstration of the competencies will signify preparation for successful transition into nursing practice and further professional development.

Admission Criteria: High School diploma or GED is required for the Associate in Applied Science degree in Nursing. Applicants must signify that they meet this requirement by providing high school diploma/transcripts or GED completion OR by signing the nursing application page containing the `Declaration of High School Graduation or GED completion`. In some instances, high school diploma/transcripts or proof of GED completion may be required.

Formal application and admission to the program is required; all program prerequisites must be completed prior to submission of application.

A passing score on a nursing program admission test is required to complete an application.

Applicants for Advanced Placement must receive a passing score

on a practical nursing content exam for placement into Block 3. The final decision rests with the Nursing Program Chair at the College to which the student is accepted.

The Nursing Program Chair reserves the right to deny acceptance of an admission application if the applicant was previously dismissed for issues relating to academic integrity, unsafe patient care, and/or two (2) or more failures from any nursing program.

All applicants holding or receiving a certificate as a Nursing Assisting and/or license as a Practical Nurse must remain in good standing with the Regulatory Board. Once enrolled, students receiving any disciplinary actions against their certificate or license must notify the Nursing Program Chair within five (5) school days. The Nursing Program Chair reserves the right to restrict the student's participation in clinical experiences and involvement in patient care until the certificate and/or license is valid and unrestricted.

PROGRAM PREREQUISITES:

Credits: 10–20

The credit hour range is subject to change depending on the student's educational experience.

+ BIO156	Introductory Biology for Allied Health (4) OR	
+ BIO181	General Biology (Majors) I (4) OR	
	One year of high school biology	0–4
+ BIO201	Human Anatomy and Physiology I	4
+ CHM130	Fundamental Chemistry (3) AND	
+ CHM130LL	Fundamental Chemistry Laboratory (1) OR	
	One year of high school chemistry	0–4
+ ENG101	First-Year Composition (3) OR	
+ ENG107	First-Year Composition for ESL (3) 3	
+ MAT140	College Mathematics (5) OR	
+ MAT141	College Mathematics (4) OR	
+ MAT142	College Mathematics (3) OR	
	Satisfactory completion of higher level math course	3-5

Students that are admitted into the Maricopa Nursing Program for Fall 2015 and Spring 2016, AND completed MAT120/121/122 prior to Fall 2015 as an admission requirement, may complete the program without completing MAT140/141/142 as a graduation requirement, by waiver of the program director.

REQUIRED COURSES:

Credits: 36

+ NUR152	Nursing Theory and Science I	9
+ NUR172	Nursing Theory and Science II	9
+ NUR252	Nursing Theory and Science III	9
+ NUR283	Nursing Theory and Science IV	9

Degrees & Certificates

GENERAL EDUCATION: Credits: 16–19
 GENERAL EDUCATION CORE: Credits: 3-6

First-Year Composition 3
 Three (3) credits of First Year Composition are met by ENG101 or ENG107 in Program Prerequisites area.

+ ENG102 First-Year Composition (3) OR
 + ENG108 First-Year Composition for ESL (3)

Oral Communication 0
 Waived.

Critical Reading 0–3
 + CRE101 Critical and Evaluative Reading I (3) OR
 Equivalent by assessment

Mathematics 0
 Met by MAT140 OR MAT141 OR MAT142 OR
 Satisfactory completion of higher level mathematics
 course in Program Prerequisites area.

GENERAL EDUCATION DISTRIBUTION: Credits: 13
 Humanities and Fine Arts 2
 Any approved course in the Humanities and
 Fine Arts area.

Social and Behavioral Sciences 3
 PSY101 Introduction to Psychology (3)

Natural Science 8
 + BIO202 Human Anatomy and Physiology II (4)
 AND
 + BIO205 Microbiology (4)

WELLNESS

Certificate of Completion: 5445

Personal Training Specialist

31-31.5 credits

DESCRIPTION: The Certificate of Completion (CCL) in Personal Training Specialist program prepares students for the American College of Sports Medicine (ACSM), National Strength and Conditioning Association (NSCA), National Academy of Sports Medicine (NASM) and the American Council on Exercise (ACE) personal trainer certifications. The curriculum is designed to prepare students for employment in entry-level personal training positions within the fitness industry.

PROGRAM NOTES: Students must earn a grade of “C” or better in all courses within the program.
 + indicates course has prerequisites and/or corequisites.
 ++ indicates any module/suffixed courses.

PROGRAM PREREQUISITES: None

REQUIRED COURSES: Credits: 31-31.5

- EXS101 Introduction to Exercise Science 3
- EXS125 Introduction to Exercise Physiology 3
- EXS210 Assessment and Program Design: Muscular Fitness 2
- EXS211 Assessment and Program Design: Flexibility and Balance 2
- EXS212 Assessment and Program Design: Cardiorespiratory Fitness 2
- EXS213 Assessment and Program Design: Weight Management and Motivation 2
- EXS214 Instructional Competency: Flexibility and Mind-Body Exercises 2
- EXS216 Instructional Competency: Muscular Strength and Conditioning 2
- EXS218 Instructional Competency: Cardiorespiratory Exercises and Activities 2
- EXS239 Practical Applications of Personal Training Skills and Techniques Internship (3) OR
- EXS239AA Practical Applications of Personal Training Skills and Techniques Internship (1) AND
- EXS239AB Practical Applications of Personal Training Skills and Techniques Internship (2) 3
- HES100 Healthful Living 3

Degrees & Certificates

Associate of Applied Science: 3059

Exercise Science & Personal Training

63–72.5 credits

DESCRIPTION: The Associate in Applied Science (AAS) in Exercise Science: Health, Fitness and Sports Performance program prepares students for the American College of Sports Medicine (ACSM), National Strength and Conditioning Association (NSCA), National Academy of Sports Medicine (NASM) and the American Council on Exercise (ACE) personal trainer certifications. The curriculum is designed to prepare students for employment in entry-level positions such as personal training within health and fitness clubs, wellness centers, and public and private recreation facilities. This curriculum also provides good preparation for transfer to a four-year bachelor program.

PROGRAM NOTES: Students must earn a grade of “C” or better required for all courses within the program.

+ indicates course has prerequisite and/or corequisites.

Students can achieve the AGEC-A by completing the following: An additional course with the Humanities, Arts and Design general studies designation 3

An additional course with the Natural Science general studies designation 4

Recommend BIO202 Human Anatomy and Physiology II 4

An additional course with the Computer/Statistics/Quantitative

Applications general studies designation 3

Recommend MAT206 Elements of Statistics 3 OR PSY230 Introduction to Statistics 3

Program Prerequisites: None

Official Course Descriptions

The following course descriptions which are offered at PVCC are those officially approved by the Maricopa County Community College District for use by Chandler-Gilbert Community College, Estrella Mountain Community College, Gateway Community College, Glendale Community College, Mesa Community College, Paradise Valley Community College, Phoenix College, Rio Salado College, Scottsdale Community College, and South Mountain Community College. For descriptions not included in this catalog, visit the district website: www.maricopa.edu/academic/ccta/

All courses have six common course elements which include prefix, number, title, description, credits, and prerequisites.

Prefix -The three letter prefix designates the subject under which the course is offered.

Number-The number assigned to a course provides information about its sequence. Numbers range from 001-299. Numbers below 100 are not considered for transfer to four-year institutions and are not applicable to degrees awarded by the Maricopa Community Colleges. First year courses are generally identified with 100-level numbers. Second year courses are generally identified with 200-levels. Courses at 200-level generally require prerequisites.

Title-The title identifies the course. It may also indicate the level of the course, i.e., Intermediate Algebra, or Beginning Spanish.

Credit hours-Credit hours are awarded for the satisfactory completion of a course. The semester hours of credit for all courses are indicated immediately after course titles. Tuition rates are assessed on a per credit hour basis and vary depending on the student's residency classification. Check with the Admissions and Records Office for information on tuition rates and residency requirements.

Course Description -Below each course number and title a brief description of the course is given. You should read the course description carefully to be sure that the course meets the requirements of your program of study. Instructors give supplemental course information (i.e. class outline, syllabus etc.), during the first week of classes so that you will know specific course procedures, grading criteria, and course objectives.

 The SUN System is a college course numbering system designed to help Arizona students plan their education and ensure successful transfer of course credits. <http://www.aztransfer.com/sun/> A list of PVCC SUN courses can also be found at the end of the course listing.

Detailed information on degrees, transfer programs, course equivalency information, general education requirements, assessment, success seminars, and career information is available in the Advisement Center. We recommend that you consult with an advisor prior to registration.

Accounting

Division: Business/Information Technology
Chair: Mr. Sean Petty
Phone: 602.787.6658

ACC111 3 Credits, 3 Periods
Accounting Principles I
Fundamental theory of accounting principles and procedures.
Prerequisites: None.

ACC112 3 Credits, 3 Periods
Accounting Principles II
Continuation of the fundamental theory of accounting principles and procedures, including interpretation of general purpose financial statements. Prerequisites: ACC111 with a grade of C or better, or permission of Department or Division.

ACC115 2 Credits, 3 Periods
Computerized Accounting
Mastery of a microcomputer accounting system including the general ledger, accounts receivable, accounts payable and payroll
Prerequisites: ACC107 or ACC111 or ACC211 or ACC230, or permission of Instructor.

ACC212 3 Credits, 3 Periods
Managerial Accounting
Development and analysis of accounting information for managerial planning and control. Prerequisites: A grade of "C" or better in (ACC111 and ACC112), or ACC211, and (CIS105 or permission of Department or Division).

ACC219 3 Credits, 3 Periods
Intermediate Accounting I
Theory and practice applicable to determination of asset values, liabilities, and related problems of income determination. Prerequisites: ACC212 or ACC240 with a grade of "C" or better, or permission of Department/Division.

ACC221 3 Credits, 3 Periods
Tax Accounting
Preparation of and accounting procedures for individuals; introduction to partnerships and corporate tax structures. Prerequisites: ACC111 or ACC211 or permission of department/division.

ACC222 3 Credits, 3 Periods
Payroll Accounting
Payroll records for businesses required by federal and state laws. Prerequisites: ACC111 or ACC211 or permission of Department or Division.

ACC296WA 1 Credit, 5 Periods
ACC296WB 2 Credits, 5 Periods
ACC296WC 3 Credits, 15 Periods
Cooperative Education
Work-college experiences that involve the combined efforts of educators and employers to accomplish an outcome related to the career objectives of the students. Prerequisites: Completion of at

least twelve (12) college credits, minimum 2.6 grade point average, and be able to obtain a position related to student's academic or career goals (student's present job may qualify); or permission of instructor. Corequisites: Must be concurrently enrolled in at least one class which is related to student's major or career interest or with permission of the instructor.

Administration of Justice

Division: Behavioral Science
Chair: Dr. Tom Schmidt
Phone: 602.787.6963

AJS101 3 Credits, 3 Periods
Introduction To Criminal Justice
An introduction to crime and society's responses to it. Examines the nature and causes of crime, the criminal law, constitutional safeguards, and the organization and operation of the criminal justice system including the police, courts, jails, prisons, probation and parole departments, and community corrections agencies. Covers the history of the criminal justice system, terminology and career opportunities. Prerequisites: None.

AJS109 3 Credits, 3 Periods
Substantive Criminal Law
Covers philosophy of legal sanctions and historical development from the common law to modern American criminal law, classification of crimes, elements of and parties to crimes, general definition of crimes, common defenses utilized. Includes specific offenses and the essential elements of each offense. Required in AJS curriculum. Prerequisites: None.

AJS123 3 Credits, 3 Periods
Ethics and the Administration of Justice
Introduces and explores ethical issues and the justice system. Focuses on ethics and the law, the police, courts and corrections. Reviews ethical theory, concepts and practices as they relate to administration of justice. Encourages critical thinking and value decision making in criminal justice system situations. Prerequisites: None.

AJS192 3 Credits, 3 Periods
Serial Killers and Mass Murderers
The study of serial killers, mass murderers and their victims. Examines the history and frequency of these crimes, profiles the killers and their victims, explores theories of causation, and discusses the problems and techniques of investigation, prosecution, punishment, and prevention. Requisites: None

AJS195 3 Credits, 3 Periods
International and Domestic Terrorism
An overview of the history, structure, goals, and activities of domestic and international terrorist groups. Explores theories explaining terrorism and reviews methods used to combat it. Requisites: None

AJS200 3 Credits, 3 Periods
Current Issues In Criminal Justice
Examines current issues, techniques and trends in the Criminal Justice System. Prerequisites: None.

AJS205 3 Credits, 3 Periods
Criminal Justice Report Writing
Characteristics of reports and field notes, and the importance and uses of each. Form, style, and procedures for writing various reports, including elements of composition, required substance, proper and improper conclusions, and descriptions of persons and property. Prerequisites: None.

AJS212 3 Credits, 3 Periods
Juvenile Justice Procedures
Examines the history and development of juvenile justice theories, procedures, and institutions. Prerequisites: None.

AJS215 3 Credits, 3 Periods
Criminalistics: Physical Evidence
The scientific analysis and examination of physical evidence with emphasis on scientific investigation, recognition, collection, and preservation of evidence. Topics include fingerprint, shoe prints, tool marks, firearms identification, paint chips and arson. Prerequisites: None.

AJS216 3 Credits, 3 Periods
Criminalistics: Biological Evidence
The scientific analysis and examination of biological evidence with emphasis on collection and preservation of evidence. Topics discussed include blood, drugs, blood alcohol, hairs and fiber, and topics of special interest in criminalistics. Prerequisites: None.

AJS225 3 Credits, 3 Periods
Criminology
Study of deviance, society's role in defining behavior; theories of criminality and the economic, social, and psychological impact of crime; relationships between statistics and crime trends. Examines crime victimization and the various types of crime and categories of offenders. Required in the AJS curriculum. Prerequisites: None.

AJS230 3 Credits, 3 Periods
The Police Function
Theories of procedures and methods of operations of public police with emphasis on discretionary powers available to the working police officer. Career opportunities and current trends in law enforcement presented. Prerequisites: None.

AJS240 3 Credits, 3 Periods
The Correction Function
Examines the history and development of correctional theories and institutions. Prerequisites: None.

AJS258 3 Credits, 3 Periods
Victimology and Crisis Management
Victimology, the criminal justice system, techniques of crisis intervention, and the importance of a multicultural and global perspective. Includes sexual assault, family violence, post-traumatic stress disorder, the role of substance abuse, effective coping skills, appropriate community resources and the responsiveness of the justice system. Prerequisites: None.

AJS260 3 Credits, 3 Periods
Procedural Criminal Law
Concerned with the understanding of procedural criminal law. Examines the rationale underlying major court holdings, the procedural requirements that stem from these holdings, and their effect on the daily operations of the criminal justice system. Prerequisites: None.

AJS275 3 Credits, 3 Periods
Criminal Investigation I
Introduction to the theory of criminal investigation. Examines crime scene procedures, case preparation, interviewing, and basic investigative techniques. Prerequisites: None.

Advancing Academic Achievement

Division: Counseling & Personal Development
Chair: Dr. Jim Rubin
Phone: 602.787.6541

AAA115 1 Credit, 1 Period
Creating College Success
Strategies to create success in college. Methods for selecting and developing effective academic strategies, increasing self awareness and developing self management strategies. Elements of college resources and relationships with others explored in support of students' educational experience. Prerequisites: None.

Aerospace Studies

Division: Social Science
Chair: Dr. Stephanie Bjork
Phone: 602.787.6689

Note: AES courses are taught on the ASU Main campus.

AES101 Lecture: 2 Credits, 1 Period
Air Force Today I Lab: 0 Credits, 1 Period
Survey course designed to introduce students to the United States Air Force and Air Force Reserve Officer Training Corps (AFROTC). Featured topics include: mission and organization of the Air Force, officership and professionalism, military customs and courtesies, Air Force officer opportunities, group leadership problems, and an introduction to communication skills. The Leadership Laboratory component provides dynamic and integrated grouping of leadership developmental activities designed to meet the needs and expectations of prospective Air Force second lieutenants and complement the AFROTC academic program. Emphasizes common Air Force customs and courtesies, drill and ceremonies, health and physical fitness through group participation. Prerequisites: None.

AES103 Lecture: 2 Credits, 1 Period
Air Force Today II Lab: 0 Credits, 1 Period
Introduce students to the United States Air Force and encourage participation in Air Force Reserve Officer Training Corps (AFROTC). Featured topics include: introduction to leadership, Air Force

ASB235 3 Credits, 3 Periods Emphasis on wheel throwing skill and individual style development.
 Southwest Archaeology Prerequisites: ART162.
 Anthropological perspective and comparative study of the cultures of prehistoric native peoples of the North American southwest.
 Prerequisites: None.

ASM104 4 Credits, 5 Periods
 Bones, Stones, and Human Evolution
 Study of human evolution and variation; including fossil hominids and their tools, primate anatomy and behavior, human genetics, and the environment and human biology. Prerequisites: None.

ASM275 4 Credits, 5 Periods
 Forensic Anthropology
 Survey of the role of forensic anthropologists, from the crime scene to the courtroom. Course focuses on how skeletal analysis can aid in medicolegal investigations, especially by identifying aspects of the life history of unknown individuals and by reconstructing events that took place at crime scenes. Covers both the legal aspects of forensic practice and the underlying biological basis for evidence obtained from skeletal remains. Examines applications of forensic anthropology in mass disasters, human rights investigations, and the deciphering of historic cases. Lab activities designed to illustrate techniques and principles central to the discipline. Prerequisites: None.

ASM298AA 1 Credit, 1 Period
 Special Projects
 Organized and tailored around the interests and needs of the individual student. Structured to provide an atmosphere of individualized research and study paralleled by professional expertise and guidance. Professional type facilities and equipment available for student use. Allows the best aspects of independent study and individualized learning to be combined to maximize student development. Prerequisites: Permission of Program Director or instructor.

ART262 3 Credits, 6 Periods
 Ceramics IV
 Experimental work in clays and glazes. Prerequisites: ART261.

ART295GA 1 Credit, 2 Periods
 Art Workshop/Seminar: Ceramics
 Advanced level workshop seminar in art disciplines. Prerequisites: Minimum of three (3) credits introductory and three (3) credits intermediate level courses in specific field or permission of Department or Division Chair

ART100 1 Credit, 2 Periods
 Introduction to Computer Graphic Art
 Conceptualization, visualization, and production of art using the computer. Prerequisites: None.

ART184 3 Credits, 6 Periods
 Computer Animation
 The art of animation (animated sequences, special effects, titles, etc.) using the computer. Construction characters, background graphics, color, scaling, storyboard, cells, timing, editing, and surface rendering. Screening and discussion of selected animated short films and videos. Prerequisites: ART100 or ART111 or ART116 or permission of Instructor.

ART185 3 Credits, 6 Periods
 3-D Modeling for Animation
 Basic concepts of 3-D modeling. Anatomy of computer geometry; basic elements that make computer models—curves, surfaces, nurbs, and polygons. 3-D translation, shading, materials, and rendering. Prerequisites: A grade of C or better in ADA/ART/MMT184 or ART184AC or permission of Instructor.

ART111 3 Credits, 6 Periods
 Drawing I
 Fundamental principles of drawing. Emphasis on composition and facility in objective and expressive representation, using variety of drawing media. Prerequisites: None.

ART112 3 Credits, 6 Periods
 Two-Dimensional Design
 Study of fundamental elements and principles of two-dimensional design. Prerequisites: None.

ART113 3 Credits, 6 Periods
 Color
 Investigation seeking visual solutions to a variety of problems concerning color in two and three dimensions and modes of color appearances, including light and effects in design and theory of design. Prerequisites: None.

ART115 3 Credits, 6 Periods
 Three-Dimensional Design
 Fundamental principles of three-dimensional design. Prerequisites: ART112.

Art

Division: Fine & Performing Arts
 Chair: Dr. Christopher Scinto
 Phone: 602.787.6686

Ceramics

ART161 3 Credits, 6 Periods
 Ceramics I
 Introduction to ceramic materials and techniques of hand construction, decorating, glazing and throwing on potters' wheel. Prerequisites: None.

ART162 3 Credits, 6 Periods
 Ceramics II
 Major emphasis on wheel throwing, glaze making and decorating techniques. Prerequisites: ART161.

ART261 3 Credits, 6 Periods
 Ceramics III

Computer Art

ART100 1 Credit, 2 Periods
 Introduction to Computer Graphic Art
 Conceptualization, visualization, and production of art using the computer. Prerequisites: None.

ART184 3 Credits, 6 Periods
 Computer Animation
 The art of animation (animated sequences, special effects, titles, etc.) using the computer. Construction characters, background graphics, color, scaling, storyboard, cells, timing, editing, and surface rendering. Screening and discussion of selected animated short films and videos. Prerequisites: ART100 or ART111 or ART116 or permission of Instructor.

ART185 3 Credits, 6 Periods
 3-D Modeling for Animation
 Basic concepts of 3-D modeling. Anatomy of computer geometry; basic elements that make computer models—curves, surfaces, nurbs, and polygons. 3-D translation, shading, materials, and rendering. Prerequisites: A grade of C or better in ADA/ART/MMT184 or ART184AC or permission of Instructor.

Drawing, Design & Color

ART111 3 Credits, 6 Periods
 Drawing I
 Fundamental principles of drawing. Emphasis on composition and facility in objective and expressive representation, using variety of drawing media. Prerequisites: None.

ART112 3 Credits, 6 Periods
 Two-Dimensional Design
 Study of fundamental elements and principles of two-dimensional design. Prerequisites: None.

ART113 3 Credits, 6 Periods
 Color
 Investigation seeking visual solutions to a variety of problems concerning color in two and three dimensions and modes of color appearances, including light and effects in design and theory of design. Prerequisites: None.

ART115 3 Credits, 6 Periods
 Three-Dimensional Design
 Fundamental principles of three-dimensional design. Prerequisites: ART112.

ART122 3 Credits, 6 Periods
Drawing and Composition II
Emphasis on composition and exploration of drawing media.
Prerequisites: ART111.

ART211 3 Credits, 6 Periods
Drawing and Composition III
Advanced development of drawing skill with emphasis on compositional theory. Prerequisites: ART122 or permission of instructor.

ART222 3 Credits, 6 Periods
Drawing and Composition IV
Further study of drawing techniques with emphasis on individual problems and techniques. Prerequisites: ART211 or permission of instructor.

ART277 3 Credits, 6 Periods
Textiles I
Introduction to exploration of textile media. Prerequisites: ADA/ART112 or permission of Instructor.

Life Drawing

ART116 3 Credits, 6 Periods
Life Drawing I
Use of form, structure and anatomy of draped and undraped human figure to develop basic principles of sound draftsmanship. Prerequisites: None.

ART117 3 Credits, 6 Periods
Life Drawing II
Further study of form, structure, and anatomy of the draped and undraped human figure with emphasis on composition. Prerequisites: ART116.

ART216 3 Credits, 6 Periods
Life Drawing III
Advanced creative study from model in various painting and drawing media. Prerequisites: ART117 or permission of instructor.

ART217 3 Credits, 6 Periods
Life Drawing IV
Further development of skills in expressive drawing materials and techniques as applied to finished drawings of the human form. Prerequisites: ART216 or permission of instructor.

Marketing & Gallery

ART255AB 1 Credit, 1 Period
The Portfolio
Choosing the right pieces to include, presenting art work, developing the portfolio. Prerequisites: None.

Multi Media

TCM100 3 Credits, 3 Periods
Digital Multi Media
Introduction to the major components of a multi media project. Prerequisites: None.

Painting

ART167 3 Credits, 6 Periods
Painting I
Exploration of technical and expressive possibilities of various painting media in easel painting. Prerequisites: (ART111 and ART112), or permission of instructor.

ART168 3 Credits, 6 Periods
Painting II
Continued refinement of painting skills and investigation of new possibilities in painting. Prerequisites: ART167 or permission of instructor.

ART267 3 Credits, 6 Periods
Painting III
Development of materials and techniques of painting. Individual problem-solving. Prerequisites: ART168 or permission of instructor.

ART268 3 Credits, 6 Periods
Painting IV
Advanced problem in painting. Study with greater emphasis on personal expression. Prerequisites: ART267 or permission of instructor.

Photography

ART131 3 Credits, 6 Periods
Photography I
Basic photographic principles and techniques. Basic camera functions and controls. Experience in the image-making process by creating and editing photographs for various display environments. Introduction to the photographic aesthetic and photography's role in society. Prerequisites: None.

ART142 3 Credits, 6 Periods
Introduction to Digital Photography
Fundamentals of digital photography. Includes camera operations, exposure techniques, introduction to digital output, and theory of digital photography. Prerequisites: None. Course Note: Digital camera required.

ART143 3 Credits, 6 Periods
Intermediate Digital Photography
Intermediate theory and techniques of digital photography. Aesthetic awareness and personal expression from image capture through intermediate techniques in the digital darkroom. Introduction to high-resolution digital output. Prerequisites: ART142 or permission of instructor. Course Note: Semi-adjustable, high-resolution digital camera is required.

ART234 3 Credits, 6 Periods
Color Photography I
Basic principles of color theory, camera and input and output techniques using slide film or digital photography. Prerequisites: ART131 or ART142 or permission of Instructor.

ART236 3 Credits, 6 Periods
Photography Location Shooting
Practical application of camera techniques, use of lighting, and on-location shooting for post-production printing. Prerequisites: (ART131 OR ART142) OR permission of Instructor.

ART265 3 Credits, 6 Periods
Watercolor Painting III
Continuation of watercolor painting with emphasis on control and expression. Prerequisites: ART166.

ART266 3 Credits, 6 Periods
Watercolor Painting IV
Advanced problems directed toward more personal expression. Prerequisites: ART265.

Art Humanities

Division: Fine & Performing Arts
Chair: Dr. Christopher Scinto
Phone: 602.787.6686

ARH100 3 Credits, 3 Periods
Introduction to Art
Understanding and enjoyment of art through study of painting, sculpture, architecture design, photography, and decorative arts. Emphasis on contemporary topics and cultural diversity in the arts. Prerequisites: None.

ARH101 3 Credits, 3 Periods
Prehistoric Through Gothic Art
History of art from prehistoric through medieval period. Prerequisites: None.

ARH102 3 Credits, 3 Periods
Renaissance Through Contemporary Art
History of art from around the world from the Renaissance through contemporary period. Prerequisites: None.

ARH112 3 Credits, 3 Periods
History of Modern Art
Development and significant aspects of modern art, including comparisons of relationships in expressionism, abstractions, fantasy, and art since mid-century. Prerequisites: None.

ARH115 3 Credits, 3 Periods
History of Photography
Survey of history of photography from beginning to present. Emphasizes medium's impact upon society and other visual arts. Technical developments, aesthetic concerns, and individual photographers studied. Prerequisites: None.

ARH201 3 Credits, 3 Periods
Art of Asia
Introduction to the origins and historic development of art in Asia, with emphasis on China, Japan, and India. Prerequisites: None.

Astronomy

Division: Science
Department: Physical Sciences
Chair: Dr. Scott Massey
Phone: 602.787.6644

AST101 3 Credits, 3 Periods

Survey of Astronomy
Survey of astronomy for the nontechnical student. The history, content, and evolution of the solar system and the universe in general. Astronomical principles and instrumentation. The planets, moons, sun, comets, stars and star formation, galaxies, and cosmology. Prerequisites: None.

AST102 1 Credit, 3 Periods
Survey of Astronomy Laboratory
Astronomical observations and exercises designed to familiarize students with the sky, telescopes, and methods used in astronomy. Prerequisites: None. May accompany AST101.

AST111 3 Credits, 3 Periods
Introduction to Solar System Astronomy
Introduction to astronomy for the non-science major. History of astronomy, properties of light, instruments, the solar system and nearby stars. Prerequisites: MAT092 or equivalent.

AST112 3 Credits, 3 Periods
Introduction to Stars, Galaxies, and Cosmology
Introduction to astronomy for the non-science major. Structure and evolution of stars; star clusters; galaxies; cosmology. Prerequisites: MAT092 or equivalent.

AST113 1 Credit, 3 Periods
Introduction to Solar System Astronomy Laboratory
Astronomical observations and exercises to supplement AST111. Prerequisites or Corequisites: AST111.

AST112 3 Credits, 3 Periods
Introduction to Stars, Galaxies, and Cosmology
Introduction to astronomy for the non-science major. Structure and evolution of stars; star clusters; galaxies; cosmology. Prerequisites: MAT092 or equivalent.

AST114 1 Credit, 3 Periods
Introduction to Stars, Galaxies, and Cosmology Laboratory
Astronomical observations and exercises to supplement AST112. Prerequisites or Corequisites: AST112.

AST294AB 1 Credit, 1 Period
Special Topics in Astronomy
Conceptual, experimental, and computational aspects of a special topic in astronomy. Prerequisites: Permission of Department or Division.

Biology

Division: Science
Department: Life Sciences
Chair: Mr. Jeff Lae
Phone: 602.787.7913

BIO100 Lecture: 4 Credits, 3 Periods
Biology Concepts Lab: 0 Credits, 3 Periods
Introductory course covering basic principles and concepts of biology. Methods of scientific inquiry and behavior of matter and energy in biological systems are explored. Prerequisites: None.

BIO105 Lecture: 4 Credits, 3 Periods
Environmental Biology Lab: 0 Credits, 3 Periods
Fundamentals of ecology and their relevance to human impact on natural ecosystems. Field trips may be required at students' expense. Prerequisites: None.

BIO145 Lecture: 4 Credits, 3 Periods
Marine Biology Lab: 0 Credits, 3 Periods
A survey of marine environments and their biotic communities with emphasis on the natural history of marine organisms. Prerequisites: None.

BIO156 Lecture: 4 Credits, 3 Periods
Introductory Lab: 0 Credits, 3 Periods
Biology for Allied Health
An introductory biology course for allied health majors with an emphasis on humans. Topics include fundamental concepts of cell biology, histology, microbiology, and genetics. Prerequisites: A grade of "C" or better in RDG091 or higher or eligibility for CRE101 as indicated by appropriate reading placement test score. One year of high school or one-semester of college level chemistry is strongly recommended.

BIO160 Lecture: 4 Credits, 3 Periods
Introduction to Lab: 0 Credits, 3 Periods
Human Anatomy and Physiology
Principles of scientific method. Structural organization, homeostasis and control mechanisms of the body. Specific chemistry concepts. Structure and function of the major systems of the body. Prerequisites: None.

BIO181 Lecture: 4 Credits, 3 Periods
General Biology (Majors) I Lab: 0 Credits, 3 Periods
The study and principles of structure and function of organisms at the molecular and cellular levels. A detailed exploration of the chemistry of life, the cell, and genetics. Prerequisites: A grade of "C" or better in RDG091 or higher or eligibility for CRE101 as indicated by appropriate reading placement test score. One year of high school or one semester of college-level biology and chemistry is strongly recommended.

BIO182 Lecture: 4 Credits, 3 Periods
General Biology (Majors) II Lab: 0 Credits, 3 Periods
The study and principles of structure and function of living things at cellular, organismic, and higher levels of organization. A detailed exploration of the mechanisms of evolution, biological diversity, biology of organisms, and ecology. Prerequisites: A grade of "C" or better in BIO181 or BIO181XT.

BIO201 Lecture: 4 Credits, 3 Periods
Human Anatomy and Lab: 0 Credits, 3 Periods
Physiology I
Study of structure and function of the human body. Topics include cells, tissues, integumentary system, skeletal system, muscular system, and nervous system. Prerequisites: (A grade of "C" or better in BIO156 or BIO156XT or BIO181 or BIO181XT or one year of high school biology) and a grade of "C" or better in RDG091 or higher or eligibility for CRE101 as indicated by reading placement test score. CHM130 or higher or one year of high school chemistry suggested but not required.

BIO202 Lecture: 4 Credits, 3 Periods
Human Anatomy and Physiology II
Continuation of structure and function of the human body. Topics include endocrine, circulatory, lymphatic, respiratory, digestive, urinary, and reproductive systems; and fluid and electrolyte balance. Prerequisites: A grade of C or better in BIO201 or BIO201XT.

BIO205 Lecture: 4 Credits, 3 Periods
Microbiology Lab: 0 Credits, 3 Periods
Study of microorganisms and their relationship to health, ecology, and related field. Prerequisites: (A grade of "C" or better in BIO156 or BIO156XT or BIO181 or BIO181XT or one year of high school biology) and a grade of "C" or better in RDG091 or higher or eligibility for CRE101 as indicated by reading placement test score. CHM130 or higher or one year of high school chemistry suggested but not required.

BIO240 Lecture: 4 credits, 4 Periods
General Genetics
Intensive introduction to the field of genetics including historical perspective, Mendelian insights and patterns of inheritance, exceptions to expected Mendelian ratios, quantitative genetics, non-Mendelian inheritance, pedigree analysis, molecular levels of gene expression, genetic control of metabolic pathways, analytic dissection of molecular mechanisms behind DNA replication, transcription, translation, and gene regulation in both prokaryotes and eukaryotes, population genetics, genetics of behavior, and genetics of evolution and speciation. Prerequisites: BIO181

BIO296WA, WB, WC Lab: 1, 2, 3 Credits
Cooperative Education 5, 10, 15 Periods
Work-college experiences that involve the combined efforts of educators and employers to accomplish an outcome related to the career objectives of the students. Prerequisites: Completion of at least twelve (12) college Credits, minimum 2.6 grade point average, and be able to obtain a position related to student's academic or career goals (student's present job may qualify); or permission of instructor. Corequisites: Must be concurrently enrolled in at least one class which is related to student's major or career interest or with permission of the instructor.

Business: General

Division: Business/Information Technology
Chair: Mr. Sean Petty
Phone: 602.787.6658

For additional Business courses, see International Business (IBS), Management (MGT), and Marketing (MKT) areas.

GBS151 3 Credits, 3 Periods
Introduction to Business
Characteristics and activities of current local, national, and international business. An overview of economics, marketing, management and finance. Prerequisites: None.

GBS205 3 Credits, 3 Periods
Legal, Ethical, and Regulatory Issues in Business

Legal theories, ethical issues and regulatory climate affecting business policies and decisions. Prerequisites: None.

GBS220 3 Credits, 3 Periods
Quantitative Methods In Business
Business applications of quantitative optimization methods in operations management decisions. Prerequisite: (Grade of "C" or better in MAT150, or MAT151, or MAT152) or equivalent, or satisfactory score on district placement exam.

GBS221 3 Credits, 3 Periods
Business Statistics
Business applications of descriptive and inferential statistics, measurement of relationships, and statistical process management. Includes the use of spreadsheet software for business statistical analysis. Prerequisites: Grade of C or better in GBS220 or MAT217.

GBS233 3 Credits, 3 Periods
Business Communication
Internal and external business communications, including verbal and nonverbal techniques. Prerequisites: ENG101 or ENG107 with grade of "C" or better, or permission of Department or Division.

Business: Small Business

Division: Business/Information Technology
Chair: Dr. Dina Preston-Ortiz & Sean Petty
Phone: 602.787.6728 & 602.787.6658

SBS213 1 Credit, 1 Period
Hiring and Managing Employees
Methods and techniques for managing employees in a small business. Includes supervisor's role, leadership styles, interpersonal communications, staff planning, employee work styles, techniques for handling problem employees, and employee motivation. Focuses on real life situations to enable the business owner to gain high performance from their employee team. Includes segment on hiring, new employee orientation, training, benefit, and developing future staffing needs assessment. Prerequisites: None.

SBS214 1 Credit, 1 Period
Small Business Customer Relations
Developing and improving customer relations for the small business. Planning and delivering quality customer service. Includes topics on attitude of employees, customer perceptions and motivations, handling customer dissatisfaction, and developing customer, supplier, vendor, and distributor loyalty. Prerequisites: None.

SBS215 1 Credit, 1 Period
Managing Stress in Small Business
Explores the common causes of stress related to the operation of a small business. Includes discussion of the physiological and psychological effects of stress, and specific methods for dealing with the small business owner or manager stresses in business and personal life. Prerequisites: None.

SBS220 2 Credits, 2 Periods
Internet Marketing for Small Business
Focuses on e-Commerce-doing business on the Internet and planning a web site. Topics include: how the Internet can help growth and success of business; examples of successful marketing on the Internet; availability of Internet services; necessary hardware and software for marketing on the Internet; determining products/services appropriate for Internet marketing; budget constraints and on-going operations of the Internet site. Prerequisites: None

SBS220 2 Credits, 2 Periods
Internet Marketing for Small Business
Focuses on e-Commerce-doing business on the Internet and planning a web site. Topics include: how the Internet can help growth and success of business; examples of successful marketing on the Internet; availability of Internet services; necessary hardware and software for marketing on the Internet; determining products/services appropriate for Internet marketing; budget constraints and on-going operations of the Internet site. Prerequisites: None.

SBS230 2 Credits, 2 Periods
Financial and Tax Management for Small Business
An overview of accounting and record-keeping for the successful management of a small business. Develops an understanding of the accounting cycle and preparation of financial statements. Includes section on tax consequences and the choice of legal entity choice based on taxation. Prerequisites: None.

Business & Personal Computers

Division: Business/Information Technology
Chair: Dr. Dina Preston-Ortiz & Sean Petty
Phone: 602.787.6728 & 602.787.6658

BPC101 3 Credits, 4 Periods
Introduction to Computers
Computer software applications for the personal computer, including electronics spreadsheet and word processing, keyboarding review, a desktop environment, database management, computer graphics and operating system commands. Individualized advanced applications of software selected to solve specific problems on the personal computer. Prerequisites: None.

BPC104AD 0.5 Credits, 0.5 Periods
Using Excel: Level I
Use of Excel to create, edit, save and print worksheets. Prerequisites: None.

BPC110 3 Credits, 4 Periods
Computer Usage And Applications
Introduction to business and personal computer operations and usage. Software applications for analyzing and solving business problems including word processing, spreadsheet, database, and presentation graphics. Prerequisites: None.

BPC125 1 Credit, 1 Period
Microcomputer Set Up And Maintenance
How to install and maintain a microcomputer (personal computer). Steps used to set up a new or add options to a previously installed microcomputer. Installation of internal options (memory, graphics, modems, etc.), as well as external options and devices (printers, monitors, communications, etc.). Troubleshoot (identify and repair or have repaired) microcomputer problems. Prerequisites: None.

BPC170 3 Credits, 4 Periods A
+ Exam Prep: Computer Hardware Configuration and Support
Explore technical aspects of personal computers, including system components, installation, system configuration, peripheral devices, and notebooks. Emphasis placed on hardware installation, maintenance, mobile devices, and hardware troubleshooting. Helps prepare students for the CompTIA A+ examinations. Prerequisites: CIS105 or permission of Instructor.

BPC270 3 Credits, 4 Periods A
+ Exam Prep: Operating System Configuration and Support
Explore advanced technical aspects of maintaining and servicing computers.

Prerequisites: CIS105 or permission of Instructor.

BPC270 3 Credits, 4 Periods
A+ Exam Prep: Operating System Configuration and Support
Explore advanced technical aspects of maintaining and servicing computers. Emphasis placed on OS installation, maintenance, mobile devices, security, software troubleshooting, and on proper usage of tools, safety procedures, and professionalism. Helps prepare students for the CompTIA A+ examinations. Prerequisites: CIS105 or permission of Instructor.

Career Work Experience

Division: Counseling & Personal Development
Chair: Dr. Jim Rubin
Phone: 602.787.6540

CWE198AA, AB, AC 1, 2, 3 Credits
Career/Work Experience 1, 2, 3 Periods
Participation in a work experience, gaining on-the-job training, and/or exploring a career or field of choice. Helps students relate their education to the real work world. Resume writing and interviewing skills. Development of employability skills. Prerequisites: None.

CWE298AA, AB, AC 1, 2, 3 Credits
Special Projects 1, 2, 3 Periods
Organized and tailored around the interests and needs of the individual student. Structured to provide an atmosphere of individualized research and study paralleled by professional expertise and guidance. Professional-type facilities and equipment available for student use. Allows the best aspects of independent study and individualized learning to be combined to maximize student development. Prerequisites: Permission of Program Director or instructor.

Chemistry

Division: Science
Department: Physical Sciences
Chair: Dr. Scott Massey
Phone: 602.787.6644

CHM130 3 Credits, 3 Periods
Fundamental Chemistry
A survey of the fundamentals of general chemistry. Emphasis on essential concepts and problem solving techniques. Basic principles of measurement, chemical bonding, structure and reactions, nomenclature, and the chemistry of acids and bases. Preparation for students taking more advanced courses in chemistry. Designed to meet needs of students in such diverse areas as agriculture, nursing, home economics, physical education and water technology. Prerequisites: A grade of "C" or better in [CHM090 or MAT090 or MAT091 or MAT092 or MAT093 or (MAT103AA and MAT103AB) or higher or satisfactory score on math placement exam] and [RDG091 or higher or eligibility for CRE101 as indicated by appropriate reading placement test score].

CHM130LL 1 Credit, 3 Periods

Fundamental Chemistry Laboratory
Laboratory experience in support of CHM130. Prerequisites or Corequisites: A grade of "C" or better in CHM130.

CHM151 3 Credits, 3 Periods
General Chemistry I
Detailed study of principles of chemistry for science majors and students in pre-professional curricula. Prerequisites: A grade of "C" or better in [(CHM130 and CHM130LL), or CHM130AA, or one year of high school chemistry taken within the last five years] and (MAT151 or higher level mathematics course). Completion of all prerequisites within the last two years is recommended.

CHM151LL 1 Credit, 3 Periods
General Chemistry I Laboratory
Laboratory experience in support of CHM150 or CHM151. Prerequisites or Corequisites: A grade of "C" or better in CHM150 or CHM151.

CHM152 3 Credits, 3 Periods
General Chemistry II
A study of the chemical properties of the major groups of elements, equilibrium theory, thermodynamics, electrochemistry, and other selected topics. Prerequisites: A grade of "C" or better in [(CHM150 or CHM151) and CHM151LL], or CHM150AA, or CHM151AA. Completion of prerequisites within the last two years recommended.

CHM152LL 1 Credit, 3 Periods
General Chemistry II Laboratory
Laboratory experience in support of CHM152. Prerequisites or Corequisites: A grade of "C" or better in CHM152.

CHM230 3 Credits, 3 Periods
Fundamental Organic Chemistry
Chemistry of representative groups of organic compounds, emphasizing biological applications. Prerequisites: (CHM130 and CHM130LL), or (CHM150 or CHM151 and CHM151LL). Completion of (CHM130 and CHM130LL) or (CHM150 or CHM151 and CHM151LL) within the last two years recommended.

CHM230LL 1 Credit, 3 Periods
Fundamental Organic Chemistry Laboratory
Laboratory experience in support of CHM230. Prerequisites: CHM130LL, or CHM151LL, or equivalent. Prerequisites or Corequisites: CHM230.

CHM235 3 Credits, 3 Periods
General Organic Chemistry I
Rigorous introduction to chemistry of carbon-containing compounds. Reaction mechanisms and recent methods of synthesis emphasized. Prerequisites: A grade of "C" or better in (CHM152 and CHM152LL), or CHM152AA, or (CHM154 and CHM154LL). Completion of prerequisites within the last two years recommended.

CHM235LL 1 Credit, 4 Periods
General Organic Chemistry I Laboratory
Laboratory experience in support of CHM235. Prerequisites or

Corequisites: A grade of "C" or better in CHM235. Completion of prerequisites within the last two years recommended.

CHM236 3 Credits, 3 Periods
General Organic Chemistry IIA
Study of chemistry of carbon-containing compounds continued. Structural determination and additional reaction mechanisms and modern methods of synthesis emphasized. Prerequisites: A grade of "C" or better in CHM235 and CHM235LL. Completion of prerequisites within the last two years recommended.

CHM236LL 1 Credit, 4 Periods
General Organic Chemistry IIA Laboratory
Laboratory experience in support of CHM236. Prerequisites or Corequisites: A grade of "C" or better in CHM236. Completion of prerequisites within the last two years recommended.

CHM260 3 Credits, 3 Periods
Fundamental Biochemistry
Structures, properties, and functions of proteins, enzymes, nucleic acids, carbohydrates and lipids; the utilization and synthesis of these materials by living systems and the relationship of the processes to energy production and utilization. Designed for students in agriculture, dental hygiene, home economics, nursing, and physical therapy. Prerequisites: A grade of "C" or better in (CHM230 and CHM230LL) or (CHM235 and CHM235LL). Completion of prerequisites within the last two years recommended.

CHM260LL 1 Credit, 3 Periods
Fundamental Biochemistry Laboratory
Laboratory experience in support of CHM260. Prerequisites or Corequisites: A grade of "C" or better in CHM260. Completion of prerequisites within the last two years recommended.

CHM296WA, WB, WC 1, 2, 3 Credits
Cooperative Education 5, 10, 15 Periods
Work-college experiences that involve the combined efforts of educators and employers to accomplish an outcome related to the career objectives of the students. Prerequisites: Completion of at least twelve (12) college credits, minimum 2.6 grade point average, and be able to obtain a position related to student's academic or career goals (student's present job may qualify); or permission of instructor. Corequisites: Must be concurrently enrolled in at least one class which is related to student's major or career interest or with permission of the instructor.

Child & Family Studies

Division: Social Science
Chair: Dr. Stephanie Bjork
Phone: 602.787.7291

CFS101AH 1 Credit, 1 Period
Art Activities For The Young Child
The creative use of art media and techniques at appropriate developmental levels. Prerequisites: None.

CFS123 1 Credit, 1 Period
Health And Nutrition In Early Childhood Settings
Creating and maintaining healthy environments and practices in programs serving young children. Emphasis on assessing the child's health status, nutrition and food service, communicable disease recognition, transmission, and prevention, infection control, regulations and regulatory agencies, current topics, resources, and innovative practices. Prerequisites: None.

CFS101AH 1 Credit, 1 Period
Art Activities For The Young Child
The creative use of art media and techniques at appropriate developmental levels. Prerequisites: None.

CFS123 1 Credit, 1 Period
Health And Nutrition In Early Childhood Settings
Creating and maintaining healthy environments and practices in programs serving young children. Emphasis on assessing the child's health status, nutrition and food service, communicable disease recognition, transmission, and prevention, infection control, regulations and regulatory agencies, current topics, resources, and innovative practices. Prerequisites: None.

CFS125 1 Credit, 1 Period
Safety In Early Childhood Settings
Fundamental concepts of promoting a safe, but challenging learning environments. Establishing and maintaining safety procedures in the early childhood setting. Emphasis on indoor and outdoor equipment and activities, risk analysis, accident, evacuation, and emergency plans, regulations, regulatory agencies and resources, current topics, and innovative practices. Prerequisites: None.

CFS157 3 Credits, 3 Periods
Marriage And Family Life
Study of marriage and the family as a social system, including models of family analysis, intra and interpersonal relations, and cross cultural and historical patterns. Prerequisites: None.

CFS176 3 Credits, 3 Periods
Child Development
Study of the science of human development from conception through adolescence. Includes observation skills, parent and adult roles in the lives of children, and contemporary issues. Prerequisites: None.

CFS177 3 Credits, 3 Periods
Parent-Child Interaction
Positive methods to strengthen relationships and resolve conflicts with children. Focus on effective interpersonal skills and guidance techniques. Prerequisites: None.

CFS209 3 Credits, 3 Periods
Child and Family Organizations: Project Management
Focuses on concepts and strategies associated with effective project management in community-based child and family organizations. Emphasis on planning, evaluation and project management model. Prerequisites: None.

CFS235 3 Credits, 3 Periods
Developing Child: Theory into Practice, Prenatal Age 8
Understanding and working with young children, birth through age 8. Analysis of young children's physical, social, emotional, cognitive and linguistic development within their home, school, and cultural contexts. Typical and atypical development. Implications for teachers and parents. Emphasis on observations and planning curriculum based on theories, research, and child specific data. Prerequisites: None.

CFS282 1 Credit, 1 Period
Mainstreaming The Young Child With a Disability
An exploration of the educational, social, and behavioral issues and concerns involved in the successful integration of children with disabilities into typical preschool classes. Includes discussion of practical concerns such as adaptation of environment and accessing existing resources in the community. Prerequisites: None.

CFS285AA 1 Credit, 1 Period
Family School Interaction: Preschool
Interaction among parents, teachers and the preschool. Emphasis on methods used cooperatively by parents and preschool teachers to provide for education and developmental needs. Prerequisites: CFS/ECH176 or CFS278 or permission of Instructor.

Communication

Division: Communication & Humanities
Chair: Dr. David Rubi
Phone: 602.787.6578

COM100 3 Credits, 3 Periods
Introduction to Human Communication
Theory and practice of communication skills in public, small group, and interpersonal settings. Includes study of the speech communication process. Prerequisites: None.

COM101 1 Credit, 1 Period
Interpersonal Communication in the Workplace
Elements and functions of communication; perception of self and others; verbal and nonverbal communication; listening skills; effective verbal responses; communicating ideas and feelings; role of communication in relationships with others. Prerequisites: None.

COM110 3 Credits, 3 Periods
Interpersonal Communication
Theory and practice of communication skills which affect day-to-day interactions with other persons. Topics may include using verbal and nonverbal symbols, interactive listening, resolving interpersonal conflict, developing and maintaining personal and professional relationships. Prerequisites: None.

COM177 3 Credits, 3 Periods
Experiential Group Activities Facilitation
Communication skills, tools, and strategies used to lead experiential learning activities. Designed to enhance the student's ability to facilitate experiential group learning activities. Prerequisites: None.

COM207 3 Credits, 3 Periods
Introduction to Communication Inquiry
Overview of theory and methodological practice in communication with particular attention to scholarly writing skills. Emphasis on development of critical thinking skills through active participation in the research process. Prerequisites: ENG101 or ENG107 or equivalent, and COM100 or equivalent, or permission of Instructor.

COM225 3 Credits, 3 Periods
Public Speaking
Designed to enhance the student's ability to present public speeches confidently and competently. Also designed to improve information literacy and critical thinking skills. Prerequisites: ENG101, or ENG107, or equivalent.

COM230 3 Credits, 3 Periods
Small Group Communication
Principles and processes of small groups and development of skills for participation and leadership in small group settings. Practice in problem solving, decision making, and information sharing. Prerequisites: None.

COM263 3 Credits, 3 Periods
Elements of Intercultural Communication
Basic concepts, principles, and skills for improving oral communication between persons from different minority, racial, ethnic, and cultural backgrounds. Prerequisites: None.

COM271 3 Credits, 3 Periods
Voice and Diction
Exercises and techniques to free the voice and improve projection, resonance, and articulation. Covers international phonetic alphabet and standard stage speech. Prerequisites: None

COM282AC 3 Credits, 3 Periods
Service-Learning Experience in Communication
Unpaid Service-Learning (SL) experience, completed with approved community partner. Prerequisites: Permission of Instructor.

Computer Information Systems

Division: Business/Information Technology
Chair: Dr. Dina Preston-Ortiz & Sean Petty
Phone: 602.787.6728 & 602.787.6658

CIS100 0.5 Credits, 0.5 Periods
Internet: A Tool for Learning
Use of the Internet to promote learning. Focus on Internet services and access. Information provided on browsing, Internet addresses, naming conventions, search concepts and techniques, using bookmarks and capturing information. Prerequisites: None.

CIS102 1 Credit, 1 Period
Interpersonal And Customer Service Skills For It Professionals
Examines behaviors necessary to develop and support an effective client service organization. Focuses on methods of increasing the effectiveness of help desk professionals when responding to a range of customer conditions. Prerequisites: None.

CIS105 3 Credits, 4 Periods
Survey of Computer Information Systems

Overview of computer technology, concepts, terminology, and the role of computers in business and society. Discussion of social and ethical issues related to computers. Use of word processing, spreadsheet, database, and presentation software. Includes uses of application software and the Internet for efficient and effective problem solving. Exploration of relevant emerging technologies. Prerequisites: None.

CIS113DE 3 Credits, 4 Periods
Microsoft Word: Word Processing
Using word processing software to create, name and manage files, edit text, format, apply themes and styles, create and modify tables, apply desktop publishing features, and print a variety of types of documents. Prerequisites: None.

CIS114AE 1 Credit, 2 Periods
Excel: Level I
Computer spreadsheet skills for solving business problems using Excel, including calculations, forecasting, and projections. Prerequisites: None.

CIS114DE 3 Credits, 5 Periods
Excel Spreadsheet
Computer spreadsheet skills for solving business problems using Excel, including calculations, forecasting, projections, macro programming, database searching, extraction, linking, statistics, and matrix manipulation. Production of graphs and reports. Project design using multiple, integrated spreadsheets. Prerequisites: None.

CIS117DM 3 Credits, 4 Periods
Microsoft Access: Database Management
Introduction to the basic elements, exploration of additional components and common database management problems related to the Microsoft Access program. Prerequisites: None.

an appropriate programming language. Prerequisites: CIS105 or permission of Instructor.

CIS120DC Adobe Animate: Digital Animation
Focuses on entry-level skill expectations for digital animation using Adobe Animate. Covers basic animation techniques used in the creation, manipulation, and editing of animation graphics. Helps students prepare for the Adobe certifications related to Adobe Animate. Prerequisites: None.

CIS151 3 Credits, 4 Periods
Computer Game Development -Level I
Introduction to object-oriented game development, game design, and game theory. Use of computer software to demonstrate and teach concepts using an appropriate game development platform to model real-time simulations and create computer games using object oriented tools. Introduction to developing PC games, educational software, and training software using windows based object oriented developments tools. Prerequisites: CIS105 or permission of Instructor.

CIS120DF 3.0 Credits, 4 Periods
Adobe Photoshop Level I: Digital Imaging
Focuses on entry-level skill expectations for digital imaging using Adobe Photoshop. Helps students prepare for the Adobe Certifications related to Photoshop. Prerequisites: None.

CIS159 3 Credits, 4 Period
Visual Basic Programming I
Use of the Visual Basic programming language to solve problems using suitable examples from business or other disciplines. Prerequisites: CIS105 or permission of instructor.

CIS121AB 1 Credit, 2 Periods
Microsoft Command Line Operations
Use of the Microsoft command line interface: basic concepts, internal and external commands, subdirectories, and editor. Prerequisites: None.

CIS162AC 3 Credits, 4 Period
Visual C++: Level I
Beginning C programming. Includes features needed to construct programs, functions, pointers, input and output options, data types, structures, and unions, and disk file operations. Prerequisites: CIS105, or permission of instructor.

CIS121AE 1 Credit, 2 Periods
Windows Operating System: Level I
Specific topics include Windows basics, navigating and customizing the desktop, maintaining hardware and software, improving performance, configurations, securing your computer, taskbar, organizing, searching and managing folders and files, installing and uninstalling applications, Internet Explorer fine tuning, security, and searching, including advanced search techniques, keyboard shortcuts, and current topics. Prerequisites: None.

CIS162AD 3 Credits, 4 Periods
C#: Level I
Introduction to C# programming including general concepts, program design, development, data types, operators, expressions, flow control, functions, classes, input and output operations, debugging, structured programming, and object oriented programming. Prerequisites: CIS105 or permission of Instructor.

CIS126DL 3 Credits, 4 Periods
Linux Operating System
Introduction to the Linux Operating system. Develop knowledge and skills required to install, configure and troubleshoot a Linux based workstation including basic network functions. Learn basic command line and Graphical User Interface (GUI) desktop environment utilities and applications. Fundamental abilities to achieve the entry level industry certification covered. Prerequisites: None.

CIS163AA 3 Credits, 4 Periods
Java Programming: Level I
Introduction to Java programming. Includes features needed to construct Java Applets, Java Applications, control structures, methods, arrays, character and string manipulation, graphics, and object oriented programming. Prerequisites: CIS105 or permission of Instructor.

CIS131AA 1 Credit, 1 Period
Doing Business on the Internet
Overview of different ways businesses are taking advantage of and using the Internet. Includes how companies are selling items and services over the Internet; techniques used to expand customer contacts; marketing strategies; availability of government and financial information; future potential and disadvantages; using the Internet for customer service; establishing a World Wide Web site. Some previous computer experience preferred. Prerequisites: None.

CIS166 3 Credits, 4 Periods
Web Scripting/Programming
Software development for Web sites, including client-side script and Common Gateway Interface (CGI) scripting. Covers Web-based transaction processing and use of databases in conjunction with the Web. Includes security issues. Prerequisites: CIS133CA or CIS133DA or permission of instructor.

CIS133DA 3 Credits, 4 Periods
Internet/Web Development Level I
Overview of the Internet/WWW and its resources. Hands on experience with various Internet/WWW communication, resource discovery, and information retrieval tools. Web page development also included. Prerequisites: None.

CIS190 3 Credits, 4 Periods
Introduction To Local Area Networks
Overview of local area networks. Emphasis on the elements of a local area network, current issues and products, and use of a local area network. Includes terminology, hardware and software components, connectivity, resource monitoring and sharing, electronic mail and messaging, and security issues. Prerequisites: CIS105 or permission of Instructor.

CIS150AB 3 Credits, 4 Periods
Object Oriented Programming Fundamentals
Structured and Object Oriented design and logic tools. Use of computer problems to demonstrate and teach concepts using

CIS224 3 Credits, 4 Periods
Project Management Microsoft Project for Windows

Introduction to project management concepts while working with MS Project to solve complex project management networks, including creating Gantt and PERT charts, tracking project progress, planning for restrictions, and integrating MS Project with other software packages such as Excel, Word, Powerpoint, and cc Mail. Prerequisites: None

CIS233DA 3 Credits, 4 Periods
Internet/Web Development Level II
 Design and create pages on the World Wide Web with a variety of markup languages, programming languages, scripts, and multimedia. Hands on experience authoring and preparing sophisticated web documents. Exploration of best practices/issues for web design and publishing and careers in web development and e-commerce. Prerequisites: CIS133CA, or CIS133DA, or permission of the Instructor.

CIS234 3 Credits, 4 Period
XML Application Development
 The use of Extensible Markup Language (XML) to make documents smarter, simplify Web automation, and to communicate between databases, both within and between corporations. Includes techniques for XML generation, data extraction and sharing, and transformation and managing of XML file . Prerequisites: BPC/CIS133CA or BPC/CIS133DA or permission of Instructor.

CIS235 3 Credits, 4 Period
e-Commerce
 Introduction to Electronic Commerce on the Internet. Designing an electronic storefront including web page content and development, e-commerce site marketing, advertisement, legal and security considerations, credit card and other debit transaction covered. Also includes current issues in e-commerce. Prerequisites: CIS133CA, or CIS133DA, or permission of instructor.

CIS250 3 Credits, 4 Periods
Management Of Information Systems
 The study of business information systems and its management, communication, e business strategies, emerging technologies, database concepts, and project management. Overview of systems analysis and design. Learn about the competitive and strategic uses of information systems and how they are transforming organizations and their management. Prerequisites: CIS105.

CIS262AC 3 Credits, 4 Periods
Visual C++: Level II
 Advanced-level C programming. Programming with emphasis on data management, dynamic allocation, varied memory models, interfacing with the operating system, efficiency, and advanced debugging techniques. Prerequisites: CIS162AC, or permission of instructor.

CIS262AD 3 Credits, 4 Periods
C# Level II
 Advanced C# programming with emphasis on data structures, dynamic memory allocation, object-oriented programming, user interfaces, and database processing. Overview of web applications, network programming, and reporting tools. Prerequisites: CIS162AD or permission of Instructor

CIS263AA 3 Credits, 4 Periods

Java Programming: Level II
 Intermediate Java programming. Includes features needed to construct object-oriented programming, multithreading, multimedia, files, streams and data structure. Prerequisites: CIS163AA or permission of Instructor.

CIS270 3 Credits, 4 Periods
Essentials of Network and Information Security
 Threats to security of information systems; responsibilities and basic tools for information security, including communication security, infrastructure security, organizational security and basic cryptography. Introduction to the language of network security and hardware, software and firmware components of an information security system for local, metropolitan, enterprise, and wide area networks. Helps prepare participants for the Comptia Security+ exam and the GIAC Security Essentials Certificate (GSEC). Prerequisites: CNT150 or any MST150 course or permission of Instructor.

CIS290AA 1 Credit, 6 Periods
CIS290AB 2 Credits, 12 Periods
CIS290AC 3 Credits, 18 Periods
Computer Information Systems Internship
 Work experience in business or industry. Prerequisites: Permission of Instructor.

CIS296WA 1 Credit, 5 Periods
CIS296WB 2 Credits, 10 Periods
CIS296WC 3 Credits, 15 Periods
CIS296WD 4 Credits, 20 Periods

Cooperative Education
 Work-college experiences that involve the combined efforts of educators and employers to accomplish an outcome related to the career objectives of the students. Prerequisites: Completion of at least twelve (12) college credits, minimum 2.6 grade point average, and be able to obtain a position related to student's academic or career goals (student's present job may qualify); or permission of instructor. Corequisites: Must be concurrently enrolled in at least one class which is related to student's major or career interest or with permission of the instructor.

CIS298AA 1 Credits, 1 Periods
CIS298AB 2 Credits, 2 Periods

Special Projects
 Organized and tailored around the interests and needs of the individual student. Structured to provide an atmosphere of individualized research and study paralleled by professional expertise and guidance. Professional type facilities and equipment available for student use. Allows the best aspects of independent study and individualized learning to be combined to maximize student development. Prerequisites: Permission of Program Director or Instructor.

Computer Science

Division: Math & Computer Science
 Chair: Mr. Gary Kellgren
 Phone: 602.787.7132

CSC110AA 3 Credits, 4 Periods
 Introduction to Computer Science (Java)
 Concepts of problem-solving, structured and object-oriented programming in Java, fundamental algorithms and techniques and computer system concepts. Social and ethical responsibilities. Intended for Computer Science and Computer Systems Engineering Majors. Prerequisites: A grade of C or better in MAT120, or MAT121, or MAT122.

CSC110AB 4 Credits, 4 Periods
 Introduction to Computer Science (Java)
 Concepts of problem-solving, structured and object-oriented programming in Java, fundamental algorithms and techniques and computer system concepts. Social and ethical responsibilities. Intended for Computer Science and Computer Systems Engineering Majors. Prerequisites: A grade of C or better in MAT120 or MAT121 or MAT122.

Counseling & Personal Development

Division: Counseling & Personal Development
 Chair: Dr. James Rubin
 Phone: 602.787.6540

CPD102AB 2 Credits, 2 Periods
 Career Exploration
 Designed to assist students make informed career decisions. Focuses on current occupational trends and outlook. Explores career-related interests, values, needs, preferences, skills, and strengths with the use of various assessments. Aids in the development of individualized educational/career goals and action plan. Prerequisites: None.

CPD102AD 2 Credits, 2 Periods
 Eliminating Self Defeating Behavior
 Designed to help students change behaviors that work against their potential, i.e., inferior feelings, shyness, nervousness, stage fright, under achievement etc. Focus on identifying undesirable thoughts, emotions and behaviors, for the purpose of developing alternative, and more desirable thoughts, emotions and behaviors. Prerequisites: None.

CPD102AH 2 Credits, 2 Periods
 Stress Management
 Reviews the sources of stress, the physiological effects and the psychological impact of stress on the individual. Provides strategies to reduce stress. Prerequisites: None.

CPD102AU 1 Credit, 1 Period
 Introduction to Meditation: Vipassana Practice
 Introduction to the practice of Vipassana (Insight) Meditation. Focus on the history, benefits and methodology of Vipassana meditation. Special emphasis on establishing a formal and informal meditation practice. Prerequisites: None.

CPD103BA 2 Credits, 2 Periods
 Women In Transition
 Designed to assist and support women who are experiencing

life transitions. Emphasis on assessing self potential, increasing self confidence, managing life change, and exploring education/career/life options in terms of the realities of roles for women today. Prerequisites: None.

CPD150 3 Credits, 3 Periods
 Strategies For College Success
 Focus on increasing student success through college orientation and personal growth, study skills development, and educational and career planning. Prerequisites: None.

CPD150AB 1 Credit, 1 Period
 Study Skills Development
 Emphasis on increasing student success through the use of study strategies including materials organization, note-taking, reading, test-taking, memory, and critical and creative thinking. Prerequisites: None

CPD150AC 1 Credit, 1 Period
 Educational and Career Planning
 Emphasis on increasing student success through educational and career planning. Prerequisites: None.

CPD150 3 Credits, 3 Periods
 Introduction to Multiculturalism
 Examination of the multiple cultures and subcultures within the contemporary United States. Personal exploration of awareness and appreciation of multiculturalism. Activities for experiencing diverse cultural perspectives. Critical thinking skills for recognizing, analyzing, and mediating cultural and psychological factors impacting conflict and accord between diverse cultures through written and oral discourse. Prerequisites: ENG101, or ENG107, or permission of instructor.

CPD250 3 Credits, 4 Periods
 Peer Mentor Training
 Development and application of beginning skills and knowledge required to establish and maintain effective peer helping relationships in a college setting. Focus on the role, function, and responsibilities of the peer mentor; verbal and nonverbal communication skills; problem solving; and strategies and resources for first-year student success. Includes on-campus service-learning component. Prerequisites: Completion of 24 credit hours (100-level or above) with a "B" grade point average or better, and permission of instructor.

Creative Writing

Division: English
 Chair: Ms. Renee Cornell
 Phone: 602.787.6566

CRW150 3 Credits, 3 Periods
 Introduction to Creative Writing
 Introduces the student to elements and techniques of creative writing in a variety of genres; teaches terminology and concepts needed for successful participation in writing workshops; facilitates writing practice and evaluation; offers individual guidance on the student's development as a writer. Prerequisites: None.

CRW160 3 Credits, 3 Periods
 Introduction to Writing Poetry

Prewriting (invention and discovery); writing; analyzing and evaluating (in workshop); and revising to practice manipulating various elements of poetry, critique one's own and the poetry of others, and produce a portfolio of finished, marketable poems. Prerequisites: None. CRW150 recommended but not required.

CRW170 3 Credits, 3 Periods
Introduction to Writing Fiction
Practice in writing fiction through a process of prewriting (invention and discovery), writing, analysis and evaluation (in workshop), and revision; practice in manipulating various elements and forms of fiction. Prerequisites: None. CRW150 recommended but not required.

CRW180 3 Credits, 3 Periods
Introduction to Writing Nonfiction
Practice in writing creative nonfiction, including autobiography and biography, the essay, reviews, and humor using a process of invention and discovery, writing, analysis, evaluation, and revision. Combines lecture, discussion, and workshop, leading to the production of marketable quality creative nonfiction. Prerequisites: None. CRW150 recommended but not required.

CRW190 3 Credits, 3 Periods
Introduction to Screenwriting
Overview of screenwriting elements; introduction to screenwriting techniques CRW150 recommended but not required. Prerequisites: None. CRW150 recommended but not required.

CRW200 1 Credit, 1 Period
Readings for Writers
Close analysis and interpretation of selected literary texts designed to strengthen the students' own writing by extending their familiarity with the genre in which they write and their knowledge of selected literary elements. One-on-one meetings between student and instructor. Prerequisites: CRW150, or permission of Instructor.

CRW201 1 Credit, 1 Period
Portfolio
Close analysis of the creative writing portfolio culminating in selection, revision, editing, and compiling of the student's own literary work in a portfolio. Students meet individually with instructor to choose, prepare, and compile their work. Prerequisites: (Acceptance into Creative Writing Certificate Program and completion of at least nine (9) credit hours in creative writing (CRW)), or permission of Program Director.

CRW251 3 Credits, 3 Periods
Topics in Creative Writing
Analysis, writing, and revision focused on a selected element applicable to all genres of creative writing. Prerequisites: None. CRW150 recommended.

CRW260 3 Credits, 3 Periods
Intermediate Poetry Writing
Emphasis on writing a series of original poems; analysis and

evaluation of the functions and effects of established works of poetry; concentration on evaluation and revising students' poetry through intensive workshops. Prerequisites: A grade of C or better in CRW160 or permission of Instructor.

CRW270 3 Credits, 3 Periods
Intermediate Fiction Writing
Writing original short stories; analysis of works of fiction; concentration on revising students' fiction through intensive workshoping. Prerequisites: CRW170.

CRW298AC 3 Credits, 3 Periods
Special Projects
Organized and tailored around the interests and needs of the individual student. Structured to provide an atmosphere of individualized research and study paralleled by professional expertise and guidance. Professional-type facilities and equipment are made available for student use. Allows the best aspects of independent study and individualized learning to be combined to maximize student development. Prerequisites: Permission of Program Director or Instructor.

Dance

Division: Health & Exercise Science
Chair: Ms. Lori Anonsen
Phone: 602.787.7295

DAN104AA 1 Credit, 3 Periods
Ballroom I
Theory and practice of Ballroom dance at the beginning level. Development of movement quality and performance skills. Prerequisites: None.

DAN104AB 1 Credit, 3 Periods
Ballroom II
Theory and practice of Ballroom dance at the advanced beginning level. Development of movement quality and performance skills. Prerequisites: DAN104AA or permission of Instructor.

DAN105AA 1 Credit, 3 Periods
Swing I
Theory and practice of Swing dance at the beginning level. Development of movement quality and performance skills. Prerequisites: None.

DAN106AA 1 Credit, 3 Periods
Latin I
Theory and practice of Latin dance at the beginning level. Development of movement quality and performance skills. Prerequisites: None.

DAN106AB 1 Credit, 3 Periods
Latin II
Theory and practice of Latin dance at the advanced beginning level. Development of movement quality and performance skills. Prerequisites: DAN106AA or permission of Instructor.

DAN108AA 1 Credit, 3 Periods
Tango I

Theory and practice of Tango dance at the beginning level. Development of movement quality and performance skills. Prerequisites: None.		Dance Production I Introduction to the elements of light, sound, and scenery as they relate to the art of dance. Prerequisites: None.	
DAN131 Ballet I Introduction to the theory and practice of ballet at the beginning level. Development of movement quality and performance skills. Prerequisites: None.	1 Credit, 3 Periods	DAN221 Rhythmic Awareness I Exploration of rhythm in dance performance, choreography and pedagogy. Emphasis on the basic understanding of rhythm and cultivating awareness of rhythm in everyday life. Prerequisites: None.	3 Credits, 3 Periods
DAN132 Modern Dance I Introduction to the theory and practice of modern dance at the beginning level. Development of movement quality and performance skills. Prerequisites: None.	1 Credit, 3 Periods	DAN231 Ballet III Theory and practice of ballet at the beginning intermediate level. Development of movement quality and performance skills. Prerequisites: DAN134 or permission of Instructor.	1 Credit, 3 Periods
DAN133 Jazz Dance I I Introduction to the theory and practice of jazz dance at the beginning level. Development of movement quality and performance skills. Prerequisites: None.	1 Credit, 3 Periods	DAN232 Modern Dance III Theory and practice of modern dance at the beginning intermediate level. Development of movement quality and performance skills. Prerequisites: DAN135 or permission of instructor.	1 Credit, 3 Periods
DAN134 Ballet II Theory and practice of ballet at the advanced beginning level. Development of movement quality and performance skills. Prerequisites: DAN131 or permission of Instructor.	1 Credit, 3 Periods	DAN233 Jazz Dance III Theory and practice of modern jazz dance at the beginning intermediate level. Development of movement quality and performance skills. Prerequisites: DAN136 or permission of instructor.	1 Credit, 3 Periods
DAN135 Modern Dance II Theory and practice of modern dance at the advanced beginning level. Development of movement quality and performance skills. Prerequisites: DAN132 or permission of Instructor.	1 Credit, 3 Periods	DAN234 Ballet IV Theory and practice of ballet at the intermediate level. Development of movement quality and performance skills. Prerequisites: DAN231 or permission of Instructor.	1 Credit, 3 Periods
DAN136 Jazz Dance II Theory and practice of jazz dance at the advanced beginning level. Development of movement quality and performance skills.. Prerequisites: DAN133 or permission of instructor.	1 Credit, 3 Periods	DAN235 Modern Dance IV Theory and practice of modern dance at the intermediate level. Development of movement quality and performance skills. Prerequisites: DAN232 or permission of Instructor.	1 Credit, 3 Periods
DAN150 Dance Performance I An introduction to the process and practice of dance performance. Prerequisites: None. Corequisites: Any level of any of the following dance technique courses with a DAN prefix: ballet, modern, jazz, hip hop, tap, social, or world dance.	1 Credit, 3 Periods	DAN236 Jazz Dance IV Theory and practice of modern jazz dance at the intermediate level. Development of movement quality and performance skills. Prerequisites: DAN233 or permission of Instructor.	1 Credit, 3 Periods
DAN155 Dance Performance II Continued study of the process and practice of dance performance at advanced beginning level. Prerequisites: DAN150 or permission of Instructor. Corequisites: Any level of any of the following dance technique courses with a DAN prefix: ballet, modern, jazz, hip hop, tap, social, or world dance.	1 Credit, 3 Periods	DAN264 Choreography I Study of basic dance choreography to include construction of a phrase, structure and form in a composition, and the basic elements of time, space and energy. Prerequisites: None.	3 Credits, 3 Periods
DAN164 Improvisation An introduction to and an exploration of basic improvisational dance skills. Prerequisites: None.	1 Credit, 3 Periods	DAN265 Choreography II Exploration of the craft of choreography at the intermediate level. Experimentation with the various approaches to contemporary choreography as established by 20th century artists. Prerequisites: DAN264 or permission of instructor.	3 Credits, 3 Periods
DAN210	3 Credits, 3 Periods	DAN280	2 Credits, 6 Periods

Dance Practicum

A culmination of coursework for the dance major requiring completion of an extended choreographic work from conception to performance. Also requires a final evaluative paper on the successes and challenges encountered throughout the project. Prerequisites: Permission of Instructor.

DAN298AA 1 Credit, 1 Period

DAN298AC 3 Credit, 3 Period

Special Projects

Organized and tailored around the interests and needs of the individual student. Structured to provide an atmosphere of individualized research and study paralleled by professional expertise and guidance. Professional type facilities and equipment available for student use. Allows the best aspects of independent study and individualized learning to be combined to maximize student development. Prerequisites: Permission of Program Director or Instructor.

Dance Humanities

Division: Fine & Performing Arts

Chair: Dr. Christopher Scinto

Phone: 602.787.6686

DAH100 3 Credits, 3 Periods

Introduction to Dance

Overview of the field of dance focusing on origins, historical development, and cultural characteristics of the various styles of dance. Prerequisites: None.

Early Childhood Education

Division: Social Science

Chair: Dr. Stephanie Bjork

Phone: 602.787.7291

ECH141 1 Credit, 1 Period

Explore the Fundamentals of the Reggio Emilia Approach Investigation and critically examination of the integral elements of the organization and philosophy of the Reggio Emilia approach to early childhood education. Prerequisites: None.

ECH269 1 Credit, 1 Period

Child Care Seminar

Emphasizes the blend of job-related activities including career exploration, employment procedures, human relations, and on-the-job issues. May be repeated for a total of three (3) credit hours. Prerequisites: Departmental approval.

ECH270 1 Credit, 1 Period

Observing Young Children

Introduction to techniques of observing young children. Recording methods, interpretation and use of collected information including legal and ethical implications. Prerequisites: None.

ECH271 1 Credit, 1 Period

Arranging the Environment

Exploration of the influence of the environment on the behavior of young children. Indoor and outdoor spaces considered and analysis of environments practiced. Prerequisites: None.

ECH273 1 Credit, 1 Period

Math For The Young Child

Methods and techniques for encouraging the beginnings of mathematical/logical thought with young children. Focus upon the theory of Jean Piaget. Prerequisites: None.

ECH275 1 Credit, 1 Period

Literacy Development And The Young Child

Literacy from birth through the early childhood years. Focus on developmentally appropriate ways to encourage speaking, listening, writing, and reading in the home and classroom. Prerequisites: None.

ECH279 1 Credit, 1 Period

Early Childhood Curriculum Development

An intensive focus on the process of building curriculum units appropriate to the developmental needs and abilities of the young child. Design, use and evaluation of materials and activities. May be repeated for a total of four (4) credits. Prerequisites: None.

ECH281 1 Credit, 1 Period

Movement/Music For The Young Child

Consideration of motor development in the toddler through the 8 year old and exploration of age appropriate rhythmic, musical and creative movement methods. Prerequisites: None.

ECH282 1 Credit, 1 Period

Discipline/Guidance Of Child Groups

Exploration of techniques for guiding children in groups with focus on individual child and adult needs for a disciplined environment. Prerequisites: None.

ECH284AB 3 Credits, 3 Periods

Early Childhood Teaching Internship

Work experience in child care centers. 80 hours of designated work per credit. Maximum of 6 credits allowed. Prerequisites: CFS/ECH176 and permission of Department or Division. Corequisites: CFS/ECH269.

ECH287 1 Credit, 1 Period

Professional Development in Early Childhood Education

Emerging professionalism within the field of early childhood education. Consideration of job responsibilities, rewards, ethics and current issues facing practitioners. Includes assessment and career planning. Prerequisites: None.

ECH298AA 1 Credit, 1 Period

Special Projects

Organized and tailored around the interests and needs of the individual student. Structured to provide an atmosphere of individualized research and study paralleled by professional expertise and guidance. Professional-type facilities and equipment available for student use. Allows the best aspects of independent study and individualized learning to be combined to maximize student development. Prerequisites: Permission of Program

Director or Instructor.

Early Education

Division: Social Science
Chair: Dr. Stephanie Bjork
Phone: 602.787.7291

EED200 3 Credits, 3 Periods
Foundations of Early Childhood Education
Overview of early childhood education (birth to age eight) in American society, including current issues and responsibilities. Emphasis on issues of professionalism, ethics and program types. Opportunities for students to explore potential career paths. Prerequisites: None.

EED220 3 Credits, 3 Periods
Child, Family, Community and Culture
Examines family, community and cultural influences on development of the young child (birth to age eight). Considers trends and threats to attachment, relationships and cultural identity. Includes social and emotional experiences and their impact on the developing brain. Prerequisites: None.

Economics

Division: Business/Information Technology
Chair: Mr. Sean Petty
Phone: 602.787.6658

It is recommended that students enroll in either ECN211 or ECN212 after completing the math course(s) required by the student's major (if any). If you are only taking one economics class, it is recommended that you take ECN211 Macroeconomic Principles.

ECN211 3 Credits, 3 Periods
Macroeconomic Principles
A descriptive analysis of the structure and functioning of the American economy. Emphasis on basic economic institutions and factors that determine national income and employment levels. Consideration given to the macroeconomic topics of national income, unemployment, inflation and monetary and fiscal policies. Prerequisites: None.

ECN212 3 Credits, 3 Periods
Microeconomic Principles
Microeconomic analysis including the theory of consumer choice, price determination, resource allocation and income distribution. Includes non competitive market structures such as monopoly and oligopoly; and the effects of government regulation. Prerequisites: None.

Education

Division: Social Science
Chair: Dr. Stephanie Bjork
Phone: 602.787.7291

EDU220 3 Credits, 3 Periods
Introduction to Serving English Language Learners (ELL)
Rationale for and current educational and legal issues for serving

English Language Learners (ELL). Comparison and evaluation of various types of language educational models including Structured English Immersion (SEI), English as a Second Language (ESL) and bilingual/Dual Language Immersion (DLI). Includes SEI, ESL, and bilingual/DLI strategies. Prerequisites: None. Notes: Approved school-based practicum is required. EDU220 incorporates the 45-clock hour curricular framework for SEI endorsement through the Arizona Department of Education.

EDU221 3 Credits, 3 Periods
Introduction To Education
Overview of the historical, political, economic, social, and philosophical factors that influence education and make it so complex. Opportunity for students to assess their interest and suitability for teaching. Prerequisites: None. Notes: EDU221 requires a minimum of 30 hours of field experience in elementary or secondary classroom environments.

EDU222 3 Credits, 3 Periods
Introduction To The Exceptional Learner
Overview of the exceptional learner with emphasis on factors relating to current practices, identification, characteristics, and educational adaptations. Issues related to mild disabilities, severe disabilities, emotional and behavioral disorders, intellectual disabilities, and students who are gifted. Prerequisites: None.

EDU230 3 Credits, 3 Periods
Cultural Diversity In Education
Examination of the relationship of cultural values to the formation of self concept and learning styles. Examination of the role of prejudice, stereotyping and cultural incompatibilities in education. Emphasis on teacher preparation (preservice and/or inservice) to offer an equal educational opportunity to students of all cultural groups. Prerequisites: None.

EDU250 3 Credits, 3 Periods
Teaching and Learning in the Community College
The history, functions, organization and current issues in the community/junior college with emphasis on the Arizona community colleges. Includes focus on the design and practice of effective community college teaching and learning with special emphasis on the Maricopa County Community College District. Prerequisites: None.

EDU291 3 Credits, 3 Periods
Children's Literature
Review of folk and modern literature from a variety of world cultures, including application of literary criteria to folk and modern literature for children. Prerequisites: None.

EDU292 3 Credits, 3 Periods
The Art of Storytelling
Explore the art and origin of storytelling. Provide a variety of storytelling techniques, styles and exercises to enhance the delivery of telling stories. Assist in the integration and application of storytelling to the learning environment in the classroom. Prerequisites: None.

EDU294 3 Credits, 3 Periods
Multicultural Folktales
Study of multicultural folktales, exploring the impact of the oral tradition in American society and showing classroom applications.

Prerequisites: None.

EDU298AA
Special Projects

1 Credit, 1 Period

Organized and tailored around the interests and needs of the individual student. Structured to provide an atmosphere of individualized research and study paralleled by professional expertise and guidance. Professional-type facilities and equipment available for student use. Allows the best aspects of independent study and individualized learning to be combined to maximize student development. Prerequisites: Permission of Program Director or Instructor.

Emergency Medical Technology

Division: Health & Exercise Science
Chair: Ms. Lori Anonsen
Phone: 602.787.7295

EMT101 0.5 Credits, 0.45 Periods
Basic Life Support/Cardiopulmonary Resuscitation (CPR)
for Health Care Providers

Designed to provide the allied healthcare provider with the knowledge and skills to perform Basic Life Support (BLS) according to current guidelines for emergency cardiovascular care (ECC). Prerequisites: None.

EMT104 9.0 Credits, 11.4 Periods
Emergency Medical Technology

Techniques of emergency medical care in accordance with national and state curriculum. Study of the human body, patient assessment, treatment of medically or traumatically compromised patients, special hazards, and medical operations, IV monitoring, patient-assisted medication administration, automated external defibrillators (AEDs), and blood-glucose monitoring. Prerequisites: EMT101 or a current validation in Basic Life Support (BLS) Health Care Provider/Professional Rescuer and (appropriate score on Reading placement test to demonstrate minimum tenth grade level reading or completion of an Associate's degree or higher from an accredited institution).

EMT104AB 0.5 Credits, 0.5 Periods
Applied Practical Studies for Emergency Medical Technology

Simulation of actual emergency responses, with practical application of techniques and skills covered in EMT curricula. Scenario based learning applied to the techniques of emergency medical care in accordance with national and state curriculum. Practical application of anatomy, physiology, patient assessment, and treatment of medically or traumatically compromised patients, special hazards and medical operations. Also includes patient-assisted medication administration, semi-automatic external defibrillator and blood glucose monitoring. Students function in outside, scenario based environment. Prerequisites: None. Corequisites: EMT/FSC104, or EMT200, or (EMT272AA, EMT272AB, and EMT272LL), or EMT273, or certified EMT Basic, IEMT, or Paramedic in the State of Arizona, or permission of Instructor.

EMT200 2 Credits, 2.7 Periods
Refresher Course for Certified Emergency Medical Technicians
Designed to meet National and Arizona Department of Health Services (A-DHS) recertification for EMTs. Enhances the knowledge base of the Emergency Medical Technician (EMT) and reinforces basic skills competencies. Prerequisites: Current validation in Basic Life Support (BLS) Health Care Provider/Professional Rescuer or permission of Instructor.

EMT235 3 Credits, 3 Periods
Basic ECG Rhythm Analysis and Interpretation
in the Emergency Setting
Designed to provide the allied healthcare provider with basic skills in analysis and interpretation of sinus, atrial, junctional and ventricular rhythms from electrocardiographs (ECG) in the emergency setting. Also addresses heart block and electronically paced rhythms. Prerequisites: Current basic life support (BLS) healthcare provider/professional rescuer card and (EMT/FSC104 or permission of Instructor).

EMT236 3 Credits, 3 Periods
Pharmacology in an Emergency Setting
Designed for the allied healthcare provider to integrate knowledge of pharmacology and pharmacologic agents to formulate a management plan in the emergency setting. Includes principles of pharmacology, pharmacokinetics, pharmacodynamics, physiology of pharmacology, calculating medication dosages, and medication profile. Requisites: Prerequisites: Current basic life support (BLS) healthcare provider/professional rescuer card and (EMT/FSC104 or permission of Instructor). MAT082 or higher suggested but not required. MAT082 or equivalency suggested but not required.

EMT240 Lec/Lab: 2 Credits, 4 Periods
Advanced Cardiac Life Support (ACLS)
Designed for the allied healthcare provider who initiates, directs, or participates in the management of cardiopulmonary arrest and other cardiovascular emergencies. Provides the allied healthcare provider with the knowledge and skills to recognize and manage cardiopulmonary arrest, acute arrhythmia, stroke, and Acute Coronary Syndromes (ACS) according to current advanced Emergency Cardiovascular Care (ECC) guidelines. Requires prior knowledge of basic electrocardiograph rhythm interpretation, pharmacologic agents, and other interventions used in Advanced Cardiac Life Support (ACLS). Prerequisites: Current Basic Life Support (BLS) healthcare provider/professional rescuer card and (EMT235 and EMT236, or permission of Instructor).

EMT242 1 Credit, 2 Periods
Pediatric Advanced Life Support (PALS)
Designed for the allied healthcare provider who initiates, directs, or participates in the management of an infant or child in respiratory compromise, circulatory compromise, or cardiopulmonary arrest according to current CPR and Emergency Cardiovascular Care (ECC) guidelines. Requires prior knowledge of basic electrocardiograph rhythm interpretation, pharmacologic agents, and other interventions used in Pediatric Advanced Life Support (PALS). Prerequisites: Current Basic Life Support (BLS) healthcare

provider/professional rescuer card and (EMT235 and EMT236, or permission of Instructor).

EMT245 Lec/Lab: 2 Credits, 3.5 Periods

Trauma Management I

Designed to instruct prehospital care personnel in the critical skills necessary to manage the trauma victim and the emergency scene through the Incident Command System (ICS). Enhances basic emergency medical technology (EMT) skills by focusing on emergency care interventions. Provides exposure to victim assessment, initial treatment, resuscitative techniques, victim stabilization, transportation of the victim to an emergency care facility, and documentation. Prerequisites: Basic EMT certification or nurse with emergency room experience, or permission of department.

EMT255AE 1 Credit, 1 Period

Basic and Advanced Level Skills for the Emergency Medical Services Instructor/Examiner

Designed to provide an overview of the roles and responsibilities of the Emergency Medical Services (EMS) instructor and examiner in basic and advanced level psychomotor skills instruction and evaluation. Includes instructional strategies and methodologies, benchmarks for psychomotor skill evaluation, and management of basic and advanced level psychomotor skills settings. Prerequisites: (Arizona Department of Health Services [A-DHS] certification as an EMT or Paramedic, or Arizona registered nurse, physician, or physician assistant), or permission of Instructor.

EMT258 3 Credits, 3 Periods

Victimology and Crisis Management

Victimology, the criminal justice system, techniques of crisis intervention, and the importance of a multicultural and global perspective. Includes sexual assault, family violence, post-traumatic stress disorder, the role of substance abuse, effective coping skills, appropriate community resources and the responsiveness of the justice system. Prerequisites: None.

EMT272AA 12.5 Credits, 17.37 Periods

Advanced Emergency Medical Technology

Designed to provide the emergency medical technician with advanced knowledge about the acute critical differences in physiology, pathophysiology, and clinical symptoms, as they pertain to prehospital emergency care. Emphasis on developing diagnostic and advanced emergency treatment skills necessary to care for the acutely ill and seriously injured. Prerequisites: [Valid Arizona EMT certification and (MAT090 or higher, or a satisfactory score on the ASSET, or COMPASS, or Accuplacer placement exam), (ENG101 or ENG107), EMT235, and EMT236], or permission of Program Director. Comprehensive written, oral and practical evaluation on all EMT272AA prerequisite courses.

EMT272AB 12.5 Credits, 17.38 Periods

Advanced Emergency Medical Technology

Designed to provide the emergency medical technician with advanced knowledge about the acute critical differences in physiology, pathophysiology, and clinical symptoms, as they pertain to prehospital emergency care. Emphasis on developing diagnostic and advanced emergency treatment skills necessary

to care for the acutely ill and seriously injured. Prerequisites: Valid Arizona EMT certification and EMT272AA. Comprehensive written, oral and practical evaluation on EMT272AA.

EMT272LL LAB: 7.5 Credits, 37.5 Periods

Advanced Emergency Medical Technology Practicum

Clinical and vehicular practicum using diagnostic and advanced emergency medical treatment skills learned in the classroom. Emphasis on hands-on application of skills to real-life scenarios involving acute illness and serious injuries. Prerequisites or Corequisites: EMT272AA and EMT272AB.

Engineering Science

Division: Science
Department: Physical Sciences
Chair: Dr. Scott Massey
Phone: 602.787.6644

ECE102 2 Credits, 4 Periods

Engineering Analysis Tools and Techniques

Learning culture of engineering, engineering use of computer tools, and computer modeling as applied to engineering analysis and design. Prerequisites: Two years of high school algebra or MAT122 or permission of Department or Division. Corequisites: MAT151 or MAT182 or MAT187.

ECE103 2 Credits, 4 Periods

Engineering Problem Solving and Design

Fundamentals of the design process: engineering modeling, communication and problem-solving skills in a team environment. Emphasis on process-based improvements to the design process. Introduction to engineering as a profession. Prerequisites: (ECE102 or ECE102AA) and (high school physics or PHY111 or PHY111AA).

English

Division: English
Chair: Ms. Renee Cornell
Phone: 602.787.6566

ENG100AC 1 Credit, 1 Period

The Mechanics of Written English

Review of the mechanics of written English, including punctuation, arbitrary marks and usages, capitalization, agreement, tense, and sentence patterns. Prerequisites: Appropriate English placement test score, or a grade of C or better in ENG091 or ESL097, or permission of Instructor.

ENG101 3 Credits, 3 Periods

First-Year Composition

Emphasis on rhetoric and composition with a focus on expository writing and understanding writing as a process. Establishing effective college-level writing strategies through four or more writing projects comprising at least 3,000 words in total. Prerequisites: Appropriate writing placement test score, or a grade of C or better in ENG091 or ESL097.

ENG102 3 Credits, 3 Periods

First-Year Composition

Emphasis on rhetoric and composition with a focus on persuasive, research-based writing and understanding writing as a process. Developing advanced college-level writing strategies through three or more writing projects comprising at least 4,000 words in total. Prerequisites: Grade of C or better in ENG101.

ENG107 3 Credits, 3 Periods

First-Year Composition for ESL

Description: Equivalent of ENG 101 for students of English as a Second Language (ESL). Emphasis on rhetoric and composition with a focus on expository writing and understanding writing as a process. Establishing effective college-level writing strategies through four or more writing projects comprising at least 3,000 words in total. Prerequisites: Appropriate writing placement test score, or a grade of C or better in ENG091 or ESL097.

ENG108 3 Credits, 3 Periods

First-Year Composition for ESL

Equivalent of ENG102 for students of English as a Second Language (ESL). Emphasis on rhetoric and composition with a focus on persuasive, research-based writing and understanding writing as a process. Developing advanced college-level writing strategies through three or more writing projects comprising at least 4,000 words in total. Prerequisites: Grade of C or better in ENG107.

ENG111 3 Credits, 3 Periods

Technical and Professional Writing

Covers analyzing, planning, organizing, researching, and writing correspondence, reports, and presentations for specific work related audiences. Includes integrating data and graphics into work related documents and presentations. Prerequisites: ENG101 with a grade of C, or better, or permission of Instructor.

English as a Second Language

Division: English
Chair: Ms. Renee Cornell
Phone: 602.787.6566

ESL 020 3 credits, 3 periods

English as a Second Language II: Grammar

Second level of English as a Second Language (ESL). Continued emphasis on conversational skills, pronunciation, vocabulary building and grammar with some reading and sentence level writing. Requisites: Prerequisites: Appropriate ESL placement test score or a grade of P or C or better in ESL010. Course Notes: ESL020 may be repeated for a total of six (6) credit hours. Credit (P) or no credit (Z). Standard grading available according to procedures outlined in catalog.

ESL 021 3 credits, 3 periods

English as a Second Language II: Listening and Speaking

Emphasis on listening and speaking skills involving social exchange. Asking and answering questions, using tag questions. Practice with question and answer patterns. Polite questions and responses. Requisites: Prerequisites: Appropriate ESL placement test score, or a grade of C or better in ESL010 or ESL011 or ESL012 or RDG010. Course Notes: ESL021 may be repeated for a total of six (6) credit hours

ESL 022 3 credits, 3 periods

ESL II: Writing with Oral Practice

Emphasis on basic writing skills, accompanied by recitation of short writings. Sentence patterns and introduction of paragraph writing. Requisites: Appropriate ESL course placement score or a grade of C or better in ESL012 or permission of Instructor Course Notes: ESL022 may be repeated for a total of six (6) credit hours

ESL030 3 credits, 3 periods

English as a Second Language III: Grammar

Third level of English as a Second Language (ESL). Emphasis on sentence structure and paragraph building. Extensive grammar study and writing practice. Requisites: Prerequisites: Appropriate ESL placement test score or a grade of P or C or better in ESL020. Course Notes: ESL030 may be repeated for a total of six (6) credit hours. Credit (P) or no credit (Z). Standard grading available according to procedures outlined in catalog.

ESL031 3 credits, 3 periods

English as a Second Language III: Listening and Speaking

Emphasis on listening and speaking skills related primarily to the academic environment. Asking questions, working in small groups, using college resources, informal oral presentation. Requisites: Prerequisites: Appropriate ESL placement test score, or a grade of C or better in ESL020 or ESL021 or ESL022 or RDG020. Course Notes: ESL031 may be repeated for a total of six (6) credit hours

ESL032 3 credits, 3 periods

ESL III: Writing with Oral Practice

Emphasis on complex sentence patterns in writing and speech. Introduction to the prewriting and writing process in a college setting. Requisites: Appropriate ESL course placement score or a grade of C or better in ESL022 or permission of Instructor Course Notes: ESL032 may be repeated for a total of six (6) credit hours

ESL040 3 credits, 3 Periods

English as a Second Language IV: Grammar

Fourth-level of English as a Second Language (ESL). Continued emphasis on sentence structure and paragraph building. Extensive grammar study and writing practice. Requisites: Prerequisites: Appropriate ESL placement test score or a grade of P or C or better in ESL030. Course Notes: ESL040 may be repeated for a total of six (6) credit hours. Credit (P) or no credit (Z). Standard grading available according to procedures outlined in catalog.

ESL041 3 credits, 3 Periods

English as a Second Language IV: Listening and Speaking

Emphasis on academic skills. Listening to lectures, note-taking, peer interaction, accessing and using media resources, formal oral presentations. Requisites: Prerequisites: Appropriate ESL placement test score, or a grade of C or better in ESL030 or ESL031 or ESL032 or RDG030. Course Notes: ESL041 may be repeated for a total of six (6) credit hours

ESL042 3 credits, 3 Periods

ESL IV: Writing with Oral Practice

Emphasis on paragraph writing and oral recitation of complex sentences and paragraphs. Introduction to the prewriting and writing process for short essays.

Requisites: Appropriate ESL course placement score or a grade of C or better in ESL032 or permission of Instructor Course Notes: ESL042 may be repeated for a total of six (6) credit hours

ESL046 3 credits, 3 Periods
Reading English as a Second Language IV
Developed for students of English as a second language. Development of advanced vocabulary, comprehension skills, and culture awareness. Requisites: Appropriate ESL placement test score, or grade of "C" or better in ESL/RDG036, or permission of Instructor.

ENG107 3 Credits, 3 Periods
First-Year Composition for ESL
Description: Equivalent of ENG 101 for students of English as a Second Language (ESL). Emphasis on rhetoric and composition with a focus on expository writing and understanding writing as a process. Establishing effective college-level writing strategies through four or more writing projects comprising at least 3,000 words in total. Prerequisites: Appropriate writing placement test score, or a grade of C or better in ENG091 or ESL097.

ENG108 3 Credits, 3 Periods
First-Year Composition for ESL
Equivalent of ENG102 for students of English as a Second Language (ESL). Emphasis on rhetoric and composition with a focus on persuasive, research-based writing and understanding writing as a process. Developing advanced college-level writing strategies through three or more writing projects comprising at least 4,000 words in total. Prerequisites: Grade of C or better in ENG107.

English Humanities

Division: English
Chair: Ms. Renee Cornell
Phone: 602.787.6566

ENH110 3 Credits, 3 Periods
Introduction to Literature
Introduction to international literature through various forms of literary expression; e.g., poetry, drama, essay, biography, autobiography, short story, and novel. Provides a global overview of literature with special emphasis on diverse cultural contributions of women, African Americans, Asian Americans, Hispanic Americans, and Native Americans. Prerequisites: None.

ENH111 3 Credits, 3 Periods
Literature and the American Experience
Introduction to the foundations and diversity of American culture through a survey of its literature, including minority and women writers. Exploration of various facets of American culture including frontier, regional, rural, and urban life; ethnic, racial, and immigrant experience; and political and social philosophies. Requisites: None

ENH120 3 Credits, 3 Periods
The Literature of Science Fiction
Surveys the last one hundred and fifty years of Science Fiction literature. Investigates the similarities between Science Fiction and other imaginative literatures. Examines the Science Fiction genre, sub genres, and themes from a variety of perspectives, as well as social issues. Requisites: None

ENH140AA 3 Credits, 3 Periods
Sports in Literature and Film
Explores how sports are and have been represented in narrative

literature and film, using examples from a range of U.S. media. Investigates the ways in which narrative representation engages changing cultural and historical contexts, and shapes of how field of human endeavor are perceived. Focus on analysis of narratives' form and content, and the construction of meaning. Prerequisites: Appropriate reading placement test score and eligibility for ENG101 as indicated by appropriate writing placement test score

ENH245 3 Credits, 3 Periods
J.R.R. Tolkien and C.S. Lewis: Battling Modernism
Focuses on the writings, language, themes, influences and vision of J.R.R. Tolkien and C.S. Lewis in contrast to the ideas and literature of the Modernist movement. Prerequisites: None.

ENH251 3 Credits, 3 Periods
Mythology
Deals with the myths and legends of civilizations with the greatest influence upon the development of the literature and culture of the English speaking people, and compares those myths with myths from other cultures. Prerequisites: None.

ENH254 3 Credits, 3 Periods
Literature and Film
Presents works of literature and their film versions and analyzes distinguishing techniques of each medium. Prerequisites: ENG101, or ENG107, or equivalent.

ENH280 3 Credits, 3 Periods
Topics in American Literature
Exploration of selected topic(s) in American Literature. Focuses on a theme, genre, era, technique, or critical approach. Includes reading and interpretation of literature from a variety of cultures within the United States. Prerequisites: (ENG101 or ENG107) or permission of Instructor.

ENH285 3 Credits, 3 Periods
Contemporary Women Writers
Explores twentieth century literature (short stories, essays, plays, and poetry) written by women and about women. Focus on themes relevant to women's lives regardless of age, creed, or ethnic background. Requisites: None.

ENH294 3 Credits, 3 Periods
Multicultural Folktales
Study of multicultural folktales, exploring the impact of the oral tradition in American society and showing classroom applications Prerequisites: None

ENH295 3 Credits, 3 Periods
Banned Books and Censorship
History, motivations, and effects of censorship in a democratic society. Censorship and book banning as a method of silencing diverse voices. Critical analysis of banned or challenged literature for children and adults. Prerequisites: None.

Entrepreneurial Studies

Division: Business/Information Technology
Chair: Mr. Sean Petty
Phone: 602.787.6658

EPS150 3 Credits, 3 Periods

Overview of entrepreneurship. Includes the entrepreneurial process and the skills required to be successful, including starting, planning, financing, marketing, and managing a business. Prerequisites: None.

EPS160 2 Credits, 2 Periods
New Venture Creation
Process of starting a new venture including evaluating specific business opportunities identifying financing alternatives, and defining start-up issues. Prerequisites: None.

EPS195 2 Credits, 2 Periods
Business Start-Up and Planning
Development of a feasibility approach to strategic decision making concerning new venture start-up. Includes development of a business feasibility study and a preliminary business plan. Prerequisites: None.

Exercise Science

Division: Health & Exercise Science
Chair: Ms. Lori Anonsen
Phone: 602.787.7295

EXS101 3 Credits, 3 Periods
Introduction to Exercise Science
Introductory course that will provide the student with a general overview of the disciplines, professions and research areas associated with the field of Exercise Science. Basic history, philosophy, theory, educational pathways and career options will be examined. Prerequisites: None.

EXS112 3 Credits, 3 Periods
Professional Applications Of Fitness Principles
Basic principles of fitness for the prospective fitness professional. Planning and teaching in a fitness program. Topics include exercise risks and safety, weight control, components of fitness, fitness assessment, and exercise programming. Prerequisites: None.

EXS125 3 Credits, 3 Periods
Introduction to Exercise Physiology
Principles of exercise science applied to teaching fitness/activities. Major factors related to the function of the human body. Emphasis on anatomy/physiology, exercise physiology, and biomechanics. Prerequisites: None. BIO160 recommended but not required.

EXS130 3 Credits, 3 Periods
Strength Fitness-Physiological Principles and Training Techniques
Principles and techniques of strength training including strength physiology, performance factors, training recommendations, exercise techniques, and program design and management. Prerequisites: None.

EXS132 2 Credits, 2 Periods
Cardiovascular Fitness: Physiological Principles and Training Techniques
Covers principles and techniques of aerobic training and the application of these to the development of aerobic training programs. Includes instructional techniques and safety, and

stresses injury prevention. Prerequisites: None.

EXS214 2 Credits, 3 Periods
Instructional Competency: Flexibility and Mind-Body Exercises
Fundamental methods of instructing and leading fitness activities including flexibility activities. Core competencies identified by professional certification agencies. Prerequisites: None.

EXS216 2 Credits, 3 Periods
Instructional Competency: Muscular Strength and Conditioning
Fundamental methods of instructing and leading fitness activities including strength and conditioning activities. Core competencies identified by professional certification agencies. Prerequisites: None.

EXS218 2 Credits, 3 Periods
Instructional Competency: Cardiorespiratory Exercises and Activities
Fundamental methods of instructing and leading fitness activities including cardiorespiratory exercises and activities. Core competencies identified by professional certification agencies. Prerequisites: None.

EXS239 3 Credits, 5.4 Periods
Practical Applications of Personal Training Skills and Techniques Internship
Work experience in a fitness or health related facility. Eighty (80) hours of designated work per credit. Prerequisites: Completion of nine (9) credits of EXS courses required for the (AAS in Exercise Science and Personal Training, or CCL in Personal Training Specialist, or CCL in Personal Trainer), current CPR card, and permission of Department or Division.

EXS239AA 1 Credit, 1.8 Periods
EXS239AB 2 Credits, 3.6 Periods
Practical Applications of Personal Training Skills and Techniques Internship
Work experience in a fitness or health related facility. Eighty (80) hours of designated work per credit. Prerequisites: Completion of nine (9) credits of EXS courses required for the (AAS in Exercise Science and Personal Training, or CCL in Personal Training Specialist, or CCL in Personal Trainer), current CPR card, and permission of Department or Division.

EXS290 3 Credits, 3 Periods
Introduction to Evidence-Based Practice
Introduction to best practices in the acquisition, analysis, synthesis, and potential application of research in the discipline of exercise science. Specific emphasis on the application of research-based evidence for applied problem solving in exercise science. Prerequisites: EXS101 and (ENG101 or ENG107), or permission of Instructor.

Fire Science

Division: Health & Exercise Science
Chair: Ms. Lori Anonson

Phone: 602.787.7295

FSC101 3 Credits, 4 Periods
Intro To Fire Service Selection

Overview of the application and selection processes used by various fire departments and fire service organizations. Elements of fire service culture and their effects on personal growth and interpersonal relationships. Major components of written application processes, requirements, preparation of resumes and their effect on employment prospects. Preparation for the interview to include communications skills, mental preparation techniques, behaviors, and the importance of the interview in the pre-employment process. Preparation for on site experiences at a fire station. General components of the selection process, the importance of general education, and components of lifelong learning in career choices. Prerequisites: None.

FSC102 11 Credits, 19.60 Periods
Fire Department Operations

Introductory fire science course primarily designed for the fire department recruit. Includes firefighting skills, equipment, and administrative policies, fire department operations, personnel policies, and International Fire Service Accreditation Congress Practical Skills Testing. Prerequisites: (EMT/FSC104, FSC105, and FSC130), and permission of Instructor. Corequisites: FSC134.

FSC105 3 Credits, 3 Periods
Hazardous Materials/First Responder

Basic methods of recognition and identification based upon the chemical and physical properties of hazardous materials; basic safety procedures when utilizing specific types of protective clothing and equipment; basic tactical information relating to scene management. Confined space operations in accordance with the National Fire Protection Agency. Prerequisites: None.

FSC106 3 Credits, 3 Periods
Introduction To Fire Protection

History and evaluation of fire department organization. Role of the fire service in the community. Responsibilities of the fire administrator including organization, departmental functions, interdepartmental relationships, management of buildings and equipment; techniques of firefighting. Also includes emergency medical services and fire prevention. Prerequisites: None.

FSC108 3 Credits, 3 Periods
Fundamentals Of Fire Prevention

Fundamentals of fire prevention. Includes techniques, procedures, regulations, and enforcement. Also includes discussion of hazards in ordinary and special occupancies. Field trips and lectures from industry also included. Prerequisites: None.

FSC110 3 Credits, 3 Periods
Wildland Firefighter

Basic level course for individuals with little or no experience in the wildland environment. Preparation for performing as a beginning level wildland firefighter with an organized fire department engine or hand crew. Prerequisites: None.

FSC111 2 Credits, 2 Periods

Emergency Vehicle Driver Operator

Emergency vehicle operators training including the problems facing operators; the personal qualities of emergency vehicle operator candidates; legal responsibilities of operators; and physical forces involved in driving an emergency vehicle. Includes hands-on training in an emergency response vehicle. Prerequisites: None.

FSC113 3 Credits, 3 Periods
Introduction To Fire Suppression

Characteristics and behavior of fire, fire hazard properties of ordinary materials, extinguishing agents, fire suppression organization and equipment, basic firefighting tactics, and public relations as affected by fire suppression. Prerequisites: None.

FSC117 3 Credits, 3 Periods
Fire Apparatus

Principles of care, maintenance and operation of fire apparatus and pumps. Includes pump construction and accessories, pumping techniques, power development, and transmission. Driving, troubleshooting and producing effective fire streams. Prerequisites: None.

FSC118 3 Credits, 3 Periods
Fire Hydraulics

Review of basic mathematics. Hydraulic laws and formulas as applied to the fire service. Application of formulas and mental calculations to hydraulic problems, water supply variables, and discharge requirements for pumpers. Prerequisites: None.

FSC119 3 Credits, 3 Periods
Introduction Fire Service Ethics

Ethical issues, standards, and philosophical consideration of moral problems encountered in fire service. Ethical responsibility of fire service personnel and those they serve. Prerequisites: None.

FSC130 1 Credit, 1.50 Periods
Fitness For Firefighters/CPAT

Skills and abilities required for entry level position in the fire service including physical ability, and stamina. Opportunity to take the International Association of Fire Fighters (IAFF) Candidate Physical Ability Test (CPAT) at the end of the course. Prerequisites: None.

FSC131 3 Credits, 3 Periods
Introduction To Urban Technical Rescue

Practical application of safe rescue practices for urban technical rescue. Includes ropes and rope systems, trench rescue, confined space rescue, swiftwater rescue, and rescue from collapsed structures. Prerequisites: None.

FSC134 3 Credits, 4.60 Periods
Fitness And Conditioning For Firefighters

Overview of all aspects of fitness for current and prospective firefighters. Includes physical and mental aspects of performance for optimal achievement on fire department agility tests and firefighting tasks; individual conditioning strategies, nutritional guidelines, protective clothing concepts, and basic exercise principles. Pre-employment, evaluation, and lifelong fitness and conditioning. Prerequisites: None.

FSC139	3 Credits, 3 Periods	FSC258	3 Credits, 3 Periods
Emergency Response to Terrorism		Victimology and Crisis Management	
Fundamentals of emergency response to suspected terrorist events. Historical perspective of terrorist activities and methods by which responders can identify and protect themselves and the public from these threats. Coordination of responding agencies. Prerequisites: None.		Victimology, the criminal justice system, techniques of crisis intervention, and the importance of a multicultural and global perspective. Includes sexual assault, family violence, post-traumatic stress disorder, the role of substance abuse, effective coping skills, appropriate community resources and the responsiveness of the justice system. Prerequisites: None.	
FSC147	3 Credits, 3 Periods	FSC260	3 Credits, 3.6 Periods
Emergency Preparedness		Technical Rope Rescue (RR) 1, 2, 3	
Emergency preparedness related to natural and man-made disasters. Planning concepts and the planning process; awareness and education programs and strategies for the general community as well as business and industries. Requisites: None.		Concepts, techniques, and skills needed to support technical rope rescue. Meets Arizona Fire Marshal Office requirements for RR1, RR2, RR3 and National Fire Protection Association (NFPA) 1670 Operational Rope Rescue. Prerequisites: FSC131 or permission of Instructor.	
FSC148	3 Credits, 3 Periods	FSC261	3 Credits, 3.6 Periods
Fundamentals of Emergency Management		National Fire Protection Agency Rope Technician	
Emergency management systems including career opportunities, function, tasks and responsibilities of the emergency management program manager, role of the emergency manager in mitigation, preparedness, response, and recovery. Past civil defense and current emergency management systems since evolution from World War II. Requisites: None.		Advanced anchor construction, use of elevated anchor points on difficult edges, horizontal rope systems, and study of force multipliers commonly experienced during high angle rope rescue. Meets the certification requirements for the NFPA (National Fire Protection Agency) 1670 for Operational Rope Rescue and NFPA 1006 for Technical Rescue Rope Technician. Prerequisites: FSC260 or (the Office of the Arizona State Fire Marshal's Ropes 1, 2, and 3 class), or permission of Instructor.	
FSC202	3 Credits, 3 Periods	FSC282AC	3 Credits, 3 Periods
Supervisory Training For Firefighters		Volunteerism For Fire Science: A Service Learning Experience	
Administrative methods applied to the fire service, departmental organization, and personnel management. Includes fire alarm signaling systems, fire service planning, and relationships with other city departments. Prerequisites: None.		Service learning field experience within human service organization/agency. May be repeated for a total of six (6) FSC282 credit hours; may not repeat specific agency assignment for more than three (3) credit hours. Standard grading available according to procedures outlined in catalog. Prerequisites: Permission of Instructor.	
FSC204	3 Credits, 3 Periods	FSC296WC	3 Credits, 15 Periods
Firefighting Tactics And Strategy		Cooperative Education	
Methods of coordinating personnel, equipment, and apparatus on the fireground. Practical methods of controlling and extinguishing structural and other types of fires. Includes simulation exercises. Prerequisites: FSC113, or permission of Instructor, or equivalent.		Work college experiences that involve the combined efforts of educators and employers to accomplish an outcome related to the career objectives of the students. Prerequisites: Completed at least 12 credits, min 2.6 GPA & able to obtain a position related to student's academic/career goals or permission of Instructor. Coreq: Enrolled in at least 1 class related to major/career interest or permission of Instructor.	
FSC208	3 Credits, 3 Periods	FSC298AA	1 Credit, 1 Period
Firefighter Safety And Building Construction		FSC298AB	2 Credits, 2 Periods
Actions necessary to provide for the safety of firefighters operating on the fireground. Effects that fire and heat may have on various types of building construction resulting in the loss of structural integrity. Includes signs and symptoms of structural damage. Prerequisites: FSC113, or permission of Instructor, or equivalent.		FSC298AC	3 Credits, 3 Periods
FSC238	2 Credits, 2 Periods	Special Projects	
Vehicular Extrication and Patient Stabilization		Organized and tailored around the interests and needs of the individual student. Structured to provide an atmosphere of individualized research and study paralleled by professional expertise and guidance. Professional type facilities and equipment available for student use. Allows the best aspects of independent study and individualized learning to be combined to maximize	
Participative course designed for the Emergency Medical Technicians (EMT). Incorporates new knowledge and skills necessary to access, extricate, and care for victims of crash incidents. Provides exposure to scene management, including size-up, disentanglement, victim stabilization for single and multi-victim situations, hazardous materials incidents, integration of local emergency medical services (EMS) for patient assessment and management, and standard operating procedures to selected victim scenarios. Prerequisites: Basic EMT certification, current enrollment in an EMT-Basic program, nurse with emergency department experience, or law enforcement personnel, or permission of instructor.			

student development. Prerequisites: Permission of Program Director or Instructor.

Food & Nutrition

Division: Health & Exercise Science
Chair: Ms. Lori Anonsen
Phone: 602.787.7295

FON100 3 Credits, 3 Periods
Introductory Nutrition
Basic nutrition concepts for health and fitness. Emphasizes current dietary recommendations for maximizing well-being and minimizing risk of chronic disease. Focuses on use of tables, food guides, and guidelines for making healthy food choices. Includes unique nutrition needs for selected stages of the lifecycle, methods for evaluating credibility of nutrition claims, principles of vegetarian nutrition, safe and economic use of supplements, principles of energy balance, basic elements of food safety, diet for exercise and sports, and personal dietary evaluation techniques. Not for pre-dietetics or selected other pre-professional majors. May not be taken for credit if credit has been earned in FON100AA and/or FON100AC. Prerequisites: None.

FON104 1 Credit, 1 Period
Certification in Food Service, Safety & Sanitation
Preparation for and certification in a national food sanitation and safety program. Emphasis on food from purchasing, receiving, and storing to preparation, holding, and serving. Focuses on safe and sanitary food service facilities and equipment, employee habits and personal hygiene, and role of management in safety and sanitation. Includes time-temperature principles, food borne illnesses, pest control, accident prevention, standards for cleaning and sanitizing, and regional regulations and standards. Prerequisites: None.

FON125 1 Credit, 1 Period
Introduction to Professions in Nutrition and Dietetics
Overview and discussion of career opportunities in the fields of food, nutrition, and dietetics. Includes information about history, ethics, standards of practice, communication and counseling skills. Emphasis on how to become a Registered Dietitian Nutritionist or a Dietetic Technician Registered. Prerequisites: None.

FON135 3 Credits, 4 Periods
Sustainable Cooking
Basic cooking techniques for healthful and enjoyable eating. Emphasis on strategies for maximizing the use of whole, local, and nutrient-dense food while focusing on applying the dietary recommendations for optimal health to food choices. Opportunities to learn about sustainable food living and identifying resources that enable people to be more in control of their food supply. Prerequisites: None. Course Notes: Laboratory component involves hands-on experience in the college teaching or commercial kitchen and garden (or similar teaching or commercial food operation).

FON142AB 3 Credits, 5 Periods
Applied Food Principles
Exploration and applications of scientific principles involved in food preparation; experiences with basic cooking methods; emphasis on the rationale of cooking techniques. Prerequisites: None.

FON143 3 Credits, 3 Periods
Food and Culture

Understanding diet in the context of culture. Historical, religious, and sociocultural influences on the development of cuisine, meal patterns, eating customs, cooking methods, and nutritional status of various ethnic groups. Traditional and contemporary food habits. Health and social impact of changes in diet. Preparation and serving of foods from many cultures. Prerequisites: None.

FON207 3 Credits, 3 Periods
Introduction to Nutrition Services Management
Principles, knowledge, and techniques required for effective nutrition services management. Includes nutrition service issues in relation to health care trends, leadership skills, management theories and styles, food service manager responsibilities, and laws which pertain to nutrition service operations. Prerequisites: MAT092 or equivalent, or satisfactory score on district placement exam.

FON210 3 Credits, 3 Periods
Sports Nutrition and Supplements for Physical Activity
Principles of nutrition applied to fitness, exercise, and sports. Dietary fundamentals as applied to body fuels, hydration, and other unique needs for exercise and sports. Includes dietary guidelines for weight or endurance training, glycogen loading, the pre-game meal, and glycogen recovery. Emphasis on maximizing fitness, performance, and safety. Discussion of supplements and their effects on metabolic enhancement. Discussion of anabolic, catabolic, and energy-producing agents. Addresses current supplements on the market. Prerequisites: FON100AA, or FON100, or equivalent, or permission of instructor.

FON225 3 Credits, 3 Periods
Research in Complementary & Alternative Nutrition Therapies
Introduction to basic research methods and statistics as applied to complementary and alternative nutrition therapies. Emphasis on the analysis and interpretation of health-related research. Prerequisites: MAT092 or equivalent, or satisfactory score on district placement exam.

FON241 3 Credits, 3 Periods
Principles of Human Nutrition
Scientific principles of human nutrition. Emphasis on scientific literacy and the study of nutrients for disease prevention. Includes micro and macro nutrients, human nutrient metabolism and nutrition's role in the health of the human body throughout the life cycle. Addresses nutrition principles for prevention of nutrition-related health conditions. Prerequisites: None.

FON241LL 1 Credit, 3 Periods
Principles of Human Nutrition Laboratory
Self-evaluative laboratory experience to complement FON241, Principles of Human Nutrition using anthropometric, biochemical, and dietary analysis. Includes the use of qualitative and quantitative methodology to determine nutritional status and evaluate methodological applications. Prerequisites or Corequisites: FON241.

FON242 3 Credits, 3 Periods
Introduction to Medical Nutrition Therapy
Introduction to fundamental principles of medical nutrition therapy. Emphasis on development and analysis of diets that fit an individual's personal and therapeutic needs. Includes strategies to

promote dietary adherence and the development of educational programs for a diverse adult population. Prerequisites: FON241.

FON244AA 2 Credits, 2 Periods
Practicum I: Food Service Management Lecture
Classroom preparation and training, under the instruction and supervision of a registered dietitian. Application of principles, knowledge, and skills required in the delivery of nutrition services for food service management including food service operations, quantity food production, procurement, organizing and management principles, facility design and equipment, financial management, food safety and sanitation, menu planning, and marketing. Prerequisites: FON104, FON125, FON142AB, FON207 and FON242. Corequisite: FON244AB.

FON244AB Lab: 2.5 credits, 10 periods
Practicum I: Food Service Management Lab
Practicum experience under the supervision of a registered dietitian. Application of principles, knowledge, and skills required in the delivery of nutrition services for food service management including food service operations, quantity food production, procurement, organizing and management principles, facility design and equipment, financial management, food safety and sanitation, menu planning, and marketing. Prerequisites: FON104, FON125, FON142AB, FON207 and FON242. Corequisite: FON244AA. Course Notes: Competencies in the lecture (FON244AA) met prior to their application in supervised practice settings during the practicum lab (FON244AB).

FON245AA 2 Credits, 2 Periods
Practicum II: Medical Nutrition Therapy
Classroom preparation and training, under the instruction and supervision of a registered dietitian. Understanding of principles, knowledge, and skills required for the delivery of medical nutrition therapy. Comprehension of nutritional screening, assessment, monitoring, and evaluation for common and complex medical conditions, medical documentation, patient interviewing and counseling, and education in health promotion and disease prevention. Prerequisites: FON125, FON242, HCC145AA, and MAT092 or equivalent, or satisfactory score on district placement exam. Corequisites: FON245AB.

FON245AB Lab: 2.5 credits, 10 periods
Practicum II: Medical Nutrition Therapy Lab
Practicum experience under the supervision of a registered dietitian. Application of principles, knowledge, and skills required for the delivery of medical nutrition therapy. Perform nutritional screening, assessment, monitoring, and evaluation for common and complex medical conditions, medical documentation, patient interviewing and counseling, and education in health promotion and disease prevention. Prerequisites: FON125, FON242, HCC145AA, and MAT092 or equivalent, or satisfactory score on district placement exam. Corequisite: FON245AA.

FON246AA Lecture: 2 Credits, 2 Periods
Practicum III: Community Nutrition Lecture
Classroom preparation and training, under the instruction of a registered dietitian. Understanding of principles, knowledge and skills required in the delivery of nutrition services in community-based agencies, outpatient health care settings, and social service agencies. Includes knowledge and understanding of nutrition intervention and wellness promotion for individuals and groups

across the lifespan, i.e. infants through geriatrics with a diversity of cultural, religious and social backgrounds. Prerequisites: FON125 and FON242. Co-requisites: FON246AB.

FON246AB Lab: 2 Credits, 10 Periods
Practicum III: Community Nutrition Lab
Practicum experience under the supervision of a registered dietitian. Application of principles, knowledge and skills required in the delivery of nutrition services in community-based agencies, outpatient health care settings, and social service agencies. Includes nutrition intervention and wellness promotion for individuals and groups across the lifespan, i.e. infants through geriatrics with a diversity of cultural, religious and social backgrounds. Prerequisites: FON125 and FON242. Co-requisites: FON246AA. Competencies in the lecture (FON246AA) met prior to their application in supervised practice settings during the practicum lab (FON246AB).

FON247 3 Credits, 3 Periods
Weight Management Science
The comprehensive study of obesity as a disease of modern society due to multiple determinants. Use of evidence-based data and methods to assess and manage weight in various settings. Use of client-centered counseling strategies, including behavior change theories. Focus on discovering successful healthful long-term weight management strategies. Prerequisites: FON100 or FON241 or permission of Instructor.

Forensic Science

Division: Social Science
Chair: Dr. Stephanie Bjork
Phone: 602.787.6689

FOR105 Lec: 4 Credits, 3 Periods
Forensic Science: Physical Evidence Lab: 0 Credits, 3 Periods
Scientific analysis and examination of physical evidence for forensic purposes. Covers finger prints, shoe prints, tool marks, glass, soil and mineral evidence, firearms identification, paint chips, and arson and explosive evidence. Includes the history of forensic science, functions of the crime lab and criminalist career specialties. Prerequisites: None.

FOR106 Lec: 4 Credits, 3 Periods
Forensic Science: Biological Evidence Lab: 0 Credits, 3 Periods
Scientific analysis and examination of biological evidence for forensic purposes. Covers blood, bloodstains, other biological fluid and stains, hair, DNA, toxicological evidence, controlled substances and alcohol. Includes the history of forensic science, functions of the crime lab, and criminalist career specialties. Prerequisites: None.

FOR275 4 Credits, 5 Periods
Forensic Anthropology
Survey of the role of forensic anthropologists, from the crime scene to the courtroom. Course focuses on how skeletal analysis can aid in medicolegal investigations, especially by identifying aspects of the life history of unknown individuals and by reconstructing events that took place at crime scenes. Covers both the legal aspects of forensic practice and the underlying biological basis for evidence obtained from skeletal remains. Examines applications of forensic

anthropology in mass disasters, human rights investigations, and the deciphering of historic cases. Lab activities designed to illustrate techniques and principles central to the discipline. Prerequisites: None.

Geography: Cultural

Division: Social Science
 Chair: Dr. Stephanie Bjork
 Phone: 602.787.7291

GCU121 3 Credits, 3 Periods
 World Geography I: Eastern Hemisphere
 Description and analysis of areal variations in social, economic, and political phenomena in major world regions. Emphasis on Europe, Russia, North Africa, and the Asian world. Prerequisites: None.

GCU122 3 Credits, 3 Periods
 World Geography I: Western Hemisphere
 Description and analysis of variations in social, economic, and political phenomena in major world regions. Emphasis on Sub-Saharan Africa, Latin America, and Anglo America. Prerequisites: None.

GCU221 3 Credits, 3 Periods
 Arizona Geography
 The historical to modern development of Arizona. The interplay between the physical, cultural and economic factors affecting Arizona today. Prerequisites: None.

Geography: Physical

Division: Social Science
 Chair: Dr. Stephanie Bjork
 Phone: 602.787.6689

GPH111 Lecture: 3 credits, 3 periods
 Introduction to Physical Geography Lecture
 Spatial and functional relationships among climates, landforms, soils, water, and plants. Prerequisites: None.

GPH112 Lecture: 3 credits, 3 periods
 Introduction to Physical Geography Lab
 Laboratory experience in support of GPH111. Prerequisites or Corequisites: GPH111.

GPH211 Lecture: 4 credits, 3 periods
 Landform Processes Lab: 0 credits, 3 periods
 Geographic characteristics of landforms and earth-surface processes emphasizing erosion, transportation, deposition and implications for human management of the environment. Prerequisites: ENG101 or ENG107 or equivalent.

GPH212 Lecture: 3 Credits, 3 Periods
 Introduction to Meteorology I
 Atmospheric processes and elements. General and local circulation,

heat exchange and atmospheric moisture. Prerequisites: None.

GPH213 Lecture: 3 Credits, 3 Periods
 Climate and Weather
 Study of atmospheric phenomena over periods of time measured in months, years or longer. Includes average weather conditions, infrequent and unusual types of weather, and the influence of weather on the cultural and human landscape. Prerequisites: None.

GPH214 1 Credit, 3 Periods
 Introduction to Meteorology Laboratory I
 Basic meteorological and climatological measurements. Prerequisites: None. Corequisites: GPH212.

GPH215 1 Credit, 3 Periods
 Climate and Weather Laboratory
 A mathematical, statistical, and spatial analysis of climatological phenomena. Prerequisites: None. Corequisites: GPH213

GPH298AA 1 Credit, 1 Period
 Special Projects
 Organized and tailored around the interests and needs of the individual student. Structured to provide an atmosphere of individualized research and study paralleled by professional expertise and guidance. Professional type facilities and equipment are available for student use. Allows the best aspects of independent study and individualized learning to be combined to maximize student development. Prerequisites: Permission of Program Director or instructor.

Geology

Division: Science
 Department: Physical Sciences
 Chair: Dr. Scott Massey
 Phone: 602.787.6644

GLG101 3 Credits, 3 Periods
 Introduction To Geology I - Physical Lecture
 A study of the kind and arrangement of materials composing the earth's crust and the geological processes at work on and within the earth's surface. Prerequisites: None.

GLG102 3 Credits, 3 Periods
 Introduction to Geology II - Historical Lecture
 Outlines the origin and history of the Earth with emphasis on North America—its dynamic, geographic, and climatic changes; animals and plants of the past; the evolution of life. Prerequisites: None.

GLG103 1 Credit, 3 Periods
 Introduction To Geology I - Physical Lab
 May accompany GLG101. Study of common rock forming minerals, rocks, and maps. Prerequisites: None.

GLG104 1 Credit, 3 Periods
 Intro to Geology II - Historical Lab
 May accompany GLG102. Study of geological structures and rocks, fossils, and geologic maps. May require field trips. Prerequisites: None.

GLG110 3 Credits, 3 Periods
Geologic Disasters and the Environment
Acquaints students with the use and importance of geological studies as they apply to the interactions between people and the earth. Includes geological processes and hazards such as earthquakes, volcanoes, floods and landslides. Examines environmental impact and use of mineral and energy resources. Prerequisites: None.

GLG111 1 Credits, 3 Periods
Geological Disasters and the Environment Lab
May accompany GLG110. Basic geological processes and concepts. Emphasis on geology related environmental problems concerning Arizona. Case histories and field studies. May require field trips. Prerequisites: None.

German

Division: Communication, Humanities & Languages
Chair: Dr. David Rubi
Phone: 602.787.6578

GER101 4 Credits, 4 Periods
Elementary German I
Basic grammar, pronunciation and vocabulary of the German language. Includes the study of German culture, practice of listening, speaking, reading and writing skills. Prerequisites: None.

GER102 4 Credits, 4 Periods
Elementary German II
Continued study of grammar and vocabulary of the German language along with the study of German culture. Emphasis on German language skills. Prerequisites: GER101, or GER101AA, or permission of Department or Division. Completion of prerequisites within the last three years is required.

Health Care Core

Division: Health & Exercise Science
Chair: Ms. Lori Anonsen
Phone: 602.787.7295

HCC109 0.5 Credit, 0.5 Period
CPR for Health Care Provider
Current American Heart Association standards for one and two rescuer cardiopulmonary resuscitation (CPR) and obstructed airway procedures on the adult, infant, and pediatric victim. Use of automatic, external defibrillation and resuscitation equipment. Prerequisites: None.

HCC130 3 Credits, 3 Periods
Fundamentals in Health Care Delivery
Overview of current and recent development of health care professions, including career and labor market information, health care delivery systems, third party payers, and facility ownership. Health organization structure, patient rights and quality care. Health care and life values. Definition and importance of values, ethics, and essential behaviors in the workplace. Worker rights

and responsibilities. Healthful living practices to include nutrition, stress management and exercise. Occupational Safety and Health Administration (OSHA) standard precautions and facility safety. Use of principles of body mechanics in daily living activities. Basic communication skills which facilitate inter-professional teamwork in the health care setting. Focus on development of personal communication skills and an understanding of how effective communication skills promote teamwork. Focus on intercultural communication strategies. Prerequisites: None.

HCC145 3 Credits, 3 Periods
Medical Terminology for Health Care Professionals I
Medical terminology used in health care, with special care populations and in special services. Body systems approach to terms related to structures, functions, diseases, procedures, and diagnostic tests. Building and analyzing terms using word parts. Medical abbreviations and symbols and term spelling. Prerequisites: None.

HCC145AA 1 Credit, 1 Period
Medical Terminology for Health Care Professionals I
Introduction to medical terms used in health care. Body systems approach to selected terms related to structures, functions, diseases, procedures, and diagnostic tests. Building and analyzing selected terms using basic word parts. Selected medical abbreviations and symbols and term spelling. Prerequisites: None.

HCC146 2 Credits, 2 Periods
Common Medical Terminology for Health Care Professionals
Common medical terms used in health care. Body systems approach to common terms related to structures, functions, diseases, procedures, and diagnostic tests. Building and analyzing common terms using word parts. Common medical abbreviations and symbols and term spelling. Prerequisites: None.

Health Care Related

Division: Health & Exercise Science
Chair: Ms. Lori Anonsen
Phone: 602.787.7295

HCR210 3 Credits, 3 Periods
Clinical Health Care Ethics
An introduction to health care ethics with emphasis on analysis and ethical decision making at both the clinical and health policy levels for health care professionals. Theoretical foundation of bioethics reviewed within historical and contemporary contexts. Prerequisites: ENG102 or ENG108 or permission of Instructor.

HCR220 3 Credits, 3 Periods
Introduction to Nursing and Health Care Systems
Introduction to the social, political, and economic contexts of the nursing profession and health care systems in the United States. Prerequisites: A grade of "C" or better in ENG102 or ENG108 or permission of Instructor.

HCR240 4 Credits, 4 Periods
Human Pathophysiology
Chemical, biological, biochemical, and psychological processes as a foundation for the understanding of alterations in health.

The structural and functional pathophysiology of alterations in health; selected therapeutics considered. Prerequisites: BIO202 or BIO205 or equivalent.

Health Science

Division: Health & Exercise Science
Chair: Ms. Lori Anonsen
Phone: 602.787.7295

HES100 3 Credits, 3 Periods
Healthful Living
Health and wellness and their application to an optimal lifestyle. Explores current topics of interest such as stress management, nutrition, fitness, and environmental health. Evaluates common risk factors associated with modern lifestyles. Prerequisites: None.

HES201 3 Credits, 3 Periods
Substance Abuse and Behavior
Principles and factual bases of drug use and abuse. Physiological and socio-psychological effects of drug use and law enforcement of drug abuse. Consultants used extensively to enrich course. Prerequisites: None.

HES210 3 Credits, 3 Periods
Cultural Aspects of Health and Illness
Examines how culture influences health and illness, health care practices, barriers to health care, interactions with health care professionals, and health disparities in the U.S.

History

Division: Social Science
Chair: Dr. Stephanie Bjork
Phone: 602.787.6689

HIS100 3 Credits, 3 Periods
History of Western Civilization to Middle Ages
Survey of the origin and development of Western civilization and its institutions from prehistory through the Ancient World and the Middle Ages. Prerequisites: None.

HIS101 3 Credits, 3 Periods
History of Western Civilization: Middle Ages to 1789
Survey of origin and development of Western civilization and its institutions from the Renaissance and Reformation through Age of Enlightenment. Prerequisites: None.

HIS102 3 Credits, 3 Periods
History of Western Civilization 1789 to Present
Survey of origin and development of Western civilization and its institutions from French Revolution through the present. Prerequisites: None.

HIS103 3 Credits, 3 Periods
United States History to 1865

The political, economic, and social development of the United States from the Pre-Columbian period through the end of the Civil War (1865). Prerequisites: None.

HIS104 3 Credits, 3 Periods
United States History 1865 to Present
The political, economic, and social development of United States from 1865 to the present time. Prerequisites: None.

HIS110 3 Credits, 3 Periods
World History to 1500
Survey of the economic, social, cultural, and political elements of world history from the beginning of human civilization to 1500. Prerequisites: None.

HIS111 3 Credits, 3 Periods
World History 1500 to the Present
Survey of the economic, social, cultural, and political elements of world history from 1500 to the present. Prerequisites: None.

HIS113 3 Credits, 3 Periods
History of Eastern Civilizations to 1850
An examination of the characteristics and development of civilizations, religions and philosophies of the Middle East, India, Far East, and Southeast Asia. From ancient times to the mid-nineteenth century. Prerequisites: None.

HIS114 3 Credits, 3 Periods
History of Eastern Civilizations 1850 to Present
Examination of characteristics and development of civilizations of Middle East, India, Far East, and Southeast Asia, from mid-nineteenth century to present. Prerequisites: None.

Health Care Technology Management

Division: Business/Information Technology
Chair: Mr. Sean Petty
Phone: 602.787.6658

HTM150 3 Credits, 3 Periods
Introduction to Healthcare IT and Systems
Introduction to current and emerging Healthcare IT systems with particular emphasis on healthcare information and data, governance, information systems and technologies, and industry challenges in a value-added healthcare environment. Prerequisites: CIS105 or permission of Instructor.

HTM200 3 Credits, 4 Periods
Healthcare IT Software Infrastructure: Interoperability, Security and mHealth
Application of industry-specific IT skills to entry-level Healthcare IT software development projects, with particular skills emphasis on high-growth areas such as interoperability, security and Mobile Health (mHealth). Prerequisites: [(CIS133AA and CIS133BA and CIS133CA) or CIS133DA] and CIS150AB and HTM150 and permission of Program Director.

HTM250 3 Credits, 4 Periods
Healthcare IT Systems Development Life Cycle (SDLC)

Introduction to the Systems Development Life Cycle (SDLC) methodologies and tools currently used on healthcare Information Technology (IT) projects, with particular emphasis on software development. Experience with application development and testing tools in a project-based lab setting. Prerequisites or Corequisites: CIS224 and HTM200.

HTM270 3 Credits, 3 Periods
Healthcare IT Systems Capstone
Culminating application of the skills, knowledge, communication and critical thinking skills from the Healthcare Technology Systems program to address industry-specific challenges. Includes investigation and application of current and emerging healthcare technologies. Prerequisites: HTM250.

Honors

Division: English
Chair: Ms. Renee Cornell
Phone: 602.787.6566

HON190 3 Credits, 3 Periods
The Honors Experience
Interdisciplinary studies of selected issues confronting the individual and society and overall human experience. Critical inquiry of specific themes from a wide variety of academic viewpoints. Comprehensive and interdisciplinary review of global, historical, and cultural trends, supplemented by readings and discussion. Varied content due to changing honors forum themes and issues. Prerequisites: Admission to the college honors program or permission of Instructor.

HON201 3 Credits, 3 Periods
Leadership Development:
Historical and Contemporary Perspectives
Interdisciplinary study of leadership focusing on development of leadership skills. Prerequisites: Admission to the college honors program or permission of Instructor.

Humanities

Division: Communication, Humanities & Languages
Chair: Dr. David Rubi
Phone: 602.787.6578

HUM205 3 Credits, 3 Periods
Introduction to Cinema
Survey of the history and development of the art of motion pictures, including criticism of aesthetic and technical elements. Prerequisites: None.

HUM209 3 Credits, 3 Periods
Women and Films
Analysis of images of women in films from both historical and contemporary perspectives. Prerequisites: None.

HUM210 3 Credits, 3 Periods
Contemporary Cinema

A study of contemporary film, directors and critics with emphasis on evaluating film as an art form. Prerequisites: None.

HUM250 3 Credits, 3 Periods
Ideas and Values in the Humanities
An historical analysis of the interrelationships of art, architecture, literature, music, and philosophy from the early civilizations to the Renaissance, including western and non-western cultures. Prerequisites: ENG101.

Humanities: Spanish

SPH245 3 Credits, 3 Periods
Hispanic Heritage in the Southwest
A survey of Hispanic heritage in the Southwest. Cultural and social institutions and their contribution to the development of the region and its heritage. Prerequisites: None.

Information Studies

Division: Library
Chair: Ms. Paula Crossman
Phone: 602.787.7203

IFS201 3 Credits, 3 Periods
Information in a Post-Truth World
Development of critical thinking skills in using information. Exploration of how information can be used as a tool or a weapon. Explanation of the role of information as a consumer and creator. Recognition of the impact of culture and worldview on how information is understood, created, and disseminated. Prerequisites: A grade of "C" or better in ENG101 or ENG107.

IFS210 3 Credits, 3 Periods
Research in a Global Society
A comparative study focused on access to digital information in a global environment. Explore the global culture developing around the Internet and the impact of local, national and global cultures as well as economic and social factors related to the flow of information in a global society. Examine emerging technologies to produce and distribute information across cultures in a global society in an ethical manner. Prerequisites: None.

Integrated Public Health

Division: Health & Exercise Science
Chair: Ms. Lori Anonsen
Phone: 602.787.7295

IPH101 3 Credits, 3 Periods
Introduction to Public Health
Introduction to Public Health introduces students to the broad discipline of public health and how it influences community and individual health status. Includes sciences of public health, historical context of public health, role of various public health agencies, core functions, methods of measurement and eval-

uation, major public health issues in the United States, public policy, and factors that contribute to individual and community health. Requisites: Prerequisites: None.

IPH1115 3 Credits, 3 Periods
Intro to Health Administration and the U.S. Health System
Introduction to the U.S. health care delivery system including knowledge and skills needed to navigate health care within a health care organization. Prerequisites: None.

International Business

Division: Business/Information Technology
Chair: Mr. Sean Petty
Phone: 602.787.6658

IBS101 3 Credits, 3 Periods
Introduction to International Business
A basic overview of international business to introduce students to international trade concepts. Focus of the course is on international business environment issues that influence global business practices, decisions and applications. Prerequisites: None.

IBS109 3 Credits, 3 Periods
Cultural Dimension for International Trade
The importance of cultural sensitivity in international business relations investigated by studying the impact of geography, history, religion, politics, customs and cross-cultural communications on society. Prerequisites: None.

Japanese

Division: Communication, Humanities & Languages
Chair: Dr. David Rubi
Phone: 602.787.6578

JPN101 5 Credits, 6 Periods
Japanese Elementary I
Basic grammar, pronunciation, and vocabulary of Japanese. Study of Japanese culture. Development of speaking, listening, reading and writing skills. Prerequisites: None.

JPN102 5 Credits, 6 Periods
Japanese Elementary II
Continued study of basic grammar, pronunciation and vocabulary of Japanese. Study of the Japanese culture. Intensive practice in oral communication and development of reading and writing skills. Prerequisites: JPN101 or permission of Department or Division. Completion of prerequisites within the last three years is required.

Leadership

Division: Counseling & Personal Development
Chair: Dr. James Rubin
Phone: 602.787.6546

LDR101 2 Credits, 2 Period

Emerging Leaders I
Concepts and application of leadership skills and service learning to promote social change and value clarification. Development of organizational leadership skills through experiential learning. Prerequisites: None.

LDR201 2 Credits, 2 Periods
Leadership Facilitation I
Designed to provide skills and practice for group facilitation of leadership activities in diverse settings. Focus on development of organizational skills to promote effective group functioning. Prerequisites: LDR102, or permission of instructor

Management

Division: Business/Information Technology
Chair: Mr. Sean Petty
Phone: 602.787.6658

MGT109 3 Credits, 3 Periods
Development Of Professional Skills And Standards
Explores the skills and qualities necessary to develop and maintain a successful professional life. Topics include management/leadership skill development, effective job search, image development, career advancement, gender issues, professional conduct, time/financial management, and human relations. Prerequisites: None.

MGT126 3 Credits, 3 Periods
Customer Service Skills and Strategies
Explores strategies to help improve job performance and develop a service-oriented philosophy. Uses practical training concepts and techniques to demonstrate how superior customer service can lead to competitive advantage and profitability in business. Focuses on both internal and external customers, interactions among people, processes, and systems within the organization and how to integrate these areas into a total quality delivery program. Prerequisites: None.

MGT175 3 Credits, 3 Periods
Business Organization and Management
Covers basic principles of managing quality and performance in organizations. Covers management functions: planning, organizing, leading, and controlling. Emphasizes continual improvement, ethics, and social responsibility. Prerequisites: None.

MGT229 3 Credits, 3 Periods
Management And Leadership I
Covers management concepts and applications for business, industry, and government organizations. Prerequisites: None.

MGT251 3 Credits, 3 Periods
Human Relations In Business
Analysis of motivation, leadership, communications, and other human factors. Cultural differences that may create conflict and affect morale individually and within organizations. Prerequisites: None. MGT101 or MGT175 or MGT229 suggested, but not required.

MGT253 3 Credits, 3 Periods
Owning And Operating A Small Business
Starting, organizing, and operating a small business, including location, financial management processes, advertisement and promotion, credit, inventory control and ethics. Prerequisites: None.

MGT276 3 Credits, 3 Periods
Personnel/Human Resources Management
Human resource planning, staffing, training, compensating, and appraising employees in labor management relationships. Prerequisites: None. MGT101, or MGT175, or MGT229 suggested but not required.

Marketing

Division: Business/Information Technology
Chair: Mr. Sean Petty
Phone: 602.787.6658

MKT101 3 Credits, 3 Periods
Introduction To Public Relations
Emphasizes public relations techniques used both within and outside the business organization, including operation of a PR counseling firm. Prerequisites: None.

MKT110 3 Credits, 3 Periods
Marketing and Social Networking
Theory and practice in the use of social media in marketing. Topics may include a history of social media, preparation for social marketing, the power of collective influence, and how to engage with social media. Reviews social mediums, social networks, platforms and other marketing tools used to create a social media campaigns. Prerequisites: None.

MKT263 3 Credits, 3 Periods
Advertising Principles
Introduces the advertising function within business, including media study, creative strategies, and advertising campaigns. Prerequisites: None. MKT271 suggested, but not required.

MKT267 3 Credits, 3 Periods
Principles of Salesmanship
Analyzes and applies the steps and techniques used in personal selling. Highlights the role of the professional sales representative and his/her functions as they relate to the company's mission and customer expectations. Prerequisites: None.

MKT271 3 Credits, 3 Periods
Principles of Marketing
An analysis of the marketing process and environment with regard to the product, pricing, distribution, and communication in order to satisfy buyer needs. Prerequisites: None.

Mass Communication

Division: English

Chair: Ms. Renee Cornell
Phone: 602.787.6566

MCO120 3 Credits, 3 Periods
Media and Society
Study of historical and contemporary roles of media and its pervasiveness in society as it related to politics, education and culture. Prerequisites: ENG101 or ENG107.

Mathematics

Division: Mathematics
Chair: Mr. Gary Kellgren
Phone: 602.787.7132

MAT081 4 Credits, 4 Periods
Basic Arithmetic
Primary emphasis on conceptual understanding of and solving problems involving whole numbers, integers, mathematical operations, decimals, decimal operations, fractions, percentages, angles and geometric figures. Use of systems of measure, similarity, proportionality and the Pythagorean theorem. Focus on mathematical language, connections, patterns and reasoning, and additive and multiplicative reasoning. Prerequisites: Satisfactory score on district placement exam.

MAT082 3 Credits, 3 Periods
Basic Arithmetic
Primary emphasis on conceptual understanding of and solving problems involving whole numbers, integers, mathematical operations, decimals, decimal operations, fractions, percentages, angles and geometric figures. Use of systems of measure, similarity, proportionality and the Pythagorean theorem. Focus on mathematical language, connections, patterns and reasoning, and additive and multiplicative reasoning. Prerequisites: Satisfactory score on district placement exam.

MAT091 4 Credits, 4 Periods
Introductory Algebra
Emphasis on meanings related to variable, equality, inequality, equivalence. The use of additive and multiplicative reasoning in solving linear equations and inequalities in one variable. Validation of solution(s) through a reasonable mathematical defense. Transfer and apply knowledge through a process of sense making and reasonableness in mathematical problems and practical application situations. Recognize patterns and organize data to represent situations where output is related to input. Understand the concept of function and be able to represent functions in multiple ways, including tables, algebraic rules, graphs and contextual situations, and make connections among these representations. Read, represent, and interpret linear function relationships numerically, analytically, graphically and verbally and connect the different representations. Model and solve real world problems involving constant rate of change. Prerequisites: An appropriate mathematics placement score, OR a grade of "C" or better for MAT081, or MAT082, OR (an appropriate diagnostic score, or a grade of "C" or better in each of the following courses: MAT051, MAT052, MAT053, and MAT054).

<p>MAT092 Introductory Algebra Emphasis on meanings related to variable, equality, inequality, equivalence. grade of "B" or better in each of the following courses: MAT055, MAT056, and MAT057), or a grade of "C" or better in MAT120, or MAT121, or MAT122.		
MAT145	5 Credits, 5 Periods	
College Mathematics with Review Working knowledge of college-level mathematics and its applications to real-life problems. Emphasis on understanding mathematical concepts and their applications. Topics include set theory, probability, statistics, finance, and geometry. Prerequisites: A grade of C or better in each of the following courses: (MAT051, MAT052, and MAT053), OR a grade of C or better in MAT08+ or MAT09+, OR an appropriate district placement, OR permission of Department or Division Chair.		
MAT150	5 Credits, 5 Periods	
College Algebra/Functions Analysis and interpretation of the behavior and nature of functions including polynomial, rational, exponential, logarithmic, power, absolute value, and piecewise-defined functions; systems of equations, using multiple methods including matrices, modeling and solving real world problems, and defining and illustrating sequences and series. Prerequisites: A grade of "C" or better in MAT120, or MAT121, or MAT122, or satisfactory score on District placement exam.		
MAT151	4 Credits, 4 Periods	
College Algebra/Functions Analysis and interpretation of the behavior and nature of functions including polynomial, rational, exponential, logarithmic, power, absolute value, and piecewise defined functions; systems of equations, modeling and solving real world problems. Additional topics may include matrices, combinatorics, sequences and series, and conics. Prerequisites: Grade of "C" or better in MAT120, or MAT121, or MAT122, or equivalent, or satisfactory score on District placement exam. Course Note: Students may receive credit for only one of the following: MAT150, MAT151, MAT152, or MAT187.		
MAT155	5 Credits, 5 Periods	
College Algebra/Functions with Review Analysis and interpretation of the behavior and nature of functions including polynomial, rational, exponential, logarithmic, power, absolute value, and piecewise-defined functions; systems of equations, using multiple methods including matrices, modeling and solving real world problems, and defining and illustrating sequences and series. Prerequisites: A grade of C or better in MAT095, or MAT096, or MAT12+, OR an appropriate district placement for MAT15+, OR permission of Department or Division Chair.		
MAT182	3 Credits, 3 Periods	
Plane Trigonometry A study of measures of angles, properties of graphs of trigonometric functions, fundamental identities, addition and half angle formulas, inverse trigonometric functions, solutions of trigonometric equations, complex numbers and properties of triangle solution. May receive credit for only one of the following: MAT182 or MAT187. Prerequisites: Grade of "C" or better in MAT150, or MAT151, or MAT152, or equivalent, or concurrent registration in MAT150, or MAT151, MAT152, or satisfactory score on District placement exam.		
MAT187	5 Credits, 5 Periods	
Precalculus A precalculus course combining topics from college algebra and trigonometry. Preparation for analytic geometry and calculus. May receive credit for only one of the following: MAT150, MAT151, MAT152, or MAT187. Prerequisites: Grade of B or better in MAT120, or MAT121, or MAT122, or equivalent, or satisfactory score on a placement test. Course Note: Strongly recommended that students have some knowledge of trigonometry. Students may receive credit for only one of the following: MAT150, MAT151, MAT152, or MAT187.		
MAT206	3 Credits, 3 Periods	
Elements of Statistics Basic concepts and applications of statistics, including data description, estimation and hypothesis tests. Prerequisites: (A grade of "C" or better in MAT140, or MAT141, or MAT142), or (a grade of "C" or better in MAT150, or MAT151, or MAT152), or equivalent, or satisfactory score on district placement exam.		
MAT212	3 Credits, 3 Periods	
Brief Calculus Introduction to the theory, techniques and applications of the differential and integral calculus of functions with problems related to business, life, and the social sciences. Prerequisites: Grade of C or better in MAT150, or MAT151, or MAT152, or MAT187, or appropriate Math placement test score.		
MAT213	4 Credits, 4 Periods	
Brief Calculus Introduction to the theory, techniques, and applications of the differential and integral calculus of functions with problems related to business, life, and the social sciences. Prerequisites: Grade of "C" or better in MAT150, or MAT151, or MAT152, or MAT187, or appropriate Math placement test score. Course Notes: Students may receive credit for only one of the following: MAT212 or MAT213.		
MAT217	3 Credits, 3 Periods	
Mathematical Analysis for Business An introduction to the mathematics required for the study of business. Includes multivariable optimization, Lagrange multipliers, linear programming, linear algebra, probability, random variables, discrete and continuous distributions. Prerequisites: Grade of C or better in MAT212 or MAT213.		
MAT218	4 Credits, 4 Periods	
Mathematical Analysis for Business An introduction to the mathematics required for the study of business. Includes multivariable optimization, Lagrange multipliers, linear programming, linear algebra, probability, random variables, discrete and continuous distributions. Prerequisites: Grade of C or better in MAT212 or MAT213.		
MAT220	5 Credits, 5 Periods	
Calculus with Analytic Geometry I Limits, continuity, differential and integral calculus of functions of one variable. Prerequisites: Grade of "C" or better in (MAT150, or MAT151, or MAT152, and MAT182), or MAT187, or equivalent, or satisfactory score on district placement exam. Course Notes:		

Students may receive credit for only one of the following: MAT220 or MAT221.

MAT225 3 Credits, 3 Periods
Elementary Linear Algebra
Introduction to matrices, systems of linear equations, determinants, vector spaces, linear transformations and eigenvalues. Emphasizes the development of computational skills. Prerequisites: Grade of "C" or better in MAT212 or MAT220, or MAT221, or equivalent.

MAT227 3 Credits, 3 Periods
Discrete Mathematical Structures
Introduction to lattices, graphs, Boolean algebras, and groups. Emphasis on topics relevant to computer science. Prerequisites: A grade of "C" or better in (CSC100 or CSC110) and (MAT220 or MAT221) or permission of Instructor.

MAT230 5 Credits, 5 Periods
Calculus with Analytic Geometry II
Techniques of integration for both proper and improper integrals with applications to the physical and social sciences, elements of analytic geometry, and the analysis of sequences and series. Prerequisites: Grade of C or better in MAT220, or MAT221, or equivalent. Course Note: Student may receive credit for only one of the following: MAT230 or MAT231.

MAT241 4 Credits, 4 Periods
Calculus with Analytic Geometry III
Multivariate calculus including vectors, vector-valued functions, partial differentiation, multiple integration and an introduction to vector field. Prerequisites: Grade of "C" or better in MAT230 or MAT231. Course Note: Student may receive credit for only one of the following: MAT240 or MAT241.

MAT256 4 Credits, 4 Periods
Investigating Quantity: Number, Operations and Numeration Systems
Explore number, numeration systems and operations on numbers. Techniques of problem solving with an emphasis on exploring a variety of strategies. Use a variety of visualization techniques to develop a conceptual understanding of these topics. Prerequisites: A grade of "C" or better in (MAT150 or MAT151 or MAT152 or higher), or a grade of "C" or better in [(MAT120 or MAT121 or MAT122) and (MAT140 or MAT141 or MAT142 or higher)], or [a grade of "C" or better in (MAT140 or MAT141 or MAT142) and satisfactory score on District placement exam to permit enrollment in (MAT150 or MAT151 or MAT152 or higher)].

MAT257 4 Credits, 4 Periods
Investigating Geometry, Probability and Statistics
Explores geometry, measurement, probability and statistics. Uses visualization, technologies, problem solving, reasoning and proof to develop a conceptual understanding of these topics. Prerequisites: MAT256 or permission of Instructor.

MAT276 4 Credits, 4 Periods
Modern Differential Equations

Introduces differential equations, theoretical and practical solution techniques with applications. Problem solving using MATLAB. Prerequisites: Grade of "C" or better in MAT230, or MAT231, or permission of Department or Division. Course Notes: Students may receive credit for only one of the following: MAT276 or MAT277.

MAT296WA 1 Credit, 5 Periods
MAT296WB 2 Credits, 10 Periods
MAT296WC 3 Credits, 15 Periods
Cooperative Education

Work-college experiences that involve the combined efforts of educators and employers to accomplish an outcome related to the career objectives of the students. Prerequisites: Completion of at least twelve (12) college credits, minimum 2.6 grade point average, and be able to obtain a position related to student's academic or career goals (student's present job may qualify); or permission of instructor. Corequisites: Must be concurrently enrolled in at least one class which is related to student's major or career interest or with permission of the instructor.

Microsoft® Technology

Division: Business/Information Technology
Chair: Mr. Sean Petty
Phone: 602.787.6658

Note: Under the terms and conditions specified in the legal agreement between Microsoft® Corporation and each AATP campus in the Maricopa Community College District, Microsoft requires that "all instructors of Microsoft Official Curriculum and Microsoft Approved Study Guides pass the Microsoft® Certified Professional exam in the product area of the courseware being delivered."

MST140 3 Credits, 4 Periods
Microsoft Networking Essentials
Emphasis on local area network with overview of wide area networks. Includes terminology, hardware and software components, connectivity, network architecture, packet structure, topologies, communication standards and protocols, and security issues. Preparation for Microsoft certification examination. Prerequisites: None. (BPC110 or CIS105, and BPC121AB) suggested but not required. Note: MST140 is a foundation course for all MST courses and will also prepare students for the COMPTIA Network+ Exam.

MST150SV 3 Credits, 4 Periods
Microsoft Windows 7 Configuration
Knowledge and skills necessary to perform installation and day-to-day support of the Microsoft Windows 7 operating system. Prerequisites: None. CIS190, or CNT140AA, or MST140 suggested but not required. Course Notes: Preparation for Microsoft certification examination 70-680.

MST155DA 4 Credits, 5 Periods
Windows Server Network Infrastructure Configuration
Information and skills necessary to design a Microsoft Windows networking services infrastructure design. Includes network foundation design, Internet and private networks connectivity, in addition to functionality security and performance features of networking services. Prerequisites: MST150, or any MST150++ course, or permission of Instructor.

MST158DA 4 Credits, 5 Periods

Windows Server Administration
 Knowledge and skills necessary to install, configure, customize, optimize, network, integrate, and troubleshoot Windows Server. Prerequisites: MST155DA, MST156DA, and MST157DA. Course Notes: MST158DA is a preparation for Microsoft 70-646 certification examination.

MST244 3 Credits, 4 Periods
 Microsoft® SQL Server Administration
 Knowledge and skills required to install, configure, and administer Microsoft SQL server. Preparation for Microsoft certification examination. Prerequisites: Any MST152 course, or MST170, or permission of instructor.

Music: Commercial

Division: Fine & Performing Arts
 Chair: Dr. Christopher Scinto
 Phone: 602.787.6686

MUC109 3 Credits, 3 Periods
 Music Business: Merchandising and the Law
 Operation, scope, and career opportunities in the music business. Focuses on music in the marketplace, songwriting, publishing, copyright procedures, and business affairs, agents, artist management, and concert production. Prerequisites: None.

MUC110 3 Credits, 3 Periods
 Music Business: Recording & Mass Media
 The operation, scope, and career opportunities in the music business. Focuses on the record industry; environmental music; uses of music in radio, telecommunications, and film; and career options. Prerequisites: None.

MUC111 3 Credits, 5 Periods
 Digital Audio Workstation I (DAW I)
 Use of digital mixing and automation software in conjunction with editing and recording. Includes computer operation, troubleshooting, and file management. Prerequisites: MUC195 or MUC195AA.

MUC112 3 Credits, 5 Periods
 Digital Audio Workstation II (DAW II)
 Use of digital mixing and automation software in conjunction with editing and recording. Includes computer operation, troubleshooting, and file management. Prerequisites: MUC111.

MUC194 3 Credits, 3 Periods
 Introduction to Audio Mixing Techniques
 Approaches in final mixing for different musical genres. Develop critical listening skills, and applying these techniques to students' projects. Professional-type facilities and equipment available for student use. Prerequisites: MUC112 and MUC195 or permission of Instructor.

MUC195 3 Credits, 5 Periods
 Studio Music Recording I
 Basic principles of studio sound recording. Emphasis on musical acoustics, operation of recording equipment, studio setups, and multitrack recording. Includes studio session process and musical

production decisions. Prerequisites: None.

MUC196 3 Credits, 5 Periods
 Studio Music Recording II
 Emphasis on signal processing equipment, mixing consoles, and advanced musical recording session procedures, production, and engineering. Includes mix down and resultant master tape of a musical recording session. Prerequisites: MUC195 or MUC195AA.

MUC197 3 Credits, 3 Periods
 Live Sound Reinforcement I
 Basic principles of live sound engineering. Emphasis on signal flow, acoustic, sound reinforcement set-ups and installation, signal processing, microphone selections and placement. Includes setting up sound systems and mixing live music. Prerequisites: None.

MUC198 3 Credits, 3 Periods
 Live Sound Reinforcement II
 Emphasis on musical production decisions. Front-of-house and monitor console placement, loudspeaker arrangements, power considerations, program material and sound pressure levels. Includes setting up of sound system and mixing live performances with various styles of music. In addition to mixing at alternate locations. Prerequisites: MUC197.

MUC290AA 1 Credit, 1 Period
 Music Business Internship
 Music Business Internship work experience. Perform a variety of activities, to fulfill the routines and responsibilities of the department or business where the internship is served. Eighty (80) hours of designated work per credit. Prerequisites: Permission of Department or Division.

MUC295 3 Credits, 6 Periods
 Studio Music Recording III
 Producing and engineering a recording project. Covers how recording studios work and how recording projects are organized from pre-production through delivery of the final mix. Prerequisites: MUC196 and (MUC111 or permission of Instructor).

MUC293 1 Credit, 1 Period
 Self Promotion for Music
 Career goal development. Includes self-presentation and communication skills, keeping files and records, and developing self-promotional materials. Prerequisites: None.

MUC297AA 1 Credit, 1 Period
 Music Internship
 Music Internship work experience in a business or industry. Eighty (80) hours of designated work per credit. A maximum of 12 credits allowed. Prerequisites: Permission of department.

MUC297AB 2 Credits, 2 Periods
 Music Internship
 Music Internship work experience in a business or industry eighty (80) hours of designated work per credit. A maximum of 12 credits allowed. Prerequisites: MUC110.

MUC298AC 3 Credits, 3 Periods
 Special Projects
 Organized and tailored around the interests and needs of the individual student. Structured to provide an atmosphere of individualized research and study paralleled by professional expertise and guidance. Professional type facilities and equipment available for student use. Allows the best aspects of independent study and individualized learning to be combined to maximize student development. Prerequisites: Permission of Program Director or Instructor.

Music: Humanities & Literature

Division: Fine & Performing Arts
 Chair: Dr. Christopher Scinto
 Phone: 602.787.6686

MHL143 3 Credits, 3 Periods
 Music in World Cultures
 Non European musical traditions including the study of music in rituals, musical instruments and the impact of cultures on musical styles. Prerequisites: None.

MHL145 3 Credits, 3 Periods
 American Jazz and Popular Music
 The study of cultural and social contributions to the evolution of American jazz and popular music from the mid-1800's to present. Prerequisites: None.

MHL153 3 Credits, 3 Periods
 Rock Music and Culture
 History of Rock music and how cultural, social, political, and economic conditions have shaped its evolution. Prerequisites: None.

MHL155 3 Credits, 3 Periods
 Survey of American Music
 History of the music of North America from the earliest American Indian music to the present. Introduction to the musical trends, composers, socioeconomic developments and trends, musical forms and styles that influence our modern American musical sense. Prerequisites: None.

MHL204 3 Credits, 3 Periods
 Hip-Hop Music and Culture
 A history of Hip-Hop's musical and artistic elements and how cultural, social, political, and economic conditions have shaped its evolution. Prerequisites: ENG101, or ENG107, or permission of Instructor.

Music: Performance

Division: Fine & Performing Arts
 Chair: Dr. Christopher Scinto
 Phone: 602.787.6686

MUP101 1 Credit, 0.6 Periods
 Private Instruction (see Music Performance modules)

Private Instruction emphasizing developmental improvement of musicianship and technique from an entering skill level. Four course sequence required of all music majors meeting departmental requirements. Instruction provided on voice, piano, harpsichord, organ, guitar, trumpet, French horn, trombone, baritone horn, tuba, flute, oboe, clarinet, bassoon, saxophone, violin, viola, violoncello, contrabass, bass guitar, percussion, and harp. May be repeated for credit. Prerequisites: None.

MUP102 2 Credits, 1.2 Periods
 Private Instruction (see Music Performance modules)
 Private Instruction emphasizing musicianship, literature, technique and performance. Four course sequence designed for university transfer equivalency. May be repeated for credit. Prerequisites: None.

MUP151 1 Credit, 0.6 Periods
 Private Instruction (see Music Performance modules)
 Private Instruction emphasizing developmental improvement of musicianship and technique from an entering skill level. Four course sequence required of all music majors meeting departmental requirements. Instruction provided on voice, piano, harpsichord, organ, guitar, trumpet, French horn, trombone, baritone horn, tuba, flute, oboe, clarinet, bassoon, saxophone, violin, viola, violoncello, contrabass, bass guitar, percussion, and harp. May be repeated for credit. Prerequisites: MUP101 (appropriate module).

MUP152 2 Credits, 1.2 Periods
 Private Instruction (see Music Performance modules)
 Private Instruction emphasizing musicianship, literature, technique and performance. Four course sequence designed for university transfer equivalency. Instruction provided on voice, piano, harpsichord, organ, guitar, trumpet, French horn, trombone, baritone horn, tuba, flute, oboe, clarinet, bassoon, saxophone, violin, viola, violoncello, contrabass, bass guitar, percussion, and harp. May be repeated for credit. Prerequisites: MUP102 (appropriate module).

MUP201 1 Credit, 0.6 Periods
 Private Instruction (see Music Performance modules)
 Private Instruction emphasizing developmental improvement of musicianship and technique from an entering skill level. Four course sequence required of all music majors meeting departmental requirements. Instruction provided on voice, piano, harpsichord, organ, guitar, trumpet, French horn, trombone, baritone horn, tuba, flute, oboe, clarinet, bassoon, saxophone, violin, viola, violoncello, contrabass, bass guitar, harp and percussion. May be repeated for credit. Prerequisites: MUP151 (appropriate module).

MUP202 2 Credits, 1.2 Periods
 Private Instruction (see Music Performance modules)
 Private Instruction emphasizing musicianship, literature, technique and performance. Four course sequence designed for university transfer equivalency. Instruction provided on voice, piano, harpsichord, organ, guitar, trumpet, French horn, trombone, baritone horn, tuba, flute, oboe, clarinet, bassoon, saxophone, violin, viola, violoncello, contrabass, bass guitar, percussion, and harp. May be repeated for credit. Prerequisites: MUP152 (appropriate module).

MUP251 1 Credit, 0.6 Periods
 Private Instruction (see Music Performance modules)
 Private Instruction emphasizing developmental improvement of musicianship and technique from an entering skill level. Four course

sequence required of all music majors meeting departmental requirements. Instruction provided on voice, piano, harpsichord, organ, guitar, trumpet, French horn, trombone, baritone horn, tuba, flute, oboe, clarinet, bassoon, saxophone, violin, viola, violoncello, contrabass, bass guitar, percussion, and harp. May be repeated for credit. Prerequisites: MUP201 (appropriate module).

MUP252 2 Credits, 1.2 Periods
Private Instruction (see Music Performance modules)
Private Instruction emphasizing musicianship, literature, technique and performance. Four course sequence designed for university transfer equivalency. Instruction provided on voice, piano, harpsichord, organ, guitar, trumpet, French horn, trombone, baritone horn, tuba, flute, oboe, clarinet, bassoon, saxophone, violin, viola, violoncello, contrabass, bass guitar, percussion, and harp. May be repeated for credit. Prerequisites: MUP202 (appropriate module).

MUSIC PERFORMANCE (MUP) MODULES:

101, 102, 151, 152, 201, 202, 251, 252 AA	Voice
101, 102, 151, 152, 201, 202, 251, 252 AD	Piano
101, 102, 151, 152, 201, 202, 251, 252 AM	Guitar
101, 102, 151, 152, 201, 202, 251, 252 AP	Trumpet
101, 102, 151, 152, 201, 202, 251, 252 AS	French Horn
101, 102, 151, 152, 201, 202, 251, 252 AV	Trombone
101, 102, 151, 152, 201, 202, 251, 252 BB	Tuba
101, 102, 151, 152, 201, 202, 251, 252 BE	Flute
101, 102, 151, 152, 201, 202, 251, 252 BH	Oboe
101, 102, 151, 152, 201, 202, 251, 252 BK	Clarinet
101, 102, 151, 152, 201, 202, 251, 252 BN	Bassoon
101, 102, 151, 152, 201, 202, 251, 252 BQ	Saxophone
101, 102, 151, 152, 201, 202, 251, 252 BT	Violin
101, 102, 151, 152, 201, 202, 251, 252 BW	Viola
101, 102, 151, 152, 201, 202, 251, 252 BZ	Violoncello
101, 102, 151, 152, 201, 202, 251, 252 CC	Contrabass
101, 102, 151, 152, 201, 202, 251, 252 CF	Bass Guitar
101, 102, 151, 152, 201, 202, 251, 252 CI	Percussion

Class & Group Instruction

MUP131 2 Credits, 3 Periods
Class Piano I
Development of beginning piano techniques and the fundamentals of music including basic hand position, music reading skills of melodic and harmonic material, major scales, transposition, and harmonizations including the I, IV, V7 chords. Prerequisites: None.

MUP132 2 Credits, 3 Periods
Class Piano II
Continuation of Piano I with emphasis on elementary piano techniques including major and minor scales, transposition, improvisation, and sight reading. Prerequisites: MUP131 or permission of instructor.

MUP161 1 Credits, 3 Periods
Community Band
Emphasis on college/community participation and the preparation of band literature for public performance. Auditions may be required. Prerequisites: None.

MUP232 2 Credits, 3 Periods
Class Piano IV

Continuation of Piano III including modulation techniques, improvisation of piano accompaniments, advanced chromatic harmony, and sight reading of advanced literature. Prerequisites: MUP231 or permission of instructor.

MUP233 2 Credits, 3 Periods
Class Voice III
Interpretive singing through a closer examination of coloring, tone production, dynamics, and tempo indications. Prerequisites: MUP134.

Choir, Ensemble, Orchestra

MUP150 1 Credit, 3 Periods
Community Chorus
A mixed chorus with emphasis on college/community participation and preparation of a variety of choral literature for public performance. Auditions may be required. May be repeated for credit. Prerequisites: None.

MUP153 2 Credits, 5 Periods
Concert Choir
A mixed choir designed to emphasize choral techniques and performance of all styles of choral literature. Public performances are scheduled each semester. Prerequisites: None.

MUP158 1 Credit, 3 Periods
Rock Band
Emphasizes instrumental and vocal techniques and the preparation of all styles of rock band literature. Introduces music business. Requires participation in public and private performances throughout the semester. Prerequisites: Auditions are required.

MUP163 1 Credit, 3 Periods
Jazz Ensemble
Practical and performance experience in various jazz styles. Open to all students on the basis of auditions. May be repeated for credit. Prerequisites: None.

MUP181 1 Credit, 2 Periods
Chamber Music Ensembles
Practical and performance experience in instrumental, vocal, and mixed ensembles. May be repeated for credit. Prerequisites: None.

- MUP181 Chamber Music Ensemble: Flute 1
- MUP181 Chamber Music Ensemble: Advanced Flute
- MUP181 Chamber Music Ensemble: Cello 1
- MUP181 Chamber Music Ensemble: Jazz Combo 1
- MUP181 Chamber Music Ensemble: Multi Media 1
- MUP181 Chamber Music Ensemble: Open Score 1
- MUP181 Chamber Music Ensemble: Piano - Classical 1
- MUP181 Chamber Music Ensemble: String 1
- MUP181 Chamber Music Ensemble: Union Jazz Institute 1

MUP185 1 Credit, 3 Periods
Flute Choir
Ensemble of the entire flute family that may include piccolo,

E flute, Clarinet, Alto Flute, and Bass Flute. Literature will include commissioned works, original works for standard flute choir, and transcriptions from various musical periods. Prerequisites: Audition or permission of Instructor.

MUP270 2 Credits, 5 Periods
Musical Theatre Workshop
 Workshop in the study and performance of Musical Theatre repertoire. Including audition techniques, talent evaluation criticism, rehearsal techniques, vocal acting styles, stage movement, and performance. May be repeated for credit. Prerequisites: None.

Music: Theory & Composition

Division: Fine & Performing Arts
Chair: Dr. Christopher Scinto
Phone: 602.787.6686

MTC101 3 Credits, 3 Periods
Introduction to Music Theory
 Designed to develop written and aural skills necessary for advanced study of music theory and skills. Recommended for music majors. Prerequisites: None.

MTC105 3 Credits, 3 Periods
Music Theory I
 The chronological study of music theory including: harmony, melody, texture, structure and timbre through analysis, original compositions and basic exercises to demonstrate musical concepts. Prerequisites: MTC100, or MTC101, or permission of instructor. Corequisites: MTC106.

MTC106 1 Credit, 2 Periods
Aural Perception I
 The development of listening and performing skills through dictation, sight singing and keyboard harmony. Prerequisites: None.

MTC112 1 Credit, 1 Period
Song and Melody Forms 1
 Introduction to basic song forms and components, including introduction, verse, chorus, bridge, interlude or break. Prerequisites: None

MTC113 1 Credit, 1 Period
Songwriting Techniques
 Introduction to pop melody writing and harmonic settings. Development of short ideas into complete songs with the use of contrast, variation, and repetition. Consideration of the pros and cons of writing songs with a partner or small group. Prerequisites: None.

MTC130 2 Credits, 2 Periods
Jazz Theory
 Develop written and aural theory skills necessary in the jazz idiom. Prerequisites: A grade of C or better in (MTC101 and MTC103), or permission of Instructor.

MTC155 3 Credits, 3 Periods
Music Theory II
 A continuation of Music Theory I with emphasis on harmony and part-writing procedures. Prerequisites: MTC105. Corequisites: MTC156.

MTC156 1 Credit, 2 Periods
Aural Perception II
 A continuation of Aural Perception I, including harmonic practices. Prerequisites: None. Corequisites: MTC155.

MTC180 3 Credits, 4 Periods
Computer Literacy for Musicians
 Instruction in basic computer literacy, including generic applications and music-specific programs with hands-on experience. Ability to read music notation required. Prerequisites: A grade of C or better in MTC101, or MTC105, or Corequisites: MTC105, or permission of Instructor.

MTC190 3 Credits, 4 Periods
Computer-Aided Music Notation
 Introduction to computer-aided music notation, culminating in editing and producing publication-quality music scores. Ability to read music notation required. Permission of Instructor

MTC191 3 Credits, 4 Periods
Electronic Music I
 An introduction to producing music with Musical Instrument Digital Interface (MIDI) configurations consisting of computers, printers, synthesizers, and other compatible MIDI instruments. Prerequisites: None.

MTC192 3 Credits, 4 Periods
Electronic Music II
 Continued study of the production of music with Musical Instrument Digital Interface (MIDI) configurations. Emphasis on more complex configurations and their applications in song arrangements. Prerequisites: MTC191.

MTC205 3 Credits, 3 Periods
Music Theory III
 The study of chromatic harmony and melody, modulation techniques and expanded chords. The analysis of formal structure. Prerequisites: MTC155. Corequisites: MTC206.

MTC206 1 Credit, 2 Periods
Aural Perception III
 A development of listening and performing skills, including an introduction of chromatic harmonic techniques and concepts of style. Prerequisites: None. Corequisites: MTC205.

MTC240 3 Credits, 0.6 Periods
Composition
 Introduction to the basics of music composition, stressing techniques and procedures for developing original ideas. May be repeated for total of twelve (12) credit hours. Prerequisites: (MTC105 and MTC106, or equivalent), and permission of instructor.

MTC255 3 Credits, 3 Periods
Music Theory IV

A continuation of Music Theory III, including 20th century theories and techniques. Prerequisites: MTC205. Corequisites: MTC256.

MTC256 2 Credit, 2 Periods

Aural Perception IV

A continuation of Aural Perception III, including extended chords. Prerequisites: None. Corequisites: MTC255.

MTC291

Electronic Music III 3 Credits, 4 Periods

Continued study of the production of music using electronic processes. Emphasis on more complex configurations and their applications in live performance or studio use. Prerequisites: A grade of C or better in MTC192.

Nursing

Division: Health & Exercise Science

Department: Nursing

Director: Mr. Nick DeFalco

Phone: 602.787.7192

NUR101 1 Credit, 1 Periods

Student Success in Nursing

Individual self-awareness and self management strategies for success with nursing study, clinical reasoning and testing success. Emphasis on the development of prioritizing and delegation skills for the nursing student. Prerequisites: Permission of Instructor.

NUR104AB 1 Credit, 1 Period

Structured Nursing Review

Structured nursing tutorial assistance and nursing study skills to help students achieve success in their respective block of nursing courses. Nursing process and critical thinking application skills emphasized. Prerequisites: None. Corequisites: Concurrent enrollment in the Nursing program or permission of Department Chair. Course Note: Course offered as Credit (P) No credit (Z) basis. NUR104AB may be repeated for a total of eight (8) credits.

NUR106 Lec: 9.0 Credits, 5.5 Periods

Nursing Theory and Science Lab: 0 Credits, 0 Periods
Transition (Paramedic Bridge)

Introduction and utilization of Nurse of the Future competencies to develop knowledge, skills, and attitudes to provide safe, quality patient care across the wellness-illness continuum in selected medical-surgical and mental health patients. Basic care concepts and nursing process are utilized to meet the needs of adult and older adult patients. Prerequisites: (Arizona or National Paramedic Registry Certificate), acceptance into the Maricopa Nursing advanced placement, NUR187, and (one year current work experience utilizing Paramedic scope of practice or permission of Nursing Department Chairperson).

NUR152 9 Credits, 4 Periods

Introduction of Nurse of the Future competencies as a foundational framework for development of the professional nurse. Basic care concepts and the nursing process are utilized to meet the needs of adult and older adult patients. Prerequisites: Admission into the Nursing Program.

NUR158 Lecture: 6 Credits, 4 Periods

Nurse Assisting

Lab: 0 Credits, 6 Periods

Introduction to the role of the nursing assistant for clients across the wellness/illness continuum within the nurse assisting scope of practice. Includes basic problem solving processes specific to meeting the basic and holistic needs of clients, therapeutic communication skills essential for the nursing assistant, interventions to ensure the needs and safety of the client, specific types of diseases, conditions and alterations in behavior of the client, and principles of nutrition and fluid balance. Focus is on special needs of the elder client in the acute and long-term care settings, and basic emergency care skills and procedures. Provides opportunity for the development of clinical competency in the performance of selected nurse assisting skills and procedures through participation in the care of clients. Prerequisites: (A grade of "C" or better in RDG091 or higher RDG reading course or eligibility for CRE101 as indicated by appropriate reading placement test score, or HESI-A2 exam English Composite score of 75% or higher) AND (a grade of "C" or better in MAT082, or eligibility for MAT090 or higher as indicated by appropriate math placement test score, or HESI-A2 exam Math score of 75% or higher). Must provide current Level One DPS Fingerprint Clearance Card, meet pass status on MCCD Background Check, and submit required health and safety documentation.

NUR172 Lecture: 9.0 Credits, 5.5 Periods

Nursing Theory And Science II Lab: 0 Credit, 10.5 Periods

Utilization of Nurse of the Future competencies to develop knowledge, skills, and attitudes to provide safe, quality patient care across the wellness-illness continuum in selected medical-surgical and mental health patients. Prerequisites: (BIO202 and NUR152) or permission of Nursing Department Chair.

NUR252 Lec: 9.0 Credits, 5.5 Periods

Nursing Theory and Science III Lab: 0 Credits, 10.5 Periods

Application of critical thinking strategies related to holistic care of the newborn and childbearing patients. Integration of concepts related to holistic care of adults and older adult patients with selected acute and chronic alterations in health. Integration of professional nursing standards in role development. Utilization of previous knowledge of physical, biologic, psycho-social sciences, and the cultural, spiritual aspects of nursing care. Integration of concepts of nutrition, pharmacology, communication, health promotion, and pathophysiology into nursing care. Prerequisites: (CRE101 and NUR172 and PSY101) or permission of Nursing Department Chair.

NUR283 Lec: 9.0 Credits, 5.5 Periods

Nursing Theory and Science IV Lab: 0 Credits, 10.5 Periods

Applies Nurse of the Future competencies to practice and manage care for the child/family unit and adults requiring complex care throughout the wellness/illness continuum, and prepare for transition from student to professional nurse. Prerequisites: (BIO205 and NUR252) or permission of Nursing Department Chair.

Nursing: Continuing Education

Division: Health & Exercise Science

Department: Nursing

Director: Mr. Nick DeFalco

Phone: 602.787.7192

NCE221 Lec: 2.5 Credits, 2.5 Periods

Patient Care Technician Skills Lab: 0.5 Credit, 1.5 Period
 Patient care technician skills and techniques which include: drawing blood, performing a variety of specimen collections, observing and reporting patient status, assisting in patient preparation and electrode placement for electrocardiograms, suctioning patients, performing urinary catheterizations, documentation and reporting of skill completion, maintaining patient confidentiality, and recognizing legal and ethical commitments related to patient care technician skills. Prerequisites: Certified Nurse Assistant (CNA), Nurse Assistant course or equivalent within the past year, and permission of continuing education program director and/or instructor.

NCE224 3 Credits, 3 Periods
Nursing Case Management
 Case management and managed care responsibilities, insurance strategies, utilization management, legal and ethical issues, quality improvement and discharge planning. Prerequisites: Registered Nurse (RN) Licensed Practical Nurse (LPN) social worker or permission of Instructor.

NCE298AA 1 Credit, 1 Period
NCE298AB 2 Credits, 2 Periods
NCE298AC 3 Credits, 3 Periods
Special Projects
 Organized and tailored around the interests and needs of the individual student. Structured to provide an atmosphere of individualized research and study paralleled by professional expertise and guidance. Professional-type facilities and equipment available for student use. Allows the best aspects of independent study and individualized learning to be combined to maximize student development. COMMON COMPETENCY COURSE. Prerequisites: Permission of Program Director or Instructor.

Office Automation Systems

Division: Business/Information Technology
Chair: Mr. Sean Petty
Phone: 602.787.6658

OAS101 3 Credits, 5 Periods
Computer Typing I: Keyboarding/Formatting
 Keyboard mastery; letters, tables, and reports; office production; and manuscripts. Prerequisites: None.

OAS102 3 Credits, 5 Periods
Computer Typing II: Document Production
 Arrangement of letters, memos, manuscripts, and tabulation; speed/accuracy improvement. Prerequisites: OAS101 or permission of department/division.

OAS107 1 Credit, 1 Period
Professional Telephone Techniques
 Proper telephone techniques and professional business manners. Prerequisites: None.

OAS108 3 Credits, 3 Periods
Business English

Comprehensive coverage of correct use of English grammar including spelling, punctuation, capitalization, and number style mechanics in a business context. Prerequisites: None.

OAS181 3 Credits, 3 Periods
Medical Office: Vocabulary
 Basic medical vocabulary with emphasis on pronunciation, spelling, and definition. Prerequisites: None.

OAS218 3 Credits, 3 Periods
Law Office Procedures
 Law office procedures for general and specialty areas of law, including civil, estate planning and probate, business organizations, real estate, and litigation. Coverage of law office personnel, timekeeping, billing, filing, docket control, research, office equipment, legal forms, ethics, and professional associations. Prerequisites: (LAS101 OAS201 and OAS225) or permission of program director or department chair.

Philosophy

Division: Communication, Language & Humanities
Chair: Dr. David Rubi
Phone: 602.787.6578

PHI101 3 Credits, 3 Periods
Introduction to Philosophy
 General consideration of human nature and the nature of the universe. Knowledge, perception, freedom and determinism, and the existence of God. Prerequisites: None.

PHI103 3 Credits, 3 Periods
Introduction to Logic
 Informal logic, logical fallacies, elementary symbolic logic, analysis of argument forms, and construction of proofs for validity. Prerequisites: ENG101, or ENG107, or equivalent.

PHI105 3 Credits, 3 Periods
Introduction to Ethics
 Major theories of conduct. Emphasis on normative ethics, theories of good and evil from Plato to the present. Prerequisites: None.

PHI201 3 Credits, 3 Periods
History of Ancient Philosophy
 Historical survey of the intellectual history of the Greco-Roman world, focusing on the philosophical tradition and social/historical context. Prerequisites: None.

PHI213 3 Credits, 3 Periods
Medical and Bio-Ethics
 A philosophical consideration of moral problems that arise in relation to medicine and biology, e.g., death, patient's rights and biological experimentation. Prerequisites: None.

PHI244 3 Credits, 3 Periods
Philosophy of Religion

Physical Education & Activities

Division: Health & Exercise Science
 Chair: Ms. Lori Anonsen
 Phone: 602.787.7295

PED101BE 1 Credit, 2 Periods
 Belly Dance
 Practice and demonstration of basic belly dance skills and movements. Basic posture and muscularity, primary upper and lower body isolations, footwork, simple combination movements. Rhythms broken down, and at least one prop demonstrated. Basic routine, improvisation, and current styles and trends in belly dance. Belly dance etiquette and attire. Prerequisites: None.

PED101BP 1 Credit, 2 Periods
 Backpacking
 Covers basic skills and techniques of backpacking and the application of these to wilderness travel. Prerequisites: None.

PED101BS 1 Credit, 2 Periods
 Body Sculpting
 Stretch and strengthen. Emphasizes increasing fitness, muscle tone, and body flexibility. Great for reducing stress. Prerequisites: None.

PED101DF 1 Credit, 2 Periods
 Self Defense
 Basic self-defense skills, ground-fighting skills, and stand-up fighting capabilities. Modified for all skill levels. Practice is based on real-life experiences and endurance enhanced drills. Develops self confidence. Prerequisites: None.

PED101FL 1 Credit, 2 Periods
 Fitness For Life
 Learn the basics of designing and implementing a personalized fitness program to meet your needs in the areas of Cardiovascular Fitness, Weight Control, Muscular Strength and Flexibility. Prerequisites: None.

PED101GF 1 Credit, 2 Periods
 Group Fitness/Aerobics
 Group exercise incorporating a variety of equipment to increase respiration, heart rates, strength, and flexibility. Prerequisites: None.

PED101GO 1 Credit, 2 Periods
 Golf
 Instruction and practice for all skill levels, beginning through advanced. Assistance on shot making, club selection and etiquette on the course. Prerequisites: None.

PED101HH 1 Credit, 2 Periods
 Hip Hop
 Basic skills of hip hop with instruction, practice, and performance including proper body mechanics, choreography, and behavioral competencies. Prerequisites: None.

PED101HK 1 Credit, 2 Periods
 Hiking
 Develop safe and effective hiking skills. Essentials and requirements for safe hiking; proper hiking clothing and attire; impact of hiking on the environment. Prerequisites: None.

PED101KB 1 Credit, 2 Periods

Kickboxing
 Techniques to increase muscular endurance and strength, enhance flexibility and increase body awareness and self-confidence. Jabs, kicks, and blocks will be used in this martial arts based workout. Prerequisites: None.

PED101KF 1 Credit, 2 Periods
 Kung Fu
 Techniques of one of the most comprehensive martial arts in China. Prerequisites: None.

PED101PC 1 Credit, 2 Periods
 Physical Conditioning
 Exercise program with access to free weights, strength machines and cardio equipment. Prerequisites: None.

PED101PS 1 Credit, 2 Periods
 Pilates
 Mat based exercise system focused on improving flexibility and strength for the total body. Teaches core control and stabilization while improving postural alignment. Prerequisites: None.

PED101QG 1 Credit, 2 Periods
 Qi Gong
 Ancient Chinese Qi Gong breathing exercises for healing and opening channels of energy. Includes Power of Positive thought along with relaxation and meditation techniques. Prerequisites: None.

PED101SO 1 Credit, 2 Periods
 Soccer
 Basic skills and game strategy of soccer. Class emphasis on competition and drills. Prerequisites: None.

PED101ST 1 Credit, 2 Periods
 Strength Training
 Introduction to techniques of basic weight training, concentrating on incorporating an exercise regimen for increased strength. Prerequisites: None.

PED101SU 1.5 Credits, 2.5 Periods
 SCUBA Diving
 Introduction to the theory and practice of SCUBA diving. Course includes lectures, pool dives, open water dives, and SCUBA Certification. Prerequisites: None.

PED101TC 1 Credit, 2 Periods
 Tai Chi
 Fundamentals of Tai Chi including moves, breathing and meditation. Prerequisites: None.

PED101TE 1 Credit, 2 Periods
 Tennis
 Basic skills and game strategy of tennis. Class emphasis on competition and drills. Prerequisites: None.

PED101TF 1 Credit, 2 Periods
 Track and Field
 Instruction and practice in track and field events, running, throwing and jumping. Prerequisites: None.

PED101WT 1 Credit, 2 Periods
 Weight Training

Access to Olympic and Free Weights with a qualified instructor. Prerequisites: None.		and body flexibility. Great for reducing stress. Prerequisites: None.
PED101YG Gentle Yoga A gentle body work class of floor exercises done on a soft foam mat, with some standing postures taught after a few weeks of class. Learn how to release tension through diaphragmatic breathing and relaxing stretching. Prerequisites: None.	1 Credit, 2 Periods	PED103KF Kung Fu Techniques of one of the most comprehensive martial arts in China. Prerequisites: None.
PED101YO Yoga Promotion of overall health by strengthening muscles and stimulating glands and organs. Basic postures, breathing and relaxation techniques. Prerequisites: None.	1 Credit, 2 Periods	PED103QG Qi Gong Ancient Chinese Qi Gong breathing exercises for healing and opening channels of energy. Includes Power of Positive thought along with relaxation and meditation techniques. Prerequisites: None.
PED101ZU Zumba Fitness Zumba® dynamic fitness program. Fuses hypnotic Latin rhythms and easy to follow moves. Interval training sessions where fast and slow rhythms and resistance training are combined to tone and sculpt while burning fat. Prerequisites: None.	1 Credit, 2 Periods	PED103YR Restorative Yoga Gentle form of Yoga utilizing props to create fully supported postures and yogic breathing techniques. Also utilizes technique adapted from the ancient tantric practice of nyasa. Slow internal class; focus on stillness and restoration. Prerequisites: None.
PED102GO Golf Intermediate Improving techniques of putting, chipping, the full swing, rules and scoring will be covered in this class. Prerequisites: None. Prior experience recommended.	1 Credit, 2 Periods	PED103ZU Zumba Fitness Zumba Fitness fuses Latin rhythms and easy to follow choreographed moves. Applies interval training sessions where fast and slow rhythms and resistance training are combined to tone and sculpt while burning fat. Prerequisites: None.
PED102HH Hip Hop - Intermediate Intermediate level dance instruction and practice in the skills of hip hop. Emphasis on performance including proper body mechanics, choreography, and behavioral competencies. Prerequisites: None. Prior experience recommended.	1 Credit, 2 Periods	PED114 Fitness Fitness activity and wellness study to help develop a lifetime of regular exercise, stress management, and proper nutrition. Workout includes warm up/stretch, aerobic exercise, selected strength exercises, and cool down/stretch. Prerequisites: None.
PED102PC Physical Conditioning - Intermediate Intermediate level exercise program with access to free weights, strength machines and cardio equipment. Not recommended for the beginner. Prerequisites: None. Prior experience recommended.	1 Credit, 2 Periods	PED115 Lifetime Fitness Fitness activity and wellness study to help develop a lifetime of regular exercise, stress management, and proper nutrition. Workout includes warm up/stretch, aerobic exercise, selected strength exercises, and cool down/stretch. Prerequisites: None.
PED102TC Tai Chi - Intermediate Intermediate level techniques of Tai Chi including moves, breathing and meditation. Prerequisites: None. Prior experience recommended.	1 Credit, 2 Periods	PED116 Cardiovascular Fitness Blends an effective warm-up, challenging cardiovascular and strength/endurance training strategies and a relaxing cool-down. Tailored by certified fitness professionals to personal goals. Prerequisites: None.
PED102TE Tennis Intermediate Improve upon basic skills and game strategy of tennis at the intermediate level. Class emphasis on competition and drills. Prerequisites: None. Prior experience recommended.	1 Credit, 2 Periods	PED117 Weight Training for Wellness Strength training and muscular fitness activity to help develop a lifetime of regular exercise and muscular strength maintenance. Development of full body strength and stability of the body's core musculature, translating to increased power, balance, and functional movement ability including assessment of current strength and goal-specific program design to increase strength and muscular fitness. Prerequisites: None.
PED102TF Track And Field Intermediate To improve upon basic track and field event skills at the intermediate level. Class emphasis on competition and drills. Prerequisites: None. Prior experience recommended.	1 Credit, 2 Periods	
PED103BS Body Sculpting Stretch and strengthen. Emphasizes increasing fitness, muscle tone,	0.50 Credit, 1 Period	

PED201TC 1 Credit, 2 Periods
Tai Chi - Advanced
Advanced level techniques of Tai Chi including moves, breathing and meditation. Prerequisites: None. Prior experience at competitive level recommended

Physics

Division: Science
Department: Physical Sciences
Chair: Dr. Scott Massey
Phone: 602.787.6644

PHY101 Lecture: 4 Credits, 3 Periods
Introduction to Physics Lab: 0 Credit, 3 Periods
A survey of physics emphasizing applications of physics to modern life. Prerequisites: Grade of "C" or better in MAT090, or MAT091, or MAT092, or MAT093, or equivalent, or satisfactory score on Math Placement exam. Course Note: Students may receive credit for only one of the following: PHY101 or PHY101AA.

PHY111 Lecture: 4 Credits, 3 Periods
General Physics I Lab: 0 Credit, 3 Periods
Includes motion, energy, and properties of matter. Prerequisites: MAT182 or MAT187 or MAT220 or MAT221 or eligibility for MAT220 as indicated by appropriate placement test score or one year high school Trigonometry with a grade of "C" or better or permission of Department or Division.

PHY112 Lecture: 4 Credits, 3 Periods
General Physics II Lab: 0 Credit, 3 Periods
Includes electricity, electromagnetism, and modern physics. Prerequisites: PHY105 or PHY111.

PHY121 Lecture: 4 Credits, 3 Periods
University Physics I: Mechanics Lab: 0 Credit, 3 Periods
Kinematics, Newton's laws, work, energy, momentum, conservation laws, dynamics of particles, solids, fluid, mechanical waves, and sound. Prerequisites: MAT220, or MAT221, or permission of Department or Division. One year of High School physics or PHY111 and PHY112 suggested but not required.

PHY131 Lecture: 4 Credits, 3 Periods
University Physics II: Electricity and Magnetism Lab: 0 Credit, 3 Periods
Electric charge and current, electric and magnetic fields in vacuum and in materials, and induction. AC circuits, displacement current, and electromagnetic waves. Prerequisites: MAT230, or MAT231, or permission of Department or Division, and PHY121. Corequisites: MAT241 or permission of Department or Division.

Political Science

Division: Social Science
Chair: Dr. Stephanie Bjork

Phone: 602.787.6689

POS110 3 Credits, 3 Periods
American National Government
Study of the historical backgrounds, governing principles, and institutions, of the national government of the United States. Prerequisites: None.

POS120 3 Credits, 3 Periods
World Politics
Introduction to the principles and issues relating to the study of international relations. Evaluation of the political, economic, national, and transnational rationale for international interactions. Prerequisites: None.

POS220 3 Credits, 3 Periods
U.S. and Arizona Constitution
Examination of the United States Constitution and the constitution and government of the State of Arizona. Prerequisites: None.

POS221 1 Credit, 1 Period
Arizona Constitution
Examination of the Constitution of the State of Arizona. Equivalent to the second part of POS220. May not enroll in POS220 and POS221 concurrently. Prerequisites: None.

POS222 2 Credits, 2 Periods
U.S. Constitution
Examination of the United States Constitution. Equivalent to the first part of POS220. May not enroll in POS220 and POS222 concurrently. Prerequisites: None.

Psychology

Division: Behavioral Science
Chair: Dr. Tom Schmidt
Phone: 602.787.6963

PSY101 3 Credits, 3 Periods
Introduction to Psychology
To acquaint the student with basic principles, methods and fields of psychology such as learning, memory, emotion, perception, physiological, developmental, intelligence, social and abnormal. Prerequisites: None.

PSY132 3 Credits, 3 Periods
Psychology and Culture
Presents current knowledge about human diversity in behavior and culture using examples from a variety of contexts within western and global societies. Highlights topics in cross-cultural psychology, such as intergroup relations, diverse cognitive styles, ethnocentrism, gender, personality, emotion, language, communication, work and health. The role of enculturation throughout the lifespan will be explored to increase awareness of how behavioral and cognitive principles affect interactions in a multicultural world. Prerequisites: None.

PSY215 Introduction to Sport Psychology Application of the physiological, behavioral, social, cognitive, and humanistic perspectives in psychology to sport. Includes topics such as optimal performance, correlation, motivation, co action effect, self-actualization, psycho behavioral techniques, self efficacy, and the general health benefits of sport participation. Prerequisites: PSY101 with a grade of C or better, or permission of Instructor.	3 Credits, 3 Periods	psychological problems and disorders are discussed. Prerequisites: PSY101 with a grade of C or better, or permission of Instructor.
PSY230 Introduction to Statistics An introduction to basic concepts in descriptive and inferential statistics, with emphasis upon application to psychology. Consideration given to the methods of data collection, sampling techniques, graphing of data, and the statistical evaluation of data collected through experimentation. Required of psychology majors. Prerequisites: PSY101 with a grade of "C" or better and MAT092 or equivalent, or permission of Instructor.	3 Credits, 3 Periods	PSY267 Introduction to Forensic Psychology Overview of the practice of psychology in the law, by the law, and of the law. Focuses on the complementary functions and distinctions between psychology and the legal justice system. Topics include, but are not limited to, criminal investigations, risk and level of danger, competency, interrogations, confessions, assessment, eyewitness testimony, child custody, and domestic violence. Prerequisites: PSY101.
PSY231 Laboratory for Statistics Applications of inferential and descriptive statistics to computers in the field of psychology. Prerequisites: None. Corequisites: PSY230	1 Credit, 1.7 Periods	PSY277 Psychology of Human Sexuality Survey of psychological and physiological aspects of human sexual behavior. Emphasis placed on the integration of the cognitive, emotional, and behavioral factors in sexual functioning. Prerequisites: PSY101 with a grade of C or better or permission of instructor Student must be 18 years or older.
PSY235 Psychology of Gender To assess historical and psychological perspectives on women and men and to evaluate contemporary viewpoints regarding the psychology of women and men. Prerequisites: PSY101 with a grade of C or better or permission of Instructor.	3 Credits, 3 Periods	PSY290AB Research Methods Planning, execution, analysis, and written reporting of psychological research using American Psychological Association guidelines (APA). Surveys the literature, procedures, and instruments in representative areas of psychological research. Prerequisites: ENG101, ENG107. Prerequisites or Corequisites: PSY230 with a grade of "C" or better, or permission of Instructor.
PSY240 Developmental Psychology Human development from conception through adulthood. Includes: physical, cognitive, emotional and social capacities that develop at various ages. Recommended for students majoring in nursing, education, pre med, and psychology. Prerequisites: PSY101 with a grade of C or better, or permission of Instructor.	3 Credits, 3 Periods	Reading
PSY250 Social Psychology The scientific study of how people's thoughts, feelings, and behaviors are influenced by other people and situations. Includes how we think about ourselves and others, persuasion and influence, sexual and romantic attraction, friendship and helping others, aggression and prejudice. Prerequisites: PSY101 with a grade of C or better, or permission of Instructor.	3 Credits, 3 Periods	Division: English RDG Dept. Chair: Ms. Sheila Beeler Phone: 602.787.6949
PSY260 Psychology of Personality Introduction to theories of personality with emphasis upon application of specific theories towards the understanding of individuals. Prerequisites: PSY101 with a grade of C or better, or permission of Instructor.	3 Credits, 3 Periods	RDG071 Basic Reading Provide opportunities for practice and application of basic reading skills. Includes phonic analysis, word recognition, structural analysis, use of context clues, and use of dictionary, reinforced through practical application. Development of vocabulary required for success in content area courses. Emphasis on literal comprehension and development of inferential interpretation. Prerequisites: Appropriate reading placement test score, or grade of "C" or better in ESL/RDG046, or permission of Instructor.
PSY266 Abnormal Psychology Distinguishes between normal behavior and psychological disorders. Subjects may include stress disorders, problems with anxiety and depression, unusual and abnormal sexual behavior, schizophrenia and addictive behaviors. Causes and treatments of	3 Credits, 3 Periods	RDG081 Reading Improvement Designed to improve basic reading skills. Includes word recognition, interdisciplinary vocabulary development, recognizing patterns of organization, interpreting inference. Reviews interpreting graphic materials. Emphasis on identifying main ideas and related details. Prerequisites: Appropriate reading placement test score, or grade of "C" or better in RDG071, or permission of Instructor.
		RDG100 Successful College Reading Emphasis on reading study strategies for any introductory class in any subject area. Introduction to Learning Management System

(LMS), how to successfully read course textbooks and assessments, how to navigate information technology and development of academic vocabulary. Prerequisites: A grade of "C" or better in RDG081 or appropriate reading placement score or permission of Instructor. Corequisites: Any 100-level course in another content area or permission of Instructor.

RDG100AB 1 Credit, 1 Period
Successful College Reading - Notetaking and Studying for Success
Emphasis on reading study and notetaking techniques applicable to any introductory class in any subject area. Includes effective use of textbooks, notetaking, and development of academic vocabulary. Prerequisites: A grade of "C" or better in RDG081 or appropriate reading placement score or permission of Instructor. Corequisites: Any 100-level course in another content area or permission of Instructor.

Reading: Critical & Evaluative

Division: English
Dept. Chair: Ms. Sheila Beeler
Phone: 602.787.6948

CRE101 3 Credits, 3 Periods
College Critical Reading and Critical Thinking
Develop and apply critical thinking skills through critically reading varied and challenging materials. Includes analysis, evaluation, interpretation, and synthesis through at least two substantial writing and/or speaking tasks. Prerequisites: (A grade of "C" or better in ENG101 or ENG107) and (appropriate reading placement test score or a grade of "C" or better in RDG091 or RDG095 or RDG100 or RDG111 or RDG112 or RDG113 or permission of Instructor).

CRE201 3 Credits, 3 Periods
Critical Reading and Writing in a Global Society
Critical evaluation of writings of authors from a variety of countries and cultures in order to gain a more global perspective of both universal and contemporary issues. Analysis, synthesis, and evaluation of various contemporary cultural viewpoints through at least two substantial writing and/or speaking tasks. Prerequisites: A grade of C or better in (ENG101 or ENG107) and (CRE101 or exemption by score on the reading placement test).

Real Estate

Division: Business/Information Technology
Chair: Mr. Sean Petty
Phone: 602.787.6658

REA179 3 Credits, 3 Periods
Real Estate Principles I
Basics of real estate principles including introduction to the profession and license law, definition of real property, legal descriptions, rights and interests in property, ownership, contracts, real estate economics, financing and foreclosure, land use, and valuation. Prerequisites: None.

REA180 3 Credits, 3 Periods

Real Estate Principles II
Advanced work in real estate including escrow procedures and title insurance, liens and encumbrances, advanced contracts, water rights, toxic waste and environmental hazards, agency, ethics and professional relationships, real estate code and the Commissioner's rules, investment, property management, and government restrictions. Prerequisites: REA179 or permission of Instructor.

Recreation

Division: Health & Exercise Science
Chair: Ms. Lori Anonsen
Phone: 602.787.7295

REC155AA 1 Credit, 2 Periods
Canyoneering
Basic canyoneering skills. Includes hydrology, navigation, safety systems, climbing and hiking skills, wading/swimming techniques and flood/ weather identification. Prerequisites: None.

REC155AB 1 Credit, 2 Periods
Caving
Basic caving skills. Includes cave ecology, navigation, safety systems, lighting systems and equipment selection. Prerequisites: None.

REC155AC 1 Credit, 2 Periods
Outdoor Rock Climbing
Basic outdoor rock climbing skills. Includes belaying, climbing techniques, rope systems and anchor systems. Prerequisites: None.

REC155AE 1 Credit, 2 Periods
Indoor Rock Climbing
Basic indoor rock climbing skills. Includes belaying, climbing techniques, rope systems, anchor systems and safety. Prerequisites: None.

REC155AJ 1 Credit, 2 Periods
Outdoor Survival
Introduction to and practice of essential skills needed for procuring shelter, water and fire in a wilderness environment. Prerequisites: None.

Religious Studies

Division: Communication, Language & Humanities
Chair: Dr. David Rubi
Phone: 602.787.6578

REL100 3 Credits, 3 Periods
World Religions
The development of various religions from the prehistoric to modern times. Political, economic, social and geographic relationships among world religions. Consideration of both Eastern and Western religions. Prerequisites: None

REL101 3 Credits, 3 Periods
Introduction to Religion
Various religious expressions of humankind. Focuses on basic religious themes common to religions, such as encounter with the Holy, search for self and community, mystical illumination, spiritual discipline. Prerequisites: None.

REL201 3 Credits, 3 Periods
Classics of Western Religions
Academic study of the scriptures of Judaism, Christianity and Islam, and works from later phases of these religious traditions. Prerequisites: None.

REL203 3 Credits, 3 Periods
American Indian Religions
Tribal traditions of the peoples native to North America, and pan Indian religions in the twentieth century. Prerequisites: ENG101, or ENG107, or equivalent.

REL212 3 Credits, 3 Periods
Introduction to Islam
Introduction to history, scriptures, practices, and impact of Islam. Prerequisites: None.

REL270 3 Credits, 3 Periods
Introduction to Christianity
The nature and content of the Christian tradition developed over time, with overview of the New Testament, major historical trends and figures, major Christian ideas and practices, and survey of denominations. Prerequisites: None.

Sign Language

Division: Communication, Humanities & Languages
Chair: Dr. David Rubi
Phone: 602.787.6578

SLG101 4 Credits, 4 Periods
American Sign Language I
Introduction of principles, methods, and techniques for communicating with deaf people who sign. Development of expressive and receptive sign skills, manual alphabet, numbers, and sign vocabulary. Overview of syntax, grammar, and culture related to American Sign Language (A.S.L.). Prerequisites: None. SLG103 suggested as a corequisite but not required.

SLG102 4 Credits, 4 Periods
American Sign Language II
Continued development of knowledge and language skills for communicating with deaf people who sign. Includes numbers, fingerspelling, and culture. Emphasis on enhancement of receptive sign skills and continued development of expressive sign skills. Application of rudimentary, syntactical, and grammatical structure stressed with continued development of sign vocabulary. Prerequisites: SLG101 with a grade of "C" or better, or permission of Department or Division. Completion of prerequisites within the last three years is required.

SLG201 4 Credits, 4 Periods
American Sign Language III
Linguistics of American Sign Language (A.S.L.) including non-manual behaviors and signing English idioms with conceptual accuracy. Emphasis on practical application of A.S.L. skills, expanded vocabulary, and cross-cultural communication. Prerequisites: SLG102 with a grade of C or better, or permission of Department or Division. Suggested but not required: (ENG101 or ENG107) and (CRE101, or CRE111, or exemption by score on the reading placement test (ASSET)). Completion of prerequisites within the last three years is required.

SLG202 4 Credits, 4 Periods
American Sign Language IV
Advanced American Sign Language skills including continued vocabulary. Emphasis on conversational techniques in a cross-cultural framework. Continued work on conceptual accurate signing of English idioms and words with multiple meanings. Prerequisites: SLG201 with a grade of C or better, or permission of Department or Division. Suggested but not required: (ENG101 or ENG107), SLG200, and (CRE101, or CRE111, or exemption by score on the reading placement test). Completion of prerequisites within the last three years is required.

Small Business Management

See Business, General

Social Work

Division: Behavioral Science
Chair: Dr. Tom Schmidt
Phone: 602.787.6963

SWU171 3 Credits, 3 Periods
Introduction to Social Welfare
Analysis of contemporary social welfare services and professional social work. Prerequisites: None.

SWU258 3 Credits, 3 Periods
Victimology and Crisis Management
Victimology, the criminal justice system, techniques of crisis intervention, and the importance of a multicultural and global perspective. Includes sexual assault, family violence, post-traumatic stress disorder, the role of substance abuse, effective coping skills, appropriate community resources and the responsiveness of the justice system. Prerequisites: None.

Sociology

Division: Behavioral Science
Chair: Dr. Tom Schmidt
Phone: 602.787.6963

SOC101 3 Credits, 3 Periods
Introduction to Sociology
Fundamental concepts of social organization, culture, socialization, social institutions and social change. Prerequisites: None.

SOC212 3 Credits, 3 Periods
Gender and Society
A study of the way culture shapes and defines the positions and roles of both men and women in society. Major emphasis on social conditions which may lead to a broadening of gender roles and a reduction of gender role stereotypes and the implications of these changes. Open to both men and women. Prerequisites: None.

SOC241 3 Credits, 3 Periods
Race and Ethnic Relations
Examines how the social construction of race shapes social interaction and social institutions. Explores the consequences of power, privilege and oppression among major ethnic and racial groups in the United States. Prerequisites: None.

SOC270 3 Credits, 3 Periods
The Sociology of Health and Illness
Roles of health care providers and patients, various modalities of treatment and prevention, and the history, current status, and future trends in medicine and medical technology, and complementary health approaches from a cross-cultural and global sociological perspective. Prerequisites: None.

Spanish

Division: Communication, Humanities & Languages
Chair: Dr. David Rubi
Phone: 602.787.6578

SPA101 4 Credits, 4 Periods
Elementary Spanish I
Basic grammar, pronunciation and vocabulary of the Spanish language. Includes the study of the Spanish speaking cultures. Practice of listening, speaking, reading, and writing skills. Prerequisites: None.

SPA102 4 Credits, 4 Periods
Elementary Spanish II
Continued study of grammar and vocabulary of the Spanish language and study of the Spanish-speaking cultures. Emphasis on speaking, reading, and writing skills. Prerequisites: (A grade of "C" or better in SPA101 or SPA101AA), or permission of Department or Division. Completion of prerequisites within the last three years is required.

SPA117 3 Credits, 3 Periods
Health Care Spanish I
Basic conversational Spanish for health care workers or students. Emphasis on basic sentence structure, pronunciation and vocabulary used in health care settings. Prerequisites: None.

SPA201 4 Credits, 4 Periods
Intermediate Spanish I
Continued study of essential Spanish grammar and Spanish-

speaking cultures. Continued practice and development of reading, writing, and speaking skills in Spanish. Emphasis on fluency and accuracy in spoken Spanish. Prerequisites: A grade of "C" or better in SPA102, or SPA102AA, or SPA111, or permission of Department or Division. Completion of prerequisites within the last three years is required.

SPA202 4 Credits, 4 Periods
Intermediate Spanish II
Review of grammar, continued development of Spanish language skills with continued study of the Spanish-speaking cultures. Prerequisites: A grade of "C" or better in SPA201, or permission of Department or Division. Completion of prerequisites within the last three years is required.

Spanish Humanities

Division: Communication, Humanities & Languages
Chair: Dr. David Rubi
Phone: 602.787.6578

SPH245 3 Credits, 3 Periods
Hispanic Heritage in the Southwest
A survey of Hispanic heritage in the Southwest. Cultural and social institutions and their contribution to the development of the region and its heritage. Prerequisites: None.

Sustainability/Natural Sciences

Division: Health & Exercise Science
Chair: Ms. Lori Anonsen
Phone: 602.787.7295

SUS100 3 Credits, 3 Periods
Introduction to Sustainability
Introduction to the basic concepts of sustainability. Includes challenges of land, ocean, and resource management as well as the built environment. Also covers connections between global, local and personal sustainability challenges and responses at each level. Prerequisites: None.

SUS110 3 Credits, 3 Periods
Sustainable World
Introduction to the field of sustainability and exploration of the interaction between human and natural global systems. Framework for analyzing and investigating the global challenges such as land use change, competition for water and other natural resources, and renewable energy concerns and crises. Prerequisites: None.

Sustainability/Social Sciences and Humanities

Division: Health & Exercise Science
Chair: Ms. Lori Anonsen
Phone: 602.787.7295

SSH111 3 Credits, 3 Periods
Sustainable Cities
Introduction to the field of sustainability and exploration of the practices leading to the development of sustainable cities. Explores the concept of sustainable development of cities within local, regional, and global contexts. Prerequisites: None.

Theatre

Division: Fine & Performing Arts
Chair: Dr. Christopher Scinto
Phone: 602.787.6686

THE111 3 Credits, 3 Periods
Introduction to Theatre
A survey of theatre, including basic elements and principles of production, styles, and/or historical perspectives of theatre, dramatic literature, and criticism. Prerequisites: None.

THE118 3 Credits, 3 Periods
Playwriting
Practice and study of theories and techniques of writing for the stage, creating characters, dialogue, and plot for monodramas, scenes, and plays. Requisites: None.

THE220 3 Credits, 3 Periods
Modern Drama
Analysis of dramatic literature studied within political, historical, and cultural contexts and examined from the perspective of the playwright's structure and style. Prerequisites: ENG101 or ENG107 or equivalent.

Theatre & Film

Division: Fine & Performing Arts
Chair: Dr. Christopher Scinto
Phone: 602.787.6686

THF115 3 Credits, 4 Periods
Makeup for Stage and Screen
Purposes, materials, and techniques of makeup for stage and screen. Prerequisites: None.

THF130 3 Credits, 4 Periods
Combat for Stage and Screen
Fundamental techniques and terminology of staged combat with and without weapons. Analysis and performance of safely choreographed violence that tells a story for stage and screen. Prerequisites: None.

THF209 3 Credits, 4 Periods
Acting for the Camera
Special technical aspects of acting before a camera. Prerequisites:

THP112 or permission of Instructor.

Theatre Performance/Production

Division: Fine & Performing Arts
Chair: Dr. Christopher Scinto
Phone: 602.787.6686

THP112 3 Credits, 4 Periods
Acting I
Fundamental techniques and terminology of acting through physical and vocal expression, improvisation, and monologue and scene work. Emphasis on characterization. Prerequisites: None.

THP151 3 Credits, 4 Periods
Theatre for Youth
Principles and techniques of selecting plays, adapting stories, playwriting, directing, designing, producing, and acting in theatre for youth. The course will provide the opportunity to analyze and experience the production process from creating a script to performing a theatre production for a youth audience.

THP201AA 1 Credit, 2 Periods
Theatre Production I
Designed to give college credit to the cast and technical production crews of college theatre productions. May be repeated for up to a maximum of four (4) credits. Prerequisites: None.

THP201AB 2 Credits, 4 Periods
Theatre Production II
Designed to give college credit to the cast and technical production crews of college theatre productions. May be repeated for up to a maximum of four (4) credits. Prerequisites: None.

THP212 3 Credits, 4 Periods
Acting II
Fundamental techniques of acting through script analysis, rehearsal, and performance. Prerequisites: THP112 or permission of Department or Division.

THP213 3 Credits, 5 Periods
Introduction To Technical Theatre
Procedures of technical theatre production and demonstration. Topics include design and construction of scenery; lighting and properties. Prerequisites: None.

THP214 3 Credits, 4 Periods
Directing Techniques
Contemporary theory and practice in directing, the evolution of present-day directing procedures, and a sampling of scripts for directing practice. Principles of script analysis, blocking, casting, rehearsing, and performing. Prerequisites: THP112 or THE220, or permission of Instructor.

THP217	3 Credits, 4 Periods	Minimizing Workplace Stress
Introduction to Design Scenography		Introduction of the application of Practical Relaxation Techniques for reducing workplace stress. Defines the characteristics, process and signs of workplace stress. Includes discussions of the physiology of stress and how these responses impact daily living. Use of the biofeedback instruments to monitor the relaxation techniques such as self hypnosis, visualization, guided imagery, and meditation. Prerequisites: None.
THP219	3 Credits, 4 Periods	WED151
Introduction to Puppetry		3 Credits, 3 Periods
Use of different types of puppets in a variety of performance settings. Practical experience with diverse audiences. Requisites: None.		Introduction To Alternative Medicine
THP268	3 Credits, 6 Periods	Definition of health; exploration of mind body spirit connection in health; various therapeutic modalities; identification of strengths and limitations of alternative therapies. Also includes development of ability to critically review written material in the alternative therapy area. Prerequisites: None.
Opportunities in Production		WED162
Provides the continuing design student, dramaturge, stage management, technical director, and directing students with opportunities to expand the versatility of professional skills. Emphasis on relating their work to the total production process. Linking design ideas to production concept. Maintain dramaturge, stage manager, director documentation. Practical application of student work for portfolio development. Prerequisites: Permission of Department or Division.		1 Credit, 1 Period
THP270	2 Credits, 5 Periods	Meditation And Wellness
Musical Theatre Workshop		Physiology of meditation and its effects on physical and mental health; scholastic abilities and interpersonal relationships; differentiation between meditation and other relaxation techniques. Prerequisites: None.
Workshop in the study and performance of Musical Theatre repertoire. Including audition techniques, talent evaluation criticism, rehearsal techniques, vocal acting styles, stage movement, and performance. Prerequisites: None.		WED172
THP271	3 Credits, 3 Periods	1 Credit, 1 Period
Voice and Diction		Overview Of Herbal Remedies
Exercises and techniques to free the voice and improve projection, resonance, and articulation. Covers international phonetic alphabet and standard stage speech. Prerequisites: None.		History and evolution of herbs for healing applications. Preparation, usage, and effects of certain herbs used for healing purposes. Basic literature review skills in the area of herbal medicine. Prerequisites: None.
THP298AA	1 Credit, 1 Period	WED182
THP298AC	3 Credits, 3 Periods	2 Credits, 2 Periods
Special Projects		Health Conditions and Popular Herbs
Organized and tailored around the interests and needs of the individual student. Structured to provide an atmosphere of individualized research and study paralleled by professional expertise and guidance. Professional type facilities and equipment are made available for student use. Allows the best aspects of independent study and individualized learning to be combined to maximize student development. Prerequisites: Permission of Program Director or Instructor.		In-depth look at some of today's most popular herbs and their relationship to specific health conditions. Emphasis on research skills in relation to popular herbs. Includes the effects, uses, and application strategies of herbs. Prerequisites: None. WED172 suggested but not required.
WED257	2 Credits, 2 Periods	Kinetic Meditation
		Focuses on posture, body movement, and energy centered meditations. In depth discussion of Chinese Chi Kung exercises and Chi Meditation. Reviews influence of Taoist and Buddhist philosophies on Chi Kung practice and stress management. Explores Kinetic Meditations, and scientific research into health benefits of Chi Kung practice. Prerequisites: WED151, WED162, PED101DD and (PED101VR or PED101YJ), or permission of department.
WED258	2 Credits, 2 Periods	Auditory Meditation
		Focuses on the East Indian Yogic (Siddha) and Ayurvedic (Transcendental) meditation traditions and use of mantras, sounds and music in meditation. Discussion of the Vedanta System of Philosophy and the Bhagavad Gita. Explores the history and popularity of auditory meditations, and scientific research into the health benefits of Transcendental Meditation (TM) and other auditory meditations. Prerequisites or Corequisites: WED257 or permission of department.

Wellness

Division: Health & Exercise Science
Chair: Ms. Lori Anonsen
Phone: 602.787.7295

WED105 0.5 Credit, 0.5 Period

THE SUN SYSTEM COURSES

The SUN System is a college course numbering system designed to help Arizona students plan their education and ensure successful transfer of course credits. Refer to <http://www.aztransfer.com/sun> for more information.

Detailed information on degrees, transfer programs, course equivalency information, general education requirements, assessment, success seminars, and career information is available in the Advisement Center. We recommend that you consult with an advisor prior to registration.

LEC 3.0 3.0 3.0

ABA181 REGULATING WATER PRESSURE

Connecting piping to a water main. Plumbing connections to buildings and air and hydrostatic testing of water supply piping. Operation and installation of water heaters. Types, operation and installation of water meters. Installation of water supply systems to given structures. Effects of valves, fittings and piping on water pressure. Calculations of pressure drop and sizing procedures for water supply piping. Principles of back siphonage and backflow prevention

Registered apprentice status or permission of the apprenticeship coordinator.

Prerequisites: None. LEC 1.0

1.0 1.0

ABA183 INSTALLING AND SERVICING VALVES AND FAUCETS

Function of water pressure-reducing valves and booster systems. Installation of water pressure-reducing valves and booster systems. Types of water booster systems. Adjustment of water pressure reducing valves and booster systems. Maintenance of water pressure reducing valves and pressure booster systems Different classifications and applications

Prerequisites: None. LEC 1.5 of valves and faucets. Installation and servicing of valves and faucets. Pressure ratings for specific types of valves. Troubleshooting and repair procedures ABA192 Plumbing Level I History of plumbing, modern plumbing, safety, human relations, and

Prerequisites: None. L+L 3.0

3.0 3.0

2019-2020 Maricopa Community College District – Active Course Listings (Catalog Addendum)

construction career opportunities. Hand and power tool safety, use, and maintenance. Plumbing drawings, components, and symbols. Materials, schedules for plastic, copper, and cast-iron. Fittings, valves, hangers, and supports. Measuring, cutting, reaming, and joining pipe. Safety precautions for installation, operation and maintenance. Fixtures and faucets. Drain, waste, and vent systems. Water distribution systems. ABA201 Overcurrent Protection Overcurrent protection including terminology, safety factors, conformance to the National Electrical Code (NEC), fuses, circuit breakers and short circuits. Selection and sizing of overcurrent protection

LEC 1.0 1.0 1.0

ABA202 Conductor Selection and Calculations

Registered Apprentice status or permission of the apprenticeship coordinator.

Conductor characteristics and selection

Registered Apprentice status or

LEC 1.0 criteria for specific applications.

permission of the apprenticeship

1.0 1.0 National Electrical Code (NEC)

coordinator. regulations governing conductors and conductor protection methods for single and branch circuits. Calculations for voltage drop and sizing for specific Loads ABA203 Load Calculations - Branch

Circuits Load calculations for single-phase and

LEC 1.0 three-phase branch circuits. Sizing

1.0 1.0 branch circuit overcurrent protection devices. Derating factors and calculating ampacity for single-phase and three-phase loads. Use of National Electrical Code (NEC) to calculate residential loads.

Selecting branch circuit conductors and overcurrent protection devices for electric heat, air conditioning equipment, motors and welders ABA204 Contactors and Relays Operating principals of contactors and relays. Function in an electrical system.

Registered Apprentice status or permission of the apprenticeship coordinator.

Prerequisites: None. LEC 1.0

1.0 1.0

2019-2020 Maricopa Community College District – Active Course Listings (Catalog Addendum)

Operation and installation of specific contactors and relays. Interpretation of wiring diagrams. Connect and test a simple control circuit ABA207 Construction Trades: Green Environment

LEC 1.0 1.0 1.0

ABA222 Introduction to Welding, Brazing and Cutting

Daily activities at work and at home that affect green environment. Leadership in Energy and Environmental Design (LEED) rating process. Carbon footprint and ways to reduce it. Construction of buildings that affect green environment. Application of principles of green building rating system.

Registered apprenticeship status or permission of Apprenticeship Coordinator.

Arc welding theory and safety hazards.

Prerequisites: Registered

L+L 2.0 AC, DC and AC-DC welding machines.

apprentice status or permission of

3.0 3.0 Use of electrodes and safety

the apprenticeship coordinator. requirements for arc-welding. Basic welding techniques and gas metal-arc and gas tungsten-arc welding processes. Brazing and cutting using an oxyacetylene torch.

ABA226 Field Measuring and Fitting Field measuring practices including

LEC 0.5 applicable mathematical formulas and

0.5 0.5 functions. Includes problem solving exercise ABA231 Introduction to Reinforcing Concrete Use of reinforced concrete and

reinforcing steel. Reinforced concrete in specific settings. Bar supports, bar lists, fabrication options, cutting, bending, tying, splicing and placing reinforcing bars (rebars).

Registered apprentice status or permission of the apprenticeship coordinator.

LEC 1.0 1.0 1.0

ABA232 Electrical V The course content includes Load Calculations - Branch and Feeder Circuits, Conductor Selection and Calculations, Overcurrent Protection, Raceways/Wiring/Devices and Boxes, Voice/Data and Video.

Prerequisites: (Registered apprentice status and a grade of C or better in ABC135) or permission of the apprenticeship coordinator.

L+L 6.0 6.0 6.0

ABA234 Electrical VI Theories and concepts in distribution

equipment, transformers, and commercial electrical services. Emphasis on motor calculations and

Prerequisites: Registered apprenticeship status or permission of Apprenticeship Coordinator.

Prerequisites: Registered

voice/data and video. Operation of motor controls. ABA242 Electrical VII Principles of course load calculations, feeder and services and specialty transformers. Selection of standby and emergency systems. Emphasis on basic electronic theory, fire alarm systems and health care facilities.

L+L 6.0 6.0 6.0

ABA244 Electrical VIII Principles of heating, ventilation, and air

conditioning (HVAC) controls and heat tracing. Use and control of freeze protection. Basics in motor operation and maintenance. Focus on medium- voltage terminations/splices and special locations.

Fundamentals of Crew Leadership.

Prerequisites: Registered apprenticeship status or permission of Apprenticeship Coordinator.

L+L 6.0 6.0 6.0

ABA251 High Voltage Termination and

Splicing

Prerequisites: Registered apprenticeship status or permission of Apprenticeship Coordinator.

LEC 1.0 1.0 1.0

ABA252 Load Calculations Feeder and

Services

Terminations and splices in high voltage

Registered Apprentice status or systems (600+ volts). Identifying and permission of the apprenticeship splicing specific types of cables and coordinator. making terminations. Includes using splicing kits and following manufacturer's specifications. Testing techniques and calculations Calculating basic electrical Loads. Load Registered Apprentice status or LEC 1.0 calculations for residential, commercial permission of the apprenticeship 1.0 1.0 and industrial facilities, including coordinator. primary feeder Loads, service Loads, lighting, motors, special Loads and heating, ventilation and air conditioning (HVAC) ABA253 Motor Maintenance-Part 2 Principles of electric motor operation LEC 1.0 including reduced voltage starting. 1.0 1.0 Properties of insulation and motor service conditions. Dielectric Voltage Withstand Test. Cleaning and drying electrical insulation. Troubleshooting electric motors ABA254 Advanced Motor Controls Operating principles of motor controls including solid-state controls. Motor braking, jogging, plugging and safety. Registered Apprentice status or permission of the apprenticeship coordinator. Registered Apprentice status or LEC 1.5 permission of the apprenticeship 1.5 1.5 coordinator.

2019-2020 Maricopa Community College District – Active Course Listings (Catalog Addendum)

Introduction to Programmable Logic Controller (PLC) motor programming ABA255 Commercial, Industrial and Special

Lighting

Operating characteristics of

LEC 0.5 incandescent, fluorescent and high

0.5 0.5 intensity discharge lamps. Lighting controls and fixture installations. Blueprint reading exercise for commercial and industrial installations. Lighting requirement calculations. National Electrical Code (NEC) requirements for specialty lighting fixtures ABA256 Fire Alarm Systems Operating principles of fire alarm systems. Components of fire alarm and security systems. Installation of heat and smoke detectors.

National Electrical Code (NEC) requirements. Troubleshooting and maintaining fire alarm systems

Registered Apprentice status or permission of the apprenticeship coordinator.

trays. Also methods of terminating and splicing conductors ABC131 Cable Tray Installation National
Electrical Manufacturer's Association (NEMA) and National Electrical Code (NEC) requirements for cable
tray modified installation and cable installation procedures.

L+L 0.5 0.5 0.5

ABC132 Circuit Breakers and Fuses National Electrical Code (NEC)
requirements, Ground Fault Circuit Interrupters (GFCI), overcurrents, fuse sizing, safety techniques and
short-circuit calculations.

Registered apprentice status or permission of the Apprenticeship Coordinator.

L+L 1.0 1.0 1.0

ABC133 Basic Lighting Principles of illumination and specific
light sources. Includes practical applications for residential, commercial and industrial installations

Registered apprentice status or permission of the Apprenticeship Coordinator.

L+L 1.0 1.0 1.0

ABC135 Fundamentals of Concrete Materials used to make concrete,
including specific types of cement, aggregate, admixtures and reinforcing materials. Handling procedures
for concrete, conveying and placing concrete and finishing techniques for concrete slab. Construction of
foundations and formwork

Registered apprentice status or permission of the apprenticeship coordinator.

LEC 1.0 1.0 1.0

ABC136 Roof Systems Defining roof terminology. Identifying and understanding specific roof systems. Using the framing square and essex scale to calculate and measure specific types of rafters. Transcribing and transferring measurements onto rafters. Using "speed square" to determine measurements for specific types of rafters. Defining unequal roof pitch. Identifying specific types of plank and beam roofs and roof trusses used in the industry today.

Registered apprentice status or permission of the apprenticeship coordinator.

LEC 1.0 1.0 1.0

ABC141 SMACNA Manuals and Duct Fab Standards

Prerequisites: (Registered apprentice status and a grade of C or better in ABC/MEC/PNT120) or permission of the Apprenticeship Coordinator.

Standards, codes and ordinances,

Prerequisites: None. LEC 0.5 according to the Sheet Metal and Air

0.5 0.5 Conditioning Contractors National Association (SMACNA) manuals.

2019-2020 Maricopa Community College District – Active Course Listings (Catalog Addendum)

Operating pressures, specific sealing requirements, connectors, reinforcing/gage requirements, specific seam types for duct fabrication and use of charts and tables ABC142 Alternating Current Production of electricity, including; current, voltage, induction, mutual inductance and capacitance. Calculations using Ohms Law. Operation of a three phase system.

LEC 1.0 1.0 1.0

ABC143 Motors: Theory and Application Overview of electric motors including types, operation, and applications. Assembly and disassembly. Mounting and connections according to National Electrical Code (NEC). Also troubleshooting, installation and handling

Prerequisites: (Registered apprentice status and a grade of C or better in ABC/MEC/PED120) or permission of the Apprenticeship Director.

LEC 2.0 2.0 2.0

ABC144 Grounding Types of grounding and proper installation of grounds and grounding. OSHA and National Electrical Code (NEC) requirements specific to grounding. Purpose and operation of Ground Fault Circuit Interrupters (GFCI). Effects of soils and environment. Selection of grounds and grounding material for specific situations. Testing grounds with a "megger"

Registered Apprentice status or permission of the apprenticeship coordinator.

LEC 1.0 1.0 1.0

ABC148 Blueprints and Specifications- Sheet Metal

Registered Apprentice status or permission of the apprenticeship coordinator.

Prerequisites: None. LEC 2.0

2.0 2.0

ABC150 Hand and Power Tools and Motorized Equipment

Reading and interpretation of blueprints, specifications and shop drawings. Includes elevations, detail views, section views of electrical, plumbing and mechanical drawings and prints Selection, use and care of hand and

Registered Apprentice status or

LEC 2.0 power tools specific to the pipefitting permission of the apprenticeship

2.0 2.0 trade. Identification, use, safety

coordinator. procedures and maintenance of motorized equipment utilized in pipefitting

AES201 Evolution of USAF Air and Space Power I

Focuses on facilitating the transition from Air Force ROTC cadet to Air Force ROTC candidate. Examines the general aspects of air and space power through a historical perspective. Utilizing this perspective, covers a time period from the first balloons and dirigibles to the modern technology currently used in overseas contingency operations. Featured topics include: Air Force heritage, Air Force leaders, introduction to ethics and values, group leadership problems and continuing application of communication skills. The Leadership Laboratory component provides dynamic and

integrated grouping of leadership developmental activities designed to meet the needs and expectations of prospective Air Force second lieutenants and complement the AFROTC academic program. Provides application of advanced drill and ceremonies; issuing commands; knowing flag etiquette; and developing, directing, and evaluating skills to lead others.

MISSION: THE MISSION OF THE PARADISE VALLEY COMMUNITY COLLEGE HONORS PROGRAM IS TO PROVIDE PROMISING SCHOLARS WITH CHALLENGING, INNOVATIVE, AND ENRICHING LEARNING OPPORTUNITIES WITHIN A CLOSE COMMUNITY COMPRISED OF FACULTY MENTORS AND HONORS STUDENTS. IN THIS ATMOSPHERE, OUR STUDENTS LEARN TO THINK CRITICALLY, COMMUNICATE EFFECTIVELY, AND ACT WITH INTEGRITY. PVCC'S HONORS SCHOLARS ARE ENCOURAGED TO TAKE FULL RESPONSIBILITY FOR THEIR JOURNEY OF LIFE-LONG LEARNING AND TO EXCEL IN SCHOLARSHIP, LEADERSHIP, AND CIVIC RESPONSIBILITY.

SCHOLARSHIPS:

PRESIDENTS' HONORS SCHOLARSHIP (FOR RECENT HIGH SCHOOL GRADUATES)

FULL-TIME TUITION (UP TO 15 CREDIT HOURS)

REGISTRATION FEE

UP TO FOUR CONSECUTIVE SEMESTERS

HONORS ACHIEVEMENT AWARD (CONTINUING STUDENTS AND RETURNING ADULTS)

\$244-\$500 PER SEMESTER • BASED ON CREDIT HOURS OF ENROLLMENT

SELECTED SCHOLARSHIPS

CHANCELLOR'S (CURRENT HONORS STUDENTS)

THIS SCHOLARSHIP COVERS TUITION AND FEES FOR ONE FULL YEAR PLUS \$150.00 PER SEMESTER FOR BOOKS AND SUPPLIES. TO BE ELIGIBLE, A CURRENT FULL-TIME HONORS STUDENT MUST PLAN TO ENROLL ON A FULL-TIME BASIS FOR THE FOLLOWING YEAR AND MAINTAIN A GPA OF 3.25 OR HIGHER. ONE SCHOLARSHIP IS AWARDED AT EACH COLLEGE ANNUALLY.

PRESIDENTS' HONORS SCHOLARSHIP: THE PRESIDENTS' HONORS SCHOLARSHIP COVERS IN-STATE/IN-COUNTY TUITION UP TO 15 CREDIT HOURS (PLUS THE \$15 REGISTRATION FEE) PER SEMESTER, BUT DOES NOT APPLY TO SUMMER SESSIONS. TO BE ELIGIBLE, STUDENTS MUST ENROLL AT THE MARICOPA COMMUNITY COLLEGE OF YOUR CHOICE IN THE ACADEMIC YEAR (TWO ACADEMIC SEMESTERS) FOLLOWING HIGH SCHOOL REQUIREMENTS WITHOUT HAVING ATTENDED ANOTHER ACCREDITED COLLEGE OR UNIVERSITY BEFORE ENROLLING IN A MARICOPA COMMUNITY COLLEGE (SUMMER SESSION EXCLUDED).

ELIGIBILITY REQUIREMENTS: COMPLETION OF A SECONDARY EDUCATION PROGRAM IN MARICOPA COUNTY (INCLUDING NCA-ACCREDITED, CHARTER, PRIVATE, RELIGIOUS HIGH SCHOOLS, HOMESCHOOL), WITH A FINAL, UNWEIGHTED, GPA OF 3.25 OR HIGHER.

REQUIRED APPLICATION MATERIALS:

A SIGNED MCCCDC PRESIDENTS' HONORS SCHOLARSHIP AGREEMENT.

AN OFFICIAL FINAL SEMESTER HIGH SCHOOL TRANSCRIPT MUST BE SENT VIA U.S. MAIL TO THE COLLEGE HONORS PROGRAM AT THE MARICOPA COMMUNITY COLLEGE THAT YOU PLAN TO ATTEND. IT

MUST BE IMPRESSED AND SEALED BY THE HIGH SCHOOL AND SHOW YOUR GRADUATION DATE, CLASS RANK, AND FINAL CUMULATIVE GRADE POINT AVERAGE. PLEASE INQUIRE WITH THE COLLEGE HONORS OFFICE FOR HOME SCHOOL HIGH SCHOOL TRANSCRIPT GUIDELINES.

YOUR SCHOLARSHIP CANNOT BE AWARDED UNTIL YOUR FINAL TRANSCRIPT HAS BEEN RECEIVED.

HONORS ACHIEVEMENT AWARD: THE HONORS ACHIEVEMENT AWARD SCHOLARSHIP IS AVAILABLE TO CONTINUING STUDENTS AND AWARDS BASED ON THE NUMBER OF CREDITS THEY COMPLETE IN A SEMESTER. THE AMOUNTS ARE:

12 OR MORE GRADED CREDITS, \$500 AWARD

9 TO 11 CREDITS, \$325 AWARD

6 TO 8 CREDITS, \$244 AWARD

ELIGIBILITY REQUIREMENTS: A PARADISE VALLEY COMMUNITY COLLEGE STUDENT WHO HAS COMPLETED AT LEAST 12 GRADED CREDITS IN COURSES NUMBERED 100 OR ABOVE WITHIN THE MARICOPA COMMUNITY COLLEGE DISTRICT (MCCCDC) AND HAS A CUMULATIVE GRADE POINT AVERAGE (GPA) OF 3.25 OR HIGHER MAY JOIN THE HONORS PROGRAM AND BE ELIGIBLE TO RECEIVE AN HONORS PROGRAM ACHIEVEMENT AWARD DURING THE SEMESTER IN WHICH AN HONORS COURSE IS COMPLETED. TO JOIN, STUDENTS MUST:

HAVE SUBMITTED A COMPLETED HONORS PROGRAM APPLICATION.

HOLD A MINIMUM CUMULATIVE DISTRICT-WIDE GPA OF 3.25 OR HIGHER AND HAVE A MINIMUM OF TWELVE COMPLETED CREDIT HOURS (MUST BE 100 LEVEL OR ABOVE) AT ONE OR ANY COMBINATION OF THE MCCCDC COLLEGE(S).

BE ENROLLED IN A MINIMUM OF ONE (1) – THREE (3) CREDIT HONORS CLASS PREFERABLY AN HONORS-ONLY CLASS FOR EVERY SEMESTER PARTICIPATING.

HONORS PROGRAM BENEFITS & OPPORTUNITIES:

FREE PRINTING, LAPTOP CHECKOUTS, A STUDY/COMMUNITY CENTER, AND SYMPHONY TICKETS

HONORS-ONLY CLASSES IN MANY ACADEMIC DISCIPLINES

ACTIVE, SMALL GROUP LEARNING SUPPORTED BY RELATED EXTRA-CURRICULAR ACTIVITIES

LEADERSHIP POSITIONS AND COMMUNITY INVOLVEMENT EVENTS THROUGH THE STUDENT HONORS ADVISORY COUNCIL (SHAC)

CUSTOMIZE YOUR OWN HONORS CURRICULUM AND PARTICIPATE IN RESEARCH THROUGH HONORS PROJECTS

SMALL CLASS SIZES

TRAVEL OPPORTUNITIES INCLUDING BUT NOT LIMITED TO THE HONORS RETREAT, HONORS EXPLORER CLASSES, AND NATIONAL AND REGIONAL HONORS CONFERENCES

ALL-USA, CHANCELLORS' AND FOUNDATION SCHOLARSHIPS

FINE ARTS AND CULTURAL EXPERIENCES

STUDENTS. IN THIS ATMOSPHERE, OUR STUDENTS LEARN

Center for International Studies

The Center for International Studies at PVCC provides students with the opportunity to broaden their educational experience to include the countries of the Pacific Rim, both Asia and Latin America, that are affecting life in Arizona.

Both international and intercultural perspectives are integrated into a variety of disciplines. This infusion ensures that students develop the knowledge, skills, attitudes, and values necessary for success in a changing, multicultural world.

Within the Center for International Studies, courses fall under three options:

- 1) International Studies Academic Certificates
- 2) International Business Programs
- 3) International Studies Courses

GLOBAL STUDIES ACADEMIC CERTIFICATE

The Academic Certificate in Global Studies is designed to provide:

- 1) a foundation in general education courses relevant to global studies;
- 2) a specialization in global education for teaching faculty;
- 3) a foundation in global courses for people in government agencies or in local business and industries with international interests in Asia or Latin America; and
- 4) a wide offering of global studies courses for more meaningful experiences for international travelers.

INTERNATIONAL BUSINESS PROGRAMS

Rapid expansion of international business motivates companies to seek out opportunities originating beyond U.S. borders. As the world economy becomes increasingly integrated, the international businessperson is more important than ever. As part of PVCC's General Business AAS degree, with a specialization area in international business, this curriculum prepares future managers to understand and function in the global economy of the increasingly borderless world. The Certificate of Completion in International Business prepares students for careers in or advancement within international business and related professions.

Please contact an Advisor to assist you in your course selections.

INTERNATIONAL STUDIES COURSES

International Studies courses are either a specialized International Studies course (as indicated by its title) or a traditional course that has been infused with International Studies content. For example, ARH210: Asian Art and ARH217: Mexican Art History are specialized, more detailed courses focused on particular subjects that are International Studies in nature; whereas ARH101 (Prehistoric thru Gothic Art) and ARH102 (Renaissance thru Contemp. Art) are traditional courses that now contain modules providing students the opportunity to study not only the "Western" tradition, but also traditions associated with India and its sphere of influence in south and southeast Asia, and with China and its traditional sphere of influence in Korea and Japan. Courses with International Studies content can be found in the class schedules under the following headings:

- | | |
|---------------------------|---------------------------|
| Anthropology (ASB / ASM) | Int'l Business (IBS) |
| Art Humanities (ARH) | Japanese (JPN) |
| Biology (BIO) | Journalism (JRN) |
| Business (GBS) | Mass Communication (MCO) |
| Ceramics (ART) | Music History & Lit (MHL) |
| Communication (COM) | Philosophy (PHI) |
| Computer Info. Syst (CIS) | Physical Education (PED) |
| Dance (DAH / DAN) | Political Science (POS) |
| Economics (ECN) | Psychology (PSY) |
| Education (EDU) | Religion (RLG) |
| Emerg. Med. Tech. (EMT) | Social Work (SWU) |
| English (ENG) | Sociology (SOC) |
| English Humanities (ENH) | Spanish (SPA) |
| Exercise Science (EXS) | Spanish Humanities (SPH) |
| French (FRE) | Theatre Arts (THE) |
| Geography (GCU / GPH) | Wellness (WED) |
| Geology (GLG) | |
| German (GER) | |
| History (HIS) | |
| Humanities (HUM) | |

The University of Arizona Transfer to UA in Phoenix

Launched in Fall 2015, the UA North Valley (UANV) extension campus offers a degree completion program for students to earn a bachelor's degree from the University of Arizona in the Phoenix area. Entering students must have completed an AGECE certificate, and are encouraged to complete an associate degree prior to transferring. Students will then complete 60 additional units of General Studies coursework with University of Arizona faculty at Paradise Valley Community College campus to earn a Bachelor of General Studies (BGS).

This multi-disciplinary program allows students to concentrate their studies on one of several themes:

- Arts, Media, and Entertainment
- Economy and Industry
- Global and Intercultural Understanding
- Social Behavior and Human Understanding
- Study of the U.S. and the American Experience

A Bachelor of General Studies degree fosters students' ability to think critically and broadly about the world and trains students in how to express their questions and ideas in different formats. They can further expand their skills by participating in the internship component of the program. Students will benefit from small classes, faculty guidance, and a structured learning environment. Students will also enjoy access to the world-class resources and connections of the University of Arizona while staying in Phoenix.

The BGS program at UA North Valley provides the student-focused experience of a small liberal arts college within students' budgets. UANV operates on a lower tuition model than main campus and students have access to UA's transfer scholarships, including the Bridge award and an alumni scholarship.

For more information, please visit uanv.arizona.edu or contact Dr. Victoria N. Meyer, vmeyer@email.arizona.edu.

Find Yourself at The University of Arizona

As the leading public university in the Southwest, and one of the top universities in the world, UA offers more options to earn a degree and a college experience like any other. You can select from 250 undergrad degrees offered by 14 colleges – not to mention double majors, triple majors, and minors. If you're still on the fence about your major, we make it easy for you to find your fit. UA Degree Search (degreesearch.arizona.edu) helps students explore and compare majors side by side. You can also search for majors by college, math or second language requirements, personal interests, and more.

If you're an Arizona resident who is working on your associate's degree, and you know that you're destined to be a Wildcat, check out the UA Bridge (uabridge.arizona.edu) program. Bridge students are also assigned a Transfer Counselor and are eligible for a \$2,000 renewable, annual scholarship for students who are a year away from transferring to the UA.

MIDWESTERN UNIVERSITY
COLLEGE OF PHARMACY

If you are interested in transferring and working toward a degree in medicine, pharmacy, biomedical sciences, or other health sciences area, please contact:

NORTHERN ARIZONA UNIVERSITY

Paradise Valley Campus

NAU's 3+1=

NAU's flexible B.A. and B.S. in Interdisciplinary Studies offers you an opportunity to design a plan of study (in consultation with an advisor) to meet your individualized educational needs. This program offers an emphasis in Public Management.

This degree is appropriate if you plan to enter an occupation which requires a broad general education, if you want to work within a local, state, or federal government agency, are seeking career advancement, or if you are considering a pre-professional plan.

Program Highlights:

- Students complete 90 credits with the community college at the community college tuition rate!
- Only 30 credits are required with NAU and can be completed within 1 year!
- Students can choose between a B.A. or B.S. degree.
- Students only attend class twice a week for a full-time schedule or once a week with a part-time schedule.
- Classes are small and will not exceed 25-30 students.
- On-site advisor to assist you with the admissions process and program completion.

Please email us at paradisevalley@nau.edu or visit our offices in the KSC Building, 2nd Floor

NAU @ PVCC

NAU-Paradise Valley is located on the Paradise Valley Community College campus. We offer several undergraduate degree programs, as well as the PVCC2NAU program. PVCC2NAU is a joint admission program between Paradise Valley Community College and Northern Arizona University.

PROGRAMS

- PVCC2NAU
- Bachelor of Business Administration
- BAS in Administration
- BAS in Justice Administration
- BAS in Public Agency Management
- BAS in Technology Management
- BA/BS in Interdisciplinary Studies-Justice Administration (90/30)
- BA/BS in Interdisciplinary Studies-Emergency Services Administration (90/30)
- BA/BS in Interdisciplinary Studies-Public Management (90/30)
- BA/BS in Interdisciplinary Studies-Technology Management (90/30)
- BSEd in Special and Elementary Education (dual major)

WANT MORE INFORMATION?

Maricopa ASU Pathways Program (MAPP)

Maricopa to ASU Pathways Program

Ranked as one of the top colleges in the nation and the world for academics, innovation and values, Arizona State University offers more than 300 undergraduate degree programs and is a top choice for Arizona community college students.

The Maricopa to ASU Pathways Program is designed for students who plan to pursue a two-year degree at a Maricopa community college and complete a bachelor's degree at ASU. In MAPP, you follow a prescribed sequence of course work at a Maricopa community college that meets the lower-division course requirements for an ASU major. When you complete your MAPP, you will have met the requirements for your associate degree and be on track toward earning your chosen bachelor's degree at ASU.

Maricopa to ASU Pathways Program Timeline

As you work toward your associate degree at a Maricopa community college, keep in mind that you must complete the MAPP within a period of three years.

Benefits of the Maricopa to ASU Pathways Program include:

- guaranteed admission to ASU degree programs when all MAPP requirements are met
- cost-effective pathway ensuring all courses transfer and apply to an ASU degree
- 24/7 access to electronic tools, including the Pathway Tracker and My ASU to provide clear documentation of degree progress
- access to ASU transfer specialists and other pre-enrollment services on site at Maricopa community colleges
- invitations to special college events at ASU

The following are the terms for taking part in the Maricopa to ASU Pathways Program:

- working with your community college and ASU advisor to monitor progress on the MAPP
- completing the MAPP with a specified GPA and any special requirements
- completing the MAPP in a period not to exceed three years
- agreeing that student academic data and advising information may be shared between your community college and ASU
- pathway certification verifying completion of the MAPP requirements
- Pathways have been created for ASU's highest demand undergraduate degrees. The following degree programs are available through MAPP (these programs pertain to all Maricopa community colleges, however, course offerings vary by location):

• **For more information, see: www.asu.edu/transfer**

Grand Canyon University 3+1 Transfer Degree Programs

Grand Canyon University has transfer partnership Bachelor Degree programs in the following areas:

Bachelor of Science in Biology (3+1)

- Preparation in Basic Biological Sciences, Pre-Physician Assistant, Pre-Medicine, Pre-Physical Therapy or Pre-Pharmacy
- Transfer up to 84 community college credits of recommended courses including an Associate of Business
- Complete 36-40 credits at Grand Canyon University

Bachelor of Science in Business (3+1)

- Preparation in Applied Management, Business Administration, Business Management, Entrepreneurial Studies, Finance and Economics, Marketing, Sports Management or Public Safety and Emergency Management
- Transfer up to 84 community college credits of recommended courses including an Associate of Business
- Complete 36-40 credits at Grand Canyon University

Bachelor of Arts

- Preparation in Christian Studies, Government or Communications
- Transfer up to 84 community college credits of recommended

Bachelor of Science

- Preparation in Forensic Science, Psychology, Justice Studies, Engineering, Computer Science, Information Technology, Exercise Science or Education
- Transfer up to 84 community college credits of recommended

For more information about specific programs, transfer options, and scholarships, contact a Grand Canyon University representative at 1.800.800.9776 or visit their website at <http://www.gcu.edu/admissions/college-transfer-center.php>.

For information about the Bachelor of Science in Biology and the preparatory program at PVCC, contact Dr. Scott Massey at 602.787.6642

Catalog Common Pages 2019-2020

MARICOPA COUNTY COMMUNITY COLLEGE DISTRICT

2.2.6 Academic Advising and New Student Orientation; 2.2.7 Student Assessment and Course Placement; 2.5.3 Student Records (FERPA), AMENDED through the Administrative Regulation Process, June 4, 2019
2.2.13 University Transfer ADOPTED through the Administrative Regulation Process, June 4, 2019
2.2.1 Admission Policy AMENDED by Direct Approval by the Chancellor, June 4, 2019

The following are a portion of the Administrative Regulations used in managing the day-to-day operations of the Maricopa County Community College District (MCCCD) and are subject to change. Administrative Regulations are amended, adopted, or deleted as necessary and are subject to a formal approval process. Administrative Regulations are referenced by number, which corresponds with the regulations on the MCCCD web site:

<https://district.maricopa.edu/regulations>

Some regulations include reference to Arizona Revised Statutes from the State of Arizona and are noted as “ARS” followed by a reference number.

2.4.1 General Statement

The Maricopa Community Colleges are dedicated to providing a healthy, comfortable and educationally productive environment for students, employees and visitors.

2.4.2 Nondiscrimination (see [5.1.1 Maricopa EEO Policy](#))

It is the policy of the Maricopa District (consisting of Chandler-Gilbert Community College, the District Office, Estrella Mountain Community College, GateWay Community College, Glendale Community College, Maricopa Skill Center, Mesa Community College, Paradise Valley Community College, Phoenix College, Rio Salado Community College, Scottsdale Community College, and South Mountain Community College) to:

Recruit, hire, and promote in all job groups, and to ensure that all Human Resources (HR) employment selection and decision practices do not discriminate, nor tolerate discrimination in employment or education, against any applicant, employee, or student on the basis of race, color, religion, sex, sexual orientation, gender identity, national origin, citizenship status (including document abuse), age, disability, veteran status or genetic information.

All HR employment selection and decision practices pertaining to advertising, benefits, compensation, discipline (including probation, suspension, and/or involuntary termination for cause or layoff), employee facilities, performance evaluation, recruitment, social/recreational programs, and training will continue to be administered without regard to race, color, religion, sex, sexual orientation, gender identity, national origin status, citizenship status (including document abuse) , age, disability, veteran status or genetic information.

Hold each level of management responsible for ensuring that all employment policies, procedures, and activities are in full compliance with all applicable federal, state, and local EEO statutes, rules, and regulations.

2.4.3 Equal Opportunity Statement (see [5.1.3 EEO Policy Statement](#))

It is the policy of Maricopa to promote equal employment opportunities through a positive continuing program. This means that Maricopa will not discriminate, nor tolerate discrimination in employment or education, against any applicant, employee, or student because of race, color, religion, sex, sexual orientation, gender identity, national origin, citizenship status (including document abuse), age, disability, veteran status or genetic information. Additionally, it is the policy of Maricopa to provide an environment for each Maricopa job applicant and employee that is free from sexual harassment, as well as harassment and intimidation on account of an individual's race, color, religion, sex, sexual orientation, gender identity, national origin, citizenship status (including document abuse) , age, disability, veteran status or genetic information.

In addition, lack of English language skills is not a barrier to admission into Career and Technical Education (CTE) programs or skill centers. Students who enroll will be supported in the development of these skills by classes in English as a second language and other resources. Translation services and bilingual instruction can also be provided: contact college designee for more information.

AFFIRMATIVE ACTION STATEMENTS

Affirmative Action Policy Statement for Individuals with Disabilities

In conformance with the provisions of Section 503 of the Rehabilitation Act of 1973, as amended, and the implementing regulations, 41 CFR 60-741.5 (a), as amended, Maricopa County Community College District will not discriminate, nor tolerate discrimination in employment or education, against any applicant, employee, or student because of physical or mental disability in regard to any position for which the known applicant or employee is qualified. Maricopa agrees to take affirmative action to employ, advance in employment, and otherwise treat known qualified individuals with disabilities without regard to their physical or mental disability in all human resources selection and decision practices, such as the following: advertising, benefits, compensation, discipline (including probation, suspension, and/or termination for cause or layoff), employee facilities, performance evaluation, recruitment, social/recreational programs, and training. Maricopa will also continue to administer these practices without regard to race, color, religion, sex, sexual orientation, gender identity, national origin, citizenship status (including document abuse), age, disability, veteran status or genetic information. Additionally, all applicants and employees are protected from coercion, intimidation, interference, or discrimination for filing a complaint or assisting in an investigation under the Act.

Affirmative Action Policy Statement for Other Eligible Veterans, Special Disabled Veterans, and Vietnam Era Veterans

In conformance with the Vietnam Era Veterans Readjustment Assistance Act of 1974, the Veterans Employment Opportunities Act of 1998, and the implementing regulations, 41 CFR 60-250 (k), Maricopa County Community College District will not discriminate, nor tolerate discrimination in employment or education, against any applicant, employee, or student because he or she is a special disabled veteran or Vietnam era veteran in regard to any position for which the known applicant or employee is qualified. Maricopa agrees to take affirmative action to employ, advance in employment, and otherwise treat known qualified special disabled veterans and Vietnam era veterans without discrimination based upon their disabled or veteran status in all human resources selection and decision practices, such as the following: advertising, benefits, compensation, discipline (including probation, suspension, and/or termination for cause or layoff), employee facilities, performance evaluation, recruitment, social/recreational programs, and training. Maricopa will continue to administer these practices without regard to race, color, religion, sex, sexual orientation, gender identity, national origin, citizenship status (including document abuse), age, disability, veteran status or genetic information. Additionally, Maricopa agrees to post all suitable job openings at the local office of the State employment service where the job opening occurs. This includes full-time, temporary greater than 3 days' duration, and part-time employment. Finally, all applicants and employees are protected from coercion, intimidation, interference, or discrimination for filing a complaint or assisting in an investigation under the Act.

Notice of Americans with Disabilities Act (ADA)/ Section 504 of the Rehabilitation Act/Title IX Coordinator

ADA/504/Title IX Coordinator | Address | Phone # | Email address

Under the ADA and Section 504, Maricopa recognizes the obligation to provide overall program accessibility throughout its locations for disabled individuals. The designated ADA/504/Title IX Coordinator at each college/center will provide information as to the existence and location of services, activities, and facilities that are accessible to and usable by individuals with disabilities. Likewise, under Title IX, there is an obligation to provide services and program accessibility in a gender-neutral manner.

Students with disabilities may request catalog information in an alternative format from the college ADA/504 Coordinator.

DECLARACIONES DE ACCIÓN AFIRMATIVA

Mandato de No Discriminación

Es el mandato de los Colegios Comunitarios del Condado de Maricopa (The Maricopa Community Colleges) que consisten del Centro de Apoyo del Distrito, los colegios comunitarios de Chandler-Gilbert, Estrella Mountain, Gateway, Glendale, Mesa, Paradise Valley, Phoenix, Rio Salado, Scottsdale, South Mountain y el Centro de Capacitación de Maricopa, proveer igualdad en las oportunidades de empleo mediante un programa continuo y positivo. Esto significa que Maricopa no discriminará o tolerará discriminación en empleo o educación en contra de ningún aplicante, empleado, o estudiante debido a su raza, color, religión, sexo, orientación sexual, identidad sexual, origen nacional, ciudadanía (incluyendo abuso de documentos), edad, incapacidad, estado de veterano/a o información genésica. Así mismo, es el mandato de los Colegios Comunitarios proveer para cada aplicante, empleado, y estudiante un ambiente libre de acoso sexual como también libre de acoso e intimidación referente a raza, color, religión, sexo, orientación sexual, identidad sexual, origen nacional, ciudadanía (incluyendo abuso de documentos), edad, incapacidad, estado de veterano/a o información genésica.

Este mandato de no discriminación cubre todos los aspectos de contratación del empleado, ingreso, acceso a, y tratamiento de alumnos en los Colegios Comunitarios de Maricopa los cuáles incluyen también programas de educación vocacional. Este mandato también prohíbe discriminación en base de orientación sexual en la admisión y tratamiento de estudiantes, en sus programas y actividades y en la contratación, tratamiento, promoción/ascensos, evaluación y despido de empleados.

Declaración de Igualdad de Oportunidad

Es el mandato de los Colegios Comunitarios del Condado de Maricopa promover igualdad en las oportunidades de empleo mediante un programa continuo y positivo. Esto significa que Maricopa no discriminará o tolerará discriminación en contra de ningún aplicante o empleado debido a su raza, color, religión, sexo, orientación sexual, identidad sexual, origen nacional, ciudadanía (incluyendo abuso de documentos), edad, incapacidad, estado de veterano/a o información genésica. Agregando, es el mandato de los Colegios Comunitarios promover para cada aplicante y empleado un ambiente libre de acoso sexual como también de acoso e intimidación referente a la raza, color, religión, sexo, orientación sexual, identidad sexual, origen nacional, ciudadanía (incluyendo abuso de documentos), edad, incapacidad, estado de veterano/a o información genésica.

Declaración de Acción Afirmativa

Mandato y Declaración de Acción Afirmativa para Individuos con Incapacidades De acuerdo a las provisiones en la Sección 503 de la Ley de Rehabilitación de 1973, como enmienda, y las leyes de implementación, 41 CFR 60-741.5 (a), declara que el Distrito de Colegios Comunitarios de Maricopa no discriminarán o tolerarán discriminación en contra ningún aplicante o empleado debido a su discapacidad/incapacitación física o mental referente a cualquier posición para la cuál el aplicante o empleado ha calificado. Maricopa promete tomar acción afirmativa para emplear, dar ascenso en empleo y tratar a dichos individuos con incapacidades sin hacer incapie en sus incapacidades físicas o mentales en la selección de recursos humanos y prácticas decisivas como son las siguientes: anuncios, beneficios, compensación, disciplina (incluyendo período de prueba, suspensión, y/o terminación de empleo por causa de paro forzoso), facilidades para empleados, evaluación de trabajo, reclutamiento, programas sociales/recreacionales y entrenamiento. Maricopa continuará llevando a cabo éstas prácticas de no discriminar por razones de raza, color, religión, sexo, orientación sexual, identidad sexual, origen nacional, ciudadanía (incluyendo abuso de documentos), edad, incapacidad, estado de veterano/a o información genésica. Así mismo, todo los aplicantes y empleados están protegidos en contra de coacción, intimidación, interferencia o discriminación por quejas o por ayudar en una investigación cubierta bajo éste Acto.

Declaración de Mandato de Acción Afirmativa para Otros Veteranos Elegibles, Veteranos con Incapacitación Especial y Veteranos de la Era Vietnamita

Conforme a la ley de Reajuste y Asistencia para los Veteranos de la Era Vietnamita de 1974, acta de Oportunidades de Empleo para Veteranos de 1998 y reglamentos de implementación, 41 CFR 60-250(k), el Distrito de Colegios Comunitarios del Condado de Maricopa no discriminará ni tolerará discriminación en empleo o educación en contra de ningún aplicante, empleado, o estudiante veterano o veterana de la Era Vietnamita con discapacidad/incapacitación especial referente a cualquier posición la cual dicho aplicante o empleado califique. Maricopa promete aplicar acción

afirmativa para emplear, ascender en empleo y tratar a dichos veteranos incapacitados y de la Era Vietnamita que califiquen sin discriminar base a su discapacidad/incapacitación o condición de veterano en todas las áreas de recursos humanos y decisiones como son las siguientes: anuncios, beneficios, compensación, disciplina (incluyendo período de prueba, suspensión, y/o despido por causa o paro forzoso), facilidades para empleados, evaluación de trabajo, reclutamiento, programas sociales/recreacionales y entrenamiento. Maricopa continuará llevando a cabo estas prácticas sin discriminar por razones de raza, color, religión, sexo, orientación sexual, identidad sexual, origen nacional, ciudadanía (incluyendo abuso de documentos), edad, incapacidad, estado de veterano/a o información genésica. Maricopa promete anunciar todas las oportunidades de empleo disponibles en la oficina local del servicio de empleo del Estado donde el empleo esté disponible. Esto incluye empleo de tiempo completo, temporal de más de tres días de duración y empleo de tiempo medio. Finalmente, todos los aplicantes y empleados están protegidos en contra de coacción, intimidación, interferencia o discriminación por quejas o por ayudar en una investigación cubierta sobre este Acto.

Notificación del Acta de Americanos con Impedimentos (ADA)/Sección 504 del Acta de Rehabilitación/Coordinador del Título IX

(Nombre y Posición), ADA/504/Coordinador del Título IX (dirección y número telefónico)

De acuerdo a ADA y a la sección 504, el distrito y sus colegios reconocen la obligación de proveer acceso a programas en todas sus localidades a personas incapacitadas. El coordinador designado de ADA/504/Título IX proveerá información tocante a la existencia y localidad de servicios, actividades y facilidades que son accesibles y de utilidad a personas incapacitadas. Solicitudes para acomodación deben ser dirigidas al coordinador. Del mismo modo, bajo el Título IX, hay obligación de proveer acceso a servicios y programas de una manera imparcial según el género.

Estudiantes incapacitados pueden solicitar información de catálogo en una forma diferente por medio del Coordinador designado por ADA/504 en cada colegio.

Governing Values (Board Policy 4.1)

Our Vision: A Community of Colleges—Colleges for the Community—working collectively and responsibly to meet the life-long learning needs of our diverse students and communities.

Our Mission: The Maricopa Community Colleges provide access to higher education for diverse students and communities. We focus on learning through:

University Transfer Education

General Education

Developmental Education

Workforce Development

Student Development Services

Continuing Education

Community Education

Civic Responsibility

Global Engagement

Our Institutional Values: The Maricopa Community Colleges are committed to:

Community

We value all people—our students, our employees, their families, and the communities in which they live and work. We value our global community of which we are an integral part.

Excellence

We value excellence and encourage our internal and external communities to strive for their academic, professional and personal best.

Honesty and Integrity

We value academic and personal honesty and integrity and believe these elements are essential in our learning environment. We strive to treat each other with respect, civility and fairness.

Inclusiveness

We value inclusiveness and respect for one another. We believe that team work is critical, that each team member is important; and we depend on each other to accomplish our mission.

Innovation

We value and embrace an innovative and risk-taking approach so that we remain at the forefront of global educational excellence.

Learning

We value lifelong learning opportunities that respond to the needs of our communities and are accessible, affordable, and of the highest quality. We encourage dialogue and the freedom to have an open exchange of ideas for the common good.

Responsibility

We value responsibility and believe that we are each accountable for our personal and professional actions. We are responsible for making our learning experiences significant and meaningful.

Stewardship

We value stewardship and honor the trust placed in us by the community. We are accountable to our communities for the efficient and effective use of resources as we prepare our students for their role as productive world citizens.

ADMISSION, REGISTRATION AND ENROLLMENT

2.1 General Regulation

1. General Statement

Compliance with Policies, Rules and Regulations

Every student is expected to know and comply with all current published policies, rules and regulations as stated in the college catalog, class schedule, and/or student handbook. Documents are available on each college's website.

Policies, courses, programs, fees and requirements may be suspended, deleted, restricted, supplemented or changed through action of the Governing Board of the Maricopa Community Colleges.

The Maricopa Community Colleges reserve the right to change, without notice, any materials, information, curriculum, requirements and regulations.

Note: The regulations that comprise the student section contain language that appears in various sources such as the Catalog Common Pages and the Student Handbook. All areas became Administrative Regulations with the 1996 adoption of the Governance Model. Changes are made annually either through the Administrative Regulations approval process, or by Board approval for those items that fall under its statutory duty, such as Tuition and Fees. In an effort to prevent duplication, topics in this section may be incorporated by reference, as they are featured in other areas of the manual and are noted accordingly.

The Maricopa County Community College District Vision, Mission and Values that are featured in the Common Pages are a part of approved Governing Board policy and are located in the policy section of the manual. As such, the following statement related to Outcomes Assessment that appears in the Common Pages is presented here as a general statement.

2. Outcomes Assessment

The mission of the Maricopa Community Colleges is "to create and continuously improve affordable, accessible, and effective learning environments for the lifelong educational needs of the diverse communities we serve." In order to evaluate how successfully the Maricopa County Community College District accomplishes this mission, student outcomes will be assessed as part of the continuous improvement process.

Students may be asked to participate in a variety of assessment activities at each college. Assessment results will be used to improve educational programs, services and student learning.

2.2.1 Admission Policy

Persons meeting the admissions criteria may attend any Maricopa Community College of their choice. Falsification of any admission materials or official college records may be cause for denial or cancellation of admission. Exceptions to the admissions policies may be requested through the Admissions and Standards Committee. Admission is determined in accordance with state law (ARS §§15-1805.01 and 15-1821) and regulations of the Maricopa Community Colleges Governing Board.

Admission Classifications

1. Admission of Regular Students

Admission to the community college in Arizona may be granted to any person who meets at least one of the following criteria:

- A. Is a graduate of a high school, which is accredited by a regional accrediting association as defined by the United States Office of Education or approved by a State Department of Education or other appropriate state educational agency.
- B. Has a high school certificate of equivalency.
- C. Is at least 18 years of age and demonstrates evidence of potential success in the community college.
- D. Is a transfer student in good standing from another college or university.

2. Admission of Students Under 18 Years of Age

- A. A community college in this state shall grant admission to any student who is under eighteen years of age and who achieves at least one of the following:
 - i. A composite score of 720 or more on the Preliminary Scholastic Aptitude Test (PSAT).
 - ii. A composite score of 720 or more on the Scholastic Aptitude Test (SAT).
 - iii. A composite score of twelve or more on the American College Test (ACT).
 - iv. A passing score on the relevant portions of the statewide.
 - v. The completion of a college placement method designated by the community college district that indicates the student is at the appropriate college level for the course.
 - vi. Is a graduate of a private or public high school or has a high school certificate of equivalency.
- B. A community college may limit the number of semester hours in which the student may enroll to not more than six (6) credit hours.
- C. Home schooled students are exempt from this sub-section.
- D. Students who enroll in vocational courses may be admitted on an individual basis with the approval of college officials if the student meets the established requirements of the courses for which the student enrolls and the college official determines that the student's admission is in the best interest of the student.

3. Specialized Vocational / Training Program

Students who enroll in vocational courses may be admitted on an individual basis with the approval of college officials if the student meets the established requirements of the courses for which the student enrolls and the college officials determine that the student's admission is in the best interest of the student.

4. Western Undergraduate Exchange Program

The Western Undergraduate Exchange (WUE) program is a student exchange program coordinated by the Western Interstate Commission for Higher Education (WICHE) and administered by the Arizona Board of Regents. Through WUE, students who reside in western states (Alaska, Arizona, California, Colorado, Hawaii, Idaho, Montana, Nevada, New Mexico, North Dakota, Oregon, South Dakota, Utah, Washington, and Wyoming), Guam and the Commonwealth of the Northern Marianas Islands (CNIMI) and who meet the eligibility requirements, pay 150 percent of the regular resident tuition plus fees. Students must mark prominently on the Student Information Form that they seek admission as WUE students. Students may not apply as out-of-state students and expect to receive the WUE tuition rate after admitted. Once admitted as WUE students, students may not petition for in-state

residency. Further information may be obtained from the Admissions and Records Office/Office of Student Enrollment Services.

5. Admission of F-1 Nonimmigrant Students

Prospective students should contact the Admissions and Records Office/Office of Student Enrollment Services or designated office for the international student application form(s). When completed, the form(s) should be returned to the Admissions and Records Office/Office of Student Enrollment Services or the International Education office with all requested supporting documents. After the file has been reviewed, a notice will be sent to the applicant indicating either acceptance or denial of admission.

To be guaranteed consideration for admission, all application materials must be received by July 1 for the fall semester and November 1 for the spring semester.

Prospective students seeking admission based on F-1 nonimmigrant status must provide proof of secondary school completion with documentation comparable to a United States high school diploma or higher degree. It is recommended that F-1 nonimmigrant students have graduated in the upper 50% of their secondary school (high school or equivalent) in order to ensure success in academic classes at this college. Applicants for admission to the college must have high school and college (if applicable) transcripts sent directly from the high school or college to the Admissions and Records Office/Office of Student Enrollment Services or designated office. In addition, it is the applicant's responsibility to have all transcripts translated into English and evaluated by a foreign credential evaluation service if necessary.

A. Admission to Academic Programs

Applicants who wish to enroll in an academic program at the college must present evidence of English language proficiency. If the Test of English as a Foreign Language (TOEFL) is used to satisfy this requirement, the applicant must attain a score of at least 500 (on the paper-based TOEFL) or 61 (on the internet-based TOEFL, known as the iBT). If the International Language Testing System (IELTS) is used to satisfy this requirement, an IELTS overall Band Score of 5.5 or better is required, and a minimum IELTS individual Band Score of 5.0 on each module is recommended. The dean or director of Admissions and Records Office/Office of Student Enrollment Services of the college may accept other proof of English language proficiency for admission purposes, such as the ASSET, ACCUPLACER, COMPASS or CELSA tests.

B. Admission to an Intensive English Program

Applicants for admission to an Intensive English Program are advised to check with individual colleges for their respective admission requirements. Applicants must provide evidence of at least an intermediate command of English by way of one or more of the following criteria:

- i. At least six years of English language instruction as shown by the applicant's school transcript(s);
- ii. A minimum TOEFL score of 400 (on the paper-based TOEFL) or 23 (on the internet-based test);
- iii. An original letter of recommendation from a teacher, school principal or headmaster/ headmistress, or the director of an English language institute attesting to the applicant's proficiency at the intermediate level;
- iv. Other credentials, test scores, interview results, or evidence accepted by the coordinator of an intensive English program or the college's responsible designee. Students admitted to an Intensive English Program will not be allowed to enroll in courses outside those officially designated as part of the program unless and until they have met all of the prerequisites or other course requirements.
- v. Foreign students under certain types of visas may need special permission to enroll and should contact the appropriate college official.

C. Financial Support

Evidence of financial support will be required prior to issuance of the I-20 form. The colleges have no scholarship or financial aid provisions for foreign students; therefore, students must be fully prepared to meet the necessary financial obligations for the full time they will be in the United States. The colleges estimate a student's average expenses for 10 months to be:

Tuition and Fees	\$ 8,010(1)
Living Expenses	\$10,140(2)
Books	\$800(3)
Health Insurance	\$1400(4)

Total	\$20,350(5)
-------	-------------

D. Dependent Financial Guarantee

Evidence of financial support for dependents of F-1 and M-1 students (spouse and dependent children) is also required: \$5,000 for the first dependent and \$2,500 for each additional dependent.

E. Health Insurance

All F-1 and M-1 students who have an I-20 issued by one of the Maricopa Community Colleges are required to purchase the Maricopa Community Colleges' international student health insurance plan. Health insurance coverage for dependents of F-1 and M-1 students is highly recommended. The Maricopa Community Colleges contracts with an insurance provider annually to offer a health insurance plan for F-1 and M-1 students. For more information contact the college Admissions and Records Office/Office of Student Enrollment Services or designated international student office.

Footnotes:

(1) Based on 2016-2017 tuition and fee schedule.

(2) Based on estimated living expenses for two (2) semesters (10 months).

(3) Based on average new and used textbook prices and Rental Rates. Assumes books are sold at the end of the semester.

(4) Based on the 2016-2017 insurance premiums for the mandatory Maricopa Community Colleges' International Student Health Plan.

(5) Applicants must provide evidence of this minimum amount of financial support before an I-20 is issued.

AMENDED by Direct Chancellor Approval, June 4, 2019

AMENDED through the Administrative Regulation Approval Process, June 5, 2017

2.2.2 Admission Information

Students must file a Student Information Form with the Admissions and Records Office/Office of Student Enrollment Services at the college of attendance. There is no charge for this service.

1. Student Status

- A. Freshman - A student who has completed fewer than 30 credit hours 100-level courses and above.
- B. Sophomore - A student who has completed 30 credit hours or more in 100-level courses and above.
- C. Unclassified - A student who has an associate degree or higher.

2. Student Identification Number

Disclosure of the social security number is voluntary (ARS §15-1823). However, students must use social security numbers for reporting information pertaining to potential educational tax credits and for processing federal financial aid applications and Veterans Administration benefits.

3. Residency for Tuition Purposes (see also [Appendix S-1](#))

All students are classified for tuition purposes under one of the following residency classifications:

- A. Maricopa County resident
- B. Out-of-County resident
- C. Out-of-State resident (including F-1 non-immigrant students and students on
- D. other non-immigrant visas)

Residency for tuition purposes is determined in accordance with state law (ARS §§15-1801et seq.) and regulations of the Maricopa Community Colleges Governing Board. All of the Maricopa Community Colleges are subject to the above statutes and regulations. Students who have questions about their residency should contact the Admissions and Records Office/Office of Student Enrollment Services for clarification.

A. Implementation

- i. An applicant must be eligible to attend post-secondary education in the United States prior to being eligible to register for classes and pay fees.
- ii. Domicile status must be established before the student registers and pays fees. It is the student's responsibility to register under the correct domicile status.
- iii. Enforcement of domicile requirements shall be the responsibility of the Chancellor of the Maricopa Community Colleges. The Chancellor has charged the Director of Admissions and Records or other designee at each college to make the initial domicile classification. In determining a student's classification, the college may consider all evidence, written or oral, presented by the student and any other information received from any source which is relevant to determining classification. The college may request written sworn statements or sworn testimony of the student.

- iv. A request for review of the initial classification may be made to a district review committee. The request must be in writing, signed by the student and accompanied by a sworn statement of all facts relevant to the matter. The request must be filed with the admissions officer of the college within ten (10) days of receipt of notification of classification as a non-resident. **Failure to properly file a request for review within the prescribed time limit constitutes a waiver of review for the current enrollment period.** The decision of the review committee shall be final.

B. Definitions

- i. "Armed Forces of the United States" means the Army, the Navy, the Air Force, the Marine Corps, the Coast Guard, the commissioned corps of the United States Public Health Services, the National Oceanographic and Atmospheric Administration, the National Guard, or any military reserve unit of any branch of the Armed Forces of the United States.
- ii. "Continuous attendance" means enrollment at one of Maricopa Community Colleges as a full-time or part-time student for a normal academic year since the beginning of the period for which continuous attendance is claimed. Students need not attend summer sessions or other such intersession beyond the normal academic year in order to maintain continuous attendance.
- iii. "Maricopa County resident" means an individual who lives in Maricopa County and has lived in the state of Arizona for at least one year prior (365 days) to the first day of the semester. In-state residency must be established prior to county residency for those moving from other states. Refer to Section C for guidelines.
- iv. "Domicile" means a person's true, fixed, and permanent home and place of habitation. It is the place where he or she intends to remain and to which he or she expects to return when he or she leaves without intending to establish a new domicile elsewhere. Visa status must confer the ability to establish domicile in the United States in order to be classified as an in-state student.
- v. "Emancipated person" means a person who is neither under a legal duty of service to his parent nor entitled to the support of such parent under the laws of this state.
- vi. "Full-time student" means one who registers for at least twelve (12) credit hours per semester.
- vii. "Part-time student" means one who registers for fewer than twelve (12) credit hours per semester.
- viii. "Parent" means a person's father, or mother, or if one parent has custody, that parent, or if there is no surviving parent or the whereabouts of the parents are unknown, then a guardian of an unemancipated person if there are not circumstances indicating that such guardianship was created primarily for the purpose of conferring the status of an in-state student on such unemancipated person.

C. Criteria for Determining Residency

- i. In-State Student Status
 1. Except as otherwise provided in this article, no person having a domicile elsewhere than in this state is eligible for classification as an in-state student for tuition purposes. Applicants for in-state tuition status and other public benefits must demonstrate lawful presence in the United States by presenting one of the documents listed in this regulation, under the section "Demonstrating Lawful Presence."
 2. A person is not entitled to classification as an in-state student until the person is domiciled in this state for one year preceding the official starting day of the semester, except that a person whose domicile is in this state is entitled to classification as an in-state student if the person meets one of the following requirements:
 - a. The person's parent's domicile is in this state and the parent is allowed to claim the person as an exemption for state and federal tax purposes.
 - b. The person is an employee of an employer which transferred the person to this state for employment purposes or the person is the spouse of such an employee.
 - c. The person is an employee of a school District in this state and is under contract to teach on a full-time basis, or is employed as a full-time non-certified classroom aide, at a school within that school District. For purposes of this paragraph, the person is eligible for classification as an in-state student only for courses necessary to complete the requirements for certification by the state board of education to teach in a school District in this state. No member of the person's family is eligible for classification as an in-state student if the person is eligible for classification as an in-state student pursuant to this paragraph, unless the family member is otherwise eligible for classification as an in-state student pursuant to this section. Eligibility for in-state tuition is subject to verification of intent

to domicile in this state. Determination of residency is made by the admissions and records office/office of enrollment services.

- d. The person's spouse has established domicile in this state for at least one year and has demonstrated intent and financial independence and is entitled to claim the student as an exemption for state and federal tax purposes or the person's spouse was temporarily out of state for educational purposes, but maintained a domicile in this state. If the person is a non-citizen, the person must be in an eligible visa status pursuant to federal law to classify as an in-state student for tuition purposes.

AMENDMENT TO BE REPEATED IN CORRESPONDING APPENDIX ITEM S-1 – IN-STATE STUDENT STATUS
SECTION C

3. The domicile of an unemancipated person is that of such person's parent.
4. An unemancipated person who remains in this state when such person's parent, who had been domiciled in this state, removes from this state is entitled to classification as an in-state student until attainment of the degree for which currently enrolled, as long as such person maintains continuous attendance.
5. A person who is a member of the Armed Forces of the United States and who is stationed in this state pursuant to military orders or who is the spouse or a dependent child of a person who is a member of the armed forces of the United States and who is stationed in this state pursuant to military orders is entitled to classification as an in-state student. The student does not lose in-state student classification while in continuous attendance toward the degree for which he or she is currently enrolled.
6. A person who is a member of the armed forces of the United States or the spouse or a dependent of a member of the armed forces of the United States is entitled to classification as an in-state student if the member of the armed forces has claimed this state as the person's state of home record for at least twelve consecutive months before the member of the armed forces, spouse or dependent enrolls in a university under the jurisdiction of the Arizona Board of Regents or a community college under jurisdiction of a community college district governing board. For purposes of this subsection, the requirement that a person be domiciled in this state for one year before enrollment to qualify for in-state student classification does not apply.
7. Immediate classification as an in-state student shall be granted to a veteran who meets the provisions of Arizona statute HB 2091, paragraph G, which reads: G. A person holding an honorable discharge from the uniformed services of the United States from either active duty or reserve or national guard status, or who has retired from active duty or reserve or national guard status, shall be granted immediate classification as an in-state student and, while continuously enrolled, does not lose in-state student classification if the person has demonstrated objective evidence of intent to be a resident of Arizona that, for the purposes of this section, includes at least one of the following:
 1. Registration to vote in this state.
 2. An Arizona driver license.
 3. Arizona motor vehicle registration.
 4. Employment history in Arizona.
 5. Transfer of major banking services to Arizona.
 6. Change of permanent address on all pertinent records.
 7. Other materials of whatever kind or source relevant to domicile or residency status.
8. A veteran using Chapter 30 or 33 benefits who does not otherwise qualify under item 7 above (paragraph G of PL 2091), or a veteran's dependent or spouse who is using transferred Post-9/11 GI Bill® (Chapter 33) benefits or the Marine Gunnery Sergeant John David Fry Scholarship, may be eligible for immediate classification as an in-state student if he/she meets the provisions of Arizona statute HB 2091, paragraph H: h. A person who, while using educational assistance under 38 United States Code Chapter 30 or Chapter 33, enrolls in a university under the jurisdiction of the Arizona Board of Regents or a community college under the jurisdiction of a community college district governing board within three years after the veteran's discharge from active duty service of ninety or more days or within three years after the service member's death in the line of duty following a period of active duty service of ninety or

more days or who remains continuously enrolled beyond the three-year period following the discharge of the veteran or the service member's death shall be granted immediate classification as an in-state student and does not lose in-state student classification if the person has demonstrated objective evidence of intent to be a resident of this state that, for the purposes of this section, includes at least one of the following:

Students are required to submit the following:

1. Certificate of eligibility letter from the VA Awarding Chapter 30 or 33 benefits or the Fry scholarship, or the Dept. of Defense document approving the transfer of CH. 33 benefits
2. DD-214 proving a minimum of 90 days service and no more than 3 years since discharge or since death of veteran
3. Students must also provide at least one of the following:
 - A. Registration to vote in this state.
 - B. An Arizona driver license.
 - C. Arizona motor vehicle registration.
 - D. Employment history in Arizona.
 - E. Transfer of major banking services in Arizona.
 - F. Change of permanent address on all pertinent records.
 - G. Other materials of whatever kind or source relevant to domicile or residency status.

GI Bill® is a registered trademark of the U.S. Department of Veterans Affairs (VA). More information about education benefits offered by VA is available at the official U.S. government Web site at <https://www.benefits.va.gov/gibill>.

9. Per Arizona state law, a person who is honorably discharged from the armed forces of the United States on either Active Duty or Reserve or National Guard Status, or who has retired from Active Duty or Reserve or National Guard Status, shall be granted immediate classification as an in-state student on honorable discharge from the armed forces and, while in continuous attendance toward the degree for which currently enrolled, does not lose in-state student classification if the person has met the following requirements:

- A. Registered to vote in this state.
- B. Demonstrated objective evidence of intent to be a resident of Arizona which, for the purposes of this section, include at least one of the following:
 1. An Arizona driver license
 2. Arizona motor vehicle registration
 3. Employment history in Arizona
 4. Transfer of major banking services to Arizona
 5. Change of permanent address on all pertinent records
 6. Other materials of whatever kind or source relevant to domicile or residency status

10. A student using any VA educational benefits who does not otherwise qualify under items above shall be granted immediate classification as an in-state student, and while continuously enrolled does not lose in-state student classification if the person has demonstrated objective evidence of intent to be a resident of Arizona that for the purposes of this section, includes at least one of the following:

1. Registration to vote in this state
2. An Arizona driver license
3. Arizona motor vehicle registration
4. Employment history in Arizona
5. Transfer of major banking services to Arizona.
6. Change of permanent address on all pertinent records
7. Other material of whatever kind or source relevant to domicile or residency status.

11. A person who is a member of an Indian Tribe recognized by the United States Department of the Interior whose reservation land lies in the state and extends into another state and who is a resident of the reservation is entitled to classification as an in-state student.

ii. Alien In-State Student Status

1. An alien is entitled to classification as an in-state refugee student if such person has been granted refugee status in accordance with all applicable laws of the United States and has met all other requirements for domicile.
2. In accordance with the Illegal Immigration Reform and Immigrant Responsibility Act of 1996 (P.L. 104-208; 110 Stat. 3009-546), a person who was not a citizen or legal resident of the United States or who is not lawfully present in the United States is not entitled to classification as an in-state student pursuant to ARS §15-1802 or entitled to classification as a county resident pursuant to ARS §15-1802.01. A student will be assessed out-of-state tuition until such time that documentation of lawful presence is received in the Office of Admissions and Records/Enrollment Services and (eligibility for) residency is confirmed. Documentation must be provided prior to the end of the term in which residency classification is being requested. Documentation received after the end of term will be used for residency determination in subsequent terms.
3. In establishing domicile, the alien must not hold a visa that prohibits establishing domicile in the United States and this state. After meeting other domicile requirements, students holding valid, unexpired visas in the following categories may be classified as in-state students: (See Appendix S-1A)
A=Foreign Government Official or Adopted Child of a Permanent Resident
E=Treaty Traders
G=Principal Resident Representative of Recognized Foreign Member Government to International Staff
H=H1B and H4
K=Spouse or Child of Spouse of a US Citizen, Fiancé or Child of Fiancé of US Citizen
L=Intracompany Transferee or Spouse or Child
N6=NATO-6
U, T=Victim of Criminal Activity
V=Spouses and Dependent Children of Lawful Permanent Residents
4. Students who hold a current visa and have submitted an I-485 to U.S. Citizenship and Immigration Services (USCIS), may establish residency if other domicile requirements have been met. Residency eligibility for I-485 applicants may be considered one year after the date on the USCIS Notice of Action letter (I-797) confirming application for permanent resident status provided their prior visa status is one that allows the visa holder to establish domicile in the United States.. Students must provide required residency documentation in addition to the (I-797) Notice of Action for residency consideration. In establishing domicile, the alien must be in a status that does not prohibit establishing domicile in this state for at least one year immediately preceding the official starting date of the semester.

Exception: In the event that an alien student's parent is allowed to claim the student as an exemption for state or federal tax purposes (3C.1.2.A) (E.G., The student is under 23 and not emancipated), the student's residence is deemed to be the same as the parent's. If the parent holds a visa that is not listed in section 3 above, he or she would not be eligible to establish residency. In such circumstances, the student would likewise be barred notwithstanding his or her own filing of an I-485.

5. Students who hold a current or expired visa and have applied for a change of status will retain their immigration status based on their prior visa status and not the status or visa for which they are applying.

III. Proving lawful presence in the United States

All applicants for in-state tuition (and other public benefits) must first show at least one of the following documents in accordance with ARS §1-502 to demonstrate that they are lawfully present in the United States by presenting to the Registrar at least one of the following documents:

- H. An Arizona Driver's license issued after 1996 or an Arizona non-operating identification license or an Arizona Instruction Permit
- I. A birth certificate or delayed birth certificate issued in any state, territory, or possession of the United States (A hospital record/certificate and certified Abstract of Birth are not acceptable).
- J. A United States certificate of birth abroad.
- K. A United States Passport.
- L. A Foreign Passport with a United States Visa.
- M. An I-94 Form with a Photograph.
- N. A United States Citizenship and Immigration Services Employment Authorization Document (Work Permit) or Refugee Travel Document.
- O. A United States Permanent Resident Card
- P. A United States Certificate of Naturalization.
- Q. A United States Certification of Citizenship.
- R. A Tribal Certificate of Indian Blood.
- S. A Tribal or Bureau of Indian Affairs Affidavit of Birth.

Tribal Members*, the Elderly and "Persons with Disabilities or incapacity of the mind or body," may submit certain types of documents under Section 1903 of the Federal Social Security Act (42 UNITED STATES CODE 1396B, As Amended By Section 6036 Of The Federal Deficit Reduction Act of 2005)**

* A document issued by a federally recognized Indian tribe evidencing membership or enrollment in, or affiliation with, such tribe.

** If you think that this may apply, please contact the Legal Services Department for assistance.

IV. Presumptions Relating to Student Status

Unless there is evidence to the contrary, the registering authority of the community college or university at which a student is registering will presume that:

1. No emancipated person has established a domicile in this state while attending any educational institution in this state as a full-time student, as such status is defined by the community college district governing board or the Arizona Board of Regents, in the absence of a clear demonstration to the contrary.
2. Once established, a domicile is not lost by mere absence unaccompanied by intention to establish a new domicile.

3. A person who has been domiciled in this state immediately before becoming a member of the Armed Forces of the United States shall not lose in-state status by reason of such person's presence in any other state or country while a member of the Armed Forces of the United States.

V. Proof of Residency

When a student's residency is questioned, the following proof will be required.

1. In-State Residency

- a. An affidavit signed by the student must be filed with the person responsible for verifying residency.
- b. Any of the following may be used in determining a student's domicile in Arizona:
 1. Arizona income tax return
 2. Arizona Voter registration
 3. Arizona Motor Vehicle registration
 4. Arizona Driver's license
 5. Employment history in Arizona
 6. Place of graduation from high school
 7. Source of financial support
 8. Dependency as indicated on federal income tax return
 9. Ownership of real property
 10. Notarized statement of landlord and/or employer
 11. Transfer of major banking services to Arizona
 12. Change of permanent address on all pertinent records
 13. Other relevant information

2. County Residency

- a. A combination of the following may be used to determine a student's county residency:
 1. Notarized statements of landlord and/or employer
 2. Source of financial support
 3. Place of graduation from high school
 4. Ownership of real property
 5. Bank accounts
 6. Arizona income tax return
 7. Dependency as indicated on a Federal income tax return
 8. Other relevant information

- D. Concurrent Enrollment in Arizona Public Institutions of Higher Education (ARS §15-1807) (See [Appendix S-3](#))
Under Arizona Revised Statutes §15-1807, it is unlawful for any non-resident student to register concurrently in two or more public institutions of higher education in this state including any university, college or community college for a combined student credit hour enrollment of more than six (6) credit hours without payment of non-resident tuition at one of such institutions. Any non-resident student desiring to enroll concurrently in two or more public institutions of higher education in this state including any university or community college for a combined total of more than six (6) credit hours who is not subject to non-resident tuition at any of such institutions shall pay the non-resident tuition at the institution of his choice in an amount equivalent to non-resident tuition at such institution for the combined total of credit hours for which the non-resident student is concurrently enrolled.

AMENDED by Direct Chancellor Approval, September 17, 2018

AMENDED by Direct Chancellor Approval, August 30, 2017

AMENDED by Direct Chancellor Approval, August 30, 2015

AMENDED by Direct Chancellor Approval, May 20, 2015

2.2.3 Other Admission Information

1. Veterans

By Arizona statute, any failing grades from any Arizona university or community college that were received prior to military service will not be used to determine admission to the community college for the honorably discharged veterans with two years' service in the Armed Forces of the United States. Students admitted or readmitted to the community college under this statute are subject to progression, retention, graduation and other academic regulations and standards. (See [Withdrawal - Appendix S-7](#))

2. Ability to Benefit

- A. Federal guidelines require that students who are applying for financial aid demonstrate the ability to benefit. Under federal law, a student who enrolls after June 30, 2012, must be a high school graduate, have a GED certificate, or have completed a secondary school education in a home school setting that is treated as a home school or private school under state law, be admitted as a regular student, and be pursuing an eligible degree or certificate to qualify for federal financial assistance under Title IV of the Higher Education Act.
- B. For student enrolled prior to July 1, 2012, an evaluation during the admission process resulted in the student being admitted to the college with the status of Regular, Regular with Provisional Requirements or Special.
 - i. "Regular" status, for the purpose of 2.2.3.2, is granted to an individual admitted to the college who is a high school graduate, has a GED certificate, or has completed a secondary school education in a home school setting that is treated as a home school or private school under state law. A student without a high school diploma or GED certification and beyond the age of compulsory high school attendance may be a regular status student if the student has been assessed to benefit from college instruction by receiving qualifying scores on approved assessment instruments. All regular status students must be pursuing a degree/certificate in an eligible program.
 - ii. "Regular with Provisional Requirements" status, for the purpose of 2.2.3.2, is granted to a student admitted to the college who is not a high school graduate, does not have a GED certificate, is beyond the age of compulsory high school attendance, or has completed a secondary school education in a home school setting that is treated as a home school or private school under state law, but has been assessed to benefit from college instruction requiring developmental/remedial coursework and is pursuing a degree/certificate in an eligible program.
 - iii. "Special" status, for the purpose of 2.2.3.2, is granted to a student admitted to the college for concurrent enrollment or pursuing one or more courses of special interest and who meets all the requirements for admission.

3. Transcripts

The Maricopa Community Colleges reserve the right to require an official transcript for admission to specific programs, for verification of course requisites and for determination of academic standing. The official transcript must be sent directly from the source institution to the college Admissions and Records Office/Office of Student Enrollment Services. The official transcripts may be sent via a secured website. Please contact the Admissions Office of The Maricopa College you plan to attend to verify which secure websites may be valid.

It is the student's responsibility to ensure that official transcripts have been received and are complete. Students entering as high school graduates may be required to submit high school transcripts. Please contact the Admissions Office of the Maricopa College you plan to attend for more information on preparing a home-schooled official transcript. Students entering as GED recipients may be required to present a copy of the high school equivalency certificate or official report of qualifying GED scores.

4. Educational Assessment

All students are encouraged to undergo an educational assessment to determine course placement. Prospective students who do not possess a high school diploma or GED equivalence certificate are required to complete an educational assessment to determine their ability to benefit from college instruction. See Student Course Placement Process (AR 2.2.7)

5. High Pressure Recruitment Tactics

The Maricopa County Community College District prohibits its employees from engaging in high-pressure recruitment tactics or in providing to any person or entity engaged in student recruitment, admission activity, or in making decisions regarding the award of Title IV, HEA funds, any commissions, bonuses, or other incentive payments based, in any part, directly or indirectly upon successfully securing enrollments or the awarding of financial aid.(34 CFR 668.14(a)(22)(i)).

2.2.4 TRANSFER CREDIT AND PRIOR LEARNING ASSESSMENT POLICIES

TRANSFER CREDIT

A STUDENT ENROLLING AT ONE OF THE MARICOPA COMMUNITY COLLEGES AFTER HAVING ATTENDED OTHER POST-SECONDARY INSTITUTIONS CAN HAVE COURSEWORK EVALUATED FOR TRANSFER CREDIT. TO BE ELIGIBLE FOR EVALUATION, COURSEWORK MUST APPEAR ON OFFICIAL TRANSCRIPTS FROM THE SOURCE INSTITUTIONS. THE OFFICIAL TRANSCRIPTS MUST BE MAILED OR SENT THROUGH AN APPROVED ELECTRONIC TRANSFER METHOD DIRECTLY FROM THE SOURCE INSTITUTIONS TO THE ADMISSIONS AND RECORDS/ENROLLMENT SERVICES OFFICE OF THE RECEIVING INSTITUTIONS. HAND-CARRIED AND EMAILED TRANSCRIPTS CANNOT BE ACCEPTED FOR AN OFFICIAL EVALUATION. STUDENTS SHOULD ALLOW APPROXIMATELY 10 DAYS BEFORE CONFIRMING WITH YOUR MARICOPA COMMUNITY COLLEGE THAT THE TRANSCRIPT(S) WAS RECEIVED. THE ADMISSIONS AND RECORDS/ENROLLMENT SERVICES OFFICE AT THE RECEIVING INSTITUTIONS WILL COMPLETE COURSE-BY-COURSE EVALUATIONS FOR ALL SUBMITTED TRANSCRIPTS UPON STUDENT REQUEST. THE AWARD OF TRANSFER CREDIT SHALL NOT EXPRESS OR IMPLY THAT ALL TRANSFER CREDIT WILL BE FULLY ACCEPTED OR APPLIED TOWARD ALL MARICOPA ASSOCIATE'S DEGREE AND CERTIFICATE REQUIREMENTS.

THE MARICOPA COMMUNITY COLLEGES WILL EVALUATE COURSEWORK FROM INSTITUTIONS LISTED IN THE *DATABASE OF INSTITUTIONS AND PROGRAMS ACCREDITED BY RECOGNIZED U.S. ACCREDITING ORGANIZATIONS* AT THE TIME THE COURSEWORK WAS TAKEN. TO BE "RECOGNIZED" MEANS THAT THE ACCREDITORS IN THE DATABASE HAVE BEEN REVIEWED BY THE COUNCIL FOR HIGHER EDUCATION ACCREDITATION (CHEA) OR BY THE U.S. DEPARTMENT OF EDUCATION (USDE) OR BOTH AND MEET THE QUALITY STANDARDS OF THE RESPECTIVE ORGANIZATIONS.

COLLEGE-LEVEL COURSES COMPLETED OUTSIDE THE UNITED STATES AND RECORDED ON OFFICIAL TRANSCRIPTS WILL BE EVALUATED FOR TRANSFER CREDIT, PROVIDED THAT THE INSTITUTION WHERE THE COURSES WERE TAKEN IS ACCREDITED BY THE MINISTRY OF EDUCATION IN THAT COUNTRY. IT IS THE STUDENT'S RESPONSIBILITY TO SUBMIT ALL FOREIGN AND INTERNATIONAL TRANSCRIPTS TO AN APPROVED INTERNATIONAL CREDENTIAL EVALUATION SERVICE TO BE TRANSLATED INTO ENGLISH (WHEN APPLICABLE), EVALUATED ON A COURSE-BY-COURSE-BASIS, AND SENT DIRECTLY TO THE RECEIVING COLLEGE(S). CONTACT YOUR COLLEGE ADMISSIONS AND RECORDS/ENROLLMENT SERVICES OFFICE TO OBTAIN A LIST OF RECOMMENDED EVALUATION SERVICES.

CONDITIONS OF TRANSFER CREDIT:

- THE COURSEWORK WAS EARNED WITH A GRADE OF "C" OR BETTER. DEVELOPMENTAL EDUCATION COURSE CREDIT CANNOT BE USED TO CALCULATE GRADE LEVEL.
- DEVELOPMENTAL COURSEWORK (TYPICALLY BELOW 100-LEVEL) IS ACCEPTED FOR THE PURPOSE OF FULFILLING COURSE PREREQUISITES. HOWEVER, THE CREDIT DOES NOT APPLY TOWARD A DEGREE OR CERTIFICATE, AND IT DOES NOT TRANSFER TO ANOTHER POSTSECONDARY INSTITUTION. IT DOES, HOWEVER, GET ADDED TO THE TRANSFER CREDIT REPORT AS PART OF THE EVALUATION.
- COURSES WITH DIFFERENT CREDIT SYSTEMS (QUARTER HOURS, UNITS) ARE CONVERTED TO SEMESTER HOURS OF CREDIT. THE SEMESTER CONVERSION OF QUARTER CREDITS IS AT A RATE OF .67 SEMESTER CREDIT HOURS FOR EACH QUARTER HOUR.

S1A Visa Chart – Residency

Visa	Class	Residency
Foreign Government Officials		
A-1	Ambassador, public minister, career diplomat or consular officer, and members of immediate family	Automatic
A-2	Other foreign government official or employee and members of immediate family	Automatic
A-3	Attendant, servant, or personal employee of A-1 or A-2, and members of immediate	Automatic
Visitors		
B-1	Temporary visitor for business - restricted enrollment (limited to courses not tied to a program of study--developmental classes OXX, ESL, PED, fun classes, noncredit) NOTE: If student is adjusting their status to attend school, the student CANNOT enroll in school (for program of study classes) until AFTER their status has been adjusted.	NO
B-2	Temporary visitor for pleasure - restricted enrollment (limited to courses not tied to a program of study--developmental classes OXX, ESL, PED, fun classes, noncredit) NOTE: If student is adjusting their status to attend school, the student CANNOT enroll in school (for program of study classes) until AFTER their status has been adjusted.	NO
Alien in Transit		
C-1	Alien in transit directly through U.S.	NO
C-1D	Combined transit and crewman visa	NO
C-2	Alien in transit to UN headquarters	NO
C-3	Foreign government official, members of immediate family, attendant servant, or personal employee in transit	NO
C-4	Transit without Visa, See TWOV	NO
Crewman		
D-1	Crewmember departing on same vessel of arrival	NO
D-2	Crewmember departing by means other than vessel of arrival	NO
Treaty Trader and Treaty Investor		
E-1	Treaty trader, spouse and children	Automatic
E-2	Treaty investor, spouse and children	Automatic
E-3	Certain Specialty Occupation Professionals from Australia	NO
Academic Students		
F-1	Academic Student or language program (separate admissions application needed)	NO
F-2	As of June 1, 2015, F-2 visa holders can enroll in any courses at the post-secondary level at a SEVP certified school as long as the study doesn't amount to full time. Students may take 11 credits or fewer each fall and spring semester.	NO
Foreign Government Officials to International Organizations		
G-1	Principal resident representative of recognized foreign member government to international organization and members of immediate family	YES
G-2	Other representative of recognized foreign member government to international organization, staff, and members of immediate family	YES
G-3	Representative of non-recognized or nonmember foreign government to international organization and members of immediate family	YES
G-4	International organization officer or employee and members of immediate family	YES
G-5	Attendant, servant, or personal employee of G-1, G-2, G-3, or G-4 and members of immediate family	YES
Temporary Workers		
H-1B	Temporary worker in a specialty occupation; DOD workers, fashion models	YES
H-1C	Temporary worker - Nurses going to work for up to three years in health professional shortage areas	NO
H-2A	Temporary Agricultural Worker	NO
H-2B	Temporary worker: skilled and unskilled	NO

H-3	Trainee	NO
H-4	Spouse or child of alien classified H-1, H-2, H-3	YES

Visa	Class	Residency
Foreign Media Representatives		
I	Representative of foreign information media, spouse and children	NO
Exchange Visitor		
J-1	Exchange Visitor	NO
J-2	Spouse or child of J-1	NO
Fiancée of U.S. Citizen		
K-1	Fiancée or fiancé of U.S. citizen	YES
K-2	Minor child of K-1	YES
K-3	Spouse of U.S. Citizen (LIFE Act)	YES
K-4	Child of K-3 (Life Act)	YES
Intracompany Transferee		
L-1A	Executive, managerial	Automatic
L-1B	Specialized knowledge	Automatic
L-2	Spouse or child of L-1	Automatic
Vocational and Language Students		
M-1	Vocational student or other nonacademic student	NO
M-2	Spouse or child of M-2	NO
N-8	Parent of an alien classified SK-3 "Special Immigrant"	NO
N-9	Child of N-8, SK-1, SK-2, or SK-4 "Special Immigrant"	NO
North Atlantic Treaty Organization		
NATO-1	Principal Permanent Representative of Member State to NATO and resident members of official staff or immediate family	YES
NATO-2	Other representatives of member States: Dependents of Members of a Force entering in accordance with the provisions of NATO Status-of-Forces agreement: Members of such a Force if issued visas	YES
NATO-3	Official clerical staff accompanying Representative of Member State to NATO or immediate family	YES
NATO-4	Official of NATO other than those qualified as NATO-1 and immediate family	YES
NATO-5	Expert other than NATO officials qualified under NATO-4, employed on behalf of NATO and immediate family	YES
NATO-6	Member of civilian component who is either accompanying a Force entering in accordance with the provisions of the NATO Status-of-Forces agreement; attached to an Allied headquarters under the protocol on the Status of International Military headquarters set up pursuant to the North Atlantic Treaty; and their dependents	YES
NATO-7	Servant or personal employee of NATO-1, NATO-2, NATO-3, NATO-4, NATO-5, NATO-6 or immediate family	YES
Workers with Extraordinary Abilities		
O-1	Extraordinary ability in the Sciences, Arts, Education, Business, or Athletics	NO
O-2	Alien's (support) accompanying O-1	NO
O-3	Spouse or Child of O-1 and O-2	NO
Athletes and Entertainers		
P-1	Individual or team athletes; entertainment groups	NO
P-2	Artists and entertainers in reciprocal exchange programs	NO
P-3	Artists and entertainers in culturally unique programs	NO
P-4	Spouse or child of P-1, P-2, or P-3	NO
International Cultural Exchange Visitors		
Q-1	International cultural exchange visitors	NO

Q-2	Irish Peace Process Cultural and Training Program (Walsh Visas)	NO
Q-3	Spouse or child of Q-2	NO

Visa	Class	Residency
Religious Workers		
R-1	Religious workers	NO
R-2	Spouse or child of R-1	NO
Witness or Informant		
S-5	Informant of criminal organization information	NO
S-6	Informant of terrorism information	NO
Victims of a Severe Form of Trafficking in Persons		
T-1	Victim of a severe form of trafficking in person	YES
T-2	Spouse of a victim of a severe form of trafficking in persons	YES
T-3	Child of victim of a severe form of trafficking in persons	YES
T-4	Parent of victim of a severe form of trafficking in persons (if T-1 victim is under 21 years of age)	YES
North American Free Trade Agreement (NAFTA)		
TN	Trade visas for Canadians and Mexicans	NO
TD	Spouse or child accompanying TN	NO
Transit Without Visa		
TWOV	Passenger or Crew	NO
Victims of Certain Crimes		
U-1	Victim of Certain Criminal Activity	YES
U-2	Spouse of U-1	YES
U-3	Child of U-1	YES
U-4	Parent of U-1 Applicants who are Unmarried and Under 21 years of age	YES
U-5	Minor Siblings of U-1 Applicants who are Unmarried and Under 21	YES
Certain Second Preference Beneficiaries		
V-1	Spouse of an LPR who is the principal beneficiary of a family-based petition (Form I-130) which was filed prior to 12/21/2000, and has been pending for at least 3 years	YES
V-2	Child of an LPR who is the principal beneficiary of a family-based petition (Form I-130) which was filed prior to 12/21/2000 and has been pending for at least 3 years.	YES
V-3	The derivative child of a V-1 or V-2	YES
Not on U.S. Citizenship and Immigration Services Web List		
WB/WT	Visa waiver for a certain amount of time only - specific participating countries. Person here for 90 days or less for business (WB) or pleasure (WT). Treat like B visa holders.	NO
	Undocumented alien	NO
I-A	Applied for Immigrant Status	NO*
I-130	Petitioning because relative, fiancé or orphan of US Citizen. Here legally: Allowed to establish residency if individual is dependent and can show that parent lives in AZ.	YES

I-485	<p>Students who hold a valid visa and have submitted an I-485 to U.S. Citizenship and Immigration Services (USCIS) may establish residency if other domicile requirements have been met. In establishing domicile, the alien must be in a status that does not prohibit establishing domicile in this state for at least one year immediately preceding the official starting date of the semester. STUDENTS WHO HOLD A VALID VISA AND HAVE SUBMITTED AN I-485 TO U.S. CITIZENSHIP AND IMMIGRATION SERVICES (USCIS) MAY ESTABLISH RESIDENCY IF OTHER DOMICILE REQUIREMENTS HAVE BEEN MET. IN ESTABLISHING DOMICILE, THE ALIEN MUST BE IN A STATUS THAT DOES NOT PROHIBIT ESTABLISHING DOMICILE IN THIS STATE (H1-B, H-R, I-130, FOR EXAMPLE) FOR AT LEAST ONE YEAR IMMEDIATELY PRECEDING THE OFFICIAL STARTING DATE OF THE SEMESTER.</p>	YES, if meets other domicile requirements
-------	--	---

This chart is subject to change. To determine residency, please check with the college Admissions, Records & Registration/Enrollment Services Office.

- THE AGE OF CREDIT MAY BE CONSIDERED IN APPLYING CREDIT TOWARD DEGREES AND CERTIFICATE PROGRAMS.

REVERSE TRANSFER OF CREDIT

IN AN EFFORT TO ASSIST FORMER MARICOPA STUDENTS WHO HAVE TRANSFERRED TO A UNIVERSITY, THE MARICOPA COMMUNITY COLLEGES OFFER REVERSE TRANSFER OF CREDIT WITH PARTICIPATING UNIVERSITIES. FORMER MARICOPA STUDENTS MAY USE THIS OPPORTUNITY TO FULFILL PREVIOUSLY INCOMPLETE COURSEWORK REQUIREMENTS. INTERESTED STUDENTS AT PARTICIPATING UNIVERSITIES MUST MEET UNIVERSITY CRITERIA TO QUALIFY FOR FREE TRANSCRIPT EXCHANGE WHEN AVAILABLE. PARTICIPATION IN REVERSE TRANSFER OF CREDIT DOES NOT GUARANTEE COURSEWORK APPLICABILITY OR DEGREE OR CERTIFICATE ELIGIBILITY. STUDENTS PARTICIPATING IN REVERSE TRANSFER OF CREDIT MUST MEET ALL CURRICULUM AND COLLEGE REQUIREMENTS.

PRIOR LEARNING ASSESSMENT (PLA)

THE MARICOPA COMMUNITY COLLEGES ARE COMMITTED TO THE IDEA THAT PEOPLE DESERVE CREDIT FOR COLLEGE-LEVEL LEARNING, NO MATTER HOW IT WAS ACQUIRED. MANY PEOPLE HAVE DEVELOPED LEARNING OUTSIDE OF THE TRADITIONAL CLASSROOM. THIS EVALUATION OF CREDIT IS REFERRED TO AS PRIOR LEARNING ASSESSMENT, OR PLA. PRIOR LEARNING CAN BE IDENTIFIED AND ASSESSED IN A VARIETY OF WAYS TO DETERMINE IF COLLEGE CREDIT SHOULD BE AWARDED. PLA CREDIT MAY BE AWARDED IF THE FOLLOWING STANDARDS HAVE BEEN MET:

- STUDENT HAS BEEN ADMITTED TO THE COLLEGE.
- STUDENT HAS DECLARED A PATHWAY (CERTIFICATE OR DEGREE).
- THE LEARNING IS COLLEGE LEVEL AND VERIFIABLE.
- PLA CREDIT MAY BE APPLIED TOWARD A DEGREE PROGRAM, CERTIFICATE, GENERAL EDUCATION REQUIREMENTS, CONCENTRATION, AND GENERAL ELECTIVES THAT COUNT TOWARD THE STUDENT'S ELECTED PATHWAY. SOME RESTRICTIONS MAY APPLY DEPENDING ON THE SPECIFIC PROGRAM OF STUDY.
- PLA CREDIT MAY SATISFY PREREQUISITE REQUIREMENTS USING THE SAME POLICY THAT APPLIES TO OTHER COURSE EQUIVALENCIES.
- ALL WORK ASSESSED FOR PLA CREDIT WAS EARNED WITH A GRADE OF "C" OR BETTER.

STUDENTS MAY BE AWARDED NO MORE THAN 30 CREDIT HOURS THROUGH PRIOR LEARNING ASSESSMENT, UNLESS REQUIRED BY A SPECIFIC PROGRAM OF STUDY WITHIN THE MARICOPA COMMUNITY COLLEGES. EXCEPTIONS INCLUDE EVALUATED CREDIT FROM POST-SECONDARY INSTITUTIONS AND MILITARY CREDIT AS INDICATED ON JOINT SERVICE TRANSCRIPTS. CREDIT AWARDED FOR PRIOR LEARNING DOES NOT COUNT AS HOURS IN RESIDENCE FOR GRADUATION REQUIREMENTS. EXCEPTIONS MAY BE GRANTED AT SOME OF THE MARICOPA COMMUNITY COLLEGES FOR UNIQUE PROGRAMS OF STUDY. NO MORE THAN 20 CREDIT HOURS MAY BE APPLIED TO THE ARIZONA GENERAL EDUCATION CURRICULUM (AGEC). PLEASE DIRECT QUESTIONS ABOUT PRIOR LEARNING ASSESSMENT AT THE MARICOPA COMMUNITY COLLEGES TO THE ADMISSIONS AND RECORDS/ENROLLMENT SERVICES OFFICE.

PRIOR LEARNING ASSESSMENT FEE SCHEDULE

NO FEES ARE ASSESSED BY THE COLLEGE FOR THE FOLLOWING TYPES OF PRIOR LEARNING ASSESSMENT: TRANSFER CREDIT FROM REGIONALLY OR NON-REGIONALLY ACCREDITED INSTITUTIONS, STANDARDIZED COLLEGE-LEVEL EXAMS (SUCH AS CLEP, AP, IB, DSST, CIE), GED EXAMS, MILITARY TRANSCRIPTS, ACE (AMERICAN COUNCIL ON EDUCATION) TRANSCRIPTS, CREDIT RECEIVED THROUGH COMPANIES THAT OFFER NATIONALLY RECOGNIZED CREDIT EVALUATED BY ACE, NCCRS, ETC. (STRAIGHTERLINE, NOCTI, STUDY.COM, ETC.), INDUSTRY RECOGNIZED CREDENTIALS, INTERNATIONAL COURSEWORK THAT HAS BEEN OFFICIALLY EVALUATED BY A FOREIGN EVALUATOR SERVICE (SUCH AS EDUCATIONAL CREDENTIAL EVALUATORS), AND SKILL CENTER AND/OR CLOCK HOUR TRANSCRIPTS.

DEPARTMENTAL CHALLENGE EXAM AND CREDIT BY EVALUATION

SEE TUITION AND FEES SCHEDULE

CREDIT BY EXAM (COLLEGE-LEVEL EQUIVALENCY EXAMINATIONS)

ACE HAS PUBLISHED CREDIT RECOMMENDATIONS FOR A NUMBER OF NATIONAL STANDARDIZED EXAMINATIONS SUCH AS THE ONES LISTED BELOW IN THE *GUIDE TO EDUCATIONAL CREDIT BY EXAMINATION*. THE MARICOPA COMMUNITY COLLEGES USE THESE RECOMMENDATIONS AS GUIDELINES TO AWARD CREDIT FOR EQUIVALENT COURSEWORK AS WELL AS ELECTIVE CREDIT. THE NUMBER OF CREDITS LISTED IN THE *ACE GUIDE* ARE RECOMMENDATIONS ONLY. A COLLEGE IS NOT REQUIRED TO GRANT A STUDENT THE NUMBER OF CREDITS RECOMMENDED.

SCORES MUST BE SENT DIRECTLY TO THE ADMISSIONS AND RECORDS/ENROLLMENT SERVICES OFFICE FROM THE SPECIFIC TESTING COMPANY(S) BEFORE CREDIT IS AWARDED; EQUIVALENCIES ARE SUBJECT TO REVIEW AND CHANGE. CREDIT RECEIVED THROUGH PRIOR LEARNING ASSESSMENT IS TRANSFERABLE WITHIN THE MARICOPA COMMUNITY COLLEGES BUT IS NOT NECESSARILY TRANSFERABLE TO OTHER COLLEGES AND UNIVERSITIES. THEREFORE, STUDENTS ARE STRONGLY ADVISED TO RESEARCH THE CREDIT FOR PRIOR LEARNING ASSESSMENT POLICIES AT ANY COLLEGE OR UNIVERSITY OUTSIDE OF THE MARICOPA COMMUNITY COLLEGES TO WHICH THEY PLAN TO TRANSFER. CREDIT BY EXAM IS AWARDED BASED ON EQUIVALENCIES IN EFFECT AT THE TIME OF EVALUATION. CHANGES TO EXAMS AND SCORES ARE DETERMINED BY THE RESPECTIVE MARICOPA INSTRUCTIONAL COUNCILS (ICS) AND/OR STATEWIDE ARTICULATION TASK FORCES (ATFS).

MARICOPA RECOGNIZES THE FOLLOWING EXAMINATIONS:

- ADVANCED PLACEMENT (AP)
- AMERICAN COLLEGE TESTING PROFICIENCY EXAMINATION PROGRAM (ACT-PEP)
- CAMBRIDGE INTERNATIONAL EXAMS (CIE), A AND AS LEVEL
- COLLEGE-LEVEL EXAMINATION PROGRAM (CLEP)
- DEPARTMENTAL EXAMS (ALSO KNOWN AS “CHALLENGE EXAMS”)
- DSST (FORMERLY DEFENSE ACTIVITY FOR NON-TRADITIONAL EDUCATION SUPPORT OR DANTES) DEFENSE ACTIVITY FOR NON-TRADITIONAL EDUCATION SUPPORT [DANTES] SUBJECT STANDARDIZED TESTS (DSST)
- GED, COLLEGE READY + SCORES
- INTERNATIONAL BACCALAUREATE (IB) DIPLOMA/CERTIFICATE
- PEARSON VUE EXAMS

FEES FOR STANDARDIZED EXAMS ARE THE RESPONSIBILITY OF THE STUDENT.

ADVANCED PLACEMENT (AP) CREDIT

STUDENTS WHO HAVE TAKEN AN ADVANCED PLACEMENT COURSE OF THE COLLEGE ENTRANCE EXAMINATION BOARD (CEEB) IN THEIR SECONDARY SCHOOL AND WHO HAVE TAKEN AN ADVANCED PLACEMENT EXAMINATION OF THE CEEB MAY RECEIVE COURSE CREDIT. SCORES MUST BE RECEIVED DIRECTLY FROM CEEB TO ADMISSIONS AND RECORDS/ENROLLMENT SERVICES BEFORE CREDIT IS AWARDED.

AMERICAN COLLEGE TESTING PROFICIENCY EXAMINATION PROGRAM

THE MARICOPA COMMUNITY COLLEGES MAY AWARD CREDIT FOR THE AMERICAN COLLEGE TESTING PROFICIENCY EXAMINATION PROGRAM (ACT-PEP) BASED ON THE SCORES EARNED TO ADMISSIONS AND RECORDS/ENROLLMENT SERVICES.

CAMBRIDGE INTERNATIONAL EXAMINATIONS (CIE) A AND AS LEVEL

STUDENTS WHO HAVE TAKEN A CAMBRIDGE INTERNATIONAL EXAMINATION MAY RECEIVE COLLEGE CREDIT. SCORES MUST BE RECEIVED DIRECTLY FROM CIE TO ADMISSIONS AND RECORDS/ENROLLMENT SERVICES BEFORE CREDIT IS AWARDED.

COLLEGE LEVEL EXAMINATION PROGRAM (CLEP)

STUDENTS WHO HAVE TAKEN A COLLEGE LEVEL EXAMINATION OF THE COLLEGE ENTRANCE EXAMINATION BOARD (CEEB) MAY RECEIVE COLLEGE CREDIT. SCORES MUST BE RECEIVED DIRECTLY TO ADMISSIONS AND RECORDS/ENROLLMENT SERVICES FROM CEEB BEFORE CREDIT IS AWARDED. ESTRELLA MOUNTAIN COMMUNITY COLLEGE, RIO SALADO COLLEGE, PARADISE VALLEY COMMUNITY COLLEGE, AND MESA COMMUNITY COLLEGE ARE CLEP TEST SITES. FOR MORE INFORMATION ON REGISTERING FOR THE CLEP EXAMINATIONS, CONTACT THE TESTING CENTERS AT THESE COLLEGES.

DEPARTMENTAL EXAMS (ALSO KNOWN AS CHALLENGE EXAMS)

STUDENTS MAY APPLY FOR DEPARTMENTAL CREDIT BY EXAMINATION IN CERTAIN COURSES BY OBTAINING THE APPROPRIATE FORM IN THE ADMISSIONS AND RECORDS OFFICE, PAYING THE REQUIRED FEE, AND COMPLETING THE EXAMINATION AND OTHER REQUIREMENTS OF THE COLLEGE. SEE FEE SCHEDULE FOR APPROPRIATE FEES. STUDENTS MAY NOT REQUEST:

- TO CHALLENGE A COURSE A SECOND TIME;
- TO CHALLENGE A COURSE WHILE CURRENTLY ENROLLED IN THE COURSE;
- TO ESTABLISH CREDIT IN A PREVIOUSLY COMPLETED COURSE; AND
- TO ESTABLISH CREDIT FOR A LOWER LEVEL OF A COURSE IN WHICH CREDIT HAS BEEN RECEIVED.

ADDITIONALLY:

- EXCEPTIONS MAY BE GRANTED AT SOME OF THE MARICOPA COMMUNITY COLLEGES FOR THEIR UNIQUE PROGRAMS OF STUDY. SPECIALIZED PROGRAMS MAY ALLOW COURSES TO BE REPEATED DUE TO THE STUDENT NEEDING TO HAVE RECENT KNOWLEDGE OF THE CONTENT IN ORDER TO PROGRESS IN THE PROGRAM.
- ACADEMIC DEPARTMENTS MAY HAVE ADDITIONAL REQUIREMENTS THAT MUST BE MET BEFORE CREDIT MAY BE GRANTED THROUGH DEPARTMENTAL CREDIT BY EXAMINATION.

- ONLY GRADES OF A, B, C, D OR P EARNED AS A RESULT OF THIS EXAMINATION WILL BE RECORDED ON THE STUDENT'S TRANSCRIPT. FEES ARE NOT REFUNDABLE AFTER THE EXAMINATION HAS BEEN ADMINISTERED, REGARDLESS OF RESULTS.
- WHEN CREDIT IS GRANTED AS OUTLINED ABOVE, A NOTATION OF "CREDIT BY EXAMINATION," A GRADE AND THE NUMBER OF CREDITS WILL APPEAR ON THE STUDENT'S TRANSCRIPT. THE GRADE IS USED IN COMPUTING THE GRADE POINT AVERAGE.

DSST (FORMERLY DEFENSE ACTIVITY FOR NON-TRADITIONAL EDUCATION SUPPORT OR DANTES)

THE MARICOPA COMMUNITY COLLEGES MAY AWARD CREDIT FOR DSST EXAMINATION PROGRAM TO INDIVIDUALS WHO MEET OR EXCEED THE ACE RECOMMENDED SCORES FOR AWARDED CREDIT ON THE DSST EXAMS. THE MARICOPA COMMUNITY COLLEGES DO NOT AWARD CREDIT FOR ENG 102 THROUGH DSST EXAMINATION. CREDIT RECEIVED THROUGH DSST IS TRANSFERABLE WITHIN THE MARICOPA COMMUNITY COLLEGES, BUT IS NOT NECESSARILY TRANSFERABLE TO OTHER COLLEGES AND UNIVERSITIES.

THE ASSESSMENT CENTER AT RIO SALADO COLLEGE IS A DSST TEST SITE. FOR ADDITIONAL INFORMATION ON REGISTERING FOR DSST EXAMINATIONS, CALL (480) 517-8560.

STUDENTS WHO HAVE TAKEN A DSST EXAMINATION MAY RECEIVE COLLEGE CREDIT. SCORES MUST BE RECEIVED DIRECTLY FROM DSST BEFORE CREDIT IS AWARDED.

GED EXAMS

THE MARICOPA COMMUNITY COLLEGES MAY AWARD CREDIT FOR GED SUBJECT AREA SCORES DESIGNATED AS COLLEGE READY + IN ACCORDANCE WITH THE ACE RECOMMENDED SCORES. THE TRANSCRIPT NEEDS TO BE SENT DIRECTLY BY THE DEPARTMENT OF EDUCATION TO THE ADMISSIONS AND RECORDS OFFICE /ENROLLMENT SERVICES IN ORDER TO BE AWARDED CREDIT. DISCLAIMER: TEST SCORES ARE CONTINUALLY REVIEWED AND MAY BE UPDATED AT ANY TIME.

EDUCATIONAL EXPERIENCES IN THE ARMED SERVICES

THE MARICOPA COMMUNITY COLLEGES MAY AWARD CREDIT FOR MILITARY EXPERIENCES BASED ON THE ACE GUIDE TO THE EVALUATION OF EDUCATIONAL EXPERIENCES IN THE ARMED SERVICES. A STUDENT MAY RECEIVE COLLEGE CREDIT IF:

- TRAINING PARALLELS A DISCIPLINE AREA OFFERED THROUGH THE MARICOPA COMMUNITY COLLEGES, AND
- CREDIT MEETS A PROGRAM REQUIREMENT OR IS USED AS ELECTIVE CREDIT.

UPON REQUEST, INDIVIDUALS WHO HAVE SUCCESSFULLY COMPLETED BASIC TRAINING, FOUR (4) CREDIT HOURS IN PHYSICAL EDUCATION WILL BE AWARDED AS INDICATED IN THE ACE GUIDE AND THE COMMUNITY COLLEGE OF THE AIR FORCE CATALOG. OFFICIAL DOCUMENTATION OF MILITARY TRAINING IS REQUIRED.

INTERNATIONAL BACCALAUREATE (IB) DIPLOMA/CERTIFICATE

STUDENTS WHO PRESENT AN INTERNATIONAL BACCALAUREATE DIPLOMA/CERTIFICATE MAY QUALIFY FOR COLLEGE CREDIT. MARICOPA GRANTS CREDIT FOR COLLEGE-LEVEL COURSES ONLY. SCORES MUST

BE RECEIVED DIRECTLY FROM THE INSTITUTION WHERE THE EXAMS WERE ADMINISTERED BEFORE CREDIT IS AWARDED.

CREDIT BY EVALUATION

COLLEGE CREDIT RECOMMENDATION SERVICE

ACE EVALUATES TRAINING PROGRAMS OFFERED BY BUSINESS, INDUSTRY, AND GOVERNMENT AND PUBLISHES ITS CREDIT RECOMMENDATIONS IN *THE NATIONAL GUIDE*. IF A STUDENT HAS RECEIVED TRAINING THAT APPEARS IN THE GUIDE, HE OR SHE MAY RECEIVE COLLEGE CREDIT IF:

- TRAINING PARALLELS A DISCIPLINE AREA OFFERED THROUGH THE MARICOPA COMMUNITY COLLEGES, AND
- CREDIT MEETS A PROGRAM REQUIREMENT OR IS USED AS ELECTIVE CREDIT.

DEPARTMENTAL CREDIT BY EVALUATION

STUDENTS MAY APPLY FOR DEPARTMENTAL CREDIT BY EVALUATION IN CERTAIN COURSES BY OBTAINING THE APPROPRIATE FORM IN THE ADMISSIONS AND RECORDS /ENROLLMENT SERVICES OFFICE. THE COMPLETED CREDIT BY EVALUATION FORM AND THE REQUIRED FEES ARE DUE TO THE COLLEGE WHEN THE CREDIT BY EVALUATION REQUEST IS SUBMITTED.

SOME ACADEMIC DEPARTMENTS MAY HAVE ADDITIONAL REQUIREMENTS THAT MUST BE MET BEFORE CREDIT MAY BE GRANTED THROUGH DEPARTMENTAL CREDIT BY EVALUATION. WHEN CREDIT IS GRANTED A NOTATION OF "CREDIT BY EVALUATION," AND THE NUMBER OF CREDITS WILL APPEAR ON THE STUDENT'S TRANSCRIPT. THESE CREDITS ARE NOT USED IN COMPUTING THE GRADE POINT AVERAGE. CREDIT BY EVALUATION IS TRANSFERABLE WITHIN THE MARICOPA COMMUNITY COLLEGES, BUT IS NOT NECESSARILY TRANSFERABLE TO OTHER COLLEGES AND UNIVERSITIES. STUDENTS MAY NOT REQUEST:

- TO CHALLENGE A COURSE A SECOND TIME;
- TO CHALLENGE A COURSE WHILE CURRENTLY ENROLLED IN THE COURSE;
- TO ESTABLISH CREDIT IN A PREVIOUSLY COMPLETED COURSE; AND
- TO ESTABLISH CREDIT FOR A LOWER LEVEL OF A COURSE IN WHICH CREDIT HAS BEEN RECEIVED.

2.2.6 Academic Advising and New Student Orientation

1. Academic Advising

- A. Students who will be attending college for the first time, and intend to earn an Associate's degree or to transfer to a college/university to complete a Bachelor's degree, will be required to meet with an academic advisor prior to the start of their first semester at a MCCCDCollege.
 - i. Recent high school students who received MCCCDCredits through Dual/Concurrent Enrollment, ACE, Hoop of Learning, or any MCCCDCollege Early Outreach Program are considered first time to college.
2. New Student Orientation

Students who will be attending college for the first time, and intend to earn an Associate's degree or to transfer to a College/university to complete a Bachelor's degree, will be required to attend New Student Orientation prior to the start of their first semester at a MCCCDCollege.

 - i. Recent High School students who received MCCCDCredits through Dual/Concurrent Enrollment, ACE, Hoop of Learning, or any MCCCDCollege Early Outreach Program are considered first time to college.
3. Students who will be attending college for the first time and intend to earn an Associate's degree or transfer to a college/university to complete a Bachelor's degree, and who place into one or more developmental education courses, will be required to successfully complete a College Success Course (CPD 150 or CPD/AAA115) within the first two semesters at a MCCCDCollege.
 - i. Recent high school students who received MCCCDCredits through dual/concurrent enrollment, ACE, Hoop of Learning, or any MCCCDCollege Early Outreach Program are considered first time to college.

2.2.7 Student Assessment and Course Placement

1. Course Placement

- A. Students who plan to register in English, Reading, or Math will be advised to enroll into courses based on valid District-approved placement methods.
- B. Students who place into course(s) that are below college-level (i.e., below 100-level) will be advised to enroll into the course(s) within the first two semesters.
- C. A department/division chair or designee may grant a course placement waiver under special circumstances. The *signed* waiver will be noted on the student's electronic record. The process may also be done electronically without a signature if supported by the attending college.
- D. Course placement will be determined utilizing the District placement options under any one of the following conditions:
 - i. The student is taking his or her first college credit English, reading or math course, or any college course for which English, reading or math is a prerequisite.
 - ii. The student is pursuing a degree or transfer pathway and does not have current valid District approved course placement on file or does not have previous college credit in English, reading and math.
 - iii. The student for whom English is not the primary language and who is taking his or her first English as a Second Language class is required to take a test of English proficiency.
- E. Students will be exempt from the course placement process if at least one of the following conditions apply:
 - i. The student has earned an associate or higher degree from a regionally accredited college.
 - ii. The student has earned college credits from a regionally accredited college in English, reading, and math with a grade of C or higher.
 - iii. The student has currently valid District approved course placement scores on file.
 - iv. The student who is exempt from the course placement process must still fulfill the minimum graduation requirements.

2. Determining Course Placement

Maricopa County Community Colleges use multiple placement options. In cases, when a course placement test is given, scores will be valid for two years. Other placement methods will also have limited time validity. For additional information, go to [PLACEMENT www.maricopa.edu/placement](http://www.maricopa.edu/placement).

- A. Reading placement test scores that indicate “exempt from CRE101” do not expire.
- B. Students will be permitted one re-test in English, Reading, or by Math level after at least a 24-hour waiting period. One additional re-test is permitted no sooner than three months from the oldest valid score date at any course placement testing site.
- C. The Vice President of Student Affairs or designee may approve re-testing for students with special needs or circumstances. The re-test date will then serve as the date of record.

3. Implementation of Policy

To ensure consistency of the course placement process within the Maricopa Community Colleges:

- A. All colleges shall accept the same approved course placement methods.
- B. All colleges shall adhere to the same approved placement scores.
- C. All colleges shall adhere to the approved limited time validity for each course placement method. For more information, go to: [PLACEMENT www.maricopa.edu/placement](http://www.maricopa.edu/placement).
- D. Reading Placement Scores that Indicated “Exempt from CRE101” Do Not Expire.

4. Evaluation

The Maricopa Community Colleges will provide an ongoing evaluation of the course placement process. An annual report shall be submitted to the Governing Board to indicate the policy's effectiveness noting the number of students assessed, their placement scores and their success in courses. Every three years a thorough review of the policy and procedures shall be implemented, including recommendations from the English, Reading and Math Instructional Councils regarding cut-off scores, course placement assessment tools and procedures.

AMENDED through the Administrative Regulation Process, June 4, 2019

2.2.8 Registration

Students must register according to the dates indicated, and in the manner described in the college class schedule. To be eligible for registration, students must have completed the appropriate steps listed under the Admissions section. The college may allow early or priority registration. Tuition and fees must be paid or payment arrangements made by the due date to secure class enrollment. Students may not attend a class for which they are not registered.

The colleges reserve the right to enroll students in courses. The final decision for admission to any class for students admitted under section 2 of AR 2.2.1 will be determined by the designated college administrator in consultation with the department chairperson and/or faculty.

Class Registration Deadlines:

1. For classes with published start dates and meeting times, registration in the class must be completed before the first official class meeting date and time. Students may not register for a class once it has started. Self-Service registration for a class through my.maricopa.edu will end at 11:59 PM on the day before the class starts. Registration for a class on the date it starts must be done in person or on the phone, and must be completed before the class start time.
2. For classes without published meeting times (for example, online classes, special projects), registration in the class must be completed by 11:59 PM on the day before the class starts.
3. Exceptions
 - a. Exceptions to class registration deadlines require permission of appropriate instructor(s) and approval of the appropriate department/division chair or designee.
 - b. Exceptions are limited to
 - i. Courses requiring permission of instructor
 - ii. Courses requiring auditions or try-outs
 - iii. Courses for Special Populations or Cohorts
 - iv. Enrollment in an alternative section of a course taught by the same instructor
 - v. Enrollment in an alternative section of a course taught by a different instructor
 - vi. Course level changes
 - vii. Students dropped for non-payment during the 100% refund period may be reinstated if they attended since the first class meeting.
 - viii. Students dropped due to Human or system errors may be reinstated if they attended the first class meeting.
 - ix. Other exceptions may be granted after faculty consultation with the student.

2.2.9 Tuition and Fees Policy

Tuition and fees are public monies within the jurisdiction and responsibility of the Maricopa Community Colleges Governing Board under the laws and regulations of the State of Arizona and must be administered by the Governing Board. The Governing Board reserves the right to change tuition and fee charges when necessary without notice. All students are classified for tuition purposes under one of the following residency classifications:

1. Maricopa County resident
2. Out-of-County resident
3. Out-of-State resident (including F-1 non-immigrant students)

Residency for tuition purposes is determined in accordance with state law (ARS §§15-1801 et seq.) and regulations of the Maricopa Community Colleges Governing Board. All of the Maricopa Community Colleges are subject to the above statutes and regulations. Students who have questions about their residency should contact the Admissions and Records Office/Office of Student Enrollment Services for clarification.

Students attending more than one Maricopa Community College will be assessed fees for their enrollment at each of the Maricopa Community colleges/centers. (Students who are considered to be out-of-state residents for tuition and fees purposes should refer to Appendix S-3, Concurrent Enrollment in Arizona Public Institutions of Higher Education.)

1. Time of Payment*

All tuition, fees, assessments and deposits must be paid at the time of registration or by the specified deadline date and in accordance with the fee schedule approved by the Maricopa Community Colleges Governing Board.

2. Tuition and Fees Schedule (Effective July 1, 2018 for fall, spring and summer Sessions)*

Current information can be found at <https://district.maricopa.edu/regulations/admin-regs/appendices/students/s-4>

The following is a tuition and fees schedule for 2018-2019 and is provided for reference. **These tuition and fees are subject to change.** Consult the college's Admissions and Records Office/Office of Student Enrollment Services for course fees in effect during the semester/term in which you intend to register. See [Appendix S-4](#).

Amended through Direct Chancellor Approval, November 21, 2018

Appendix S-4: Tuition & Fee Schedule
Student Status

2018-2019	Maricopa County Resident (In County)	In County Resident Audit Rate	Out of County Resident	Non-Resident Living in Arizona taking online courses	Non-Resident Study Abroad Program	Non-Resident Distance Learning	Western Undergraduate Exchange (WUE)
	IN-STATE			OUT-OF-STATE			
Credit Hours	A	B	C*	D**	E	F***/+	G
1	85.00	110.00	401.00	215.00	205.00	215.00	127.50

9	765.00	990.00	3609.00	1,935.00	1,845.00	1,935.00	1,147.50
10	850.00	1,100.00	4010.00	2,150.00	2,050.00	2,150.00	1,275.00
11	935.00	1,210.00	4411.00	2,365.00	2,255.00	2,365.00	1,402.50
12	1,020.00	1,320.00	4812.00	2,580.00	2,460.00	2,580.00	1,530.00
13	1,105.00	1,430.00	5213.00	2,795.00	2,665.00	2,795.00	1,657.50
14	1,190.00	1,540.00	5614.00	3,010.00	2,870.00	3,010.00	1,785.00
15	1,275.00	1,650.00	6015.00	3,225.00	3,090.00	3,225.00	1,912.50
16	1,360.00	1,760.00	6416.00	3,440.00	3,280.00	3,440.00	2,040.00
17	1,445.00	1,870.00	6817.00	3,655.00	3,485.00	3,655.00	2,167.50
18	1,530.00	1,980.00	7218.00	3,870.00	3,690.00	3,870.00	2,295.00

* Students from any other county in Arizona are considered Maricopa County residents (in county) due to a reciprocal arrangement with that county. Reciprocal agreements allow for in-county tuition rates for residents of all Arizona counties except Apache or Greenlee counties without an Out-of-County Residence Affidavit.

** According to ARS §15-1802F, "A person who is a member of an Indian tribe recognized by the US Department of the Interior whose reservation lies in this state and extends into another state and who is a resident of the reservation is entitled to classification as an in-state student." Therefore, unclassified and out-of-state surcharges do not apply to such students.

*** According to ARS §15-1470, community college districts may offer credit and noncredit courses and services outside of this state. A district is not entitled to state aid payments for students who are provided courses and services outside of this state.

+ This rate applies to out-of-state resident students who are taking distance learning courses or students who are taking classroom-based credit courses through a contract agreement between MCCC and the company they work for. This rate does not apply to Study Abroad Programs as there is a separately calculated rate for those students.

- A. Determine Student Residency Status
Refer to admissions information ([AR 2.2.2](#)) of the college catalog for residency information and to review the requirements for classification as a Maricopa county resident. Contact the Admissions and Records Office/Office of Student Enrollment Services if you have questions about residency requirements.
- B. Use the Chart to Locate Tuition Charges
Determine the correct column based on your residency status and then select the number of credit hours. The general tuition chart is provided for reference only.
- C. Add Any Additional Fees
A one-time, per semester \$15 registration fee is due by the official start of the term (semester) or by the specified due date or at time of registration.
- D. There may also be additional course fees for classes, please refer to the college schedule for course fees.
- E. If you choose to audit a class, add an additional fee of \$25 per credit hour.
- F. Additional course fees may apply for specific courses. Check with the college's Admissions and Records Office/Office of Student Enrollment Services for a current listing of course fees.
- G. Pay Your Fees
Payment of fees may be made by cash, check, money order, VISA, MasterCard, Discover or American Express. Payment Plan options are also available.

NOTE: If you do not pay your tuition and fees at the time of registration or by the specified due date, you may be dropped from your classes and may be responsible for the tuition and fees based on the refund schedule which outlines the refund deadlines for each course.

Skill Center Tuition Rates

Regular	\$5.00 per clock hour
Nursing Assistant	\$6.00 per clock hour
Practical Nursing	\$6.00 per clock hour

Amended through the Administrative Regulation Approval Process, May 5, 2017

Credit by Examination & Credit by Evaluation (excludes Allied Health courses)

Regular Rate	\$85.00 per credit hour
Contract Rate	\$42.50 per credit hour

3. Outstanding Debts

Any debt or returned check may revoke a student's current enrollment and the student's right to register in subsequent semesters at all Maricopa Community Colleges. Delinquent debts may require penalties, late charges, collection costs, and/or legal fees to be paid before good standing is restored to the student.

The following procedure will be used for the collection of returned checks and other outstanding debts:

- A. The designated college official or fiscal officer is responsible for:
 - i. Verifying the student's district wide debt,
 - ii. Attempting to notify the student of the debt and
 - iii. Attempting to collect the debt.
- B. Maricopa Community College services may be withheld pending payment of debt (at designated college office) with cash, certified check or money order or online with debit or credit card or in person with credit card. Student may be withdrawn from classes.
- C. If other collection attempts fail, the Maricopa Community Colleges District Office will either collect or use other means available, including:
 - i. Collection agency, requiring payment of collection fees by the student;
 - ii. The Tax Refund Setoff Programs as stated in ARS §42-1122;

- iii. Litigation, requiring payment of court costs and legal fees by the student.
- D. Debt Holds may be lifted only in limited instances by the appropriate College or District business services designee for the extension of services provided that at least one of the following conditions are met:
 - i. MCCCCD staff verify that full payment has been made to another College;
 - ii. The College can deduct payment from a financial aid award made to the student (referring to student authorization guidelines for regulations on applying federal financial aid to debt balances);
 - iii. A third party not related to the student, such as an employer or state agency, makes a verified payment directly to the College;
 - iv. It is determined and verified with the appropriate MCCCCD office that the hold resulted from a system error and the error is due to an activity that requires correction by the appropriate College or District personnel.

Admission Criteria to Attend a College within the Maricopa Community College District (MCCCCD) is determined in accordance with state law (ARS §§15-1805.01 AND 15-1821) and regulations of the Maricopa Community Colleges Governing Board and the Chancellor. As such, participants enrolled in courses as part of third party agreements are also subject to the same admissions criteria. This includes the participants resolving any current enrollment or administrative holds that are unrelated to the Third party in an existing student account, but that otherwise impact his/her eligibility to enroll in courses or participate in programs delivered by MCCCCD faculty or staff.

4. Discounted Fees and Waivers

- A. Citizens 62 years of age and older shall be issued ID cards that allow them the privilege of attending events at no cost and that allow them to use the library facilities.
- B. Employees, Dependents and Mandated Groups
The Maricopa Community College District waives tuition and student activity fees for credit-hour courses for employees and their dependents, and for legislatively mandated groups. Special fees and fees for Non-credit/Special interest Community Services courses are not waived.
- C. Tuition and Registration Fee Waiver for Members of the Pima-Maricopa Indian Community
Tuition and fee waivers shall be funded through Auxiliary Fund Monies for college credit courses for the enrolled members of the Pima-Maricopa community who live on the Pima-Maricopa Reservation.

All other guidelines and procedures established for the purpose of administering waivers, affidavits and exemptions are outlined in the Maricopa County Community College District tuition waiver manual.

2.2.10 Refund Policy

1. Refund Policy for Credit/Clock Classes

Students who officially withdraw from credit/clock classes (in fall, spring, or summer) within the withdrawal deadlines listed below will receive a 100% refund for tuition, class and registration processing fees. Deadlines that fall on a weekend or a college holiday will advance to the next college workday except for classes fewer than 10 calendar days in length or as specified by the college. Calendar days include weekdays and weekends. Refer to individual colleges for withdrawal and refund processes. Never attending is not an allowable refund exemption or an excuse of the debt incurred through registration.

Length of Class	Official Withdrawal Deadlines for 100% Refund
1-9 calendar days	Prior to the class start date
10-19 calendar days	1 calendar day including the class start date
20-29 calendar days	2 calendar days including the class start date
30-39 calendar days	3 calendar days including the class start date
40-49 calendar days	4 calendar days including the class start date
50-59 calendar days	5 calendar days including the class start date
60-69 calendar days	6 calendar days including the class start date
70+ calendar days	7 calendar days including the class start date

**Course fees and registration processing fees will be refunded only if the student qualifies for a 100% refund. Debts owed to any MCCC college must be satisfied before any refunds are paid to the student. Refunds for students receiving federal financial assistance are subject to federal guidelines. Requests for exceptions to the refund policy must be filed within one year from the semester in which the course was taken.*

2. Refund Policy for Non-Credit Classes

Unless otherwise specified, students must drop non-credit classes prior to the course start date to be eligible for a 100% refund.

3. Canceled Classes

When a class is canceled by the college, a 100% refund will be made.

4. Refund Exceptions

Students withdrawing from a college or from courses for one of the following reasons must submit a written request for a refund exception to the Admissions and Records Office/Office of Student Enrollment Services or designated college official:

- A. A student with a serious illness, verifiable by a doctor's written statement that the illness prevents the student from attending all classes for the semester. The doctor's statement must be on file with the college before a refund can be given.
- B. Serious illness or death of an immediate family member that prevents the student from attending all classes for the semester. Immediate family members include spouse/partner, father, mother, grandfather, grandmother, child, foster child, grandchild, stepchild, sibling, stepsibling, stepfather, stepmother, or spouse's/partner's father, mother, grandfather, grandmother, or in-laws in any one incident. Appropriate documentation must be provided before a refund can be given.
- C. Death of a student. Appropriate documentation must be provided before a refund can be given.
- D. A student in the Armed Forces or the Arizona National Guard who is called to active duty and assigned to a duty station, verifiable by a copy of the orders, will be allowed to withdraw and receive a 100% refund of tuition, provided courses have not been completed.

Requests for a total withdrawal from a college or courses for one of the above reasons may result in a partial prorated refund of tuition, provided courses have not been completed. All decisions made by the college are final.

Limitation: Never attending is not an allowable refund exception or an excuse of the debt incurred through registration

5. Refund Policy for Department of Defense Tuition Assistance Funds

Students who receive tuition assistance (TA) funds for a course or courses from the department of defense (DOD) may have a refund processed and returned to the student's DOD branch of service in the following situations. Refer to individual colleges for withdrawal and refund processes.

- A. Per refund exception D, a student who is called to active duty and assigned to a duty station, verifiable by a copy of the orders, will be allowed to withdraw, provided courses have not been completed. A 100% refund of TA funds will be issued to the student's DOD branch of service.
- B. A student who withdraws for reasons other than those outlined above within the first 60% of the period for which funds were received will have the proportional amount of unearned TA funds returned to the student's DOD branch of service. Refer to individual colleges and DOD branch of service for potential student financial responsibility as a result of withdrawal.

Requests for refund should be referred directly to the college of enrollment.

AMENDED through the Administrative Regulation Approval Process, May 5, 2017

2.2.11 Student Financial Assistance

The Maricopa Community Colleges provide students financial assistance to enable access to higher education. Student financial assistance shall be awarded on the basis of demonstrated financial need except where funds are specified for

recognition of special talents and achievements. Additional procedural information on financial assistance is available in [Appendix S-5](#).

Appendix S-5: Student Financial Assistance

The Maricopa Community Colleges provide students financial assistance to enable access to higher education. Student financial assistance shall be awarded on the basis of demonstrated financial need except where funds are specified for recognition of special talents and achievements. Only those with a lawful presence in the United States may qualify for federal financial aid or Maricopa County Community College District (MCCCD) scholarships. Under Arizona law, any information the student provides about his or her legal status when applying for financial aid or publicly funded scholarships may be subject to mandatory reporting to federal immigration authorities. This does not apply to applications for the private scholarship funds held in and distributed by the Maricopa Community Colleges Foundation.

The office of financial aid may request to have the validity of a student's high school completion evaluated if either the college or the United States Department of Education has reason to believe that the high school diploma is not valid or was not obtained from an entity that provides secondary school education. An evaluation may be conducted on the basis of any of the following:

- Alerts, bulletins, or similar communications provided by any state, federal, or other governmental agency, another institution, a professional or similar organization, or any other resource that might provide information helpful to the evaluation;
- A transcript or other record received from another institution the student may have attended;
- The contents of the student's Free Application for Federal Student Aid, student information form, or any other information the student provides to the college;
- The independent professional judgment by any official of the office of student financial aid.

How to Apply for Federal Financial Aid

New students must complete the Free Application for Federal Student Aid (FAFSA) or FAFSA on the Web at <http://www.fafsa.ed.gov/>. Each academic year, continuing students must reapply by completing a FAFSA, Renewal FAFSA, or FAFSA on the Web. Scholarships require separate applications. Specific information regarding financial assistance, including application deadlines or priority dates, may be obtained from the college Office of Student Financial Aid.

Types of Aid

Grants, loans, student employment, and scholarship funds may be available from federal, state, and/or private sources.

The Maricopa Community Colleges Foundation offers a variety of scholarship opportunities. Scholarship opportunities are available year round. However, most scholarships are posted mid-January and most deadlines are the last week of March. Options are available at <https://mcccdf.org/> or by calling 480-731-8400.

Distribution of Aid

Criteria by which aid is distributed among eligible financial aid applicants are available on request at the college Office of Student Financial Aid.

Rights and Responsibilities

Students should read all information provided in the process of applying for federal financial aid in order to gain a greater knowledge of all the rights as well as responsibilities involved in receiving that assistance.

Satisfactory Academic Progress

Specific requirements for academic progress for financial aid recipients are applied differently than scholastic standards. In addition to scholastic standards which are explained elsewhere in this catalog, financial aid recipients are also subject to the following [Standards of Satisfactory Academic Progress](#). Specific information is available at the college Office of Student Financial Aid.

Refunds and Repayments

In accordance with federal regulations (CFR 668.22), a student may be required to repay federal financial aid funds if they completely withdraw, are withdrawn, or fail to earn a passing grade from all classes during a semester. Further information is available at the college Office of Student Financial Aid. This could affect a student's ability to receive Financial Aid in the future at any school. For a student receiving Financial Aid, also see [Appendix S-7](#) for Withdrawal procedures.

Verification of Information

1. A Free Application for Federal Student Aid (FAFSA) or a change to that FAFSA may be selected for verification. If a student's FAFSA is selected for verification, the student will be notified via the Student Center in my.maricopa.edu. In most cases, the student will be required to submit documentation as part of the verification process. The earlier the Financial Aid Office receives the required documentation, the earlier the student's eligibility for financial aid can be determined. The verification process must be completed no later than 120 days after the last date of enrollment or August 31, whichever comes first. In addition, the Financial Aid Office must receive a final and valid electronic SAR by the student's last day of enrollment or June 30 of the award year, whichever comes first. The verification process must be completed before the Financial Aid Office can award any federal aid.
2. If an award has already been made and a FAFSA is selected for verification, the student must provide required documentation within thirty days after it has been requested of the student or on June 30, whichever comes first. If documentation is not received within this deadline, the student's award may be adjusted or canceled.
3. The required forms and documents a student submits for verification will be compared to the information reported on the student's FAFSA. If the information provided does not match what is shown on the FAFSA, the Financial Aid Office will submit changes to the US Department of Education FAFSA processor. After all changes are made to the FAFSA data, the student's eligibility for financial aid will be reviewed. If there are any changes to the student's financial aid eligibility as a result of verification, the student will be notified by means of the Student Center in my.maricopa.edu. If, following verification, the institution discovers evidence of student aid fraud (including identity theft), waste or abuse of US Department of Education funds, such evidence may be referred to the Office of Inspector General of the US Department of Education.

Award Amount and Level of Enrollment

Award amount is determined, in part, on the level of enrollment. A reduction in course load after financial aid has been awarded may result in an adjusted financial aid award. Federal student aid recipients are advised to register at the same time for all classes they intend to take during a semester to maximize award. Some federal aid may not be awarded for classes added at a later date. Contact the college Office of Student Financial Aid for more information.

Repeated Coursework and Financial Aid Enrollment Status

Federal regulations regarding repeated coursework may impact your financial aid eligibility and awards. Federal regulations specify that students may receive federal financial aid funding for one repetition of a previously passed course. A passed course is defined as one in which a grade of A, B, C, D, or P is received. If you enroll in a course in which you have previously received passing grades twice, the course will not be counted towards your enrollment level for financial aid purposes. You may repeat a failed course until it is passed. Your enrollment for financial aid purposes will be calculated accordingly.

Maricopa Community Colleges Standards of Satisfactory Academic Progress (SAP) for Financial Aid Eligibility

Federal regulations (CFR 668.32(f) and 668.34) require a student to move toward the completion of a degree or certificate within an eligible program when receiving financial aid. Specific requirements for academic progress for financial aid recipients are applied differently than Scholastic Standards. Federal regulations state that Academic Progress Standards must include a review of all periods of enrollment, regardless of whether or not aid was received. Students will be evaluated using the standards described below. Failure to meet any of these minimum standards will result in loss of title IV, HEA program (federal financial aid) eligibility.

Evaluation Period

Standards of Satisfactory Academic Progress (SAP) will be evaluated at the end of each semester; fall, spring and summer. Programs less than one year in length will be evaluated at the midpoint of the program. Non-standard sessions will be evaluated at the completion of the session.

Standards of Satisfactory Academic Progress

[Standards of Satisfactory Academic Progress](#) (SAP) are evaluated on each of the three measurements outlined below. Failure to meet any of these standards will result in suspension of eligibility for financial aid.

Note: Grades of F,I,N,W,X,Y,Z, and courses not yet graded are considered attempted but not meeting progress standards for the purposes of financial aid.

- **Grade Point Measurement:** Students must meet the following credit hour/cumulative grade point average (CGPA).

Total Credits Attempted*	Min CGPA
< 15.75	1.60
16-30.75	1.75
31-45.75	1.90
46 +	2.00

**for which grade points are computed*

- **Pace of Progression Measurement:** Students must successfully complete 2/3 (66.67%) of all attempted course work.
- **Maximum Time Frame Measurement:** Students who have attempted more than 150% of the published credits required for their program of study are considered not meeting SAP.

Coursework Treatment in SAP Calculation

Course work taken during the semester also included in the evaluation:

- Courses funded through a consortium agreement
- All attempted remedial credits
- Repeated course work

Coursework included in the Pace of Progression evaluation:

- All of those included in the semester evaluation
- All evaluated transfer credits

Course work included in the Maximum Time Frame evaluation:

- All of those included in the Pace of Progression evaluation
- Any Bachelors Degree or higher earned will be considered to have exhausted maximum timeframe eligibility
- All coursework forgiven through the academic renewal process

Course work not included in SAP evaluation:

- Audited courses
- Non-credit courses
- Credit by examination
- Credit for prior learning option (as outlined in the college general catalog)

Notification

Students that have applied for federal assistance, but who do not meet the standards, will be notified. This notification will direct students to information regarding the appeal process.

Ineligibility Determination Appeal

Any student who has lost financial aid eligibility due to extenuating circumstances may appeal. Appeal must:

- Be in writing and submitted to the Financial Aid Office where the student is applying for aid.
- Include the extenuating circumstances that caused the student not to meet SAP standards.

- Include appropriate supporting documentation.
- Include how that condition or situation has been resolved thus allowing the student the ability to meet SAP standards.

Students will be notified of the results of their appeal and any restrictions or conditions pertaining to their appeal. The outcome of an appeal may include a probationary term or denial.

Failure to successfully complete all conditions during the probationary period (as defined in the academic plan) will result in loss of future financial aid eligibility.

Regaining Eligibility

A student who has lost financial aid eligibility may only regain eligibility by meeting the minimum SAP standards. Course work taken at other colleges will not be considered for reinstatement purposes.

Terminology and Information Pertaining to this Policy

- **Summer Sessions** – Enrollment in any or all Summer Sessions within the same calendar year will be considered one term.
- **Non-Standard Session** – Sessions that do not follow the traditional start and end dates for the semester.
- **Attempted Credit** – Any credit for which a grade of A, B, C, D, F, I, IP, N, P, W, X, Y, or Z is received and courses not yet graded.
- **CGPA [Cumulative Grade Point Average]** – The MCCCDC grading policy is published in the administrative regulations at 2.3.3. The CGPA does not include credits accepted in transfer.
- **Appeal** – “A process by which a student who is not meeting the institution’s satisfactory academic progress standards petitions the institution for reconsideration of the student’s eligibility for title IV, HEA program assistance.”
- **Extenuating Circumstance** – Examples are: personal injury or illness, serious illness or death within the immediate family, or other circumstance beyond the reasonable control of the student.
- **Supporting Documentation** – Examples could include: an obituary notice, divorce decree, an accident report, or a letter from a physician, attorney, social services agency, etc.
- **Financial Aid Probation** – “A status assigned by an institution to a student who fails to make satisfactory academic progress and who has appealed and has had eligibility for aid reinstated.” A student in this status “may not receive title IV, HEA program funds for the subsequent payment period unless the student makes satisfactory academic progress or the institution determines that the student met the requirements specified by the institution in the academic plan for the student.”
- **Academic Plan** – A plan developed through the SAP Appeal Process which will lead a student to qualify for further title IV, HEA program funds.
- **Financial Aid Suspension** – The status assigned upon failing to meet the minimum SAP standards or the terms of a probationary status. Students in this status are not eligible to receive title IV, HEA assistance.

For more information, contact the college Financial Aid Office.

If you are receiving federal financial aid it is important to read the information below prior to making a decision to withdraw.

Treatment of Title IV Aid When a Student Withdraws

The law specifies how your school must determine the amount of Title IV program assistance that you earn if you withdraw from school. The Title IV programs that are covered by this law are: Federal Pell Grants, National SMART grants, TEACH Grants, Stafford Loans, PLUS Loans, Federal Supplemental Educational Opportunity Grants (FSEOGs), and Federal Perkins Loans.

When you withdraw during your payment period or period of enrollment (you may contact the Financial Aid office to define these for you and tell you which one applies) the amount of Title IV program assistance that you have earned up

to that point is determined by a specific formula. If you received (or your school or parent received on your behalf) less assistance than the amount that you earned, you may be able to receive those additional funds. If you received more assistance than you earned, the excess funds must be returned by the school and/or you.

The amount of assistance that you have earned is determined on a pro-rata basis. For example, if you completed 30% of your payment period or period of enrollment, you earn 30% of the assistance you were originally scheduled to receive. Once you have completed more than 60% of the payment period or period of enrollment, you earn all the assistance that you were scheduled to receive for that period.

If you did not receive all of the funds that you earned, you may be due a post-withdrawal disbursement. If your post-withdrawal disbursement includes loan funds, your school must get your permission before it can disburse them. You may choose to decline some or all of the loan funds so that you don't incur additional debt. Your school may automatically use all or a portion of your post-withdrawal disbursement of grant funds for tuition, fees, and room and board charges (as contracted with the school). The school needs your permission to use the post-withdrawal grant disbursement for all other school charges. If you do not give your permission, you will be offered the funds. However, it may be in your best interest to allow the school to keep the funds to reduce your debt at the school.

There are some Title IV funds that you were scheduled to receive that cannot be disbursed to you once you withdraw because of other eligibility requirements. For example, if you are a first-time, first-year undergraduate student and you have not completed the first 30 days of your program before you withdraw, you will not receive any FFEL or Direct loan funds that you would have received had you remained enrolled past the 30th day.

If you receive (or your school or parent receives on your behalf) excess Title IV program funds that must be returned, your school must return a portion of the excess equal to the lesser of:

1. your institutional charges multiplied by the unearned percentage of your funds, OR
2. the entire amount of excess funds. The school must return this amount even if it didn't keep this amount of your Title IV program funds.

If your school is not required to return all of the excess funds, you must return the remaining amount. Any loan funds that you must return, you (or your parent for a PLUS Loan) repay in accordance with the terms of the promissory note. That is, you make scheduled payments to the holder of the loan over a period of time. Any amount of unearned grant funds that you must return is called an overpayment. The maximum amount of a grant overpayment that you must repay is half of the grant funds you received or were scheduled to receive. You must make arrangements with your school or the Department of Education to return the unearned grant funds.

The requirements for Title IV program funds when you withdraw are separate from any refund policy that your school may have. Therefore, you may still owe funds to the school to cover unpaid institutional charges. Your school may also charge you for any Title IV program funds that the school was required to return. You can view the tuition refund policy and requirements and procedures for withdrawing from school at <https://chancellor.maricopa.edu/public-stewardship/governance/administrative-regulations/2-students/2.2-admission-registration-enrollment>

AMENDED through the Administrative Regulation Approval Process, June 5, 2017

2.2.12 Vaccinations (As Required By 20 USC §1092(a)(1)(V)):

The Maricopa County Community Colleges District does not require that students receive vaccinations prior to enrollment. Certain professional or occupational programs do require particular vaccinations for participation in those programs. More information about these programs can be found on college websites.

2.2.13 UNIVERSITY TRANSFER

UNIVERSITY TRANSFER

The Maricopa Community Colleges have developed formal agreements to facilitate the transfer of credit to four-year colleges and universities. This is accomplished through the development of course and program articulation agreements. The Maricopa Community Colleges articulate with accredited private, public, and international baccalaureate granting institutions. Maricopa transfer agreements are on behalf of the District as a whole and not with individual colleges within the District. Courses taken at any of the Maricopa Community Colleges are equally transferable by institutions wishing to articulate. Students planning to transfer to a university may be required to submit official transcripts.

Articulated transfer programs and pathways between the Maricopa Community Colleges and baccalaureate-granting institutions [such as the Maricopa-ASU Pathway Program (MAPP), the UA Bridge Program, 2NAU and 90/30 transfer agreements] are official, recognized programs of study that fulfill both associate degree and bachelor's degree requirements. These articulated programs and pathways are designed to aid in a smooth transition for a student planning to transfer to a four-year college or university by identifying the required, transferable, and applicable coursework for that student's specific program of study. A complete list of Maricopa-ASU pathway program requirements by major and catalog year is maintained on ASU's website, at [TRANSFER TRANSFER.ASU.EDU](https://transfer.asu.edu).

ARIZONA PUBLIC COMMUNITY COLLEGES AND UNIVERSITIES

Maricopa is a participant in the Arizona Statewide Transfer System. [AZTRANSFER.COM](https://aztransfer.com) is the official source of information for the statewide articulation agreements between the Arizona public community colleges and universities (Arizona State University, Northern Arizona University, and University of Arizona). Included on [AZTRANSFER.COM](https://aztransfer.com) is the Course Equivalency Guide (CEG), which shows transfer course equivalencies between Arizona's public community colleges and tribal institutions to Arizona State University, Northern Arizona University, and The University of Arizona. The transferability of a course does not indicate directly how the course will apply to meet requirements for specific bachelor's degrees. [AZ Transfer Course Equivalency Guide HTTP://AZTRANSMAC2.ASU.EDU/CGI-BIN/WEBOBJECTS/CEG](http://aztransmac2.asu.edu/cgi-bin/webobjects/ceg)

(U.S.) AND INTERNATIONAL INSTITUTIONS

The Maricopa Community Colleges have transfer agreements with accredited U.S. universities and colleges as well as international institutions that have been approved by the Ministry of Education. These partnerships are formalized through District-wide memorandums of understanding and articulation agreements, and are designed to help students maximize the applicability of transfer credit toward a bachelor's degree. To access a list of institutions with which Maricopa has established articulation agreements, visit: [Maricopa University Partner List https://curriculum.maricopa.edu/TRANSFER-PARTNERS/TRANSFER-OPTIONS/MARICOPA-UNIVERSITY-PARTNER-LIST](https://curriculum.maricopa.edu/TRANSFER-PARTNERS/TRANSFER-OPTIONS/MARICOPA-UNIVERSITY-PARTNER-LIST)

TIME LIMIT FOR TRANSFER COURSEWORK

Students should be aware other colleges and universities may have age of credit limits on certain coursework to be used in transfer. Students should refer to the policy of their intended transfer institution regarding time limits for transfer coursework.

SHARED UNIQUE NUMBERING (SUN) SYSTEM COURSE INFORMATION

Senate Bill 1186, which passed into law in 2010, mandated the creation of a shared numbering system for public college and university courses in Arizona to identify courses that transfer from community colleges to universities toward a baccalaureate degree. The Shared Unique Number (SUN) system is a college course numbering system designed to help students locate and enroll in courses that have direct equivalents for transfer among Arizona's public community colleges and three state universities. However, even if a course at the Maricopa Community Colleges is not designated as a SUN course, it may still transfer to other Arizona public institutions with a direct equivalent as per the course equivalency guide on [AZTRANSFER.COM](https://aztransfer.com). The SUN system does not address the applicability of courses. Students are encouraged to work with an academic advisor on course selections. To access a list of SUN courses, visit [SUN https://www.aztransfer.com/sun/](https://www.aztransfer.com/sun/)

ADOPTED through the Administrative Regulation Approval Process, June 4, 2019

2.9 Veterans Services

The Maricopa Community Colleges' veterans' services offices act as liaisons with the Department of Veterans Affairs and the state approving agency. Each program must be approved by the state approving agency. Students may be eligible to receive educational benefits if they are registered in courses that apply to the student's approved programs. Application forms, counseling, advisement, tutoring, and priority enrollment are available for students who are eligible for veteran's educational benefits. Students applying for veteran's educational benefits should allow eight to ten weeks before receiving benefits. The amount of benefits awarded is determined by the Department of Veterans Affairs, and is based on the number of credit hours or clock hours for which a student is enrolled and the length of the enrollment period for each course.

Veteran's benefits available:

- Chapter 30 - Montgomery GI Bill®
- Chapter 31 - Vocational Rehabilitation (separately served through the local VA office)
- Chapter 32 - VEAP Program
- Chapter 33 - Post 9/11 GI Bill® & Transfer of Eligibility to Dependents (TOE)
- Chapter 35 - Survivors and dependents of deceased/100% disabled veterans
- Chapter 1606 - Montgomery GI Bill®, Selected Reserve
- Chapter 1607 - REAP Reserve Educational Assistance Program

GI Bill® is a registered trademark of the U.S. Department of Veterans Affairs (VA). More information about education benefits offered by VA is available at the official U.S. government Web site at <https://www.benefits.va.gov/gibill>.

It is the student's responsibility to notify the office that serves veterans at their campus regarding any change in enrollment, address, program of study, enrollment at another institution, or any other change that may impact their veteran's educational benefits.

Those students receiving benefits must follow the VA academic progress policy to continue to receive benefits.

Department of Veterans Affairs regulations require that all persons using any type of veteran educational assistance program make satisfactory academic progress toward achievement of their educational objective (program of study). A student who does not meet the minimum standards of 2.0 upon completion of 12 or more credit hours will be placed on probation, at which point the student will have no more than two semesters in which to improve academic standing to acceptable. At this point, if satisfactory academic progress has not been demonstrated, veteran educational benefits will be terminated. Benefits may be resumed when the student raises the cumulative grade point average to the required minimum standards or demonstrates the ability to meet these standards through the approval of a written appeal. For appeal procedures, contact the office that serves veterans at your campus.

For additional details and information regarding veteran's educational benefits, contact the office that serves veterans at your campus.

Distance Learning:

The course content and competencies for distance learning classes are the same as courses offered in-person or in a hybrid format. The courses offered in this format lead to completion of MCCC degrees and/or certificates of completion.

Colleges use Learning Management Systems (LMS) like Canvas and RioLearn for online offerings. These portals are used for both hybrid and online classes. Students must use their Maricopa Enterprise ID and password to access the portal. The link to the portal is provided on the college home page and on my.maricopa.edu, the district's website for student

access to Maricopa tools. Maricopa-assigned student email addresses are used for communicating with students within the tools. Students are also able to communicate with the instructor through the LMS, via Maricopa e-mail or by phone.

Externship Programs:

The Maricopa Community College's official District course descriptions for credited experiential learning opportunities (Internships, Externships, Practicums, and Clinicals) state the amount of hours required in order for a student to receive college credit. The descriptions also indicate if a maximum amount of credit is allowable for any given experiential learning opportunity. Each course that includes an experiential learning opportunity is assigned a Maricopa Instructor of Record who is responsible for ensuring that the student completes the required hours and assignments in order to receive credit. Additionally, the instructor works extensively with a site supervisor to ensure that the student is making satisfactory progress and meeting the time requirements. The experiential credit process for the student includes the specific course details and learning outcomes, how hours will be tracked, and what is required for grading and course completion. The instructor submits the final grade for the experience. Maricopa's experiential learning process is in compliance with CFR 38 21.4265

A complete list of internship courses, along with course objectives, can be found on the Maricopa Community College's District – [Center for Curriculum and Transfer Articulation](https://curriculum.maricopa.edu/transfer-and-articulation) website, located at: <https://curriculum.maricopa.edu/transfer-and-articulation>

Prior Credit Evaluation:

Department of Veterans Affairs requires that all persons using any type of veteran's educational assistance must have all prior education and training evaluated. Students will be required to request transcripts from all prior institutions, including military training. Without all prior institutions and military training, veteran educational assistance may not be certified. Transcripts will be evaluated and credit will be granted, as appropriate.

AMENDED through the Administrative Regulation Approval Process, March 6, 2019

AMENDED through the Administrative Regulation Approval Process, June 5, 2017

AMENDED through the Administrative Regulation Approval Process, May 16, 2016

SCHOLASTIC STANDARDS

2.3.1 Academic Load

A credit hour is defined as an amount of work represented in course competencies and verified by evidence of student achievement that reasonably approximates not less than one hour of classroom or direct faculty instruction and a minimum of two hours of out-of-class student work each week for approximately fifteen weeks for one semester hour of credit, or the equivalent amount of work over a different amount of time, or at least an equivalent amount of work for other academic activities, including laboratory work, internships, practica, studio work, and other academic work leading to the award of credit hours. In accordance with common practice in higher education, instruction representing a credit hour is typically delivered in a 50 minute class period.

Students carrying at least twelve (12) credit hours will be considered full-time students for the fall and spring semesters. Three-quarter-time is 9 - 11.9 credit hours. Half-time is 6 - 8.9 credit hours. Fewer than six (6) credit hours is considered less than half-time. Academic load for summer and special terms may be defined differently. Contact the Admissions and Records Office/Office of Student Enrollment Services for clarification. As provided in the Reduced Course Load administrative regulation, a student may be deemed a full-time student carrying fewer than twelve credit hours pursuant to an accommodation of a disability.

Courses may vary in length, and begin and end throughout the year. A credit hour indicates the value of an academic credit. Standards for the awarding of credit hours may be time based or competency based. To obtain credit, a student

must be properly registered and must pay fees for the course. The fall and spring semesters are typically sixteen (16) weeks in length. Summer sessions are typically five or eight weeks in length.

Students desiring to take more than eighteen (18) credit hours must obtain approval from the designated college official. Ordinarily, only students with a grade point average of 3.0 or higher for the preceding semester or first semester students who were in the upper quarter of their high school graduating class are permitted to carry more than eighteen (18) credit hours.

Students participating in extra-curricular or co-curricular activities or receiving financial assistance may be required to maintain a specified minimum academic load.

Students who are working, have considerable extra-curricular or co-curricular activities, or have been reinstated from academic suspension/probation should plan their academic load accordingly.

Schedule Changes

Students may change their schedule by following the designated procedures at their college of enrollment. It is the student's responsibility to notify the college if he/she will no longer be attending the class (see [Appendix S-7](#) for Withdrawal Procedures).

2.3.2 Attendance

- Only persons who are registered for a class at any of the Maricopa Community Colleges may attend that class. Attendance requirements are determined by the course instructor. Students who do not meet the attendance requirement as determined by the course instructor may be withdrawn.
- Students who fail to attend the first scheduled class meeting, or to contact the instructor regarding absence before the first scheduled class meeting may, at the option of the instructor, be withdrawn.
- At the beginning of each course, each faculty member will provide students with written attendance requirements. It is the student's responsibility to consult with the instructor regarding official or unofficial absences. Absences begin to accumulate with the first scheduled class meeting.
- Students bear the responsibility of notifying the Admissions and Records Office/Office of Student Enrollment Services when they discontinue studies in a course or at the college. Please refer to [Appendix S-7](#) for Withdrawal Procedures.

1. Official Absences

- A. Official absences are those that occur when students are involved in an official activity of the college, i.e., field trips, tournaments, athletic events, and present an official absence excuse form. Absences for such events shall not count against the number of absences allowed by an instructor or department. Students who must miss a class for an official reason must obtain an official absence verification card from the appropriate vice president or designee and present it to the appropriate instructor(s) before the absence. Prior arrangements must be made with each instructor for make-up work. If prior arrangements have been made, the student will not be penalized.
- B. Other official absences include jury duty and subpoenas. Appropriate documentation will be required. Prior arrangements must be made with each instructor for makeup work. If prior arrangements have been made, the student will not be penalized.
- C. In the event of military commitments. Absences for periods of up to one week will not be counted against the number of absences allowed by an instructor or department. The student is required to provide appropriate documentation of the specific orders, length of assignment and location. Prior notification must be initiated with each instructor to discuss make-up work. If the length of the absence will be longer than one week, the instructor and the student will determine whether there is sufficient opportunity for the student to make up the work. If it is determined that the length of absence for the military commitment provides an undue hardship on the student's ability to make up the assignments, he or she will be provided an opportunity to request an incomplete grade or drop the class or, in the case of open-entry classes, the opportunity to request an extension.

- D. In the event of the death of an immediate family member, absences for periods of up to one week will not be counted against the number of absences allowed by an instructor or department. Students should contact instructor(s) as soon as possible to arrange for make-up work. Appropriate documentation will be required (for example, a copy of the obituary or funeral program). In specialized programs that require clinical rotations, this regulation may not apply.

2. Religious Holidays

Students shall have the right to observe major religious holidays without penalty or reprisal by any administrator, faculty member or employee of the Maricopa Community Colleges. Absences for such holidays shall not count against the number of absences allowed by an instructor or department, provided the student has utilized the Religious Accommodation Procedure outlined in ND-4 of the Administrative Regulations Appendices. The Procedure and Religious Accommodation Form may be found here. (link to: <https://district.maricopa.edu/regulations/admin-regs/appendices/non-discrimination/nd-4>) At least one week before the holiday, As outlined in the ND-4 Religious Accommodation Procedure, to the extent possible, requests must be made at least two (2) weeks before the requested absence from class due to religious holiday or day of observance by providing the faculty member with the Religious Accommodation Request Form found here. (link to: <https://cdn.maricopa.edu/DOCUMENTS/PDF/MY-MARICOPA/SERVICES/RELIGIOUSACCOMODATION-FORM.PDF>) Prior arrangements must be made with each instructor for make-up work, once the religious accommodation is granted. If prior arrangements have been made, the student will not be penalized.

2.3.3 Grading

1. Policy

It is the policy of the Maricopa Community Colleges that a grade will be assigned at the conclusion of the course. Official grades are available on designated college web sites.

Grade Key

A	Excellent	4 grade points per credit hour
B	Above Average	3 grade points per credit hour
C	Average	2 grade points per credit hour
D	Passing	1 grade point per credit hour
F	Failure	0 grade points per credit hour
I	Incomplete	Not computed in grade point average
IP	Course in Progress	Not computed in grade point average
N	Audit	Not computed in grade point average
P*	Credit	Not computed in grade point average
W	Withdrawn, passing	Not computed in grade point average
Y	Withdrawn, failing	0 grade points per credit hour
Z	No Credit	Not computed in grade point average

** A "P" is judged to be equivalent to a grade of C or higher.*

2. Incomplete Grade

- Students who are doing acceptable work may request an incomplete grade "I" if they are unable to complete the course requirements by the end of the term because of illness or other extenuating circumstances. If the request is approved by the instructor, he or she shall define, in a written/electronic contract, how the course will be completed.
- Students must complete the requirements within the time period agreed to--maximum time allowed is seven (7) months from the last date of class in which the grade of incomplete was assigned. Students who do not complete the requirements within the approved time period will have their grade recorded in accordance with the written contract. Students should NOT reregister for the course to complete the contract.
- A student's eligibility for financial aid may be jeopardized by an incomplete grade. Refer to the Standards of Satisfactory Academic Progress for details.

3. Repeating a Course/Improving a Grade

Students who wish to improve their GPA may repeat a course within the Maricopa Community Colleges up to three times after the initial attempt. (A "W" is not considered an attempt.) Students planning to repeat a course should seek advisement prior to enrolling. The lower grade(s) and credit for repeated courses taken at the same college will automatically be excluded from the grade point calculation.

However, if the course(s) were taken at a different Maricopa Community College, the student must submit a request for the lower-graded course to be excluded from the GPA. The request can be submitted to the Admissions and Records Office at any of the Maricopa Community Colleges that the student attended.

Students receiving federal financial assistance and/or benefits should follow up with the Office of Financial Aid and/or Veterans' Services regarding their policies for repeated courses. An official student transcript is a permanent academic record issued by the college registrar. It displays all courses taken for credit within the Maricopa Community Colleges District and includes all grades received. Unlike an unofficial transcript, it is signed and dated by the college registrar and displays the college seal of the Maricopa College issuing the official transcript.

Check individual courses and programs for exceptions.

4. Credit/No Credit Courses (P/Z)

- A. Some courses may be taken under a credit/no credit grading system. These courses carry grades of P (credit, equivalent to a grade of C or higher) or Z (no credit) and are not computed in the student's grade point average. Credits earned with a grade of P may be counted toward graduation with the exception of AGECE (Arizona General Education Curriculum).
- B. The prescribed time limits are for full-semester classes. Time limits for classes which meet fewer than sixteen (16) weeks are adjusted accordingly. See "Important Deadlines for Students".
- C. In courses with credit/no credit (P/Z) grading, the student may request standard grading (A, B, C, D, F), within fourteen (14) days including the date of the first class meeting. The instructor must immediately notify the Admissions and Records Office/Office of Student Enrollment Services.
- D. In courses with standard grading (A, B, C, D, F), the instructor determines if the credit/no credit option is available. If the option is available, the student must obtain the permission of the instructor. The instructor must notify the Admissions and Records Office/Office of Student Enrollment Services within fourteen (14) days including the day of the first class meeting.
- E. It is the student's responsibility to verify the transferability of credit/no credit courses. Some universities place a limitation on the number of credit/no credit courses that can be transferred.

Advisory note: Some institutions outside the Maricopa Community Colleges may translate the Z grade as failing.

5. Audit Courses

- A. Auditors are those who enroll in a course for the sole purpose of obtaining information; they receive no credit, grades, homework, or tests. If an auditor wishes to earn credit, he or she must change from audit status to credit status within the first week. If a student wishes to audit a course for which he or she is enrolled for credit, the change must be made within the first five (5) weeks of a semester. Auditors are subject to the same attendance policies as other students and must meet the same prerequisite requirements or obtain approval of the instructor. See the fee schedule for charges. Financial aid is not available for audited courses.
- B. The prescribed time limits are for full-semester classes. Time limits for classes which meet fewer than sixteen (16) weeks are adjusted accordingly and appear in the "Important Deadlines for Students."

6. Important Deadlines for Students (See [Appendix S-12](#))

Class Length	Deadline for Students to Withdraw with Guaranteed Grade of W	Deadline for Students to Withdraw from a Course (Instructor Signature Required)	Deadline for Students to Request Complete Withdrawal	Deadline to Change Type of Grading (A-F to P/Z, or P/Z to A-F)	Deadline to Change From Audit Grade to Credit Grade	Deadline to Change from Credit Grade to Audit Grade
One Week or Less (1 to 7 days)	1 st Day of Class	1 st Day of Class or Prior to the Last Day of Class	1 st Day of Class or Prior to the Last Day of Class	1 st Day of Class	1 st Day of Class	1 st Day of Class
Two Weeks (8 to 14 days)	3 rd Calendar Day	6 th Calendar Day	6 th Calendar Day	1 st Day of Class	1 st Day of Class	3 rd Calendar Day
Three Weeks (15 to 21 days)	6 th Calendar Day	12 th Calendar Day	12 th Calendar Day	2 nd Calendar Day	1 st Day of Class	5 th Calendar Day
Four Weeks (22 to 28 days)	9 th Calendar Day	17 th Calendar Day	17 th Calendar Day	3 rd Calendar Day	2 nd Calendar Day	7 th Calendar Day
Five Weeks (29 to 35 days)	12 th Calendar Day	23 rd Calendar Day	23 rd Calendar Day	4 th Calendar Day	2 nd Calendar Day	9 th Calendar Day

Six Weeks (36 to 42 days)	14 th Calendar Day	29 th Calendar Day	29 th Calendar Day	5 th Calendar Day	3 rd Calendar Day	11 th Calendar Day
Seven Weeks (43 to 49 days)	17 th Calendar Day	35 th Calendar Day	35 th Calendar Day	5 th Calendar Day	3 rd Calendar Day	12 th Calendar Day
Eight Weeks (50 to 56 days)	20 th Calendar Day	41 st Calendar Day	41 st Calendar Day	6 th Calendar Day	3 rd Calendar Day	15 th Calendar Day
Nine Weeks (57 to 63 days)	23 rd Calendar Day	46 th Calendar Day	46 th Calendar Day	7 th Calendar Day	4 th Calendar Day	17 th Calendar Day
Ten Weeks (64 to 70 days)	26 th Calendar Day	52 nd Calendar Day	52 nd Calendar Day	8 th Calendar Day	4 th Calendar Day	19 th Calendar Day
Eleven Weeks (71 to 77 days)	29 th Calendar Day	58 th Calendar Day	58 th Calendar Day	9 th Calendar Day	5 th Calendar Day	21 st Calendar Day
Twelve Weeks (78 to 84 days)	32 nd Calendar Day	63 rd Calendar Day	63 rd Calendar Day	10 th Calendar Day	5 th Calendar Day	23 rd Calendar Day
Thirteen Weeks (85 to 91 days)	35 th Calendar Day	70 th Calendar Day	70 th Calendar Day	10 th Calendar Day	5 th Calendar Day	25 th Calendar Day
Fourteen Weeks (92 to 98 days)	38 th Calendar Day	76 th Calendar Day	76 th Calendar Day	11 th Calendar Day	6 th Calendar Day	27 th Calendar Day
Fifteen Weeks (99 to 105 days)	41 st Calendar Day	82 nd Calendar Day	82 nd Calendar Day	12 th Calendar Day	6 th Calendar Day	28 th Calendar Day
Sixteen Weeks or more (106 or more days)	End of the 7 th week	Two weeks before the last class period	Two weeks before the last class period	Within 14 days including the first class period	Within first week of class	Within first five weeks of class
<i>Deadlines are based on calendar day and begin with the first day of class.</i>						

AMENDED through the Administrative Regulation Process, June 5, 2017

AMENDED through the Administrative Regulation Process, June 4, 2018

2.3.4 Academic Probation (Progress)

1. Probation

A student will be placed on academic probation if, after completion of twelve (12) or more credit hours, the student's cumulative grade point average is less than 2.0:

Students on academic probation may take no more than twelve (12) credit hours per semester unless approved by the Admissions and Standards Committee.2.9

2. Continued Probation

A student on academic probation who fails to raise the cumulative grade point average 2.0 will be placed on continued probation and may be limited to taking six (6) credit hours.

Academic probation and continued probation are calculated at the conclusion of every term including summer.

2.3.5 Instructional Grievance Process

A student who feels that he or she has been treated unfairly or unjustly by a faculty member with regard to an academic process such as grading, testing, or assignments, has the right to appeal according to the approved procedures.

The appeal process for grades must be initiated no later than sixty (60) calendar days from the date the grade was issued. Steps outlining the process are available in [Appendix S-6](#).

Appendix S-6: Instructional Grievance Process

A student who feels that he/she has been treated unfairly or unjustly by a faculty member (full-time or part-time) with regard to an academic process such as grading, testing or assignments, shall discuss the issue first with the faculty member involved. This conference shall be requested by the student within fifteen (15) working days from the time the student knew or reasonably should have known about the unfair or unjust treatment.

This instructional grievance process should not be utilized in a case in which a student feels he/she has experienced discrimination. If the student feels that he/she has experienced discrimination on the basis of race, color, religion, sex, gender identify, national origin, citizenship status (including document abuse), gender, age, disability, veteran status, genetic information, or sexual orientation, the student should refer to the Discrimination Complaint Procedures for Students as administered by the Vice President for Student Affairs.

Steps for students to follow:

1. If, within ten (10) working days of the request for the conference with faculty member, the problem is not resolved or the faculty member has been unable to meet with the student, the student may continue the process by filing a written grievance with the Department/Division Chairperson and appropriate administrative officer at the college/center. This written grievance must be filed within ten working days following the previous deadline. The written grievance will be given to the faculty member five days before any official meetings are convened.
2. Upon receipt of a written grievance, the Department/Division Chair or appropriate college administrative officer will work with the parties in an attempt to resolve the conflict. The faculty may ask that the College Faculty Senate President be in attendance. Every attempt will be made to maintain confidentiality during this process. A faculty member will not be required to respond to a grievance which is not in writing and which, when appropriate, did not have specific documentation including dates, times, materials, etc. The written grievance will be made available to the faculty member.
3. If the grievance is not resolved at this level within ten working days, the student should forward to vice president of academic affairs or designee, a copy of the original written grievance with an explanation regarding action taken at each prior level. The dean of instruction or appropriate college/ center administrative officer will meet with the student, faculty member, the College Faculty Senate President if requested by the faculty member, and Department/Division Chair and attempt to resolve the issues. This level will be the final step in any grievance process regarding grades.
4. If the grievance, other than those concerning grades, is not resolved by the vice president of academic affairs or designee, it may be forwarded in writing by the student to the college president for final resolution. The college president or designee will issue a final written determination in the grievance process.
5. Instructional grievances are resolved at the college level. The district office is not an avenue of appeal for the instructional grievance process.

Note: The grievance process for grades must be initiated no later than sixty (60) calendar days from the date the grade was issued.

2.3.12 Non-Instructional Complaint Resolution Process

A student who feels that he or she has been treated unfairly or unjustly by any employee with regard to a non-instructional process such as a student or administrative services has the right to file a formal and written complaint according to the approved procedures. See [Appendix S-8](#).

Appendix S-8: Non-Instructional Complaint Resolution Process

A student who feels that he or she has been treated unfairly or unjustly by any employee with regard to a non-instructional process such as a student or administrative services has the right to file a formal and written complaint according to the approved procedures. Steps for students to follow:

1. Discuss the issue with the employee involved. The student should request this conference within fifteen (15) working days from the time the student knew or reasonably should have known about the unfair or unjust treatment.
2. If, within ten (10) working days of the request for the conference with the employee, the problem is not resolved or the employee has been unable to meet with the student, the student may continue the process by filing a written complaint with the appropriate supervisor of the employee where authority exists to take corrective action. This written complaint must be filed within ten (10) working days following the previous deadline. The written complaint will be given to the employee five (5) working days before any official meetings are convened.
3. Upon receipt of a written complaint, the appropriate supervisor will work with the parties in an attempt to resolve the conflict. Every attempt will be made to maintain confidentiality during this process. An employee will not be required to respond to a complaint which is not in writing and which, when appropriate, does not have specific documentation including dates, times, actions, supporting documents, etc. The written complaint will be made available to the employee.
4. If the complaint is not resolved at this level within ten (10) working days, the student should forward to the Vice President of Student Affairs or Designee, a copy of the original written complaint with an explanation regarding action taken at each prior level. The dean and/or associate dean will meet with the student, the employee, and the relevant supervisor and attempt to resolve the issues.

5. If the associate dean and/or dean do not resolve the complaint, the student may forward it in writing to the college president for final resolution. The college president or designee will issue a final written determination in the complaint process.

2.3.6 Withdrawal

To withdraw from a course or courses from the college, students must follow approved procedures (See [Appendix S-7](#)). The Office of Admissions and Records provides information about the withdrawal process. The official date of withdrawal is the date the withdrawal is received in the Admissions and Records Office/Office of Student Enrollment Services.

Never attending is not an allowable refund exception or an excuse of the debt incurred through registration. Please see the refund policy.

Appendix S-7: Student and Faculty Withdrawal Procedures

Student Withdrawal Procedures

1. Withdrawal from Specific Courses

A student may officially withdraw from specific courses in the following ways:

- A. Through the 7th week*, a student may initiate an official withdrawal from any course by completing the withdrawal process online using the student self service system or by submitting a course withdrawal form to the Admissions and Records Office/Office of Student Enrollment Services in accordance with the published deadlines. A grade of W (withdrawn, passing – not computed in the grade point average) will be assigned.
- B. After the 7th week*, a student must initiate a withdrawal request with the faculty member. If, after consultation with the student, the faculty member approves the request, a grade of W (withdrawn, passing--not computed in the grade point average) or Y (withdrawn, failing--computed in the grade point average as a failing grade) will be assigned. If the request is not approved, the student will remain in the course.
- C. A student has the right to appeal a withdrawal decision according to the approved procedures. Steps outlining the process are available in [Appendix S-6](#).

**The prescribed time limits are for full semester classes. Time limits for classes which meet fewer than sixteen (16) weeks are adjusted accordingly. See Important Deadlines for Students. Failure to file an official withdrawal form may result in failing grades and responsibility for course tuition and fees. Refunds will only be processed within the refund period.*

2. Complete Withdrawal from College

Students electing to withdraw from the college must contact the Admissions and Records Office/Office of Enrollment Services no later than two weeks* before the end of the last class meeting and may be required to file a written request.

A grade of W will be assigned in all courses for students who withdraw by the end of the 7th week* of classes. Withdrawals completed after this time will result in a grade of W (withdrawn, passing – not computed in the grade point average) or Y (withdrawn, failing – computed in the GPA as a failing grade).

**The prescribed time limits are for full semester classes. Time limits for classes which meet fewer than sixteen (16) weeks are adjusted accordingly. See Important Deadlines for Students. Failure to file an official withdrawal form may result in failing grades and responsibility for course tuition and fees. Refunds will only be processed within the refund period.*

3. Withdrawal of Financial Aid Students

In accordance with federal regulations (34CFR 668.22), a student may be required to repay federal financial aid funds if they completely withdraw or are withdrawn, or fail to earn a passing grade from all classes during a semester. Further information is available at the college Office of Student Financial Aid. This could affect a student's ability to receive Financial Aid in the future at any school.

Faculty Withdrawal Procedures

A faculty member has the option of withdrawing a student who has accumulated unofficial absences in excess of the number of times indicated in that faculty member's attendance policy in the course syllabus (see AR 2.3.2). A grade of

W (withdrawn passing, not computed in GPA) or a grade of Y (withdrawn failing, 0 grade points per credit hour) may be assigned in accordance with the course syllabus. Faculty members electing to withdraw students must record the withdrawal through the online system, including last date of attendance and withdrawal code. Students withdrawn for excessive absences may be reinstated only with the approval of the faculty member. Any impact on attendance that is protected by the exercise of students' rights under ADA/504, Title IX, Title VI, or other recognized law or policy do not count as unexcused absences for the purposes of instructor-initiated withdrawals for lack of attendance/participation.

Requests for withdrawals should be referred directly to the College of Enrollment.

AMENDED through the Administrative Regulation approval process, December 12, 2018

AMENDED through the Administrative Regulation approval process, February 23, 2010

AMENDED through the Administrative Regulation approval process, August 18, 2008

AMENDED through the Administrative Regulation approval process, March 5, 2009

2.3.7 Academic Renewal

Students who are returning to this college after a separation of five (5) years or more from the Maricopa Community College District, may petition for academic renewal. The request must be in writing and submitted to the Admissions and Records Office/Office of Student Enrollment Services at the college where the grades were earned.

Academic renewal at one of the Maricopa Community Colleges does not guarantee that colleges outside the Maricopa Colleges will accept this action. Acceptance of academic renewal is at the discretion of the receiving institution.

1. Prior to petitioning for academic renewal, the student must demonstrate a renewed academic performance by earning a minimum of twelve (12) credit hours and a cumulative grade point average of 2.5 or higher within Maricopa Colleges after reenrollment.
2. Upon approval, all courses taken prior to reenrollment with a grade of "A," "B," "C," "D," "F," and "Y" will be annotated as academic renewal on the student's permanent record. All course work affected by academic renewal will not be computed in the grade point average. Courses with grades "A," "B," or "C" will have the associated credit hours counted in the total credit hours earned. Such credit will not be computed in the grade point average.
3. All course work will remain on the student's permanent academic record, ensuring a true and accurate academic history.
4. The academic renewal policy may be used only once at each college and cannot be revoked once approved.
5. Students who have been granted Academic Renewal must also meet the Financial Aid Standards of Academic Progress if they wish to receive financial aid.

2.3.8 Honors Program

Each of the Maricopa Community Colleges has an honors program. Interested students should contact the college honors coordinator for information about the program and available scholarships, including the Chancellor's, Foundation's, and President's Scholarships.

President's Honor List

The President's Honor List for each college consists of all students who complete twelve (12) or more credit hours in residence in courses numbered 100 or higher in a given semester with a college semester grade point average of 3.75 or higher.

2.3.9 General Graduation Requirements

Note: Also see Catalog Under Which a Student Graduates ([AR 2.2.5](#))

All students are required to complete the degree and/or certificate requirements as approved by the MCCCCD Governing Board. The college reserves the right to make necessary course and program changes in order to meet current educational standards. In addition, students must:

1. be credited in the Admissions and Records Office/Office of Student Enrollment with not fewer than: 60 semester credit units in courses numbered 100 or above for the Associate in Arts degree, Associate in Science degree, Associate in Transfer Partnership degree, and Associate in General Studies degree; 60 semester credit units for the Associate in Applied Science degree; 62 semester credits for the Associate in Business degrees. For specific certificate programs, be credited with not fewer than the minimum total of credit units required for the certificate program.

Students not continuously enrolled, as outlined in the [Catalog Under Which a Student Graduates](#) policy, must satisfy current graduation requirements.

2. have earned a minimum of 12 semester credit units toward the degree or certificate at the district college granting the degree or certificate. The 12 hours in the AAS degree curricula may be in the Required Courses area and/or Restricted Electives courses. Courses from the General Education Core and Distribution area are excluded. In cases where the certificate requires fewer than 12 credit units, a minimum of six credit units must be completed at the college awarding the certificate. The minimum of six credit hours in the certificate or degree curricula may be in the Required Courses area and/or the Restricted Electives. Courses from the General Education Core and Distribution areas are excluded.

Shared Programs are programs offered at multiple colleges but not available at all colleges. The requirements are identical at all the colleges offering the program.

A shared program requires a minimum of six credit hours from the total program requirements to be completed with a grade of "C" or better at the college awarding the certificate or degree.

The exception is the Nursing program. For those shared programs with less than six credit hours, the total hours for the program must be completed at the college awarding the certificate.

The same degree or certificate can only be awarded once within the Maricopa Community College District.

3. Have filed an application for the degree or certificate with the Admissions and Records Office/Office of Student Enrollment Services on the date determined by the college/center. Students must apply for graduation from the college where they have successfully completed Block 4 of the Associate in Applied Science in Nursing.
4. Have a minimum cumulative grade point average of 2.000 at the college granting the degree.
5. Have a minimum cumulative grade point average of 2.000 in all courses used to fulfill degree requirements. Some specific programs have higher grade requirements. It is the student's responsibility to be aware of these program requirements.
6. Have removed, thirty (30) days after the anticipated graduation date, all deficiencies on the record to use those courses toward program completion.
7. Have removed any indebtedness to any MCCCCD college /center.
8. Have paid required degree or certificate application fee.

See fee schedule for charges.

Graduation with Honors

All courses used to fulfill graduation requirements, including courses from other accredited institutions, will be entered in the grade point average calculation for honors designations.

Students who have the following grade point averages will graduate with the following distinctions:

- 3.50 to 3.69 "with distinction"
- 3.70 to 3.89 "with high distinction"
- 3.90 to 4.0 "with highest distinction"

Certificates/Degrees

The Maricopa Community Colleges offer Certificates of Completion as well as Associate Degrees, one of which is conferred on each student who has completed a program of study. These certificates and degrees are as follows: (1) Certificate of Completion (Career Program Specified); (2) Academic Certificate; (3) General Education Certificate; (4) Associate in Arts; (5) Associate in Science; (6) Associate in Business; (7) Associate in General Studies; (8) Associate in Transfer Partnership; (9) Associate in Applied Science (Career Program Specified).

All candidates for a degree and/or certificate must complete the General Graduation Requirements as approved by the MCCCDC Governing Board.

All students are urged to meet with a faculty advisor, program advisor or counselor as soon as possible to determine which program meets their needs and to plan their course of study.

Licensure Disclaimer

Maricopa Community Colleges courses and programs prepare students for entry into a variety of professions. Many of these professions require that a person hold an occupational license or certificate in order to work in a particular field. Typically, a person must meet certain legal requirements before obtaining such a license or certificate. These requirements are established by county, state or federal agencies, and often are based on a person's character, or whether the person has been convicted of a criminal offense. It is possible for a student who has obtained a degree or certificate from a community college to be denied the right to work in a particular profession after completing the degree or certificate because of concerns over the student's character or criminal background. Any student preparing to enter a field for which a professional license or certificate is required is strongly advised to consult with the appropriate government agency that issues such credentials. That agency can provide the student complete information about any requirements the law imposes for working in a particular occupation.

MCCCDC General Education Statement

The general education core of the program of study for an associate degree or a certificate helps students develop a greater understanding of themselves, of their relationship with others, and of the richly diverse world in which they live. The general education experience provides students with opportunities to explore broad areas of commonly held knowledge and prepares them to contribute to society through personal, social, and professional interactions with others. General education fosters students' personal development by opening them to new directions, perspectives, and processes.

Through its general education requirements, the Maricopa County Community College District is committed to helping students develop qualities and skills that will serve them throughout their lives. General education opportunities encourage students to:

1. Build self-awareness, self-respect, and self-confidence
2. Recognize and respect the beliefs, traditions, abilities, and customs of all people and all cultures
3. Consider the local, global, and environmental impacts of personal, professional, and social decisions and actions
4. Access, evaluate, analyze, synthesize, and use information wisely
5. Communicate effectively personally, socially, and professionally
6. Think critically, make informed decisions, solve problems, and implement decisions
7. Consider the ethical implications of their choices
8. Value the learning process throughout their lives
9. Integrate and connect ideas and events in a historical perspective, and see relationships among the past, the present, and the future
10. Develop a personal sense of aesthetics
11. Use technological resources appropriately and productively
12. Work cooperatively and respectfully with others to serve their communities

The general education experience at MCCCDC is composed of specific elements across the curriculum designed to provide the learner with essential knowledge and skills:

- Communication

- Arts and Humanities
- Numeracy
- Scientific Inquiry in the Natural and Social Sciences
- Information Literacy
- Problem-Solving and Critical Thinking
- Cultural Diversity

General Education Designations (example: (FYC), [SB], [HU], etc.)

Effective fall 2000 the course evaluation and/or general education designation as listed in the Arizona CEG (Course Equivalency Guide) within the Arizona Course Applicability System (AZCAS) is valid for the term in which the student is awarded credit on the transcript. A course evaluation and/or general education designation may be subject to change. Given that curriculum is dynamic at both MCCC and the institutions to which MCCC students transfer, students have the option to petition for general education evaluations and/or general education designations.

The college reserves the right to make necessary course and program changes in order to meet current educational standards.

AMENDED through the Administrative Regulation Process, June 5, 2017

2.2.5 Catalog Under Which a Student Graduates

Students maintaining continuous enrollment at any public Arizona community college or university may graduate according to the requirements of the catalog in effect at the time of initial enrollment or according to the requirements of any single catalog in effect during subsequent terms of continuous enrollment. Students may maintain continuous enrollment whether attending a single public community college or university in Arizona or transferring among public institutions in Arizona while pursuing their degrees.

1. A semester in which a student earns course credit will be counted toward continuous enrollment. Non-credit courses, audited courses, failed courses, or courses from which the student withdraws do not count toward the determination of continuous enrollment for catalog purposes.

EXAMPLE A

Admitted & Earned Course Credit at a Public Community College or University	Fall '05 (Active)
Continued at a Public Community College	Spring '06, Fall '06 (Active)
College Transferred to a University	Spring '07 (2005 or Any Subsequent Catalog)

EXAMPLE B

Admitted & Earned Course Credit at a Public Community College or University	Fall '02 (Active)
Enrolled But Earned All Ws, Zs, or Fs	Spring '03 (Inactive)
Enrolled in Audit Courses Only	Fall '03 (Inactive)
Nonattendance	Spring '04 (Inactive)
Transferred to a University	Fall '04 (2004 or Any Subsequent Catalog)

2. Students who do not meet the minimum enrollment standard stipulated in No. 1 during three consecutive semesters (fall/spring) and the intervening summer term* at any public Arizona community college or university are no longer considered continuously enrolled, and must meet requirements of the public Arizona community college or university catalog in effect at the time they are readmitted or of any single catalog in effect during subsequent terms of continuous enrollment after readmission.

EXAMPLE A

Admitted & Earned Course Credit at a Public Community College or University	Fall '02 (Active)
Nonattendance	Spring '03, Fall '03, Spring '04 (Inactive)

Readmitted & Earned Course Credit at a Public Community College
Transferred to a University

Fall '04 (Active)
Spring '05 (2004 or Any
Subsequent Catalog)

EXAMPLE B

Admitted & Earned Course Credit at a Public Community College or University
Nonattendance
Readmitted & Earned Course Credit at a Public Community College
Nonattendance
Transferred to a University

Fall '02 (Active)
Spring '03 (Inactive)
Fall '03, Spring '04 (Inactive)
Summer '03 (Active)
Fall '04 (2002 or Any
Subsequent Catalog)

**Students are not obligated to enroll and earn course credit during summer terms, but summer enrollment may be used to maintain continuous enrollment status.*

3. Students admitted or readmitted to a public Arizona community college or university during a summer term must follow the requirements of the catalog in effect the following fall semester or of any single catalog in effect during subsequent terms of continuous enrollment.

EXAMPLE

Admitted & Earned Course Credit at a Public Community College or University
Continued at a Public Community College
Nonattendance

4. Students transferring among Arizona public higher education institutions must meet the admission requirements, residency requirements, and all curricular and academic requirements of the degree-granting institution.

The college reserves the right to make necessary course and program changes in order to meet current educational standards.

2.3.10 Transcripts for Transfer

An official student transcript is a permanent academic record issued by the college registrar. It displays all courses taken for credit within the Maricopa Community College District and includes all grades received. Unlike an unofficial transcript, it is signed and dated by the College Registrar and displays the college seal of the Maricopa College ISSUING the official transcript.

The transcript is issued upon written request only. Those students who want to transfer to other institutions of higher education, including other Maricopa Community Colleges, must request their transcript be sent from the Admissions and Records Office/Office of Student Enrollment Services. However, transcripts may be shared within the Maricopa Community College District without the written request of the student in compliance with FERPA.

Official transcripts will not be issued to students having outstanding debts to any of the Maricopa Community Colleges. The release of transcripts is governed by the guidance of the Family Education Rights and Privacy Act of 1974 (see Records Policy in the Student Rights and Responsibilities section of this manual). There is no charge for unofficial transcripts, or for official transcripts sent between Maricopa Community Colleges. See the Tuition and Fee Schedule for charges for other official transcripts.

AMENDED through the Administrative Regulation Approval Process, June 5, 2017

COLLEGE ENVIRONMENT

Domestic Animals on campus

I. General Prohibition

- a. Animals, including but not limited to pets, are prohibited on campus with the exception of:
 - i. Service animals as defined by the Americans with Disabilities Act (ADA);
 - ii. Service animals-in-training that are part of a certified or accredited program recognized within the service animal industry to train animals in compliance with the Americans with Disabilities Act (ADA). Animals-in-training must be clearly identified (i.e., wearing a vest) and prior permission of the college's administration shall be obtained in advance. During work and classroom hours, no more than one service-animal-in-training is permitted on site per employee or student.
 - iii. Animals for instructional purposes as approved by the appropriate district or college authority; and
 - iv. Working dogs used by a law enforcement agency for law enforcement purposes.

II. Service Animals

- a. The ADA defines service animals as those that are individually trained to provide work or perform tasks for an individual with a disability. If animals meet this definition, they are considered service animals under the ADA, regardless of whether they have been licensed or certified by a state or local government. Only dogs and miniature horses are recognized as service animals.
- b. Service animals and service-animals-in-training shall be leashed and remain under the owner's or caretaker's control at all times, unless leashing prohibits the animal's service function.
- c. Dogs that are used as service animals and service-animal in training shall maintain current dog licenses and rabies vaccinations, as specified in Maricopa County Ordinance. (Maricopa County Ordinance No. 13 Rabies/Animal Control).
- d. Exclusion of service animals: MCCCCD is not required to modify policies, practices, or procedures if such modification would "fundamentally alter" the nature of the goods, services, programs, or activities, provided at the District; The ADA/504 does not overrule legitimate safety requirements. If admitting service animals would fundamentally alter the nature of a service or program, service animals may be prohibited. Additionally, if a particular service animal is out of control (and the handler does not take effective action to control it) or not housebroken, that animal may be excluded.

III. Service Animals on Campus—Owner’s Responsibilities

- a. Owner is responsible to attend to and be in full control of the service animal at all times. A service animal shall have a harness, leash, or other tether unless a) the owner is unable to use a harness, leash or tether, or b) using a harness, leash, or tether will interfere with the animal’s ability to safely and effectively perform its duties.
- b. Owner is responsible for the costs of care necessary for a service animal’s well-being. The arrangements and responsibilities with the care of a service animal is the sole responsibility of the owner at all times, including regular bathing and grooming, as needed.
- c. Owner is responsible for independently removing or arranging for the removal of the service animal’s waste.
- d. Owner is responsible for complying with local and state licensing laws for animal rights and owner responsibilities.
- e. Owner is responsible for paying for any damage to College property caused by the animal.
- f. Owner may register the service animal with the Voluntary Registry at the College DRS Office. This registry is voluntary.

IV. Service Animals on Campus—MCCCD Responsibilities

- a. MCCCD may prohibit the use of service animals in certain locations due to health and safety restrictions or places where the animal might be in danger. Restricted areas may include, but are not limited to, food preparation areas, research or instructional laboratories, boiler rooms, and other areas prohibited by law.
- b. MCCCD must allow service animals to accompany their owners at all times and everywhere on campus where the general public (if accompanying a visitor) or other students (if accompanying a student) are allowed, except for places where there is a health, environmental, or safety hazard.
- c. Contact DRS if any questions or concerns arise relating to service animals.
- d. MCCCD employees, when appropriate, will only ask two questions about service animals, and may ask these questions only if the services or tasks performed are not visible.
 - i. Is the service animal required because of a disability?
 - ii. What work or task is the animal trained to perform?
- e. MCCCD employees and staff will not pet or feed a service animal or attempt to separate the animal from the owner.

- f. MCCCCD employees will contact DRS if faculty/staff have any additional questions regarding visitors to campus who have service animals.
- g. MCCCCD employees will report any service animals who misbehave or any owners (or other individuals) who mistreat their service animals to the College or District Office Department of Public Safety. Behavior qualifying as “misbehavior” will be determined by the individual college, in consultation with District legal.

V. Voluntary Service Animal Registry

- a. The voluntary service animal registry is completely voluntary and there can be no mandatory obligation imposed on service animals to register with the college, nor can there be a restriction of access at the College for service animals not registered.
- b. The voluntary service animal registry shall be maintained at the College’s DRS office (for students) and HR (for employees) office and shall contain the name of the owner, the name of the service animal, a copy of current rabies vaccination/license, and contact information for the owner.
- c. The purpose of the voluntary service animal registry is to serve a public purpose. For example, to ensure that public safety or other College staff know to look for service animals during an emergency or evacuation process.

VI. Emotional Support Animals

- a. Emotional support animals are not considered service animals because they are not trained to perform work or tasks specific to a person’s disability.
- b. Emotional support animals are not generally permitted on MCCCCD property.

VII. Animal Use to Further Instructional Purpose

- a. Animals used specifically to further an instructional purpose as part of a college or District program are permitted at the college and may also be kenneled at that location.
 - i. These animals shall be kenneled and handled in such a way that does not pose a danger to any person on campus.
 - ii. Any injuries resulting from interaction with these animals shall be reported immediately to the college Public Safety Department for documentation. Injuries may also be subject to reporting with Maricopa County Animal Care and Control.

VIII. Oversight

- a. EEO/AA has oversight and monitoring responsibility for these processes as it pertains to employees—both paid and unpaid.

- i. Employees should work with EEO/AA to resolve any concerns regarding this policy. If attempted resolutions are not successful, employees may contact the Compliance Office for resolution.
- b. The District Compliance Office has oversight and monitoring responsibility for these processes as it pertains to students.

Students should work with their College to resolve any concerns regarding this policy. If attempted resolutions are not successful, employees may contact the Compliance Office for resolution.

2.4.4 Sexual Harassment Policy for Students

I. SEX DISCRIMINATION AND SEXUAL HARASSMENT

“No person in the United States shall, on the basis of sex, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any education program or activity receiving Federal financial assistance” 20 USC §1681 / 34 C.F.R. part 106

The policy of the Maricopa County Community College District (MCCCD) is to provide an educational, employment, and business environment free of sexual violence, unwelcome sexual advances, requests for sexual favors, and other verbal or physical conduct or communications constituting Sexual Harassment as prohibited by state and federal law. Discrimination under this Policy is an unequal treatment of a student based on the student’s actual or perceived gender, sexual orientation, or pregnancy. This Policy prohibits Sexual Harassment and Discrimination in any college education program or activity, which means all academic, educational, extracurricular, athletic and other programs. This Policy is subject to Constitutionally protected speech rights and principles of academic freedom. Questions about this Policy may be directed to the MCCCD EEO/affirmative action office.

A. SEXUAL HARASSMENT

Any unwelcome verbal or physical conduct of a sexual nature that is sufficiently severe, persistent, or pervasive that it unreasonably interferes with, limits, or deprives a student of the ability to participate in or benefit from any MCCCD educational program or activity. The unwelcome behavior may be based on power differentials, the creation of a Hostile Environment, or retaliation for allegations of Sexual Harassment under this Policy. Sexual Harassment can occur regardless of the relationship, position or respective sex of the parties. Sexual Harassment includes Hostile Environment Harassment, Sexual Assault, Inducing Incapacitation for Sexual Purposes, Sexual Exploitation, Dating Violence, and Stalking. Same sex Sexual Harassment violates this Policy. Sexual Harassment by and between students; employees and students; and campus visitors and students is prohibited by this Policy.

Depending on the particular circumstances, Sexual Harassment may include, but is not limited to, the following:

1. Physical assaults of a sexual nature, such as rape, sexual battery, molestation, or attempts to commit these assaults; and intentional physical conduct that is sexual in nature such as touching, pinching, patting, grabbing, poking, or brushing against another individual's body in a sexual manner.
2. Offering or implying an education-related reward (such as a better grade, a letter of recommendation, favorable treatment in the classroom, assistance in obtaining employment, grants or fellowships, or admission to any educational program or activity) in exchange for sexual favors or submission to sexual conduct.
3. Threatening or taking a negative educational action (such as giving an unfair grade, withholding a letter of recommendation, or withholding assistance with any educational activity) or intentionally making the individual's academic work more difficult because sexual conduct is rejected.
4. The use or display in the classroom, including electronic, of pornographic or sexually harassing materials such as posters, photos, cartoons or graffiti without pedagogical justification.
5. Explicit sexual comments by one or more students about another student, or circulating drawings or other images depicting a student in a sexual manner.
6. Unwelcome sexual advances, repeated propositions or requests for a sexual relationship to an individual who has previously indicated that such conduct is unwelcome, or sexual gestures, noises, remarks, jokes, questions, or comments by a student about another student’s sexuality or sexual experience. Such conduct between peers must be sufficiently severe, persistent, or pervasive that it creates an educational environment that is hostile or abusive. A single incident involving severe misconduct may rise to the level of Sexual Harassment.

B. HOSTILE ENVIRONMENT HARASSMENT

Harassment based on sex, pregnancy, gender identity, gender expression, or sexual orientation that is sufficiently serious (i.e., severe, pervasive, or persistent) and objectively offensive so as to deny or limit a person's ability to participate in or benefit from the college's programs, services, opportunities, or activities.

A Hostile Environment can be created by anyone involved in a college program or activity (e.g., administrators, faculty members, students, and campus visitors or contractors). Mere offensiveness is not enough to create a Hostile Environment. Although repeated incidents increase the likelihood that harassment has created a Hostile Environment, a serious incident, such as a sexual assault, even if isolated, can be sufficient.

In determining whether harassment has created a Hostile Environment, consideration will be made not only as to whether the conduct was unwelcome to the person who feels harassed, but also whether a reasonable person in a similar situation would have perceived the conduct as objectively offensive. Also, the following factors will be considered:

- a. the degree to which the conduct affected one or more students' education;
- b. the nature, scope, frequency, duration, and location of incident or incidents;
- c. the identity, number, and relationships of persons involved;
- d. the nature of higher education.

C. SEXUAL ASSAULT

An act involving forced or coerced sexual penetration or sexual contact.

D. INDUCING INCAPACITATION FOR SEXUAL PURPOSES

Using drugs, alcohol, or other means with the intent to affect, or having an actual effect on, the ability of an individual to consent or refuse to consent to sexual contact.

E. SEXUAL EXPLOITATION

Taking non-consensual or abusive sexual advantage of another for anyone's advantage or benefit other than the person being exploited, and such behavior does not otherwise constitute a form of Sexual Harassment under this Policy.

Examples of behavior that could rise to the level of Sexual Exploitation include:

- a. Prostituting another person;
- b. Non-consensual visual (e.g., video, photograph) or audio-recording of sexual activity;
- c. Non-consensual distribution of photos, other images, or information of an individual's sexual activity, intimate body parts, or nakedness, with the intent to or having the effect of embarrassing an individual who is the subject of such images or information;
- d. Going beyond the bounds of consent (such as letting your friends hide in the closet to watch you having consensual sex);
- e. Engaging in non-consensual voyeurism;
- f. Knowingly transmitting an STI (sexually transmitted infection), such as HIV, to another without disclosing one's STI status;
- g. Exposing one's genitals in non-consensual circumstances, or inducing another to expose his or her genitals;
- h. Possessing, distributing, viewing or forcing others to view obscenity.

F. DATING VIOLENCE

Violence committed by a person who is or has been in a social relationship of a romantic or intimate nature with the victim and where the existence of such a relationship shall be determined based on a consideration of the following factors:

- A. the length of the relationship;
- B. the type of relationship;
- C. the frequency of interaction between the persons involved in the relationship.

G. STALKING

Engaging in a course of conduct directed at a specific person that would cause a reasonable person to fear for his or her safety or the safety of others or suffer substantial emotional distress.

H. CONSENTING TO SEXUAL ACTIVITY

Consent is clear, knowing, and voluntary; it is active, not passive. Silence, in and of itself, cannot be interpreted as consent. Consent can be given by words or actions, as long as those words or actions create mutually understandable clear permission regarding willingness to engage in sexual activity.

Consent to one form of sexual activity cannot imply consent to other forms of sexual activity. Previous relationships or consent cannot imply consent in future sexual acts. Consent cannot be procured by use of physical force, compelling threats, intimidating behavior, or coercion.

Coercion is unreasonable pressure for sexual activity. Coercive behavior differs from seductive behavior based on the type of pressure someone uses to get consent from another. When people make clear to you that they do not want sex, that they want to stop, or that they do not want to go past a certain point of sexual interaction, continued pressure beyond that point can be coercive. In order to give effective consent, one must be age 18 or older.

If you have sexual activity with someone you know to be – or should know to be – mentally or physically incapacitated, you are in violation of this Policy. Incapacitation is a state where one cannot make a rational, reasonable decision because one lacks the ability to understand the who, what, where, why or how of that person’s sexual interaction.

II. DEFINITIONS

ALLEGED VICTIM

The person who is the victim of any alleged Sexual Harassment or Discrimination in violation of this Policy.

COMPLAINANT

A person who has experienced or witnessed, or otherwise knows of Sexual Harassment or Discrimination in violation of this Policy and files a Formal Complaint pursuant to this Policy.

RESPONDENT

The person who is alleged to have engaged in Sexual Harassment or Discrimination prohibited under this Policy.

TITLE IX COORDINATOR

The Vice President of Student Affairs serves as each respective college’s Title IX Coordinator. The Title IX Coordinator is the individual responsible for providing education and training about Discrimination and Sexual Harassment to the college community and for receiving and investigating allegations of Discrimination and Sexual

Harassment in accordance with this Policy. The Title IX Coordinator is authorized to designate other appropriately trained individuals to investigate Discrimination and Sexual Harassment Complaints and reports as deemed appropriate. The contact information for the Title IX Coordinator at each college may be found at <https://district.maricopa.edu/consumer-information/title-ix/title-ix-coordinators>

III. REPORTING DISCRIMINATION

A. BYSTANDER

No student or employee should assume that an official of the college knows about a particular situation. The college encourages any student who feels he or she has been discriminated against or harassed in violation of this Policy to promptly report the incident to the Title IX Coordinator. Any student who knows of Discrimination or Sexual Harassment prohibited under this Policy that is experienced by another student should report that information to the Title IX Coordinator. Before a student reveals information, college employees will try to ensure that the student understands the employee's obligations and, if the student wishes to maintain confidentiality, direct the student to confidential resources. A student may choose to make a full report or request confidentiality as he or she determines.

All members of the college community are expected to adhere to this Policy, to cooperate with the procedures for responding to complaints of Discrimination and Harassment, and to report conduct or behavior they believe to be in violation of this Policy to the Title IX Coordinator. A duty to report conduct or behavior that violates this Policy is imposed on all administrators, supervisors, faculty members, and persons in positions of authority. Such employees perform their duty to report by reporting the conduct or behavior to the Title IX Coordinator.

B. COLLEGE COMPLAINTS AND REPORTING

Any person who has experienced, witnessed, or otherwise knows of Sexual Harassment or Discrimination prohibited under this Policy is to report such conduct to the college's Title IX Coordinator. The Title IX Coordinator is trained to help you find the resources you might need, to explain all reporting options, and to respond appropriately to conduct of concern. Such conduct is to be reported to the Title IX Coordinator as soon as possible after it occurs. The Title IX Coordinator tracks all reports of Sexual Harassment or Discrimination.

There are several avenues available for any person who experiences, witnesses, or otherwise knows of Sexual Harassment or Discrimination to report such conduct:

- Leave a private voice message for the Title IX Coordinator;
- Send a private email to the Title IX Coordinator;
- Mail a letter to the Title IX Coordinator's office;
- Visit the Title IX Coordinator (although it is best to make an appointment first to ensure availability);
- File a Formal Complaint pursuant to this Policy;
- Report to another trusted college official (e.g., faculty member, coach, advisor) who will provide information as required under the Policy to the Title IX Coordinator.

If there is an allegation of conduct in violation of this Policy about the Title IX Coordinator or any staff member who is part of the Vice President of Student Affairs' office, that allegation should be lodged with the President of the college. The President will appoint another trained individual to take the place of the Title IX Coordinator for purposes of the allegation.

C. RETALIATION PROHIBITED

Retaliation occurs when adverse action is taken against a student or employee because he or she has engaged in protected activity such as filing a complaint of Discrimination or Harassment. Retaliation may be found even when the underlying charge does not constitute Discrimination or Harassment in violation of this Policy, and all persons who participate in a Discrimination or Harassment proceeding, not only the complaining party, are protected against retaliation. A retaliatory adverse action is an action taken to deter a reasonable person from opposing a discriminatory or harassing practice, or from participating in a Discrimination or Harassment proceeding, or more generally, from pursuing that person's rights.

D. CRIMINAL REPORTING

Please remember that if someone is in immediate danger or needs immediate medical attention, the first place to report is 911. You may also report to College Safety or local law enforcement. Some forms of Discrimination and Harassment may also be crimes. For example, sexual assault, stalking and rape are crimes. Criminal reports should be made to law enforcement, even if it is uncertain whether the particular conduct is a crime. Calling local law enforcement can help you: obtain emergency and nonemergency medical care; get immediate law enforcement response for your protection; understand how to provide assistance in a situation that may escalate to more severe criminal behavior; arrange a meeting with victim advocate services; find counseling and support; initiate a criminal investigation; and answer questions about the criminal process.

E. CONFIDENTIALITY OF COMPLAINTS AND REPORTS

Parties in these processes, including the Alleged Victim, Respondent, Complainant and witnesses, have privacy rights and reasonable expectations of confidentiality in the investigation of matters subject to this Policy. In addition, the integrity of the process depends on ensuring reasonable expectations of confidentiality. The Title IX Coordinator or investigator will keep confidential the Complaint, report, witness statements, and any other information provided by the Alleged Victim, Respondent, Complainant or witnesses, and will disclose this information only to the Alleged Victim, Complainant, Respondent, or witnesses as necessary to give fair notice of the allegations and to conduct the investigation; to law enforcement consistent with state and federal law; to other college officials as necessary for coordinating interim measures or for health, welfare, and safety reasons; and to government agencies who review the college's compliance with federal law. The written investigation report and any written decision will be disclosed only to the Alleged Victim, Complainant, Respondent, Title IX Coordinator, and discipline authority. In the case of employees, the discipline authority is the college administrator with the authority to impose sanctions in accordance with applicable employment policies. In the case of students, the discipline authority is the Vice President for Student Affairs and college officials as necessary to prepare for subsequent proceedings (e.g., college President and MCCC legal counsel).

F. ANONYMOUS REPORTING

The Title IX Coordinator accepts anonymous reports of conduct alleged to violate this Policy and will follow up on such reports. The individual making the report is encouraged to provide as much detailed information as possible to allow the Title IX Coordinator or investigator to inquire into or investigate the report, and respond as appropriate. The Title IX Coordinator or investigator may be limited in the ability to follow up on an anonymous report unless sufficient information is furnished to enable the Title IX Coordinator or investigator to conduct a meaningful and fair inquiry or investigation.

IV. RIGHTS OF PARTIES

A. ALLEGED VICTIM: *The Alleged Victim has the right to:*

1. An inquiry and appropriate resolution of all credible allegations of Sexual Harassment, Discrimination, and sexual violence made in good faith to the Title IX Coordinator.
2. Be treated with respect by college officials.
3. Have the same opportunity as the Respondent to have others present (in support or advisory roles) during an investigation.
4. Report Sexual Harassment, Discrimination, and violence to both on-campus and off-campus authorities.
5. Be informed of the investigation findings and imposed sanctions at the same time as the Respondent.
6. Be informed of and afforded access to available counseling, mental health, physical health or student services for victims of Sexual Harassment, Discrimination, and violence.
7. Have notification of and options for, and available assistance in, changing academic and living situations after an alleged act of Sexual Harassment or Discrimination prohibited under this Policy, if so requested by the Alleged Victim and if such changes are reasonably available. No Formal Complaint, or investigation--campus or criminal--need occur before this option is available. Accommodations may include:
 - Change of on-campus student's housing to a different on-campus location;
 - Assistance from college support staff in completing relocation;
 - Arranging to dissolve a housing contract and pro-rating a refund;
 - Exam, paper, or assignment rescheduling;
 - Taking an incomplete in a class;
 - Transferring class sections;
 - Temporary withdraw from institution;
 - Alternative course completion options.
8. Not have irrelevant prior sexual history admitted as evidence in an investigation.
9. Make a victim-impact statement available to the investigator and decision-maker.
10. Access to available protection against another student who has engaged in or threatens to engage in stalking, threatening, harassing or other improper behavior that presents a danger to the welfare of the complaining student or others.
11. Have allegations of sexual misconduct that might be criminal in nature responded to quickly and with sensitivity by campus law enforcement.
12. Seek Reconsideration of the finding of the investigation and any sanction imposed.
13. Review all documentary evidence collected, used, and disseminated during the investigation and sanctioning process.
14. Petition that any member of the investigative process be removed on the basis of demonstrated bias.
15. Have an advocate or advisor present at all phases of the investigation.
16. Present relevant witnesses to the investigator and decision-maker, including expert witnesses.
17. Be fully informed of campus conduct rules and procedures as well as the nature and extent of all alleged violations.
18. Have MCCCDC compel the presence of student, faculty, and staff witnesses.
19. Written notice of the investigation, findings and sanctions.
20. Challenge documentary evidence obtained during the investigation.
21. Be informed in advance of any public release of information regarding the investigation.
22. Give consent for the release of any personally identifiable information contained in the investigation.

B. IMMEDIATE ACTION AND INTERIM MEASURES

The college may take interim measures to assist or protect the parties during the inquiry or investigation process, as necessary and with the Alleged Victim's consent. Such measures for an Alleged Victim may include arranging for

changes in class schedules or living arrangements, issuing a no-contact order, obtaining counseling, and modifying test schedules or other class requirements temporarily.

C. RESPONDENT: The Respondent has the right to:

1. An inquiry and appropriate resolution of all credible allegations of Sexual Harassment, Discrimination, and sexual violence made in good faith to the Title IX Coordinator.
2. Be treated with respect by college officials.
3. Have the same opportunity as the Alleged Victim to have others present (in support or advisory roles) during an investigation.
4. Be informed of and have access to campus resources for medical, counseling, and advisory services.
5. Be fully informed of the nature, rules, and procedures of the investigation process, and to thorough and timely written notice of all alleged violations, including the full nature of the violation and possible sanctions.
6. Protections of due process required by local, state, or federal law.
7. Not have irrelevant prior sexual history admitted as evidence in an investigation.
8. Make an impact statement available to the investigator and decision-maker.
9. Seek Reconsideration of the finding of the investigation and any sanction imposed.
10. Review all documentary evidence collected, used, and disseminated during the investigation and sanctioning process.
11. Present relevant witnesses to the investigator and decision-maker, including expert witnesses.
12. Petition that any member of the investigative process be removed on the basis of demonstrated bias.
13. Have MCCCCD compel the presence of student, faculty, and staff witnesses.
14. Challenge documentary evidence obtained during the investigation.
15. Have an advocate or advisor present at all phases of the investigation.
16. An outcome based solely on evidence presented during the investigation. Such evidence should be credible, relevant, based in fact, and without prejudice.
17. Written notice of the investigation, findings, and sanctions.
18. Be informed in advance of any public release of information regarding the investigation.
19. Give consent for the release of any personally identifiable information contained in the investigation.

V. DUE PROCESS

Due process is afforded any employee, student, or visitor accused of Sexual Harassment or Discrimination prohibited under this Policy. On receipt of a Formal Complaint, or upon receipt of credible evidence that Sexual Harassment or Discrimination prohibited under this Policy has occurred, an immediate preliminary inquiry will be conducted to determine if there is reasonable cause to believe this Policy has been violated. A preliminary inquiry shall be concluded within ten working days following the determination that such reasonable cause exists; however, it may be re-opened in the event additional evidence of a violation of this Policy is later discovered. If, following a preliminary inquiry, such reasonable cause is found, a prompt, thorough, impartial investigation will be conducted by a qualified, authorized investigator. An investigation will be conducted using a preponderance of evidence standard. A preponderance of evidence standard means that an investigator will conclude that Sexual Harassment or Discrimination occurred only if the results of the investigation demonstrate it is more likely than not that such conduct took place. If the investigator's final decision is that Sexual Harassment or Discrimination prohibited under this Policy occurred, the college will take immediate action to eliminate the Harassment or Discrimination, prevent its recurrence, and address its effects. Remedies for the victim of Sexual Harassment or Discrimination will also be sought. Violations of this Policy may result in disciplinary action up to and including termination for employees; sanctions up to and including suspension or expulsion

for students; and appropriate sanctions against campus visitors. This Policy applies to prohibited conduct that impacts the educational environment, whether it occurs on or off campus, and covers students, employees, and visitors.

A. SEX DISCRIMINATION GRIEVANCE PROCEDURES FOR STUDENTS

The purpose of these procedures is to provide a prompt and equitable resolution for allegations of Discrimination as prohibited under this Policy. Persons believing that they have been subjected to or witnessed, or otherwise know of Discrimination or Harassment on any of these bases may file a Complaint with the college. These procedures address allegations of Discrimination or Sexual Harassment as prohibited under this Policy. The procedures also address allegations of retaliation against those who have opposed practices forbidden under the Policy, those who have made allegations of Discrimination or Harassment under the Policy, and those who have testified or otherwise participated in enforcement of the Policy.

B. MEDIATION

Alleged victims who believe they have been discriminated against or harassed may choose in certain circumstances to resolve their allegations through mediation. Mediation is an informal and confidential process where parties can participate in a search for fair and workable solutions. An

Alleged Victim may choose to ask the Title IX Coordinator to assist in the mediation process.

Allegations that are addressed through mediation are not required to be made in writing. The parties may agree upon a variety of resolutions such as modification of work assignment, training for a department, or an apology. Parties may agree to a resolution that is oral or embodied in a written agreement. With a written agreement, the parties may elect to file it with the Title IX Coordinator in the event enforcement becomes necessary. Once both parties reach a mediated agreement, it is final and cannot be the basis of a Request for Reconsideration. The Title IX Coordinator or either party may at any time, prior to a final agreement, decide that attempts at mediation have failed. Upon such notice, the Title IX Coordinator may conduct a preliminary inquiry to determine whether this Policy has been violated. The mediation process may not be used if the alleged conduct constitutes criminal conduct.

C. FORMAL COMPLAINT PROCESS

A person who has experienced, witnessed, or otherwise knows of Sexual Harassment or Discrimination in violation of this Policy may file a Formal Complaint by contacting the Title IX Coordinator at each respective college or center. A Complainant may file a Formal Complaint either orally or in writing. The Title IX Coordinator will accept Formal Complaint filings within 300 calendar days of the most recent occurrence of the alleged discriminatory act.

The Complainant's documentation in support of a Formal Complaint should clearly and concisely identify the action, decision, conduct, or other basis that constituted an alleged act or practice of Discrimination prohibited under this Policy. Upon receipt of a Formal Complaint, the Title IX Coordinator will notify the college President and the Office of General Counsel. The Office of General Counsel will assign a case number to the Formal Complaint.

A copy of the Formal Complaint will be shared with the Respondent within five (5) working days of receipt by the Title IX Coordinator. The Respondent will be put on notice that retaliation against the Complainant, Alleged Victim, or potential witnesses will not be tolerated and that an investigation will be conducted.

The Respondent must provide a written response to the Formal Complaint within fifteen (15) calendar days of his or her receipt of the Formal Complaint.

After either accepting a Formal Complaint or receiving credible evidence that Discrimination has occurred, and determining after a preliminary inquiry that there is reasonable cause to believe this Policy has been violated, the Title IX Coordinator will:

- Designate an investigator to conduct a fact-finding investigation, which will include, at a minimum, a review of written evidence (including the Complaint and response) and interviews with appropriate employees and students. The Title IX Coordinator may serve as investigator;
- Determine the identity and contact information of the Complainant;
- Identify the correct policies allegedly violated;
- Conduct a thorough, reliable, and impartial investigation;
- Complete the investigation promptly (within 60 calendar days, unless—owing to the complexity of the investigation or the severity and extent of the alleged conduct—more time is necessary to complete the investigation);
- Make findings based on the preponderance of evidence; and
- Present the findings to the Title IX Coordinator, who will deliver the findings, in writing, within ten (10) working days, to the President, with a recommendation as to the disposition of the matter.

The President shall accept, reject, or modify the recommendation, and provide a written notification of his or her action, along with the findings presented by the Title IX Coordinator, to the Complainant, Alleged Victim, and Respondent within fifteen (15) calendar days of receiving the findings and recommendation from the Title IX Coordinator.

Evidence which is collateral to the allegations of Discrimination or Sexual Harassment and which was obtained during an investigation may be used in subsequent grievance or disciplinary procedures.

D. MAINTENANCE OF DOCUMENTATION

Documentation resulting from each level in the Formal Complaint Process (including witness statements, investigative notes, etc.) will be forwarded to and maintained by the Office of General Counsel. Investigative records are not to be maintained with or considered as a part of a student record. Documentation regarding corrective action is considered part of the student's record.

E. RIGHT TO ASSISTANCE

A Complainant, Alleged Victim or Respondent may receive the assistance of an attorney or other person at any stage of a Complaint filed under the Formal Complaint Process. Such person may attend any investigative interview and advise the Complainant, Alleged Victim or Respondent but shall not otherwise participate in the interview. The investigator shall direct communications directly to the Complainant, Alleged Victim and Respondent, and not through such individual's attorney or other person providing assistance.

F. TIME FRAME AND GROUNDS FOR FILING A REQUEST FOR RECONSIDERATION

A Complainant, Alleged Victim or Respondent who is not satisfied with the decision of the President has ten (10) working days to request, in writing, reconsideration of the decision by the Maricopa Community College District's Executive Vice Chancellor and Provost. There are four grounds upon which a Request for Reconsideration may be made: (1) the party has new information, unavailable at the time of the investigation; (2) the party has procedural concerns that may change or affect the outcome of the determination; (3) the party perceives that there was insufficient evidence to support the investigators findings; or (4) the party perceives any action taken by the President to be too severe. The Executive Vice Chancellor and Provost will review the findings of the investigation and recommendation of the Title IX Coordinator, and respond to the Request for Reconsideration within ten (10) working days from its receipt. The Title IX coordinator shall ensure that, prior to acting on any Request for Reconsideration, the Executive Vice Chancellor and Provost has been fully

briefed regarding every component of this Policy. If the Executive Vice Chancellor and Provost determines that the investigation was not conducted in a fair manner, or that the determination is not consistent with the evidence, or that any disciplinary action is not commensurate with the allegations, the case file will be reopened and assigned for further investigation. If the Executive Vice Chancellor and Provost concludes that the investigation was conducted in a proper manner, that the determination is consistent with the evidence, and that any disciplinary action is commensurate with the allegations, he or she will—in writing—certify that the Executive Vice Chancellor and Provost has read and thoroughly considered all of the information collected in the investigation, certify that the investigation was conducted in a proper manner and the decision is consistent with the evidence, and deny the Request for Reconsideration. The written certifications and decision by the Executive Vice Chancellor and Provost shall be delivered to the Complainant, Alleged Victim, and Respondent promptly after they are issued. At this point, or if no Request for Reconsideration is made, the investigation into alleged Discrimination under this Policy is concluded.

G. EXTERNAL FILING OF DISCRIMINATION COMPLAINT

MCCCD encourages students to use the due process under this Policy to resolve Discrimination concerns. Students also have the right to file civil rights complaints with appropriate external agencies. No retaliation will be taken against a person for filing a complaint with an external agency. The following agency accepts discrimination charges filed by, or on behalf of, students:

Office for Civil Rights
U.S. Department of Education
Denver Office
Cesar E. Chavez Memorial Building
1244 Speer Boulevard, Suite 310
Denver, Colorado 80204-3582
Phone: 303-844-5695
Fax: 303-844-4303
TDD: 303-844-3417
E-mail: OCR.Denver@ed.gov

ADOPTED by Direct Chancellor Approval: May 20, 2015

5.1.9 Examples of Policy Violations

It shall be a violation of MCCCD's Sexual Harassment Policy for any employee, student or campus visitor to:

1. Make unwelcome sexual advances to another employee, student or campus visitor;
2. Make unwelcome requests for sexual favors, whether or not accompanied by promises or threats with regard to the employment or academic relationship;
3. Engage in verbal or physical conduct of a sexual nature with another employee, student or campus visitor, that may threaten or insinuate, either explicitly or implicitly, that the individual's submission to, or rejection of, the sexual advances will in any way:
 - A. Influence any personnel decision regarding that person's employment, evaluation, wages, advancement, assigned duties, shifts or any other condition of employment or career development; or
 - B. Influence his or her grades, participation in or access to academic programs, class standing or other educational opportunities;
4. Engage in verbal or physical conduct of a sexual nature that:
 - A. Has the purpose or effect of substantially interfering with an employee's ability to do his or her job; or with a student's ability to learn or participate in a class; or
 - B. Creates an intimidating, hostile or offensive work or academic environment;
5. Commit any act of sexual assault or public sexual indecency against any employee or student whether on MCCCD property or in connection with any MCCCD-sponsored activity;
6. Continue to express sexual interest in another employee, student or campus visitor after being informed or on notice that the interest is unwelcome (reciprocal attraction is not considered sexual harassment);

7. Engage in other sexually harassing conduct in the workplace or academic environment, whether physical or verbal, including, but not limited to, commentary about an individual's body (or body parts), sexually degrading words to describe an individual, sexually offensive comments, sexually suggestive language or jokes, innuendoes, and sexually suggestive objects, books, magazines, computer software, photographs, cartoons or pictures. Other sexual misconduct may include sexual exploitation, stalking, and gender-based bullying.
8. Treat a complainant or witness of sexual harassment in a manner that could dissuade a reasonable person from pursuing or participating in the complaint and investigation.

5.1.10 Additional Policy Violations

Supervisors, managers, administrators and faculty who disregard or fail to report allegations of sexual harassment (whether reported by the person who is the subject of the sexual harassment or a witness) are in violation of this policy.

5.1.11 Responsibility for Policy Enforcement

Employees and students must avoid offensive or inappropriate sexual and/or sexually harassing behavior at work or in the academic environment.

Employees and students are encouraged (but not required) to inform perceived offenders of this policy that the commentary/conduct is offensive and unwelcome.

5.1.12 Complaints

1. Employees

Employees who experience sexual harassment at work (by a supervisor, co-employee, student or visitor) are urged to report such conduct to the direct attention of their supervisor, their college president or to the Maricopa Community Colleges Equal Employment Opportunity/Affirmative Action Office. If the complaint involves the employee's supervisor or someone in the direct line of supervision, or if the employee for any reason is uncomfortable in dealing with his or her immediate supervisor, the employee may go directly to the Maricopa Community Colleges EEO/AA Office.

2. Students

Students who experience sexual harassment or sexual assault in a school's education program and activities (by a faculty member, administrator, campus visitor or other student) are urged to report such conduct to the Title IX Coordinator, who is the vice president of student affairs at each college. A student may also contact the MCCCDD EEO/AA Office to obtain the name and phone number of the college official designated to respond to sexual harassment complaints.

3. General - Applicable to Both Employees and Students

- A. Complaints will be investigated according to procedures established by the MCCCDD EEO/AA Office. Copies of these procedures may be obtained in the college president's office, Office of the Vice President of Student Affairs and the MCCCDD EEO/AA Office.
- B. The college/center/MCCCDD will investigate all complaints in a prompt, thorough, and impartial manner.
- C. Where investigation confirms the allegations, appropriate responsive action will be taken by the college/center/MCCCDD.

5.1.13 Confidentiality

Records will be maintained in a confidential manner to the extent permitted by law and insofar as they do not interfere with MCCCDD's legal obligation to investigate and resolve issues of sexual harassment.

5.1.14 Violations of Law

An employee or student may be accountable for sexual harassment under applicable local, state, and/or federal law, as well as under MCCCDD policy. Disciplinary action by MCCCDD may proceed while criminal proceedings are pending and will not be subject to challenge on the grounds that criminal charges involving the same incident have been dismissed or reduced.

5.1.15 False Statements Prohibited

Any individual who knowingly provides false information pursuant to filing a discrimination charge or during the investigation of a discrimination charge, will be subject to appropriate disciplinary action, up to and including, employment termination or academic dismissal.

5.1.16 Retaliation Prohibited

Retaliation against an employee or student for filing a sexual harassment complaint, or participating in the investigation of a complaint, is strictly prohibited. MCCCD will take appropriate disciplinary action, up to and including employment termination or academic dismissal if retaliation occurs.

***** SECTION TO INCLUDE IN HANDBOOK*****

AMENDED by Direct Chancellor Approval, April 1, 2015

Discrimination Complaint Procedures for Students

This procedure provides a means for resolving complaints by students who believe they have been adversely affected by illegal or prohibited discrimination by the Maricopa County Community College District (MCCCD), a member college or center, or their students or employees.

Complaints may be brought under this procedure for discrimination based on race, color, religion, national origin, citizenship status (including document abuse), sex (including pregnancy and sexual harassment), sexual orientation, gender identity, age, veteran status, physical or mental disability, or genetic information. The entire college community should act promptly upon receipt of an allegation of conduct that might constitute discrimination. Any member of the college community should refer a person who might be a victim of such conduct to these procedures, as well as to the college officials responsible for conducting an investigation pursuant to these procedures.

Students who believe they are experiencing sexual harassment may submit a complaint under the Sexual Harassment Policy for Students 2.4.4. If a student has been a victim of sexual assault, a complaint may also be filed with College Public Safety (CPS).

All deadlines prescribed for Report, Informal Resolution and Formal Resolution processes may be extended by the Vice President of Student Affairs for good reason, such as (but not limited to) when classes are not in session or upon mutual agreement by the parties. Notwithstanding any deadline extension, college officials should take all necessary steps to ensure prompt and equitable resolution of any complaint of discrimination.

Information related to MCCCD's Discrimination Complaint Procedure for Students is also available from the Office of General Counsel's Office of Public Stewardship at 480-731-8880.

Informal Resolution of Discrimination Complaints

Before filing a formal complaint under this procedure, a student may attempt to resolve the problem through informal discussions with the person claimed to have engaged in discriminatory conduct and that person's supervisor or department head. The supervisor or department head will notify the Vice President of Student Affairs may designate an employee to provide such assistance. If a student alleges discrimination based upon physical or mental disability the Vice President of Student Affairs, who is designated at each college as the ADA/504 Coordinator or the Associate Vice Chancellor of Student Affairs who is designated as the District ADA/504 Coordinator, will assist directly in the informal resolution process. Each Vice President and the Associate Vice Chancellor has knowledge of the ADA/504 regulations applicable to students with disabilities. The Vice President of Student Affairs may modify or reject an informal resolution of a complaint of discriminatory conduct under this process if, in the judgment of the Vice President, the resolution that is proposed is not in the best interests of both the student and the institution. The Vice President shall take such action no later than fifteen (15) calendar days after receiving notice of the informal resolution.

Attempts to informally resolve alleged discrimination should occur within ninety (90) calendar days of the most recent alleged discriminatory act. The college official responsible for this informal resolution process should ensure that the

process is concluded promptly. For complaints dealing with alleged discrimination beyond the 90-day timeframe, a student must submit a complaint under the formal resolution procedure of this policy.

If the complaint cannot be informally resolved to the satisfaction of the student, the student has the right to file a complaint and to proceed under formal resolution procedures.

Formal Resolution of Discrimination Complaints

A student who contends that unlawful or MCCCDC-prohibited discrimination has occurred may file a formal complaint by contacting the Vice President of Student Affairs at each respective college or center. If a student alleges discrimination based upon physical or mental disability he or she may submit a formal complaint with the Vice President of Student Affairs or the District Associate Vice Chancellor of Student Affairs or designee. The Vice President of Student Affairs or District Associate Vice Chancellor of Student Affairs or designee will accept.

A complaint may be submitted by the student verbally or in writing. A student may also contact the Office of General Counsel to obtain the name and phone number of the college or center official designated to respond to discrimination complaints.

The complaint must identify the action, decision, conduct, or other basis that the student believes is unlawful or MCCCDC prohibited discrimination.

Upon receipt of a complaint, the Vice President of Student Affairs or the Associate Vice Chancellor will notify the college president or provost and the Office of General Counsel.

A copy of the complaint will be shared with the respondent within five (5) working days of receipt by the Vice President of Student Affairs. Respondent will be put on notice that retaliation against the complainant or potential witnesses will not be tolerated and that an investigation will be conducted. If the student submits a written complaint, the Vice President or the District Associate Vice Chancellor need not share with the respondent the actual form submitted by the student, but may paraphrase the allegations sufficiently to allow the respondent to draft a response.

Respondent must provide a written response to allegations within fifteen (15) calendar days of his or her receipt of the complaint.

After accepting a complaint, the Vice President of Student Affairs or the District Associate Vice Chancellor of Student Affairs will designate a complaint investigator to conduct a fact-finding investigation, which will include, at a minimum, a review of written evidence (including the complaint and response), and interviews with appropriate employees and students. The interviews will include all witnesses identified by all parties. If the complaint alleges discrimination based upon mental or physical disability the investigator designated by the Vice President of Student Affairs or the District Associate Vice Chancellor of Student Affairs must have knowledge of ADA/504 regulations applicable to students with disabilities. 34 C.F.R. §104.4 et.seq.; 28 C.F.R. §35.130 et. seq. The Vice President of Student Affairs or the District Associate Vice Chancellor of Student Affairs may serve as complaint investigator. The complaint investigator shall promptly complete the investigation and deliver to the Vice President of Student Affairs or the District Associate Vice Chancellor of Student Affairs the investigator's written findings and the results of the investigation, including summaries of all interviews and all documents received as part of the investigation. In no event shall this occur later than ninety (90) calendar days following receipt of the complaint. Within ten (10) working days following receipt of the results of the investigation from the complaint investigator, the Vice President of Student Affairs or the District Vice Chancellor of Student Affairs will submit to the President or Provost the investigator's written findings and the Vice President's recommendations as to the disposition of the complaint.

The president or provost will accept, reject, or modify the recommendations and will provide a written notification of his or her action to the student and respondent along with a copy of the investigator's written findings and the vice president's or District Associate Vice Chancellor's recommendations within fifteen (15) calendar days of receiving the

written findings and recommendations from the Vice President of Student Affairs or the District Associate Vice Chancellor of Student Affairs.

When the investigation confirms the allegations, appropriate corrective action will be taken. Evidence which is collateral to the allegations of discrimination and/or sexual harassment and which was obtained during an investigation may be used in subsequent grievance or disciplinary procedures. Both complainant and respondent receive notice of the outcome. The institution will take appropriate steps to prevent further occurrences.

Interim Measures

If a student alleges discrimination based upon physical or mental disability, the District may take interim measures to assist or protect the student during an investigation. Such measures may include academic adjustments, arranging for changes in class schedules, or other appropriate temporary measures.

MCCCD Administrative Review Process

Request for Reconsideration

A student or respondent who is not satisfied with the decision of the president or provost has ten (10) working days to request, verbally or in writing, administrative review of the decision by his or her college president or provost. The request for administrative review must state reasons why the complainant or respondent believes the finding was improper. The president or provost will review the results of the investigation and written findings and respond to the request within ten (10) working days from receipt of the request. If the president or provost determines that the decision is not supported by the evidence, the case file will be reopened and assigned for further investigation. If the president or provost determines that the investigation was thorough and complete and that the decision is supported by the evidence, he or she will deny the request for administrative review. At this point, the student has exhausted the Internal Discrimination Complaint Procedure.

Complaint Process

Faculty, staff and all other college officials should refer any student seeking to make a complaint of discrimination to the Vice President of Student Affairs or the District Associate Vice Chancellor of Student Affairs. Every student complaint of discrimination shall be investigated under the authority of the Vice President of Student Affairs or the District Associate Vice Chancellor of Student Affairs in accordance with these Procedures. The Vice President of Student Affairs and any complaint investigator who participates in a complaint resolution pursuant to these Procedures shall administer every resolution process in an impartial manner, and shall fully consider all facts discovered in the course of any investigation before a resolution is reached. Each party in any complaint resolution shall have full opportunity to present all information and documentation the party feels is germane to the complaint. At no time shall a student who has made an allegation of discrimination under these Procedures be asked or required in any way by a college official to engage in any direct confrontation with any person alleged to have committed an act of discrimination. The Vice President shall ensure that every effort is made to obtain information from each witness to every act of alleged discrimination or from any other person possessed of information that is relevant and material to the complaint resolution. The Vice President of Student Affairs shall ensure that all appropriate corrective action that is warranted as a result of any complaint resolution will be taken, and shall employ best efforts to ensure that the college prevents recurrence of discrimination in the future.

Maintenance of Documentation

Documentation resulting from each level in the Formal Resolution Process (including witness statements, investigative notes, etc.) will be forwarded to and maintained by the Office of General Counsel. Investigative records are not to be maintained with or considered as a part of a student record. Documentation regarding corrective action is considered part of the student's record.

Right to Assistance

A student or respondent may receive the assistance of an attorney or other person at any stage of a complaint filed under this Internal Discrimination Complaint Procedure. Such person may attend any investigative interview and advise the complainant or respondent but shall not otherwise participate in the interview. The complaint investigator shall direct communications directly to the complainant and respondent, and not through such individual's attorney or other person providing assistance.

Confidentiality of Proceedings

Every effort will be made by the college and MCCCCD to protect the confidentiality of the parties during the processing of complaints under this procedure. Records will be maintained in a confidential manner to the extent permitted by law and insofar as they do not interfere with MCCCCD's legal obligation to investigate and resolve issues of discrimination.

Retaliation Prohibited

Retaliation against a person who has filed a complaint or against any witness questioned during an investigation is strictly prohibited. Any retaliatory action by instructors, supervisors, managers, academic professionals, administrators, or other employees who have the authority to take adverse action against a complainant or witness is prohibited and may be grounds for disciplinary action.

False Statements Prohibited

Any individual who knowingly provides false information pursuant to filing a discrimination charge or during the investigation of a discrimination charge will be subject to appropriate discipline.

External Filing of Discrimination Complaint

MCCCCD encourages students to use the MCCCCD Discrimination Complaint Procedure for students to resolve discrimination concerns. Students also have the right to file civil rights complaints with appropriate external agencies. No retaliation will be taken against a person for filing a complaint with an external agency. The following agency accepts discrimination charges filed by, or on behalf of, students:

Office for Civil Rights, Region VIII (OCR)

Denver Office

U.S. Department of Education

Federal Building

1244 Speer Boulevard, Suite 310

Denver, Colorado 80204-3582

TDD: 303-844-3417

E-mail: OCR_Denver@ed.gov

AMENDED by Direct Chancellor Approval, April 1, 2015

*****END SECTION*****

2.4.6 Emissions Control Compliance

Pursuant to ARS §15-1444 C. no vehicle shall be allowed to park in any college parking lot unless it complies with ARS §49-542 (the annual vehicle emissions inspection program). At the time of course registration, every out-of-county and out-of-state student will be required to sign an affidavit stating that the student's vehicle meets the requirements of ARS §49-542. Vehicles that are not in compliance are subject to being towed at the owner's expense.

2.4.8 Petition Signature Solicitation

1. This regulation shall govern access to college premises by representatives who wish to solicit signatures on petitions for the purpose of submission of a ballot proposition to voters, or nomination of a candidate for elective office, in a city-, county-, or state-wide election.

2. Each college president shall designate general hours of accessibility for solicitation and a location on college premises where all representatives on behalf of any candidate or ballot proposition may solicit signatures. The location shall be in a common area where the solicitation will not serve as an obstruction to student activities or otherwise disrupt the college environment.
3. All solicitation must take place in designated areas. Standard space may include one or two tables and chairs. Campus restrictions regarding amplification will apply. Representatives may not distribute or make available to students, employees, or college visitors any tangible item, except for informational literature about the proposed candidate or ballot initiative.
4. Representatives shall notify the designated official at each college or center for their intent to be present on college premises no fewer than three working days prior to soliciting signatures. Upon obtaining authorization, representatives shall be provided a written version of this regulation.

Specific procedures on how to implement the Petition Signature regulation can be found in [Appendix S-14](#).

2.4.9 Use of College Grounds by Non-MCCCD-Affiliated Users

In contrast to traditional public forums such as a public square, park, or right of way, Maricopa's campuses are dedicated by law to the purpose of formal education. They are, and have been since their creation, for the use and benefit of prospective and enrolled students, the Maricopa employees who serve them, and those who are invited to campus by members of the College community to attend or participate in sponsored events. The Maricopa County Community College District (MCCCD) has a long history of regulating the time, place, and manner in which expressive activities are conducted on campuses, for the purposes of avoiding disruption or interference with its educational activities, and protecting the rights of the members of the campus community and their invited guests to express themselves and access information. While members of the general community always have been welcome to share their ideas with the campus community, they are subject to reasonable, content-neutral regulation of the time, place and manner of the event and to the institution's mission-based priorities – including but not limited to the need to provide an environment conducive to teaching and learning.

POLICY

This administrative regulation governs use of the college grounds, defined as the open areas and walkways of the campus by non-MCCCD-affiliated users. Use of college facilities is governed by a separate administrative regulation. Parking lots are not available for events and activities other than those sponsored and authorized by the College president.

Camping is not permitted anywhere on the campuses. Camping is defined as the use of college grounds or facilities for living accommodations or housing purposes such as overnight sleeping or making preparations for overnight sleeping (including the laying down of bedding for the purpose of sleeping), the making of any fire for cooking, lighting or warmth, or the erection or use of tents, motor vehicles, or other structures for living or shelter. These activities constitute camping when it reasonably appears, in light of all the circumstances, the participants conducting these activities intend to use or are using the facilities or grounds for living accommodations or housing, regardless of the duration or other purpose of the use.

Lawful use of college grounds for events or expressive activities by individuals, groups, and organizations may be authorized by college officials when the events and activities are lawful and consistent with the non-profit, educational nature of the campus, authorized and conducted in accordance with MCCCD policies, administrative regulations and priorities, and compliant with reasonable restrictions as to time, place, and manner. The content of the expression will not be a factor in authorizing, locating, or scheduling decisions. However, events and activities will not be permitted to disrupt or obstruct the teaching, research, or administrative functioning of the College by means of physical obstacles and crowds, by the creation of sound or noise that would interfere with teaching, learning, and the conduct of College business, or by any other means. Each College president will designate a Responsible College Official with delegable authority to approve, locate, and schedule use of college grounds.

Permit Application: Any non-MCCCD-affiliated organization, group, or individual desiring to use campus grounds for an event or activity must submit a request form to the Responsible College Official in advance of the use date.

If the activities proposed in the application are limited to low-impact, non-commercial activities the request form shall be submitted at least two business days in advance of the expected use date. For purposes of this administrative regulation, “low-impact, non-commercial activities” are defined as: (1) activities that do not seek to sell or promote a product or service for direct or indirect financial gain; (2) activities that are limited to gatherings of five people or less at any given time; and (3) activities that do not involve machinery, temporary structures, tables, chairs, displays or electronic equipment, including amplifiers, or the distribution of food products.

For events that are not low-impact, non-commercial activities, the request form shall be submitted at least seven business days before the expected use. The additional advance time is required to allow the College to prepare for conditions that may affect the flow of foot traffic, involve signs and displays, create crowds, involve significant numbers of participants, or require the use of significant amounts of space and/or use of equipment and resources.

Designated Areas: Because each College has a limited amount of outdoor space, activities and events sponsored by non-MCCCD-affiliated users, including speech and literature distribution, shall be restricted to designated areas. For each College, the Responsible College Official shall establish specific designated areas for such activities. A written description of these areas shall be maintained at the office of Student Life and Leadership for each College. Consistent with the goal of providing a healthy, comfortable, and educationally productive environment, the Responsible College Official should attempt to locate the designated areas in prominent locations on campus where there is a likelihood of significant pedestrian traffic. The designated areas shall not be located in building stairways and entryways, parking lots, or congested areas. The Responsible College Official will make every effort to assign users to their requested space when a specific space is desired. However, in order to ensure the potential success of all scheduled events, the College reserves the right to assign an event or activity to the area the College deems most appropriate in light of the campus capacity, other activities scheduled, and the type of event or activity being planned.

Use Fees and Proof of Insurance: To offset the costs associated with the use of college grounds, non-MCCCD-affiliated users shall be required to pay a fee of \$50 per day or \$125 per week. In order to protect the health and safety of College students, faculty and staff and to protect MCCCD resources, non-MCCCD-affiliated users shall also be required to provide proof of insurance that indicates at least \$1 million in general liability coverage and names the MCCCD as an additional insured for the anticipated use date.

The fee and proof-of-insurance provisions of this Administrative Regulation shall not be applied to low-impact, non-commercial users. A user may request designation as a low-impact, non-commercial user from the applicable College’s Responsible College Official. Any questions or comments about the criteria for approval or denial of such request shall be directed to the District Ombudsman.

Permits: The approved request form will describe the location of the authorized activity and any other restrictions specific to the event. Violation of the terms of the permit, District policy, administrative regulation or law shall be grounds for immediate revocation of the permit, and the individual violators and their organizations may be banned from the campus.

Priorities and Criteria for Approval of Permits: The content or subject of the proposed expressive activity or event will not affect approval of the application. Availability of space is not guaranteed. Reservations shall be approved on a space-available basis and will be addressed on a first come-first served basis, subject to the following priorities and criteria for the use and scheduling of space on campus grounds:

Scheduling Priorities (in order)

1. The use of facilities and grounds for the operations of the College. For example, there are times when the college is unusually crowded by members of the campus community, such as registration and orientation at the beginning of the semester. Other uses may reasonably be precluded during those times.

2. Activities and events sponsored by the College administration.
3. Activities and events sponsored by MCCCCD student organizations or employee groups.
4. Activities of non-MCCCCD-affiliated individuals and organizations.
5. Commercial advertising or activities.

Criteria

1. Capacity of college grounds to accommodate the number of participants at the scheduled time and proposed location.
2. Capacity of College Safety staff to provide security for all events and activities scheduled at the time.
3. Possible interference or conflict with College operations or other scheduled activities and events on the grounds.
4. General feasibility of hosting the event as proposed.

Other Policies: This administrative regulation will be applied in conjunction and coordination with all other MCCCCD policies and administrative regulations and College processes and procedures, including but not limited to regulations on facilities use, signage, sales of alcohol and/or food, and solicitation of donations.

Specific procedures on how to implement the Use of College Grounds regulation can be found in [Appendix S-15](#).

2.4.10 Children on Campus

Children (younger than 18) may not attend any class unless they are officially registered for the class.

Children will not be allowed on campus unless participating in an authorized college program or under the supervision of an adult.

2.4.11 Crime Awareness and Campus Security Act

Federal legislation requires the college to maintain data on the types and number of crimes on college property as well as policies dealing with campus security. To obtain additional information on this subject, contact the college Safety and Security Department.

2.4.15 Campus Sex Crimes Prevention Act

Federal legislation requires that the MCCCCD establish notification procedures concerning the presence of registered sex offenders enrolled either as students or those working for the institution. The Registered Sex Offender Notification Procedure is outlined in Appendix item S-18.

ADOPTED by Direct Chancellor Approval, March 6, 2019

Appendix Item S-18: Maricopa County Community College District Registered Sex Offender Notification Procedure

The Campus Sex Crime Prevention Act (CSCPA), (section 1601 of Public Law 106-386), is a Federal Law enacted on October 28, 2000. In compliance with this law, the Maricopa County Community College District (MCCCCD) will work in collaboration with the Sheriff's Department to identify convicted registered sex offenders enrolled as students at one of MCCCCD's colleges or working at the District office or at any of the MCCCCD colleges (in paid or unpaid positions).

GENERAL INFORMATION

- I. In accordance with the CSCPA, the MCCCCD will provide on its Sex Offender Information Website, found [Sex Offender Information and Notification](#) website, a link to the Arizona Sex Offender Registry website and instructions on how to access it.
- II. Arizona Revised Statutes require persons convicted of any of the following 21 different offenses to register as sex offenders: 1) unlawful imprisonment if the victim is under 18 years of age; 2) kidnapping if the victim is under 18 years of age; 3) sexual abuse if the victim is under 18 years of age; 4) sexual conduct with a minor;

5) sexual assault; 6) sexual assault of a spouse; 7) molestation of a child; 8) continuous sexual abuse of a child; 9) taking a child for the purpose of prostitution; 10) child prostitution; 11) commercial sexual exploitation of a minor; 12) sexual exploitation of a minor; 13) luring a minor for sexual exploitation; 14) aggravated luring a minor for sexual exploitation; 15) unlawful age misrepresentation for the purpose of committing a sexual offense 16) sex trafficking of a minor; 17) a second or subsequent violation of indecent exposure to a person under 15 years of age; 18) a second or subsequent violation of public sexual indecency to a minor under the age of 15; 19) a third or subsequent violation of indecent exposure; 20) a third or subsequent violation of public sexual indecency; and 21) violations relating to the failure to register as a sex offender. (See, [A.R.S. §13-3821](#)).

III. The Arizona Department of Public Safety classifies sex offenders according to levels. The levels consist of Level 1: Low risk to the community, Level 2: Intermediate risk to the community, and Level 3: High risk to the community.

IV. By law, Registered Sex Offenders (RSO) are required to contact the Maricopa County Sheriff's office or local police agency when they enroll in or are employed at a college—in either paid or unpaid status. ([A.R.S. § 13-3821](#)).

a. Level Two and Level Three Offender's Obligation to Notify the College:

STUDENTS

- i. **Current Students** who are enrolled and receive their final classification or a change in classification as a Level 2 or Level 3 sex offender during their period of enrollment must notify the Campus Public Safety Officer within five (5) business days of the start of the semester. Campus Public Safety Officers for each college and for the district office can be found at the [MCCCD Police](#) website. The Campus safety officer will schedule a meeting with the Dean of Students (or designee) and the Registered Sex Offender student to take place within ten (10) days of the notification to Public Safety.
 1. Failure to comply with this procedure may lead to discipline under the Student Code of Conduct as well as possible criminal penalty as outlined in Arizona state law.
- ii. **Potential Students** who have been designated as a Level 2 or Level 3 sex offender must notify the Campus Public Safety Officer to arrange a meeting when they intend to enroll at a College. Campus Public Safety Officers for each college and for the district office can be found at the [MCCCD Police](#) website. This meeting must take place at least ten (10) calendar days prior to the start of classes. The meeting shall include the RSO, the Dean of Students (or designee), and the Campus Public Safety Officer.)
 1. A person who is classified as a Level Two or Three sex offender has been admitted to MCCCD and who has failed to timely to register pursuant to these procedures may be subject to discipline under the Student Code of Conduct as well as possible criminal penalties as outlined in Arizona state law.

EMPLOYEES

- iii. **Current Employees** who receive their final classification or a change in classification as a Level 2 or Level 3 sex offender during their period of employment must immediately notify the Campus Public Safety Officer. The campus public safety officer will arrange meeting with the Human Resources Manager (or designee) at the individual campus and the Registered Sex Offender employee. Campus Public Safety Officers for each college and for the district office can be found at the [MCCCD Police](#) website. The meeting with the college human resources manager and the Campus Public Safety Officer must take place within ten (10) days of the original notification to Public Safety.

- iv. **Potential Employees** who have been classified as a Level 2 or Level 3 sex offender must notify the Campus Public Safety Officer to arrange a meeting when they are offered employment at the College. Campus Public Safety Officers for each college and for the district office can be found at the [MCCCD Police](#) website. This meeting must take place at least ten (10) calendar days prior to the start of employment. The meeting shall include the RSO, the college human resources manager and the Campus Public Safety Officer (or their designees).

V. COLLEGE OFFICIALS' MEETING WITH LEVEL 2 OR LEVEL 3 SEX OFFENDER

- a. After notification that a student or employee has been classified as a Level Two or Three Sex Offender, MCCCD Public Safety will collect information from the RSO student or employee, probation/parole officer, Sheriff's Office, and/or arresting agency regarding the type of crime, conditions for probation, and/or level of risk.
- b. For Students: MCCCD Public Safety will notify the Dean of Student Affairs (or designee) when a RSO has enrolled or expressed a desire to enroll at a MCCCD college. A representative from the Student Affairs office shall participate in the required meeting with the RSO.
 - i. An RSO identification must be placed in the Advocate online system. The identification should include a summary of the offense/court-ordered conditions in place upon release, information from the parole/probation officer, and possible interventions needed at the college/District level.
- c. For Employees: MCCCD Public Safety will notify District and college Human Resources (or designee) when an RSO has registered due to being offered employment with the MCCCD or is a current employee who has been classified as a Level Two or Three Sex Offender. A representative from District and the identified college's Human Resources department shall participate in the required meeting with the RSO.
 - i. An RSO identification must be placed in the employee's personnel file. The identification should include a summary of the offense/court-ordered conditions in place upon release, information from the parole/probation officer, and possible interventions needed at the college/District level.
- d. At the meeting referred to above, the student or employee who is classified as a Level Two or Three sex offender will be advised of the following information:
 - i. The College's knowledge of his/her final classification.
 - ii. The College's obligation to provide public access to Level 2 & 3 sex offender information through its Department of Public Safety.
 - iii. Any restrictions that will be imposed on the sex offender—based on any Court restrictions, restraining orders, or orders of protection that may be in place—and the duration of such restrictions.
 - iv. If the offender is classified at Level 3, he/she is further informed of:
 - 1. The College's policy of posting notice at each college campus within two (2) days of receipt of the RSO's information, regardless of when the meeting occurs.
 - 2. The Level 3 RSO will receive a copy of the community notification the College intends to post.
 - 3. The functional areas of the College which will be provided with the public notification that will be posted.
 - v. At any time, the Department of Public Safety can communicate with the offender's parole/probation officer.

- VI. FERPA: The CSCPA further amends the Family Educational Rights and Privacy Act of 1974 (FERPA) to clarify that nothing in the Act can prohibit an educational institution from disclosing information provided to the institution concerning the presence of registered sex offenders.
- VII. ANNUAL AND OFF-CYCLE REVIEWS: Public Safety and the Student Affairs Dean (or designee) or Human Resources representative, depending on the status of the RSO, shall meet on an annual basis to review the conditions of enrollment, employment, and campus engagement. Additional, off cycle, reviews should be conducted when an RSO student or employee transfers within MCCCDC or new information about criminal conduct has been received. District imposed conditions may be removed, added, or altered based on changes in enrollment location(s), legal case status, new criminal activity, and/or disciplinary standing. Both Public Safety and Dean of Students or Human Resources professionals, for students and employees, respectively, shall maintain documentation regarding all initial, annual, and off-cycle meetings and reviews.
- VIII. FAILURE TO NOTIFY CAMPUS ADMINISTRATION: Failure to notify campus administration, as outlined in this procedure, of one's status as a RSO may lead to discipline up to and including removal from classes and/or suspension from participation in academic or extra-curricular programs, termination from employment as well as possible criminal penalty as outlined in Arizona state law.
- IX. CAMPUS AND COMMUNITY NOTIFICATION OF RSO STATUS: Pursuant to Arizona law, the MCCCDC shall make campus notifications of RSO status, as follows:
- For level two and level three offenders, the MCCCDC Public Safety Office, in conjunction with the Public Safety office at each college will coordinate with the local law enforcement agency responsible for the individual community notifications to ensure the sex offender notification is provided to the individual campus community.
 - The [Sex Offender Information and Notification](#) website will host the notification of RSO's employed by or attending a MCCCDC college, including employment with the District office.
 - For Colleges with facilities off-site from the main campuses that receive a registered sex offender community notification flyer from a local law enforcement agency, building managers are advised to post the flyer the building's common area easily accessed by students, staff, and faculty for a at least thirty (30) days. Specific information and instructions related to the community notification will be contained in the flyer and such instructions should be followed.
 - Any criminal activity involving a registered sex offender should be reported to police.
- X. ADMINISTRATIVE OVERSIGHT:
- Students: A campus administrator has the right to, at her or his discretion, require currently enrolled RSOs to attend regular meetings. The meetings will serve as a way to monitor compliance with conditions for enrollment and assist with student success. The frequency, duration, attendees to the meeting, and location of the meetings will vary based upon the needs of the RSO.
 - Employees: A supervisor, in conjunction with a Human Resources representative, at her or his discretion, may require currently employed RSOs to attend regular meetings. The meetings will serve as a way to monitor compliance with conditions for employment and assist with student success. The frequency, duration, attendees to the meeting, and location of the meetings will vary based upon the needs of the RSO.

ADOPTED by Direct Chancellor Approval, March 6, 2019

2.4.12 Workplace Violence Prevention

Purpose

It is the policy of the Maricopa County Community College District to promote a safe environment for its employees, students, contractors, and visitors. MCCCDC is committed to working with its employees to maintain an environment free from violence, threats of violence, harassment, intimidation, and other disruptive behavior.

Policy

Violence, threats, harassment, intimidation, and other disruptive behavior in our facilities is prohibited and will not be tolerated. It is the responsibility of all employees, students, contractors, and visitors of MCCCDC to report any occurrence of such conduct to MCCCDC Public Safety. Every employee, student, contractor, and visitor on MCCCDC property should report threats or acts of physical violence and acts of harassment, intimidation, and other disruptive behavior of which he/she is aware. All reports will be taken seriously and will be investigated by public safety immediately in order to protect everyone from danger. Such behavior can include oral or written statements, gestures, or expressions that communicate a direct or indirect threat of physical harm.

Prohibited Behavior

For example, and without limiting the generality of the foregoing statement, this policy prohibits:

- direct threats or physical intimidation
- implications or suggestions of violence
- stalking
- assault of any form
- physical restraint, confinement
- dangerous or threatening horseplay
- loud, disruptive, or angry behavior or language that is clearly not part of the typical work environment
- blatant or intentional disregard for the safety or well-being of others
- commission of a violent felony or misdemeanor on MCCCDC property
- abuse
- violation of a protective order or restraining order
- any other act that a reasonable person would perceive as constituting a threat of violence

This list is illustrative only and not exhaustive.

Future Violence

Employees, students, and visitors who have reason to believe they, or others, may be victimized by a violent act or sometime in the future, at the workplace or as a direct result of their relationship with MCCCDC, shall inform a supervisor or manager as soon as possible. The supervisor or manager shall inform the Public Safety Department. Students, contractors, and visitors shall contact the Public Safety Department as soon as possible.

Employees who have signed and filed a restraining order, temporary or permanent, against an individual due to a potential act of violence, who would be in violation of the order by coming near them at work, shall immediately supply a copy to the Department Director, Human Resources, and Public Safety. Students shall supply a copy of the signed order to the Public Safety Department.

This policy applies to employees and students, as well as independent contractors and other non-employees doing business with the MCCCDC. Individuals who commit such acts may be removed from the premises and may be subject to disciplinary action, criminal penalties, or both. The Chancellor is hereby instructed to enact all administrative regulations necessary to implement this policy.

2.4.13 Student Right to Know

Under the terms of the Student Right To Know Act, the college must maintain and report statistics on the number of students receiving athletically related student aid reported by race and sex, the graduation rate for athletes participating in specific sports reported by race and sex, the graduation rate for students in general, reported by race and sex and other similar statistics. To obtain copies of these reports, contact the Office of Admissions and Records.

STUDENT RIGHTS AND RESPONSIBILITIES

2.4.5 Copyright Act Compliance

Students are expected to comply with the provisions of the Copyright Act of 1976 pertaining to photocopying of printed materials, copying of computer software and videotaping. In order to assist students in complying with the Copyright Law, appropriate notices shall be placed on or near all equipment capable of duplicating copyrighted materials.

3.2 Copyright Regulation

1. It is the intent of the Governing Board of the Maricopa County Community College District to adhere to the provisions of the U.S. Copyright Law (Title 17, United States Code Section 101 et seq.). Though there continues to be controversy regarding interpretation of the Copyright Law, this policy represents a sincere effort by the Board to operate legally within the District.
2. The Governing Board directs the Chancellor or his designee(s) to develop and distribute to employees guidelines that (1) clearly discourage violation of the Copyright Law and (2) inform employees of their rights and responsibilities under the Copyright Law.
3. Each college president or provost and the Chancellor shall name an individual(s) at each district location who will assume the responsibilities of distributing copyright guidelines, act as a resource person regarding copyright matter and provide training programs on current copyright laws.
4. Employees are prohibited from copying materials not specifically allowed by the (1) copyright Law, (2) fair use guidelines, (3) Licenses or contractual agreements, or (4) other permission.
5. The Governing Board disapproves of unauthorized duplication in any form. Employees who willfully disregard this Board policy and/or the aforementioned copyright guidelines do so at their own risk and assume all liability for their actions.
6. In order to assist employees and students in complying with the Copyright Law, appropriate notices shall be placed on or near all equipment capable of duplicating copyrighted materials.

What Students Should Know About Copyright

What is copyright?

Copyright is a protection afforded under federal law for various types of creative works. A work is copyrightable if it is an original work of authorship fixed in a tangible medium of expression. Copyrightable works include literary, musical or dramatic works; motion pictures and other audiovisual works; choreographic works and pantomimes; sound recordings; and architectural works.

The owner of a copyright in a particular work has the exclusive right to copy, display, perform, distribute, and create a derivative version of the work. Generally, then, this means that you may not do things like duplicate, show or perform a copyrighted work unless it is expressly allowed under the Copyright Act or you have the prior permission of the copyright holder.

A copyright exists in a work at the time it becomes fixed in some tangible medium of expression. Neither registration of the copyright with the federal government nor a copyright notice on the work itself is required for copyright protection.

What is copyright infringement?

Generally, copyright infringement occurs when you copy, display, perform, distribute or create a derivative version of a copyrightable work either without the permission of the copyright holder or when such activity is not otherwise allowed under an exception provided by federal copyright law. The penalties for infringement include significant damages—potentially in excess of \$100,000 for each work infringed as well as criminal penalties, which may include fines and even incarceration.

How does copyright law affect information I obtain off the Internet?

Copyright law covers works in both traditional and new media, including digital media. Copyrightable materials are often available on the Internet without any indication of their copyrighted status. As a rule of thumb, you should assume that everything you find on the Internet is copyrighted, unless otherwise labeled. Even popular activities, such as file swapping or copying software or pictures from the Internet, may be copyright infringement and should be avoided.

The Digital Millennium Copyright Act, which Congress enacted in 2000, affords greater protection for copyright holders of digital works. Generally, then, even if a work appears solely in a digital form, it is likely subject to copyright law protections.

New technology has made many creative works widely available through the Internet. For example, the technology known as Peer to Peer (P2P) allows for the transmission of music, videos, movies, software, video games and other materials-most of which is subject to copyright protection.

Remember that a copyright exists in a work at the time it becomes fixed in some tangible medium of expression. That means that an image you have downloaded from the Internet, as well as a video or musical performance is almost certainly subject to copyright protection. When you download these works, transfer them to a disk or other medium, or send them to a friend, you are infringing on the rights of the copyright holder. Trafficking in such material without the permission of the copyright holder, then, violates copyright law. This includes unauthorized music file sharing over the Internet.

According to a statement recently issued by representatives of the motion picture, recording and songwriting industries, uploading and downloading copyrighted works over the Internet is theft: "It is no different from walking into the campus bookstore and in a clandestine manner walking out with a textbook without paying for it."

Why is it important for a student to be aware of copyright law?

Copyright infringement is expressly prohibited by the US Copyright Act. Anyone who infringes another's copyright in a creative work is subject to liability, and could be required to pay large sums in damages.

In addition, as the law clearly prohibits copyright infringement, using any college resources-such as photocopiers, desktop and laptop computers, printers, central computing facilities, local-area or college-wide networks, Internet access, or electronic mail-for the purpose of infringing a copyright in any work may be grounds for student discipline. According to Maricopa Community College District administrative regulation, "students are expected to comply with the provisions of the Copyright Act of 1976 pertaining to photocopying of printed materials, copying of computer software and videotaping."

Moreover, under the Maricopa Community Colleges Computing Resource Standards, a student is prohibited from the "use of software, graphics, photographs, or any other tangible form of expression that would violate or infringe any copyright or similar legally-recognized protection of intellectual property rights." The Standards also prohibit "transmitting, storing, or receiving data, or otherwise using computing resources in a manner that would constitute a violation of state or federal law"

A student who violates these policies, then, can be disciplined at any of the Maricopa Community Colleges. This discipline could include suspension or even expulsion.

Does copyright law allow me to download files from a college web site?

Thanks to recent changes to copyright law, colleges and universities are allowed to transmit copyrighted images, recordings, and other materials over the Internet in connection with distance learning offerings. These changes allow for the performance of non-dramatic literary works or musical works, as well as the display of "reasonable and limited portions" of any work in an amount comparable to that typically displayed in a live classroom setting. Use of the works must, however, be "an integral part" of the distance-learning class session, and available solely to students enrolled in the class. In addition, the transmission of the copyrighted works must be under the direction or actual supervision of an instructor.

Even though the college does not hold the copyright to these works, or even have the express permission of the copyright holder, they may be delivered over the Internet to students in distance learning classes.

The fact that the law authorizes such use of copyrighted materials, though, does not allow a student in these classes to freely download, copy, or re-transmit the works. They are intended solely for use by the institution in connection with distance instruction; any other use would likely constitute a violation of copyright law.

3.4 Taping of Faculty Lectures

MCCCD acknowledges that faculty members are, by law, afforded copyright protection in their classroom lectures and, therefore, may limit the circumstances under which students may tape (audio/visual) their classes.

Each faculty member shall inform his/her students within the first week of classes to his/her policy with regard to taping. Failure to do so will accord students the right to tape lectures.

Students with disabilities that render them unable to take adequate lecture notes are entitled to reasonable accommodation to remedy this inability. Accommodation may require a faculty member to exempt a student from his/her taping policy.

4.4 Technology Resource Standards

Introduction

The Maricopa County Community College District (MCCCD) provides its students, employees, Governing Board members and the public with access to information resources and technologies. MCCCD recognizes that the free exchange of opinions and ideas is essential to academic freedom, and the advancement of educational, research, service, operational, and management purposes, is furthered by making these resources accessible.

Arizona constitutional and statutory mandates require that MCCCD resources, including technology, be used only for the public's business, and not for private purposes. Those mandates apply to all MCCCD public officials—employees of every kind and the Governing Board. The aim of those laws is to safeguard the use of resources, including technology resources, acquired and maintained with public funds. Compliance with other laws—both federal and state—also dictates the need for standards for the use of MCCCD technology resources. In some cases, the Governing Board policies emphasize the importance of compliance with the law such as the requirement to adhere to copyright laws. Governing Board policies also establish MCCCD's own standards, such as the directive that all persons within the MCCCD community be treated in a manner that is humane, fair and dignified.

This administrative regulations established standards for the use of MCCCD technology resources. They should be seen as supplementing, and not in lieu of, Governing Board policy, applicable law and other applicable administrative regulations such as Administrative Regulation 4.3 "Electronic Communications."

General Responsibilities

Technology resources (including, but not limited to, desktop and laptop systems, printers, central computing facilities, MCCCD-wide or college-wide networks, local-area networks, telephones, facsimile machines, scanners, access to the Internet, electronic mail and similar electronic devices and information) of the MCCCD are available to MCCCD Governing Board members, employees, students and, in a limited number of cases, MCCCD contractors and the public. Use of all those resources is subject to the standards set forth in this regulation (Standards).

The first screen that each MCCCD computer exhibits on starting up advises users of these Standards and requires an acknowledgment before the user may proceed to the next screen. Additionally, all MCCCD employees are responsible for annually acknowledging receipt of the Blue Book, which contains this regulation. So all users of MCCCD technology resources are presumed to have read and understood the Standards. While the Standards govern use of technology resources MCCCD-wide, an individual community college or center may establish guidelines for technology resource usage that supplement, but do not replace or waive, these Standards.

Use of Non-MCCCD Technology

Under Arizona's public records law, MCCCDC is required to transact business so that its records are accessible and retrievable. The policy underlying the law is that work done in the name of the public be transparent. Thus, any member of the public may request public records and, except in a few specific instances, are entitled to get copies of them.

Each individual employee or Governing Board member is responsible for ensuring that MCCCDC records that he or she initiates or receives are retained for the period of time required by and disposed of according to mandates established by Arizona State Library, Archives and Public Records—the state agency tasked with setting standards for record retention. Therefore, an employee's or Governing Board member's use of non-MCCCDC technology resources for communication of any type of MCCCDC business is heavily discouraged because those records are less capable of being managed according to MCCCDC's process for ensuring retention, retrieval and disclosure set forth in Administrative Regulation 4.15 "Retrieval, Disclosure and Retention of Records."

Additionally, an MCCCDC employee who receives a communication allegedly from another MCCCDC employee using a non-MCCCDC e-mail address is not required to respond substantively to that e-mail. The employee receiving the e-mail is entitled to verify that the sender is whom he or she says that he or she is. The employee receiving the e-mail may request that the sender provide the information or inquiry set forth in the e-mail via hard-copy form.

Acceptable Use

Use of MCCCDC's technology resources, including websites created by MCCCDC employees and students, is limited to educational, research, service, operational and management purposes of the MCCCDC and its member institutions. Likewise, data, voice, images and links to external sites posted on or transmitted via MCCCDC's technology resources are limited to the same purposes.

Frequently, access to MCCCDC's technology resources can be obtained only through use of a password known exclusively to the MCCCDC employees, Governing Board members or students. It is those users' responsibility to keep a password confidential. While MCCCDC takes reasonable measures to ensure network security, it cannot be held accountable for unauthorized access to its technology resources by other persons, both within and outside the MCCCDC community. Moreover, it cannot guarantee employees, Governing Board members and students protection against reasonable failures. Finally, under certain limited circumstances defined in Administrative Regulation 4.15 "Retrieval, Disclosure and Retention of Records," certain MCCCDC employees are authorized to access information on an MCCCDC technology device.

It is not Maricopa's practice to monitor the content of electronic mail transmissions, files, images, links or other data stored on or transmitted through Maricopa's technology resources. The maintenance, operation and security of Maricopa's technology resources, however, require that network administrators and other authorized personnel have access to those resources and, on occasion, review the content of data and communications stored on or transmitted through those resources. Any other review may be performed exclusively by persons expressly authorized for such purpose and only for cause. To the extent possible in the electronic environment and in a public setting, a user's privacy will be honored. Nevertheless, that privacy is subject to Arizona's public records laws and other applicable state and federal laws, as well as policies of Maricopa's Governing Board all of which may supersede a user's interests in maintaining privacy in information contained in Maricopa's technology resources.

Incidental Computer and Technology Usage

Limited incidental personal use of MCCCDC technology resources including through use of personal e-mail systems is permitted, except as described in item 16 under "Prohibited Conduct." MCCCDC employees are responsible for exercising good judgment about personal use in accordance with this regulation, Colleges' consistent local guidelines and MCCCDC ethical standards. Personal use refers to activities which only affect the individual and that are not related to an employee's outside business. MCCCDC employees are required to conduct themselves in a manner which will not raise concern that they are or might be engaged in acts in violations of the public trust. Refer to the Guidelines for Incidental Computer Usage for the Maricopa Community Colleges ([Appendix AS-8](#)) and Guidelines for Incidental Telephone Usage for the Maricopa Community Colleges ([Appendix AS-9](#)).

Prohibited Conduct

The following is prohibited conduct in the use of MCCCDC's technology resources

1. Posting to the network, downloading or transporting any material that would constitute a violation of MCCCDC contracts.
2. Unauthorized attempts to monitor another user's password protected data or electronic communication, or delete another user's password protected data, electronic communications or software, without that person's permission.
3. Installing or running on any system a program that is intended to or is likely to result in eventual damage to a file or computer system.
4. Performing acts that would unfairly monopolize technology resources to the exclusion of other users, including (but not limited to) unauthorized installation of server system software.
5. Hosting an unauthorized website that violates the .EDU domain request.
6. Use of technology resources for non-MCCCDC commercial purposes, including to advertise personal services, whether or not for financial gain.
7. Use of software, graphics, photographs, or any other tangible form of expression that would violate or infringe any copyright or similar legally-recognized protection of intellectual property rights.
8. Activities that would constitute a violation of any policy of MCCCDC's Governing Board, including, but not limited to, MCCCDC's non-discrimination policy and its policy against sexual harassment.
9. Transmitting, storing, or receiving data, or otherwise using technology resources in a manner that would constitute a violation of state or federal law, or MCCCDC policy or administrative regulation including, but not limited to, obscenity, defamation, threats, harassment, and theft.
10. Attempting to gain unauthorized access to a remote network or remote computer system.
11. Exploiting any technology resources by attempting to prevent or circumvent access, or using unauthorized data protection schemes.
12. Performing any act that would disrupt normal operations of computers, workstations, terminals, peripherals, or networks.
13. Using technology resources in such a way as to wrongfully hide the identity of the user or pose as another person.
14. Allowing any unauthorized access to MCCCDC's technology and non-technology resources.
15. Making personal long distance or other toll calls, except where the charges for the calls are incurred directly by the caller or arrangements are otherwise made at the time of the call to directly bill the caller.
16. Intermittent use of technology resources that interferes with the performance of an employee's main responsibilities.
17. Use of technology resources to market or conduct other activities on behalf of a third-party regarding the "hosting" of an event that is prohibited under MCCCDC's Use of College Facilities administrative regulation.
18. Conducting District or college-related business using any electronic mail account other than one hosted or provided by MCCCDC, and approved by the Vice Chancellor of Information Technology Services, even when the e-mail account copies all outgoing and incoming messages to the MCCCDC hosted account.
19. Deleting or altering a technology public record in violation of public records retention requirements, or in anticipation of receiving or after receipt of a public records request, subpoena or a complaint filed as part of an MCCCDC grievance, investigation or review, or other lawful request for the record.
20. Deleting or altering a technology record on an MCCCDC device in anticipation or after receipt of a public records request, subpoena or a complaint filed as part of an MCCCDC grievance, investigation or review, or other lawful request for the records where the record may demonstrate a misuse of technology resources under this regulation.

Review and Approval of Alternate E-Mail Account Systems

The prior review and approval by the Vice Chancellor of Information Technology is required for the implementation of alternate College electronic mail account systems. Requests will be evaluated based upon the following considerations:

1. The system must be compatible and interoperable with the MCCCDC e-mail system. All information within the e-mail system must meet the standards and authorize District Office access as specified in Administrative Regulation 4.15, "Retrieval, Disclosure and Retention of Records."
2. Any proposed changes to an MCCCDC's entity's e-mail system with e-discovery implications must be approved in advance during the planning stages as specified in Administrative Regulation 4.15, "Retrieval, Disclosure and Retention of Records."

Disclaimer

The home page of an MCCCCD web site must display, or link to, the following disclaimer in a conspicuous manner:

All information published online by MCCCCD is subject to change without notice. MCCCCD is not responsible for errors or damages of any kind resulting from access to its internet resources or use of the information contained therein. Every effort has been made to ensure the accuracy of information presented as factual; however errors may exist. Users are directed to countercheck facts when considering their use in other applications. MCCCCD is not responsible for the content or functionality of any technology resource not owned by the institution.

The statements, comments, or opinions expressed by users through use of Maricopa's technology resources are those of their respective authors, who are solely responsible for them, and do not necessarily represent the views of the Maricopa County Community College District.

Information Accuracy and Marketing Standards

In order to help ensure that the most accurate information sources are reflected on web pages, information should be cited, sourced or linked from the website of the official District or college custodian responsible for the particular subject. In addition, the design of web pages shall reflect established marketing standards with respect to the imaging and using of MCCCCD marks as outlined in the marketing standards handbook and Use of Marks administrative regulation.

Complaints and Violations

Complaints or allegations of a violation of these standards will be processed through Maricopa's articulated grievance procedures or resolution of controversy.

Upon determination of a violation of these standards, MCCCCD may unilaterally delete any violative content and terminate the user's access to MCCCCD's technology resources. It is the user's responsibility to demonstrate and/or establish the relevance of content in the event that a content complaint is made official. Users retain the right to appeal actions through MCCCCD's grievance procedures or resolution of controversy.

2.6 Hazing Prevention Regulation

The Maricopa County Community College District (MCCCCD) strives to exceed the changing expectations of our many communities for effective, innovative, student-centered, flexible and lifelong educational opportunities. Our employees are committed to respecting diversity, continuous quality improvement and the efficient use of resources. We are a learning organization guided by our shared values of: education, students, employees, excellence, diversity, honesty and integrity, freedom, fairness, responsibility and public trust.

Central to the vitality and dignity of our community of learners is an environment that produces broadly educated responsible citizens, who are prepared to serve and lead in a free society. Academic instruction, co-curricular activities and community involvement come together to meet this goal. All members of the MCCCCD community, through the best of their abilities, must be provided the opportunity to contribute in a safe, orderly, civil and positive learning environment. One factor that inhibits the achievement of the above stated purpose is the practice of hazing.

1. Hazing by any student, employee or other person affiliated with MCCCCD is prohibited.
2. "Hazing" is defined as any intentional, knowing or reckless act committed by a student or other person in any MCCCCD college or affiliated educational setting, whether individually or in concert with other persons, against another student, and in which both of the following apply:
 - A. The act was committed in connection with an initiation into, an affiliation with or the maintenance of membership in any club/organization that is affiliated with MCCCCD; and
 - B. The act contributes to a substantial risk of potential physical injury, mental harm or personal degradation, or causes physical injury, mental harm or personal degradation.
3. Any solicitation to engage in hazing is prohibited.
4. Aiding and abetting another person who is engaged in hazing is prohibited.
5. Victim consent is not a defense for violation of the Maricopa Community Colleges Hazing Prevention Regulation.

6. All students, faculty and staff must take reasonable measures within the scope of their individual authority to prevent violations of the MCCCC Hazing Prevention Regulation.
7. Hazing activities and situations include, but are not limited to, the following:
 - A. Pre-pledging, illegal pledging or underground activities.
 - B. Acts of mental and physical abuse, including, but not limited to: paddling, slapping, kicking, pushing, yelling, biting, duck-walking, line-ups, tuck-ins, belittling, excessive exercise, beating or physical abuse of any kind, and the potentially forced consumption of any food or beverage that contributes to or causes physical injury, mental harm or personal degradation.
 - C. Sleep deprivation (activities that deprive prospective and/or current students and/or members of the opportunity of a minimum of six hours sufficient sleep each day).
 - D. Encouraging or forcing use of alcohol or drugs.
 - E. Any type of student club/organization scavenger hunt, quest, road trip or other activity that would physically or psychologically endanger prospective and/or current students and/or members or others.
 - F. Stroking or physically touching in an indecent or inappropriate manner. See Sexual Harassment Policy 5.1.8
 - G. Student club/organization activities that subject prospective and/or current students and/or members or others to public nuisance or spectacle.
 - H. Aiding or abetting theft, fraud, embezzlement of funds, destruction of public, personal or private property, or academic misconduct.
 - I. Being required to wear odd or look-alike apparel that contributes to or causes physical injury, mental harm or personal degradation.
 - J. Personal services that contribute to or cause physical injury, mental harm or personal degradation.
8. Alleged violations of this regulation by students or student organizations can be reported to the vice president of student affairs' office for investigation by any member of the college community. The vice president of student affairs' office will investigate the complaint in accordance with the student disciplinary code, all other college and MCCCC policies, and local and state laws.

Alleged violations of the MCCCC hazing prevention regulation or interference with an investigation under this regulation by students or student organizations are subject to sanctions under the student disciplinary code.

The student disciplinary code shall govern all proceedings involving such a complaint. Decisions arrived at as outcomes of the proceedings shall be final, pending the normal appeal process.

9. Alleged violations of the MCCCC hazing prevention regulation by any faculty or staff member can be reported to the vice president of student affairs' office for investigation by any member of the college community. The vice president of student affairs' office will investigate the complaint in accordance with college and MCCCC policies, and local and state laws.

Any MCCCC faculty or staff member who knowingly permitted, authorized or condoned the alleged hazing activity is subject to disciplinary action in accordance with college and MCCCC policies, and local and state laws.

10. If the vice president of student affairs' office receives a report or complaint of an alleged hazing activity involving physical injury, threats of physical injury, intimidation, harassment or property damage, or any other conduct that appears to violate Arizona state law, the college will report such conduct to the appropriate college safety office. The said college safety office will investigate, respond to and report on the alleged hazing activity in accordance with all college, district, local, state and federal guidelines, policies and laws.
11. Should the proceedings outlined above substantiate an occurrence of hazing activity-where students or student organizations knowingly permitted, authorized or condoned the hazing activity-the college can recommend the following sanctions against student clubs/organizations:
 - A. CENSURE: Censure can include the required completion of a program designed with the intent of eliminating the hazing activity. The programs will be devised with the cooperation of all involved parties and monitored by the vice president of student affairs' office.
 - B. PROBATION: The student club(s)/organization(s) will be placed on probation for a specified period of time. Conditions of probation will be determined by the vice president of student affairs' office and outlined in writing

to the student club(s)/organization(s). The probationary term will be monitored by the vice president of student affairs.

- C. **SUSPENSION:** The student club(s)/organization(s) will be suspended. The terms of the suspension can be defined in the sanction, including criteria the student club(s)/organization(s) must meet within a specified time to be considered for admission or renewal of college recognition status.
 - D. **REVOCAION:** The student club(s)/organization(s) will have its status revoked, with the loss of all college associations, recognitions and privileges. The national or international office of an organization, if so affiliated, will be requested to revoke the charter of an organization.
12. The MCCCCD hazing prevention regulation is not intended to prohibit or sanction the following conduct:
- A. Customary athletic events, contests or competitions that are sponsored by the college or MCCCCD.
 - B. Any activity or conduct that furthers the goals of a legitimate educational curriculum, a legitimate co-curricular experience or a legitimate military training program.
13. For the purposes of the MCCCCD hazing prevention regulation:
"Organization" is defined as an athletic team, association, order, society, corps, cooperative, club or other similar group that is affiliated with MCCCCD, whose membership consists primarily of students enrolled at MCCCCD and that may also be classroom-related or co-curricular in nature.

2.4.7 Abuse-Free Environment

See also the Auxiliary Services section for Tobacco-Free Environment and the Appendices/Student Section Medical Marijuana Act of the Administrative Regulations.

1. Substance Abuse/Misuse Statement

Drug abuse and misuse has become a national issue and is receiving national attention, particularly in the academic community. The insidious effects of the abuse of these agents are also felt by all walks of life and economic levels. Therefore, as an education providing institution, we are responsible to provide knowledge and guidelines about prevention, control, and treatment of the abuse/misuse of alcohol, illegal and legal drug uses and misuses. Annual Acknowledgements for students and employees are provided through the online messaging accounts.

Students who experiment with drugs, alcohol, and illegal substances or use them recreationally may develop a pattern of use that leads to abuse and addiction. Maricopa Community Colleges recognized drug and alcohol abuse as an illness and a major health problem as well as a potential safety and security issue.

Part of the educational mission of the Maricopa Community Colleges is to educate students about positive self-development, the benefits of a healthy lifestyle and the health risks associated with substance abuse. This mission closely aligns with the Drug-Free School and Communities Act of 1989, and other relevant substance abuse laws.

2. Student Program to Prevent Illicit Use of Drugs and Abuse of Alcohol

The Maricopa Community College District fully supports disciplinary action for misconduct and the enforcement of state laws governing the use of alcohol and the use, abuse, possession or distribution of controlled substances or illegal drugs.

A. Introduction and Purpose

The Federal Drug-Free Schools and Communities Act of 1989 (Public Law 101-226) requires federal contractors and grantees to certify that they will provide a drug-free school. As a recipient of federal grants, the District must adopt a program toward accomplishing this goal. While federal legislation has been the impetus for creation of the program, the administration and Governing Board recognize that substance abuse is a problem of national proportions that also affect students at the Maricopa Community Colleges.

The Maricopa Community Colleges are committed to maintaining learning environments that enhance the full benefits of a student's educational experience. The Maricopa County Community College District will make every effort to provide students with optimal conditions for learning that are free of the problems associated with the unauthorized use and abuse of alcohol and drugs.

B. Standards of Conduct

In the student handbooks of the Maricopa Community Colleges under codes of conduct, the following are examples of behavior that is prohibited by law and/or college rules and policies:

- i. Drinking or possession of alcoholic beverages on the college campus.
- ii. Misuse of narcotics or drugs.

C. Sanctions for Violation of Standards of Conduct

Disciplinary actions include, but are not limited to:

- i. Warning,
- ii. Loss of privileges,
- iii. Suspension, or
- iv. Expulsion.

D. Legal Sanctions

Local, state, and federal law prohibit the unlawful possession, use or distribution of illicit drugs and alcohol. Conviction for violating these laws can lead to imprisonment, fines, probation, and/or assigned community service. Persons convicted of a drug-and/or alcohol related offense will be ineligible to receive federally funded or subsidized grants, loans, scholarships, or employment.

Any employee is subject to disciplinary action, up to and including employment termination, for any of the following: reporting to work under the influence of alcohol and/or illegal drugs or narcotics; the use, sale, dispensing, or possession of alcohol and/or illegal drugs or narcotics on MCCCDCD premises, while conducting MCCCDCD business, or at any time which would interfere with the effective conduct of the employee's work for the MCCCDCD; and use of illegal drugs.

3. MCCCDCD Program Standards

The Maricopa Community College District is committed to establishing a preventative substance abuse program at each college designed to affect positively the problems of irresponsible use of alcohol and the use and abuse of illegal substances. A main focus of the program will be on education of the campus community and assistance to individuals.

- A. Identify a key individual, at each college, to provide emergency services and/or to contact and work with outside agencies that provide drug and alcohol counseling, treatment or rehabilitation programs that may be available to students and employees.
- B. Support disciplinary action for misconduct and the enforcement of state laws governing the use of alcohol and the use, abuse, possession or distribution of controlled substances or illegal drugs.
- C. Establish a preventative substance abuse program at each college designed to affect positively the problems of irresponsible use of alcohol and the use and abuse of illegal substances.

4. Alcoholic Beverages—Usage Regulation (AR 4.13)

This Administrative Regulation prohibits the use of District funds to purchase alcoholic beverages or services related to them except in small amounts to be used in cooking for the District's culinary programs. Additionally, it generally prohibits the presence of alcoholic beverages on premises owned by the District, or those leased or rented by the institution. It permits a few, narrow exceptions to that latter prohibition. The exceptions are not available to the general population of District employees or officials. More importantly, they are established to ensure that the District's actions stay within the boundaries of state law and the District's insurance coverage. Therefore, strict compliance with this regulation is essential.

- A. **No Funds.** No funds under the jurisdiction of the governing board of the District may be used to purchase alcoholic beverages, except for the limited purposes of purchasing small amounts of them for use solely as ingredients in food preparation for classes and at the District's culinary institutes. Alcoholic beverages may not be stored on premises owned, leased, or rented by MCCCDCD except as provided in Paragraph H.
- B. **No Service or Sale of Alcoholic Beverages.** The law of the state of Arizona strictly regulates the service, sale, distribution and consumption of alcoholic beverages. In light of that law, the District does not permit alcoholic beverages to be served, sold or distributed on or in the premises owned by the District or leased or rented by

the Maricopa Community Colleges for District-approved educational, fund-raising or other community purposes, except as provided in Paragraphs C and G.

- C. **Service at District Events on District-owned Property.** The Chancellor has the sole authority to approve the service, but not the sale or other distribution, of wine or beer at District events on district-owned property that the Chancellor either sponsors or approves. The only District employees authorized to request the Chancellor's approval are the College Presidents and the Vice Chancellors. Additionally, the law strictly limits the service of wine or beer by the District on District-owned property, and those restrictions are specified in Paragraph E. Unless approved by the Chancellor in compliance with the law and this regulation, alcoholic beverages may not be served on District-owned property.
- D. **Event Form Required.** A College President or Vice Chancellor who wishes to obtain the Chancellor's approval for the service of wine or beer at a District-sponsored event on District-owned property shall forward a completed written request to the Chancellor no later than 30 days before the event. The request form is available at: [AS-6 Notice of Intent to Serve Beer and Wine Form](#). On signing the form, the Chancellor will provide a copy of it to the requestor and to the MCCCDC Risk Manager. For events that the Chancellor sponsors, he or she will complete the form, sign it and provide it to the MCCCDC Risk Manager no later than 10 business days before the event.
- E. **Service restrictions required by law.** An event approved under Paragraph D must, by law, comply with the all of the following restrictions:
 - i. The only alcoholic beverages that may be served and consumed are wine and beer. Wine consumption is limited to 6 oz. per person, and beer consumption is limited to 24 oz;
 - ii. The gathering must be by invitation only, and not open to the public;
 - iii. The gathering may not exceed 300;
 - iv. Invitees may not be charged any fee for either the event or the beer or wine; and
 - v. The consumption may only take place between noon and 10:00 p.m.

Additionally, beer and wine may only be served by a beverage service contractor whose liquor license with the state of Arizona is in good standing, except as provided in Paragraph F. The contractor must provide all of the beverages served and well as the servers or bartender. Before the event, the contractor must provide a certificate of insurance that meets the requirements of the District's Risk Manager and that adds the District as an additional insured. The contractor must also agree in writing to indemnify the District regarding the service of the beverages.

- F. **Culinary Institutes.** The Chancellor may sponsor or approve an event at one of the District's culinary institutes. Students may serve wine and beer at the event as part of their class requirements, subject to the limitations of Paragraph E. Any student serving those beverages must, by law, be 19 years or older.
- G. **Third-Party Event.** The Maricopa County Community College District Foundation and the Friends of Public Radio Arizona may, with the approval of the Chancellor, sponsor an event on District-owned property under this regulation. The City of Phoenix and the Friends of the Phoenix Public Library may also do so, with the approval of the Chancellor, at the joint library on the campus of South Mountain Community College. These third-party, non-district entities are solely responsible for determining the steps that they are required to take to comply with Arizona's alcoholic beverages laws. Additionally, they must comply with the following steps:
 - i. The entity obtains a liquor license, if required by law, from the Arizona Department of Liquor Licenses and control for each event and fully complies with the laws, rules and other requirements applicable to that license;
 - ii. The entity completes the form available at [AS-7 Request to Serve Beer and Wine — Third Party Form](#). And provides it to the Chancellor for approval along with a copy of the liquor license no later than 30 days before the event, unless the Chancellor approves a shorter period of time in a particular case;
 - iii. The entity provides or currently has on file with the District a certificate of insurance demonstrating that it has liquor liability coverage and that adds the District as an additional insured;
 - iv. The entity agrees in writing to indemnify the District from any claims of any kind arising out of the event;
 - v. Beer and wine are the only alcoholic beverages served and only served through a beverage service contractor whose liquor license with the state of Arizona is in good standing;
 - vi. The contractor provides all of the beverages served and well as the servers or bartenders;

- vii. Before the event, the contractor provides a certificate of insurance that meets the requirements of the District's Risk Manager and that adds the District as an additional insured; and
- viii. The contractor agrees in writing to indemnify the District regarding the service of the beverages.
- H. **Receipt of beverages; storage.** It is not permissible to store wine or beer on premises owned, leased or rented by MCCCCD, except as provided in this paragraph. Alcoholic beverages purchased for use in cooking in District culinary courses must be stored in such a way that it is inaccessible to anyone except the Director or designee of the culinary program. For wine and beer to be used for receptions at the district's culinary institutes, as authorized by this administrative regulation, the following storage requirements apply:
 - i. Wine and beer to be served may only be brought to MCCCCD property no sooner than four hours prior to the event, and remain there no longer than four hours after the event; and
 - ii. Once the wine and beer arrives on MCCCCD property, the Director the culinary program shall assign an MCCCCD employee to ensure that it is not stolen or that it is not opened until ready to be served.
- I. **Compliance with law.** In compliance with applicable law, any persons planning an event under this administrative regulation are required to familiarize themselves with the pertinent laws and other requirements established by the state of Arizona for the service of alcoholic beverages, particularly those in Arizona Revised Statutes Title 4 (Alcoholic Beverages) Chapters 1 (General Provisions), 2 (Regulations and Prohibitions) and 3 (Civil Liability of Licensees and Other Persons) as well as Arizona Administrative Code Title 19, Articles 1 (State Liquor Board) and 3 (Unlicensed Premises Definitions and Licensing Time-Frames).
- J. **Residential Housing.** Lawful occupants of residential housing under the jurisdiction of the Governing Board, if over the age of 21 years and not otherwise lawfully barred from such practice, may possess and consume alcoholic beverages in the privacy of their respective leased housing facility. Guests of such occupants over the age of 21 years shall have the same privilege. No alcohol is permitted in public areas (nor common areas of a dormitory) at any time.
- K. **Personal Responsibility.** The personal or individual purchase of alcoholic beverages by individuals attending District-approved functions held in places serving alcoholic beverages is a personal and individual responsibility. Administrative discretion shall be exercised in the approval of the location of such activities, as such decision pertains to the nature of the group involved.
- L. **Miscellaneous Usage Issues.** Any issues that are not specifically addressed within this regulation require the review and determination by the Chancellor or Executive Vice Chancellor and Provost on matters related to culinary programs, academic or student affairs.

5. Other Health Concerns

General Guidelines Concerning AIDS

Neither a diagnosis of AIDS nor a positive HIV antibody test will be part of the initial admission decision for those applying to attend any of the Maricopa Community Colleges. The Maricopa Community Colleges will not require screening of students for antibody to HIV.

Students with AIDS or a positive HIV antibody test will not be restricted from access to student unions, theaters, cafeterias, snack bars, gymnasiums, swimming pools, recreational facilities, restrooms, or other common areas, as there is not current medical justification for doing so.

Where academically and logistically feasible, students who have medical conditions, including AIDS, may seek accommodation in order to remain enrolled. Medical documentation will be needed to support requests for accommodation through the Office of Disabled Resources and Services or the Office of Vice President of Student Affairs.

The Maricopa Community Colleges acknowledge the importance of privacy considerations with regard to persons with AIDS. The number of people who are aware of the existence and/or identity of students who have AIDS or a positive HIV antibody test should be kept to a minimum. When a student confides in an faculty member, knowledge of the condition should be transmitted to the appropriate vice president or designee who will make the determination if the information should be further disseminated. It should be remembered that mere exposure to the person in a classroom does not constitute a need to know the diagnosis. It is, therefore, unnecessary to

document in a student's file the fact that he or she has AIDS unless the information is to be used for accommodation reasons. Sharing confidential information without consent may create legal liability.

Students are encouraged to contact the Office of Disabled Resources and Services and/or the vice president of student affairs or designee for the types of services available in the district or community on matters regarding AIDS or the HIV virus.

4.12 Smoke-Free/Tobacco-Free Environment

The Maricopa County Community College District is dedicated to providing a healthy, comfortable, and educationally productive environment for students, employees, and visitors. In order to promote a healthy learning and work environment, the Chancellor has directed that the Maricopa County Community College District serve as a total smoke free and tobacco free environment, effective July 1, 2012. Smoking (including the use of "e-cigs") and all uses of tobacco shall be prohibited from all District owned and leased property and facilities, including but not limited to parking lots, rooftops, courtyards, plazas, entrance and exit ways, vehicles, sidewalks, common areas, grounds, athletic facilities, and libraries.

Support signage prohibiting the use of smoking instruments and tobacco shall be placed throughout all college and District locations.

Continued violations by an employee or student shall be handled through the respective conduct procedures established for employees and students.

Appendix S-16: Statement on the Arizona Medical Marijuana Act (Proposition 203)

In 2010, Arizona voters approved the Arizona Medical Marijuana Act (Propositions 203), a state law permitting individuals to possess and use limited quantities of marijuana for medical purposes. Because of its obligations under federal law, however, the Maricopa Community Colleges will continue to prohibit marijuana possession and use on campus for any purpose.

Under the Drug Free Workplace Act of 1988, and the Drug Free Schools and Communities Act of 1989, "...no institution of higher education shall be eligible to receive funds or any other form of financial assistance under any federal program, including participation in any federally funded or guaranteed student loan program, unless it has adopted and has implemented a program to prevent the use of illicit drugs and abuse of alcohol by students and employees." Another federal law, the Controlled Substances Act, prohibits the possession, use, production, and distribution of marijuana for any and all uses, including medicinal use. This law is not affected by the passage of the Arizona Medical Marijuana Act. Because Maricopa Community Colleges could lose its eligibility for federal funds if it fails to prohibit marijuana, it is exempt from the requirements of the Arizona Medical Marijuana Act. Therefore, Maricopa Community Colleges will continue to enforce its current policies prohibiting the unlawful manufacture, distribution, dispensation, possession, or use of a controlled substance on its property or as part of any of its activities.

Employees and students who violate Maricopa Community Colleges policy prohibiting the use or possession of illegal drugs on campus will continue to be subject to disciplinary action, up to and including expulsion from school and termination of employment.

2.8 Students with Disabilities

2.8.1 Eligibility for Accommodations & Required Disability Documentation

Purpose

To specify the disability documentation requirements that will qualify (i.e., support current and essential needs) Maricopa County Community College District students for reasonable and appropriate academic adjustments through each college's Disability Resources and Services (DRS) office or designated professional.

General Eligibility Requirements

DRS applicants must be admitted or enrolled as an MCCC student, and must provide the Disability Resources and Services (DRS) office with qualifying disability documentation, verifying the nature and extent of the disability prior to requesting or receiving any academic adjustment.

Who Is Eligible for Services?

To be eligible for DRS support services, a student must have a disability as it defined by federal law (section 504 of the 1973 Rehabilitation Act, the Americans with Disabilities Act OF 1990 (ADA), and the Americans with Disabilities Act Amendments Act of 2008 (ADAAA)).

Definitions

- **Disability:** A disability is any physical or mental condition which causes substantial limitation to the ability to perform one or more major life activities.
- **Academic adjustment:** An academic adjustment is a modification of a non-essential academic requirement, an examination, or an institutional rule that is necessary to avoid discriminating on the basis of handicap against qualified students with disabilities. Modifications may include changes in the length of time permitted for the completion of degree requirements, substitution of specific courses required for the completion of degree requirements, and adaptation of the manner in which specific courses are conducted.

***Documentation can be transferred within MCCC for current consideration for eligibility.*

***Determination made by another institution or organization does **not** guarantee eligibility.*

Special Considerations

Any employee who receives a request for academic adjustment must refer the student to the DRS Office. The DRS Office alone is responsible for evaluating documentation and determining eligibility and academic adjustments. All situations shall be considered on an individual, case-by-case basis, and all requests for academic adjustments from qualified students with a disability shall be considered by DRS. DRS may exercise its right to require additional documentation.

Academic adjustments are determined by the DRS Office through an interactive exchange with the eligible student. The DRS Office will give priority to the request of the student, but will also consider the instructor's perspective when it is offered. The interactive exchange may continue during the course of the year, and the DRS may make reasonable alterations in approved academic adjustments based on input from the student and the faculty member. Academic adjustment determined by the DRS Office are required except when the institution subsequently determines that an adjustment would alter an academic requirements that is essential to the instruction being pursued by the student, or to a directly related licensing requirement. MCCC is not required to provide "best" or "most desired" accommodations but rather a reasonable accommodation sufficient to meet accessibility needs.

In the event the instructor believes the modification determined by DRS would alter an academic requirement that is essential to the instruction being pursued by the student, or to a directly related licensing requirement, the instructor will first meet with the director of the DRS office within three working days of receipt of the determination and attempt to resolve the issue informally. If the faculty member's concern remains unresolved, within three days of the above meeting he or she may submit a written request to the college's chief academic officer (or a comparably qualified administrator designated by the college president) for his or her academic judgment on the question.

Any change in the DRS Office's initial recommendation resulting from the above meeting or the Chief Academic Officer's decision will be communicated to the student by the DRS Office. The interactive exchange with the student will continue in an effort to achieve a mutually satisfactory outcome.

If a student is not satisfied with the academic adjustment provided, he or she may file a complaint under the Discrimination Complaint Procedures for Students. In such cases, the Vice President for Student Affairs will assign an

investigator whose qualifications and experience include curriculum development and educational accommodations for students with disabilities.

In all cases in which academic adjustments are in controversy, whether as a student discrimination complaint or a faculty member's appeal to the Chief Academic Officer, the ultimate decision will be informed by consultation with the duly appointed faculty representatives who serve in the development of the curriculum for the institution and the program. The committee will study the requested academic adjustment and alternatives, their feasibility, cost and effect on the academic program, and come to a rationally justifiable conclusion as to whether the available alternatives would result either in lowering academic standards or requiring substantial program alteration. This conclusion will be submitted in writing to the Chief Academic Officer, who will consult with the Vice Chancellor and the Office of General Counsel before making the final determination.

Nothing in this policy prohibits a faculty member from making minor, commonsense alterations in the manner in which a course is presented. A student who asks the instructor to change the color of chalk used because he is colorblind may be so accommodated without registering with DSO. However, the faculty member must report making such accommodations to DSO.

Documentation Guidelines

Students requesting accommodations must provide documentation of their disability. Documentation consists of an evaluation prepared by a trained and qualified professional that identifies:

- ♦ current level of functioning
- ♦ current documentation
- ♦ all standardized testing must use adult-normed instruments
- ♦ age of the documentation may vary for some disabilities, provided the presence of a substantial limitation(s) is adequately established
- ♦ how the disability impacts the student's learning
- ♦ contain information supportive of the student's request for specific academic support, auxiliary aids, and accommodations

Specific Eligibility Requirements

1. Physical Disabilities

A. Required Documentation

The student must submit a written, current diagnostic report of any physical disabilities that are based on appropriate diagnostic evaluations administered by trained and qualified (i.e., certified and/or licensed) professionals (e.g., medical doctors, ophthalmologists, neuropsychologists, audiologists). Disability diagnosis categories include:

- i. Orthopedic Disability
- ii. Blind or Visual Impairment
- iii. Deaf or Hard-of-Hearing
- iv. Traumatic Brain Injury
- v. Other Health-Related/Systemic Disabilities

B. Diagnostic Report

The diagnostic report must include the following information:

- i. A clear disability diagnosis, history, and the date of diagnosis.
- ii. A description of any medical and/or behavioral symptoms associated with the disability.
- iii. Medications, dosage, frequency, and any adverse side effects attributable to use.
- iv. A clear statement specifying functional limitations.
- v. A recommendation for accommodation(s).

2. Specific Learning Disabilities

A. Required Documentation

Submit a written diagnostic report of specific learning disabilities that is based on age appropriate, comprehensive, psycho educational evaluations using adult normed instruments.

The assessment or evaluation which leads to the diagnosis must be administered by a trained and qualified (i.e., certified and/or licensed) professional (e.g., psychologist, school psychologist, neuropsychologist, or educational diagnostician) who has had direct experience with adolescents and adults with learning disabilities.

An appropriate Psycho Educational Evaluation must include comprehensive measures in each of the following areas:

- i. Aptitude: evaluation must contain a complete intellectual assessment, with all sub-tests and standard scores reported.

Examples Of Measures (including but not limited to):

1. Wechsler Adult Intelligence Scale (WAIS-R)
2. Stanford Binet Intelligence Scale
3. Woodcock-Johnson Psycho-Educational Battery
4. Kaufman Adolescent and Adult Intelligence Test

- ii. Academic Achievement: evaluation must contain a comprehensive achievement battery with all sub-tests and standard scores reported. The test battery should include current levels of functioning in the relevant area(s).

Examples of Achievement (including but not limited to):

1. Wechsler Individual Achievement Tests (WIAT)
2. Woodcock-Johnson Psycho-Educational Battery
3. Stanford Test of Academic Skills (TASK)
4. Scholastic Abilities Test for Adults (SATA)

- iii. Information Processing: evaluation should assess specific information processing areas such as short- and long-term memory, sequential memory, auditory and visual perception/processing, processing speed, executive function, and motor ability.

Examples of Achievement (including but not limited to):

1. Wechsler Individual Achievement Tests (WIAT)
2. Woodcock-Johnson Psycho-Educational Battery
3. Stanford Test of Academic Skills (TASK)
4. Scholastic Abilities Test for Adults (SATA)

B. Diagnostic Report

The diagnostic report must include the following information:

- i. A diagnostic interview that addresses relevant historical information, past and current academic achievement, instructional foundation, past performance in areas of difficulty, age at initial diagnosis, and history of accommodations used in past educational settings and their effectiveness.
- ii. A list of all instruments used in the test battery.
- iii. Discussion of test behavior and specific test results.
- iv. A diagnostic summary or statement with the following information:
 1. DSM V Classification
 2. A clear and direct statement that a learning disability does or does not exist, including a rule-out of alternative explanations for the learning problems. Terms such as "appears," "suggests," or "probable" used in the diagnostic summary statement do not support a conclusive diagnosis.
 3. A clear statement specifying the substantial limitations to one or more major life activities.
 4. A psychometric summary of scores.
 5. A recommendation for accommodations, including rationale.

Diagnosis of specific learning disabilities that do not contain psycho-educational measures may not be sufficient for determining eligibility for academic accommodations. For example, school plans such as individualized

education plans (IEP) or 504 plans may not be sufficient documentation. DRS reserves the right to request reassessment when questions regarding previous assessment or previous service provision arise.

3. Attention Deficit Hyperactivity Disorder (ADHD) / Attention Deficit Disorder (ADD)

A. Required Documentation

Submit a current diagnosis of attention deficit hyperactivity disorder (ADHD)/attention deficit disorder (ADD) that is based on appropriate diagnostic evaluations.

B. Diagnostic Report

Acceptable documentation must include:

- i. DSM V Classification
- ii. A summary or statement which includes the following information:
- iii. A clear summary or statement specifying evidence of behavior that significantly impairs functioning, including degree of severity.
- iv. A recommendation for accommodations, including rationale.

4. Psychological/Psychiatric Disabilities

A. Required Documentation

- i. Depression and/or bipolar disorder
- ii. Generalized anxiety disorders
- iii. Post traumatic stress disorder
- iv. Psychotic disorders
- v. Autism spectrum disorder.

B. Diagnostic Report

If the diagnostic report is not current, a letter from a qualified professional that provides an update of the diagnosis may be requested

The diagnostic report must include the following:

- i. DSM V Classification
- ii. A diagnostic summary or statement that includes the following:
 1. A clear summary or statement that a disability does or does not exist.
 2. A clear summary or statement specifying evidence of behavior that significantly impairs functioning including degree of severity.
 3. A discussion of medications and their possible impact on academic functioning.

5. Neurological Disorders

A. Required Documentation

Disorders of the central and peripheral nervous system, including but not limited to:

- i. Acquired Brain Injury/Traumatic Brain Injury
- ii. Epilepsy/Seizure Disorder
- iii. Stroke

B. Diagnostic Report

Written statement of diagnosis:

- i. Current functional limitations
- ii. Information regarding current symptoms
- iii. Information regarding prescribed medication(s) and possible side effect and impact on student academic performance
- iv. Restrictions on activities imposed by the condition
- v. Where learning has been affected, a recent neuro-psychological evaluation is requested

6. Temporary Disabling Conditions

A. Required Documentation

- i. Temporary disabling conditions as a result of surgery, accident, or serious illness may require accommodations for a limited time. Acceptable documentation must include:
- ii. Written statement of diagnosis
- iii. List of current symptoms and degree of severity
- iv. Information regarding functional limitations and impact within an academic environment

- v. Medications and possible side effects
- vi. Duration of symptoms and estimated length of time services will be needed

AMENDED by Direct Chancellor Approval, January 4, 2017

2.8.2 Eligibility of Students Taking Reduced Course Loads

Although any student may register for fewer than twelve credit hours, a student with a disability may request a reduced academic load as a reasonable and appropriate accommodation. A college Disability Resource Services (DRS) professional may certify that a student who is afforded a reduced academic load as an accommodation for a disability shall nevertheless be deemed a full-time student. Such certification shall be solely to enable the student to seek eligibility for health insurance benefits and to seek eligibility to comply with mandates of the National Junior College Athletic Association. The college DRS professional will certify that a student may be deemed a full-time student as provided under this regulation only on a semester-by-semester basis.

The appropriate college offices will receive documentation of the DRS professional's certification from the professional or the student. An incoming student may apply for such certification upon acceptance to the college. Requests for certification must be made prior to the beginning of each semester. Every attempt will be made to accommodate these requests.

The following criteria also apply:

1. Students taking a reduced course load must register for at least 6 credit hours (based on DRS approval) during the regular fall and spring semesters. It is recommended that students register for at least three (3) credit hours during the summer to offset the impact of academic eligibility.
2. Students taking a reduced course load must maintain satisfactory academic progress standards as defined by the College catalog.
3. The reduced credit load may result in an adjusted financial aid package. There may be additional ramifications including, but not limited to, extra time to complete college, insurance coverage, Vocational Rehabilitation funding, etc.
4. Eligibility for Federal Stafford Loans may be reduced according to the total number of credit hours taken in the full academic year. A student, taking a reduced course load, must be at least half time in a semester (6 credits) in order to receive a Stafford Loan.
5. The amount of Federal Financial Aid (Title IV) awarded is based on the actual number of credit hours taken.
6. Requirements for continuation of funding through Vocational Rehabilitation may differ. The student must contact his/her VR counselor to determine how a reduced course load will impact their funding.
7. The National Junior College Athletic Association (NJCAA) has published standards in regard to the designation of Certified Disabled Student-Athlete in Article V Section J of the NJCAA bylaws. This procedure addresses the NJCAA criteria for reduced course loads.

Application Process

1. Applications for reduced course loads must be submitted to the Disability & Services professional with supporting documentation. Requests must be made prior to the beginning of each semester.
2. Supporting documentation must include a diagnostic evaluation from an appropriate professional. The documentation must meet the guidelines set forth by the Maricopa Community College District's Documentation Policy in order to evaluate the current impact of the disability in regards to the request.

Students are required to complete an application form for this status every semester, but do not need to re-submit their documentation. Continuation of this status is not automatic. Each case will be re-evaluated at the end of the semester to determine if this accommodation is still appropriate.

3. Students requesting a reduced course load should consult with their academic advisor regarding the consequences of this status for making progress toward graduation requirements and eligibility for various academic distinctions and designations.
4. Students registered in occupational and/or academic programs that have specific block formats will not be considered for reduced course loads.
5. Students who are approved for a reduced course load will be required to sign the Reduced Course Load Approval Form (see [Appendix S-10](#)), which includes a statement acknowledging that he or she has reviewed the consequences that go with reduced load status and accepts them.
6. When a reduced course load status is granted by the Disability Resources & Services professional, a copy of the Reduced Course Load Approval Form will be sent to the appropriate individuals.

2.3.11 Academic Misconduct

1. Definitions

- A. Academic Misconduct - includes any conduct associated with the classroom, laboratory, or clinical learning process that is inconsistent with the published course competencies/objectives and/or academic standards for the course, program, department, or institution. Examples of academic misconduct include, but are not limited to: (a) cheating and plagiarism (including any assistance or collusion in such activities, or requests or offers to do so); (b) excessive absences; (c) use of abusive or profane language; and (d) disruptive behavior.
- B. Cheating is any form of dishonesty in an academic exercise. It includes, but is not limited to, (a) use of any unauthorized assistance in taking quizzes, tests, examinations, or any other form of assessment whether or not the items are graded; (b) dependence upon the aid of sources beyond those authorized by the faculty member in writing papers, preparing reports, solving problems, or carrying out other assignments; (c) the acquisition, without permission, of tests or other academic material belonging to or administered by the college or a member of the college faculty or staff; and (d) fabrication of data, facts, or information.
- C. Plagiarism is a form of cheating in which a student falsely represents another person's work as his or her own – it includes, but is not limited to: (a) the use of paraphrase or direct quotation of the published or unpublished work of another person without full and clear acknowledgment; (b) unacknowledged use of materials prepared by another person or agency engaged in the selling of term papers or other academic materials; and (c) information gathered from the internet and not properly identified.

2. Academic Consequences

Any student found by a faculty member to have committed academic misconduct may be subject to the following academic consequences, based on the faculty member's judgment of the student's academic performance

Warning - A notice in writing to the student that the student has violated the academic standards as defined in 1.A.

Grade Adjustment - Lowering of a grade on a test, assignment, or course.

Discretionary assignments - Additional academic assignments determined by the faculty member.

Course Failure - Failure of a student from a course where academic misconduct occurs.

3. Disciplinary Sanctions

If the misconduct is sufficiently serious to warrant course failure, and if either (a) the failure results in a student being removed from an instructional program or (b) the student refuses to accept responsibility for the misconduct and its academic consequences, the faculty member will, in addition to awarding the course grade, consult the department chair and the vice president of academic affairs as to whether institutional sanctions set forth below should be sought under AR 2.5. Regardless whether the student has accepted responsibility for

academic consequences, in all cases of academic misconduct the faculty member may make recommendations for sanctions and may file a written complaint of misconduct. The vice president of academic affairs will serve as the student conduct administrator in all academic misconduct cases, and will follow the procedure established in AR 2.5.2 to evaluate whether disciplinary sanctions are warranted. College probation, suspension, or expulsion will be imposed only by the vice president of academic affairs or designee, and only after the student has received the procedural rights provided in AR 2.5.2.

Disciplinary Probation - Disciplinary probation is for a designated period of time and includes the probability of more severe sanctions if the student commits additional acts of academic misconduct.

College Suspension - Separation of the student from the college for a definite period of time, after which the student is eligible to return. Conditions for readmission may be specified. (A suspension from one Maricopa Community College will apply to all other colleges/centers in the District.)

College Expulsion - Permanent separation of the student from the college. (Expulsion from one Maricopa Community College will apply to all colleges/centers in the District.)

4. Appeal of Sanctions for Academic Misconduct

Students can appeal academic consequences by following the instructional grievance procedure (AR 2.3.5; [Appendix S-6](#)). Students may appeal disciplinary sanctions as provided in AR 2.5.2. If the student appeals through both processes, the instructional grievance process will be suspended until a final decision is reached in the student discipline procedure. In all cases in which financial aid has been adversely affected by academic consequences or disciplinary sanctions that are the subject of ongoing hearing or appeal proceedings, the student may appeal the financial aid determination on the grounds that a final decision has not been made. In such an event, a final decision on financial aid will not be made until after the final decision on consequences and/or sanctions.

Amended through Direct Approval by the Chancellor and Executive Vice Chancellor & Provost on August 7, 2013

DISCIPLINARY STANDARDS

2.5.1 Disciplinary Standards

1. Disciplinary Probation and Suspension

According to the laws of the State of Arizona, jurisdiction and control over the Maricopa Community Colleges are vested in the District Governing Board. The Governing Board and its agents-the chancellor, administration and faculty-are granted broad legal authority to regulate student life subject to basic standards of reasonableness.

In developing responsible student conduct, the Maricopa Community Colleges prefer mediation, guidance, admonition and example. However, when these means fail to resolve problems of student conduct and responsibility, appropriate disciplinary procedures will be followed.

Misconduct for which students are subject to disciplinary action falls into the general areas of:

- A. Cheating on an examination, assessment tests, laboratory work, written work (plagiarism), falsifying, forging or altering college records
- B. Actions or verbal statements which threaten the personal safety of any faculty, staff, students, or others lawfully assembled on the campus, or any conduct which is harmful, obstructive, disruptive to, or interferes with the educational process or institutional functions
- C. Violation of Arizona statutes, and/or college regulations and policies
- D. Use of college computer resources such as the Internet in violation of Technology Resource Standards (AR 4.4) which may result in notification of law enforcement authorities

2. Disciplinary Removal from Class

A faculty member may remove a student from class meetings for disciplinary reasons. If an instructor removes a student for more than one class period, the faculty member shall notify the department/division chair and the

appropriate vice president or designee in writing of the problem, action taken by the faculty member, and the faculty member's recommendation. If a resolution of the problem is not reached between the faculty member and the student, the student may be removed permanently pursuant to due process procedures.

2.5.2 Student Conduct Code

The purpose of this Code is to help ensure a healthy, comfortable and educationally productive environment for students, employees and visitors.

Article I: Definitions

The following are definitions of terms or phrases contained within this Code:

1. "Accused student" means any student accused of violating this Student Conduct Code.
2. "Appellate boards" means any person or persons authorized by the college president to consider an appeal from a Student Conduct Board's determination that a student has violated this Student Conduct Code or from the sanctions imposed by the Student Conduct Administrator. The college president may act as the appellate board.
3. "College" means a Maricopa Community College or center.
4. "College premises" means all land, buildings, facilities and other property in the possession of or owned, used or controlled by the college or District.
5. "College official" means any person employed by the college or District, performing assigned administrative or professional responsibilities pursuant to this Student Conduct Code. The college president shall designate the college or center official to be responsible for the administration of the Student Conduct Code.
6. "Complainant" means any person who submits a charge alleging that a student violated this Student Conduct Code. When a student believes that s/he has been a victim of another student's misconduct, the student who believes s/he has been a victim will have the same rights under this Student Conduct Code as are provided to the complainant, even if another member of the college community submitted the charge itself.
7. "Day" means calendar day at a time when college is in session, and shall exclude weekends and holidays.
8. "Disruptive behavior" means conduct that materially and substantially interferes with or obstructs the teaching or learning process in the context of a classroom or educational setting.
9. "District" means the Maricopa County Community College District.
10. "Faculty member" means any person hired by the college or District to conduct classroom or teaching activities or who is otherwise considered by the college to be a member of faculty.
11. "May" is used in the permissive sense.
12. "Member of the college community" means any person who is a student, faculty member, college official or any other person employed by the college or center. A person's status in a particular situation shall be determined by the college president.
13. "Organization" means any number of persons who have complied with the formal requirements for college recognition.
14. "Policy" is defined as the written regulations of the college and/or District as found in, but not limited to, this Student Conduct Code and Governing Board policy.
15. "Shall" is used in the imperative sense.
16. "Student" means any person taking courses at the college whether full-time or part-time. Persons who are not officially enrolled for a particular term but who have a continuing relationship with the college are considered "students".
17. "Student Conduct Administrator" means a college official authorized on a case by case basis by the college official responsible for administration of the Student Conduct Code to impose sanctions upon students found to have violated this Student Conduct Code. A Student Conduct Administrator may serve simultaneously as a Student Conduct Administrator and the sole member or one of the members of a Student Conduct Board. The college official responsible for administration of the Student Conduct Code may authorize the same Student Conduct Administrator to impose sanctions in all cases.
18. "Student Conduct Board" means any person or persons authorized by the college president to determine whether a student has violated this Student Conduct Code and to recommend sanctions that may be imposed when a violation has been committed.

19. "Threatening behavior" means any written or oral statement, communication, conduct or gesture directed toward any member of the college community, which causes a reasonable apprehension of physical harm to self, others or property. It does not matter whether the person communicating the threat has the ability to carry it out, or whether the threat is made on a present, conditional or future basis.

Article II: Judicial Authority

1. The college official responsible for administration of the Student Conduct Code shall determine the composition of Student Conduct Board and determine which Student Conduct Administrator, Student Conduct Board, and appellate board shall be authorized to hear each case.
2. The college official responsible for administration of the Student Conduct Code shall develop procedures for the administration of the judicial program and rules for the conduct of hearings that are consistent with provisions of this Student Conduct Code.
3. Decisions made by a Student Conduct Board and/or Student Conduct Administrator shall be final, pending the normal appeal process.

Article III: Prohibited Conduct

1. Jurisdiction of the College

The Student Conduct Code shall apply to conduct that occurs on college or District premises, or at college- or District-sponsored activities that adversely affects the college community and/or the pursuit of its objectives. Each student shall be responsible for his/her conduct from the time of admission through the actual awarding of a degree, certificate, or similar indicator of completion of a course of study, even though conduct may occur before classes begin or after classes end, as well as during the academic year and during periods between terms of actual enrollment (and even if their conduct is not discovered until after a degree is awarded). The Student Conduct Code shall apply to a student's conduct even if the student withdraws from school while a disciplinary matter is pending.

2. Temporary Removal of Student

Disruptive behavior includes conduct that distracts or intimidates others in a manner that interferes with instructional activities, fails to adhere to a faculty member's appropriate classroom rules or instructions, or interferes with the normal operations of the college. Students who engage in disruptive behavior or threatening behavior may be directed by the faculty member to leave the classroom or by the college official responsible for administration of the Student Conduct Code to leave the college premises. If the student refuses to leave after being requested to do so, college safety may be summoned. For involuntary removal from more than one class period, the faculty member should invoke the procedures prescribed in the Student Conduct Code.

3. Conduct - Rules and Regulations

Any student found to have committed the following misconduct is subject to the disciplinary sanctions outlined in Article IV:

- A. Acts of dishonesty, including but not limited to the following:
 - i. Furnishing false information to any college official or office.
 - ii. Forgery, alteration or misuse of any college document, record or instrument of identification.
 - iii. Tampering with the election of any college- recognized student organization.
- B. Obstruction of teaching, research, administration, disciplinary proceedings or other college activities, including its public service functions on campus, in clinical settings or other authorized non-college activities, when the conduct occurs on college premises a faculty member may remove a student from a class meeting for disciplinary reasons. If a faculty member removes a student for more than one class period, the faculty member shall notify the college official responsible for administration of the Student Conduct Code in writing of the problem, action taken by the faculty member, and the faculty member's recommendation. If a resolution of the problem is not reached, the student may be removed permanently pursuant to appropriate due process procedures.
- C. Physical abuse, verbal abuse, threats, intimidation, harassment, coercion, conduct which threatens or endangers the health or safety of any person, and/or disruptive behavior as defined in Article II.2. above.
- D. Attempted or actual theft of and/or damage to property of the college or property of a member of the college community or other personal or public property.

- E. Failure to comply with direction of college officials or law enforcement officers in the performance of their duties and/or failure to identify oneself to these persons when requested to do so.
- F. Unauthorized possession, duplication or use of keys to any college premises, or unauthorized entry to or use of college premises.
- G. Violation of any college or District policy, rule or regulation published in hard copy such as a college catalog, handbook, etc. or available electronically on the college's or District's website.
- H. Violation of federal, state or local law.
- I. Use, possession, manufacturing or distribution of illegal or other controlled substances except as expressly permitted by law.
- J. Illegal use, possession, manufacturing or distribution of alcoholic beverages or public intoxication.
- K. Illegal or unauthorized possession of firearms, explosives, other weapons, or dangerous chemicals on college premises, or use of any such item, even if legally possessed, in a manner that harms, threatens, or causes fear to others, or property damage.
- L. Participation in a demonstration, riot or activity that disrupts the normal operations of the college and infringes on the rights of other members of the college community; leading or inciting others to disrupt scheduled and/or normal activities within any college building or area.
- M. Obstruction of the free flow of pedestrian or vehicular traffic on college premises or at college-sponsored or supervised functions.
- N. Conduct that is disorderly, lewd or indecent; breach of the peace; or aiding, abetting or procuring another person to breach the peace on college premises or at functions sponsored by or participated in by the college or members of the academic community. Disorderly conduct includes but is not limited to: any unauthorized use of electronic or other devices or to make an audio or video record of any person while on college or District premises without his/her prior knowledge, or without his/her effective consent or when such a recording is likely to cause injury or distress. This includes, but is not limited to, secretly taking pictures of another person in a gym, locker room, or restroom.
- O. Attempted or actual theft or other abuse of technology facilities or resources, including but not limited to:
 - i. Unauthorized entry into a file, to use, read or change the contents or for any other purpose
 - ii. Unauthorized transfer of a file
 - iii. Unauthorized use of another individual's identification and/or password
 - iv. Use of technology facilities or resources to interfere with the work of another student, faculty member or college official
 - v. Use of technology facilities or resources to send obscene or abusive messages
 - vi. Use of technology facilities or resources to interfere with normal operation of the college technology system or network
 - vii. Use of technology facilities or resources in violation of copyright laws
 - viii. Any violation of the District's technology resource standards
 - ix. Use of technology facilities or resources to illegally download files
- P. Abuse of the Student Conduct system, including but not limited to:
 - i. Falsification, distortion or misrepresentation of information before a Student Conduct Board.
 - ii. Disruption or interference with the orderly conduct of a Student Conduct Board proceeding.
 - iii. Invoking a Student Conduct Code proceeding with malicious intent or under false pretenses
 - iv. Attempting to discourage an individual's proper participation in, or use of, the Student Conduct system
 - v. Attempting to influence the impartiality of the member of a judicial body prior to, and/or during the course of, the Student Conduct Board proceeding
 - vi. Harassment, either verbal or physical, and/or intimidation of a member of a Student Conduct Board prior to, during and/or after a Student Conduct Board proceeding
 - vii. Failure to comply with the sanctions imposed under this Student Conduct Code
 - viii. Influence or attempting to influence another person to commit an abuse of the Student Conduct Code system
 - ix. Failure to obey the notice from a Student Conduct Board or college official to appear for a meeting or hearing as part of the Student Conduct system.
- Q. Engaging in irresponsible social conduct.

- R. Attempt to bribe a college or District employee.
- S. Stalking behavior, which occurs if a student intentionally or knowingly maintains visual or physical proximity toward another person on two or more occasions over a period of time and such conduct would cause a reasonable person to fear for his or her safety.

4. Violation of Law and College Discipline

- A. Disciplinary proceedings may be instituted against a student charged with conduct that potentially violates both the criminal law and this Student Conduct Code (that is, if both possible violations result from the same factual situation) without regard to pending of civil or criminal litigation. Proceedings under this Student Conduct Code may be carried out prior to, simultaneously with, or following civil or criminal proceedings off campus at the discretion of the college official responsible for administration of the Student Conduct Code. Determinations made or sanctions imposed under this Student Conduct Code shall not be subject to change because criminal charges arising out of the same facts giving rise to violation of college rules were dismissed, reduced, or resolved in favor of or against the criminal law defendant.
- B. When a student is charged by federal, state or local authorities with a violation of law, the college will not request or agree to special consideration for that individual because of his or her status as a student. If the alleged offense is also being processed under this Student Conduct Code, however, the college may advise off campus authorities of the existence of this Student Conduct Code and of how such matters will be handled internally within the college community. The college will cooperate fully with the law enforcement and other agencies in the enforcement of criminal law on campus and in the conditions imposed by criminal courts for the rehabilitation of student violators. Individual students and faculty members, acting within their personal capacities, remain free to interact with governmental representatives as they deem appropriate.

Article IV: Student Conduct Code Procedures

1. Charges and Student Conduct Board Hearings

- A. Any member of the college community may file charges against a student for violations of this Student Conduct Code. A charge shall be prepared in writing and directed to the Student Conduct Administrator. Any charge should be submitted as soon as possible after the event takes place, preferably within thirty (30) days following the incident. Misconduct charges of a sexual nature, including sexual harassment and sexual assault, should be sent to the vice president of student affairs who is the designated Title IX Coordinator at each MCCC college. Title IX protects students from sexual misconduct and other forms of discrimination in connection with all academic, extracurricular, athletic, and other programs sponsored by the college at any college facility or other location. The Title IX Coordinator (or designee) will conduct an investigation that is prompt, thorough, and impartial according to the MCCC sexual harassment complaint process.
- B. The Student Conduct Administrator may conduct a prompt, thorough, and impartial investigation to determine if the charges have merit and/or if they can be disposed of administratively by mutual consent of the parties involved on a basis acceptable to the Student Conduct Administrator. Such disposition shall be final and there shall be no subsequent proceedings. If the charges are not admitted and/or cannot be disposed of by mutual consent, the Student Conduct Administrator will convene the student conduct board. If the student admits violating institutional rules, but sanctions are not agreed to, the hearing shall be limited to determining the appropriate sanction(s).
- C. All charges shall be presented to the accused student in written form. The Student Conduct Administrator will provide written notice of the time, date, and location of the student conduct hearing. The notice will describe the evidence of alleged misconduct, the code provisions violated, and the possible sanctions. The student conduct hearing notice, plus a copy of this code, shall be provided to the student accused of misconduct no less than five (5) workdays before the hearing date. The hearing will be held no more than fifteen (15) workdays after the student has been notified unless the Student Conduct Administrator extends the deadline for good cause in his or her sole discretion.
- D. Hearings shall be conducted by a Student Conduct Board according to the following guidelines, except as provided by Article IV 1.G below:
 - i. Student Conduct Board hearings normally shall be conducted in private.
 - ii. The complainant, accused student and their advisors, if any, shall be allowed to attend the entire portion of the Student Conduct Board hearing at which information is received (excluding deliberations). Admission of

any person to the hearing shall be at the discretion of the Student Conduct Board and/or its Student Conduct Administrator.

- iii. In Student Conduct Board hearings involving more than one accused student, the Student Conduct Administrator, in his or her discretion, may permit the Student Conduct Board hearing concerning each student to be conducted either separately or jointly.
 - iv. The complainant and the accused shall have the right to be assisted by any advisor they choose, at their own expense. A party who elects to be assisted by an advisor must notify the student conduct administrator of the name and contact information of the advisor not less than two (2) days before the scheduled hearing. The advisor must be a member of the college community and may not be an attorney. Both the complainant and the accused are responsible for presenting their own information and, therefore, advisors are not permitted to speak or participate directly in any Student Conduct Board hearing before a Student Conduct Board.
 - v. The complainant, the accused student, and the Student Conduct Board may arrange for witnesses to present pertinent information to the Student Conduct Board. The Student Conduct Administrator will try to arrange the attendance of possible witnesses who are members of the college community, if reasonably possible, and who are identified by the complainant and/or accused student at least two days prior to the Student Conduct Board hearing. Witnesses will provide information to and answer questions from the Student Conduct Board. Questions may be suggested by the accused student and/or complainant to be answered by each other or by other witnesses. This will be conducted by the Student Conduct Board with such questions directed to the chairperson, rather than to the witness directly. This method is used to preserve the educational tone of the hearing and to avoid creation of an adversarial environment. Questions of whether potential information will be received shall be resolved in the discretion of the chairperson of the Student Conduct Board.
 - vi. The Student Conduct Administrator will present the information he or she received.
 - vii. Pertinent records, exhibits, and written statements may be accepted as information for consideration by a Student Conduct Board at the discretion of the chairperson.
 - viii. All procedural questions are subject to the final decision of the chairperson of the Student Conduct Board.
 - ix. After the portion of the Student Conduct Board hearing concludes in which all pertinent information has been received, the Student Conduct Board shall determine (by majority vote if the Student Conduct Board consists of more than one person) whether the accused student violated the section of this Student Conduct Code which the student is charged with violating.
 - x. The Student Conduct Board's determination shall be made on the basis of whether it is more likely than not that the accused student violated this Student Conduct Code.
- E. There shall be a single verbatim record, such as a tape recording, of all Student Conduct Board hearings before a Student Conduct Board (not including deliberations). The record shall be the property of the District.
- F. No student may be found to have violated this Student Conduct Code because the student failed to appear before a Student Conduct Board. In all cases, the evidence and support of the charges shall be presented and considered.
- G. The Student Conduct Board may accommodate concerns for the personal safety, well-being, and/or fears of confrontation of the complainant, accused student, and/or other witness during the hearing by providing separate facilities, by using a visual screen, and/or by permitting participation by telephone, videophone, closed circuit television, video conferencing, videotape, audio tape, written statement, or other means, where and as determined in the sole judgment of the college official responsible for administration of the Student Conduct Code.

2. Sanctions

- A. The following sanctions may be imposed upon any student found to have violated the Student Conduct Code:
- i. Warning - a written notice to the student that the student is violating or has violated institutional rules or regulations.
 - ii. Probation - a written reprimand for violation of specified rules or regulations. Probation is for a designated period of time and includes the probability of more severe disciplinary sanctions if the student is found to violate any institutional rules or regulation(s) during the probationary period.
 - iii. Loss of Privileges - denial of specified privileges for a designated period of time.

- iv. Restitution - compensation for loss, damage or injury. This may take the form of appropriate service and/or monetary or material replacement.
 - v. Discretionary Sanctions - work assignments, essays, service to the college, or other related discretionary assignments. (Such assignments must have the prior approval of the Student Conduct Administrator.)
 - vi. College Suspension - separation of the student from all the colleges in the District for a definite period of time, after which the student is eligible to return. Conditions for readmission may be specified.
 - vii. College Expulsion - permanent separation of the student from all the colleges in the District.
- B. More than one of the sanctions listed above may be imposed for any single violation.
- C. Other than college expulsion, disciplinary sanction shall not be made part of the student's academic record, but shall become part of the student's disciplinary record. Upon graduation, the student's disciplinary record may be expunged of disciplinary actions upon the student's application to the Student Conduct Administrator. Cases involving the imposition of sanctions other than suspension or expulsion shall be expunged from the student's confidential record five (5) years after final disposition of the case.

In situations involving both an accused student(s) (or group or organization) and a student(s) claiming to be the victim of another student's conduct, the records of the process and of the sanctions imposed, if any, shall be considered to be the education records of both the accused student(s) and the student(s) claiming to be the victim because the educational career and chances of success in the college community of each may be impacted.

- D. The following sanctions may be imposed upon groups or organizations:
- i. Those sanctions listed above in Article IV 2. A. 1 through 4.
 - ii. Loss of selected rights and privileges for a specified period of time.
 - iii. Deactivation - loss of all privileges, including college recognition for a designated period of time.
- E. In each case in which a Student Conduct Board determines that a student and/or group or organization has violated the Student Conduct Code, the sanction(s) shall be determined and imposed by the Student Conduct Administrator. In cases in which persons other than, or in addition to, the Student Conduct Administrator have been authorized to serve as the Student Conduct Board, the recommendation of the Student Conduct Board shall be considered by the Student Conduct Administrator in determining and imposing sanctions. The Student Conduct Administrator is not limited to sanctions recommended by members of the Student Conduct Board. Following the Student Conduct Board hearing, the Student Conduct Board and the Student Conduct Administrator shall advise the accused student, group and/or organization (and a complaining student who believes s/he was the victim of another student's conduct) in writing of its determination and of the sanction(s) imposed, if any.

3. Emergency Suspension

If a student's actions pose an immediate threat or danger to any member of the college community or the educational processes, a college official responsible for administering the Student Conduct Code may immediately suspend or alter the rights of a student pending a Student Conduct Board hearing. Scheduling the hearing shall not preclude resolution of the matter through mediation or any other dispute resolution process. The decision will be based on whether the continued presence of the student on the college campus reasonably poses a threat to the physical or emotional condition and well-being of any individual, including the student, or for reasons relating to the safety and welfare of any college property, or any college function. When an emergency suspension is imposed, the student conduct administrator will seek to resolve the complaint at the earliest possible date. This suspension is not a sanction but an effort to protect people and property and prevent disruption of college operations.

In imposing an emergency suspension, the college official responsible for administration of the Student Conduct Code may direct that the student immediately leave the college premises and may further direct the student not to return until contacted by that official. An accused student shall be in violation of this policy regardless of whether the person who is the object of the threat observes or receives it, as long as a reasonable person would interpret the communication, conduct or gesture as a serious expression of intent to harm.

4. Administrative Hold

The Student Conduct Administrator may place a temporary administrative hold preventing an accused student's registration, financial aid award, transcript release, or graduation if it is necessary to secure the student's

cooperation in the investigation or compliance with a direction. This hold is not a sanction but a necessary step to resolve the complaint promptly.

5. Academic Consequences

Violations of the student conduct code can have academic consequences if the violation also constitutes failure to meet standards of performance or professionalism set by the instructor or the program, or if it constitutes cheating, plagiarism, falsification of data, or other forms of academic dishonesty. The instructor may award a failing grade for the assignment or the course in such cases, and the program faculty may decide that the student is ineligible to continue in the program. Academic consequences are determined by the faculty and academic administration, and are not dependent on the decisions of the student conduct board, the appeals board, or the student conduct administrator.

6. Appeals Regarding Student Code of Conduct

- A. A decision reached by the Student Conduct Board judicial body or a sanction imposed by the Student Conduct Administrator may be appealed by accused students or complainants to an Appellate Board within five (5) days of receipt of the decision. Such appeals shall be in writing and shall be delivered to the Student Conduct Administrator.
- B. Except as required to explain on the basis of new information, an appeal shall be limited to the review of the verbatim record of the Student Conduct Board hearing and supporting documents for one or more of the following purposes:
 - i. To determine whether the Student Conduct Board hearing was conducted fairly in light of the charges and information presented, and in conformity with prescribed procedures giving the complainant a reasonable opportunity to prepare and present information that the Student Conduct Code was violated, and giving the accused student a reasonable opportunity to prepare and to present a response to those allegations. Deviations from designated procedures will not be a basis for sustaining an appeal unless significant prejudice results.
 - ii. To determine whether the decision reached regarding the accused student was based on substantial information, that is, whether there were facts in the case that, if believed by the fact finder, were sufficient to establish that a violation of the Student Conduct Code occurred.
 - iii. To determine whether the sanction(s) imposed was appropriate to the violation of the Student Conduct Code which the student was found to have committed.
 - iv. To consider new information, sufficient to alter a decision or other relevant facts not brought out in the original hearing, because such information and/or facts were not known to the person appealing at the time of the original Student Conduct Board hearing.
- C. If an appeal is upheld by the appellate board, the matter shall be returned to the original Student Conduct Board and Student Conduct Administrator for reopening of the Student Conduct Board hearing to allow reconsideration of the original determination and/or sanction(s). If an appeal is not upheld, the matter shall be considered final and binding upon all concerned.

Article V: Interpretation and Revision

Any question of interpretation regarding the Student Conduct Code shall be referred to the college official responsible for administration of the Student Conduct Code for final determination.

2.5.3 Student Records

1. Definitions

For the purposes of this policy, the Maricopa County Community College District has used the following definition of terms.

- A. "College" includes all colleges, educational centers, skill centers and District office.
- B. "Educational Records" are any record (in handwriting, print, tapes, film, or other media) maintained by the college or an agent of the college which is directly related to a student, except:
 - i. A personal record kept by a staff member, if it is kept in the personal possession of the individual who made the record, and information contained in the record has never been revealed or made available to any other person except the maker's temporary substitute

- ii. An employment record of an individual whose employment is not contingent on the fact that he or she is a student, provided the record is used only in relation to the individual's employment
- iii. Records maintained by the colleges security unit, if the record is maintained solely for law enforcement purposes, is revealed only to law enforcement agencies of the same jurisdiction and the security unit does not have access to education records maintained by the community college.
- iv. Records made or maintained by a physician, psychiatrist, psychologist, or other recognized professional or paraprofessional, if the records are used *only* for treatment of a student or made available only to those persons providing treatment.
- v. Alumni records which contain information about a student after he or she is no longer an attendant of the community college and the records do not relate to the person as a student

2. Records Request

Official verification of educational records is issued by the Admissions and Records Office/Office of Student Enrollment Services.

3. Fees

If a copy(ies) of a portion or all of the records in a student's file is requested, the custodian of the records may charge a fee for copies made. However, the willingness or ability to pay the fee will not effectively prevent students from exercising their right to inspect and review (under supervision of a college employee) their records. A fee will not be charged to search for or to retrieve records. Standard fees for printing and duplication services will apply.

4. Annual Notification (SEE ALSO FERPA EXPLANATION)

Students will be notified of their rights annually by electronic mail in a FERPA annual notification. Students rights may also be provided via the following means: FERPA annual notification placement on the college website, publication in the college catalog and/or the student handbook:

Individuals requesting admission or enrollment at any of the Maricopa County Community Colleges are asked to provide certain contact information that is collected and used for the purpose of responding to the request. The information collected may include your name, address, telephone number or email address. Maricopa county community colleges and/or its agents, including attorneys and/or collection agencies, may use this information to contact you through various means, including phone calls, text messages, e-mail and postal mail. Communication may include, but is not limited to, information regarding account balances, programs and services that MCCCDC offers.

5. Rights of Access to Educational Records

The Family Educational Rights and Privacy Act (FERPA) affords eligible students certain rights with respect to their education records. (FERPA defines an "eligible student" as a student who has reached 18 years of age or is attending a postsecondary institution at any age). These rights include:

A. The right to inspect and review the student's education records within 45 days after the day the college receives a request for access.

1. Students should submit to the Admissions & Records Office/Enrollment Services written requests that identify the record(s) they wish to inspect. The form to do so may be found [HERE](#). The college official will make arrangements for access and notify the student of the time and place where the records may be inspected. If the records are not maintained by the college official to whom the request was submitted, that official shall advise the student of the correct official to whom the request should be addressed.
2. There may be occasions when a record may not be copied, especially if doing so may compromise another student or faculty member's privacy. The college or District may deny access to the following records:
 - a. Parents' financial statements;
 - b. Letters of recommendation, if the student has waived his or her right of access;
 - c. Records filed before January 1, 1975; or
 - d. Records not included in the FERPA definition of educational records.
3. The Maricopa County Community College District and its associated colleges reserve the right to deny copies of records, including transcripts, in any of the following situations:
 - a. The student has an unpaid financial obligation to the college or District;

- b. There is an unresolved disciplinary action against the student; or
- c. The educational record requested is an exam or set of standardized test questions.

B. *The right to request the amendment of the student's education records that the student believes is inaccurate, or misleading.*

1. Students may ask the college to amend a record that they believe is inaccurate or misleading. They should write the college official responsible for the record, clearly identify the part of the record they want changed, and specify why it is inaccurate or misleading.
2. A proper request to correct a student education record must:
 - a. Be written to the College Registrar;
 - b. Clearly identify the part of the record they want to be changed; and
 - c. Specify why the record is inaccurate or misleading.
3. Any written request which does not include the required information will not be considered. The requestor will be notified in writing that their request was not properly submitted and they will receive directions on how to resubmit it.
4. If the college decides not to amend the record as requested by the student, the college will notify the student of the decision and advise the student of his or her right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the student when notified of the right to a hearing. The FERPA Appeal Process is also outlined in the student handbook and in [Appendix S-17](#) of the MCCC Administrative Regulations.

C. *The right to provide written consent to disclosures of personally identifiable information contained in the student's education records, except to the extent that FERPA authorizes disclosure without consent.*

1. With the exception of directory information and the various FERPA authorized disclosures without consent, the Maricopa County Community College District or its associated colleges must receive written consent from students before disclosing any personally identifiable information from educational records. The FERPA Release Of Information Consent may be found [HERE](#).

CONDITIONS OF DISCLOSURE WITHOUT CONSENT

FERPA permits the disclosure of personally identifiable information (PII) from students' education records, without consent of the student, if the disclosure meets certain conditions found in §99.31 of the FERPA regulations. Except for disclosures to school officials, disclosures related to some judicial orders or lawfully issued subpoenas, disclosures of directory information, and disclosures to the student, §99.32 of FERPA Regulations requires the institution to record the disclosure. Eligible students have a right to inspect and review the record of disclosures. A postsecondary institution may disclose PII from the education records without obtaining prior written consent of the student:

1. To other school officials, including instructors, administrators, supervisors, Governing Board members, academic or support staff, law enforcement and health staff, within the MCCC District whom the college or District has determined to have legitimate educational interests. A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibilities. This includes contractors, attorneys, auditors, collection agents, consultants, volunteers, or other parties to whom the college has outsourced institutional services or functions, provided that the conditions listed in §99.31(A)(1)(B)(1) – (A)(1)(B)(2) are met. (§99.31(A) (1))
2. To officials of another school where the student seeks to or intends to enroll, or where the student is already enrolled if the disclosure is for purposes related to the student's enrollment or transfer, subject to the requirements of §99.34. (§99.31(A) (2))
3. To authorized representatives of the US Comptroller General, the US Attorney General, and the US Secretary of Education, or State and Local Educational Authorities, such as a state postsecondary authority that is responsible for supervising the college's state supported education programs. Disclosures under this provision may be made, subject to the requirements of §99.35, in connection with an audit or evaluation of federal-or state-supported education programs, or for the enforcement of or compliance with federal legal requirements that relate to those programs. These entities may make further disclosures of PII to outside entities that are

designated by them as their authorized representatives to conduct any audit, evaluation, or enforcement, or compliance activity on their behalf (§§99.31(A) (3) AND 99.35)

4. In connection with financial aid for which the student has applied or which the student has received, if the information is necessary to determine eligibility for the aid, determine the amount of the aid, determine the conditions of the aid, or enforce the terms and conditions of the aid. (§99.31(A) (4))
5. To organizations conducting studies for, or on behalf of, the college, in order to: (A) Develop, Validate, or Administer Predictive Tests; (B) Administer student aid programs; or (C) Improve instruction (§99.31(A) (6))
6. To accrediting organizations to carry out their accrediting functions. (§99.31(A) (7))
7. To parents of an eligible student if the student is a dependent for IRS tax purposes. (§99.31(A) (8))
8. To comply with a judicial order or lawfully issued subpoena. (§99.31(A) (9))
9. To appropriate officials in connection with a health or safety emergency, subject to §99.36. (§99.31(A) (10))
10. Information the college has designated as “Directory Information” under §99.37. (§99.31(A) (11))
11. To a victim of an alleged perpetrator of a crime of violence or a non-forcible sex offense, subject to the requirements of §99.39. The disclosure may only include the final results of the disciplinary proceeding with respect to that alleged crime or offense, regardless of the finding. (§99.31(A) (13))
12. To the general public, the final results of a disciplinary proceeding, subject to the requirements of §99.39, if the school determines the student is an alleged perpetrator of a crime of violence or non-forcible sex offense and the student has committed a violation of the college’s rules or policies with respect to the allegation made against him or her. (§99.31(A) (14))
13. To parents of a student regarding the student’s violation of any federal, state, or local law, or of any rule or policy of the school, governing the use or possession of alcohol or a controlled substance if the school determines the student committed a disciplinary violation and the student is under the age of 21. (§99.31(A) (15))

Students who believe that MCCCDC or an agent of the college has disclosed information contrary to the provisions outlined in this section may submit a grievance via the non-instructional complaint resolution process. The process is posted at: [S-8 Non-Instructional Complaint Resolution https://district.maricopa.edu/regulations/admin-regs/appendices/students/s-8](https://district.maricopa.edu/regulations/admin-regs/appendices/students/s-8)

D. The right to file a complaint with the US Department to Education concerning alleged failures by the college to comply with the requirements of FERPA.

The name and address of the Office that administers FERPA is:

Family Policy Compliance Office
US Department of Education
400 Maryland Avenue SW
Washington, DC 20202-5920

- E. **2012 FERPA AMENDMENT:** As of January 3, 2012, the U.S. Department Of Education’s FERPA regulations expand the circumstances under which your education records and personally identifiable information (PII) contained in such records—including social security number, grades, or other private information—may be accessed without student consent. For more information on this amendment, please see: [FERPA
HTTPS://DISTRICT.MARICOPA.EDU/CONSUMER-INFORMATION/FAMILY-EDUCATIONAL-RIGHTS-PRIVACY-ACT-FERPA](https://DISTRICT.MARICOPA.EDU/CONSUMER-INFORMATION/FAMILY-EDUCATIONAL-RIGHTS-PRIVACY-ACT-FERPA)

F. STUDENT DIRECTORY INFORMATION

1. A Maricopa County Community College may release directory information about any student who has not specifically requested the withholding of such information. Students who do not want directory information released may so indicate during the admissions process or notify the Admission & Records Office/Enrollment Services.

A. Students should consider very carefully the consequences of a decision to withhold directory information.

A privacy block will call for the college or District to not release this directory information. Therefore, any future requests for such information from non-institutional persons or organizations will be refused.

2. Students may request their college to withhold the sharing of directory information by filing out a REQUEST TO WITHHOLD DIRECTORY INFORMATION form and submitting that form to the college Admission & Records Office/Enrollment Services.
3. Directory information is considered public information. At any Maricopa County Community College, directory information is defined as a student's:
 - A. Name
 - B. Address
 - C. Phone Number
 - D. MCCCED Email Address
 - E. Photograph/Electronic Image
 - F. Place of Birth
 - G. Major Field of Study
 - H. Current Enrollment Status
 - I. Participation in Officially Recognized Activities
 - J. Dates of Attendance
 - K. Degrees Awarded
 - L. Awards and Academic Honors Received/Dean's List Selection
 - M. Previous Institutions Attended
 - N. Program and promotional materials on participants in various sports and similar public activities, including weight and height of athletic team members.

G. DISCLOSURE TO PARENTS

In accordance with federal law, college officials may disclose educational records to parents of a student who have established the student's status as a dependent according to the Internal Revenue Code of 1986, section 152, without the written consent of the student.

RELEASE OF DIRECTORY (PUBLIC) INFORMATION

At its discretion, the college or District may provide *directory information* in accordance with the provisions of FERPA. Types of information considered as *directory information* are listed below. additional information may be found at: DISTRICT.MARICOPA.EDU under consumer information.

DIRECTORY (PUBLIC) INFORMATION AT MARICOPA COUNTY COMMUNITY COLLEGE DISTRICT AND ITS ASSOCIATED COLLEGES

Name
Address
Phone Number
MCCCED Email Address
Photographs
Electronic Images
Date and Place of Birth
Major Fields of Study
Current Enrollment Status
Participation in Officially Recognized Activities
Dates of Attendance
Degrees
Awards and Academic Honors Received
Dean's List Selection
Previous Institutions Attended

Program and promotional materials on participants in various sports and similar public activities, including weights and heights of athletic team members
Directory information is considered public information.

PRIVACY OF DIRECTORY (PUBLIC) INFORMATION

BLOCKING THE RELEASE OF DIRECTORY (PUBLIC) INFORMATION

By default, a college or District may release a student's directory information. Students may prohibit (or block) the public disclosure of directory information by completing a **PRIVACY BLOCK** form.

Students should consider *very carefully* the consequences of a decision to withhold directory information. A privacy block will call for the college or district to not release this *directory information*. Therefore, any future requests for such information from non-institutional persons or organizations will be refused.

Although the college or District will honor a student's request to withhold directory information, it cannot *assume responsibility* to contact the student for subsequent permission to release this information. Regardless of the effect upon the student, the college or District assumes no liability as a result of honoring a student's instructions to withhold such information.

ADDITIONAL INFORMATION:

- If a student blocks directory information, it still may be inspected by those MCCCDC officials authorized by law to inspect education records without consent.
- If a student chooses to block directory information, it cannot be released to friends, family, prospective employers, the news media, advisors, student activities, and honors societies.
- Some reasons for considering a privacy block on directory information include harassment or the advice of a legal or medical professional.
- If a student wishes to keep public data private but release information so it can be published in commencement programs and honors lists, contact the office of admissions & records/enrollment services at the appropriate college(s).

If a student wishes to remove the privacy block, he or she must rescind the previous block. The college and District cannot assume responsibility to contact students for subsequent permission to release this information. It is the sole responsibility of the student to initiate the release of blocked information.

USING SOCIAL SECURITY NUMBERS

Due to identity theft concerns and privacy issues, students will no longer be asked to provide a social security number as a personal identifier. Instead, students will be assigned a student id number upon enrollment that can be used to access education records, as needed.

AMENDED through the Administrative Regulation Process, June 4, 2019

[Appendix S-17: FERPA Appeal Process](#)

FERPA APPEAL PROCESS

In instances where the college decides not to amend an education record as requested by the student, the college will notify the student of the decision and advise him/her of the right to an appeal hearing according to the following process:

- The student must have first presented the issue in writing to the college's Admissions/Enrollment Office or designee identifying the records that he/she wishes to have amended and provided any supporting documentation. Note: With the exception of clerical errors, requests that are expressly related to grade disputes are not subject to this process and must be vetted through the Instructional Grievance Process.
- If the request to change the record was deemed unsubstantiated by the college designee and the institution was able to demonstrate that the record was accurate, the student will be informed of the right to a formal appeal hearing.
- Students must request a formal hearing within 10 business days from the date they are informed of the right to an appeal hearing.
- The request for a formal hearing must be in writing and delivered to the [Dean of Admissions/Enrollment Services, Vice President of Student Affairs] or designee.
- The college official who receives the formal hearing request will either review the case personally or designate a hearing committee if the issue involves a matter not clearly established by current policy or administrative regulation.
- A written decision will be delivered to all parties summarizing the evidence and stating the reason(s) for the decision. If the decision is in favor of the student, the education record will be amended. If the decision is for the record to remain the same, the student may place a statement commenting on or disagreeing with the decision in the education record.

STUDENT HANDBOOK

2.5.4 Student Employment

1. District Student Employees

A. Introduction

Students may be employed by the college as student help. District regulations require that students be hired in essential jobs and that they be properly trained and supervised.

B. Philosophy and Workload for Student Employees

- i. It shall be the philosophy of Maricopa Community College District that a student may work to augment college and living expenses, however, the scholastic endeavor should be foremost. Sufficient time should be allotted for classroom attendance, homework, out-of-class study and participation in activities.
- ii. A workload of twenty (20) hours per week should be established as the maximum number of hours a student employee may work on campus. All student employees shall be enrolled in a minimum of three (3) semester credit hours. Any combination of day and evening hours would meet this requirement. Any student employee having special reasons to work over 20 hours per week or having dropped below three (3) credit hours should request his/her immediate supervisor to obtain approval from the College president or his/her designee.
- iii. During the summer sessions, students may be eligible for employment if they were enrolled for a minimum of three (3) semester credit hours at the end of the spring semester, or if they have been accepted for

admission for the fall semester. Exceptions to the three (3) semester credit hours may be made by the president or his/her designee. Summer shall be designated as the time from the official end of the spring semester to the beginning of classes for the fall semester.

C. Student Employee Benefits

As student employees, there are no entitlements to employee benefits; i.e., vacation, retirement, sick leave, health and life, or disability insurance. Students will, however, be covered under Worker's Compensation Insurance.

D. Student Employment Records

Student employee records will be maintained at the Financial Aid office, the office of the fiscal agent or the Career/Placement Office and will be reviewed periodically by the vice president of students affairs.

E. Student Compensation

The hourly rate of pay for student employees shall coincide with the policies of the District Salary Schedule.

F. Employee Contracts and Forms (See [Appendix FM-3](#))

Student Employee Grievance Procedure

G. Part-time student employees working for one of the Maricopa Community Colleges may wish to file a grievance relating to certain working conditions or violation of student employment regulation. Please refer to the Non-Instructional Complaint Resolution Process ([AR 2.3.12](#))

2. Student Security Guards

A. Introduction and Philosophy

Students may be employed by the college as student help. If student guards do not come from the ranks of Administration of Justice classes, they must undergo appropriate training to qualify them as student guards. This training program is outlined in the regulation.

B. Workload of Student Security Guards

- i. Student security guards shall be enrolled for a minimum of three (3) semester hours.
- ii. Student security guards shall be limited to 20 hours per week when the workweek starts at 7:00 a.m. on Monday and concludes at 11:00 p.m. on Friday. Additional hours may be worked if guards are assigned special duty at games or activities held on campus during the weekend, or if guards are assigned a shift on Saturday and Sunday, between 7:00 a.m. and 11:00 p.m.

C. Students not in Administration of Justice Program

- i. Use of student other than those in Administration of Justice Program:
 1. Selection of the student must be personally approved by the vice president of students affairs and chief of security.
 2. Selection of a student should not extend beyond one semester without the approval of the vice president of students affairs.
 3. Selected student must undergo a special training program directed by the chief of security and approved by the vice president of student affairs.
- ii. Recommended program for students other than those in Administration of Justice programs: Students employed by campus security who are not majors in the Administration of Justice program should be given at least twenty (20) hours of training with pay before being allowed to function independently as a campus security guard. This training should include, but not be limited to instruction in:
 1. Wearing of the uniform, general appearance, and demeanor
 2. The use of the various security report forms and how to properly complete them to provide requested information; General report writing methods
 3. Public relations methods used on the campus
 4. Crime prevention methods used on the campus; Patrol methods used in buildings and grounds.
 5. Basic techniques for interviewing students, faculty and visitors relative to the incidents
 6. Laws and regulations governing the actions of campus security personnel concerning rendering of assistance to students, faculty and visitors on the campus
 7. Basic first aid

D. Student Security Guards Employee Benefits

As student employees there are not entitlements to employee benefits; i.e., vacation retirement, sick leave, health and life, or disability insurance. Students will, however, be covered under Worker's Compensation Insurance.

E. Student Employment Records

The student security guard's employment records will be maintained at the office of the chief of security and reviewed periodically by the vice President of student affairs.

2.5.5 Student Governance

Student governing bodies derive their authority from the Maricopa County Community College District Governing Board that exists in accordance with Arizona Revised Statutes. The administration of the District is vested in the Chancellor who delegates responsibility for each college to the college president who serves in a management and policy implementation capacity having the ultimate responsibility for all activities of the college. The president shall designate the administrator(s) (i.e., directors of student leadership) at each college who will be charged with the responsibility for working with the college student governing body(ies) in the development of college student activities and programs.

A representative form of student governance may exist at each college/center as well as district wide to provide an effective means of communication among students, faculty, staff and administration and to provide student input in college and District matters. Eligibility requirements are to be met and spelled out in detail in each student governance constitution. These constitutions shall establish the minimum requirements for the elective/appointive officers. All student government constitutions shall be submitted to the Governing Board General Counsel to ensure compliance with federal and state laws, the Maricopa Community Colleges Governing Board Policies and the Chancellor's Administrative Regulations. Since Rio Salado Community College is a countywide non-campus college, the president shall ensure that opportunities exist for student involvement.

College student constitutions should be reviewed annually by student governance. The appropriate vice president or designee of each college shall be responsible for submitting any changes to the president of the college for transmittal to the Governing Board General Counsel.

1. Officers/Members

All reference in this document to positions will designate whether the position is an officer position or a member position.

Each student governance constitution shall define which of its elected positions (maximum of 5) within its structure shall be designated as officers. The persons filling those positions shall be referred to, in this document, as officers. Persons filling all other positions, elected or appointed, shall be referred to as members (excluding non-voting committee members).

All positions filled by election shall be considered as elected positions, even though the person filling the position may have been appointed to fill an unexpired term of another individual.

2. Designation

Colleges with two (2) student governments shall designate the governments as "day" or "evening." Colleges with one (1) government shall be considered day students, for the purposes of this document.

3. Eligibility for Office

All student governance constitutions shall prescribe that all persons elected or appointed as officers shall be enrolled in and maintain a minimum of six (6) credit hours for day student governments, three (3) credit hours for evening student governments. Officers shall have and maintain a minimum cumulative grade point average of 2.50 and be in good standing (not on probation) according to the written district policy. Convicted felons shall be ineligible for office (ARS § 13-904). The constitution may, however, set more rigid requirements, if so desired by college student governance.

4. Tenure of Position

Tenure in any student governance position shall be determined by the respective student governance constitutions. In no case shall any student be allowed to serve in any combination of officer/member positions beyond a total of ten (10) semesters. Tenure in any combination of officer positions shall be limited to four (4) semesters.

5. Removal from Office

Provisions shall be made in all student governance constitutions for removal for cause of individuals from elected or appointed student governance positions.

6. Remuneration Limitations

- A. Student body officers may receive financial support and/or a letter grade in a leadership class during their terms of office as authorized in their respective student governance constitutions. Student body officers (maximum 5) may receive up to twenty (20) hours per week in financial support and/or up to six (6) credit hours in leadership classes per semester. Remuneration shall be for services rendered and not for merely holding the office.
- B. For qualifying students, Federal Work Study (FWS) funds may be used in accordance with Federal guidelines.
- C. The allowance for awarding honorariums or scholarships for executive student officers is a maximum of \$200.00.
- D. Compensation may be received for both honorariums/scholarships and college employment in the same semester.

7. Amending Student Constitutions

College student constitutions should be reviewed annually by student governance. The appropriate vice president or designee of each college shall be responsible for submitting any constitutional changes to the President of the college for transmittal to the Governing Board General Counsel.

8. Student Governance Advisors

College organization advisors will be provided for in each student governance constitutions. Such advisors shall be full-time or part-time employees of the Maricopa Community Colleges.

Recommendations for appointment of an advisor may be submitted to the appropriate vice president or college president. Recommendations for dismissal of an advisor with just cause may be submitted to the appropriate vice president or college president.

9. Legal/Fiscal/Financial Matters

Authority and responsibility beyond the scope specifically covered in student policies, or interpretation of such matters within laws, board policies, etc. shall rest with the offices of General Counsel and Chancellor, respectively.

10. Final Authority

In the event of a complete breakdown of the governance body, the college president will serve as the final authority.

Student Clubs and Organizations

In addition to student governing bodies, student clubs and organizations may be formed that fall under the operational direction of the Office of Student Life and Leadership and the administrative direction of the Vice President of Student Affairs at each college. Student clubs and organizations are generally interest-based in nature (such as for a particular program, discipline, or college activity) and are considered to be an important part of the total college experience. Each college shall outline the requirements necessary to establish the formation of an interest-based student club and organization (i.e., mission/purpose, size, structure, advisors). Club advisors shall be employees of the Maricopa County Community College District.

In most instances, student clubs and organizations shall be open to all students who are enrolled in credit courses at a Maricopa Community College. Pursuant to ARS §15-1863, religious or political student organizations may determine that the organization's internal affairs, selecting the organization's leaders and members, defining the organization's doctrines, and resolving the organization's disputes are part of the organization's religious or political mission and that only persons committed to that mission should conduct such activities. For religious and political organizations, state statute recognizes the role that viewpoint serves in the mission and purpose of the organization's operations. Thus, such groups may elect to select members based upon organizational doctrine. The MCCCDC may not deny recognition or any privilege or benefit to a religious or political student organization or group that exercises its rights pursuant to the statute.

Whereas ARS §15-1863 allows religious and political organizations to determine their internal affairs and the selection of their leaders and members, the MCCCC non-discrimination policy is applicable to all other aspects of these student clubs and organizations.

*****INSERT INTO PROGRAM SECTION OF THE CATALOG AS ALLIED HEALTH*****

Appendix S-13: The Maricopa Community Colleges Allied Health or Nursing Program

Allied Health or Nursing Assumption of Risk/Release of Liability

Most of the allied health or nursing program pathways include a program of study in a clinical training environment that may contain exposures to risks inherent in patient-oriented educational experiences (such as but not limited to bodily injury or communicable and infectious diseases). Students enrolling in clinical educational courses will be asked to sign a statement assuming all risks inherent in their coursework.

Use of Confidential Information

Students enrolled in allied health or nursing program pathways will have learning experiences in a health care setting where they will have access to confidential information. Prior to beginning any clinical studies, the students will be asked to sign an agreement to adhere to the requirements of those clinical sites and applicable law, including the Health Insurance Portability and Accountability Act of 1996 (HIPAA).

MCCCC Required Background Checks

Students enrolled in an MCCCC allied health or nursing program are required to complete and pass clinical learning experiences, working with children, elderly persons, and other vulnerable populations. MCCCC's major clinical agency partners now mandate that any college students assigned to them for clinical experiences submit to a comprehensive background clearance prior to entering such learning experiences. Because the clinical experience portion of the programs is critical to completing a program of study, MCCCC has instituted two specific background check requirements in order for a student to enroll in a program. First, the student must obtain, at his or her own cost, a Level I Fingerprint Clearance Card from the Arizona Department of Public Safety. Precluding offenses for a Level I card can be found in Arizona Revised Statute § 41-1758.07 (<http://www.azleg.gov/FormatDocument.asp?inDoc=/ars/41/01758-07.htm&Title=41&DocType=ARS>). Additionally, students must also obtain a "pass" status on a MCCCC supplemental background check from MCCCC's authorized background check contractor. The student must also pay for this background check. The supplemental check will be based on the most stringent standards of MCCCC's clinical experience partners.

The sole program for which the background check requirements are different is the Emergency Medical Technician program. For that program, students must have obtained a Level 1 Fingerprint Clearance Card from the Arizona Department of Public Safety. They are also required, at the time of their clinical assignments, to submit to, pay for and pass any additional background check requirements of the clinical agencies to which their EMT program places students.

Certain licensing boards may require a separate background check or clearance card upon application for licensure or certification.

The MCCCC supplemental background check review may include searches of the following databases and information but MCCCC reserves the right to change the search criteria and the program background check requirements at any time without notice:

1. *National Federal Health Care and Abuse Databases*
2. *Social Security Verification*
3. *Residency History*
4. *Arizona Statewide Criminal Records*
5. *Nationwide Criminal Databases*
6. *Nationwide Sexual Offender Registry*
7. *Homeland Security Search*

Examples of background information that will result in a “fail” status on the supplemental background check include:

1. *Social Security number does not belong to the applicant*
2. *Any inclusion on any registered sex offender database*
3. *Any inclusion on any of the Federal exclusion lists or Homeland Security watch lists*
4. *Any conviction of a felony no matter what age of the convictions*
5. *Any warrant any state*
6. *Any misdemeanor conviction for the following no matter how long ago:*
 - A. *Violent crimes*
 - B. *Sex crime of any kind including non consensual sexual crimes and sexual assault*
 - C. *Murder, attempted murder*
 - D. *Abduction*
 - E. *Assault*
 - F. *Robbery*
 - G. *Arson*
 - H. *Extortion*
 - I. *Burglary*
 - J. *Pandering*
 - K. *Any crime against minors, children, vulnerable adults including abuse, neglect, exploitation*
 - L. *Any abuse or neglect*
 - M. *Any fraud*
 - N. *Illegal drugs*
 - O. *Aggravated DUI*
7. *Any misdemeanor controlled substance conviction in last 7 years*
8. *Any other misdemeanor conviction within last 3 years*

EXCEPTIONS: Any misdemeanor traffic (DUI is not considered traffic).

The information that MCCCDC uses for the “pass/fail” background check is subject to change at any time without notice.

MCCCDC recommends that students carry proof of the background clearance at all times during any clinical agency learning experience.

Duty to Report Changes; Removal

Students have an obligation to immediately report to the director of their program any change in the information that they supplied on forms submitted to initiate background checks relating to the allied health or nursing program. That includes information provided to the Arizona Department of Public Safety and MCCCDC’s supplemental background check vendor, as well as that related to the background check required by a clinical agency. Failure to do so will result in removal from the program. Additionally, any change in background check status that would affect the student’s clearance under either MCCCDC’s or a clinical agency’s standards will result in removal from a program.

Additional Clinical Agency Background Check

Some clinical agencies require that students assigned to their sites submit to a criminal background check covering other offenses, as well as to a drug screening. Students are required to pay for the additional agency clinical background check. A clinical agency that requires this additional background check may refuse to place a student due to information the clinical agency obtains in its background check even though that student possess a valid Level I Fingerprint Clearance Card and has obtained a “pass” status on the MCCCDC supplemental background check.

Some conditions that have resulted in students being denied placement at clinical agencies include pending criminal charges, outstanding warrants, unfinished terms of a sentence (such as unpaid fines), pattern of repeated types of arrests/convictions, and failure to disclose all past arrests/convictions when asked to do so on any background check application.

Inability to Place

MCCCD has no obligation to make repeated attempts to place a student when the reason for MCCCD's inability to place the student is due to background check issues. Since clinical agency assignments are mandatory requirements for completion of a program, a student's inability to complete required clinical experience due to his or her background check issues will result in removal from the program.

Changes to Admission or Background Check Requirements

MCCCD may change its program admission requirements or background check requirements without notice at any time.

No Guarantee of Receipt of Licensure/Certificate

Many of the nursing and allied health programs prepare graduates for application for State or National certificates or licenses. In some professions, such licensure and certification is required prior to employment or practice in the profession. Graduation from a nursing and allied health program does not guarantee the receipt of a license or certificate to practice in the field of study.

AMENDED by Direct Chancellor Approval, June 1, 2017

*****END OF ALLIED HEALTH SECTION*****

4.18 Consensual Relationships

1. General

The existing Governing Board Policy on Hiring of Relatives prohibits employees from being involved in any employment or key decision that involves a relative. This would include work performance, job assignments, or pay related matters. In that such relationships can create a conflict with the interests of the Maricopa Community Colleges, and the increased potential for nepotism and favoritism, the same principles also apply in the case of consensual amorous, romantic and/or sexual relationships that occur between employees or between employees and students.

In the work and academic environment, such a relationship that might be appropriate in other circumstances is inappropriate if one of the individuals in the relationship has a professional responsibility toward, or is in a position of authority with respect to, the other, such as in the context of supervision, instruction, coaching, counseling or advisement. An element of power is present in such a context and it is incumbent upon those with authority not to abuse that power. In addition, consensual relationships may yield to third parties the appearance that unfair bias or favoritism towards the student or supervisee is taking place.

A. Definitions

- i. Consensual relationships are defined as romantic, amorous and/or sexual relationships between consenting employees or between employees and adult (18 years or older) college students currently enrolled at one of the community colleges.
- ii. An employee is any individual who is employed by the Maricopa County Community College District (MCCCD). An employee includes an individual who is subject to an established employee job group policy manual, whether regular, full-time board approved, at-will, part-time, and/or temporary. An employee also includes a contract worker (special services employment, request for personnel services) working or serving as an agent or designee on behalf of the MCCCD.
- iii. A student is considered to be any person currently enrolled in a credit or non-credit class at one of the colleges or centers within the Maricopa County Community College District.
- iv. A vendor is someone who sells or can sell products or services to the Maricopa County Community College District.
- v. A recent consensual relationship is considered to be one that has taken place within the past 24 months.

B. Prohibited Conduct

- i. An employee shall not maintain, engage in or be involved in a consensual relationship with another employee who is subject to that individual's supervision or with a student that is currently enrolled in the individual's class, or a student whom the individual otherwise instructs, coaches, counsels or advises, or with a vendor if the employee manages that contract or otherwise exerts influence over the contract.

- ii. The Governing Board recognizes that the personal life of its employees is not a concern of the institution, and therefore, this regulation does not seek to prohibit romantic relationships that exist between parties where the context of power-authority between employees or between employees and students is not present; and provided that the relationship does not affect the employee's effectiveness in fulfilling his or her professional obligation. For these instances, appropriate measures should still be taken in order to avoid conflicts of interest from occurring. For relationships that may exist prior to the time that either a student or employee is placed in a situation of instruction or supervision that is considered to be a conflict of interest, the employee(s) involved shall disclose and take immediate measures to avoid the conflict or appearance of conflict.

2. Procedures for Disclosure

Employees should first avoid allowing an inappropriate consensual, amorous or sexual relationship to develop with a supervisee or student.

- A. Where the employee is already in or has had a recent consensual relationship with a supervisee, the following procedures shall be followed:
 - i. Immediate disclosure by the employee of the relationship to their supervisor and to the appropriate Vice President or Vice Chancellor in order to ensure that any conflicts of interest have been adequately addressed.
 - ii. The respective administrator responsible for the department or division shall place the subordinate under alternate supervision when a supervisor under his/her direction has or has had a recent consensual relationship with the employee.
 - iii. The supervisor shall recuse himself or herself from any discussions or involvement with decisions related to evaluations, promotion, hiring, determination of salary, or continuation of contract or employment.
 - iv. The respective Vice President or Vice Chancellor shall prepare and retain a report that specifies the appropriate alternate arrangements that have been made to eliminate the conflict of interest. The EEO/AA Office shall be provided a copy of the report along with the employees involved in the relationship.
- B. Where the employee is already in or has had a recent consensual relationship with a student prior to enrollment in his or her class, the following procedures shall be followed:
 - i. The faculty member shall counsel and advise the student not to enroll in his or her course.
 - ii. The Consensual Relationships Policy will be made available to students via the student handbook and other appropriate communications vehicles.
 - iii. If it is not possible for a student to enroll in another course, section, or course and section at another college due to a requirement for completion of a degree or certificate and no other academic option is available, disclosure of the relationship will be made to the appropriate Department Chair, Dean and Vice President of Academic Affairs or Vice President for Student Affairs as appropriate for review. The Vice President will refer the matter to the Vice Chancellor for Academic and Student Affairs for consideration. The Chancellor or his/her designee may allow a student to enroll in the class only upon a showing by the student that the enrollment is necessary to avoid an extreme hardship, and upon a showing by the college President or designee that the academic integrity of the student's enrollment in the class will nevertheless be maintained.
3. Persons who are married, or were married, are included within the definition of persons that have or who have had a consensual amorous relationship. Disclosure in this instance may be made via the Maricopa Disclosure process at <https://ep.maricopa.edu/in/SitePages/Home.aspx>
4. An employee who fails to follow the requirements established in this policy and who does not withdraw from participation in activities or decisions that may reward or penalize a supervisee or student with whom the employee has or has had a recent consensual amorous relationship, will be considered in violation of policy and will be addressed in accordance with established processes in job group policy manuals.

LANGUAGE ADOPTED BY DIRECT CHANCELLOR APPROVAL

2.8.3 Technology Accessibility

The Maricopa Community College District is committed to ensuring equal access to information, programs, services and activities through its technologies, Web pages, and resources both in the academic and work environments. This regulation establishes that Electronic and Information Technology (EIT) that are used to conduct the business of the Maricopa Community Colleges shall adhere to established accessibility standards and guidelines.

Adult Re-Entry Services Program

Kranitz Student Center, Counseling & Personal Development Division

Phone: (602) 787-6540

Website: [www.paradisevalley.edu/students/adult re-entry](http://www.paradisevalley.edu/students/adult-re-entry)

Adult Re-Entry Services are designed to help students 25 years and older to make a successful transition to college life.

Services: Counseling: personal, academic and career
Re-Entry Seminars: free day and evening seminars on a variety of personal, academic and career growth and development topics

Course: CPD103BA-Women In Transition Personal growth college credit courses are designed to support men and women who are returning to education.

Student Services

Athletics Department

Location: L-109
Phone: (602) 787-7173
Website: www.paradisevalley.edu/athletics

PVCC Athletics competes in Region 1 of the National Junior College Athletic Association (NJCAA), and is part of the Arizona Community College Athletic Conference (ACCAC).

Intercollegiate athletics are an important part of college life, providing personal growth opportunities, entertainment and a source of pride. The success of our student-athletes both on the field and in the classroom is a priority to our coaches, faculty and staff. We strive to serve as a model amongst NJCAA and ACCAC athletic programs for excellence in academic success and athletic achievement. We empower Puma student-athletes to achieve championship performance, while graduating/transferring and preparing them for life after intercollegiate athletics with the highest priority on integrity.

PVCC sponsors intercollegiate men's and women's athletics teams in:

Baseball	Softball
Cross Country	Tennis
Golf	Track & Field
Soccer	

Black Mountain PVCC Campus

Location: 34250 N 60th Street, Scottsdale, AZ 85266

Student Services

To make an appointment, call (602) 787-6540 or see the receptionist in KSC-177.

Counseling & Personal Development offers free, confidential counseling services for all students, as well as a variety of personal growth classes. Our mission is to support learning and health, and to help students achieve their full potential.

- Counseling:** To help students identify, understand, and develop skills to resolve life issues including relationships, managing stress, anxiety or depression, job concerns, educational planning, or making career decisions.
- Classes:** CPD classes are offered for credit on topics related to personal growth, leadership, career planning and college success; CWE classes provide job internships for college credit.
- Career Testing:** To identify career related interests, personality preferences, values and skills.
- Computer:** To access data bases including financial aid, educational planning, college majors and
- Resources:** Schools, job banks, and occupations.
- Screening:** For depression, anxiety, eating disorders, and alcoholism.
- Referral:** To link students with community health and social services.
- Support Groups:** To build community through the Student Peer Support Group, AWARE (Adults Who are Returning to Education) club.
- Seminars:** Free to students and the public including Adult Reentry Seminar Series, career panels, wellness, study skills, leadership and other topics.

The Counseling staff are both student and learning centered. We take pride in providing instruction and services in a positive atmosphere that will help students to achieve their potential.

Disability Resources and Services

Kranitz Student Center, KSC-1220
Phone: (602) 787-7171
Website: www.paradisevalley.edu/students/disability-resources

Disability Resource and Services (DRS) provides information and services to PVCC students with disabilities. In order to receive accommodations, documentation must be presented to the DRS verifying the existence of a disability and establishing a clear connection between the accommodations being requested and the effects of the disability. Disability Resources and Services strives to empower students with disabilities to discover, develop, and demonstrate their full potential in higher education.

Early College Programs

Kranitz Student Center, KSC-1200

- Wage & Salary
- HR Information/HRMS Training & Support
- Employee Relations
- Employee Wellness

Student Services

Learning Success Center (LSC)

Learning Resources Complex, E-180
Phone: (602) 787-7180

Hours of Operation:
Monday–Thursday: 8:00am–7:00pm
Friday*: 8:00am–5:00pm
Saturday*: 10:00am–2:00pm
**Hours vary in the summer and over breaks*

Website: <https://www.paradisevalley.edu/students/learning-success-center>

The LSC offers academic support to PVCC students. Programs and services include:

- Free drop-in tutoring: No appointment needed, tutoring for most subjects, including math at all hours the LSC is open.
- Math Lab: Work with math tutors in math classes up to MAT122.
- The Writing Center: Available by appointment or by dropping in, tutors assist in helping students to address any stage of the writing process, including grammar, punctuation, thesis statements, sentence and paragraph development, organization, transitions, documentation, and ESL assignments.
- Academic Reading Coaching: Meet one-on-one with a reading coach to learn skills and strategies for college reading to get the most out of your textbooks.
- Academic Success Coaching: Work one-on-one with a success coach on work-life-school balance, time management, and study skills and on how to get the most out of PVCC through referrals to campus offices and resources.
- LSC Workshops: The LSC sponsors several workshops designed to help students improve their writing skills, including weekly workshops for students in ESL classes. Other workshops are designed to help students with memory and learning strategies, note-taking and study skills, and time management.
- ESL Conversation Groups: Students and community members who are learning English may participate in these tutor-led informal discussions about topics of interest for those who wish to practice English language skills. Schedules are available online and at the LSC.
- Calculator workshops: Beginning and advanced workshops for users of TI83 and TI84 calculators are available free through Canvas. Register at <https://maricopa.instructure.com/enroll/8GMRCT>.
- Language Lab: Rosetta Stone is available for students of English and Spanish and several other languages to practice speaking, listening, reading, and writing.
- Learning Resources: Resources for use in the LSC include science models, textbooks, laptops, calculators, Semester-at-a-Glance calendars, and handouts. The LSC also has rooms available to reserve for group study.

Student Financial Assistance

Kranitz Student Center, Welcome Center, KSC-1100
Phone: 1-(855)-622-2332
Website: www.paradisevalley.edu/students/financial-ai
Email: dl-pvc-finaid@paradisevalley.edu

The Financial Aid Office at Paradise Valley Community College provides financial aid to eligible students to help pay for their educational expenses including tuition, program and course fees, books, and living expenses. The Financial Aid Office provides information and guidance to students and families on understanding what aid is available, how to apply, and how to successfully remain eligible for aid throughout your educational career. Educational funding is provided through Pell Grants, Supplemental Educational Opportunity Grants (SEOG), Arizona Leveraging Educational Assistance Partnership (AzLEAP) Grants, William D. Ford Federal Direct Student Loans, Federal Work-Study Employment opportunities and Scholarships. The first critical step in the aid process is to complete the Free Application for Federal Student Aid (FAFSA). This application is required to be submitted annually. The Free Application for Federal Student Aid covers the school year which includes the Fall Semester, Spring Semester, and Summer Sessions. The priority deadline is July 1 prior to the start of the Fall Semester in August, November 1 prior to the start of the Spring Semester in January, and April 1 prior to the start of summer in June. Applications received after these dates will still be considered for aid, but funds may not actually be received until after the start of the semester. Please check our website and your individual "My.Maricopa.edu" often for new information and opportunities.

Student Life & Leadership

Kranitz Student Center, KSC-1303
Phone: (602) 787-7240

Student Recruitment Office

Kranitz Student Center, KSC-1230
Phone: (602) 787-7444
Website: www.paradisevalley.edu/students/student-recruitment
Email: pvcrecruitment@paradisevalley.edu

The Student Recruitment Office provides personal assistance to prospective, new and returning to college students as they explore and then start the enrollment process. In addition, recruiters work with high schools, local businesses, community groups and government agencies to increase access to Paradise Valley Community College. Recruiters regularly schedules high school visits, campus tours and conduct outreach events through the year. The Recruitment Office also coordinates the PVCC Puma Scholarship and houses the campus switchboard.

Technology Helpdesk

Location: Computer Commons, E Bldg
Phone: (602) 787-7780
Website: www.paradisevalley.edu/employees/technology-helpdesk
Email: helpdesk@paradisevalley.edu
Hours: Monday-Friday, 7:00am - 7:00pm

The Technology Helpdesk is your one stop for all technology needs. The Helpdesk is the liaison to technical and functional departments to assist students, faculty and staff in resolving technical issues. The Helpdesk supports all students, faculty and staff technical issues with items such as classroom technical problems, password resets, pay for print, software and hardware checkout, email, printer, computer, Canvas, SIS, and HRMS issues. Feel free to give a tech a call if you want PVCC email setup on your cell phone or tablet (iPad, Android, Windows), or have an issue with WiFi.

Testing Services

Kranitz Student Center, KSC-2400
Phone: (602) 787-7050
Website: www.paradisevalley.edu/students/testing-services

The purpose of the Assessment Center is to help students through the assessment of existing skills and knowledge to identify and achieve personal, academic, and career goals. Additional information and links to sample questions are available online.

Services:	Placement assessment	College-Level Examination Program (CLEP)
	Instructional testing	English as a Second Language (ESL) assessment
	Special test administrations	HESI A2 Nursing Entrance Test

Veterans Services

Location: K-108
Phone: (602) 787-7045
Website: www.paradisevalley.edu/students/veterans-services
email: veterans@paradisevalley.edu

Paradise Valley Community College is proud to serve our military service members, veterans, and their families. The PVCC Veteran Services Center acts as a liaison between the college and the Department of Veteran Affairs, and connects students with resources to enable their academic success.

The Veterans Services staff assists service members, veterans, and their families with admissions, enrollment, financial assistance, academic advising, and establishing and using Veterans Education programs such as:

- The Post 9/11 GI Bill
- Fry Scholarship
- The Montgomery GI Bill
- Survivors and Dependents Education Assistance Program
- Vocational Rehabilitation for Disabled Veterans
- Montgomery GI Bill for the Selective Reserve
- Reserve Education Assistance Program
- Department of Defense Tuition Assistance

Paradise Valley Community College has been designated by the Arizona Department of Veterans Services as a Veteran Supportive Campus.

All veterans expecting to utilize their VA education benefits should contact the Veteran Services Office as early as possible to apply for benefits and ensure their certification documentation is complete and accurate. Please visit our website for further information.

Welcome Center

Kranitz Student Center, KSC-1100

Hours: Fall/Spring: Mon - Thur: 8:00am -5:00pm, Friday: 8:00am - 3:00pm

Summer Hours (Mid-May through July): Monday–Thursday 8:00am–6:00pm/Closed Friday

The PVCC Welcome Center is committed to providing students with success from day one. The Welcome Center offers a host of comprehensive services, information, and referrals that enable students to take advantage of the excellent campus resources that support enrollment, academic advising, financial aid, career services, testing and placement, student life, student development, disability resources, veterans services, and more. If you have questions about Paradise Valley Community College, the Welcome Center is the best place to start. Our friendly and knowledgeable staff is here to make sure your experience at the PVCC campus is the best it can be.

Glossary of Terms

Academic Advisor: A paraprofessional, or designated individual who has been formally trained to assist students with academic information that will enable them to enroll in the proper classes which will provide them with a reasonable degree of success.

Add/Drop period: A period of time before classes begin when schedule changes are made **without** charge. A penalty may be charged for changes made **after** the start of classes.

AGEC: A 35 semester credit general education program of study that fulfills lower-division general education requirements for students planning to transfer to any Arizona public community college or university and transfers as a block without loss of credits.

Assessment: Also known as placement or Assessment of Skills for Successful Entry and Transfer (ASSET) testing. Assessment is a way of evaluating students' present skills in English, reading and math so students may choose courses that match their skills. Assessment is based on scores on the ASSET course placement test. Scores are used as a guide for proper course placement, which leads to greater success.

Associate Degree: Degree awarded by the community colleges after a student completes a specified number of course requirements and credit hours, generally a minimum of 60-64 semester credits. May be an Associate of Arts (AA) or Transfer Partnership Associate of Arts (AA), designed primarily for transfer to complete a baccalaureate degree; an Associate of Applied Science (AAS), designed primarily to enhance workplace skills and knowledge; or an Associate of General Studies (AGS), designed to fulfill students' goals of higher education. See the degree portion of this catalog for further information.

Associate Transfer Partnership Degree (ATP): The Associate Transfer Partnership Degree (ATP) is designed for students transferring to public and private colleges and universities. This AA degree is specifically developed for students who have an identified major and have selected the baccalaureate degree granting institution to which they intend to transfer.

Audit: When a student pays to attend class but does not want to receive credit. See [Schedule of Classes](#) for information on fees for auditing a course.

Baccalaureate or Bachelor's Degree: A degree awarded by a four-year college or university, often referred to as a B.A. or B.S. degree.
choices@pvc: Distance Learning program for students who desire or need more flexible scheduling options.

Commencement: Also known as graduation. A ceremony during which colleges award certificates of completion and degrees to graduating students.

Continuous Enrollment: The process of registering for and completing courses during consecutive semesters, which may include summer sessions. Determines catalog year for graduation.

Corequisite: Specified conditions, requirements, or courses that must be completed at the same time as another course.

Counselor: A services faculty who has both a teaching and counseling role. Counselors are professionally trained faculty who help students with educational, career, or personal concerns.

Course: A specific subject studied within a limited period of time taught by a faculty member. Also called course offering or class.

Course Fee: A charge for services, supplies, and/or materials for a course, in addition to tuition and registration fees for the course.

Course Number: A three-digit number that identifies a specific course, i.e. the 101 in ENG 101, Freshman English.

Course Title: The name of a specific course, i.e. College Algebra.

Credit Hour: The numerical unit earned for the completion of a specific course. For example, 3 credit hours may be earned for successful completion of PSY101. Also referred to as semester hour or unit.

Curriculum: A planned sequence of courses aimed at an academic or occupational goal; also referred to as a program of study.

Division: A group of faculty who teach classes in related subjects such as accounting, management, and word processing in the Business & Information Technology division.

Electives: Non-required courses that students may select to complete their program of study.

Faculty: Instructors who meet specific qualifications to teach courses.

Final Exams: Tests or exercises given at the end of a term that are often comprehensive; that is, they may include all material covered during the semester. The schedule of final exam dates and times for each term is included in the schedule of classes.

Glossary of Terms

Fiscal Office: Also known as the Cashier's Office. Students may pay tuition and fees, course fees and other encumbrances owed the college at the Fiscal Office.

Grade Points: The numerical value of a grade multiplied by the credit hours for a course. (A = 4 pts.; B = 3 pts.; C = 2 pts.; D = 1 pt.). For example: If a student earns an A in ENG 101, (3 credit hours), then the student earns 12 points. $A = 4 \text{ points} \times 3 \text{ (credit hours)} = 12 \text{ points}$.

Grade Point Average: Determined by dividing the total number of grade points earned by the total number of semester hours earned. For example, 45 grade points divided by 15 credit hours earned = 3.0 GPA.

Hybrid: Hybrid blends face-to-face (in person) instruction in a classroom with online learning. It is convenient for you and your schedule because you spend approximately half the time in a regularly scheduled class with your instructor and the rest of the time online. It is designed for highly motivated, self-disciplined, technology-literate students. It requires reliable web and e-mail access for communication and assignments outside of the classroom.

Load: When referring to a student's "academic load" = the total number of credit hours taken in one semester.

Lower Division: Normally freshman and sophomore level courses offered by a college. Community colleges offer only lower division courses while four-year institutions offer both lower and upper division (junior and senior) courses.

Major: An area of concentrated study often for a specific degree such as Journalism or Engineering.

Official Absence: Absence approved by Dean of Learning for official participation in a college activity.

Online (www2.pvc.maricopa.edu/online): Distance Learning courses administered via the Internet. Students must have access to a computer with an Internet connection either at home or the office. Students must enroll in and start by the enrollment deadline (enrollment is limited).

Pass/No Credit: An option for class registration in which students choose to receive a grade of Pass or No Credit in lieu of a letter grade (A,B,C,D,F). Students can earn credits toward graduation by passing these courses but the grades will not count in their GPA. It is best to check with an advisor to make sure that a grade of "Pass" will transfer to another college or university. "No Credit"

will not transfer.

Period: One period is equivalent to 50 minutes per week.

Placement Test: See Assessment.

Prerequisite: Specified conditions or classes which must be completed prior to enrolling in certain classes. For example, ENG 102 has a prerequisite of ENG 101.

Probation: A warning that a student is not in good academic standing. May be accompanied by restricted credit hour enrollment.

Registration: Actual enrollment of a student into specific courses after the student has been admitted to the college and has received academic advisement.

Required Course: A course that is needed to meet certain goals or to complete a certain curriculum. For example, AJS 103 is a required course in the Administration of Justice curriculum.

Scholastic Suspension: Not being allowed to enroll in the college for one semester. This is caused by not maintaining the minimum required GPA for two consecutive semesters.

Section Number: A four-digit number used to identify each class of each subject offered. Each class has a different section number such as MAT 122, section 2123 and MAT 122, section 2124.

Subject Code : The three-letter abbreviation used to identify a particular subject such as MAT for mathematics or SOC for sociology. It appears before the course number.

Syllabus: One or more pages of course requirements that instructors give to students on the first day of class. The syllabus may include detailed information about a course, such as an instructor's grading system, attendance policies, and testing and assignment dates.

Transcript: An official record of a student's college coursework that is maintained by the college registrar. Courses taken, grades, credits, GPA, and graduation information are included on a transcript.

Transfer Credit: Course credit that is accepted by another college.

Glossary of Terms

Tuition and Fees: The cost per semester credit unit that students must pay for their college courses. Tuition and fees are determined by the Maricopa County Community Colleges Governing Board.

Withdrawal: Officially withdrawing from any or all courses during a semester. Students withdrawing from one or more courses must notify the Admissions, Records and Registration Office in writing and request that they be officially withdrawn. Refunds are based on the refund schedule/policy set forth in the catalog.
