Paradise Valley Community College ACCREDITATION - Paradise Valley Community College is accredited by The Higher Learning Commission (HLC) of the North Central Association. PVCC's ten-year accreditation status was renewed in 2015.

Welcome From The President

On behalf of the students, faculty, and staff, I extend a warm welcome to our college, where we have provided a quality higher education experience for the residents of North Phoenix and the greater northern Maricopa County community for over 30 years. Additionally, our Black Mountain site (located at 60th Street and Carefree Highway) serves communities of Northeast Phoenix, Carefree, Cave Creek, and Anthem.

In this catalog we introduce you to our college and the courses and programs designed with your success in mind. Whether your goal is to transfer to a four-year university, prepare for a career, or enhance your skills, PVCC has an associate degree or certificate program that is right for you. And now you can even earn your bachelor's degree right here on campus through NAU or UofA. We also offer multiple start dates for 16-, 14-, 12- and 8-week Express classes - in person and online - making it more convenient than ever to fit college into your busy life.

We invite you to discover "The Power of Learning" at PVCC. Our goal is to create educationally meaningful activities that engage, motivate, and inspire you as a learner. At PVCC, we view student development and learning as interconnected processes that challenge you to take an active role in educating yourself intellectually, ethically, emotionally, socially, and physically. Specifically, it is important for you to have purposeful intent and to be prepared to learn.

If there's something we know about college students, it's that the most successful ones plan their goals and monitor their progress. Successful students know that college is not a spectator sport, so they engage in the classroom, meet with their academic advisors, and participate in college activities — and their results are amazing! Our "Puma Pathway" agenda for student success and learning helps you identify, right from the start, where you are going, and ties together how your in- and out-of-class experiences will get you there.

This catalog is a resource to assist you in making your educational decisions. It provides information on programs, classes, policies, and procedures. If you have any questions, please meet with one of your faculty members or one of our student affairs staff. We wish you success in the attainment of your goals and welcome you to Paradise Valley Community College!

Sincerely,

Paul Dale, Ed.D.
President

2017–2018

Academic Calendar

Summer 2017 Semester

NOTE: SUBJECT TO THE 2017/2018 CATALOG

Monday	May 29	Observance of Memorial Day - campus closed
Tuesday	May 30	First 5-Wk/8-Wk Sessions Begin
Thursday	June 29	First 5-Week Session Ends
Monday	July 3	Second 5-Week Session Begins
Tuesday	July 4	Observance of Independence Day - campus closed
Thursday	July 20	8-Week Session Ends
Thursday	Aug 3	Second 5-Week Session Ends

PARADISE VALLEY COMMUNITY COLLEGE

Our Mission

The mission of Paradise Valley Community College is to educate the whole person and to serve our students and our communities by providing learning opportunities that are designed to help them achieve their goals.

PV provides diverse learning opportunities including:

- University transfer education
- General education
- Developmental education
- Community education
- Continuing Education
- Workforce development
- Student development
- Honors education
- Global engagement
- Civic responsibility

PVCC provides access to these opportunities in a welcoming, inclusive, and supportive environment. As a college committed to learning and continuous quality improvement, PVCC annually assesses and publishes reports concerning the effectiveness of our programs and services.

Our Vision

Paradise Valley Community College (PVCC) aspires to be the higher learning organization of choice by creating engaging lifelong educational relationships that inspire and support all learners to increase their capacity for personal growth and positive social change.

Our Core Value

Learning is the core value of Paradise Valley Community College. PVCC encourages and supports learning at three levels — student, employee and organizational — and the integrative relationship between the three levels. Learning at Paradise Valley Community College means increasing the capacity of our students, our employees and the college itself, to achieve their goals. PVCC acknowledges organizational learning as a means to continuously improve our college.

Our Supporting Values

Integrity: We uphold ethical behavior in all that we do; we value accountability, transparency, fairness and honesty.

Diversity: We honor all individuals and their different viewpoints to promote an inclusive campus environment.

Innovation: We value and support innovation. We encourage informed risk-taking that holds the promise of enhancing student, employee and organizational learning. We view a good faith unsuccessful attempt not as failure, but rather as a rich opportunity to learn.

Partnerships: We are committed to building and sustaining internal and external relationships that enhance learning.

Excellence: We expect greatness in all that we do to advance student, employee and organizational success.

Sustainability: We practice organizational, social, economic and environmental responsibility.

Maricopa Community Colleges

Our Vision: A Community of Colleges—Colleges for the Community—working collectively and responsibly to meet the life-long learning needs of our diverse students and communities.

Our Mission: The Maricopa Community Colleges provide access to higher education for diverse students and communities. We focus on learning through:

- University Transfer Education
- General Education
- Developmental Education
- Workforce Development
- Student Development Services
- Continuing Education
- Community Education
- Civic Responsibility
- Global Engagement

Our Institutional Values: The Maricopa Community Colleges are committed to:

Community
We value all people—our students, our employees, their families, and the communities in which they live and work. We value our global community of which we are an integral part.

Excellence
We value excellence and encourage our internal and external communities to strive for their academic, professional and personal best.

Honesty and Integrity
We value academic and personal honesty and integrity and believe these elements are essential in our learning environment. We strive to treat each other with respect, civility and fairness.

Inclusiveness
We value inclusiveness and respect for one another. We believe that team work is critical, that each team member is important; and we depend on each other to accomplish our mission.

Innovation
We value and embrace an innovative and risk-taking approach so that we remain at the forefront of global educational excellence.

Learning
We value lifelong learning opportunities that respond to the needs of our communities and are accessible, affordable, and of the highest quality. We encourage dialogue and the freedom to have an open exchange of ideas for the common good.

Responsibility
We value responsibility and believe that we are each accountable for our personal and professional actions. We are responsible for making our learning experiences significant and meaningful.

Stewardship
We value stewardship and honor the trust placed in us by the community. We are accountable to our communities for the efficient and effective use of resources as we prepare our students for their role as productive world citizens.

Maricopa County Community College District

The following are a portion of the Administrative Regulations used in managing the day-to-day operations of the Maricopa County Community College District (MCCCD) and are subject to change. Administrative Regulations are amended, adopted, or deleted as necessary and are subject to a formal approval process. Administrative Regulations are referenced by number, which corresponds with the regulations on the MCCCD web site: http://www.maricopa.edu/publicstewardship/governance/adminregs/adminregs_toc.php Some regulations include reference to Arizona Revised Statutes from the State of Arizona and are noted as "ARS" followed by a reference number.

2.4.1 General Statement

The Maricopa Community Colleges are dedicated to providing a healthy, comfortable and educationally productive environment for students, employees and visitors.

2.4.2 Nondiscrimination Policy

It is the policy of the Maricopa District (consisting of Chandler-Gilbert Community College, the District Office, Estrella Mountain Community College, GateWay Community College, Glendale Community College, Maricopa Skill Center, Mesa Community College, Paradise Valley Community College, Phoenix College, Rio Salado Community College, Scottsdale Community College, and South Mountain Community College) to: Recruit, hire, and promote in all job groups, and to ensure that all Human Resources (HR) employment selection and decision practices do not discriminate, nor tolerate discrimination in employment or education, against any applicant, employee, or student on the basis of race, color, religion, sex, sexual orientation, gender identity, national origin, citizenship status (including document abuse), age, disability, veteran status or genetic information.

All HR employment selection and decision practices pertaining to advertising, benefits, compensation, discipline (including probation, suspension, and/or involuntary termination for cause or layoff), employee facilities, performance evaluation, recruitment, social/recreational programs, and training will continue to be administered without regard to race, color, religion, sex, sexual orientation, gender identity, national origin status, citizenship status(including document abuse) , age, disability, veteran status or genetic information.

Hold each level of management responsible for ensuring that all employment policies, procedures, and activities are in full compliance with all applicable federal, state, and local EEO statutes, rules, and regulations.

2.4.3 Equal Opportunity Statement

It is the policy of the Maricopa Community Colleges to promote equal employment opportunities through a positive continuing program. This means that Maricopa will not discriminate, nor tolerate discrimination in employment or education, against any applicant, employee, or student because of race, color, religion, sex, sexual orientation, gender identity, national origin, citizenship status (including document abuse); age, disability, veteran status or genetic information. Additionally, it is the policy of the Maricopa Community Colleges to provide an environment for each job applicant, employee, and student that is free from sexual harassment, as well as harassment and intimidation on account of an individual's race, color, religion, sex, sexual orientation, gender identity, national origin, citizenship status (including document abuse); age, disability, veteran status or genetic information. In addition, lack of English language skills is not a barrier to admission into career and technical education (CTE) programs or skills centers. Students who enroll will be supported in the development of these skills by classes in English as a second language and other resources. Translation services and bilingual instruction can also be provided: contact college designee for more information.

Affirmative Action Policy Statement for Individuals with Disabilities

In conformance with the provisions of Section 503 of the Rehabilitation Act of 1973, as amended, and the implementing regulations, 41 CFR 60-741.5 (a), as amended, Maricopa County Community College District will not discriminate, nor tolerate discrimination in employment or education, against any applicant, employee, or student because of physical or mental disability in regard to any position for which the known applicant or employee is qualified. Maricopa agrees to take affirmative action to employ, advance in employment, and otherwise treat known qualified individuals with disabilities without regard to their physical or mental disability in all human resources selection and decision practices, such as the following: advertising, benefits, compensation, discipline (including probation, suspension, and/or termination for cause or layoff), employee facilities, performance evaluation, recruitment, social/recreational programs, and training. Maricopa will also continue to administer these practices without regard to race, color, religion, sex, sexual orientation, gender identity, national origin, citizenship status (including document abuse), age, disability, veteran status or genetic information. Additionally, all applicants and employees are protected from coercion, intimidation, interference, or discrimination for filing a complaint or assisting in an investigation under the Act.

Affirmative Action Policy Statement for Other Eligible Veterans, Special Disabled Veterans, and Vietnam Era Veterans

In conformance with the Vietnam Era Veterans Readjustment Assistance Act of 1974, the Veterans Employment Opportunities Act of 1998, and the implementing regulations, 41 CFR 60-250 (k), Maricopa County Community College District will not discriminate, nor tolerate discrimination in employment or education, against any applicant, employee, or student because he or she is a special disabled veteran or Vietnam era veteran in regard to any position for which the known applicant or employee is qualified. Maricopa agrees to take affirmative action to employ, advance in employment, and otherwise treat known qualified special disabled veterans and Vietnam era veterans without discrimination based upon their disabled or veteran status in all human resources selection and decision practices, such as the following: advertising, benefits, compensation, discipline (including probation, suspension, and/or termination for cause or layoff), employee facilities, performance evaluation, recruitment, social/recreational programs, and training. Maricopa will continue to administer these practices without regard to race, color, religion, sex, sexual orientation, gender identity, national origin, citizenship status (including document abuse), age, disability, veteran status or genetic information. Additionally, Maricopa agrees to post all suitable job openings at the local office of the State employment service where the job opening occurs. This includes full-time, temporary greater than 3 days' duration, and part-time employment. Finally, all applicants and employees are protected from coercion, intimidation, interference, or discrimination for filing a complaint or assisting in an investigation under the Act.

Notice of Americans with Disabilities Act (ADA)/Section 504 of the Rehabilitation Act/Title IX Coordinator:

Dr. Tanisha Maxwell, Interim Vice President of Student Affairs
Paradise Valley Community College,
18401 N. 32nd Street, Phoenix, AZ 85032
Telephone: 602.787.6604

Under the ADA and Section 504, Maricopa recognizes the obligation to provide overall program accessibility throughout its locations for disabled individuals. The designated ADA/504/Title IX Coordinator at each college/center will provide information as to the existence and location of services, activities, and facilities that are accessible to and usable by individuals with disabilities. Likewise, under Title IX, there is an obligation to provide services and program accessibility in a gender-neutral manner. Students with disabilities may request catalog information in an alternative format from the college ADA/504 Coordinator.

DECLARACIÓNES DE ACCIÓN AFIRMATIVA

Mandato de No Descriminación

Es el mandato de los Colegios Comunitarios del Condado de Maricopa (The Maricopa Community Colleges) que consisten del Centro de Apoyo del Distrito, los colegios comunitarios de Chandler-Gilbert, Estrella Mountain, Gateway, Glendale, Mesa, Paradise Valley, Phoenix, Rio Salado, Scottsdale, South Mountain y el Centro de Capacitación de Maricopa, proveer igualdad en las oportunidades de empleo mediante un programa continuo y positivo. Esto significa que Maricopa no descriminará o tolerará descriminación en empleo o educación en contra de ningún aplicante, empleado, o estudiante debido a su raza, color, religión, sexo, orientación sexual, identidad sexual, origen nacional, ciudadania (incluyendo abuso de documentos), edad, incapacidad, estado de veterano/a o información genesica. Asi mismo, es el mandato de los Colegios Comunitarios proveer para cada aplicante, empleado, y estudiante un ambiente libre de acoso sexual como también libre de acoso e intimidación referente a raza, color, religión, sexo, orientación sexual, identidad sexual, origen nacional, ciudadania (incluyendo abuso de documentos), edad, incapacidad, estado de veterano/a o información genesica.

Este mandato de no descriminación cubre todos los aspectos de contratación del empleado, ingreso, acceso a, y tratamiento de alumnos en los Colegios Comunitarios de Maricopa los cuáles incluyen también programas de educación vocacional. Este mandato también prohibe descriminación en base de orientación sexual en la admisión y tratamiento de estudiantes, en sus programas y actividades y en la contratación, tratamiento, promoción/ascensos, evaluación y despido de empleados.

Declaración de Igualdad de Oportunidad

Es el mandato de los Colegios Comunitarios del Condado de Maricopa promover igualdad en las oportunidades de empleo mediante un programa continuo y positivo. Esto significa que Maricopa no descriminará o tolerará descriminación en contra de ningún aplicante o empleado debido a su raza, color, religión, sexo, orientación sexual, identidad sexual, origen nacional, ciudadania (incluyendo abuso de documentos), edad, incapacidad, estado de veterano/a o información genesica. Agregando, es el mandato de los Colegios Comunitarios promover para cada aplicante y empleado un ambiente libre de acoso sexual como también de acoso e intimidación referente a la raza, color, religión, sexo, orientación sexual, identidad sexual, origen nacional, ciudadania (incluyendo abuso de documentos), edad, incapacidad, estado de veterano/a o información genesica.

Declaración de Acción Afirmativa

Mandato y Declaración de Acción Afirmativa para Individuos con Incapacidades De acuerdo las provisiones en la Sección 503 de la Ley de Rehabilitación de 1973, como enmienda, y las leyes de implementación, 41 CFR 60-741.5 (a), declara que el Distrito de Colegios Comunitarios de Maricopa no descriminarán o tolerarán descriminación en contra ningún aplicante o empleado debido a su desabilidad/incapacitación física o mental referente a cualquier posición para la cuál el aplicante o empleado ha calificado. Maricopa promete tomar acción afirmativa para emplear, dar ascenso en empleo y tratar a dichos individuos con incapacidades sin hacer incapie en sus incapacidades físicas o mentales en la selección de recursos humanos y prácticas decisivas como son las siguientes: anuncios, beneficios, compensación, disciplina (incluyendo período de prueba, suspensión, y/o terminación de empleo por causa de paro forzoso), facilidades para empleados, evaluación de trabajo, recrutamiento, programas sociales/recreacionales y entrenamiento. Maricopa continuará llevando a cabo éstas prácticas de no descriminar por razones de raza, color, religión, sexo, orientación sexual, identidad sexual, origen nacional, ciudadania(incluyendo abuso de documentos), edad, incapacidad, estado de veterano/a o información genèsica. Asi mismo, todo los aplicantes y empleados estan protegidos en contra de coacción, intimidación, interferencia o descriminación por quejas o por ayudar en una investigación cubierta bajo éste Acto.

Declaración de Mandato de Acción Afirmativa para Otros Veteranos Elegibles, Veteranos con Incapacitación Especial y Veteranos de la Era Vietnamita

Conforme a la ley de Reajuste y Asistencia para los Veteranos de la Era Vietnamita de 1974, acta de Oportunidades de Empleo para Veteranos de 1998 y reglamentos de implementación, 41 CFR 60-250(k), el Distrito de Colegios Comunitarios del Condado de Maricopa no descriminará ni tolerará descriminación en empleo o educación en contra de ningún aplicante, empleado, o estudiante veterano o veterano de la Era Vietnamita con desabilidad/incapacitación especial referente a cualquier posición la cual dicho aplicante o empleado califique. Maricopa promete aplicar acción afirmativa para emplear, ascender en empleo y tratar a dichos veteranos incapacitados y de la Era Vietnamita que califiquen sin descriminar base a su desabilidad/incapacitación o condición de veterano en todas las áreas de recursos humanos y decisiones como son las siguientes: anuncios, beneficios, compensación, disciplina (incluyendo período de prueba, suspensión, y/o despido por causa o paro forzoso), facilidades para empleados, evaluación de trabajo, recrutamiento, programas sociales/recreacionales y entrenamiento. Maricopa continuará llevando a cabo estas prácticas sin descriminar por razones de raza, color, religión, sexo, orientación sexual, identidad sexual, origen nacional, ciudadania (incluendo abuso de documentos), edad, incapacidad, estado de veterano/a o información genèsica. Maricopa promete anunciar todas las oportunidades de empleo disponibles en la oficina local del servicio de empleo del Estado donde el empleo esté disponible. Esto incluye empleo de tiempo completo, temporal de más de tres días de duración y empleo de tiempo medio. Finalmente, todos los aplicantes y empleados están protegidos en contra de coacción, intimidación, interferencia o descriminación por quejas o por ayudar en una investigación cubierta sobre este Acto.

Notificación del Acta de Americanos con Impedimentos (ADA)/Sección 504 del Acta de Rehabilitación/Coordinador del Título IX:

Dr. Tanisha Maxwell, Interim Vice President of Student Affairs
Dirección: Paradise Valley Community College
18401 N. 32nd Street, Phoenix, AZ 85032
Número Telefónico: 602.787.6604

De acuerdo a ADA y a la sección 504, el distrito y sus colegios reconocen la obligación de proveer acceso a programas en todas sus localidades a personas incapacitadas. El coordinador designado de ADA/504/Título IX proveerá información tocante a la existencia y localidad de servicios, actividades y facilidades que son accesibles y de utilidad a personas incapacitadas. Solicitudes para acomodación deben ser dirigidas al coordinador. Del mismo modo, bajo el Título IX, hay obligación de proveer acceso a servicios y programas de una manera imparcial segun el género.

Estudiantes incapacitados pueden solicitar información de catálogo en una forma diferente por medio del Coordinador designado por ADA/504 en cada colegio.

How To Use This Catalog

This catalog was developed for you. It provides important information to help you plan for college. The catalog includes information about courses, resources and services, academic study techniques and strategies, program descriptions, degree requirements, and college policies and procedures.

The focus of this catalog is on your success. It provides you with the information to be a successful student. It is your responsibility to review the information and to use your catalog. We recommend that you use your catalog in the following ways.

Be A Successful College Student

It has been said that life is a journey and if you don't know where you are going you will probably end up somewhere else. Whenever you begin a new journey you'll need a plan and a goal so you know how and when you've reached your destination. To help you do this, PVCC has created the Puma Pathway, the roadmap to student success, completion, and beyond.

At Paradise Valley Community College, it is not enough for our students to just show up. Successful students take advantage of all of the opportunities available to enrich their experience at PVCC both in-and-out of the classroom.

Additional resources in this catalog to help you be a successful college student are:

pg. 14 Preparing to be a successful student
pg. 17 Engaging in the PVCC student experience
pg. 18 Committing to your own success
pg. 20 Completing your program at PVCC
pg. 21 Thriving as a PVCC alumnus

Learn About Courses And Degree Requirements

Knowing what the course is about and how it will fit into your goal or program is one of the main requirements for proper course selection. Course descriptions are available in this catalog or online at: https://asa.maricopa.edu/departments/center-for-curriculum-transfer-articulation. Whether your goal is to complete one class, a certificate, or an Associate Degree, you can use the course descriptions to find information about courses. If you are working on completing an Associate Degree, you will need to become familiar with the General Education Degree Requirements (beginning on page 23). See an advisor to obtain a degree check sheet to help you keep track of your progress. If you are planning on completing a degree or selecting courses prior to transferring to a four-year college or university, then you will find the information on the Transfer Process very helpful (pages 24).

Learn Where And How To Get Things Done

This catalog has information that will help you locate resources and assist you in becoming familiar with college policies and procedures. Information is available about resources which can help you such as Advising, Admissions, Registration & Records, Counseling, Student Services, Financial Aid, Learning Support Center, Library, and Adult Re-Entry. You can also find information about our Student Leadership Program. In addition to information about resources, you will find information about how to get things done such as adding a class, applying for graduation, getting a transcript, etc. Finally, you will find the MCCCD Policies & Procedures, and Student Services & Resources information in this catalog.

.

The Puma Pathway to Your Future

Student development and learning are interconnected processes that challenge you to take an active role in educating yourself intellectually, ethically, emotionally, socially and physically. Put directly, this means that:

Because students have the major responsibility for their own development, they need to be involved actively in the learning process,

Learning occurs throughout the campus—in class and in out-of-class activities, and all employees of the college share in the responsibility of supporting faculty in their teaching and learning.

Let's Get Started Reviewing the Puma Pathway to Success, Completion, and Beyond!

If there's something we know about college students, it's that the most successful ones have a pathway from preparing for success to completion of their degree, and thriving on to the next steps of their educational and/or career journey. They know that college is not a spectator sport, and that in order to become a successful student they will need to be an active participant.

PVCC has created The Puma Pathway, the roadmap to student success, completion, and beyond.

Prepare	The student will be prepared both academically and financially to navigate the PVCC system before the first day of class in order to have a successful college experience
Engage	Students will engage with faculty and staff to ensure academic success and become fully involved in college life
Commit	Students will commit to a plan to reach their educational goals both in and outside of the classroom
Complete	Students will successfully complete their goals, giving them the opportunity for continued education and a focused career path
Thrive	PVCC alumni will thrive as lifelong learners, equipped with knowledge that creates positive social change

The Puma Pathway includes all aspects of the student life cycle from the time they enroll at PVCC to graduation and beyond.

At PVCC we value student learning in and out of the classroom. The General Education Outcomes, are critical to your overall success in college and beyond.

- Civic Engagement - You will be able to demonstrate the skills necessary to identify and address issues of public concern.
- Critical Reading - You will be able to clearly explain and/or accurately apply information you have read.
- Critical Thinking – You will be able to think critically, creatively, and practically.
- Diversity & Global Awareness – You will be able to interact effectively and appropriately in a diverse, multi-cultural, and global society.
- Information Literacy – You will be able to determine information needed and use the information effectively and appropriately.
- Oral Communication – You will be able to clearly and effectively communicate your ideas to others using effective public speaking techniques.

- Problem Solving – You will be able to critically and effectively solve problems by making inferences, relying on data, as well as predicting consequences from your actions.
- Technology – You will be able to use technological resources appropriately and efficiently.
- Written Communication – You will be able to clearly and effectively communicate your ideas to others in an organized written manner using appropriate writing techniques.

Your faculty will refer often to PVCC's general education outcomes. Put in simple terms, general education outcomes are critical life skills that you will develop through in-class and out-of-class experiences.

Get more in-depth information on the general education outcomes at https://www.paradisevalley.edu/employees/assessment-learning/general-education-assessment.

Prepare Follow the MCCCD Enrollment Steps

- Get Admitted
- Submit proof of identification to the PVCC Admissions & Records Office to finalize your application
- Take the Placement Tests
- Attend New Student Orientation
- Register for Classes
- Pay Tuition and Fees
- Selecting a Major and/or Career

For more information on Enrollment Steps, visit https://www.maricopa.edu/getting-started

Get Admitted
The admissions process has been streamlined across the Maricopa Community Colleges to better fit the needs of our students. Your access to Paradise Valley Community College begins with applying for admission. To begin the admissions applications, navigate to https://admissions.maricopa.edu. In this step you will:

- Create your Maricopa Enterprise Identification (MEID)
- Completed the admission application by adding your personal information.

If you have already created your MEID account, you can continue a saved application or reapply or transfer at the Maricopa Student Admissions Application.

- Click **Continue Saved Application** if you have previously created an MEID account and are ready to continue with your application. Please note if you started your application more than 48 hours ago, you will need to start a new application from the beginning.
- Click **Reapply of Transfer** if you have previously enrolled at any of the ten Maricopa Community Colleges and would like to transfer to a new college or resume classes.

After completing the online application, you will need to provide proof of identification to the Admissions & Records Office in the Kranitz Student Center (KSC). For a full list of approved forms of identification visit https://my.maricopa.edu/enrollment-services/admissions-records-registration/identity.

Take the Placement Tests
These tests assess your basic skills in English, reading and mathematics in order to help you and your Academic Advisor select the right courses for you. Your scores are provided to you immediately following the assessment tests on a Student Data Report. Keep this important document for your Academic Advising session. Assessment tests are offered free on a walk-in basis in the Assessment Center, (602-787-7050). Visit the Web site at www.paradisevalley.edu/assessment for hours of operation.

It is critical that you are prepared for your placement tests to be placed into the correct courses. Be sure to utilize the FREE test preparation materials at https://www.paradisevalley.edu/students/testing-services/course-placement-assessments. By studying for these assessments, you will maximize your outcomes and save both time and money in pursuit of your college educational goals.

Attend New Student Orientation
New Student Orientation (NSO) is a wonderful opportunity to get questions answered and learn to navigate the college experience. It is also an opportunity to make friends and get connected to PVCC! Academic Advisors will assist you with planning for your future and choosing your classes. They will advise you concerning certificate and degree options, placement test interpretation and course descriptions. You will also enroll in your first term of classes during this session.

Navigate to https://www.paradisevalley.edu/students/new-student-orientation, or call the New Student Orientation line at (602) 787-7316 for a current schedule of New Student Orientation Sessions. No pre-registration is required for these sessions. It is important that you arrive 15 minutes prior to the start of the session for registration. Late arrivals will be asked to come to the next session.

At NSO, Academic Advisors will assist students with selecting classes and building a scheduled based on placement test scores, dual-enrollment classes, AP test scores, and degree or major requirements. Students will learn how to navigate their Student Center to search and register for classes.

It is important to bring the following documents your session to ensure you are able to fully enroll in your first term of classes:
- A copy/printout of your placement test scores
- Current valid photo identification
- MEID and password

Register for Classes
You should have discussed what classes you should enroll in with your advisor during your New Student Orientation or regular academic advisement session. You can register for classes by navigating to https://my.maricopa.edu and logging in to your Student Center.

It is important to meet with your Academic Advisor once a semester to plan for the upcoming term. They will be able to review your current schedule and help you to decide what classes you should plan to take the following term to make sure you graduate on time.

Pay Tuition and Fees
Tuition is due 35 days prior to the start date of your first class. However, if you register with less than 355 days before the start date of your first class, your tuition is due that same day. If you do not pay the balance of your tuition and fess on time, you may risk being dropped from your classes. To check the due date of your tuition and fees, navigate to your Student Center at https://my.maricopa.edu. It is also important to explore your options to help you pay for school.

Complete the FAFSA – All financial aid starts with creating a Federal Student Aid (FSA) ID and completing the online Free Application for Federal Student Aid (FAFSA). To complete your FAFSA online, go to fafsa.gov.

Apply for Scholarships – There are several need and merit-based scholarship opportunities available for students. The Maricopa Community Colleges have publicly funded scholarships as well as privately funded scholarships through the Maricopa Foundation. Navigate to https:///www.maricopa.edu/getting-started/

scholarships for more information on how to apply and application deadlines.

Explore Payment Plan – If you're planning on covering some of your school tuition and fees out of pocket, it's important that you understand and enroll in a payment plan. To learn more about payment plans, navigate to https://www.maricopa.edu/getting-started/payment-plans. Don't forget to record the balance of what you will need to pay to attend your classes as well as the due date for your payment.

Selecting a Major and/or Career

It's okay if you have not selected a program major or a career when you arrive at PVCC. Selecting a major or career is a process and we have several resources to assist you. The Counseling Center, (602-787-6540) and Career Services, (602-787-7073) are two great places to start. The Counseling Center provides counseling and assistance by providing and evaluating career interest inventories and assessments. Career Services offers resume reviews on a walk-in basis and by appointment and is also available to connect you with different types of career exploration seminars and resources.

If you want to consider some preliminary career choices on your own, try the 4-Step Career Planning Process

Step 1: Self-Assessment

Counseling can assist you develop awareness of your skills, values, interests, and personality traits. Assessment tools can help you gain a better understanding of yourself, expand your major and career options, and fins good matches with majors and careers. Self-assessment typically includes meeting with a counselor and perhaps taking one more of the many career assessment inventories offered by PVCC Counseling.

Step 2: Explore Career Options

There are many avenues to learn about various majors and careers. Using the Library and internet resources, conducting information interviews, and volunteering are just a few ways to learn what majors fit various careers. Career Services are available to help you explore your career options based on your interests, skills, values, and knowledge. In addition, you can learn valuable information regarding career trends, educational requirements, salary expectations, and key strategies to give you the competitive edge in the world of work and attain your career goals.

Step 3: Decision Making

As we develop and grow, we evaluate our career choices many times. We may revise and change our direction. Thus, career decision-making is no longer a "one-time" event. We need to learn a process that allows the flexibility and confidence to make the best decision. To this end, Counseling services will help you create a plan of action to turn your major and career vision into reality.

Step 4: Job Search & Development

Now that you've identified one or more majors and careers that interest you, counseling can assist you identify the classes you need and valuable experiences, internships, volunteer experiences, etc. that contribute to your career development. Career Services is available to help you learn more about your specific career field and possible internships to begin gaining experience. There are also several other events held throughout the year including a job fair where you can meet potential employers in your desired career field. For more information visit https://www.paradisevalley.edu/students/career-services.

Engage

Discover ways to engage with faculty and staff to ensure your continued success both in and out of the classroom. Fully immerse yourself in the PVCC student life to be able to discover yourself, express who you are, and identify your leadership potential.

This section identified a few of the ways to engage and connect with other PVCC students, however there are many others. Participating in cultural events, attending concerts and events, volunteering and community outreach, taking fitness classes, and working on campus are just a few additional ways to make the most of your college education.

It's Your Education—Get involved!
Learning is not a spectator sport. The most successful students get involved in their class discussions, projects and experiences. Your success as a learner is important to everyone at PVCC. We are all involved, but the outcome is ultimately up to you. You'll want to apply your newly acquired classroom skills outside of class and the opportunities below provide opportunities for you to do just that!

Make New Life-long Friends
College is not a solo experience, so you'll want to make some friends along the way. Make it a goal to meet at least 2 new faculty or staff members each semester, join or assemble a student study group and definitely take time to join in some of the FREE social events designed for students, by students. The more people you know, the bigger your support network will be when you need help, need a favor, need a job or scholarship recommendation, or just want to hang out.

Puma Student Athletes
The mission of PVCC is to educate the whole person and to serve our students and our communities by providing learning opportunities that are designed to help them achieve their goals. The PVCC Athletics Department believe athletics are an integral part of that mission. PVCC strives to serve as a model amongst National Junior College Athletic Association (NJCAA) athletic programs for excellence in academic success and athletic achievement. We empower Puma student-athletes to achieve championship performance, while graduating/transferring and preparing them for life after intercollegiate athletics with the highest priority on integrity.

PVCC Athletics includes:
- Men & Women's Tennis
- Men's Baseball
- Women's Softball
- Men & Women's Cross Country
- Men & Women's Track & Field
- Men & Women's Golf
- Men & Women's Tennis
- Men & Women's Soccer

For more information on becoming a Puma Student Athlete navigate to https://www.paradisevalley.edu/athletics/puma.

Student Life & Leadership
Leadership is learned and achieved in the classroom—and through participation in out-of-class activities. Make sure that your educational experiences integrate classroom instruction with hands-on leadership development and participation in political and/or social issues in your community. Applying your college education to practical out-of-class experiences prepares you to be a contributing member of your local and global community. Here are some opportunities to get involved in student leadership at PVCC.

Emerging Leaders

Emerging Leaders is an experientially based (activity based instead of lecture) program designed to develop a greater understanding of leadership skills, develop a passion and commitment to community betterment, empower people to lead, believing in their ability to make a difference. This values-based leadership program is offered for two credits and meets only six times throughout the semester, which includes a weekend retreat. For more information visit www.paradisevalley.edu/studentlife or contact the Office of Student Life & Leadership in KSC 1303 or by phone at 602-787-7240.

Student Government (STUGO)

STUGO is PVCC's student government, which is responsible for student clubs' adherence to the general education requirements and that each club includes volunteerism, leadership training, acquisition of skills and knowledge and the development of the "whole person" as key components of its program.

Representatives from STUGO serve on college advisory, ad hoc and standing committees allowing student representatives to work closely with PVCC administration on decisions that affect the student population. For more information visit www.paradisevalley.edu/studentlife or contact the Office of Student Life & Leadership at (602-787-7240).

PVCC has variety of Student Clubs and Organizations on campus:

Anime Club, Anthropology Club, Astronomy and Physics Club, AWARE – Adults Who Are Returning to Education, Business Club, CAST – College Artists' of Society in Theatre, Christian Challenge, Club Ed(ucation)

For more information visit https://www.paradisevalley.edu/pv-clubs or visit the Office of Student Life & Leadership in KSC 1303 or by phone at 602-787-7240.

Work On Campus

Federal Work-Study (FWS) provides part-time jobs for undergraduate students at PVCC who demonstrate financial need. This helps students earn money to pay for their college expenses, and encourage community service work related to the student's course of study. FWS provides part-time employment (up to 19.5 hours per week) to both part-time and full-time eligible students enrolled at PVCC.

To learn more about Federal Work-Study, or to view available jobs visit https://www.paradisevalley.edu/students/financial-aid/federal-work-study.

PVCC Honors Program

The Honors Program at PVCC Is an opportunity for academically motivated students to participate In challenging and rewarding educational experiences. The purpose of the Honors Program Is to foster greater depth of thought In reading, writing, and discussion with faculty and guest lecturers that will better prepare Honors students to complete a degree and begin their careers. Honors students at PVCC form a community of bright, energetic, and caring students who are committed to their classes, the Honors Program, and to the college. For more information on the Honors Program and Honors scholarship opportunities visit https://www.paradisevalley.edu/students/honors.

Commit

The Commit phase of The Puma Pathway is when you identify your plans to reach your educational, personal, and career goals. These goals are important both in and out of the classroom to ensure your success after completing your program at PVCC.

Committing to a Degree Program

We know that students who commit to a degree program early on are more likely to complete their degree on time and minimize the number of unnecessary courses relevant to their degree program. Visit the Career

Services center to meet with someone who can help you connect your passion to many potential careers. Our Counseling and Personal Development division also can provide you access to several career and self-assessment inventories to match your interests and personality with potential careers. Counseling is also available to facilitate small-group workshops, provide career-related resources, and offer career development courses in career/life planning and resume writing.

Meeting with Your Advisor Regularly

Once you have committed to a degree program, it is important to meet with your academic advisor at least once a semester to review your plan for the following term. Academic Advisor are here to help you develop and successfully complete your Puma Pathway. Our advisors will assist you in creating, reviewing and re-evaluating your educational and life goals, while connecting you to resources including information on college policies and procedures, degree requirements, and university transfer. It is essential that you be an active participant and engage in planning your education. Advisors specialize in helping you commit to a major in order to complete your educational goals that will allow you to thrive at PVCC and beyond. Visit https://www.paradisevalley.edu/students/advisement for more information including operating hours and a list of academic advisors.

Continue to Finance Your Education

It is important that as you continue through your Puma Pathway that you look into new ways to fund your education. Be sure to always check your student center for updates or requirements on your financial aid. Also, continue to apply for scholarships throughout the academic year. Many scholarships have deadlines at many different times of the year, and these can all be used to help offset your educational costs. You may also be eligible for a Federal Work-Study (FWS) position on campus. Visit https://www.paradisevalley.edu/students/financial-aid for more information on continuing to finance your education.

Commit to Your Classes

A large component to being a successful student is knowing how to effectively study and retain necessary information for your courses. The PVCC Learning Support Center (LSC) provides free academic support and learning strategies through services, resources, and collaborations with faculty that allow students and the community to achieve their academic goals. The LSC is a great tool for students in need of some additional support in their courses. Successful students know when to reach out for help, whether this be to your instructor, peers, or the LSC. For more information on the Learning Support Center visit https://www.paradisevalley.edu/students/learning-support-center.

Additional resources available to you at no cost to help you commit to your classes are:

- Computer Commons - https://www.paradisevalley.edu/students/computer-commons
- Counseling - https://www.paradisevalley.edu/students/counseling
- Disability Resources and Services - https://www.paradisevalley.edu/students/disability-resources
- Learning Support Center (LCS)/Tutoring - https://www.paradisevalley.edu/students/learning-support-center
- Library - https://www.paradisevalley.edu/library
- Technology Helpdesk - https://www.paradisevalley.edu/employees/technology-helpdesk

Connect What You Learn

Another trait of successful students is being able to connect what you are learning in the classroom to concepts in your field of study. Spend some time outside of class to learn how your current learning outcomes connect to your future career. Service learning, volunteering, and internships are all great ways to work in your future career field while you are still a student. These aspects also contribute to the vision of life-long learning and furthering your education out of the classroom.

Build Your Resume
Successful students know that they do not have to wait until after they graduate to build a professional resume. The Career Services Office on campus is here to assist you with your resume. Also, be sure to add relevant information on key leadership roles you held in campus organizations and in the community while you were pursuing your degree. Always be thinking about ways to distinguish your resume amongst other applicants including leadership roles, volunteer activities, internships, etc.

Complete

Have you completed all of the necessary requirements for your degree or certificate program? Are you ready to complete your journey at PVCC and move on to whatever comes next? If so, Congratulations! This means the big day is drawing near. However, there are several steps to take to graduate on time and be able to participate in the annual Commencement Ceremony.

Graduation
Application: Students wanting to graduate from any of the Maricopa Community Colleges must submit an application for graduation. This application must be signed by your academic advisor and submitted by the given deadlines. A final application must also include a completed degree check sheet. You will need to submit a separate application for each degree/certificate program and accompany each with a check sheet.

Official Transcripts: If you took classes at another institution, in addition to your PVCC coursework, you must request official transcripts from that institution and ask that they be evaluated and posted to your PVCC record. Official transcripts from external institutions may be subject to specific fees by that respective institution. Official transcripts sent within the Maricopa Community Colleges are free and can be requested in your Student Center.

Fees: If you plan to participate in the annual commencement ceremony in May, you must pay the $25.00 fee (one-time fee refundable up to two weeks prior to graduation). This fee must be paid at Cashiers Services by March 1st or you may pay online in your Student Center. This fee includes your cap and gown, honor cords, five announcements, and your degree/certificate cover.

For additional information pertaining to graduation, visit https://www.paradisevalley.edu/students/admissions/graduation.

Transfer Partnerships
PVCC has many partnerships with several universities to offer an easier transition for community college students interested in transferring to complete their Bachelor's Degree. While the transfer process can seem overwhelming, there are resources available on-campus for you to utilize as you create your transfer plan. Many of our transfer partners also have offices at the PVCC Union Hills Campus for you to meet with and discuss your future plans.

PVCC University Partners Include:
- Arizona State University (ASU)
- Grand Canyon University (GCU)
- NAU @ PVCC
- Northern Arizona University (NAU)
- University of Arizona (U of A)
- University of Arizona North Valley
- 46+ Additional Private Out-of-State Transfer Partners

For more information on transferring from PVCC to a university, visit https://students/advisement/transfer-information.

Thrive

PVCC Alumni Association

If you attended or graduated from PVCC, then you are considered one of PVCC's valued alumni. We welcome you to officially join the Paradise Valley Community College Alumni Association (PVCCAA). The alumni association is a network of proud Pumas supporting each other and encouraging new students to engage in all our college has to offer. PVCCAA members are active in communities from local to global. We contribute our time and talents to make a difference, mentor students, support scholarships, and champion major initiatives supporting community college.

Visit https://www.paradisevalley.edu/alumni for more information including membership benefits, alumni activities, and how to join.

Non-Credit Exercise Courses

Even if you have already completed your degree or certificate from PVCC, you can still be an active community member and enroll in one of our many non-credit exercise courses. We know that exercise is an important aspect of continuing to live a healthy lifestyle, and the PVCC Fitness Center has the perfect resources available to help you continue, or even get started. Non-credit course offerings include fitness center sessions, tai chi, and many others.

Visit https:///www.paradisevalley.edu/academics/health-and-exercise-science/commmunity-fitness for more information.

Lifelong Learning

PVCC is committed to setting the foundation for our students to be lifelong learners. The vision of PVCC is to aspire to be the higher learning organization of choice by creating engaging lifelong educational relationships that inspire and support all learners to increase their capacity for personal growth and positive social change. As our students become the leaders of society, they also continue to learn and further their personal and professional development to reach their full potential.

The Counseling & Personal Development Division offers a Lifelong Learning Seminar Series that is free and open to the public. These seminars cover topics ranging from "Making Your Memory Your Superpower" to "Disengaging from the Harmful Effects of Stereotyping." For more information, contact the Counseling & Personal Development Division at (602) 787-6540.

MCCCD Educational Programs

Academic Policies That GovernAssociates Degrees Designed for University Transfer

AGEC:	Arizona General Education Curriculum
	AGEC-A, AGEC-B, AGEC-S
AA	Associate in Arts
AA EE:	Associate in Arts in Elementary Education
AA FA:	Associate in Arts, Fine Arts–Art Degree
	Associate in Arts, Fine Arts–Dance Degree
	Associate in Arts, Fine Arts–Theatre Degree
AS	Associate in Science
ABus GR:	Associate in Business, General Requirements
ABus SR:	Associate in Business, Special Requirements
AGS:	Associate in General Studies
AAS:	Associate in Applied Science
AC:	Academic Certificates

General Graduation Requirements

Academic Policies that Govern Associate Degrees Designed for University Transfer

Academic policies that govern the Associate degrees designed for university transfer:
(Associate in Arts [AA]; Associate in Science [AS]; Associate in Arts Elementary Education [AA-EE]; Associate in Fine Arts [AA-FA] for Dance, Theatre or Arts; and Associate in Business General Requirements or Special Requirements [ABUS-GR, ABUS-SR]).

Note that academic policies that govern the Associate in General Studies [AGS] and Associate in Applied Science [AAS] degrees are listed separately, with the requirements for each of those degrees.

- The graduation policies within the general catalog must be satisfied (administrative regulation 2.3.9).
- Minimum semester credits for completion vary slightly by degree: 60 credits for AA, AS, AA-EE, and AA-FA- Theatre; 62 credits for ABUS-GR and SR; 60for AA-FA- Art; 65 for AA-FA- Dance.
- Credits completed toward these minimums must be in courses numbered 100 or above with a grade of "C" or better. These credits must include a minimum of 35 in satisfaction of the requirements of the Arizona General Education Curriculum (AGEC) along with a maximum of 6 credits towards MCCCD's Additional Requirements.

General Education Requirements

- The AGEC requirements include a designated number of courses approved for each of the following areas:
  - Core
    - First Year Composition [FYC],
    - Mathematics Studies [MA],
    - Computer/Statistics/Quantitative Applications [CS],
    - Literacy and Critical Inquiry [L],
    - Humanities, Arts and Design [HU],
    - Social-Behavioral Sciences [SB], and
    - Natural Sciences (Science Quantitative [SQ], Science-General [SG]).
  - Awareness Areas
    - Cultural [C]
    - Global [G] or Historical [H]
- MCCCD's Additional Requirements are as follows:
  - Oral Communication
  - Critical Reading

  Note that there are three different AGECs each aligning with a different subset of Associate Degrees (AGEC-A for all Associate in Arts degrees, AGEC-B for all Associate in Business degrees, and AGEC-S for the Associate in Science degree). For some types of AGECs/Associate degrees, students are allowed to choose from a broad list of courses; for others the courses are more restricted or even specified. Checksheets for each of type of Associate degree indicate these details, the number of credits required in each area, and any exceptions.

- A single course can simultaneously count toward a Core Area, one or more Awareness Areas, MCCCD Additional Requirements and, for some degree types, other lower division courses used to meet the degree requirements. For example, CRE101 may be used to satisfy both the MCCCD Reading Requirement and the Literacy and Critical Inquiry area [L] of AGEC core. While multiple requirements can be met with a single course, the credits are only counted one time toward the required minimum for the degree.
- Except for the Associate in Science degree, a single course cannot be used to satisfy more than one AGEC Core Area.
- The General Education Requirements for these degrees may be completed in as few as 35 credits provided that courses selected for the Awareness Areas and MCCCD's Additional Requirements can also be counted toward Core Areas. Optimizing credits in this way is often recommended because some programs and universities limit transferable credits at 64.

Academic Policies that Govern Associate Degrees Designed for University Transfer

General Electives and Other Coursework beyond General Education:

- For some degree types, the additional coursework required to complete the degree is specified while others offer the student more latitude. See degree checksheets for more complete description. Consultation with an academic advisor about course selection is always recommended.
- Note that some majors require up to a 4th semester proficiency (202-course level) in a non-English language.
- Maricopa courses and external courses evaluated as Maricopa equivalents, departmental electives, (e.g., HISELC for a history elective), or general electives (GENELC) that are numbered 100 level or higher, and completed with a grade of "C" or higher, may be applied in the elective area, regardless of potential transferability to other institutions. It is recommended, however, that students planning to transfer to a baccalaureate-granting institution meet these general elective requirements with courses that are transferable and applicable to their intended university degree. Transfer and major guides are accessible on the following websites: aztransfer.com, maricopa.edu/transfer/partners, as well as those of individual universities. For appropriate course selection, students should consult with an advisor.
- Any course cross-referenced under another prefix(es) (for example ENH291/EDU291/STO291-Children's Literature) covers identical content and its credits can only be counted once toward requirements.

Transfer Credit:

From any institutions outside of MCCCD:

- Credits transferred from outside of MCCCD must at a grade of "C" (2.0 on a 4.0 scale) or better.
- External courses evaluated either as equivalent to an MCCCD course or as elective credit may be applied toward the minimum credits for degree completion.
- Transfer credit graded pass/fail or pass/no credit may be used to satisfy AGEC requirements if **documentation collected** by the community college indicates that this was the only grading option available and that the Pass grade ("P") is equivalent to a "C" or better.
- Courses completed at another Arizona public college or university will be based on information obtained from AZTransfer's Arizona Course Equivalency Guide (CEG).

From any AGEC granting/accepting institutions:

- The course evaluation and/or AGEC general education designation for a course is as listed in the AZTransfer's Arizona Course Equivalency Guide (CEG) for the semester in which the course was completed. Transfer credits will be counted toward the AGEC and/or Associate degree requirements based on their evaluated MCCCD equivalence for the semester in which the original coursework was done.

Credit for Prior Learning:

- Credit awarded at a Maricopa Community College for prior learning is transferable to the other colleges in the district but is not necessarily transferable to other colleges and universities. No more than 20 such assessed semester credit hours may be applied toward AGEC, and no more than 30 credits (including up to 20 toward AGEC) may be applied toward a degree

Completion and Transfer:

- Completion of the AGEC with a minimum Grade Point Average of at least 2.0 on a 4.0 scale for Arizona residents and 2.50 for non-residents meets Arizona public university general admission requirements. It does not ensure admission to specific university majors or programs with selective admission processes and/or limited enrollment.
- While MCCCD's Associate degrees are designed to facilitate a seamless transfer to other Arizona institutions, courses may be transferable and/or meet associate degree requirements, but may not necessarily meet the specific requirements of a particular degree, major, or area of emphasis at another institution.

  Students planning to transfer to another college or university are urged to refer to university requirements and academic advisors from both institutions to be certain that all their selected coursework is applicable to the requirements of their intended transfer degree and within their allowed transferable credit limit. For some majors, the statewide Common Course matrix, AZTransfer Pathway Guides and/or University Transfer Guides posted on the AZTransfer website can also provide some guidance. For appropriate course selection, students should consult with an academic advisor.

2017–2018 AGEC Arizona General Education Curriculum
AGEC-A, AGEC-B, AGEC-S

Description

The Maricopa County Community College District Arizona General Education Curriculum (MCCCD AGEC) is a 35–38 semester-credit general education certificate that fulfills lower-division general education requirements for students planning to transfer to any Arizona public community college or university. Generally, the MCCCD AGEC transfers as a block without loss of credit.

In most cases, all courses used to satisfy the MCCCD AGEC will apply to graduation requirements of the university major for which the AGEC was designed.

There are three types of AGECs in MCCCD. They are the AGEC-A, the AGEC-B, and the AGEC-S. As described below, these AGECs are also a component of most MCCCD Associate degrees and comparable degrees at other Arizona public community colleges. The AGEC-A is the general education block of the five different MCCCD Associate in Arts (AA) degrees, the AGEC-B is part of the two MCCCD Associate in Business (ABUS) degrees, and the AGEC-S defines the general education requirements in MCCCD Associate in Science (AS) degree.

As described in more detail below, all AGECs require designated Core courses in First Year Composition [FYC], Literacy and Critical Inquiry [L], Mathematical Studies [MA/CS] (Exception: The AGEC-S does not require CS.), Social-Behavioral Sciences [SB], Humanities, Design and Fine Arts [HU], and Natural Science [SQ/SG. Students must satisfy two Awareness areas: Cultural Diversity in U.S. and either Global Awareness or Historical Awareness.

Purpose of the AGECs

AGECs were designed to articulate with different academic majors, and their particular requirements vary accordingly. In some majors students are allowed to choose from a broad list of courses to satisfy the AGEC requirements; for others the courses are more restricted or even specified. Additional information on academic majors at the Arizona public universities can be accessed via the following website: www.aztransfer.com

1. The AGEC-A is designed to satisfy requirements in many liberal arts majors as well as other majors that articulate with an Associate in Arts degree (e.g., social sciences, fine arts, humanities, elementary education). AGEC-A requires a minimum of college mathematics or college algebra to satisfy the Mathematics [MA] requirement.

2. The AGEC-B is designed to satisfy requirements in business majors that articulate with the Associate in Business. AGEC-B requires a minimum of brief calculus to satisfy the Mathematics [MA] requirement.

3. The AGEC-S is designed to satisfy requirements in majors with more prescriptive mathematics and mathematics-based science requirements such as many in the sciences, technology, engineering and mathematics. AGEC-S requires a minimum of the first course in a calculus sequence to satisfy the Mathematics [MA] requirement, and a minimum of eight credits of either university chemistry, university physics or general biology for majors to satisfy the Natural Sciences [SQ/SG] requirement. In addition, students must select six to eight additional credits of math and/or science appropriate to their major.

Academic Policies that Govern the AGEC A, B, S:

- Requires completion of 35-38 credit hours in courses numbered 100 and above and that a minimum of 12 of those credits be taken at one or any combination of the MCCCD colleges.
- All courses applied to the AGEC must be completed with a grade of "C" or better.
- A single course can simultaneously count toward a Core Area and one or more Awareness Areas. For example, a course in world geography can be used to satisfy [SB] and [G] requirements. While multiple requirements can be met with a single course, the credits for that course are only counted one time toward the required minimum total for the AGEC. Except as detailed below for the AGEC-S, a single course cannot be used to satisfy more than one AGEC Core Area.
- The General Education Requirements for these certificates may be completed in as few as 35 credits provided that courses selected for the Awareness Areas can also be counted toward Core Areas.

Transfer Credit:

From any institutions outside of MCCCD:

- Credits transferred from outside of MCCCD must at a grade of "C" (2.0 on a 4.0 scale) or better.
- Transfer credit graded pass/fail or pass/no credit may be used to satisfy AGEC requirements if documentation collected by the community college indicates that this was the only grading option available and that the Pass grade ("P") is equivalent to a "C" or better.
- External courses either with AGEC designations (from an AGEC granting/accepting institution at which they were taken) or evaluated as equivalent to an MCCCD course with one or more AGEC

2017–2018
AGEC Arizona General Education Curriculum
AGEC-A, AGEC-B, AGEC-S Continued

designations may be applied toward the minimum credits for certificate completion. A course evaluation and/or general education designation may be subject to change. The AGEC designations are determined by how they are listed in AZTransfer's Arizona Course Equivalency Guide (CEG) for the semester in which the courses were completed. Given that curriculum is dynamic at both MCCCD and the institutions from or to which MCCCD students transfer, students have the option to petition for exceptions to official course evaluations and/or general education designations.

Credit for Prior Learning

- Credit awarded at a Maricopa Community College for prior learning in non-traditional setting is transferable to the other colleges in the MCCC district but is not necessarily transferable to other colleges and universities. No more than 20 such assessed semester credit hours may be applied toward AGEC.

Completion and Transfer:

- Completion of the AGEC with a minimum grade point average of at least 2.0 on a 4.0 scale for Arizona residents and 2.50 for non-residents meets Arizona public university general admission requirements. It does not ensure admission to specific university majors or programs with selective admission processes and/or limited enrollment.
- Students planning to transfer to another college or university are urged to refer to university requirements and academic advisors from both institutions to be certain that all their selected coursework is applicable to the requirements of their intended transfer degree. For some majors, the statewide Common Course matrix, AZTransfer Pathway Guides and/or University Transfer Guides posted on the AZTransfer website can also provide some guidance. For appropriate course selection, students should consult with an academic advisor.

AGEC Requirements

The 35-38 semester credits required for each of the three AGECs follow. Descriptions and definitions of each requirement area follow. View specific course information via the following website: https://asa.maricopa.edu/departments/center-for-curriculum-transfer-articulation by clicking on thestatewide AGEC link. The lists provided for AGEC-A, -B, -S, and AGEC Matrix identify the courses in alpha-order by prefix as well as the different Core Areas and/or Awareness Areas where each course will apply.

AGEC-A Requirements

(Note that for students pursuing majors in the Fine Arts (Art, Theatre, Dance) or Elementary Education the required courses for some of the Core and/or Awareness Areas are much more prescriptive. Students in these majors should consult corresponding specialized Associate in Arts degree requirements and/or anacademic advisor for guidance in the selection of their general education course work to minimize loss of credits).

A. Core Areas: **Credits: 35**

Some of these courses also have Awareness Areas designations and can be used to satisfy [C], [G] and/or [H] requirement(s) as well as their respective Core Area. (See AGEC matrix for current course values.)

1. First-Year Composition (FYC) 6
2. Literacy and Critical Inquiry [L] 3
3. Mathematical Studies [MA/CS] 3-5
   Requires a course in college mathematics (MAT140, MAT141, MAT142) or college algebra (MAT150, MAT151, MAT152) or pre-calculus (MAT187) or any other mathematics course designated with the [MA] general education value and for which college algebra is a prerequisite.)
4. Computer/Statistics/Quantitative Applications [CS] 3
5. Humanities, Arts and Design [HU] 6
   Students are encouraged to choose courses from more than one discipline
6. Social-Behavioral Sciences [SB] 6
   Students are encouraged to choose courses from more than one discipline
7. Natural Sciences [SQ/SG] 8
   The lecture course(s) selected for Natural Sciences must include or be accompanied by the corresponding laboratory course for a total of 4 credits each. Credits for lecture and lab components may be combined or each may carry separate credit.

   At least four (4) credits must be designated as SQ. Eight (8) credits of SG will not satisfy this requirement.

2017–2018 AGEC

Arizona General Education Curriculum

AGEC-A, AGEC-B, AGEC-S Continued

B. Awareness Areas: 0-6

Some courses may be used to satisfy both a Core Area and one or more Awareness Area(s). (See AGEC matrix for current course values.)

1. Cultural Diversity in the United States [C] 0-3
2. Global Awareness [G] OR Historical Awareness [H] 0-3

AGEC Area Requirements Descriptions/Definitions

CORE AREAS

First-Year Composition (FYC)

First-Year Composition courses emphasize skills necessary for college-level expository writing, including correct grammar and punctuation, logical organization of ideas, and identification of supporting documentation.

Literacy and Critical Inquiry [L]

In the [L] course students, typically at the sophomore level, gather, interpret, and evaluate evidence and express their findings in writing or speech. This course includes a series of graded written or spoken formal assignments.

Literacy is defined broadly as communicative competence in written and oral discourse; critical inquiry is defined as the gathering, interpreting, and evaluating of evidence. Building on the proficiency attained in traditional First-Year Composition courses, the Literacy and Critical Inquiry [L] requirement sustains and extends students' ability to thoughtfully use and critically analyze written and/or spoken language.

Mathematical Studies [MA]

The Mathematical Studies requirement is intended to ensure that students have requisite skill in mathematics appropriate for their discipline and can apply mathematical analysis in their chosen fields.

Computer/Statistics/Quantitative Applications [CS]

AGEC-A and AGEC-B require a course that emphasizes the use of statistics, other mathematical methods, computer programming languages and/or software in the interpretation of data and in describing and analyzing quantitative relationships.

Humanities, Arts and Design [HU]

The study of the humanities and the disciplines of art and design deepen awareness of the complexities of the human condition and its diverse histories and cultures. Courses in the humanities are devoted to the production of human thought and imagination, particularly in philosophical, historical, religious and artistic traditions. Courses with an emphasis in fine arts and design are devoted to the study of aesthetic experiences and the processes of artistic creation. They may also feature a design emphasis in which material culture is studied as a product of human thought and imagination.

Social-Behavioral Sciences [SB]

The Social-Behavioral Sciences Core area provides scientific methods of inquiry and empirical knowledge about human behavior, both within society and within individuals. This area of emphasis in general education curriculum may include study of such disciplines as anthropology, economics, history, political science, psychology, or sociology. The courses in this area address the challenge of understanding the diverse natures of individuals and cultural groups who live together in a complex and evolving world.

Natural Sciences [SQ/SG]

In addition to an understanding of basic scientific principles and concepts, courses in the Natural Sciences Core area are designed to help students appreciate, from firsthand laboratory and/or field research experience, the nature of science as a process that embraces curiosity, inquiry, testing, and communication to better understand natural phenomena At least one of the two natural science courses must include an introduction to the fundamental behavior of matter and energy in physical or biological systems.

2017–2018
AGEC Arizona General Education Curriculum
AGEC-A, AGEC-B, AGEC-S Continued

AWARENESS AREAS

Students must satisfy two Awareness areas: Cultural Diversity in U.S. and either Global Awareness or Historical Awareness. Courses can satisfy a Core area and one or two Awareness areas simultaneously. Therefore, no additional semester credits are required to satisfy the two Awareness areas.

Cultural Diversity in the United States [C]

The contemporary "culture" of the United States involves the complex interplay of many different cultures that exist side by side in various states of harmony and conflict. U.S. history involves the experiences not only of different groups of European immigrants and their descendants, but also of diverse groups of American Indians, Hispanic Americans, African Americans and Asian Americans--all of whom played significant roles in the development of contemporary culture and together shape the future of the United States. At the same time, the recognition that gender, class, and religious differences cut across all distinctions of race and ethnicity offers an even richer variety of perspectives from which to view one. Awareness of cultural diversity and its multiple sources can illuminate the collective past, present, and future and can help to foster greater mutual understanding and respect.

The objective of the Cultural Diversity area requirement is to promote awareness of and appreciation for cultural diversity within the contemporary United States. This is accomplished through the study of the cultural, social, or scientific contributions of women and minority groups, examination of their experiences in the United States, or exploration of successful or unsuccessful interactions between and among cultural groups.

Global Awareness [G]

Human organizations and relationships have evolved from being family and village centered to the modern global interdependence that is apparent in many disciplines--for example, contemporary art, business, engineering, music, and the natural and social sciences. Many serious local and national problems are world issues that require solutions which exhibit mutuality and reciprocity. These problems occur in a wide variety of activities, such as food supply, ecology, health care delivery, language planning, information exchange, economic and social developments, law, technology transfer, and even philosophy and the arts. The Global Awareness Area recognizes the need for an understanding of the values, elements, and social processes of cultures other than the culture of the United States. The Global Awareness Area includes courses that recognize the nature of other contemporary cultures and the relationship of the American cultural system to generic human goals and welfare.

Courses that satisfy the global awareness option in the requirements are of one or more of the following types:

1. Area studies that are concerned with an examination of culture-specific elements of a region of the world;
2. The study of a non-English language;
3. Studies of international relationships, particularly those in which cultural change is facilitated by such factors as social and economic development, education, and the transfer of technology; and
4. Studies of cultural interrelationships of global scope such as the global interdependence produced by problems of world ecology.

Historical Awareness [H]

The Historical Awareness Area option in the requirements aims to develop a knowledge of the past that can be useful in shaping the present and future. Because historical forces and traditions have created modern life and lie just beneath its surface, historical awareness is an aid in the analysis of present-day problems. Also, because the historical past is a source of social and national identity, historical study can produce intercultural understanding by tracing cultural

differences to their origins. Even the remote past may have instructive analogies for the present. The Historical Awareness Area consists of courses that are historical in method and content. In this area, the term "history" designates a sequence of past events or a narrative whose intent or effect is to represent such a sequence.

The requirement presumes that these are human events and that history includes all that has been felt, thought, imagined, said, and done by human beings. History is present in the languages, art, music, literature, philosophy, religion, and the natural sciences, as well as in the social science traditionally called history.

2017–2018
AA

Associate in Arts

Description
The Maricopa County Community College District Associate in Arts degree requires 60–64 semester credits for the program of study. The degree includes the following components:

I. General Education:
Arizona General Education Curriculum for Arts (AGEC-A)
MCCCD Additional Requirements
II. General Electives

Purpose of the Degree
The Associate in Arts degree is designed for students planning to transfer to four-year colleges and universities. In general, the components of the degree meet requirements for majors in the Liberal Arts or programs of study other than business or science. Generally, the degree will transfer as a block without loss of credit to Arizona's public universities and other institutions with district-wide articulation agreements.

In most cases, courses used to satisfy the MCCCD Associate in Arts will apply to university graduation requirements of the university major for which the Associate in Arts is designed. Information regarding the articulation of the Associate in Arts with majors at the Arizona public universities can be accessed via the following website: www.aztransfer.com

Degree Requirements
The 60-64 semester credits required for the Associate in Arts follow. The following websites identify the courses that apply to the different General Education Core and Awareness Areas: AGEC-A and the AGEC matrix. Courses available for both Areas during a current or upcoming semester can also be found using the "Find A Class" tool on each MCCCD college's website.

I.	MCCCD General Education	35-47 credits
	AGEC-A 35-41 credits	
1.	Core Areas:	35
	Note that some of these courses also have Awareness Areas designations and can be used to satisfy [C], [G] and/or [H] requirement(s) as well as their respective Core Area. (See AGEC matrix for current course values.)	
	a. First-Year Composition (FYC) . ENG101 OR ENG107 AND ENG102 OR ENG108	6
	b. Literacy and Critical Inquiry [L]	3
	c. Mathematics [MA] Requires a course in college mathematics (MAT140, MAT141, MAT142) or college algebra (MAT150, MAT151, MAT152) or precalculus (MAT187) or any other [MA] designated course for which college algebra is a pre-requisite.	3
	d. Computer/Statistics/Quantitative Applications [CS]	3
	e. Humanities, Arts and Design [HU] Students are encouraged to choose course work from more than one discipline	6
	f. Social-Behavioral Sciences [SB] Students are encouraged to choose course work from more than one discipline	6
	g. Natural Sciences [SQ/SG] The lecture course(s) selected for Natural Sciences must include or be accompanied by the corresponding laboratory course for a total of 4 credits each. Credits for lecture and lab components may be combined or each may carry separate credit. At least four (4) credits must be designated as SQ. Eight (8) credits of SG will not satisfy this requirement.	8
2.	Awareness Areas: Some courses may be used to satisfy both a Core Area and one or more Awareness Area(s). (See AGEC matrix for current course values.)	0-6
	a. Cultural Diversity in the United States [C]	0-3
	b. Global Awareness [G] OR Historical Awareness [H]	0-3

2017–2018
AA

Associate in Arts
Continued

MCCCD Additional Requirements **0-6**

As noted below, courses in this area may also be applied towards AGEC-A Core Area requirements..

1. Oral Communication 0-3
   - COM100 [SB] Introduction to Human Communication OR
   - COM110 [SB] Interpersonal Communication OR
   - COM225 [L] Public Speaking OR
   - COM230 [SB] Small Group Communication (3 credits) OR
   - COM100AA & COM100AB & COM100AC [SB] (3 credits) OR
   - COM110AA & COM110AB & COM110AC [SB] (3 credits)
2. Critical Reading 0-3
   - Students may demonstrate proficiency through assessment.
   - CRE101 [L] Critical Reading OR equivalent as indicated by assessment

II. General Electives **13-29**

Select courses 100-level or higher to complete a minimum of 60 semester credits but no more than a total of 64 semester credits. Ideally students should select courses that meet requirements for their major/area of interest and transfer institution. See General Associate Degree Academic Policies for further details, limitations and guidelines.

Maricopa courses and external courses evaluated as Maricopa equivalents, departmental electives (e.g., HISELC for a history elective), or general electives (GENELC) that are numbered 100 level or higher, and completed with a grade of "C" or higher, may be applied in the elective area, regardless of potential transferability to other institutions. It is recommended, however, that students planning to transfer to a baccalaureate-granting institution meet these general elective requirements with courses that are transferable and applicable to their intended university degree. Transfer and major guides are accessible on the following websites: aztransfer.com, maricopa.edu/transfer/partners, as well as those of individual universities. For appropriate course selection, students should consult with an advisor.

Associate in Arts Total Credits: **60-64**

2017–2018
AA EE
Associate in Arts
Elementary Education

Description

The MCCCD Associate in Arts in Elementary Education (AAEE) requires the student to complete a total of 60-63 semester credits in the program of study. The degree has two major components:

I. General Education:
   Arizona General Education Curriculum for Arts (AGEC-A)
   MCCCD Additional Requirements
II. Elementary Education Requirements
   Education Foundations
   Restricted Electives

Purpose of the Degree

The AAEE is designed for the student who plans to transfer to an Elementary Education, Early Childhood, Multicultural/Multilingual, or Special Education program at an Arizona public higher education institution and/or who plans to become a classroom instructional aide. Generally, the degree transfers as a block without loss of credit to Arizona's public universities, and in most cases, its required courses apply to graduation requirements for these Education majors.

Degree Requirements	**Credits**
I. MCCCD General Education 35-41	
AGEC-A	35-38
1. Core Areas:	35
a. First-Year Composition (FYC)	6
ENG101 OR ENG107 AND	
ENG102 OR ENG108	
b. Literacy and Critical Inquiry [L]	3
COM225 Public Speaking	
c. Mathematics [MA]	3
Requires a course in college mathematics (MAT140, MAT141, MAT142) or college algebra (MAT150, MAT151, MAT152) or pre calculus (MAT187) or any other [MA] designated course for which college algebra is a pre-requisite. (Note that MAT256, MAT257, MAT182, and MAT206 are excluded)	
d. Computer/Statistics/Quantitative Applications [CS]	3
BPC110 Computer Usage and Applications OR	
CIS105 Survey of Computer Information Systems	
e. Humanities, Arts and Design [HU]	6
Note that some of these courses also have Awareness Areas designations (see section 2 below) and can be used to satisfy [G] and/or [H] requirement as well as [HU]. (See AGEC matrix for current course values.)	
1) Select one of the following ARH, DAH, MHL or THE courses :	
ARH100 Introduction to Art OR	
ARH101 Prehistoric through Gothic Art OR	
ARH102 Renaissance through Contemporary Art OR	
DAH100 Introduction to Dance OR	
DAH201 World Dance Studies OR	
DAH250 Dance in Popular Culture OR	
MHL140 Survey of Music History OR	
MHL145 American Jazz and Popular Music OR	
MHL146 Survey of Broadway Musicals OR	
MHL153 Rock Music and Culture OR	
THE111 Introduction to Theatre OR	
THE220 Modern Drama	
AND	

2017–2018
AA EE
Associate in Arts
Elementary Education Continued

2) Select one of the following EDU, ENH or HUM courses:
EDU/ENH291 Children's Literature OR
ENH110 Introduction to Literature OR
ENH241 American Literature Before 1860 OR
ENH242 American Literature After 1860 OR
HUM250 or HUM251 Ideas and Values in the Humanities

f. Social-Behavioral Sciences [SB] 6
Note that some of these courses also have Awareness Areas designations (see section 2 below) and can be used to satisfy [G] and/or [H] requirement as well as [SB]. (See AGEC matrix for current course values.)
1) Select one of the following US History/Government courses
These courses satisfy the United States Constitution requirement for state teacher certification.
HIS103 United States History to 1865 OR
POS110 American National Government OR
GCU/POS113 (GCU/POS227 if taken prior to Fall 2016) United States and Arizona Social Studies
AND
2) Select one of the following CFS, ECH, GCU, ECN, HIS or PSY courses
CFS205 Human Development OR
ECH/CFS176 Child Development OR
GCU121 World Geography I: Eastern Hemisphere OR
GCU122 World Geography II: Western Hemisphere OR
ECN211 Macroeconomic Principles OR
ECN212 Microeconomic Principles OR
HIS104 United States History 1865 to Present OR
PSY101 Introduction to Psychology

g. Natural Sciences [SQ/SG] 8
The lecture course(s) selected for Natural Sciences must include or be accompanied by the corresponding laboratory course for a total of 4 credits each. At least four (4) credits must be designated as SQ. Eight (8) credits of SG will not satisfy this requirement.
1) Life Sciences: Select four (4) credits of SQ or SG in Biology (BIO)
AND
2) Physical Sciences or Earth/Space Sciences: Select four (4) credits of SQ or SG from one of the following prefixes: AGS, ASM, AST, CHM, GPH, GLG, PHS, or PHY
Note: Students are advised to check with the university they plan to attend as specific requirements for lab sciences may vary.

2. Awareness Areas: 0-3
a. Cultural Diversity in the United States [C] 0
Met by Elementary Education Requirements below. No additional coursework required.
b. Global Awareness [G] OR Historical Awareness [H] 0-3
May be met by [HU] and/or [SB] course depending on specific courses selected.
(See AGEC matrix for current course values.)

MCCCD Additional Requirements 0-3
1. Oral Communication 0
Met by COM225 required as part of AGEC Core. No additional coursework required.
2. Critical Reading 0-3
Students may demonstrate proficiency through assessment.
CRE101 Critical Reading OR equivalent as indicated by assessment

2017–2018
AA EE

Associate in Arts
Elementary Education Continued

II. Elementary Education Requirements 25

A. Education Foundations 17

Complete all of the following:

EDU221 Introduction to Education
EDU222 Introduction to the Exceptional Learner
EDU230 Cultural Diversity in Education
MAT256 Investigating Quantity: Number, Operations and Numeration Systems
MAT257 Investigating Geometry, Probability and Statistics

B. Electives for Arizona Professional Teacher Standards 8

A total of 8 semester credits are required to satisfy the Electives for Arizona Professional Teacher Standards: 3 credits in an additional Education course and 5 credits in Content Area Electives.

Courses must transfer to all public Arizona universities as Elective Credit, Departmental Elective, or Equivalent to a university course as indicated in the Arizona Course Equivalency Guide in effect when the course is taken. Courses identified as Non-transferable in the Arizona Course Equivalency Guide cannot be used to satisfy this requirement.

1. Additional Education Course Requirement 3

Select any EDU course(s) (except EDU221, EDU222, EDU230 and EDU250) to satisfy this requirement.

2. Content Area Electives 5

Courses must transfer to all public Arizona universities as Elective Credit, Departmental Elective, or Equivalent to a university course as indicated in the Arizona Course Equivalency Guide in effect when the course is taken. Course identified as Non-transferable in the Arizona Course Equivalency Guide cannot be used to satisfy this requirement.

Choose any combination from the following list of courses and prefixes to total five (5) credits of additional coursework. Course(s) selected must be different from those counted toward AGEC-A or Education Foundations requirements.

See note below regarding Arizona Constitution requirement for state certification.

Any ARH, ART, CIS, ECN, BPC, ENG, ENH, GCU, GPH, HIS, MHL, MTC, POS, THF, THE, THP prefixed course(s)
Any EDU course(s) (except EDU221, EDU222, EDU230 and EDU250)
Any MAT (courses numbered higher than 142 except MAT256 and MAT257)
Any Foreign Language course(s)
Any Natural Science course(s)
CFS/ECH176 Child Development
CFS205 Human Development
EED215 Early Learning: Heath, Safety, Nutrition and Fitness
AAA/CPD115 Creating College Success

Associate in Arts Elementary Education Total Credits: 60-66

NOTE: State certification requirements include courses on the constitutions of US and Arizona. Taking GCU/POS113 for [SB] fulfills this requirement completely. Students who instead take HIS103 or POS110 for [SB] may want to consider taking POS221 as a Content Area Elective so they have completed study of both constitutions. POS220 meets state certification requirements for both constitutions but does not meet [SB].

Associate in Fine Arts

Art Degree

Description

The Maricopa County Community College District Associate in Arts, Fine Arts – Art (AAFA-Art) degree requires a minimum of 60 semester credits for the program of study. The degree includes the following components:

I. General Education:
Arizona General Education Curriculum for Arts (AGEC-A)
MCCCD Additional Requirements
II. Fine Arts Requirements–Art

Purpose of the Degree

The Associate in Arts, Fine Arts-Art degree is designed for students planning to transfer to four-year colleges and universities. In general, the components of the degree meet requirements for majors in the Fine Arts. The degree is designed to prepare students to meet selective admission criteria for programs such as the Bachelor of Fine Arts, which may require a portfolio or performance requirement.

The semester credits used to satisfy the MCCCD Associate in Arts, Fine Art-Art degree may apply to university graduation requirements of the university major for which the degree is designed. Information regarding the articulation of the degree with majors at the Arizona public universities can be accessed via the following website: www.aztransfer.com

Degree Requirements

The 60-69 semester credits required for the Associate in Arts, Fine Arts - Art degree follow. The following websites identify the courses that apply to the different General Education Core and Awareness Areas: AGEC-A and the AGEC Matrix. Courses available for both Areas during a n upcoming semester can also be found using the "Find A Class" website at each MCCCD college.

I. MCCCD General Education **35-44 credits**
AGEC-A **35-38 credits**

1. Core Areas: 35
   Note that some of these courses also have Awareness Areas designations and can be used to satisfy [C], [G] and/or [H] requirement(s) as well as their respective Core Area. (See AGEC matrix for current course values.)
   a. First-Year Composition (FYC) 6
      ENG101 OR ENG107 AND ENG102 OR ENG108
   b. Literacy and Critical Inquiry [L] 3
   c. Mathematics [MA] 3
      Requires a course in college mathematics (MAT140, MAT141, MAT142) or college algebra (MAT150, MAT151, MAT152) or pre-calculus (MAT187) or any other [MA] designated course for which college algebra is a pre-requisite.
   d. Computer/Statistics/Quantitative Applications [CS] 3
   e. Humanities, Arts and Design [HU] 6
      ARH101 [H] Prehistoric Through Gothic Art AND
      ARH102 [H] Renaissance Through Contemporary Art
   f. Social-Behavioral Sciences [SB] 6
      Students are encouraged to choose course work from more than one discipline.
   g. Natural Sciences [SQ/SG] 8
      The lecture course(s) selected for Natural Sciences must include or be accompanied by the corresponding laboratory course for a total of 4 credits each. Credits for lecture and lab components may be combined or each may carry separate credit. At least four (4) credits must be designated as SQ. Eight (8) credits of SG will not satisfy this requirement.
2. Awareness Areas: 0-6
   a. Cultural Diversity in the United States [C] 0-3
      May be met by [HU] or [SB] course depending on specific courses selected. (See AGEC matrix for current course values.)
   b. Global Awareness [G] OR Historical Awareness [H] 0
      Met by ARH101 and ARH102 required as part of AGEC-Core. No additional coursework required.

Associate in Fine Arts
Dance Degree

Description
The Maricopa County Community College District Associate in Arts, Fine Arts - Dance degree requires a minimum of 65 semester credits for the program of study. The degree includes the following components:

I. General Education:
   Arizona General Education Curriculum for Arts (AGEC-A)
   MCCCD Additional Requirements
II. Fine Arts Requirements – Dance

Purpose of the Degree
The Associate in Arts, Fine Arts - Dance degree is designed for students planning to transfer to four-year colleges and universities. In general, the components of the degree meet requirements for majors in the Fine Arts. The degree is designed to prepare students to meet selective admission criteria for programs such as the Bachelor of Fine Arts, which may require a portfolio or performance requirement.

In most cases, courses used to satisfy the MCCCD Associate in Arts, Fine Arts – Dance will apply to general university graduation requirements of the majors that align with AAFA-Dance degree; however, students need to be aware of any specific requirements of their intended focus at the university to be sure they select courses that will meet them. Information regarding the articulation of the AAFA-Dance degree with majors at the Arizona public universities can be accessed via the following website: www.aztransfer.com

Degree Requirements
The 65-74 semester credits required for the Associate in Arts, Fine Arts - Dance degree follow. The following websites identify the courses that apply to the different General Education Core and Awareness Areas: AGEC-A and the AGEC Matrix. Courses available for both Areas during a current or upcoming semester can also be found using the "Find A Class" tool on each MCCCD college's website.

		Credits
I.	**MCCCD General Education**	35-44

course for a total of 4 credits each. Credits for lecture and lab components may be combined or each may carry separate credit.

BIO160 [SG] Introduction to Human Anatomy and Physiology OR
BIO201 [SG] Human Anatomy and Physiology I
AND Any [SQ] course

2. Awareness Areas: 0-3
   a. Cultural Diversity in the United States [C] 0-3
      May be met by [HU] or [SB] course depending on specific courses selected.
   b. Global Awareness [G] OR Historical Awareness [H] 0-3

MCCCD Additional Requirements 0-6

As noted below, courses in this area may also be applied towards AGEC-A Core Area requirements.

1. Oral Communication 0-3
   COM100 [SB] Introduction to Human Communication OR
   COM110 [SB] Interpersonal Communication OR
   COM225 [L] Public Speaking OR
   COM230 [SB] Small Group Communication (3 credits) OR
   COM100AA & COM100AB & COM100AC [SB] (3 credits) OR
   COM110AA & COM110AB & COM110AC [SB] (3 credits)

2. Critical Reading 0-3
   Students may demonstrate proficiency through assessment.
   CRE101 [L] Critical Reading OR equivalent as indicated by assessment

II. Fine Arts Requirements – Dance **30**

1. Part I: Foundation 12
   Complete all of the following:
   DAN150 Dance Performance I
   DAN210 Dance Production I
   DAN221 Rhythmic Awareness I
   DAN264 Choreography I
   DAN280 Dance Practicum

2. Part II: Performance Standards 9
   Select from the following options to complete a minimum of nine semester credits.
   Students must attain Level III competency in ballet and modern dance courses:
   Ballet I-IV: (maximum of 2 credits each) DAN131 (1), 134 (1), 231 (1), 234 (1) 1-2
   Ballet III and IV [Intensive] :(max of 4 credits each) DAN231AA (2), 234AA (2) 2-4
   Ballet Pointe: DAN237 (1) 1

   Modern I-IV: (maximum of 2 credits each) DAN132 (1), 135 (1), 232 (1), 235 (1) 1-2
   Modern III and IV [Intensive] :(max of 4 credits each) DAN232AA (2), 235AA (2) 2-4

   Jazz I-IV: (maximum of 1 credit each) DAN133 (1), 136 (1), 233 (1) 1
   Jazz III and IV [Intensive] :(max of 2 credits each) DAN233AA (2), 236AA (2) 2

   Dance Conservatory I-III: DAN290++, 291++, 292++ (any 1-3

3. Part III: Restricted Electives 0-3
   Students can choose to complete a combination of up to three credits in Part III and the remaining credits in Part IV; or students can opt to complete all Elective credits in Part IV.
   No more than three credits may be selected from the following DAN prefixed courses:

Associate in Arts, Fine Arts – Dance Total Credits: 65-74

2017–2018
AA FA

Associate in Fine Arts
Theatre Degree

Description
The Maricopa County Community College District Associate in Arts, Fine Arts-Theatre degree requires a minimum of 60-64 semester credits for the program of study. The degree includes the following components:

I. General Education:
   Arizona General Education Curriculum for Arts (AGEC-A)
   MCCCD Additional Requirements
II. Fine Arts Requirements-Theatre

Purpose of the Degree
The Associate in Arts, Fine Arts - Theatre (AAFA -Theatre) degree is designed for students planning to transfer to four-year colleges and universities. In general, the components of the degree meet requirements for majors in the Fine Arts. The degree is designed to prepare students to meet selective admission criteria for programs such as the Bachelor of Fine Arts, which may require a portfolio or performance requirement.

In most cases, courses used to satisfy the MCCCD Associate in Arts, Fine Arts – Theatre will apply to general university graduation requirements of the majors that align with AAFA-Theatre degree; however, students need to pay attention to any specific requirements of their intended focus at the university to be sure they select courses that will meet them. Information regarding the articulation of the AAFA-Theatre degree with majors at the Arizona public universities can be accessed via the following website: www.aztransfer.com

The 60-64 semester credits required for the Associate in Arts, Fine Arts - Theatre degree follow. The following websites identify the courses that apply to the different General Education Core and Awareness Areas: AGEC-A and the AGEC Matrix. Courses available for both Areas during a current or upcoming semester can also be found using the "Find A Class" tool on at each MCCCD college's website.

I.	**MCCCD General Education**	**35-44 credits**
	AGEC-A	**35-41 credits**
	Note that some of these courses also have Awareness Areas designations and can be used to satisfy [C], [G] and/or [H] requirement(s) as well as their respective Core Area. (See AGEC matrix for current course values.)	
1.	Core Areas:	35
a.	First-Year Composition (FYC) ENG101 OR ENG107 AND ENG102 OR ENG108	6
b.	Literacy and Critical Inquiry [L] THE220 Modern Drama	3
c.	Mathematics [MA] Requires a course in college mathematics (MAT140, MAT141, MAT142) or college algebra (MAT150, MAT151, MAT152) or pre-calculus (MAT187) or any other [MA] designated course for which college algebra is a pre-requisite.	3
d.	Computer/Statistics/Quantitative Applications [CS]	3
e.	Humanities, Arts and Design [HU] HUM/THF205 Introduction to Cinema AND THE111 Introduction to Theatre	6
f.	Social-Behavioral Sciences [SB] Students are encouraged to choose course work from more than one discipline.	6
g.	Natural Sciences [SQ/SG] The lecture course(s) selected for Natural Sciences must include or be accompanied by the corresponding laboratory course for a total of 4 credits each. Credits for lecture and lab components may be combined or each may carry separate credit. At least four (4) credits must be designated as SQ. Eight (8) credits of SG will not satisfy this requirement.	8
2.	Awareness Areas:	0-6
a.	Cultural Diversity in the United States [C] May be met by [SB] course depending on specific courses selected.	0-3
b.	Global Awareness [G] OR Historical Awareness [H] May be met by [SB] and/or [SQ/SG] course depending on specific courses selected.	0-3

2017-2018
AS

Associate in Science

Description
The Maricopa County Community College District Associate in Science degree requires 60-64 semester credits for the program of study. The degree includes the following components:

I. General Education:
Arizona General Education Curriculum for Science (AGEC-S)
MCCCD Additional Requirements
II. General Electives

Purpose of the Degree
The Associate in Science degree is designed for students planning to transfer to four-year colleges and universities. In general, the components of the degree meet requirements for majors with more stringent mathematics and mathematics-based science requirements. Generally, the degree will transfer as a block without loss of credit to Arizona's public universities and other institutions with district-wide articulation agreements.

In most cases, courses used to satisfy the MCCCD Associate in Science will apply to general university graduation requirements of the majors that align with Associate in Science degree; however, students need to be aware of any specific requirements of their intended major at the university to be sure they select courses that will meet them. Information regarding the articulation of the Associate in Science with majors at the Arizona public universities can be accessed via the following website: www.aztransfer.com

It is recommended that students select courses that meet more than one general education and/or awareness area requirement. Doing so will maximize the number of math and science electives the student can take as part of his/her Associate in Science degree.

Special Academic Policies that Govern the Associate in Science Degree

- The AGEC-S does not require a course with [CS] Computer/Statistics designation.
- Unlike the AGEC-A and AGEC-B, the same course is allowed to satisfy the ([L] and [HU]) or ([L] and [SB]) areas of the AGEC-S's Core Area. The credits for such a "shared" course are only counted one time toward the required minimum for the degree.

Degree Requirements
The 60–64 semester credits required for the Associate in Science follow. The following websites identify the courses in that apply to the different General Eduation Core and Awareness Areas: AGEC-S and the AGEX Matrix. Courses available for both areas during a current or upcoming semester can also be found using the "Find A Class" tool on each MCCCD college's website.

I. MCCCD General Education
The MCCCD General Education includes two areas: MCCCD AGEC-S and MCCCD Additional Requirements.

I.	**MCCCD General Education**	**36-56**
	AGEC-S	**36-50**
1.	Core Areas:	36–44
a.	First-Year Composition (FYC) ENG101 OR ENG107 AND ENG102 OR ENG108	6
b.	Literacy and Critical Inquiry [L]	0–3
c.	Mathematics [MA] Requires the first semester of calculus courses designed for scientists and engineers (MAT220 or MAT221) or any other [MA] designated course for which Calculus I is a pre-requisite.	4-5
d.	Humanities, Arts and Design [HU] For the AGEC-S, a single course with both [HU] and [L] designations may satisfy both Areas. Note that some of these courses also have Awareness Areas designations and can be used to satisfy [C], [G] and/or [H] requirement(s) as well as their respective Core Area(s). (AGEC designations are subject to change. See AGEC matrix for each course's value(s) in the semester it is taken.)	6
e.	Social-Behavioral Sciences [SB] For the AGEC-S, a single course with both [SB] and [L] designations may satisfy both Areas. Note that some of these courses also have Awareness Areas designations and can be used to satisfy [C], [G], and/or [H] requirement(s) as well as their respective Core Area(s). (AGEC designations are subject to change. See AGEC matrix for each course's value(s) in the semester it is taken).	6

2017-2018
AS

Associate in Science
Continued

f. Natural Sciences 8
Students must complete eight (8) credits of General Chemistry, University Physics or General Biology for Majors. Consult specific requirements of university transfer major for guidance.

CHM151 & CHM151LL General Chemistry I and CHM152 & CHM152LL General Chemistry II
OR
PHY115 & PHY116 University Physics I and II or
PHY121 & PHY131 University Physics I: Mechanics and II: Electricity and Magnetism
OR
BIO181 & BIO182 General Biology (Majors) I and II

g. Subject Options - Math/Science: 6–10
Refer to transfer resources, including academic advisement and transfer guides to select six (6)-10 (10) additional math and/or science credits that meet requirements for selected major.
Select Mathematics course(s):
Above Calculus I and/or Computer Science course(s) [CSC] above (see an advisor) and/or Science courses from the following disciplines: Astronomy, Biology, Botany, Chemistry, Engineering, Environmental Science, Geology, Physical Geography, Physics, Zoology - (MCCCD prefixes AST, BIO, CHM, EEE, ECE ENV, GLG GPH and or PHY)

2. Awareness Areas:
Some courses may be used to satisfy both a Core Area and one or more Awareness Area(s). (AGEC) designations are subject to change. See AGEC matrix for each course's value(s) in the semester it is taken.
Cultural Diversity in the United States [C] and either Global Awareness [G] or Historical Awareness [H]. However, it is not necessary for students to exceed thirty-six to thirty-eight semester credits to complete the Awareness Areas because courses can satisfy a Core Area and one or two Awareness Areas simultaneously. Therefore no additional semester credits are required to satisfy the two Awareness Areas.
   a. Cultural Diversity in the United States [C] 0-3
   b. Global Awareness [G] OR Historical Awareness [H] 0-3

MCCCD Additional Requirements **0–6**
As noted below, individual courses in this area may be used to satisfy both an MCCCD requirement and an AGEC-S Core Area requirement.

1. Oral Communication 0-3
COM100 [SB] Introduction to Human Communication OR
COM110 [SB] Interpersonal Communication OR
COM225 [L] Public Speaking OR
COM230 [SB] Small Group Communication OR
COM100AA & COM100AB [SB} (3 credits) OR
COM110AA & COM110AB & COM110AC [SB] (3 credits)

2. Critical Reading 0-3
Students may demonstrate proficiency through assessment.
CRE101 [L] College Critical Reading and Critical Thinking OR equivalent as indicated by assessment

II. General Electives **4-28**
Select courses 100-level or higher to complete a minimum of 60 semester credits but no more than a total of 64 semester credits. Ideally students should select courses that meet requirements for their major/area of interest and transfer insitution. See General Associate Degree Academic Policies for further details, limitations and guidelines.

Maricopa courses and external courses evaluated as Maricopa equivalents, departmental electives (HISELC for a history elective), or general electives (GENELC) that are numbered 100 level or higher, and completed with a grade of "C" or higher, may be applied in the elective area, regardless of potential transferability to other institutions. It is recommended, however, that students planning to transfer to a baccalaureate-granting institution meet these general elective requirements with courses that are transferable and applicable to their intended university degree. Transfer and major guides are accessible on the following websites: aztransfer.com, maricopa.edu/transfer/partners, as well as those of individual universities. For appropriate course selection, students should consult with an advisor.

Associate in Science **Total Credits: 60–64**

2017–2018
ABus GR
Associate in Business
General Requirements (GR)

Description
The Maricopa County Community College District Associate in Business General Requirements (ABUS-GR) degree requires a total of 62-71 semester credits for the program of study. The degree has three major components:

I. General Education
   Arizona General Education Curriculum for Business (AGEC-B)
II. Common Lower Division Program Requirements,
III. General Electives.

Purpose of the Degree
The Associate in Business General Requirements (ABUS-GR) degree is designed for students who plan to transfer to four-year colleges and universities. In general, the components of this degree meet requirements for the various business majors (except Computer Information Systems) at Arizona's public universities. Computer Information Systems majors should follow the Associate in Business Special Requirements (ABUS-SR) pathway instead. Generally, the degree transfers as a block without loss of credit to Arizona's public universities and other institutions with district-wide articulation agreements.

Special Academic Policies that Govern the ABUS-GR Degree

- The ABUS-GR does not include any MCCCD Special Requirements for Oral Communication and/or Critical Reading like the other Associate degrees. (However, some university programs have a speech requirement; consult your advisor or transfer guide to verify the specifics for your program.)
- A single course can be used to satisfy multiple areas within the degree simultaneously (AGEC-B Core Area and/or Awareness Area(s) and/or Common Lower Division Program Requirements).

Degree Requirements
The 62-71 semester credits required for the Associate in Business General Requirements follow. The following websites identify the courses that apply to the different General Education Core and Awareness Areas: AGEC-B and the AGEC Matrix.Courses available for both Areas during a current or upcoming semester can also be found using the "Find A Class" tool on each MCCCD college's website.

I	**MCCCD General Education**	**35-41**

For appropriate course selection, students should consult with an academic advisor. See General Associate Degree Academic Policies for further details, limitations and guidelines.

Maricopa courses and external courses evaluated as Maricopa equivalents, departmental electives (e.g., HISELC for a history elective), or general electives (GENELC) that are numbered 100 level or higher, and completed with a grade of "C" or higher, may be applied in the elective area, regardless of potential transferability to other institutions. It is recommended, however, that students planning to transfer to a baccalaureate-granting institution meet these general elective requirements with courses that are transferable and applicable to their intended university degree. Transfer and major guides are accessible on the followingwebsites: aztransfer.com, maricopa.edu/transfer/partners, as well as those of individual universities. For appropriate course selection, students should consult with an advisor.

Associate in Business General Requirements Total Credits: **62-71**

2017–2018
ABus SR

Associate in Business
Special Requirements (SR)

Description

The Maricopa County Community College District Associate in Business, Special Requirements (ABUS-SR) degree requires a total of 62-71 semester credits for the program of study. The degree has three major components:

I. General Education
   Arizona General Education Curriculum for Business (AGEC-B)
II. Common Lower Division Program Requirements
III. General Electives

Purpose of the Degree

The Associate in Business General Requirements (ABUS-SR) degree is designed for students who plan to transfer to four-year colleges and universities. In general, the components of this degree meet requirements for Business' Computer Information Systems majors at Arizona's public universities.. Other Business majors should follow the Associate in Business General Requirements (ABUS-GR) pathway instead. Generally, the degree transfers as a block without loss of credit to Arizona's public universities and other institutions with district-wide articulation agreements.

Special Academic Policies that Govern the ABUS-SR Degree

- The ABUS-SR does not include any MCCCD Special Requirements for Oral Communication and/or Critical Reading like the other Associate degrees. (However, some university programs have a speech requirement; consult your advisor or transfer guide to verify the specifics for your program.)
- A single course can be used to satisfy multiple areas within the degree simultaneously (AGEC-B Core Area and/or Awareness Area(s) and/or Common Lower Division Program Requirements).

Degree Requirements

The 62-71 semester credits required for the Associate in Business Special Requirements follow. The following websites identify the courses that apply to the different General Education Core and Awareness Areas:

AGEC-B and the AGEC Matrix.

Courses available for both Areas during a current or upcoming semester can also be found using the "Find A Class" tool on at each MCCCD college's website.

III. General Electives **0-6**

Select courses 100-level or higher as needed to complete a minimum of 62 semester credits but no more than a total of 71 semester credits. Ideally students should select courses For appropriate course selection, students should consult with an academic advisor. See General Associate Degree Academic Policies for further details, limitations and guidelines. Maricopa courses and external courses evaluated as Maricopa equivalents, departmental electives (e.g., HISELC for a history elective), or general electives (GENELC) that are numbered 100 level or higher, and completed with a grade of "C" or higher, may be applied in the elective area, regardless of potential transferability to other institutions. It is recommended, however, that students planning to transfer to a baccalaureate-granting institution meet these general elective requirements with courses that are transferable and applicable to their intended university degree. Transfer and major guides are accessible on the following websites: aztransfer.com, maricopa.edu/transfer/partners, as well as those of individual universities.
For appropriate course selection, students should consult with an advisor.

Associate in Business Special Requirements Total Credits: **62-71**

2017-2018
AGS

Associate in General Studies

Description
The Maricopa County Community College District Associate in General Studies degree requires 60-64 semester credits in courses numbered 100 and above. The degree includes the following components:

I. General Education (minimum of 38 credits)
Core curriculum (requires a grade of "C" or better)
Distribution courses (requires a grade of "D" or better)

II. General Electives (enough additional courses numbered 100 or above, passed with a grade of "D" or better, to bring total credits to at least 60)

Purpose of the Degree
The Associate in General Studies (AGS) degree is recommended for students whose educational goals require flexibility. The AGS allows students to apply any course numbered 100 or above, including some that are not transferable to a state university, toward the credits required for the degree. Therefore, for students who intend to transfer to another college or university in the future to pursue a bachelor's degree, this degree may be less appropriate than other Associate degrees offered 1 by the Maricopa Community Colleges.

Students who demonstrate skills comparable to those in Critical Reading and/or Computer Usage may substitute acceptable elective courses to satisfy the total credits required for the degree.

Academic Policies That Govern the Associate in General Studies Degree:
- The graduation policies within the general catalog must be satisfied.
- A single course can simultaneously count towards a Core Area and a Distribution requirement. Courses that meet this criterion are **bold** print and underscored in the Core areas and Distribution areas (on the course list at the conclusion of this document). For example, CRE101 may be used to satisfy both the Literacy and Critical Inquiry requirement [L] of Distribution area and the Core Curriculum's Critical Reading area. While multiple requirements can be met with a single course, the credits are only counted one time toward the required minimum for the degree.
- Credits transferred from outside of MCCCD must be from a regionally accredited institution and need to be at agrade of "C" (2.0 on a 4.0 scale) or better. Transfer credit graded pass/fail or pass/no credit may be transferred ifdocumentation collected by the community college indicates that this was the only grading option available to thestudent and that the Pass grade ("P") is equivalent to a "C" or better.
- Completion of the AGS with a minimum Grade Point Average of at least 2.0 on a 4.0 scale for Arizonaresidents and 2.50 for non-residents meets Arizona public university general admission requirements.However, meeting all AGS minimums does not ensure admission to specific university majors or programswith selective admission processes and/or limited enrollment. Furthermore, because the AGS is not to align with the requirements for bachelors degrees, not all credits may be transferable and students may have deficiencies in lower division (100- and 200-level) courses for a particular major.

Summary of Degree Requirements:
Details on how to identify courses approved for each of the different categories is described following the outline.

I. MCCCD General Education **38-45**
Core Areas **12-16**
1. First-Year Composition 6
ENG 101 OR ENG 107 AND ENG 102 OR ENG 108
2. Mathematics CRE 3-5
3. Computer Usage 0-1
Computer-related course or demonstration of comparable computer skills. Additional courses may be approved by individual colleges. Students should contact their advisor for college-specific courses satisfying the requirement.
4. Oral Communication 3
COM100 Introducation to Human Communication OR
COM110 Interpersonal Communication OR
COM225 Public Speaking OR
COM230 Small Group Communication (3 credits) OR
COM100AA & COM100AB & COM100AC (3 credits) OR
COM110AA & COM110AB & COM110AC (3 credits)
5. Critical Reading 0-3
Students may demonstrate proficiency through assessment. CRE101 Critical Reading OR equivalent as indicated by

May select courses from prefixes already chosen for General Education Distribution requirements in order to develop depth in one or more subject areas

2017–2018
AAS

Associate in Applied Science

General Education Requirements

Description
The degree includes the following components:

I. General Education:
   Arizona General Education Curriculum for Arts (AGEC-A)
   MCCCD Additional Requirements
II. Required Courses (Major Courses)

The Associate in Applied Science (AAS) degree requires at least 60 credits in its program of study. The exact number of credits for a specific degree is identified as part of the presentation of its requirements on the web or in the college catalog.

Purpose of the Degree
The Maricopa County Community College District Associate in Applied Science (AAS) degree is recommended for students who wish to gain a depth of technical expertise in a particular workforce-related area of study. The AAS degree options vary at the different MCCCD colleges. Students can find other listings of AAS degree options sorted either alphabetically or by area of interest. Requirements for each degree can be found on the linked webpages or in the corresponding college(s)'s catalog.

Academic Policies that Govern the AAS degree:

* Requires 60 or more credits numbered 100 or above and includes credits or the equivalent in the General Education Core areas and credits in the Distribution areas. AAS degree requirements follow with the use of a diagonal character (/) between course numbers to signify options. An asterisk (*) following the course number defines requirements with an effective begin term of spring;

* Requires grades as listed for specific areas such as the General Education Core where a minimum grade of "C" is required. See specific AAS occupational degree for specific program grade requirements;
* Follows the graduation policies within the general catalog;
* Includes both courses and their modular equivalents, either the course or the modular equivalents will satisfy the Associate in Applied Science requirements.
* Requires at least 12 semester credit hours earned at the college awarding the AAS degree. The 12 hours in the AAS degree curricula may be in the Required Courses area and/or Restricted Electives courses. Courses from the General Education Core and Distribution area are excluded.

  Shared Programs are programs offered at multiple colleges but not available at all colleges. The requirements are identical at all the colleges offering the program.

  A shared program requires a minimum of six credit hours from the total program requirements to be completed with a grade of "C" or better at the college awarding the certificate or degree (see exception, next paragraph). For those shared programs with less than six credit hours, the total hours for the program must be completed at the college awarding the certificate. The minimum of six credit hours in the certificate or degree curricula may be in the Required Courses area and/or the Restricted Electives. Courses from the General Education Core and Distribution areas are excluded;

  The exception is the Nursing program. Students must apply for graduation from the college where they have successfully completed Block 4 of the Associate in Applied Science in Nursing.

* Requires completion of General Education courses as indicated in the General Education Requirements for the Associate in Applied Science degree from the Maricopa County Community College District, or completion of a curriculum as stated in the catalog;
* Accepts one of the courses that is cross-referenced with other courses.

GENERAL GRADUATION REQUIREMENTS

All students are required to complete the degree and/or certificate requirements as approved by the MCCCD Governing Board. The college reserves the right to make necessary course and program changes in order to meet current educational standards. In addition, students must:

1. Be credited in the Admissions and Records Office/Office of Student Enrollment with not fewer than:
   60 semester credit units in courses numbered 100 or above for the Associate in Arts degree, Associate in Science degree and Associate in General Studies degree; 60 semester credit units for the Associate in Applied Science degree; 62 semester credits for the Associate in Business degrees. For specific certificate programs, be credited with not fewer than the minimum total of credit units required for the certificate program.

   Students not continuously enrolled, as outlined in the Catalog Under Which a Student Graduates policy, must satisfy current graduation requirements.

2. Have earned a minimum of 12 semester credit units toward the degree or certificate at the district college granting the degree or certificate. The 12 hours in the AAS degree curricula may be in the Required Courses area and/or Restricted Electives courses. Courses from the General Education Core and Distribution area are excluded. In cases where the certificate requires fewer than 12 credit units, a minimum of six credit units must be completed at the college awarding the certificate. The minimum of six credit hours in the certificate or degree curricula may be in the Required Courses area and/or the Restricted Electives. Courses from the General Education Core and Distribution areas are excluded;

   Shared Programs are programs offered at multiple colleges but not available at all colleges. The requirements are identical at all the colleges offering the program.

   A shared program requires a minimum of six credit hours from the total program requirements to be completed with a grade of "C" or better at the college awarding the certificate or degree. For those shared programs with less than six credit hours, the total hours for the program must be completed at the college awarding the certificate.

3. Have filed an application for the degree or certificate with the Admissions and Records Office/Office of Student Enrollment Services on the date determined by the college/center.

   The exception is the Nursing program. Students must apply for graduation from the college where they have successfully completed Block 4 of the Associate in Applied Science in Nursing.

4. Have a minimum cumulative grade point average of 2.000 at the college granting the degree.

5. Have a minimum cumulative grade point average of 2.000 in all courses used to fulfill degree requirements
   Some specific programs have higher grade requirements. It is the student's responsibility to be aware of these program requirements.

6. Have removed, thirty (30) days after the anticipated graduation date, all deficiencies on the record to use those courses toward program completion.

7. Have removed any indebtedness to any MCCCD college /center.

8. Have paid required degree or certificate application fee.

See fee schedule for charges.

See Graduation with Honors for information on honors designation.

CERTIFICATES/DEGREES

The Maricopa Community Colleges offer Certificates of Completion as well as Associate Degrees, one of which is conferred on each student who has completed a program of study. These certificates and degrees are as follows: (1) Certificate of Completion (Career Program Specified); (2) Academic Certificate; (3) General Education Certificate; (4) Associate in Arts; (5) Associate in Science; (6) Associate in Business; (7) Associate in General Studies; (8) Associate in Applied Science (Career Program Specified).
All candidates for a degree and/or certificate must complete the General Graduation Requirements as approved by the MCCCD Governing Board.

All students are urged to meet with a faculty advisor, program advisor or counselor as soon as possible to determine which program meets their needs and to plan their course of study.

LICENSURE DISCLAIMER

Maricopa Community Colleges courses and programs prepare students for entry into a variety of professions. Many of these professions require that a person hold an occupational license or certificate in order to work in a particular field. Typically, a person must meet certain legal requirements before obtaining such a license or certificate. These requirements are established by county, state or federal agencies, and often are based on a person's character, or whether the person has been convicted of a criminal offense. It is possible for a student who has obtained a degree or certificate from a community college to be denied the right to work in a particular profession after completing the degree or certificate because of concerns over the student's character or criminal background. Any student preparing to enter a field for which a professional license or certificate is required is strongly advised to consult with the appropriate government agency that issues such credentials. That agency can provide the student complete information about any requirements the law imposes for working in a particular occupation.

MCCCD GENERAL EDUCATION STATMENT

The general education core of the program of study for an associate degree or a certificate helps students develop a greater understanding of themselves, of their relationship with others, and of the richly diverse world in which they live. The general education experience provides students with opportunities to explore broad areas of commonly held knowledge and prepares them to contribute to society through personal, social, and professional interactions with others. General education fosters students' personal development by opening them to new directions, perspectives, and processes.

Through its general education requirements, the Maricopa County Community College District is committed to helping students develop qualities and skills that will serve them throughout their lives. General education opportunities encourage students to:

- Build self-awareness, self-respect, and self-confidence
- Recognize and respect the beliefs, traditions, abilities, and customs of all people and all cultures
- Consider the local, global, and environmental impacts of personal, professional, and social decisions and actions
- Access, evaluate, analyze, synthesize, and use information wisely
- Communicate effectively personally, socially, and professionally
- Think critically, make informed decisions, solve problems, and implement decisions
- Consider the ethical implications of their choices
- Value the learning process throughout their lives
- Integrate and connect ideas and events in a historical perspective, and see relationships among the past, the present, and the future
- Develop a personal sense of aesthetics
- Use technological resources appropriately and productively
- Work cooperatively and respectfully with others to serve their communities

The general education experience at MCCCD is composed of specific elements across the curriculum designed to provide the learner with essential knowledge and skills:

- Communication
- Arts and Humanities
- Numeracy
- Scientific Inquiry in the Natural and Social Sciences
- Information Literacy
- Problem-Solving and Critical Thinking
- Cultural Diversity

General Education Designations (example: (FYC), [SB], [HU], etc.)
Effective Fall 2000 the course evaluation and/or general education designation, as listed in the Arizona Course Equivalency Guide (CEG) within AZ Transfer, is valid for the term in which the student is awarded credit on the transcript. A course evaluation and/or general education designation may be subject to change. Given that curriculum is dynamic at both MCCCD and the institutions to which MCCCD students transfer, students have the option to petition for general education evaluations and/or general education designations.

The college reserves the right to make necessary course and program changes in order to meet current educational standards.

Maricopa County Community College District

Occupational Program Matrix

CG	=	Chandler-Gilbert Community College
EM	=	Estrella Mountain Community College
GC	=	Glendale Community College
GW	=	Gateway Community College
MC	=	Mesa Community College
PC	=	Phoenix College
PV	=	Paradise Valley Community College
RS	=	Rio Salado Community College
SC	=	Scottsdale Community College
SM	=	South Mountain Community College

The Maricopa County Community College Occupational Program Matrix identifies all programs currently available for offering within the 10 community colleges and two skill centers of the district. The programs are grouped under broad occupational areas as requested by the colleges. For specific information regarding individual programs, contact the college(s) listed as participating institutions.

Occupational Programs

DESCRIPTION

The Maricopa County Community College Occupational Program Matrix identifies all programs currently available for offering within the 10 community colleges and two skill centers of the district. The programs are grouped under broad occupational areas as requested by the colleges. Academic Certificates

The Maricopa Community College District Academic Certificate is a defined and coherent program of study that is recommended for students who wish to gain additional expertise in an academic area. While this program of study can result in proficiency in specified skills and competencies, as well as mastery of knowledge, it is not designed to prepare someone for employment in a specific occupation.

Academic Certificates:
* Require a cumulative GPA of 2.0 or better for completion.
* Follow the graduation policies within the general catalog.

Academic Certificate: 6224

Creative Writing

24 credits

DESCRIPTION: The Academic Certificate (AC) in Creative Writing is designed to provide students and professional writers with access to a community of writers and creative writing activities, instruction and guidance from established authors, and ongoing support in improving their writing skills and marketing their work. As students take courses in the program, they will build a portfolio of original work that may be used to seek admittance to a bachelor's or master's level creative writing program or that may include work to be submitted for publication. The program offers classes, workshops, and other activities such as readings and contests, which are accessible to writers of all levels regardless of academic or professional standing. The program serves many students, especially women, minorities, seniors, and working adults, who are under-represented in traditional creative writing programs because of cultural, dialect or language differences, scheduling difficulties, financial need, or lack of academic experience. Completion of the certificate does not lead to a particular degree program, but may aid students in their pursuit of a career in the writing professions and in their continued enjoyment of writing for personal growth.

PROGRAM NOTES: This program is not eligible for Title IV Federal Financial Aid. Students must earn a grade of "C" or better for all courses required within the program.
+ indicates course has prerequisites and/or corequisites.
++ indicates any module.

ADMISSION CRITERIA: Students wishing to enroll in the Creative Writing program must complete a formal application; contact Program Director.

PROGRAM PREREQUISITES: None

REQUIRED COURSES: Credits: 21
ENG210 may be substituted for CRW150 with permission of Program Director.

	CRW150	Introduction to Creative Writing	3
	CRW200	must be repeated for a total of two (2) credits.	
+	CRW200	Readings for Writers (1)	2
+	CRW201	Portfolio (1)	

Students must complete six (6) credits from Series I and nine (9) credits from Series II in consultation with a Program Director.

Series I: Credits: 6
Students must complete two (2) of the following courses for a total of six (6) credits.

CRW120	Introduction to Writing Children's Literature	3
CRW160	Introduction to Writing Poetry	3
CRW170	Introduction to Writing Fiction	3
CRW172	Introduction to Comic Book Writing	3
CRW180	Introduction to Writing Nonfiction	3
CRW190	Introduction to Screenwriting	3
THE118	Playwriting	3

Series II: Credits: 9
Students must complete three (3) of the following courses for a total of nine (9) credits.

+	CRW202	The Writer as Witness	3
+	CRW203	Dialogue	3
+	CRW204	Journaling	3
+	CRW220	Intermediate Writing Children's Literature	3
	CRW251	Topics in Creative Writing	3
+	CRW260	Intermediate Poetry Writing	3
+	CRW261	Topics in Writing: Poetry	3
+	CRW270	Intermediate Fiction Writing	3
+	CRW271	Topics in Writing: Fiction	3
+	CRW272	Planning and Structuring the Novel	3
+	CRW273	Writing the Novel	3
+	CRW274	Revising the Novel	3
+	CRW281	Topics in Writing: Non-Fiction	3
+	CRW290	Intermediate Screenwriting	3
+	CRW291	Topics in Writing: Plays	3

RESTRICTED ELECTIVES: Credits: 3

+	CRW+++++	Any CRW Creative Writing prefixed course not listed under Required Courses area.	1-3
	ENG235	Magazine Article Writing	3
	ENG/THE260	Film Analysis	3
+	ENH+++++	Any ENH English Humanities course	3
	HUM/THF210	Contemporary Cinema	3

Academic Certificate: 6210

Global Studies

16-19 credits

DESCRIPTION: The Academic Certificate (AC) in Global Studies is designed to provide 1) a foundation in general education courses relevant to global studies; 2) a specialization in global education for teaching faculty; 3) a foundation in global studies courses for people in government agencies or in local businesses and industries with international interests; and 4) a wide offering of global studies courses for more meaningful experiences for international travelers.

PROGRAM NOTES: This program is not eligible for Title IV Federal Financial Aid. Students must earn a grade of "C" or better in all courses within the program.
+ indicates course has prerequisites and/or corequisites.

PROGRAM PREREQUISITES: Credits: 3-6

+	ENG101	First Year Composition (3) OR
+	ENG107	First Year Composition for ESL (3) AND/OR
	SOC101	Introduction to Sociology (3) 3-6

REQUIRED COURSES: Credits: 6
Students must select six (6) credits from at least two of the following prefixes:

ASB102	Culture in a Globalizing World (3)
GCU121	World Geography I: Eastern Hemisphere (3)
GCU122	World Geography II: Western Hemisphere (3)
HIS110	World History to 1500 (3)
HIS111	World History 1500 to Present (3)
POS120	World Politics (3)
REL100	World Religions (3)

RESTRICTED ELECTIVES: Credits: 10-13
Students must select one of the following Tracks and their respective course and prefix requirements to meet the requirements for the Global Studies academic certificate.

Track 1: Sustainability and Health: Credits: 12-13
Students must select from at least two prefixes;
3 credits must be SSH111 or SUS110 or ASB226

ASB100	Global Health (3)
SB222	Buried Cities and Lost Tribes: Old World (3)
ASB223	Buried Cities and Lost Tribes: New World (3)
ASB226	Human Impacts on Ancient Environments (3)
BIO105	Environmental Biology (4)
FON100	Introductory Nutrition (3)
GCU102	Introduction to Human Geography (3)
GLG110	Geological Disasters & the Environment(3) (concurrent enrollment in GLG111 is recommended to meet the physical science requirement)
HCR230	Culture and Health (3)
HES210	Cultural Aspects of Health and Illness (3)
+ IFS215	Cultural Context of Health Information (3)
+ SOC270	The Sociology of Health and Illness (3)
SSH111	Sustainable Cities (3)
SUS110	Sustainable World (3)

Track 2: Arts and Letters: Credits: 10-12
Students must select courses from at least two prefixes.

ARH101	Pre-historic Through Gothic Art (3)
ARH201	Art of Asia (3) AND/OR
ARH216	Pre-Colombian Art (3) AND/OR
ARH217	Mexican Art History (3) AND/OR
ARH240	Art & Architecture of the Islamic World (3)3-12
ASB211	Women in Other Cultures (3)
COM263	Elements of Intercultural Communication (3)
DAH100	Introduction to Dance (3)
DAH201	World Dance Studies (3)
ENH251	Mythology (3)
HIS101	Hist of West. Civilization Middle Ages - 1789 (3)
HIS102	Hist of West. Civilization 1789 to Present (3)
HIS113	Eastern Civilizations: to 1850 (3)
HIS114	Eastern Civilization: 1850 to present (3)
HUM211AA	Foreign Film Classics (3)
HUM220	History and Film (3)
HUM261	Asian Ideas and Values (3) AND/OR
IBS109	Cultural Dimensions of International Trade (3)
IFS210	Research in a Global Society (3)
MHL143	Music in World Cultures (3)
PSY132	Psychology and Culture (3)
SPH245	Hispanic Heritage in the Southwest (3)

World Languages:
All of the following 101, 102, 201, and 202 level classes are acceptable:

CHI+++ Any CHI/Chinese course (101, 102, 201, 202) OR
FRE+++ Any FRE/French course (101, 102, 201, 202) OR
GER+++ Any GER/German course (101, 102, 201, 202) OR
JPN+++ Any JPN/Japanese course (101, 102, 201, 202)OR
SPA+++ Any SPA/Spanish course (101, 102, 201, 202)

Degrees & Certificates

Academic Certificate: 6240

Sustainability

15-17 credits

DESCRIPTION: The Academic Certificate (AC) in Sustainability is interdisciplinary and builds a strong academic expertise along one of five significant pillars of sustainability, where students will examine and assess how to minimize unintended consequences and enhance a mutually productive relationship between man and nature. The five pillars are organized into specialized tracks, including land use and human transformations of the earth, competition for water and other natural resources from the earth systems, political and economic treatment of the earth, coupled human-environment interactions, and entrepreneurship for transforming ideas for sustainable products/services into viable businesses.

PROGRAM NOTES: This program is not eligible for Title IV Federal Financial Aid. Students must earn a grade of "C" or better for all courses required within the program.
+ indicates course has prerequisites and/or corequisites.

PROGRAM PREREQUISITES: Credits: 0-6
Student selecting GPH211 or GPH210 must complete the following prerequisites:
ENG101 First-Year Composition (3) or
ENG107 First-Year Composition for ESL (3) or equivalent 3

Student selecting HRM290 must complete the following prerequisites:

HRM110	Intro to Hospitality & Tourism Management	3

REQUIRED COURSES: Credits: 6

SSH111	Sustainable Cities	3
SUS110	Sustainable World	3

RESTRICTED ELECTIVES:
Students must select one (1) of the following five (5) tracks:

Track I: Sustainability: Earth Systems Credits: 10-11
Students must choose two (2) to three (3) courses from the following list:

	AGS260	Soils	4
	ASM104	Bones, Stones, and Human Evolution	4
	BIO105	Environmental Biology	4
	BIO108	Plants and Society	4
+	BIO181	General Biology (Majors) I	4
+	BIO182	General Biology (Majors) II	4
	CHM107	Chemistry and Society (3) and	
	CHM107LL	Chemistry and Society Laboratory (1)	4
	GLG110	Geological Disasters & the Environment (3) and	
	GLG111	Geological Disasters & the Environ. Lab (1)	4
	GLG140	Introduction to Oceanography	3
	GPH111	Introduction to Physical Geography	3
	AND		
	GPH112	Intro to Physical Geography Lab	1
+	GPH211	Landform Processes	4
	GPH213	Climate and Weather (3) and	
	GPH215	Climate and Weather Laboratory (1)	4

Students will choose one (1) course from the following list:

	ASB226	Human Impacts on Ancient Environment	3
	COM263	Elements of Intercultural Communication	3
	ENH206	Nature and Environmental Literature	3
	ENH260	Literature of the Southwest	3
	GCU102	Introduction to Human Geography	3
	GCU141	Introduction to Economic Geography	3
	HUM201	Humanities: Universal Themes	3
	PHI216	Environmental Ethics	3
	POS120	World Politics	3
+	RDG112	Successful College Reading for Life Sciences, Mathematics, Physical Sci or Technology	3
	SBU200	Society and Business	3
	SOC251	Social Problems	3
	SUS100	Introduction to Sustainability	3

Track II: Credits: 9-10
Sustainability: Social, Political, Economic Treatment of the Earth
Students will choose two (2) courses from the following list:

	ASB102	Culture in a Globalizing World	3
	COM263	Elements of Intercultural Communication	3
	ECN212	Microeconomic Principles	3
+	ECN263	The Economics of Natural Resources, Population and the Environment	3
	GCU102	Introduction to Human Geography	3
	GCU141	Introduction to Economic Geography	3
+	HRM290	Ecotourism	3
	POS120	World Politics	3
	PSY132	Psychology and Culture	3
	SBU200	Society and Business	3
	SOC180	Social Implications of Technology	3
	SUS100	Introduction to Sustainability	3

Students must choose one (1) to two (2) courses from the following list:

	BIO105	Environmental Biology	4
	CHM107	Chemistry and society (3) and	
	CHM107LL	Chemistry and society Laboratory (1)	4
	ENH206	Nature and Environmental Literature	3
	ENH260	Literature of the Southwest	3
	GLG110	Geological Disasters & the Environment (3) and	4
	GLG111	Geological Disasters & the Environment Lab (1)	

+	GPH210	Society and Environment	3
	HUM201	Humanities: Universal Themes	3
	PHI216	Environmental Ethics	3

Track III: Credits: 9-10
Sustainability: Coupled Human-Environment Systems
Students will choose two (2) courses from the following list:

	ASB102	Introduction to Cultural Anthropology	3
	ASB222	Buried Cities and Lost Tribes: Old World (3) OR	
	ASB223	Buried Cities and Lost Tribes: New World (3)	3
	ASB226	Human Impacts on Ancient Environments	3
	COM263	Elements of Intercultural Communication	3
	ENH206	Nature and Environmental Literature	3
	ENH260	Literature of the Southwest	3
	HUM201	Humanities: Universal Themes	3
	PHI216	Environmental Ethics	3
	REC150AB	Outdoor Adventure Skills	3

Students will choose one (1) to two (2) course from the following list:

	ASM104	Bones, Stones, and Human Evolution	4
	BIO105	Environmental Biology	4
	BIO108	Plants and Society	4
+	BIO181	General Biology (Majors) I	4
+	BIO182	General Biology (Majors) II	4
	CHM107	Chemistry and Society (3) and	
	CHM107LL	Chemistry and Society Laboratory (1)	4
	GLG110	Geological Disasters & the Environment (3) and	
	GLG111	Geological Disasters and the Environ. Lab (1)	4
+	GPH210	Society and Environment	3
	PHI104	World Philosophy	3
	POS120	World Politics	3

Track IV: Credits: 9-11
Sustainability: Human Transformation of the Earth
Students will choose 9-11 credits from the following list:

	ASB100	Introduction to Global Health	3
	ASB226	Human Impacts on Ancient Environments	3
	CNS205	Sustainable Construction/LEED Certification	3
	ECE101	Origins of Science and Engineering	3
	ECE111	Bioengineering Systems	3
	FON135	Sustainable Cooking	3
	FON143	Food and Culture	3
	FON161	Sustainable Food Production Systems	3
	HES210	Cultural Aspects of Health and Illness	3
+	INT170	Interior Materials	3
	SCT100	Intro to Sustainable Built Environments	3
	SCT271AA	Sustainable Design Internship (1) OR	
	SCT271AB	Sustainable Design Internship (2)	1-2
	SOC180	Social Implications of Technology	3
	WED124	Environmental Wellness	3

Track V: Credits: 10-11
Sustainability: Business and Entrepreneurship
Students will choose one (1) option from the following list:

	EPS150	Introduction to Entrepreneurship (3) and	
	EPS195	Business Start-Up and Planning (2)	5
	MGT253	Owning and Operating a Small Business 3 and	
+	MGT298AA	Special Project (1) or	
+	SSH298AA	Special Project(1)	4

Students will choose one (1) option from the following list:

	GBS151	Introduction to Business (3) OR	
	GBS205	Legal, Ethical and Regulatory Environment of Business (3)	3

Students will choose one (1) option from the following list:

	ECN212	Microeconomics (3) OR	
	SBU200	Society and Business (3)	3

Academic Certificate: 6225

Women's Studies

15 credits

DESCRIPTION: The Academic Certificate (AC) in Women's Studies is an intensive interdisciplinary liberal arts certificate program, provides students with tools and opportunities to discuss and critique historical and contemporary theories and practices of feminism(s). The curriculum enables students to write well, think critically and analyze problems effectively. Students complete a variety of courses focusing on women's experiences and perspectives, exploring topics such as history, culture, class, race, ethnicity, sexuality and gender in order to help bring about equality, understanding, and peace. These courses are culturally responsive to the diversity of one half of the world's people, their work, and their impact on multicultural societies.

PROGRAM NOTES: This program is not eligible for Title IV Federal Financial Aid.
+indicates course has a prerequisite and/or corequisites.

PROGRAM PREREQUISITES: None

REQUIRED COURSES: Credits: 3

WST100	Intro. to Women's and Gender Studies	3

RESTRICTED ELECTIVES: Credits: 12

	ASB211	Women in Other Cultures	3
	ENH/WST284	19th Century Women Writers	3

Certificate of Completion: 5204

Linux Professional

12 credits

DESCRIPTION: The Certificate of Completion (CCL) in Linux Professional program is designed to help to prepare students for a variety of industry-recognized Linux certification exams as well as provide practical hands-on skills for the work place. The program includes a core of Linux classes including Linux operating system basics, System Administration, Network Administration and Network Security. These classes will help develop a student's knowledge and skill level in preparation for employment or to improve current professional skills. Objectives for a variety of industry certifications are encompassed within course and program objectives.

PROGRAM NOTES: Students must earn a grade of "C" or better for all courses required within the program.
+ indicates course has prerequisites and/or corequisites
++ indicates any module/suffixed courses.

COMPUTERS: ADOBE

Certificate of Completion: 5807

Adobe Foundations

9 credits

DESCRIPTION: The Certificate of Completion (CCL) in Adobe Foundations program helps develop proficiency with three of Adobe`s foundational graphics programs: Photoshop, Illustrator, and Flash. The courses in this CCL are the common subset of those required for the other Adobe Creative Suite CCLs. Thus all the courses in the Adobe Foundations CCL may be applied towards the requirements of any of these more comprehensive certificates.

PROGRAM NOTES: Students must earn a grade of "C" or better in all courses required within the program.

PROGRAM PREREQUISITES: None

REQUIRED COURSES:		Credits: 9
CIS120DF	Computer Graphics: Adobe Photoshop	3
CIS120DB	Computer Graphics: Adobe Illustrator	3
CIS120DC	Adobe Animate: Digital Animation	3

COMPUTERS: PROGRAMMING & SYSTEM ANALYSIS

JOB DESCRIPTION: Microsoft solutions developers design and develop custom solutions to build Web-based, distributed, and commerce applications by using Microsoft's product, such as Microsoft SQL Server, Microsoft Visual Studio, and Microsoft Component Services. Job tasks include analyzing business requirements, defining the technical architecture, designing a solution, coding and implementing a solution, testing the solution, deploying the solution, and maintaining the solution.

Note: PVCC may not offer all courses needed for the following programs. Courses needed to complete the program(s) may also be available at RSC. PROGRAM NOTES: + indicates course has prerequisite

Certificate of Completion: 5048

Programming & System Analysis

24 credits

DESCRIPTION: The Certificate of Completion (CCL) in Programming and System Analysis provides an in-depth exploration of different computer language and technical skills. Includes, but is not limited to the following: operating systems, local area networks, team roles, and dynamics. An Associate in Applied Science (AAS) is also available.

PROGRAM NOTES: Students must earn a grade of "C" or better for all courses required within the program.
+ indicates course has prerequisites and/or corequisites.
++ indicates any suffixed courses.
Consultation with an Academic Advisor is recommended for course selection.

DIETETIC TECHNOLOGY

Associate in Applied Science: 3840

Dietetic Technology

63–72 credits

DESCRIPTION: The Associate in Applied Science (AAS) in Dietetic Technology program emphasizes medical nutrition therapy and food service management. Students acquire the knowledge and skills foundation to work in dietetics through the integration of classroom learning and 466 hours of supervised practice. Emphasis is placed on the development of communication and human relations techniques that prepare the graduate for professional success. Upon successful completion of the program, the graduate will be eligible to take the Dietetic Technician Registration Examination of the Commission on Dietetic Registration (CDR).

JOB DESCRIPTION: The Dietetic Technician, Registered is prepared to play a key role in providing quality, cost-effective client care and food service management in a variety of employment settings. Job responsibilities may include patient counseling and education in basic and therapeutic nutrition, medical record documentation, health promotion and disease prevention, menu development, and supervisory and administrative skills related to nutrition services and institutional food production.

OPPORTUNITIES: Dietetic Technicians are an integral part of health care and food service management teams. They work independently or in partnership with Registered Dietitians in a variety of settings: Clinical, Hospitals, clinics, nursing homes, retirement centers, home health care programs, and research facilities; food service; schools, daycare centers, correctional facilities, restaurants, hospitals, and long-term care facilities; Community and Public Health; WIC programs; wellness; health clubs, and weight management clinics; business; food companies, food venders, and food distributors.

PROGRAM NOTES: Students must earn a grade of "C" or better in all courses within the program.
+ indicates course has prerequisites and/or corequisites.

PROGRAM PREREQUISITES:		Credits: 0–4

CPR/AED Certification for Health Care Providers must be completed prior to registering for FON244, or FON246 practicum courses.
Students selecting BIO201 and BIO202 in the Required Courses area must complete BIO156 or BIO181 in consultation with a Program Advisor.

+ BIO156	Introductory Biology for Allied Health (4) OR

EARLY CHILDHOOD EDUCATION

Certificate of Completion: 5710

Child Development Associate (CDA) Preparation

16 credits

DESCRIPTION: The Certificate of Completion (CCL) in Child Development Associate (CDA) Preparation program is designed to provide documented training in preparation for application to become a Child Development Associate. This program is intended for individuals interested in early childhood education who intend to pursue the national credential of CDA from the Council for Professional Recognition. Students completing the described CCL coursework must apply independently to the Council for final evaluation and validation.

PROGRAM NOTES: + indicates course has prerequisites and/or corequisites. Students must earn a grade of "C" or better for each course listed in the program.

PROGRAM PREREQUISITES: None

REQUIRED COURSES: Credits: 16

	CFS/ECH176	Child Development (3) OR

Degrees & Certificates

Certificate of Completion: 5016

Early Childhood Education

36 credits

DESCRIPTION: The Certificate of Completion (CCL) in Early Childhood Education Program is designed to prepare students for employment as early childhood teachers in a variety of educational programs. Students learn effective teaching skills as they apply developmentally appropriate early childhood educational theory in the classroom setting. Courses have been selected with a focus on developing an educational career ladder. The AAS program includes additional early childhood electives and general education classes to broaden the student's base of knowledge.

PROGRAM NOTES: Students must earn a grade of "C" or better in all courses required within the program.
+ indicates prerequisite required;
++ indicates any course within that prefix.

Associate in Applied Science: 3836

Early Childhood Education

61–64 credits

DESCRIPTION: The Early Childhood Education Associate of Applied Science (AAS) degree is designed to prepare students for employment as early childhood teachers in a variety of educational programs. Students learn effective teaching skills as they apply developmentally appropriate early childhood educational theory to the classroom setting. Courses have been selected with a focus on developing an educational career ladder. The AAS program includes additional early childhood electives and general studies classes to broaden the students' base of knowledge.

PROGRAM NOTES: Students must earn a grade of "C" or better in all courses required within the program.
+ indicates prerequisite required;
++ indicates any course within that prefix.

PROGRAM PREREQUISITES: None

REQUIRED COURSES:		Credits: 30
CFS101AH	Art Activities for the Young Child	1
CFS123	Health & Nutrition in Early Childhood Settings	1
CFS125	Safety in Early Childhood Settings	1
CFS/ECH176	Child Development	3
CFS177	Parent-Child Interaction	3
+ CFS/ECH269	Child Care Seminar	1
CFS282	Mainstreaming the Young Child w/Disablty	1

EMERGENCY MANAGEMENT & EMERGENCY MEDICAL TECHNOLOGY

Associate of Applied Science: 3065

Advanced Emergency Medical Technology (Paramedic)

60.5 Credits

DESCRIPTION: The Associate in Applied Science (AAS) in Advanced Emergency Medical Technology (Paramedic) is designed to provide advanced techniques of emergency care, stabilization, and immobilization of victims of illness and injury. The techniques of emergency care include but are not limited to assessment, detailed physical examination, recognition and documentation of signs and symptoms of illness and injury, critical thinking and diagnosis intervention, and the evaluation of the interventions. The techniques of assessment include but are not limited to electrocardiograph rhythm identification, administration of oxygen, defibrillation, synchronized cardioversion, transcutaneous pacing, and advanced airway techniques. The techniques for immobilization of the victim include but are not limited to the use of specific immobilization devices, peripheral intraosseous and central intravenous techniques, and preparation and care during transportation. A Certificate of Completion (CCL) is also available.

PROGRAM NOTES: Students must earn a grade of "C" or better in all courses required within the program.
+ indicates course has prerequisites and/or corequisites.

PROGRAM GPA: 2.50

ADMISSION CRITERIA: Prior to being considered for and accepted into the program, students may be required to complete specified exams with the EMT/FSC department. Students should seek department advisement on completing program prerequisites prior to acceptance into the program.

PROGRAM PREREQUISITES: Credits: 9-12.5
EMT101 Cardiopulmonary Resuscitation/Basic Life Support (0.5) OR
A current validation in Basic Life Support (BLS) Health Care Provider/Professional Rescuer AND
Appropriate score on Reading placement test to demonstrate minimum tenth grade level reading OR
completion of an Associate's degree or higher from an accredited institution. 0-0.5

Emergency Management

18 credits

DESCRIPTION: The Certification of Completion (CCL) in Emergency Management provides the student with knowledge and skills required to conduct a comprehensive emergency management program. The program prepares students to manage fire department operations, hazardous materials incidents, tactics, strategy, and safety of firefighting activities, and customer service in the public sector. The student will be prepared for positions such as Emergency Manager, Emergency Management Planner, Emergency Operations Coordinator, Environmental Compliance Planner, and Emergency Management Specialist, working in state, local, federal, and international governments, business and industry, military installations, and health care facilities.

PROGRAM REQUIREMENTS: Students must earn a grade of "C" or better in all courses within the program.
+ indicates course has prerequisites and/or corequisites.

PROGRAM PREREQUISITES: None

REQUIRED COURSES: Credits:18

AJS/FSC139	Emergency Response to Terrorism	3
AJS/FSC146	Disaster Recovery Operations	3
AJS/FSC147	Emergency Preparedness	3
AJS/FSC148	Fundamentals of Emergency Management	3
AJS/FSC149	Hazard Mitigation	3
FSC224	Incident Command Systems	3

Certificate of Completion: 5643

Emergency Medical Technology

9-16 credits

DESCRIPTION: The Certificate of Completion (CCL) in Emergency Medical Technology program includes techniques of emergency care, stabilization, and immobilization of victims of illness and injury. Recognition and documentation of signs and symptoms of illness and injury, intervention, and evaluation of the intervention, techniques for assessment, administration of oxygen, use of specific immobilization devices, and preparation for transportation are other areas of the program. This program is a prerequisite to other emergency response programs.

PROGRAM GPA: 2.50

PROGRAM NOTES: This program is not eligible for Title IV Federal Financial Aid. Students must earn a grade of "C" or better in all courses within the program.
+ indicates course has prerequisites and/or corequisites.
EMT104 requires students to complete additional hours in a competency-based clinical, vehicular, and/or scenario based experience. Depending on the college, this may be completed through EMT104AB or program director-approved rotation.

Associate of Applied Science: 3112

Emergency Response And Operations

60-83.5 credits

DESCRIPTION: The Associate in Applied Science (AAS) in Emergency Response and Operations program provides students with a curriculum specific to the student`s individual needs in addition to the knowledge and skills needed in today`s changing public safety workplace. The program develops education, skills, and techniques for planning, responding, and mitigating various emergency situations within the student`s specific discipline with emphasis on effective response and operations. The curriculum combines coursework in public safety emergency services with a general education component. Additional Certificates of Completion (CCL) are available.

PROGRAM NOTES: Students must earn a grade of "C" or better in all courses required within the program.
+ indicates course has prerequisites and/or corequisites.
EMT104 requires students to complete additional hours in a competency-based clinical, vehicular, and/or scenario based experience. Depending on the college, this may be completed through EMT104AB or program director-approved rotation.

ADMISSION CRITERIA: Students pursuing Track I Fire Operations OR Track II Paramedicine may be required to complete a program entrance exam as appropriate OR Permission of Program Director.

PROGRAM PREREQUISITES: None

REQUIRED COURSES Credits: 17–58.5

EMT101 Basic Life Support/Cardiopulmonary Resuscitation (CPR) Health Care Providers (0.5) OR
Current validation in Basic Life Support (BLS) Health Care Provider/Professional Rescuer (0) OR
Permission of Program Director(0) 0-0.5

Students must select one (1) of the following five (5) tracks:

Track I: FIRE OPERATIONS Credits: 17-27.5

FIRE SCIENCE TECHNOLOGY

Certificate of Completion: 5418

Driver Operator

8 credits

DESCRIPTION: The Certificate of Completion (CCL) in Driver Operator program is designed for students who need (1) advanced training a professional firefighters, (2) preparation courses for career advancement opportunities in fire services, and/or (3) more comprehensive information about the role and function of an emergency vehicle driver/operator.

PROGRAM NOTES: This program is not eligible for Title IV Federal Financial Aid. Students must earn a grade of "C" or better for all courses required within the program.

ADMISSION CRITERIA: Acceptance into the program and permission of Program Director is required.

PROGRAM PREREQUISITES: None

REQUIRED COURSES:		Credits: 8
FSC111	Emergency Vehicle Driver Operator	2
FSC117	Fire Apparatus	3
FSC118	Fire Hydraulics	3

Certificate of Completion: 5420

Fire Officer Leadership

15 credits

DESCRIPTION: The Certificate of Completion (CCL) in Fire Officer Leadership program can be used by professional firefighters for promotions and salary advancement within the Fire Services. The program will provide courses for experienced professional firefighters who desire to learn advanced fireground tactics and strategy, building construction, practical incident command, supervisory training of personnel, and human resource management.

PROGRAM NOTES: This program is not eligible for Title IV Federal Financial Aid. Students must earn a grade of "C" or better for all courses listed in the program
+ indicates course has prerequisites and/or corequisites. .

ADMISSION CRITERIA: Formal application and acceptance into the Fire Officer Leadership program or permission of the

Program Director.

PROGRAM PREREQUISITES: None

JOURNALISM

Certificate of Completion: 5466

Journalism and New Media Studies

24-25 credits

DESCRIPTION: The Certificate of Completion (CCL) in Journalism and New Media Studies program is designed to prepare students to work in the publishing industry whether they are just starting their career path in journalism or have a bachelor`s degree in another discipline. The CCL includes courses required in journalism programs at universities throughout the state and country. An internship in journalism as well as a juried electronically submitted portfolio of published articles are also required to complete the certificate.

PROGRAM NOTES:
Students must earn a grade of "C" or better for each course listed in the Required Courses area.
+ indicates course has prerequisite and/or corequisites..

PROGRAM PREREQUISITES: None

REQUIRED COURSES: Credits: 18

+ ENG101	First-Year Composition (3) OR	
+ ENG107	First-Year Composition for ESL (3)	3

+	JRN212	Broadcast Writing	3
+	JRN298AA	Special Projects	1

MICROSOFT RELATED

Certificate of Completion: 5473

Microsoft Desktop Support Technology

16-20 credits

DESCRIPTION: The Certificate of Completion (CCL) in Microsoft Desktop Support Technology program is designed to provide training for entry-level computer maintenance and help-desk positions. Students will develop the skills to troubleshoot desktop environments running on the Microsoft Windows operating system. Courses in the program also help to prepare for the Microsoft Certified IT Professional: Enterprise Desktop Support Technician 7 (MCITP) examinations, 70-680 and 70-685.

PROGRAM NOTES: Students must earn a grade of "C" or better in all courses within the program.
+ indicates course has prerequisites and/or corequisites.
++ indicates any module/suffixed courses.

PROGRAM PREREQUISITES: Credits: 0–3
In lieu of the courses listed below, students with experience in the information technology field may meet these program prerequisite requirements with the permission of the instructor.

	CIS121AB	Microsoft Command Line Operations (1) OR	
	CIS121AH	Microsoft PowerShell/Command Line Operations (3)	
	OR	Permission of Instructor or Program Director	0-3

REQUIRED COURSES: Credits: 16–17

	CIS102	Interpersonal and Customer Service Skills for IT Professionals	1
	CIS105	Survey of Computer Information Systems	3
+	BPC170	Computer Maintenance I: A+ Essentials Prep	3
+	CIS190	Introduction to Local Area Networks (3) OR	
	CNT140AA	Cisco Networking Fundamentals (4) OR	
	MST140	Microsoft Networking Essentials (3)	3–4
+	MST141	Enterprise Desktop Support Technician	3
+	MST150++	Any Microsoft Windows Operating System (any module)	3

Associate in Applied Science: 3778

Microsoft Networking Technology

60–67 credits

DESCRIPTION: The Associate in Applied Science (AAS) in Microsoft Networking Technology program is designed to develop skills needed to implement a network infrastructure and install, configure, monitor, optimize, and troubleshoot Windows server and Windows client workstations. Courses in the program are also designed to help prepare for Microsoft Certified Product Specialist (MCP), and Microsoft Certified Information Technology Professional (MCITP) examinations.

Typical tasks of a Microsoft Networking Administrator include developing a local area network, installing and configuring software, creating and managing user and group accounts, analyzing and optimizing system performance, troubleshooting system and printing problems, interoperating with various operating systems, and working as a system administrator.
Typical tasks of a Microsoft Certified Information Technology Professional (MCITP) are developing a local area network, installing and configuring software, creating and managing user and group accounts, analyzing and optimizing system performance, troubleshooting system and printing problems, training end users, and working as a system administrator.

PROGRAM NOTES: Students must earn a grade of "C" or better in all courses within the program.
+ indicates course has prerequisites and/or corequisites.
++ indicates any module

MUSIC: AUDIO PRODUCTION & BUSINESS

Certificate of Completion: 5334

Audio Production Technologies

36-40 credits

DESCRIPTION: The Certificate of Completion (CCL) in Audio Production Technologies program offers students an opportunity to receive training on industry-standard equipment. Students learn the concepts and theory associated with recording arts technologies while applying them in lab settings appropriate to their skill levels. Students completing the Audio Production program will gain the knowledge base, competency, and confidence they need to enter the commercial music marketplace. An Associate of Applied Science (AAS) is also available.

PROGRAM NOTES:
Students must earn a grade of "C" or better in all courses within the program.

NURSING

Maricopa Community Colleges Allied Health Or Nursing Program

Appendix S-13: The Maricopa Community Colleges Allied Health or Nursing Program

In collaboration and partnership with the health care community and its response to the dynamic changes occurring in the health care arena and health care practice, the Maricopa Community Colleges integrated the curriculum of all allied health and nursing programs. All allied health or nursing program pathways and educational offerings emphasize the achievement of relevant competencies and provide value to the individual, the employer, and the community. As a result, graduates of the various allied health or nursing program pathways will meet the community's demand for a flexible, multi-skilled health care workforce that meets employer and consumer needs. Refer to individual college catalogs for specific health care program pathways.

For further information, https://asa.maricopa.edu/departments/healthcare-education-at-the-maricopa-community/ is a comprehensive information source.

Allied Health or Nursing Assumption of Risk/Release of Liability

Most of the allied health or nursing program pathways include a program of study in a clinical training environment that may contain exposures to risks inherent in patient-oriented educational experiences (such as but not limited to bodily injury or communicable and infectious diseases). Students enrolling in clinical educational courses will be asked to sign a statement assuming all risks inherent in their coursework.

Use of Confidential Information

Students enrolled in allied health or nursing program pathways will have learning experiences in a health care setting where they will have access to confidential information. Prior to beginning any clinical studies, the students will be asked to sign an agreement to adhere to the requirements of those clinical sites and applicable law, including the Health Insurance Portability and Accountability Act of 1996 (HIPAA).

Allied Health or Nursing Program College Attendance

As the allied health or nursing programs are integrated across the Maricopa Community Colleges, college of attendance requirements for the completion of the healthcare program pathways can be met through the completion of coursework taken at all Maricopa Community Colleges and Skills Centers.

MCCCD Required Background Checks

Students enrolled in an MCCCD allied health or nursing program are required to complete and pass clinical learning experiences, working with children, elderly persons, and other vulnerable populations. MCCCD's major clinical agency partners now mandate that any college students assigned to them for clinical experiences submit to a comprehensive background clearance prior to entering such learning experiences. Because the clinical experience portion of the programs is critical to completing a program of study, MCCCD has instituted two specific background check requirements in order for a student to enroll in a program. First, the student must obtain, at his or her own cost, a Level I Fingerprint Clearance Card from the Arizona Department of Public Safety. Precluding offenses for a Level I card can be found in Arizona Revised Statute § 41-1758.07 (http://www.azleg.gov/FormatDocument.asp?inDoc=/ars/41/01758-07.htm&Title=41&DocType=ARS). Additionally, students must also obtain a "pass" status on a MCCCD supplemental background check from MCCCD's authorized background check contractor. The student must also pay for this background check. The supplemental check will be based on the most stringent standards of MCCCD's clinical experience partners.

The sole program for which the background check requirements are different is the Emergency Medical Technician program. For that program, students must have obtained a Level 1 Fingerprint Clearance Card from the Arizona Department of Public Safety. They are also required, at the time of their clinical assignments, to submit to, pay for and pass any additional background check requirements of the clinical agencies to which their EMT program places students.

Certain licensing boards may require a separate background check or clearance card upon application for licensure or certification.

The MCCCD supplemental background check review may include searches of the following databases and information but MCCCD reserves the right to change the search criteria and the program background check requirements at any time without notice:

1. National Federal Health Care and Abuse Databases
2. Social Security Verification
3. Residency History
4. Arizona Statewide Criminal Records
5. Nationwide Criminal Databases
6. Nationwide Sexual Offender Registry
7. Homeland Security Search

Examples of background information that will result in a "fail" status on the supplemental background check include:

1. Social Security number does not belong to the applicant
2. Any inclusion on any registered sex offender database
3. Any inclusion on any of the Federal exclusion lists or Homeland Security watch lists
4. Any conviction of a felony no matter what age of the convictions
5. Any warrant any state
6. Any misdemeanor conviction for the following no matter how long ago:
   A. Violent crimes
   B. Sex crime of any kind including non consensual sexual crimes and sexual assault
   C. Murder, attempted murder
   D. Abduction
   E. Assault
   F. Robbery
   G. Arson
   H. Extortion
   I. Burglary
   J. Pandering
   K. Any crime against minors, children, vulnerable adults including abuse, neglect, exploitation
   L. Any abuse or neglect
   M. Any fraud
   N. Illegal drugs
   O. Aggravated DUI
7. Any misdemeanor controlled substance conviction in last 7 years
8. Any misdemeanor conviction within the last 3 years
   Exceptions: any misdemeanor traffic (DUI is not considered traffic)

The information that MCCCD uses for the "pass/fail" background check is subject to change at any time without notice.

MCCCD recommends that students carry proof of the background clearance at all times during any clinical agency learning experience.

Duty to Report Changes; Removal

Students have an obligation to immediately report to the director of their program any change in the information that they supplied on forms submitted to initiate background checks relating to the allied health or nursing program. That includes information provided to the Arizona Department of Public Safety and MCCCD's supplemental background check vendor, as well as that related to the background check required by a clinical agency. Failure to do so will result in removal from the program. Additionally, any change in background check status that would affect the student's clearance under either MCCCD's or a clinical agency's standards will result in removal from a program.

Additional Clinical Agency Background Check

Some clinical agencies require that students assigned to their sites submit to a criminal background check covering other offenses, as well as to a drug screening. Students are required to pay for the additional agency clinical background check. A clinical agency that requires this additional background check may refuse to place a student due to information the clinical agency obtains in its background check even though that student possess a valid Level I Fingerprint Clearance Card and has obtained a "pass" status on the MCCCD supplemental background check.

Some conditions that have resulted in students being denied placement at clinical agencies include pending criminal charges, outstanding warrants, unfinished terms of a sentence (such as

unpaid fines), pattern of repeated types of arrests/convictions, and failure to disclose all past arrests/convictions when asked to do so on any background check application.

Inability to Place
MCCCD has no obligation to make repeated attempts to place a student when the reason for MCCCD's inability to place the student is due to background check issues. Since clinical agency assignments are mandatory requirements for completion of a program, a student's inability to complete required clinical experience due to his or her background check issues will result in removal from the program.

Changes to Admission or Background Check Requirements
MCCCD may change its program admission requirements or background check requirements without notice at any time.

No Guarantee of Receipt of Licensure/Certificate
Many of the nursing and allied health programs prepare graduates for application for State or National certificates or licenses. In some professions, such licensure and certification is required prior to employment or practice in the profession. Graduation from a nursing and allied health program does not guarantee the receipt of a license or certificate to practice in the field of study.

Certificate of Completion: 5963

Nurse Assisting

6 credits

DESCRIPTION: The Certificate of Completion (CCL) in Nurse Assisting prepares students for entry level employment in various health care settings as a nursing assistant. The program combines classroom instruction with clinical laboratory, skilled care and acute care experiences. Students who complete the program are eligible to take a written and practical certification examination and work as a Certified Nursing Assistant. Licensing requirements are the exclusive responsibility of the Arizona State Board of Nursing.

The MCCCD Nurse Assisting Program is approved by the Arizona State Board of Nursing.

Program offerings:
This program is offered at the following sites:
Chandler Gilbert Community College
Estrella Mountain Community College
GateWay Community College
Glendale Community College
Mesa Community College
Mesa Community College/Boswell
Paradise Valley Community College

Waiver of Licensure/Certification Guarantee
Admission or completion from the MCCD Nurse Assisting Program does not guarantee obtaining a license or certificate to practice nursing. Licensure and certification requirements and the subsequent procedures are the exclusive right and responsibility of the Arizona State Board of Nursing. Students must satisfy the requirements of the Nurse Practice Act: Statutes, Rules and Regulations, independently of any college of school requirements for graduation.

Pursuant to A.R.S. § 32-1606(B)(17), an applicant for professional or practical nurse license by examination is not eligible for licensure if the applicant has any felony convictions and has not received an absolute discharge from the sentences for all felony convictions. The absolute discharge must be received five or more years before submitting this application. If you cannot prove that the absolute discharge date is five or more years, the Board cannot process your application.

All nurse assistant applicants for certification will be fingerprinted to permit the Department of Public Safety to obtain state and federal criminal history information. All applicants with a positive history are investigated. If there is any question about eligibility for licensure or certification, contact the nursing education consultant at the Arizona State Board of Nursing (602-899-5150).

Health Declaration:
It is essential that Nursing students be able to perform a number of physical activities in the clinical portion of the program. At a minimum, students will be required to lift patients, stand for several hours at a time and perform bending activities. Students who have a chronic illness or condition must be maintained on current treatment and be able to implement direct patient care. The clinical nursing experience also places students under considerable mental and emotional stress as they undertake responsibilities and duties impacting patients` lives. Students must be able to demonstrate rational and appropriate behavior under stressful conditions. Individuals should give careful consideration to the mental and physical demands of the program prior to making application.

Health & Safety Requirements for MCCD Nurse Assisting Program:
1. Students must submit a completed Health and Safety Documentation Checklist and maintain current status throughout the program.
2. Students must submit CPR card for Health Care Provider and maintain current status throughout the program.
3. Admission to an Allied Health program requires that students be in compliance with the Maricopa County Community College District Supplemental Background Check policy. Program applications will not be accepted without a copy of an Arizona Department of Public Safety Level One Fingerprint Clearance Card. Upon conditional program admission, the student must comply with all requirements of the current MCCCD background check policy.

4. Health Provider Signature Form signed by a licensed health care provider.
5. Negative urine drug screen.

Grade Requirements:
Student must obtain a "C" grade or better in all courses.

University Transfer Students:
For students planning a University Program
Students who are planning to earn the Bachelor of Science in Nursing may obtain their prerequisite courses at Maricopa Community Colleges. For information on courses that meet requirements for admission into a baccalaureate program, please contact a program advisor.

THE NURSE ASSISTING PATHWAY
The nurse assisting pathway is designed to prepare students to complete the Nurse Assistant Certification through the Arizona State Board of Nursing to practice in a health care agency as a certified nurse assistant. Completion of the nurse assistant program of study provides job ready skills as a nursing assistant. Students may apply to the Nursing Program after completing the prerequisite courses and admission requirements.
PROGRAM NOTES: This program is not eligible for Title IV Federal Financial Aid.
Students must earn a grade of "C" or better in all courses within the program.
+ indicates course has prerequisites and/or corequisites.

ADMISSION CRITERIA: Application and acceptance into the program, High School graduate or GED, current Health Care Provider CPR Card required before beginning courses.
All students must submit a copy of a fingerprint clearance card with their application for the Maricopa Community College District Nursing Program.

Certificate of Completion: 5957

Practical Nursing

35-45 credits

DESCRIPTION: The Certificate of Completion (CCL) in Practical Nursing Program is available at eight of the Maricopa Community Colleges. Clinical experiences are provided in a variety of healthcare settings. Practical Nursing Program graduates are eligible to apply for the national exam for the practical nurse license. Licensing requirements are the exclusive responsibility of the State Board of Nursing.

The Certificate of Completion Practical Nursing Program is approved by the Arizona State Board of Nursing.

PROGRAM OFFERINGS:
This program is offered at the following sites:
Chandler Gilbert Community College
Estrella Mountain Community College
GateWay Community College
Glendale Community College
Mesa Community College
Paradise Valley Community College
Scottsdale Community College

Waiver of Licensure/Certification Guarantee:
Admission or graduation from the Nursing Program does not guarantee obtaining a license to practice nursing. Licensure requirements and the subsequent procedures are the exclusive right and responsibility of the Arizona State Board of Nursing. Students must satisfy the requirements of the Nurse Practice Act: Statutes, Rules and Regulations, independently of any college or school requirements for graduation.

Pursuant to A.R.S. 32-1606(B)(17), an applicant for professional or practical nurse license by examination is not eligible for licensure if the applicant has any felony convictions and has not received an absolute discharge from the sentences for all felony convictions. The absolute discharge must be received five or more years before submitting this application. If you cannot prove that the absolute discharge date is five or more years, the Board cannot process your application.

Level One Fingerprint Clearance is required for admission into the program. Applicants must present a Level One Fingerprint Clearance Card to be copied by the advisor or designee. For a Department of Public Safety Fingerprint Clearance Card application, contact MCCCD Healthcare/Nursing Advisor. If there is any question about eligibility for licensure or certification, contact the nursing education consultant at the Arizona State Board of Nursing (602.771.7800).

Health Declaration:
It is essential that nursing students be able to perform a number of physical activities in the clinical portion of the program. At a minimum, students will be required to lift patients, stand for several hours at a time and perform bending activities. Students who have a chronic illness or condition must be maintained on current treatment and be able to implement direct patient care. The clinical nursing experience also places students under considerable mental and emotional stress as they undertake responsibilities and duties impacting patients` lives. Students must be able to demonstrate rational and appropriate behavior under stressful conditions. Individuals should give careful consideration to the mental and physical demands of the program prior to making application. All must provide documentation of compliance with all health and safety requirements required to protect patient safety. Only students in compliance are permitted to enroll in nursing courses. Students will meet these requirements by providing the required documentation for the Health/Safety Requirements Documentation Checklist and the signed Health Declaration Form.

Health and Safety Requirements for the Nursing Program:
1. Students must submit a Health and Safety Documentation Checklist verifying completion of all requirements and maintain current status throughout the program.
2. Students must submit the Health Declaration Form signed by a licensed health care provider.
3. Students must test negative on a timed urine drug screen.
4. Admission to an Allied Health program requires that students be in compliance with the Maricopa County Community College District Supplemental Background Check policy. Program applications will not be accepted without a copy of an Arizona Department of Public Safety Level One Fingerprint Clearance Card. Upon conditional program admission, the student must comply with all requirements of the current MCCCD background check policy.

University Transfer Students:
Students who are planning to earn the Bachelor of Science in Nursing may obtain their prerequisite courses at the Maricopa Community Colleges. For information on courses that meet requirements for admission into a baccalaureate program, please contact a program advisor.

PRACTICAL NURSE EXIT OPTION
Following completion of the practical nurse level program of study, the student is eligible to apply for licensure as a practical nurse. Licensed Practical Nurses (LPN) may be employed in acute, long-term, and community-based health care settings under the direction of a registered nurse. Practical Nurses function within their legal scope of practice and use professional standards of care in illness care and health promotion activities for clients and families across the life span.

The Associate in Applied Science (AAS) Nursing Program is approved by the Arizona State Board of Nursing and accredited by the Accreditation Commission for Education in Nursing (ACEN), 3343 Peachtree Road NE, Suite 850, Atlanta, GA 30326; (404.975.5000); email: info@acennursing.org.

Program Notes: Students must earn a grade of "C" or better in all courses within the program.
+ indicates course has prerequisites and/or corequisites

Course Fee Information:
Please see class schedule for information regarding course fees.

MaricopaNursing is aligned with Nurse of the Future Competencies: Patient-Centered Care, Professionalism, Leadership, Systems-Based Practice, Informatics and Technology, Communication, Teamwork and Collaboration, Safety, Quality Improvement, and Evidence-Based Practice. These competencies focus on key stakeholders of healthcare clients, colleagues and communities. Demonstration of the competencies will signify preparation for successful transition into nursing practice and further professional development.

Admission Criteria: High School diploma or GED is required for the Certificate of Completion in Practical Nursing. Applicants must signify that they meet this requirement by providing high school diploma/transcripts or GED completion OR by signing the nursing application page containing the `Declaration of High School Graduation or GED completion`. In some instances, high school diploma/transcripts or proof of GED completion may be required.

Formal application and admission to the program is required; all program prerequisites must be completed prior to submission.
A passing score on a nursing program admission test is required to complete an application.

The Nursing Program Chair reserves the right to deny acceptance of an admission application if the applicant was previously dismissed for issues relating to academic integrity, unsafe patient care, and/or two (2) or more failures from any nursing program.

All applicants holding or receiving a certificate as a Nursing Assisting and/or license as a Practical Nurse must remain in good standing with the Board of Nursing. Once enrolled, students receiving any disciplinary actions against their certificate or license must notify the Nursing Program Chair within five (5) school days. The Nursing Program Chair reserves the right to restrict the student`s participation in clinical experiences and involvement in patient care until the certificate and/or license is valid and unrestricted.

PROGRAM PREREQUISITES: **Credits:10-20**
The credit hour range is subject to change depending on the student's educational experience.

REGISTERED NURSE PATHWAY
Associate in Applied Science Degree in Nursing Program
The Associate in Applied Science (AAS) degree in Nursing graduate is eligible to apply for licensure as a Registered Nurse (RN). The RN is educated as a generalist who delivers health care to clients and family groups and has competencies related to the art and science of nursing. The RN may be employed in a variety of acute, long term, and community-based healthcare settings. The AAS degree in Nursing provides the graduate with an educational foundation for articulation into the university setting.

MaricopaNursing is aligned with Nurse of the Future Competencies: Patient-Centered Care, Professionalism, Leadership, Systems-Based Practice, Informatics and Technology, Communication, Teamwork and Collaboration, Safety, Quality Improvement, and Evidence-Based Practice. These competencies focus on key stakeholders of healthcare clients, colleagues and communities. Demonstration of the competencies will signify preparation for successful transition into nursing practice and further professional development.

Admission Criteria: High School diploma or GED is required for the Associate in Applied Science degree in Nursing. Applicants must signify that they meet this requirement by providing high school diploma/transcripts or GED completion OR by signing the nursing application page containing the `Declaration of High School Graduation or GED completion`. In some instances, high school diploma/transcripts or proof of GED completion may be required.

Formal application and admission to the program is required; all program prerequisites must be completed prior to submission of application.
A passing score on a nursing program admission test is required to complete an application.
Applicants for Advanced Placement must receive a passing score on a practical nursing content exam for placement into Block 3.
The final decision rests with the Nursing Program Chair at the College to which the student is accepted.

The Nursing Program Chair reserves the right to deny acceptance of an admission application if the applicant was previously dismissed for issues relating to academic integrity, unsafe patient care, and/or two (2) or more failures from any nursing program.

All applicants holding or receiving a certificate as a Nursing Assisting and/or license as a Practical Nurse must remain in good standing with the Regulatory Board. Once enrolled, students receiving any disciplinary actions against their certificate or license must notify the Nursing Program Chair within five (5) school days. The Nursing Program Chair reserves the right to restrict the student`s participation in clinical experiences and involvement in patient care until the certificate and/or license is valid and unrestricted.

Degrees & Certificates

Associate of Applied Science: 3059

Exercise Science & Personal Training

64–69.5 credits

DESCRIPTION: The Associate in Applied Science (AAS) in Exercise Science and Personal Training program is designed to prepare students with the knowledge and experience required to be eligible for the American College of Sports Medicine (ACSM) personal trainer certification, the National Strength and Conditioning Association (NSCA) personal trainer certification, the National Academy of Sports Medicine (NASM) personal trainer certification and the American Council on Exercise (ACE) personal trainer certification. The curriculum is designed to strengthen students` educational background in fitness and nutrition potentially increasing their marketability in these fields. This degree may also meet the needs of individuals with existing degrees in such fields as Exercise Physiology, Nutrition, Athletic Training and other health related disciplines. Registered dietitians, clinical exercise physiologists, personal trainers, exercise specialists, strength and conditioning specialists, coaches, athletes and others interested in acquiring knowledge in exercise, nutrition and health may also find this program appropriate.

Official Course Descriptions

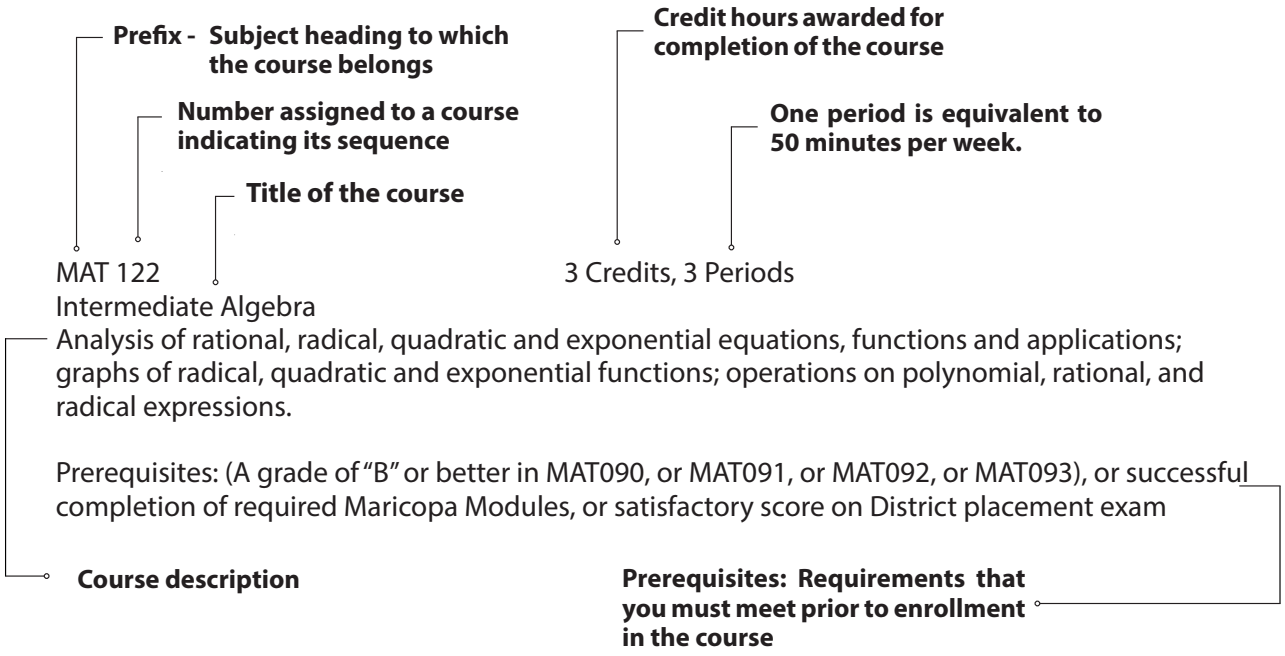
The following course descriptions which are offered at PVCC are those officially approved by the Maricopa County Community College District for use by Chandler-Gilbert Community College, Estrella Mountain Community College, Gateway Community College, Glendale Community College, Mesa Community College, Paradise Valley Community College, Phoenix College, Rio Salado College, Scottsdale Community College, and South Mountain Community College. For descriptions not included in this catalog, visit the district website: www.maricopa.edu/academic/ccta/

All courses have six common course elements which include prefix, number, title, description, credits, and prerequisites.



Prefix-The three letter prefix designates the subject under which the course is offered.

Number-The number assigned to a course provides information about its sequence. Numbers range from 001-299. Numbers below 100 are not considered for transfer to four-year institutions and are not applicable to degrees awarded by the Maricopa Community Colleges. First year courses are generally identified with 100-level numbers. Second year courses are generally identified with 200-levels. Courses at 200-level generally require prerequisites.

Title-The title identifies the course. It may also indicate the level of the course, i.e., Intermediate Algebra, or Beginning Spanish.

Credit hours-Credit hours are awarded for the satisfactory completion of a course. The semester hours of credit for all courses are indicated immediately after course titles. Tuition rates are assessed on a per credit hour basis and vary depending on the student's residency classification. Check with the Admissions and Records Office for information on tuition rates and residency requirements.

Course Description -Below each course number and title a brief description of the course is given. You should read the course description carefully to be sure that the course meets the requirements of your program of study. Instructors give supplemental course information (i.e. class outline, syllabus etc.), during the first week of classes so that you will know specific course procedures, grading criteria, and course objectives.

SUN The SUN System is a college course numbering system designed to help Arizona students plan their education and ensure successful transfer of course credits. http://www.aztransfer.com/sun/ A list of PVCC SUN courses can also be found at the end of the course listing.

Detailed information on degrees, transfer programs, course equivalency information, general education requirements, assessment, success seminars, and career information is available in the Advisement Center. We recommend that you consult with an advisor prior to registration.

Accounting

Division: Business/Information Technology
Chair: Dr. Dina Preston-Ortiz
Phone: 602.787.6728

ACC109 3 Credits, 3 Periods
Accounting Concepts
Introduction to accounting with emphasis on analysis and applications of financial information GBS151 and reading ability equivalent to RDG091 suggested but not required. Prerequisites: None. GBS151 and reading ability equivalent to RDG091 suggested but not required.

ACC111 3 Credits, 3 Periods
Accounting Principles I
Fundamental theory of accounting principles and procedures. Prerequisites: None.

ACC112 3 Credits, 3 Periods
Accounting Principles II
Continuation of the fundamental theory of accounting principles and procedures, including interpretation of general purpose financial statements. Prerequisites: ACC111 with a grade of C or better, or permission of Department or Division.

ACC115 2 Credits, 3 Periods
Computerized Accounting
Mastery of a microcomputer accounting system including the general ledger, accounts receivable, accounts payable and payroll Prerequisites: ACC107 or ACC111 or ACC211 or ACC230, or permission of Instructor.

ACC212 3 Credits, 3 Periods
Managerial Accounting
Development and analysis of accounting information for managerial planning and control. Prerequisites: A grade of "C" or better in (ACC111 and ACC112), or ACC211, and (CIS105 or permission of Department or Division).

ACC219 3 Credits, 3 Periods
Intermediate Accounting I
Theory and practice applicable to determination of asset values, liabilities, and related problems of income determination. Prerequisites: ACC212 or ACC240 with a grade of "C" or better, or permission of Department/Division.

ACC221 3 Credits, 3 Periods
Tax Accounting
Preparation of and accounting procedures for individuals; introduction to partnerships and corporate tax structures. Prerequisites: ACC111 or ACC211 or permission of department/division.

ACC222 3 Credits, 3 Periods
Payroll Accounting
Payroll records for businesses required by federal and state laws. Prerequisites: ACC111 or ACC211 or permission of Department or Division.

ACC296WA 1 Credit, 5 Periods
ACC296WB 2 Credits, 5 Periods
ACC296WC 3 Credits, 15 Periods
Cooperative Education
Work-college experiences that involve the combined efforts of educators and employers to accomplish an outcome related to the career objectives of the students. Prerequisites: Completion of at least twelve (12) college credits, minimum 2.6 grade point average, and be able to obtain a position related to student's academic or career goals (student's present job may qualify); or permission of instructor. Corequisites: Must be concurrently enrolled in at least one class which is related to student's major or career interest or with permission of the instructor.

Administration of Justice

Division: Behavioral Science
Chair Mr. Doug Berry
Phone: 602.787.7113

AJS101 3 Credits, 3 Periods
Introduction To Criminal Justice
An introduction to crime and society's responses to it. Examines the nature and causes of crime, the criminal law, constitutional safeguards, and the organization and operation of the criminal justice system including the police, courts, jails, prisons, probation and parole departments, and community corrections agencies. Covers the history of the criminal justice system, terminology and career opportunities. Prerequisites: None.

AJS109 3 Credits, 3 Periods
Substantive Criminal Law
Covers philosophy of legal sanctions and historical development from the common law to modern American criminal law, classifications of crimes, elements of and parties to crimes, general definition of crimes, common defenses utilized. Includes specific offenses and the essential elements of each offense. Required in AJS curriculum. Prerequisites: None.

AJS123 3 Credits, 3 Periods
Ethics and the Administration of Justice
Introduces and explores ethical issues and the justice system. Focuses on ethics and the law, the police, courts and corrections. Reviews ethical theory, concepts and practices as they relate to administration of justice. Encourages critical thinking and value decision making in criminal justice system situations . Prerequisites: None.

AJS200 3 Credits, 3 Periods
Current Issues In Criminal Justice
Examines current issues, techniques and trends in the Criminal Justice System. Prerequisites: None.

AJS205 3 Credits, 3 Periods
Criminal Justice Report Writing
Characteristics of reports and field notes, and the importance and uses of each. Form, style, and procedures for writing various reports, including elements of composition, required substance, proper and improper conclusions, and descriptions of persons and property. Prerequisites: None.

AJS212 3 Credits, 3 Periods
Juvenile Justice Procedures
Examines the history and development of juvenile justice theories, procedures, and institutions. Prerequisites: None.

AJS215
Criminalistics: Physical Evidence 3 Credits, 3 Periods
The scientific analysis and examination of physical evidence with emphasis on scientific investigation, recognition, collection, and preservation of evidence. Topics include fingerprints, shoe prints, tool marks, firearms identification, paint chips and arson. Prerequisites: None.

AJS216 3 Credits, 3 Periods
Criminalistics: Biological Evidence
The scientific analysis and examination of biological evidence with emphasis on collection and preservation of evidence. Topics discussed include blood, drugs, blood alcohol, hairs and fibers, and topics of special interest in criminalistics. Prerequisites: None.

AJS225 3 Credits, 3 Periods
Criminology
Study of deviance, society's role in defining behavior; theories of criminality and the economic, social, and psychological impact of crime; relationships between statistics and crime trends. Examines crime victimization and the various types of crime and categories of offenders. Required in the AJS curriculum. Prerequisites: None.

AJS230 3 Credits, 3 Periods
The Police Function
Theories of procedures and methods of operations of public police with emphasis on discretionary powers available to the working police officer. Career opportunities and current trends in law enforcement presented. Prerequisites: None.

AJS240 3 Credits, 3 Periods
The Correction Function
Examines the history and development of correctional theories and institutions. Prerequisites: None.

AJS258 3 Credits, 3 Periods
Victimology and Crisis Management
Victimology, the criminal justice system, techniques of crisis intervention, and the importance of a multicultural and global perspective. Includes sexual assault, family violence, post-traumatic stress disorder, the role of substance abuse, effective coping skills, appropriate community resources and the responsiveness of the justice system. Prerequisites: None.

AJS260 3 Credits, 3 Periods
Procedural Criminal Law
Concerned with the understanding of procedural criminal law. Examines the rationale underlying major court holdings, the procedural requirements that stem from these holdings, and their effect on the daily operations of the criminal justice system. Prerequisites: None.

AJS275 3 Credits, 3 Periods
Criminal Investigation I
Introduction to the theory of criminal investigation. Examines crime scene procedures, case preparation, interviewing, and basic investigative techniques. Prerequisites: None.

Advancing Academic Achievement

Division: Counseling & Personal Development
Chair: Dr. Jim Rubin
Phone: 602.787.6541

AAA115 1 Credit, 1 Period
Creating College Success
Strategies to create success in college. Methods for selecting and developing effective academic strategies, increasing self awareness and developing self management strategies. Elements of college resources and relationships with others explored in support of students' educational experience. Prerequisites: None.

Aerospace Studies

Division: Social Science
Chair: Dr. Doss Powell, Jr.
Phone: 602.787.6681
Note: AES courses are taught on the ASU Main campus.

AES101 Lecture: 2 Credits, 1 Period
Lab: 0 Credits, 1 Period
Air Force Today I
Survey course designed to introduce students to the United States Air Force and Air Force Reserve Officer Training Corps (AFROTC). Featured topics include: mission and organization of the Air Force, officership and professionalism, military customs and courtesies, Air Force officer opportunities, group leadership problems, and an introduction to communication skills. The Leadership Laboratory component provides dynamic and integrated grouping of leadership developmental activities designed to meet the needs and expectations of prospective Air Force second lieutenants and complement the AFROTC academic program. Emphasizes common Air Force customs and courtesies, drill and ceremonies, health and physical fitness through group participation. Prerequisites: None.

AES103 Lecture: 2 Credits, 1 Period
Lab: 0 Credits, 1 Period
Air Force Today II
Introduce students to the United States Air Force and encourage participation in Air Force Reserve Officer Training Corps (AFROTC). Featured topics include: introduction to leadership, Air Force core values, introduction to interpersonal communication and team building, and a continuation of communication skills. The Leadership Laboratory component provides dynamic and integrated grouping of leadership developmental activities designed to meet the needs and expectations of prospective Air Force second lieutenants and complement the AFROTC academic program. Emphasizes learning the environments and dynamics of an Air Force officer. Prerequisites: None.

AES201 Lecture: 2 Credits, 1 Period
Lab: 0 Credits, 1 Period
Evolution of USAF Air and Space Power I
Focuses on facilitating the transition from Air Force ROTC cadet to Air Force ROTC candidate. Examines the general aspects of air and space power through a historical perspective. Utilizing this perspective, covers a time period from the first balloons and dirigibles to the modern technology currently used in overseas contingency operations. Featured topics include: Air Force heritage, Air Force leaders, introduction to ethics and values, group leadership problems and continuing application of communication skills. The Leadership Laboratory component provides dynamic and integrated grouping of leadership developmental activities designed to meet the needs and expectations of prospective Air Force second lieutenants and complement the AFROTC academic program. Provides application of advanced drill and ceremonies; issuing commands; knowing flag etiquette; and developing, directing, and evaluating skills to lead others. Prerequisites: None.

AES203 Lecture: 2 Credits, 1 Period
Lab: 0 Credits, 1 Period
Evolution of USAF Air and Space Power II
Provides knowledge-level understanding for general element and employment of air and space power. Furthermore, discusses the importance of Air Force Core Values with use of operational examples and historical Air Force leaders. Continues to develop communication skills. Topics include: the Air Force mission and organization, modern joint expeditionary Airmen, officer opportunities, and professionalism. The Leadership Laboratory component provides dynamic and integrated grouping of leadership developmental activities designed to meet the needs and expectations of prospective Air Force second lieutenants and complement the AFROTC academic program. Emphasizes preparation for field training. Prerequisites: None.

AES294 1 Credit, 3 Periods
Air Force Physical Fitness
Physical training component of Air Force ROTC. Covers topics of immediate or special interest to a faculty member and students. Prerequisites: None.

Anthropology

Division: Social Science
Chair: Dr. Doss Powell, Jr.
Phone: 602.787.6681

ASB100 3 Credits, 3 Periods
Introduction to Global Health
The study of human health patterns at an international and local scale. Focus on pressing global health challenges that the world faces today are examined from a broad social, ecological, and cultural context. Prerequisites: None.

ASB102 3 Credits, 3 Periods
Introduction to Cultural Anthropology
Principles of cultural and social anthropology, with illustrative materials from a variety of cultures. The nature of culture; social, political, and economic systems; religion, aesthetics and language. Prerequisites: None.

ASB211 3 Credits, 3 Periods
Women in Other Cultures
Cross cultural analysis of the economic, social, political, and religious factors that affect women's status in traditional and modern societies. Prerequisites: None.

ASB214 3 Credits, 3 Periods
Magic, Witchcraft and Healing:
An Introduction to Comparative Religion
Origins, elements, and forms of religion; a comparative survey of religious beliefs, myths, rituals and symbolism including magic, witchcraft and healing as practiced in selected regions of the world; the place of religion in the total culture. Prerequisites: None.

ASB222 3 Credits, 3 Periods
Buried Cities and Lost Tribes: Old World
Introduction to archaeology through discoveries and the researchers who made them. Emphasis on methods of archaeological fieldwork and what these discoveries reveal about humanity, including the nature of archaeological inquiry, the development of human social groups, the changing role of religion in evolving societies, the origins of agriculture, the origins of settled lifeways, the rise of cities and complex societies, political strife across different cultures and the forces which tend to fragment societies. Examples drawn from Africa, Asia, Europe, the Pacific Islands, and Australia. Prerequisites: None.

ASB223 3 Credits, 3 Periods
Buried Cities and Lost Tribes: New World
Introduction to archaeology through discoveries and the researchers who made them. Emphasis on methods of archaeological fieldwork and what these discoveries reveal about humanity, including the nature of archaeological inquiry, the development of human social groups, the changing role of religion in evolving societies, the origins of agriculture, the origins of settled lifeways, the rise of cities and complex societies, political strife across different cultures and the forces which fragment societies. Examples drawn from North America, Central America, and South America. Prerequisites: None

ASB235 3 Credits, 3 Periods
Southwest Archaeology
Anthropological perspective and comparative study of the cultures of prehistoric native peoples of the North American southwest. Prerequisites: None.

ASM104 4 Credits, 5 Periods
Bones, Stones, and Human Evolution
Study of human evolution and variation; including fossil hominids and their tools, primate anatomy and behavior, human genetics, and the environment and human biology. Prerequisites: None.

ASM275 4 Credits, 5 Periods
Forensic Anthropology
Survey of the role of forensic anthropologists, from the crime scene to the courtroom. Course focuses on how skeletal analysis can aid

in medicolegal investigations, especially by identifying aspects of the life history of unknown individuals and by reconstructing events that took place at crime scenes. Covers both the legal aspects of forensic practice and the underlying biological basis for evidence obtained from skeletal remains. Examines applications of forensic anthropology in mass disasters, human rights investigations, and the deciphering of historic cases. Lab activities designed to illustrate techniques and principles central to the discipline. Prerequisites: None.

ASM298AA 1 Credit, 1 Period
Special Projects
Organized and tailored around the interests and needs of the individual student. Structured to provide an atmosphere of individualized research and study paralleled by professional expertise and guidance. Professional type facilities and equipment available for student use. Allows the best aspects of independent study and individualized learning to be combined to maximize student development. Prerequisites: Permission of Program Director or instructor.

Art

Division: Fine & Performing Arts
Chair: Dr. Christopher Scinto
Phone: 602.787.6686

Ceramics

ART161 3 Credits, 6 Periods
Ceramics I
Introduction to ceramic materials and techniques of hand construction, decorating, glazing and throwing on potters' wheel. Prerequisites: None.

ART162 3 Credits, 6 Periods
Ceramics II
Major emphasis on wheel throwing, glaze making and decorating techniques. Prerequisites: ART161.

ART261 3 Credits, 6 Periods
Ceramics III
Emphasis on wheel throwing skill and individual style development. Prerequisites: ART162.

ART262 3 Credits, 6 Periods
Ceramics IV
Experimental work in clays and glazes. Prerequisites: ART261.

ART295GA 1 Credit, 2 Periods
Art Workshop/Seminar: Ceramics
Advanced level workshop seminar in art disciplines. Prerequisites: Minimum of three (3) credits introductory and three (3) credits intermediate level courses in specific field or permission of Department or Division Chair

Computer Art

ART100 1 Credit, 2 Periods
Introduction to Computer Graphic Art
Conceptualization, visualization, and production of art using the computer. Prerequisites: None.

ART180AD 1 Credit, 2 Periods
Designer's Tools: Adobe Illustrator
Introduction to the multiple elements of Adobe Illustrator, a visual art adaptation software package using the Macintosh microcomputer. Basic foundation course in the use of electronic techniques, including appropriate input and output production devices. Prerequisites: ART100 or permission of instructor.

ART184 3 Credits, 6 Periods
Computer Animation
The art of animation (animated sequences, special effects, titles, etc.) using the computer. Construction characters, background graphics, color, scaling, storyboard, cells, timing, editing, and surface rendering. Screening and discussion of selected animated short films and videos. Prerequisites: ART100 or ART111 or ART116 or permission of Instructor.

ART190 3 Credits, 6 Periods
Art of Web Site Design
Introduction to design production for websites. Layout, typography and presentation style for HTML (Hyper Text Markup Language). Design of mock-ups using digital design software to produce artistic form and content for the Web using Hyper Text Markup Language.

ART246 3 Credits, 6 Periods
Introduction to Digital 3D Fabrication Tools
Introduction to concepts and application of computer visualization, modeling, and rapid prototyping for interdisciplinary arts. Students will design sculptures applying 3D computer modeling techniques, rapid prototyping, and other available digital output devices to produce solid models. Prerequisites: None.

Drawing, Design & Color

ART111 3 Credits, 6 Periods
Drawing I
Fundamental principles of drawing. Emphasis on composition and facility in objective and expressive representation, using variety of drawing media. Prerequisites: None.

ART112 3 Credits, 6 Periods
Two-Dimensional Design
Study of fundamental elements and principles of two-dimensional design. Prerequisites: None.

ART113 3 Credits, 6 Periods
Color
Investigation seeking visual solutions to a variety of problems concerning color in two and three dimensions and modes of color appearances, including light and effects in design and theory of design. Prerequisites: None.

ART115 3 Credits, 6 Periods
Three-Dimensional Design
Fundamental principles of three-dimensional design. Prerequisites:

ART112.

ART122 3 Credits, 6 Periods
Drawing and Composition II
Emphasis on composition and exploration of drawing media. Prerequisites: ART111.

ART211 3 Credits, 6 Periods
Drawing and Composition III
Advanced development of drawing skill with emphasis on compositional theory. Prerequisites: ART122 or permission of instructor.

ART222 3 Credits, 6 Periods
Drawing and Composition IV
Further study of drawing techniques with emphasis on individual problems and techniques. Prerequisites: ART211 or permission of instructor.

ART277 3 Credits, 6 Periods
Textiles I
Introduction to exploration of textile media. Prerequisites: ADA/ART112 or permission of Instructor.

Life Drawing

ART116 3 Credits, 6 Periods
Life Drawing I
Use of form, structure and anatomy of draped and undraped human figure to develop basic principles of sound draftsmanship. Prerequisites: None.

ART117 3 Credits, 6 Periods
Life Drawing II
Further study of form, structure, and anatomy of the draped and undraped human figure with emphasis on composition. Prerequisites: ART116.

ART216 3 Credits, 6 Periods
Life Drawing III
Advanced creative study from model in various painting and drawing media. Prerequisites: ART117 or permission of instructor.

ART217 3 Credits, 6 Periods
Life Drawing IV
Further development of skills in expressive drawing materials and techniques as applied to finished drawings of the human form. Prerequisites: ART216 or permission of instructor.

Marketing & Gallery

ART255AB 1 Credit, 1 Period
The Portfolio
Choosing the right pieces to include, presenting art work, developing the portfolio. Prerequisites: None.

Multi Media

TCM100 3 Credits, 3 Periods
Digital Multi Media
Introduction to the major components of a multi media project. Prerequisites: None.

Painting

ART167 3 Credits, 6 Periods
Painting I
Exploration of technical and expressive possibilities of various painting media in easel painting. Prerequisites: (ART111 and ART112), or permission of instructor.

ART168 3 Credits, 6 Periods
Painting II
Continued refinement of painting skills and investigation of new possibilities in painting. Prerequisites: ART167 or permission of instructor.

ART267 3 Credits, 6 Periods
Painting III
Development of materials and techniques of painting. Individual problem-solving. Prerequisites: ART168 or permission of instructor.

ART268 3 Credits, 6 Periods
Painting IV
Advanced problem in painting. Study with greater emphasis on personal expression. Prerequisites: ART267 or permission of instructor.

Photography

ART131 3 Credits, 6 Periods
Photography I
Basic photographic principles and techniques. Basic camera functions and controls. Experience in the image-making process by creating and editing photographs for various display environments. Introduction to the photographic aesthetic and photography`s role in society. Prerequisites: None.

ART142 3 Credits, 6 Periods
Introduction to Digital Photography
Fundamentals of digital photography. Includes camera operations, exposure techniques, introduction to digital output, and theory of digital photography. Prerequisites: None. Course Note: Digital camera required.

ART143 3 Credits, 6 Periods
Intermediate Digital Photography
Intermediate theory and techniques of digital photography. Aesthetic awareness and personal expression from image capture through intermediate techniques in the digital darkroom. Introduction to high-resolution digital output. Prerequisites: ART142 or permission of instructor. Course Note: Semi-adjustable, high-resolution digital camera is required.

ART234 3 Credits, 6 Periods
Color Photography I
Basic principles of color theory, camera and input and output techniques using slide film or digital photography. Prerequisites: ART131 or ART142 or permission of Instructor.

ART236 3 Credits, 6 Periods
Photography Location Shooting
Practical application of camera techniques, use of lighting, and on-location shooting for post-production printing. Prerequisites: (ART131 OR ART142) OR permission of Instructor.

Watercolor

ART165 3 Credits, 6 Periods
Watercolor Painting I
Transparent and Gouache watercolor painting. Prerequisites: (ART111 and ART112), or permission of instructor.

ART166 3 Credits, 6 Periods
Watercolor Painting II
Painting in water soluble media. Emphasis on individual techniques and design. Prerequisites: ART165.

ART265 3 Credits, 6 Periods
Watercolor Painting III
Continuation of watercolor painting with emphasis on control and expression. Prerequisites: ART166.

ART266 3 Credits, 6 Periods
Watercolor Painting IV
Advanced problems directed toward more personal expression. Prerequisites: ART265.

Art Humanities

Division: Fine & Performing Arts
Chair: Dr. Christopher Scinto
Phone: 602.787.6686

ARH100 3 Credits, 3 Periods
Introduction to Art
Understanding and enjoyment of art through study of painting, sculpture, architecture design, photography, and decorative arts. Emphasis on contemporary topics and cultural diversity in the arts. Prerequisites: None.

ARH101 3 Credits, 3 Periods
Prehistoric Through Gothic Art
History of art from prehistoric through medieval period. Prerequisites: None.

ARH102 3 Credits, 3 Periods
Renaissance Through Contemporary Art
History of art from around the world from the Renaissance through contemporary period. Prerequisites: None.

ARH112 3 Credits, 3 Periods
History of Modern Art
Development and significant aspects of modern art, including comparisons of relationships in expressionism, abstractions, fantasy, and art since mid-century. Prerequisites: None.

ARH115 3 Credits, 3 Periods
History of Photography
Survey of history of photography from beginning to present. Emphasizes medium's impact upon society and other visual arts. Technical developments, aesthetic concerns, and individual photographers studied. Prerequisites: None.

ARH201 3 Credits, 3 Periods
Art of Asia
Introduction to the origins and historic development of art in Asia, with emphasis on China, Japan, and India. Prerequisites: None.

Astronomy

Division: Science
Department: Physical Sciences
Chair: Dr. Scott Massey
Phone: 602.787.6644

AST101 3 Credits, 3 Periods
Survey of Astronomy
Survey of astronomy for the nontechnical student. The history, content, and evolution of the solar system and the universe in general. Astronomical principles and instrumentation. The planets, moons, sun, comets, stars and star formation, galaxies, and cosmology. Prerequisites: None.

AST102 1 Credit, 3 Periods
Survey of Astronomy Laboratory
Astronomical observations and exercises designed to familiarize students with the sky, telescopes, and methods used in astronomy. Prerequisites: None. May accompany AST101.

AST111 3 Credits, 3 Periods
Introduction to Solar System Astronomy
Introduction to astronomy for the non-science major. History of astronomy, properties of light, instruments, the solar system and nearby stars. Prerequisites: MAT092 or equivalent.

AST112 3 Credits, 3 Periods
Introduction to Stars, Galaxies, and Cosmology
Introduction to astronomy for the non-science major. Structure and evolution of stars; star clusters; galaxies; cosmology. Prerequisites: MAT092 or equivalent.

AST113 1 Credit, 3 Periods
Introduction to Solar System Astronomy Laboratory
Astronomical observations and exercises to supplement AST111. Prerequisites or Corequisites: AST111.

AST112 3 Credits, 3 Periods
Introduction to Stars, Galaxies, and Cosmology
Introduction to astronomy for the non-science major. Structure and evolution of stars; star clusters; galaxies; cosmology. Prerequisites: MAT092 or equivalent.

AST114 1 Credit, 3 Periods
Introduction to Stars, Galaxies, and Cosmology Laboratory
Astronomical observations and exercises to supplement AST112. Prerequisites or Corequisites: AST112.

AST294AB 1 Credit, 1 Period
Special Topics in Astronomy
Conceptual, experimental, and computational aspects of a special topic in astronomy. Prerequisites: Permission of Department or Division.

Biology

Division: Science
Department: Life Sciences
Chair: Mr. Jeff Lace
Phone: 602.787.7913

BIO100 Lecture: 4 Credits, 3 Periods
Biology Concepts Lab: 0 Credits, 3 Periods
Introductory course covering basic principles and concepts of biology. Methods of scientific inquiry and behavior of matter and energy in biological systems are explored. Prerequisites: None.

BIO105 Lecture: 4 Credits, 3 Periods
Environmental Biology Lab: 0 Credits, 3 Periods
Fundamentals of ecology and their relevance to human impact on natural ecosystems. Field trips may be required at students' expense. Prerequisites: None.

BIO145 Lecture: 4 Credits, 3 Periods
Marine Biology Lab: 0 Credits, 3 Periods
A survey of marine environments and their biotic communities with emphasis on the natural history of marine organisms. Prerequisites: None.

BIO156 Lecture: 4 Credits, 3 Periods
Introductory Lab: 0 Credits, 3 Periods
Biology for Allied Health
An introductory biology course for allied health majors with an emphasis on humans. Topics include fundamental concepts of cell biology, histology, microbiology, and genetics. Prerequisites: A grade of "C" or better in RDG091 or higher or eligibility for CRE101 as indicated by appropriate reading placement test score. One year of high school or one-semester of college level chemistry is strongly recommended.

BIO160 Lecture: 4 Credits, 3 Periods
Introduction to Lab: 0 Credits, 3 Periods
Human Anatomy and Physiology
Principles of scientific method. Structural organization, homeostasis and control mechanisms of the body. Specific chemistry concepts. Structure and function of the major systems of the body. Prerequisites: None.

BIO181 Lecture: 4 Credits, 3 Periods
General Biology (Majors) I Lab: 0 Credits, 3 Periods
The study and principles of structure and function of organisms at the molecular and cellular levels. A detailed exploration of the chemistry of life, the cell, and genetics. Prerequisites: A grade of "C" or better in RDG091 or higher or eligibility for CRE101 as indicated by appropriate reading placement test score. One year of high school or one semester of college-level biology and chemistry is strongly recommended.

BIO182 Lecture: 4 Credits, 3 Periods
General Biology (Majors) II Lab: 0 Credits, 3 Periods
The study and principles of structure and function of living things at cellular, organismic, and higher levels of organization. A detailed exploration of the mechanisms of evolution, biological diversity, biology of organisms, and ecology. Prerequisites: A grade of "C" or better in BIO181 or BIO181XT.

BIO201 Lecture: 4 Credits, 3 Periods
Human Anatomy and Lab: 0 Credits, 3 Periods
Physiology I
Study of structure and function of the human body. Topics include cells, tissues, integumentary system, skeletal system, muscular system, and nervous system. Prerequisites: (A grade of "C" or better in BIO156 or BIO156XT or BIO181 or BIO181XT or one year of high school biology) and a grade of "C" or better in RDG091 or higher or eligibility for CRE101 as indicated by reading placement test score. CHM130 or higher or one year of high school chemistry suggested but not required.

BIO202 Lecture: 4 Credits, 3 Periods
Human Anatomy and Physiology II
Continuation of structure and function of the human body. Topics include endocrine, circulatory, lymphatic, respiratory, digestive, urinary, and reproductive systems; and fluid and electrolyte balance. Prerequisites: A grade of C or better in BIO201 or BIO201XT.

BIO205 Lecture: 4 Credits, 3 Periods
Microbiology Lab: 0 Credits, 3 Periods
Study of microorganisms and their relationship to health, ecology, and related fields. Prerequisites: (A grade of "C" or better in BIO156 or BIO156XT or BIO181 or BIO181XT or one year of high school biology) and a grade of "C" or better in RDG091 or higher or eligibility for CRE101 as indicated by reading placement test score. CHM130 or higher or one year of high school chemistry suggested but not required.

BIO240 Lecture: 4 credits, 4 Periods
General Genetics
Intensive introduction to the field of genetics including historical perspective, Mendelian insights and patterns of inheritance, exceptions to expected Mendelian ratios, quantitative genetics, non-Mendelian inheritance, pedigree analysis, molecular levels of gene expression, genetic control of metabolic pathways, analytic dissection of molecular mechanisms behind DNA replication, transcription, translation, and gene regulation in both prokaryotes and eukaryotes, population genetics, genetics of behavior, and genetics of evolution and speciation. Prerequisites: BIO181

BIO296WA, WB, WC Lab: 1, 2, 3 Credits
Cooperative Education 5, 10, 15 Periods
Work-college experiences that involve the combined efforts of educators and employers to accomplish an outcome related to the career objectives of the students. Prerequisites: Completion of at least twelve (12) college Credits, minimum 2.6 grade point average, and be able to obtain a position related to student's academic or career goals (student's present job may qualify); or permission of instructor. Corequisites: Must be concurrently enrolled in at least one class which is related to student's major or career interest or with permission of the instructor.

Business: General

Division: Business/Information Technology
Chair: Dr. Dina Preston-Ortiz
Phone: 602.787.6728

For additional Business courses, see International Business (IBS), Management (MGT), and Marketing (MKT) areas.

GBS151 3 Credits, 3 Periods
Introduction to Business
Characteristics and activities of current local, national, and international business. An overview of economics, marketing, management and finance. Prerequisites: None.

GBS205 3 Credits, 3 Periods
Legal, Ethical, and Regulatory Issues in Business
Legal theories, ethical issues and regulatory climate affecting business policies and decisions. Prerequisites: None.

GBS220 3 Credits, 3 Periods
Quantitative Methods In Business
Business applications of quantitative optimization methods in operations management decisions. Prerequisite: (Grade of "C" or better in MAT150, or MAT151, or MAT152) or equivalent, or satisfactory score on district placement exam.

GBS221 3 Credits, 3 Periods
Business Statistics
Business applications of descriptive and inferential statistics, measurement of relationships, and statistical process management. Includes the use of spreadsheet software for business statistical analysis. Prerequisites: Grade of C or better in GBS220 or MAT217.

GBS233 3 Credits, 3 Periods
Business Communication
Internal and external business communications, including verbal and nonverbal techniques. Prerequisites: ENG101 or ENG107 with grade of "C" or better, or permission of Department or Division.

Business: Small Business

Division: Business/Information Technology
Chair: Dr. Dina Preston-Ortiz
Phone: 602.787.6728

SBS213 1 Credit, 1 Period
Hiring and Managing Employees
Methods and techniques for managing employees in a small business. Includes supervisor's role, leadership styles, interpersonal communications, staff planning, employee work styles, techniques for handling problem employees, and employee motivation. Focuses on real life situations to enable the business owner to gain high performance from their employee team. Includes segment on hiring, new employee orientation, training, benefits, and developing future staffing needs assessment. Prerequisites: None.

SBS214 1 Credit, 1 Period
Small Business Customer Relations
Developing and improving customer relations for the small business. Planning and delivering quality customer service. Includes topics on attitude of employees, customer perceptions and motivations, handling customer dissatisfaction, and developing customer, supplier, vendor, and distributor loyalty. Prerequisites: None.

SBS215 1 Credit, 1 Period
Managing Stress in Small Business
Explores the common causes of stress related to the operation of a small business. Includes discussion of the physiological and psychological effects of stress, and specific methods for dealing with the small business owner or manager stresses in business and personal life. Prerequisites: None.

SBS220 2 Credits, 2 Periods
Internet Marketing for Small Business
Focuses on e-Commerce-doing business on the Internet and planning a web site. Topics include: how the Internet can help growth and success of business; examples of successful marketing on the Internet; availability of Internet services; necessary hardware and software for marketing on the Internet; determining products/services appropriate for Internet marketing; budget constraints and on-going operations of the Internet site. Prerequisites: None.

SBS230 2 Credits, 2 Periods
Financial and Tax Management for Small Business
An overview of accounting and record-keeping for the successful management of a small business. Develops an understanding of the accounting cycle and preparation of financial statements. Includes section on tax consequences and the choice of legal entity choice based on taxation. Prerequisites: None.

Business & Personal Computers

Division: Business/Information Technology
Chair: Dr. Dina Preston-Ortiz
Phone: 602.787.6728

BPC101 3 Credits, 4 Periods
Introduction to Computers
Computer software applications for the personal computer, including electronic spreadsheet and word processing, keyboarding review, a desktop environment, database management, computer graphics and operating system commands. Individualized advanced applications of software selected to solve specific problems on the personal computer. Prerequisites: None.

BPC104AD 0.5 Credits, 0.5 Periods
Using Excel: Level I
Use of Excel to create, edit, save and print worksheets. Prerequisites: None.

BPC110 3 Credits, 4 Periods
Computer Usage And Applications
Introduction to business and personal computer operations and usage. Software applications for analyzing and solving business problems including word processing, spreadsheet, database, and presentation graphics. Prerequisites: None.

BPC125 1 Credit, 1 Period
Microcomputer Set Up And Maintenance
How to install and maintain a microcomputer (personal computer). Steps used to set up a new or add options to a previously installed microcomputer. Installation of internal options (memory, graphics, modems, etc.), as well as external options and devices (printers, monitors, communications, etc.). Troubleshoot (identify and repair or have repaired) microcomputer problems. Prerequisites: None.

BPC170 3 Credits, 4 Periods
A+ Exam Prep: Computer Hardware Configuration and Support
Explore technical aspects of personal computers, including system components, installation, system configuration, peripheral devices, and notebooks. Emphasis placed on hardware installation, maintenance, mobile devices, and hardware troubleshooting. Helps prepare students for the CompTIA A+ examinations. Prerequisites: CIS105 or permission of Instructor.

BPC270 3 Credits, 4 Periods
A+ Exam Prep: Operating System Configuration and Support
Explore advanced technical aspects of maintaining and servicing computers. Emphasis placed on OS installation, maintenance, mobile devices, security, software troubleshooting, and on proper usage of tools, safety procedures, and professionalism. Helps prepare students for the CompTIA A+ examinations. Prerequisites: CIS105 or permission of Instructor.

Career Work Experience

Division: Counseling & Personal Development
Chair: Dr. Jim Rubin
Phone: 602.787.6540

CWE198AA, AB, AC 1, 2, 3 Credits
Career/Work Experience 1, 2, 3 Periods
Participation in a work experience, gaining on-the-job training, and/or exploring a career or field of choice. Helps students relate their education to the real work world. Resume writing and interviewing skills. Development of employability skills. Prerequisites: None.

CWE298AA, AB, AC 1, 2, 3 Credits
Special Projects 1, 2, 3 Periods
Organized and tailored around the interests and needs of the individual student. Structured to provide an atmosphere of individualized research and study paralleled by professional expertise and guidance. Professional-type facilities and equipment available for student use. Allows the best aspects of independent study and individualized learning to be combined to maximize student development. Prerequisites: Permission of Program Director or instructor.

Chemistry

Division: Science
Department: Physical Sciences
Chair: Dr. Scott Massey
Phone: 602.787.6644

CHM130 3 Credits, 3 Periods
Fundamental Chemistry
A survey of the fundamentals of general chemistry. Emphasis on essential concepts and problem solving techniques. Basic principles of measurement, chemical bonding, structure and reactions, nomenclature, and the chemistry of acids and bases. Preparation for students taking more advanced courses in chemistry. Designed to meet needs of students in such diverse areas as agriculture, nursing, home economics, physical education and water technology. Prerequisites: A grade of "C" or better in [CHM090 or MAT090 or MAT091 or MAT092 or MAT093 or (MAT103AA and MAT103AB) or higher or satisfactory score on math placement exam] and [RDG091 or higher or eligibility for CRE101 as indicated by appropriate reading placement test score].

CHM130LL 1 Credit, 3 Periods
Fundamental Chemistry Laboratory
Laboratory experience in support of CHM130. Prerequisites or Corequisites: A grade of "C" or better in CHM130.

CHM151 3 Credits, 3 Periods
General Chemistry I
Detailed study of principles of chemistry for science majors and students in pre-professional curricula. Prerequisites: A grade of "C" or better in [(CHM130 and CHM130LL), or CHM130AA, or one year of high school chemistry taken within the last five years] and (MAT151 or higher level mathematics course). Completion of all prerequisites within the last two years is recommended.

CHM151LL 1 Credit, 3 Periods
General Chemistry I Laboratory
Laboratory experience in support of CHM150 or CHM151. Prerequisites or Corequisites: A grade of "C" or better in CHM150 or CHM151.

CHM152 3 Credits, 3 Periods
General Chemistry II
A study of the chemical properties of the major groups of elements, equilibrium theory, thermodynamics, electrochemistry, and other selected topics. Prerequisites: A grade of "C" or better in [(CHM150 or CHM151) and CHM151LL], or CHM150AA, or CHM151AA. Completion of prerequisites within the last two years recommended.

CHM152LL 1 Credit, 3 Periods
General Chemistry II Laboratory
Laboratory experience in support of CHM152. Prerequisites or Corequisites: A grade of "C" or better in CHM152.

CHM230 3 Credits, 3 Periods
Fundamental Organic Chemistry
Chemistry of representative groups of organic compounds, emphasizing biological applications. Prerequisites: (CHM130 and

CHM130LL), or (CHM150 or CHM151 and CHM151LL). Completion of (CHM130 and CHM130LL) or (CHM150 or CHM151 and CHM151LL) within the last two years recommended.

CHM230LL 1 Credit, 3 Periods
Fundamental Organic Chemistry Laboratory
Laboratory experience in support of CHM230. Prerequisites: CHM130LL, or CHM151LL, or equivalent. Prerequisites or Corequisites: CHM230.

CHM235 3 Credits, 3 Periods
General Organic Chemistry I
Rigorous introduction to chemistry of carbon-containing compounds. Reaction mechanisms and recent methods of synthesis emphasized. Prerequisites: A grade of "C" or better in (CHM152 and CHM152LL), or CHM152AA, or (CHM154 and CHM154LL). Completion of prerequisites within the last two years recommended.

CHM235LL 1 Credit, 4 Periods
General Organic Chemistry I Laboratory
Laboratory experience in support of CHM235. Prerequisites or Corequisites: A grade of "C" or better in CHM235. Completion of prerequisites within the last two years recommended.

CHM236 3 Credits, 3 Periods
General Organic Chemistry IIA
Study of chemistry of carbon-containing compounds continued. Structural determination and additional reaction mechanisms and modern methods of synthesis emphasized. Prerequisites: A grade of "C" or better in CHM235 and CHM235LL. Completion of prerequisites within the last two years recommended.

CHM236LL 1 Credit, 4 Periods
General Organic Chemistry IIA Laboratory
Laboratory experience in support of CHM236. Prerequisites or Corequisites: A grade of "C" or better in CHM236. Completion of prerequisites within the last two years recommended.

CHM260 3 Credits, 3 Periods
Fundamental Biochemistry
Structures, properties, and functions of proteins, enzymes, nucleic acids, carbohydrates and lipids; the utilization and synthesis of these materials by living systems and the relationship of the processes to energy production and utilization. Designed for students in agriculture, dental hygiene, home economics, nursing, and physical therapy. Prerequisites: A grade of "C" or better in (CHM230 and CHM230LL) or (CHM235 and CHM235LL). Completion of prerequisites within the last two years recommended.

CHM260LL 1 Credit, 3 Periods
Fundamental Biochemistry Laboratory
Laboratory experience in support of CHM260. Prerequisites or Corerequisites: A grade of "C" or better in CHM260. Completion of prerequisites within the last two years recommended.

CHM296WA, WB, WC 1, 2, 3 Credits
Cooperative Education 5, 10, 15 Periods
Work-college experiences that involve the combined efforts of educators and employers to accomplish an outcome related to the career objectives of the students. Prerequisites: Completion of at least twelve (12) college credits, minimum 2.6 grade point average, and be able to obtain a position related to student's academic or career goals (student's present job may qualify); or permission of instructor. Corequisites: Must be concurrently enrolled in at least one class which is related to student's major or career interest or with permission of the instructor.

Child & Family Studies

Division: Social Science
Chair: Dr. Doss Powell, Jr.
Phone: 602.787.7291

CFS101AH 1 Credit, 1 Period
Art Activities For The Young Child
The creative use of art media and techniques at appropriate developmental levels. Prerequisites: None.

CFS123 1 Credit, 1 Period
Health And Nutrition In Early Childhood Settings
Creating and maintaining healthy environments and practices in programs serving young children. Emphasis on assessing the child's health status, nutrition and food service, communicable disease recognition, transmission, and prevention, infection control, regulations and regulatory agencies, current topics, resources, and innovative practices. Prerequisites: None.

CFS125 1 Credit, 1 Period
Safety In Early Childhood Settings
Fundamental concepts of promoting a safe, but challenging learning environments. Establishing and maintaining safety procedures in the early childhood setting. Emphasis on indoor and outdoor equipment and activities, risk analysis, accident, evacuation, and emergency plans, regulations, regulatory agencies and resources, current topics, and innovative practices. Prerequisites: None.

CFS157 3 Credits, 3 Periods
Marriage And Family Life
Study of marriage and the family as a social system, including models of family analysis, intra and interpersonal relations, and cross cultural and historical patterns. Prerequisites: None.

CFS176 3 Credits, 3 Periods
Child Development
Study of the science of human development from conception through adolescence. Includes observation skills, parent and adult roles in the lives of children, and contemporary issues. Prerequisites: None.

CFS177 3 Credits, 3 Periods
Parent-Child Interaction
Positive methods to strengthen relationships and resolve conflicts with children. Focus on effective interpersonal skills and guidance techniques. Prerequisites: None.

CFS209 3 Credits, 3 Periods
Child and Family Organizations: Project Management
Focuses on concepts and strategies associated with effective project management in community-based child and family

organizations. Emphasis on planning, evaluation and project management model. Prerequisites: None.

CFS235 3 Credits, 3 Periods
Developing Child: Theory into Practice, Prenatal Age 8
Understanding and working with young children, birth through age 8. Analysis of young children's physical, social, emotional, cognitive and linguistic development within their home, school, and cultural contexts. Typical and atypical development. Implications for teachers and parents. Emphasis on observations and planning curriculum based on theories, research, and child specific data. Prerequisites: None.

CFS282 1 Credit, 1 Period
Mainstreaming The Young Child With a Disability
An exploration of the educational, social, and behavioral issues and concerns involved in the successful integration of children with disabilities into typical preschool classes. Includes discussion of practical concerns such as adaptation of environment and accessing existing resources in the community. Prerequisites: None.

CFS285AA 1 Credit, 1 Period
Family School Interaction: Preschool
Interaction among parents, teachers and the preschool. Emphasis on methods used cooperatively by parents and preschool teachers to provide for education and developmental needs. Prerequisites: CFS/ECH176 or CFS278 or permission of Instructor.

Communication

Division: Communication & Humanities
Chair: Dr. Marilyn Cristiano
Phone: 602.787.6567

COM100 3 Credits, 3 Periods
Introduction to Human Communication
Theory and practice of communication skills in public, small group, and interpersonal settings. Includes study of the speech communication process. Prerequisites: None.

COM101 1 Credit, 1 Period
Interpersonal Communication in the Workplace
Elements and functions of communication; perception of self and others; verbal and nonverbal communication; listening skills; effective verbal responses; communicating ideas and feelings; role of communication in relationships with others. Prerequisites: None.

COM110 3 Credits, 3 Periods
Interpersonal Communication
Theory and practice of communication skills which affect day-to-day interactions with other persons. Topics may include using verbal and nonverbal symbols, interactive listening, resolving interpersonal conflict, developing and maintaining personal and professional relationships. Prerequisites: None.

COM177 3 Credits, 3 Periods
Experiential Group Activities Facilitation
Communication skills, tools, and strategies used to lead experiential learning activities. Designed to enhance the student`s ability to facilitate experiential group learning activities. Prerequisites: None.

COM207 3 Credits, 3 Periods
Introduction to Communication Inquiry
Overview of theory and methodological practice in communication with particular attention to scholarly writing skills. Emphasis on development of critical thinking skills through active participation in the research process. Prerequisites: ENG101 or ENG107 or equivalent, and COM100 or equivalent, or permission of Instructor.

COM225 3 Credits, 3 Periods
Public Speaking
Designed to enhance the student's ability to present public speeches confidently and competently. Also designed to improve information literacy and critical thinking skills. Prerequisites: ENG101, or ENG107, or equivalent.

COM230 3 Credits, 3 Periods
Small Group Communication
Principles and processes of small groups and development of skills for participation and leadership in small group settings. Practice in problem solving, decision making, and information sharing. Prerequisites: None.

COM263 3 Credits, 3 Periods
Elements of Intercultural Communication
Basic concepts, principles, and skills for improving oral communication between persons from different minority, racial, ethnic, and cultural backgrounds. Prerequisites: None.

COM271 3 Credits, 3 Periods
Voice and Diction
Exercises and techniques to free the voice and improve projection, resonance, and articulation. Covers international phonetic alphabet and standard stage speech. Prerequisites: None

COM282AC 3 Credits, 3 Periods
Service-Learning Experience in Communication
Unpaid Service-Learning (SL) experience, completed with approved community partner. Prerequisites: Permission of Instructor.

Computer Information Systems

Division: Business/Information Technology
Chair: Dr. Dina Preston-Ortiz
Phone: 602.787.6728

CIS100 0.5 Credits, 0.5 Periods
Internet: A Tool for Learning
Use of the Internet to promote learning. Focus on Internet services and access. Information provided on browsing, Internet addresses, naming conventions, search concepts and techniques, using bookmarks and capturing information. Prerequisites: None.

CIS102 1 Credit, 1 Period
Interpersonal And Customer Service Skills For It Professionals
Examines behaviors necessary to develop and support an effective client service organization. Focuses on methods of increasing the effectiveness of help desk professionals when responding to a range of customer conditions. Prerequisites: None.

CIS105 3 Credits, 4 Periods
Survey of Computer Information Systems

Overview of computer technology, concepts, terminology, and the role of computers in business and society. Discussion of social and ethical issues related to computers. Use of word processing, spreadsheet, database, and presentation software. Includes uses of application software and the Internet for efficient and effective problem solving. Exploration of relevant emerging technologies. Prerequisites: None.

CIS113DE 3 Credits, 4 Periods
Microsoft Word: Word Processing
Using word processing software to create, name and manage files, edit text, format, apply themes and styles, create and modify tables, apply desktop publishing features, and print a variety of types of documents. Prerequisites: None.

CIS114AE 1 Credit, 2 Periods
Excel: Level I
Computer spreadsheet skills for solving business problems using Excel, including calculations, forecasting, and projections. Prerequisites: None.

CIS114DE 3 Credits, 5 Periods
Excel Spreadsheet
Computer spreadsheet skills for solving business problems using Excel, including calculations, forecasting, projections, macro programming, database searching, extraction, linking, statistics, and matrix manipulation. Production of graphs and reports. Project design using multiple, integrated spreadsheets. Prerequisites: None.

CIS117DM 3 Credits, 4 Periods
Microsoft Access: Database Management
Introduction to the basic elements, exploration of additional components and common database management problems related to the Microsoft Access program. Prerequisites: None.

CIS118AB 1 Credit, 2 Periods
Powerpoint: Level I
Use of PowerPoint software to produce professional quality presentation visuals. Prerequisites: None.

CIS118DB 3 Credits, 4 Periods
Desktop Presentation: Powerpoint
Use of PowerPoint to produce professional quality presentation visuals with animation and sound. Prerequisites: None.

CIS120DC 3 Credits, 4 Periods
Adobe Animate: Digital Animation
Focuses on entry-level skill expectations for digital animation using Adobe Animate. Covers basic animation techniques used in the creation, manipulation, and editing of animation graphics. Helps students prepare for the Adobe certifications related to Adobe Animate. Prerequisites: None.

CIS120DF 3.0 Credits, 4 Periods
Adobe Photoshop Level I: Digital Imaging
Focuses on entry-level skill expectations for digital imaging using Adobe Photoshop. Helps students prepare for the Adobe Certifications related to Photoshop. Prerequisites: None.

CIS121AB 1 Credit, 2 Periods
Microsoft Command Line Operations
Use of the Microsoft command line interface: basic concepts, internal and external commands, subdirectories, and editor. Prerequisites: None.

CIS121AE 1 Credit, 2 Periods
Windows Operating System: Level I
Specific topics include Windows basics, navigating and customizing the desktop, maintaining hardware and software, improving performance, configurations, securing your computer, taskbar, organizing, searching and managing folders and files, installing and uninstalling applications, Internet Explorer fine tuning, security, and searching, including advanced search techniques, keyboard shortcuts, and current topics. Prerequisites: None.

CIS126DL 3 Credits, 4 Periods
Linux Operating System
Introduction to the Linux Operating system. Develop knowledge and skills required to install, configure and troubleshoot a Linux based workstation including basic network functions. Learn basic command line and Graphical User Interface (GUI) desktop environment utilities and applications. Fundamental abilities to achieve the entry level industry certification covered. Prerequisites: None.

CIS131AA 1 Credit, 1 Period
Doing Business on the Internet
Overview of different ways businesses are taking advantage of and using the Internet. Includes how companies are selling items and services over the Internet; techniques used to expand customer contacts; marketing strategies; availability of government and financial information; future potential and disadvantages; using the Internet for customer service; establishing a World Wide Web site. Some previous computer experience preferred. Prerequisites: None.

CIS133DA 3 Credits, 4 Periods
Internet/Web Development Level I
Overview of the Internet/WWW and its resources. Hands on experience with various Internet/WWW communication, resource discovery, and information retrieval tools. Web page development also included. Prerequisites: None.

CIS150AB 3 Credits, 4 Periods
Object Oriented Programming Fundamentals
Structured and Object Oriented design and logic tools. Use of computer problems to demonstrate and teach concepts using an appropriate programming language. Prerequisites: CIS105 or permission of Instructor.

CIS151 3 Credits, 4 Periods
Computer Game Development -Level I
Introduction to object-oriented game development, game design, and game theory. Use of computer software to demonstrate and teach concepts using an appropriate game development platform to model real-time simulations and create computer games using object oriented tools. Introduction to developing PC games, educational software, and training software using windows based object oriented developments tools. Prerequisites: CIS105 or permission of Instructor.

CIS159 3 Credits, 4 Period
Visual Basic Programming I
Use of the Visual Basic programming language to solve problems using suitable examples from business or other disciplines. Prerequisites: CIS105 or permission of instructor.

CIS162AC 3 Credits, 4 Period
Visual C++: Level I
Beginning C programming. Includes features needed to construct programs, functions, pointers, input and output options, data types, structures, and unions, and disk file operations. Prerequisites: CIS105, or permission of instructor.

CIS162AD 3 Credits, 4 Periods
C#: Level I
Introduction to C# programming including general concepts, program design, development, data types, operators, expressions, flow control, functions, classes, input and output operations, debugging, structured programming, and object oriented programming. Prerequisites: CIS105 or permission of Instructor.

CIS163AA 3 Credits, 4 Periods
Java Programming: Level I
Introduction to Java programming. Includes features needed to construct Java Applets, Java Applications, control structures, methods, arrays, character and string manipulation, graphics, and object oriented programming. Prerequisites: CIS105 or permission of Instructor.

CIS166 3 Credits, 4 Periods
Web Scripting/Programming
Software development for Web sites, including client-side script and Common Gateway Interface (CGI) scripting. Covers Web-based transaction processing and use of databases in conjunction with the Web. Includes security issues. Prerequisites: CIS133CA or CIS133DA or permission of instructor.

CIS190 3 Credits, 4 Periods
Introduction To Local Area Networks
Overview of local area networks. Emphasis on the elements of a local area network, current issues and products, and use of a local area network. Includes terminology, hardware and software components, connectivity, resource monitoring and sharing, electronic mail and messaging, and security issues. Prerequisites: CIS105 or permission of Instructor.

CIS224 3 Credits, 4 Periods
Project Management Microsoft Project for Windows
Introduction to project management concepts while working with MS Project to solve complex project management networks, including creating Gantt and PERT charts, tracking project progress, planning for restrictions, and integrating MS Project with other software packages such as Excel, Word, Powerpoint, and cc Mail. Prerequisites: None

CIS233DA 3 Credits, 4 Periods
Internet/Web Development Level II
Design and create pages on the World Wide Web with a variety of markup languages, programming languages, scripts, and multimedia. Hands on experience authoring and preparing sophisticated web documents. Exploration of best practices/issues for web design and publishing and careers in web development and e commerce. Prerequisites: CIS133CA, or CIS133DA, or permission of the Instructor.

CIS234 3 Credits, 4 Period
XML Application Development
The use of Extensible Markup Language (XML) to make documents smarter, simplify Web automation, and to communicate between databases, both within and between corporations. Includes techniques for XML generation, data extraction and sharing, and transformation and managing of XML files. Prerequisites: BPC/CIS133CA or BPC/CIS133DA or permission of Instructor.

CIS235 3 Credits, 4 Period
e-Commerce
Introduction to Electronic Commerce on the Internet. Designing an electronic storefront including web page content and development, e-commerce site marketing, advertisement, legal and security considerations, credit card and other debit transaction covered. Also includes current issues in e-commerce. Prerequisites: CIS133CA, or CIS133DA, or permission of instructor.

CIS250 3 Credits, 4 Periods
Management Of Information Systems
The study of business information systems and its management, communication, e business strategies, emerging technologies, database concepts, and project management. Overview of systems analysis and design. Learn about the competitive and strategic uses of information systems and how they are transforming organizations and their management. Prerequisites: CIS105.

CIS262AC 3 Credits, 4 Periods
Visual C++: Level II
Advanced-level C programming. Programming with emphasis on data management, dynamic allocation, varied memory models, interfacing with the operating system, efficiency, and advanced debugging techniques. Prerequisites: CIS162AC, or permission of instructor.

CIS262AD 3 Credits, 4 Periods
C# Level II
Advanced C# programming with emphasis on data structures, dynamic memory allocation, object-oriented programming, user interfaces, and database processing. Overview of web applications, network programming, and reporting tools. Prerequisites: CIS162AD or permission of Instructor

CIS263AA 3 Credits, 4 Periods
Java Programming: Level II
Intermediate Java programming. Includes features needed to construct object-oriented programming, multithreading, multimedia, files, streams and data structure. Prerequisites: CIS163AA or permission of Instructor.

CIS270 3 Credits, 4 Periods
Essentials of Network and Information Security
Threats to security of information systems; responsibilities and basic tools for information security, including commmunication security, infrastructure security, organizational security and basic cryptography. Introduction to the language of network security and hardware, software and firmware components of an information security system for local, metropolitan, enterprise, and wide area networks. Helps prepare participants for the Comptia Security+ exam and the GIAC Security Essentials Certificate (GSEC).

Prerequisites: CNT150 or any MST150 course or permission of Instructor.

CIS290AA 1 Credit, 6 Periods
CIS290AB 2 Credits, 12 Periods
CIS290AC 3 Credits, 18 Periods
Computer Information Systems Internship
Work experience in business or industry. Prerequisites: Permission of Instructor.

CIS296WA 1 Credit, 5 Periods
CIS296WB 2 Credits, 10 Periods
CIS296WC 3 Credits, 15 Periods
CIS296WD 4 Credits, 20 Periods
Cooperative Education
Work-college experiences that involve the combined efforts of educators and employers to accomplish an outcome related to the career objectives of the students. Prerequisites: Completion of at least twelve (12) college credits, minimum 2.6 grade point average, and be able to obtain a position related to student's academic or career goals (student's present job may qualify); or permission of instructor. Corequisites: Must be concurrently enrolled in at least one class which is related to student's major or career interest or with permission of the instructor.

CIS298AA 1 Credits, 1 Periods
CIS298AB 2 Credits, 2 Periods
Special Projects
Organized and tailored around the interests and needs of the individual student. Structured to provide an atmosphere of individualized research and study paralleled by professional expertise and guidance. Professional type facilities and equipment available for student use. Allows the best aspects of independent study and individualized learning to be combined to maximize student development. Prerequisites: Permission of Program Director or Instructor.

Counseling & Personal Development

Division: Counseling & Personal Development
Chair: Dr. James Rubin
Phone: 602.787.6540

CPD102AB 2 Credits, 2 Periods
Career Exploration
Designed to assist students make informed career decisions. Focuses on current occupational trends and outlook. Explores career-related interests, values, needs, preferences, skills, and strengths with the use of various assessments. Aids in the development of individualized educational/career goals and action plan. Prerequisites: None.

CPD102AD 2 Credits, 2 Periods
Eliminating Self Defeating Behavior
Designed to help students change behaviors that work against their potential, i.e., inferior feelings, shyness, nervousness, stage fright, under achievement etc. Focus on identifying undesirable thoughts, emotions and behaviors, for the purpose of developing alternative, and more desirable thoughts, emotions and behaviors. Prerequisites: None.

CPD102AH 2 Credits, 2 Periods
Stress Management
Reviews the sources of stress, the physiological effects and the psychological impact of stress on the individual. Provides strategies to reduce stress. Prerequisites: None.

CPD102AU 1 Credit, 1 Period
Introduction to Meditation: Vipassana Practice
Introduction to the practice of Vipassana (Insight) Meditation. Focus on the history, benefits and methodology of Vipassana meditation. Special emphasis on establishing a formal and informal meditation practice. Prerequisites: None.

CPD103BA 2 Credits, 2 Periods
Women In Transition
Designed to assist and support women who are experiencing life transitions. Emphasis on assessing self potential, increasing self confidence, managing life change, and exploring education/career/life options in terms of the realities of roles for women today. Prerequisites: None.

CPD150 3 Credits, 3 Periods
Strategies For College Success
Focus on increasing student success through college orientation and personal growth, study skills development, and educational and career planning. Prerequisites: None.

CPD150AB Credit, 1 Period
Study Skills Development
Emphasis on increasing student success through the use of study strategies including materials organization, note-taking, reading, test-taking, memory, and critical and creative thinking. Prerequisites: None

CPD150AC 1 Credit, 1 Period
Educational and Career Planning
Emphasis on increasing student success through educational and career planning. Prerequisites: None.

CPD160 3 Credits, 3 Periods
Introduction to Multiculturalism
Examination of the multiple cultures and subcultures within the contemporary United States. Personal exploration of awareness and appreciation of multiculturalism. Activities for experiencing diverse cultural perspectives. Critical thinking skills for recognizing, analyzing, and mediating cultural and psychological factors impacting conflict and accord between diverse cultures through written and oral discourse. Prerequisites: ENG101, or ENG107, or permission of Instructor.

CPD250 3 Credits, 4 Periods
Peer Mentor Training
Development and application of beginning skills and knowledge required to establish and maintain effective peer helping relationships in a college setting. Focus on the role, function, and responsibilities of the peer mentor; verbal and nonverbal communication skills; problem solving; and strategies and resources for first-year student success. Includes on-campus service-learning component. Prerequisites: Completion of 24 credit hours (100-level or above) with a "B" grade point average or better, and permission of instructor.

Creative Writing

Division: English
Chair: Ms. Christine Tabone
Phone: 602.787.6798

CRW150 3 Credits, 3 Periods
Introduction to Creative Writing
Introduces the student to elements and techniques of creative writing in a variety of genres; teaches terminology and concepts needed for successful participation in writing workshops; facilitates writing practice and evaluation; offers individual guidance on the student's development as a writer. Prerequisites: None.

CRW160 3 Credits, 3 Periods
Introduction to Writing Poetry
Prewriting (invention and discovery); writing; analyzing and evaluating (in workshop); and revising to practice manipulating various elements of poetry, critique one's own and the poetry of others, and produce a portfolio of finished, marketable poems. Prerequisites: None. CRW150 recommended but not required.

CRW170 3 Credits, 3 Periods
Introduction to Writing Fiction
Practice in writing fiction through a process of prewriting (invention and discovery), writing, analysis and evaluation (in workshop), and revision; practice in manipulating various elements and forms of fiction. Prerequisites: None. CRW150 recommended but not required.

CRW180 3 Credits, 3 Periods
Introduction to Writing Nonfiction
Practice in writing creative nonfiction, including autobiography and biography, the essay, reviews, and humor using a process of invention and discovery, writing, analysis, evaluation, and revision. Combines lecture, discussion, and workshop, leading to the production of marketable quality creative nonfiction. Prerequisites: None. CRW150 recommended but not required.

CRW200 1 Credit, 1 Period
Readings for Writers
Close analysis and interpretation of selected literary texts designed to strengthen the students' own writing by extending their familiarity with the genre in which they write and their knowledge of selected literary elements. One-on-one meetings between student and instructor. Prerequisites: CRW150, or permission of Instructor.

CRW201 1 Credit, 1 Period
Portfolio
Close analysis of the creative writing portfolio culminating in selection, revision, editing, and compiling of the student's own literary work in a portfolio. Students meet individually with instructor to choose, prepare, and compile their work. Prerequisites: (Acceptance into Creative Writing Certificate Program and completion of at least nine (9) credit hours in creative writing (CRW)), or permission of Program Director.

CRW270 3 Credits, 3 Periods
Intermediate Fiction Writing
Writing original short stories; analysis of works of fiction; concentration on revising students` fiction through intensive workshopping. Prerequisites: CRW170.

CRW251 3 Credits, 3 Periods
Topics in Creative Writing
Analysis, writing, and revision focused on a selected element applicable to all genres of creative writing. Prerequisites: None. CRW150 recommended.

CRW273 3 Credits, 3 Periods
Writing the Novel
Analysis, writing, and revision of genre or element within fiction. Prerequisites: CRW150 or permission of Instructor.

CRW298AC 3 Credits, 3 Periods
Special Projects
Organized and tailored around the interests and needs of the individual student. Structured to provide an atmosphere of individualized research and study paralleled by professional expertise and guidance. Professional-type facilities and equipment are made available for student use. Allows the best aspects of independent study and individualized learning to be combined to maximize student development. Prerequisites: Permission of Program Director or Instructor.

Dance

Division: Health & Exercise Science
Chair: Ms. Karen Fehr
Phone: 602.787.7286

DAN104AA 1 Credit, 3 Periods
Ballroom I
Theory and practice of Ballroom dance at the beginning level. Development of movement quality and performance skills. Prerequisites: None.

DAN104AB 1 Credit, 3 Periods
Ballroom II
Theory and practice of Ballroom dance at the advanced beginning level. Development of movement quality and performance skills. Prerequisites: DAN104AA or permission of Instructor.

DAN105AA 1 Credit, 3 Periods
Swing I
Theory and practice of Swing dance at the beginning level. Development of movement quality and performance skills. Prerequisites: None.

DAN106AA 1 Credit, 3 Periods
Latin I
Theory and practice of Latin dance at the beginning level. Development of movement quality and performance skills. Prerequisites: None.

DAN106AB 1 Credit, 3 Periods
Latin II
Theory and practice of Latin dance at the advanced beginning level. Development of movement quality and performance skills. Prerequisites: DAN106AA or permission of Instructor.

DAN108AA 1 Credit, 3 Periods
Tango I
Theory and practice of Tango dance at the beginning level. Development of movement quality and performance skills. Prerequisites: None.

DAN131 1 Credit, 3 Periods
Ballet I
Introduction to the theory and practice of ballet at the beginning level. Development of movement quality and performance skills. Prerequisites: None.

DAN132 1 Credit, 3 Periods
Modern Dance I
Introduction to the theory and practice of modern dance at the beginning level. Development of movement quality and performance skills. Prerequisites: None.

DAN133 1 Credit, 3 Periods
Jazz Dance I
I Introduction to the theory and practice of jazz dance at the beginning level. Development of movement quality and performance skills. Prerequisites: None.

DAN134 1 Credit, 3 Periods
Ballet II
Theory and practice of ballet at the advanced beginning level. Development of movement quality and performance skills. Prerequisites: DAN131 or permission of Instructor.

DAN135 1 Credit, 3 Periods
Modern Dance II
Theory and practice of modern dance at the advanced beginning level. Development of movement quality and performance skills. Prerequisites: DAN132 or permission of Instructor.

DAN136 1 Credit, 3 Periods
Jazz Dance II
Theory and practice of jazz dance at the advanced beginning level. Development of movement quality and performance skills.. Prerequisites: DAN133 or permission of instructor.

DAN150 1 Credit, 3 Periods
Dance Performance I
An introduction to the process and practice of dance performance. Prerequisites: None. Corequisites: Any level of any of the following dance technique courses with a DAN prefix: ballet, modern, jazz, hip hop, tap, social, or world dance.

DAN155 1 Credit, 3 Periods
Dance Performance II
Continued study of the process and practice of dance performance at advanced beginning level. Prerequisites: DAN150 or permission of Instructor. Corequisites: Any level of any of the following dance technique courses with a DAN prefix: ballet, modern, jazz, hip hop, tap, social, or world dance.

DAN164 1 Credit, 3 Periods
Improvisation
An introduction to and an exploration of basic improvisational dance skills. Prerequisites: None.

DAN210 3 Credits, 3 Periods
Dance Production I
Introduction to the elements of light, sound, and scenery as they relate to the art of dance. Prerequisites: None.

DAN221 3 Credits, 3 Periods
Rhythmic Awareness I
Exploration of rhythm in dance performance, choreography and pedagogy. Emphasis on the basic understanding of rhythm and cultivating awareness of rhythm in everyday life. Prerequisites: None.

DAN231 1 Credit, 3 Periods
Ballet III
Theory and practice of ballet at the beginning intermediate level. Development of movement quality and performance skills. Prerequisites: DAN134 or permission of Instructor.

DAN232 1 Credit, 3 Periods
Modern Dance III
Theory and practice of modern dance at the beginning intermediate level. Development of movement quality and performance skills. Prerequisites: DAN135 or permission of instructor.

DAN233 1 Credit, 3 Periods
Jazz Dance III
Theory and practice of modern jazz dance at the beginning intermediate level. Development of movement quality and performance skills. Prerequisites: DAN136 or permission of instructor.

DAN234 1 Credit, 3 Periods
Ballet IV
Theory and practice of ballet at the intermediate level. Development of movement quality and performance skills. Prerequisites: DAN231 or permission of Instructor.

DAN235 1 Credit, 3 Periods
Modern Dance IV
Theory and practice of modern dance at the intermediate level. Development of movement quality and performance skills. Prerequisites: DAN232 or permission of Instructor.

DAN236 1 Credit, 3 Periods
Jazz Dance IV
Theory and practice of modern jazz dance at the intermediate level. Development of movement quality and performance skills. Prerequisites: DAN233 or permission of Instructor.

DAN264 3 Credits, 3 Periods
Choreography I
Study of basic dance choreography to include construction of a phrase, structure and form in a composition, and the basic elements of time, space and energy. Prerequisites: None.

DAN265 3 Credits, 3 Periods
Choreography II
Exploration of the craft of choreography at the intermediate level. Experimentation with the various approaches to contemporary choreography as established by 20th century artists. Prerequisites: DAN264 or permission of instructor.

DAN280 2 Credits, 6 Periods
Dance Practicum
A culmination of coursework for the dance major requiring completion of an extended choreographic work from conception to performance. Also requires a final evaluative paper on the successes and challenges encountered throughout the project. Prerequisites: Permission of Instructor.

DAN298AA 1 Credit, 1 Period
DAN298AC 3 Credit, 3 Period
pecial Projects
Organized and tailored around the interests and needs of the individual student. Structured to provide an atmosphere of individualized research and study paralleled by professional expertise and guidance. Professional type facilities and equipment available for student use. Allows the best aspects of independent study and individualized learning to be combined to maximize student development. Prerequisites: Permission of Program Director or Instructor.

Dance Humanities

Division: Fine & Performing Arts
Chair: Dr. Christopher Scinto
Phone: 602.787.6686

DAH100 3 Credits, 3 Periods
Introduction to Dance
Overview of the field of dance focusing on origins, historical development, and cultural characteristics of the various styles of dance. Prerequisites: None.

DAH201 3 Credits, 3 Periods
World Dance Studies
Exploration, analysis, synthesis, and evaluation of the role of dance in various cultures around the world. Prerequisites: None. DAH100 strongly suggested but not required.

Early Childhood Education

Division: Social Science
Chair: Dr. Doss Powell, Jr.
Phone: 602.787.7291

ECH141 1 Credit, 1 Period
Explore the Fundamentals of the Reggio Emilia Approach
Investigation and critically examination of the integral elements of the organization and philosophy of the Reggio Emilia approach to early childhood education. Prerequisites: None.

ECH269 1 Credit, 1 Period
Child Care Seminar
Emphasizes the blend of job-related activities including career exploration,employment procedures, human relations, and on-the-job issues. May be repeated for a total of three (3) credit hours. Prerequisites: Departmental approval.

ECH270 1 Credit, 1 Period
Observing Young Children
Introduction to techniques of observing young children. Recording methods, interpretation and use of collected information including legal and ethical implications. Prerequisites: None.

ECH271 1 Credit, 1 Period
Arranging the Environment
Exploration of the influence of the environment on the behavior of young children. Indoor and outdoor spaces considered and analysis of environments practiced. Prerequisites: None.

ECH273 1 Credit, 1 Period
Math For The Young Child
Methods and techniques for encouraging the beginnings of mathematical/logical thought with young children. Focus upon the theory of Jean Piaget. Prerequisites: None.

ECH275 1 Credit, 1 Period
Literacy Development And The Young Child
Literacy from birth through the early childhood years. Focus on developmentally appropriate ways to encourage speaking, listening, writing, and reading in the home and classroom. Prerequisites: None.

ECH279 1 Credit, 1 Period
Early Childhood Curriculum Development
An intensive focus on the process of building curriculum units appropriate to the developmental needs and abilities of the young child. Design, use and evaluation of materials and activities. May be repeated for a total of four (4) credits. Prerequisites: None.

ECH281 1 Credit, 1 Period
Movement/Music For The Young Child
Consideration of motor development in the toddler through the 8 year old and exploration of age appropriate rhythmic, musical and creative movement methods. Prerequisites: None.

ECH282 1 Credit, 1 Period
Discipline/Guidance Of Child Groups
Exploration of techniques for guiding children in groups with focus on individual child and adult needs for a disciplined environment. Prerequisites: None.

ECH284AB 3 Credits, 3 Periods
Early Childhood Teaching Internship
Work experience in child care centers. 80 hours of designated work per credit. Maximum of 6 credits allowed. Prerequisites: CFS/ECH176 and permission of Department or Division. Corequisites: CFS/ECH269.

ECH287 1 Credit, 1 Period
Professional Development in Early Childhood Education
Emerging professionalism within the field of early childhood

education. Consideration of job responsibilities, rewards, ethics and current issues facing practitioners. Includes assessment and career planning.Prerequisites: None.

ECH298AA 1 Credit, 1 Period
Special Projects
Organized and tailored around the interests and needs of the individual student. Structured to provide an atmosphere of individualized research and study paralleled by professional expertise and guidance. Professional-type facilities and equipment available for student use. Allows the best aspects of independent study and individualized learning to be combined to maximize student development. Prerequisites: Permission of Program Director or Instructor.

Early Education

Division: Social Science
Chair: Dr. Doss Powell, Jr.
Phone: 602.787.6681

EED200 3 Credits, 3 Periods
Foundations of Early Childhood Education
Overview of early childhood education (birth to age eight) in American society, including current issues and responsibilities. Emphasis on issues of professionalism, ethics and program types. Opportunities for students to explore potential career paths. Prerequisites: None.

EED220 3 Credits, 3 Periods
Child, Family, Community and Culture
Examines family, community and cultural influences on development of the young child (birth to age eight). Considers trends and threats to attachment, relationships and cultural identity.Includes social and emotional experiences and their impact on the developing brain. Prerequisites: None.

Economics

Division: Business/Information Technology
Chair: Dr. Dina Preston-Ortiz
Phone: 602.787.6728

It is recommended that students enroll in either ECN211 or ECN212 after completing the math course(s) required by the student's major (if any). If you are only taking one economics class, it is recommended that you take ECN211 Macroeconomic Principles.

ECN211 3 Credits, 3 Periods
Macroeconomic Principles
A descriptive analysis of the structure and functioning of the American economy. Emphasis on basic economic institutions and factors that determine national income and employment levels. Consideration given to the macroeconomic topics of national income, unemployment, inflation and monetary and fiscal policies. Prerequisites: None.

ECN212 3 Credits, 3 Periods
Microeconomic Principles
Microeconomic analysis including the theory of consumer choice, price determination, resource allocation and income distribution. Includes non competitive market structures such as monopoly and oligopoly; and the effects of government regulation. Prerequisites: None.

Education

Division: Social Science
Chair: Dr. Doss Powell, Jr.
Phone: 602.787.6681

EDU220 3 Credits, 3 Periods
Introduction to Serving English Language Learners (ELL)
Rationale for and current educational and legal issues for serving English Language Learners (ELL). Comparison and evaluation of various types of language educational models including Structured English Immersion (SEI), English as a Second Language (ESL) and bilingual/Dual Language Immersion(DLI). Includes SEI, ESL, and bilingual/DLI strategies. Prerequisites: None. Notes: Approved school-based practicum is required. EDU220 incorporates the 45-clock hour curricular framework for SEI endorsement through the Arizona Department of Education.

EDU221 3 Credits, 3 Periods
Introduction To Education
Overview of the historical, political, economic, social, and philosophical factors that influence education and make it so complex. Opportunity for students to assess their interest and suitability for teaching. Prerequisites: None. Notes: EDU221 requires a minimum of 30 hours of field experience in elementary or secondary classroom environments.

EDU222 3 Credits, 3 Periods
Introduction To The Exceptional Learner
Overview of the exceptional learner with emphasis on factors relating to current practices, identification, characteristics, and educational adaptations. Issues related to mild disabilities, severe disabilities, emotional and behavioral disorders, intellectual disabilities, and students who are gifted. Prerequisites: None.

EDU230 3 Credits, 3 Periods
Cultural Diversity In Education
Examination of the relationship of cultural values to the formation of self concept and learning styles. Examination of the role of prejudice, stereotyping and cultural incompatibilities in education. Emphasis on teacher preparation (preservice and/or inservice) to offer an equal educational opportunity to students of all cultural groups. Prerequisites: None.

EDU250 3 Credits, 3 Periods
Teaching and Learning in the Community College
The history, functions, organization and current issues in the community/junior college with emphasis on the Arizona community colleges. Includes focus on the design and practice of effective community college teaching and learning with special emphasis on the Maricopa County Community College District. Prerequisites: None.

EDU291 3 Credits, 3 Periods
Children's Literature
Review of folk and modern literature from a variety of world cultures, including application of literary criteria to folk and modern literature for children. Prerequisites: None.

EDU292 3 Credits, 3 Periods
The Art of Storytelling
Explore the art and origin of storytelling. Provide a variety of storytelling techniques, styles and exercises to enhance the delivery of telling stories. Assist in the integration and application of storytelling to the learning environment in the classroom. Prerequisites: None.

EDU294 3 Credits, 3 Periods
Multicultural Folktales
Study of multicultural folktales, exploring the impact of the oral tradition inAmerican society and showing classroom applications. Prerequisites: None.

EDU298AA 1 Credit, 1 Period
Special Projects
Organized and tailored around the interests and needs of the individual student. Structured to provide an atmosphere of individualized research and study paralleled by professional expertise and guidance. Professional-type facilities and equipment available for student use. Allows the best aspects of independent study and individualized learning to be combined to maximize student development. Prerequisites: Permission of Program Director or Instructor.

Emergency Medical Technology

Division: Health & Exercise Science
Chair: Ms. Karen Fehr
Phone: 602.787.7286

EMT101 0.5 Credits, 0.45 Periods
Basic Life Support/Cardiopulmonary Resuscitation (CPR) for Health Care Providers
Designed to provide the allied healthcare provider with the knowledge and skills to perform Basic Life Support (BLS) according to current guidelines for emergency cardiovascular care (ECC). Prerequisites: None.

EMT104 9.0 Credits, 11.4 Periods
Emergency Medical Technology
Techniques of emergency medical care in accordance with national and state curriculum. Study of the human body, patient assessment, treatment of medically or traumatically compromised patients, special hazards, and medical operations, IV monitoring, patient-assisted medication administration, automated external defibrillators (AEDs), and blood-glucose monitoring. Prerequisites: EMT101 or a current validation in Basic Life Support (BLS) Health Care Provider/Professional Rescuer and (appropriate score on Reading placement test to demonstrate minimum tenth grade level reading or completion of an Associate`s degree or higher from an accredited institution).

EMT104AB 0.5 Credits, 0.5 Periods
Applied Practical Studies for Emergency Medical Technology
Simulation of actual emergency responses, with practical application of techniques and skills covered in EMT curricula. Scenario based learning applied to the techniques of emergency medical care in accordance with national and state curriculum. Practical application of anatomy, physiology, patient assessment, and treatment of medically or traumatically compromised patients, special hazards and medical operations. Also includes patient-assisted medication administration, semi-automatic external defibrillator and blood glucose monitoring. Students function in outside, scenario based environment. Prerequisites: None. Corequisites: EMT/FSC104, or EMT200, or (EMT272AA, EMT272AB, and EMT272LL), or EMT273, or certified EMT Basic, IEMT, or Paramedic in the State of Arizona, or permission of Instructor.

EMT200 2 Credits, 2.7 Periods
Refresher Course for Certified Emergency Medical Technicians
Designed to meet National and Arizona Department of Health Services (A-DHS) recertification for EMTs. Enhances the knowledge base of the Emergency Medical Technician (EMT) and reinforces basic skills competencies. Prerequisites: Current validation in Basic Life Support (BLS) Health Care Provider/Professional Rescuer or permission of Instructor.

EMT235 3 Credits, 3 Periods
Basic ECG Rhythm Analysis and Interpretation in the Emergency Setting
Designed to provide the allied healthcare provider with basic skills in analysis and interpretation of sinus, atrial, junctional and ventricular rhythms from electrocardiographs (ECG) in the emergency setting. Also addresses heart block and electronically paced rhythms. Prerequisites: Current basic life support (BLS) healthcare provider/professional rescuer card and (EMT/FSC104 or permission of Instructor).

EMT236 3 Credits, 3 Periods
Pharmacology in an Emergency Setting
Designed for the allied healthcare provider to integrate knowledge of pharmacology and pharmacologic agents to formulate a management plan in the emergency setting. Includes principles of pharmacology, pharmacokinetics, pharmacodynamics, physiology of pharmacology, calculating medication dosages, and medication profiles. Requisites: Prerequisites: Current basic life support (BLS) healthcare provider/professional rescuer card and (EMT/FSC104 or permission of Instructor). MAT082 or higher suggested but not required. MAT082 or equivalency suggested but not required.

EMT240 Lec/Lab: 2 Credits, 4 Periods
Advanced Cardiac Life Support (ACLS)
Designed for the allied healthcare provider who initiates, directs, or participates in the management of cardiopulmonary arrest and other cardiovascular emergencies. Provides the allied healthcare provider with the knowledge and skills to recognize and manage cardiopulmonary arrest, acute arrhythmia, stroke, and Acute Coronary Syndromes (ACS) according to current advanced Emergency Cardiovascular Care (ECC) guidelines. Requires prior knowledge of basic electrocardiograph rhythm interpretation, pharmacologic agents, and other interventions used in Advanced Cardiac Life Support (ACLS). Prerequisites: Current Basic Life Support (BLS) healthcare provider/professional rescuer card and

(EMT235 and EMT236, or permission of Instructor).

EMT242 1 Credit, 2 Periods
Pediatric Advanced Life Support (PALS)
Designed for the allied healthcare provider who initiates, directs, or participates in the management of an infant or child in respiratory compromise, circulatory compromise, or cardiopulmonary arrest according to current CPR and Emergency Cardiovascular Care (ECC) guidelines. Requires prior knowledge of basic electrocardiograph rhythm interpretation, pharmacologic agents, and other interventions used in Pediatric Advanced Life Support (PALS). Prerequisites: Current Basic Life Support (BLS) healthcare provider/professional rescuer card and (EMT235 and EMT236, or permission of Instructor).

EMT245 Lec/Lab: 2 Credits, 3.5 Periods
Trauma Management I
Designed to instruct prehospital care personnel in the critical skills necessary to manage the trauma victim and the emergency scene through the Incident Command System (ICS). Enhances basic emergency medical technology (EMT) skills by focusing on emergency care interventions. Provides exposure to victim assessment, initial treatment, resuscitative techniques, victim stabilization, transportation of the victim to an emergency care facility, and documentation. Prerequisites: Basic EMT certification or nurse with emergency room experience, or permission of department.

EMT255AE 1 Credit, 1 Period
Basic and Advanced Level Skills for the Emergency Medical Services Instructor/Examiner
Designed to provide an overview of the roles and responsibilities of the Emergency Medical Services (EMS) instructor and examiner in basic and advanced level psychomotor skills instruction and evaluation. Includes instructional strategies and methodologies, benchmarks for psychomotor skill evaluation, and management of basic and advanced level psychomotor skills settings. Prerequisites: (Arizona Department of Health Services [A-DHS] certification as an EMT or Paramedic, or Arizona registered nurse, physician, or physician assistant), or permission of Instructor.

EMT258 3 Credits, 3 Periods
Victimology and Crisis Management
Victimology, the criminal justice system, techniques of crisis intervention, and the importance of a multicultural and global perspective. Includes sexual assault, family violence, post-traumatic stress disorder, the role of substance abuse, effective coping skills, appropriate community resources and the responsiveness of the justice system. Prerequisites: None.

EMT272AA 12.5 Credits, 17.37 Periods
Advanced Emergency Medical Technology
Designed to provide the emergency medical technician with advanced knowledge about the acute critical differences in physiology, pathophysiology, and clinical symptoms, as they pertain to prehospital emergency care. Emphasis on developing diagnostic and advanced emergency treatment skills necessary to care for the acutely ill and seriously injured. Prerequisites: [Valid Arizona EMT certification and (MAT090 or higher, or a satisfactory score on the ASSET, or COMPASS, or Accuplacer placement exam), (ENG101 or ENG107), EMT235, and EMT236], or permission of Program Director. Comprehensive written, oral and practical evaluation on all EMT272AA prerequisite courses.

EMT272AB 12.5 Credits, 17.38 Periods
Advanced Emergency Medical Technology
Designed to provide the emergency medical technician with advanced knowledge about the acute critical differences in physiology, pathophysiology, and clinical symptoms, as they pertain to prehospital emergency care. Emphasis on developing diagnostic and advanced emergency treatment skills necessary to care for the acutely ill and seriously injured. Prerequisites: Valid Arizona EMT certification and EMT272AA. Comprehensive written, oral and practical evaluation on EMT272AA.

EMT272LL LAB: 7.5 Credits, 37.5 Periods
Advanced Emergency Medical Technology Practicum
Clinical and vehicular practicum using diagnostic and advanced emergency medical treatment skills learned in the classroom. Emphasis on hands-on application of skills to real-life scenarios involving acute illness and serious injuries. Prerequisites or Corequisites: EMT272AA and EMT272AB.

Engineering

Division: Science
Department: Physical Sciences
Chair: Dr. Scott Massey
Phone: 602.787.6644

Engineering Science

ECE102 2 Credits, 4 Periods
Engineering Analysis Tools and Techniques
Learning culture of engineering, engineering use of computer tools, and computer modeling as applied to engineering analysis and design. Prerequisites: Two years of high school algebra or MAT122 or permission of Department or Division. Corequisites: MAT151 or MAT182 or MAT187.

ECE103 2 Credits, 4 Periods
Engineering Problem Solving and Design
Fundamentals of the design process: engineering modeling, communication and problem-solving skills in a team environment. Emphasis on process-based improvements to the design process. Introduction to engineering as a profession. Prerequisites: (ECE102 or ECE102AA) and (high school physics or PHY111 or PHY111AA).

English

Division: English
Chair: Ms. Christine Tabone
Phone: 602.787.6798

ENG081 3 Credits, 3 Periods
Preparatory Academic Writing II
Emphasizes preparation for college-level composition and related reading tasks with a focus on critical writing, reading, and thinking skills and processes. Prerequisites: Appropriate writing placement

test score, or a grade of "C" or better in ENG071 or ESL077, or permission of Department or Division.

ENG091 3 Credits, 3 Periods
Preparatory Academic Writing III
Emphasizes preparation for first year composition with a focus on critical writing, reading, and thinking skills and processes at an increased level of academic complexity. Prerequisites: Appropriate writing placement test score, or a grade of "C" or better in ENG081 or ESL087, or permission of Department or Division.

ENG101 3 Credits, 3 Periods
First-Year Composition
Emphasis on rhetoric and composition with a focus on expository writing and understanding writing as a process. Establishing effective college-level writing strategies through four or more writing projects comprising at least 3,000 words in total. Prerequisites: Appropriate writing placement test score, or a grade of C or better in ENG091 or ESL097.

ENG102 3 Credits, 3 Periods
First-Year Composition
Emphasis on rhetoric and composition with a focus on persuasive, research-based writing and understanding writing as a process. Developing advanced college-level writing strategies through three or more writing projects comprising at least 4,000 words in total.Prerequisites: Grade of C or better in ENG101.

ENG107 3 Credits, 3 Periods
First-Year Composition for ESL
Description: Equivalent of ENG 101 for students of English as a Second Language (ESL). Emphasis on rhetoric and composition with a focus on expository writing and understanding writing as a process. Establishing effective college-level writing strategies through four or more writing projects comprising at least 3,000 words in total.Prerequisites: Appropriate writing placement test score, or a grade of C or better in ENG091 or ESL097.

ENG108 3 Credits, 3 Periods
First-Year Composition for ESL
Equivalent of ENG102 for students of English as a Second Language (ESL). Emphasis on rhetoric and composition with a focus on persuasive, research-based writing and understanding writing as a process. Developing advanced college-level writing strategies through three or more writing projects comprising at least 4,000 words in total.Prerequisites: Grade of C or better in ENG107.

ENG111 3 Credits, 3 Periods
Technical and Professional Writing
Covers analyzing, planning, organizing, researching, and writing correspondence, reports, and presentations for specific work related audiences. Includes integrating data and graphics into work related documents and presentations. Prerequisites: ENG101 with a grade of C, or better, or permission of Instructor.

ENG217 3 Credits, 3 Periods
Personal and Exploratory Writing
Using writing to explore one's self and the world one lives in; emphasis on journal writing as a source and inspiration for public writing. Prerequisites: ENG101, or ENG107, or equivalent.

English as a Second Language

Division: English
Chair: Ms. Christine Tabone
Phone: 602.787.6798

ESL050 3 Credits, 3 Periods
Review Grammar For ESL
Review of grammatical concepts for ESL (English as a Second Language) students who have some previous experience in reading and writing English. Appropriate for students who want to practice sentence skills in English. Prerequisites: Appropriate ESL course placement score or a grade of C or better in ESL040 or permission of Instructor

ESL051 3 Credits, 3 Periods
Pronunciation Improvement for ESL Speakers
Individualized pronunciation practice and drills for English as a second language (ESL) speakers. May be repeated for a maximum of six (6) credits. Prerequisites: Appropriate ESL course placement score, or a grade of C or better in (ESL020 or ESL021 or ESL022 or RDG020), or permission of instructor.

ESL097 3 Credits, 3 Periods
Preparatory Academic Writing III for ESL
Emphasizes preparation for first year composition with a focus on critical writing, reading, and thinking skills and processes at an increased level of academic complexity. Prerequisites: Appropriate writing placement score, or a grade of C or better in ESL087 or ENG081, or permission of Department or Division.

ENG107 3 Credits, 3 Periods
First-Year Composition for ESL
Description: Equivalent of ENG 101 for students of English as a Second Language (ESL). Emphasis on rhetoric and composition with a focus on expository writing and understanding writing as a process. Establishing effective college-level writing strategies through four or more writing projects comprising at least 3,000 words in total.Prerequisites: Appropriate writing placement test score, or a grade of C or better in ENG091 or ESL097.

ENG108 3 Credits, 3 Periods
First-Year Composition for ESL
Equivalent of ENG102 for students of English as a Second Language (ESL). Emphasis on rhetoric and composition with a focus on persuasive, research-based writing and understanding writing as a process. Developing advanced college-level writing strategies through three or more writing projects comprising at least 4,000 words in total.Prerequisites: Grade of C or better in ENG107.

English Humanities

Division: English
Chair: Ms. Christine Tabone
Phone: 602.787.6798

ENH110 3 Credits, 3 Periods
Introduction to Literature
Introduction to international literature through various forms of literary expression; e.g., poetry, drama, essay, biography, autobiography, short story, and novel. Provides a global overview of literature with special emphasis on diverse cultural contributions of

women, African Americans, Asian Americans, Hispanic Americans, and Native Americans. Prerequisites: None.

ENH245 3 Credits, 3 Periods
J.R.R. Tolkien and C.S. Lewis: Battling Modernism
Focuses on the writings, language, themes, influences and vision of J.R.R. Tolkien and C.S. Lewis in contrast to the ideas and literature of the Modernist movement. Prerequisites: None.

ENH251 3 Credits, 3 Periods
Mythology
Deals with the myths and legends of civilizations with the greatest influence upon the development of the literature and culture of the English speaking people, and compares those myths with myths from other cultures. Prerequisites: None.

ENH254 3 Credits, 3 Periods
Literature and Film
Presents works of literature and their film versions and analyzes distinguishing techniques of each medium. Prerequisites: ENG101, or ENG107, or equivalent.

ENH280 3 Credits, 3 Periods
Topics in American Literature
Exploration of selected topic(s) in American Literature. Focuses on a theme, genre, era, technique, or critical approach. Includes reading and interpretation of literature from a variety of cultures within the United States. Prerequisites: (ENG101 or ENG107) or permission of Instructor.

ENH294 3 Credits, 3 Periods
Multicultural Folktales
Study of multicultural folktales, exploring the impact of the oral tradition in American society and showing classroom applications Prerequisites: None

ENH295 3 Credits, 3 Periods
Banned Books and Censorship
History, motivations, and effects of censorship in a democratic society. Censorship and book banning as a method of silencing diverse voices. Critical analysis of banned or challenged literature for children and adults. Prerequisites: None.

Entrepreneurial Studies

Division: Business/Information Technology
Chair: Dr. Dina Preston-Ortiz
Phone: 602.787.6728

EPS150 3 Credits, 3 Periods
Overview of entrepreneurship. Includes the entrepreneurial process and the skills required to be successful, including starting, planning, financing, marketing, and managing a business. Prerequisites: None.

EPS160 2 Credits, 2 Periods
New Venture Creation
Process of starting a new venture including evaluating specific business opportunities identifying financing alternatives, and defining start-up issues. Prerequisites: None.

EPS195 2 Credits, 2 Periods
Business Start-Up and Planning
Development of a feasibility approach to strategic decision making concerning new venture start-up. Includes development of a business feasibility study and a preliminary business plan. Prerequisites: None.

Exercise Science

Division: Health & Exercise Science
Chair: Ms. Karen Fehr
Phone: 602.787.7286

EXS101 3 Credits, 3 Periods
Introduction to Exercise Science
Introductory course that will provide the student with a general overview of the disciplines, professions and research areas associated with the field of Exercise Science. Basic history, philosophy, theory, educational pathways and career options will be examined. Prerequisites: None.

EXS112 3 Credits, 3 Periods
Professional Applications Of Fitness Principles
Basic principles of fitness for the prospective fitness professional. Planning and teaching in a fitness program. Topics include exercise risks and safety, weight control, components of fitness, fitness assessment, and exercise programming. Prerequisites: None.

EXS125 3 Credits, 3 Periods
Introduction to Exercise Physiology
Principles of exercise science applied to teaching fitness/aerobics. Major factors related to the function of the human body. Emphasis on anatomy/physiology, exercise physiology, and biomechanics. Prerequisites: None. BIO160 recommended but not required.

EXS130 3 Credits, 3 Periods
Strength Fitness-Physiological Principles and Training Techniques
Principles and techniques of strength training including strength physiology, performance factors, training recommendations, exercise techniques, and program design and management. Prerequisites: None.

EXS132 2 Credits, 2 Periods
Cardiovascular Fitness: Physiological Principles and Training Techniques
Covers principles and techniques of aerobic training and the application of these to the development of aerobic training programs. Includes instructional techniques and safety, and stresses injury prevention. Prerequisites: None.

EXS214 2 Credits, 3 Periods
Instructional Competency: Flexibility and Mind-Body Exercises
Fundamental methods of instructing and leading fitness activities including flexibility activities. Core competencies identified by professional certification agencies. Prerequisites: None.

EXS216 2 Credits, 3 Periods
Instructional Competency: Muscular Strength and Conditioning
Fundamental methods of instructing and leading fitness activities

including strength and conditioning activities. Core competencies identified by professional certification agencies. Prerequisites: None.

EXS218 2 Credits, 3 Periods
Instructional Competency:
Cardiorespiratory Exercises and Activities
Fundamental methods of instructing and leading fitness activities including cardiorespiratory exercises and activities. Core competencies identified by professional certification agencies. Prerequisites: None.

EXS239 3 Credits, 5.4 Periods
Practical Applications of Personal Training Skills
and Techniques Internship
Work experience in a fitness or health related facility. Eighty (80) hours of designated work per credit. Prerequisites: Completion of nine (9) credits of EXS courses required for the (AAS in Exercise Science and Personal Training, or CCL in Personal Training Specialist, or CCL in Personal Trainer), current CPR card, and permission of Department or Division.

EXS239AA 1 Credit, 1.8 Periods
EXS239AB 2 Credits, 3.6 Periods
Practical Applications of Personal Training Skills
and Techniques Internship
Work experience in a fitness or health related facility. Eighty (80) hours of designated work per credit. Prerequisites: Completion of nine (9) credits of EXS courses required for the (AAS in Exercise Science and Personal Training, or CCL in Personal Training Specialist, or CCL in Personal Trainer), current CPR card, and permission of Department or Division.

EXS290 3 Credits, 3 Periods
Introduction to Evidence-Based Practice
Introduction to best practices in the acquisition, analysis, synthesis, and potential application of research in the discipline of exercise science. Specific emphasis on the application of research-based evidence for applied problem solving in exercise science. Prerequisites: EXS101 and (ENG101 or ENG107), or permission of Instructor.

Fire Science

Division: Health & Exercise Science
Chair: Ms. Karen Fehr
Phone: 602.787.7286

FSC101 3 Credits, 4 Periods
Intro To Fire Service Selection
Overview of the application and selection processes used by various fire departments and fire service organizations. Elements of fire service culture and their effects on personal growth and interpersonal relationships. Major components of written application processes, requirements, preparation of resumes and their effect on employment prospects. Preparation for the interview to include communications skills, mental preparation techniques, behaviors, and the importance of the interview in the pre-employment process. Preparation for on site experiences at a fire station. General components of the selection process, the importance of general education, and components of lifelong learning in career choices. Prerequisites: None.

FSC102 11 Credits, 19.60 Periods
Fire Department Operations
Introductory fire science course primarily designed for the fire department recruit. Includes firefighting skills, equipment, and administrative policies, fire department operations, personnel policies, and International Fire Service Accreditation Congress Practical Skills Testing. Prerequisites: (EMT/FSC104, FSC105, and FSC130), and permission of Instructor. Corequisites: FSC134.

FSC105 3 Credits, 3 Periods
Hazardous Materials/First Responder
Basic methods of recognition and identification based upon the chemical and physical properties of hazardous materials; basic safety procedures when utilizing specific types of protective clothing and equipment; basic tactical information relating to scene management. Confined space operations in accordance with the National Fire Protection Agency. Prerequisites: None.

FSC106 3 Credits, 3 Periods
Introduction To Fire Protection
History and evaluation of fire department organization. Role of the fire service in the community. Responsibilities of the fire administrator including organization, departmental functions, interdepartmental relationships, management of buildings and equipment; techniques of fire fighting. Also includes emergency medical services and fire prevention. Prerequisites: None.

FSC108 3 Credits, 3 Periods
Fundamentals Of Fire Prevention
Fundamentals of fire prevention. Includes techniques, procedures, regulations, and enforcement. Also includes discussion of hazards in ordinary and special occupancies. Field trips and lectures from industry also included. Prerequisites: None.

FSC110 3 Credits, 3 Periods
Wildland Firefighter
Basic level course for individuals with little or no experience in the wildland environment. Preparation for performing as a beginning level wildland firefighter with an organized fire department engine or hand crew. Prerequisites: None.

FSC111 2 Credits, 2 Periods
Emergency Vehicle Driver Operator
Emergency vehicle operators training including the problems facing operators; the personal qualities of emergency vehicle operator candidates; legal responsibilities of operators; and physical forces involved in driving an emergency vehicle. Includes hands-on training in an emergency response vehicle . Prerequisites: None.

FSC113 3 Credits, 3 Periods
Introduction To Fire Suppression
Characteristics and behavior of fire, fire hazard properties of ordinary materials, extinguishing agents, fire suppression

organization and equipment, basic fire fighting tactics, and public relations as affected by fire suppression. Prerequisites: None.

FSC117 3 Credits, 3 Periods
Fire Apparatus
Principles of care, maintenance and operation of fire apparatus and pumps. Includes pump construction and accessories, pumping techniques, power development, and transmission. Driving, troubleshooting and producing effective fire streams. Prerequisites: None.

FSC118 3 Credits, 3 Periods
Fire Hydraulics
Review of basic mathematics. Hydraulic laws and formulas as applied to the fire service. Application of formulas and mental calculations to hydraulic problems, water supply variables, and discharge requirements for pumpers. Prerequisites: None.

FSC119 3 Credits, 3 Periods
Introduction Fire Service Ethics
Ethical issues, standards, and philosophical consideration of moral problems encountered in fire service. Ethical responsibility of fire service personnel and those they serve. Prerequisites: None.

FSC130 1 Credit, 1.50 Periods
Fitness For Firefighters/CPAT
Skills and abilities required for entry level position in the fire service including physical ability, and stamina. Opportunity to take the International Association of Fire Fighters (IAFF) Candidate Physical Ability Test (CPAT) at the end of the course. Prerequisites: None.

FSC131 3 Credits, 3 Periods
Introduction To Urban Technical Rescue
Practical application of safe rescue practices for urban technical rescue. Includes ropes and rope systems, trench rescue, confined space rescue, swiftwater rescue, and rescue from collapsed structures. Prerequisites: None.

FSC134 3 Credits, 4.60 Periods
Fitness And Conditioning For Firefighters
Overview of all aspects of fitness for current and prospective firefighters. Includes physical and mental aspects of performance for optimal achievement on fire department agility tests and fire fighting tasks; individual conditioning strategies, nutritional guidelines, protective clothing concepts, and basic exercise principles. Pre employment, evaluation, and lifelong fitness and conditioning. Prerequisites: None.

FSC139 3 Credits, 3 Periods
Emergency Response to Terrorism
Fundamentals of emergency response to suspected terrorist events. Historical perspective of terrorist activities and methods by which responders can identify and protect themselves and the public from these threats. Coordination of responding agencies. Prerequisites: None.

FSC202 3 Credits, 3 Periods
Supervisory Training For Firefighters
Administrative methods applied to the fire service, departmental organization, and personnel management. Includes fire alarm signaling systems, fire service planning, and relationships with other city departments. Prerequisites: None.

FSC204 3 Credits, 3 Periods
Firefighting Tactics And Strategy
Methods of coordinating personnel, equipment, and apparatus on the fireground. Practical methods of controlling and extinguishing structural and other types of fires. Includes simulation exercises. Prerequisites: FSC113, or permission of Instructor, or equivalent.

FSC208 3 Credits, 3 Periods
Firefighter Safety And Building Construction
Actions necessary to provide for the safety of firefighters operating on the fireground. Effects that fire and heat may have on various types of building construction resulting in the loss of structural integrity. Includes signs and symptoms of structural damage. Prerequisites: FSC113, or permission of Instructor, or equivalent.

FSC238 2 Credits, 2 Periods
Vehicular Extrication and Patient Stabilization
Participative course designed for the Emergency Medical Technicians (EMT). Incorporates new knowledge and skills necessary to access, extricate, and care for victims of crash incidents. Provides exposure to scene management, including size-up, disentanglement, victim stabilization for single and multi-victim situations, hazardous materials incidents, integration of local emergency medical services (EMS) for patient assessment and management, and standard operating procedures to selected victim scenarios. Prerequisites: Basic EMT certification, current enrollment in an EMT-Basic program, nurse with emergency department experience, or law enforcement personnel, or permission of instructor.

FSC258 3 Credits, 3 Periods
Victimology and Crisis Management
Victimology, the criminal justice system, techniques of crisis intervention, and the importance of a multicultural and global perspective. Includes sexual assault, family violence, post-traumatic stress disorder, the role of substance abuse, effective coping skills, appropriate community resources and the responsiveness of the justice system. Prerequisites: None.

FSC260 3 Credits, 3.6 Periods
Technical Rope Rescue (RR) 1, 2, 3
Concepts, techniques, and skills needed to support technical rope rescue. Meets Arizona Fire Marshal Office requirements for RR1, RR2, RR3 and National Fire Protection Association (NFPA) 1670 Operational Rope Rescue. Prerequisites: FSC131 or permission of Instructor.

FSC261 3 Credits, 3.6 Periods
National Fire Protection Agency Rope Technician
Advanced anchor construction, use of elevated anchor points on difficult edges, horizontal rope systems, and study of force multipliers commonly experienced during high angle rope rescue. Meets the certification requirements for the NFPA (National Fire Protection Agency) 1670 for Operational Rope Rescue and NFPA 1006 for Technical Rescue Rope Technician. Prerequisites: FSC260 or (the Office of the Arizona State Fire Marshal's Ropes 1, 2, and 3

class), or permission of Instructor.

FSC282AC 3 Credits, 3 Periods
Volunteerism For Fire Science: A Service Learning Experience
Service learning field experience within human service organization/agency. May be repeated for a total of six (6) FSC282 credit hours; may not repeat specific agency assignment for more than three (3) credit hours. Standard grading available according to procedures outlined in catalog. Prerequisites: Permission of Instructor.

FSC296WC 3 Credits, 15 Periods
Cooperative Education
Work college experiences that involve the combined efforts of educators and employers to accomplish an outcome related to the career objectives of the students. Prerequisites: Completed at least 12 credits, min 2.6 GPA & able to obtain a position related to student's academic/career goals or permission of Instructor. Coreq: Enrolled in at least 1 class related to major/career interest or permission of Instructor.

FSC298AA 1 Credit, 1 Period
FSC298AB 2 Credits, 2 Periods
FSC298AC 3 Credits, 3 Periods
Special Projects
Organized and tailored around the interests and needs of the individual student. Structured to provide an atmosphere of individualized research and study paralleled by professional expertise and guidance. Professional type facilities and equipment available for student use. Allows the best aspects of independent study and individualized learning to be combined to maximize student development. Prerequisites: Permission of Program Director or Instructor.

Food & Nutrition

Division: Health & Exercise Science
Chair: Ms. Karen Fehr
Phone: 602.787.7286

FON100 3 Credits, 3 Periods
Introductory Nutrition
Basic nutrition concepts for health and fitness. Emphasizes current dietary recommendations for maximizing well-being and minimizing risk of chronic disease. Focuses on use of tables, food guides, and guidelines for making healthy food choices. Includes unique nutrition needs for selected stages of the lifecycle, methods for evaluating creditability of nutrition claims, principles of vegetarian nutrition, safe and economic use of supplements, principles of energy balance, basic elements of food safety, diet for exercise and sports, and personal dietary evaluation techniques. Not for predietetics or selected other preprofessional majors. May not be taken for credit if credit has been earned in FON100AA and/or FON100AC. Prerequisites: None.

FON104 1 Credit, 1 Period
Certification in Food Service, Safety & Sanitation
Preparation for and certification in a national food sanitation and safety program. Emphasis on food from purchasing, receiving, and storing to preparation, holding, and serving. Focuses on safe and sanitary food service facilities and equipment, employee habits and personal hygiene, and role of management in safety and sanitation. Includes time-temperature principles, food borne illnesses, pest control, accident prevention, standards for cleaning and sanitizing, and regional regulations and standards. Prerequisites: None.

FON125 1 Credit, 1 Period
Introduction to Professions in Nutrition and Dietetics
Overview and discussion of career opportunities in the fields of food, nutrition, and dietetics. Includes information about history, ethics, standards of practice, communication and counseling skills. Emphasis on how to become a Registered Dietitian Nutritionist or a Dietetic Technician Registered. Prerequisites: None.

FON142AB 3 credits, 5 periods
Applied Food Principles
Exploration and applications of scientific principles involved in food preparation; experiences with basic cooking methods; emphasis on the rationale of cooking techniques. Prerequisites: None.

FON207 3 Credits, 3 Periods
IIntroduction to Nutrition Services Management
Principles, knowledge, and techniques required for effective nutrition services management. Includes nutrition service issues in relation to health care trends, leadership skills, management theories and styles, food service manager responsibilities, and laws which pertain to nutrition service operations. Prerequisites: MAT092 or equivalent, or satisfactory score on district placement exam.

FON210 3 Credits, 3 Periods
Sports Nutrition and Supplements for Physical Activity
Principles of nutrition applied to fitness, exercise, and sports. Dietary fundamentals as applied to body fuels, hydration, and other unique needs for exercise and sports. Includes dietary guidelines for weight or endurance training, glycogen loading, the pre-game meal, and glycogen recovery. Emphasis on maximizing fitness, performance, and safety. Discussion of supplements and their effects on metabolic enhancement. Discussion of anabolic, catabolic, and energy-producing agents. Addresses current supplements on the market. Prerequisites: FON100AA, or FON100, or equivalent, or permission of instructor.

FON225 3 Credits, 3 Periods
Research in Complementary & Alternative Nutrition Therapies
Introduction to basic research methods and statistics as applied to complementary and alternative nutrition therapies. Emphasis on the analysis and interpretation of health-related research. Prerequisites: MAT092 or equivalent, or satisfactory score on district placement exam.

FON241 3 Credits, 3 Periods
Principles of Human Nutrition
Scientific principles of human nutrition. Emphasis on scientific literacy and the study of nutrients for disease prevention. Includes micro and macro nutrients, human nutrient metabolism and nutrition`s role in the health of the human body throughout the life cycle. Addresses nutrition principles for prevention of nutrition-related health conditions. Prerequisites: None.

FON241LL 1 Credit, 3 Periods
Principles of Human Nutrition Laboratory

Self-evaluative laboratory experience to complement FON241, Principles of Human Nutrition using anthropometric, biochemical, and dietary analysis. Includes the use of qualitative and quantitative methodology to determine nutritional status and evaluate methodological applications. Prerequisites or Corequisites: FON241.

FON242 3 Credits, 3 Periods
Introduction to Medical Nutrition Therapy
Introduction to fundamental principles of medical nutrition therapy. Emphasis on development and analysis of diets that fit an individual's personal and therapeutic needs. Includes strategies to promote dietary adherence and the development of educational programs for a diverse adult population. Prerequisites: FON241.

FON244AA 2 Credits, 2 Periods
Practicum I: Food Service Management Lecture
Classroom preparation and training, under the instruction and supervision of a registered dietitian. Application of principles, knowledge, and skills required in the delivery of nutrition services for food service management including food service operations, quantity food production, procurement, organizing and management principles, facility design and equipment, financial management, food safety and sanitation, menu planning, and marketing. Prerequisites: FON104, FON125, FON142AB, FON207 and FON242. Corequisite: FON244AB.

FON244AB Lab: 2.5 credits, 10 periods
Practicum I: Food Service Management Lab
Practicum experience under the supervision of a registered dietitian. Application of principles, knowledge, and skills required in the delivery of nutrition services for food service management including food service operations, quantity food production, procurement, organizing and management principles, facility design and equipment, financial management, food safety and sanitation, menu planning, and marketing. Prerequisites: FON104, FON125, FON142AB, FON207 and FON242. Corequisite: FON244AA. Course Notes: Competencies in the lecture (FON244AA) met prior to their application in supervised practice settings during the practicum lab (FON244AB).

FON245AA 2 Credits, 2 Periods
Practicum II: Medical Nutrition Therapy
Classroom preparation and training, under the instruction and supervision of a registered dietitian. Understanding of principles, knowledge, and skills required for the delivery of medical nutrition therapy. Comprehension of nutritional screening, assessment, monitoring, and evaluation for common and complex medical conditions, medical documentation, patient interviewing and counseling, and education in health promotion and disease prevention. Prerequisites: FON125, FON242, HCC145AA, and MAT092 or equivalent, or satisfactory score on district placement exam. Corequisites: FON245AB.

FON245AB Lab: 2.5 credits, 10 periods
Practicum II: Medical Nutrition Therapy Lab
Practicum experience under the supervision of a registered dietitian. Application of principles, knowledge, and skills required for the delivery of medical nutrition therapy. Perform nutritional screening, assessment, monitoring, and evaluation for common and complex medical conditions, medical documentation, patient interviewing and counseling, and education in health promotion and disease prevention. Prerequisites: FON125, FON242, HCC145AA, and MAT092 or equivalent, or satisfactory score on district placement exam. Corequisite: FON245AA.

FON246AA Lecture: 2 Credits, 2 Periods
Practicum III: Community Nutrition Lecture
Classroom preparation and training, under the instruction of a registered dietitian. Understanding of principles, knowledge and skills required in the delivery of nutrition services in community-based agencies, outpatient health care settings, and social service agencies. Includes knowledge and understanding of nutrition intervention and wellness promotion for individuals and groups across the lifespan, i.e. infants through geriatrics with a diversity of cultural, religious and social backgrounds. Prerequisites: FON125 and FON242. Co-requisites: FON246AB.

FON246AB Lab: 2 Credits, 10 Periods
Practicum III: Community Nutrition Lab
Practicum experience under the supervision of a registered dietitian. Application of principles, knowledge and skills required in the delivery of nutrition services in community-based agencies, outpatient health care settings, and social service agencies. Includes nutrition intervention and wellness promotion for individuals and groups across the lifespan, i.e. infants through geriatrics with a diversity of cultural, religious and social backgrounds. Prerequisites: FON125 and FON242. Co-requisites: FON246AA. Competencies in the lecture (FON246AA) met prior to their application in supervised practice settings during the practicum lab (FON246AB).

FON247 3 Credits, 3 Periods
Weight Management Science
The comprehensive study of obesity as a disease of modern society due to multiple determinants. Use of evidence-based data and methods to assess and manage weight in various settings. Use of client-centered counseling strategies, including behavior change theories. Focus on discovering successful healthful long-term weight management strategies. Prerequisites: FON100 or FON241 or permission of Instructor.

Forensic Science

Division: Social Science
Chair: Dr. Doss Powell, Jr.
Phone: 602.787.6681

FOR105 Lec: 4 Credits, 3 Periods
Forensic Science: Physical Evidence Lab: 0 Credits, 3 Periods
Scientific analysis and examination of physical evidence for forensic purposes. Covers fingerprints, shoe prints, tool marks, glass, soil and mineral evidence, firearms identification, paint chips, and arson and explosive evidence. Includes the history of forensic science, functions of the crime lab and criminalist career specialties Prerequisites: None.

FOR106 Lec: 4 Credits, 3 Periods
Forensic Science: Biological Evidence Lab: 0 Credits, 3 Periods
Scientific analysis and examination of biological evidence for forensic purposes. Covers blood, bloodstains, other biological fluids and stains, hair, DNA, toxicological evidence, controlled substances

and alcohol. Includes the history of forensic science, functions of the crime lab, and criminalist career specialties. Prerequisites: None.

FOR275 4 Credits, 5 Periods
Forensic Anthropology
Survey of the role of forensic anthropologists, from the crime scene to the courtroom. Course focuses on how skeletal analysis can aid in medicolegal investigations, especially by identifying aspects of the life history of unknown individuals and by reconstructing events that took place at crime scenes. Covers both the legal aspects of forensic practice and the underlying biological basis for evidence obtained from skeletal remains. Examines applications of forensic anthropology in mass disasters, human rights investigations, and the deciphering of historic cases. Lab activities designed to illustrate techniques and principles central to the discipline. Prerequisites: None.

Geography: Cultural

Division: Social Science
Chair: Dr. Doss Powell, Jr.
Phone: 602.787.7291

GCU102 3 Credits, 3 Periods
Introduction to Human Geography
Systematic study of human use of the earth. Spatial organization of economic, social, political, and perceptual environments. Prerequisites: None.

GCU121 3 Credits, 3 Periods
World Geography I: Eastern Hemisphere
Description and analysis of areal variations in social, economic, and political phenomena in major world regions. Emphasis on Europe, Russia, North Africa, and the Asian world. Prerequisites: None.

GCU122 3 Credits, 3 Periods
World Geography I: Western Hemisphere
Description and analysis of variations in social, economic, and political phenomena in major world regions. Emphasis on Sub-Saharan Africa, Latin America, and Anglo America. Prerequisites: None.

GCU221 3 Credits, 3 Periods
Arizona Geography
The historical to modern development of Arizona. The interplay between the physical, cultural and economic factors affecting Arizona today. Prerequisites: None.

Geography: Physical

Division: Social Science
Chair: Dr. Doss Powell, Jr.
Phone: 602.787.6681

GPH111 Lecture: 3 credits, 3 periods
Introduction to Physical Geography Lecture
Spatial and functional relationships among climates, landforms, soils, water, and plants. Prerequisites: None.

GPH112 Lecture: 3 credits, 3 periods
Introduction to Physical Geography Lab
Laboratory experience in support of GPH111. Prerequisites or Corequisites: GPH111.

GPH211 Lecture: 4 credits, 3 periods
Landform Processes Lab: 0 credits, 3 periods
Geographic characterisitcs of landforms and earth-survace processes emphasizing erosion, transportation, deposition and implications for human management of the environment. Prerequisites: ENG101 or ENG107 or equivalent.

GPH212 Lecture: 3 Credits, 3 Periods
Introduction to Meteorology I
Atmospheric processes and elements. General and local circulation, heat exchange and atmospheric moisture. Prerequisites: None.

GPH213 Lecture: 3 Credits, 3 Periods
Climate and Weather
Study of atmospheric phenomena over periods of time measured in months, years or longer. Includes average weather conditions, infrequent and unusual types of weather, and the influence of weather on the cultural and human landscape. Prerequisites: None.

GPH214 1 Credit, 3 Periods
Introduction to Meteorology Laboratory I
Basic meteorological and climatological measurements. Prerequisites: None. Corequisites: GPH212.

GPH215 1 Credit, 3 Periods
Climate and Weather Laboratory
A mathematical, statistical, and spatial analysis of climatological phenomena. Prerequisites: None. Corequisites: GPH213

GPH298AA 1 Credit, 1 Period
Special Projects
Organized and tailored around the interests and needs of the individual student. Structured to provide an atmosphere of individualized research and study paralleled by professional expertise and guidance. Professional type facilities and equipment are available for student use. Allows the best aspects of independent study and individualized learning to be combinedto maximize student development. Prerequisites: Permission of Program Director or instructor.

Geology

Division: Science
Department: Physical Sciences
Chair: Dr. Scott Massey
Phone: 602.787.6644

GLG101 3 Credits, 3 Periods
Introduction To Geology I - Physical Lecture
A study of the kind and arrangement of materials composing the earth's crust and the geological processes at work on and within

the earth's surface. Prerequisites: None.

GLG102 3 Credits, 3 Periods
Introduction to Geology II - Historical Lecture
Outlines the origin and history of the Earth with emphasis on North America--its dynamic, geographic, and climatic changes; animals and plants of the past; the evolution of life. Prerequisites: None.

GLG103 1 Credit, 3 Periods
Introduction To Geology I - Physical Lab
May accompany GLG101. Study of common rock forming minerals, rocks, and maps. Prerequisites: None.

GLG104 1 Credit, 3 Periods
Intro to Geology II - Historical Lab
May accompany GLG102. Study of geological structures and rocks, fossils, and geologic maps. May require field trips. Prerequisites: None.

GLG110 3 Credits, 3 Periods
Geologic Disasters and the Environment
Acquaints students with the use and importance of geological studies as they apply to the interactions between people and the earth. Includes geological processes and hazards such as earthquakes, volcanoes, floods and landslides. Examines environmental impact and use of mineral and energy resources. Prerequisites: None.

GLG111 1 Credits, 3 Periods
Geological Disasters and the Environment Lab
May accompany GLG110. Basic geological processes and concepts. Emphasis on geology related environmental problems concerning Arizona. Case histories and field studies. May require field trips. Prerequisites: None.

German

Division: Communication & Humanities
Chair: Dr. Marilyn Cristiano
Phone: 602.787.6567

GER101 4 Credits, 4 Periods
Elementary German I
Basic grammar, pronunciation and vocabulary of the German language. Includes the study of German culture, practice of listening, speaking, reading and writing skills. Prerequisites: None.

GER102 4 Credits, 4 Periods
Elementary German II
Continued study of grammar and vocabulary of the German language along with the study of German culture. Emphasis on German language skills. Prerequisites: GER101, or GER101AA, or permission of Department or Division. Completion of prerequisites within the last three years is required.

Health Care Core

Division: Health & Exercise Science
Chair: Ms. Karen Fehr
Phone: 602.787.7286

HCC109 0.5 Credit, 0.5 Period
CPR for Health Care Provider
Current American Heart Association standards for one and two rescuer cardiopulmonary resuscitation (CPR) and obstructed airway procedures on the adult, infant, and pediatric victim. Use of automatic, external defibrillation and resuscitation equipment. Prerequisites: None.

HCC130 3 Credits, 3 Periods
Fundamentals in Health Care Delivery
Overview of current and recent development of health care professions, including career and labor market information, health care delivery systems, third party payers, and facility ownership. Health organization structure, patient rights and quality care. Health care and life values. Definition and importance of values, ethics, and essential behaviors in the workplace. Worker rights and responsibilities. Healthful living practices to include nutrition, stress management and exercise. Occupational Safety and Health Administration (OSHA) standard precautions and facility safety. Use of principles of body mechanics in daily living activities. Basic communication skills which facilitate inter-professional teamwork in the health care setting. Focus on development of personal communication skills and an understanding of how effective communication skills promote teamwork. Focus on intercultural communication strategies. Prerequisites: None.

HCC145 3 Credits, 3 Periods
Medical Terminology for Health Care Professionals I
Medical terminology used in health care, with special care populations and in special services. Body systems approach to terms related to structures, functions, diseases, procedures, and diagnostic tests. Building and analyzing terms using word parts. Medical abbreviations and symbols and term spelling. Prerequisites: None.

HCC145AA 1 Credit, 1 Period
Medical Terminology for Health Care Professionals I
Introduction to medical terms used in health care. Body systems approach to selected terms related to structures, functions, diseases, procedures, and diagnostic tests. Building and analyzing selected terms using basic word parts. Selected medical abbreviations and symbols and term spelling. Prerequisites: None.

HCC146 2 Credits, 2 Periods
Common Medical Terminology for Health Care Professionals
Common medical terms used in health care. Body systems approach to common terms related to structures, functions, diseases, procedures, and diagnostic tests. Building and analyzing common terms using word parts. Common medical abbreviations and symbols and term spelling. Prerequisites: None.

Health Care Related

Division: Health & Exercise Science
Chair: Ms. Karen Fehr
Phone: 602.787.7286

HCR210 3 Credits, 3 Periods
Clinical Health Care Ethics
An introduction to health care ethics with emphasis on analysis and ethical decision making at both the clinical and health policy levels for health care professionals. Theoretical foundation of bioethics reviewed within historical and contemporary contexts Prerequisites: ENG102 or ENG108 or permission of Instructor.

HCR220 3 Credits, 3 Periods
Introduction to Nursing and Health Care Systems
Introduction to the social, political, and economic contexts of the nursing profession and health care systems in the United States. Prerequisites: A grade of "C" or better in ENG102 or ENG108 or permission of Instructor.

HCR240 4 Credits, 4 Periods
Human Pathophysiology
Chemical, biological, biochemical, and psychological processes as a foundation for the understanding of alterations in health. The structural and functional pathophysiology of alterations in health; selected therapeutics considered. Prerequisites: BIO202 or BIO205 or equivalent.

Health Science

Division: Health & Exercise Science
Chair: Ms. Karen Fehr
Phone: 602.787.7286

HES100 3 Credits, 3 Periods
Healthful Living
Health and wellness and their application to an optimal lifestyle. Explores current topics of interest such as stress management, nutrition, fitness, and environmental health. Evaluates common risk factors associated with modern lifestyles. Prerequisites: None.

HES201 3 Credits, 3 Periods
Substance Abuse and Behavior
Principles and factual bases of drug use and abuse. Physiological and socio-psychological effects of drug use and law enforcement of drug abuse. Consultants used extensively to enrich course. Prerequisites: None.

HES210 3 Credits, 3 Periods
Cultural Aspects of Health and Illness
Examines how culture influences health and illness, health care practices, barriers to health care, interactions with health care professionals, and health disparities in the U.S.

History

Division: Social Science
Chair: Dr. Doss Powell, Jr.
Phone: 602.787.6681

HIS100 3 Credits, 3 Periods
History of Western Civilization to Middle Ages
Survey of the origin and development of Western civilization and its institutions from prehistory through the Ancient World and the Middle Ages. Prerequisites: None.

HIS101 3 Credits, 3 Periods
History of Western Civilization: Middle Ages to 1789
Survey of origin and development of Western civilization and its institutions from the Renaissance and Reformation through Age of Enlightenment. Prerequisites: None.

HIS102 3 Credits, 3 Periods
History of Western Civilization 1789 to Present
Survey of origin and development of Western civilization and its institutions from French Revolution through the present. Prerequisites: None.

HIS103 3 Credits, 3 Periods
United States History to 1865
The political, economic, and social development of the United States from the Pre-Columbian period through the end of the Civil War (1865). Prerequisites: None.

HIS104 3 Credits, 3 Periods
United States History 1865 to Present
The political, economic, and social development of United States from 1865 to the present time. Prerequisites: None.

HIS110 3 Credits, 3 Periods
World History to 1500
Survey of the economic, social, cultural, and political elements of world history from the beginning of human civilization to 1500. Prerequisites: None.

HIS111 3 Credits, 3 Periods
World History 1500 to the Present
Survey of the economic, social, cultural, and political elements of world history from 1500 to the present. Prerequisites: None.

HIS113 3 Credits, 3 Periods
History of Eastern Civilizations to 1850
An examination of the characteristics and development of civilizations, religions and philosophies of the Middle East, India, Far East, and Southeast Asia. From ancient times to the mid-nineteenth century. Prerequisites: None.

HIS114 3 Credits, 3 Periods
History of Eastern Civilizations 1850 to Present
Examination of characteristics and development of civilizations of Middle East, India, Far East, and Southeast Asia, from mid-nineteenth century to present. Prerequisites: None.

Health Care Technology Management

Division: Business/Information Technology
Chair: Dr. Dina Preston-Ortiz
Phone: 602.787.6728

HTM150 3 Credits, 3 Periods
Introduction to Healthcare IT and Systems
Introduction to current and emerging Healthcare IT systems with particular emphasis on healthcare information and data, governance, information systems and technologies, and industry challenges in a value-added healthcare environment. Prerequisites: CIS105 or permission of Instructor.

HTM200 3 Credits, 4 Periods
Healthcare IT Software Infrastructure: Interoperability, Security and mHealth
Application of industry-specific IT skills to entry-level Healthcare IT software development projects, with particular skills emphasis on high-growth areas such as interoperability, security and Mobile Health (mHealth). Prerequisites: [(CIS133AA and CIS133BA and CIS133CA) or CIS133DA] and CIS150AB and HTM150 and permission of Program Director.

HTM250 3 Credits, 4 Periods
Healthcare IT Systems Development Life Cycle (SDLC)
Introduction to the Systems Development Life Cycle (SDLC) methodologies and tools currently used on healthcare Information Technology (IT) projects, with particular emphasis on software development. Experience with application development and testing tools in a project-based lab setting. Prerequisites or Corequisites: CIS224 and HTM200.

HTM270 3 Credits, 3 Periods
Healthcare IT Systems Capstone
Culminating application of the skills, knowledge, communication and critical thinking skills from the Healthcare Technology Systems program to address industry-specific challenges. Includes investigation and application of current and emerging healthcare technologies. Prerequisites: HTM250.

Honors

Division: English
Chair: Ms. Christine Tabone
Phone: 602.787.6798

Effective Spring 2018 HON190 will be titled: The Honors Experience
HON190 3 Credits, 3 Periods
Honors Forum
Interdisciplinary studies of selected issues confronting the individual and society and overall human experience. Critical inquiry of specific themes from a wide variety of academic viewpoints. Comprehensive and interdisciplinary review of global, historical, and cultural trends, supplemented by readings and discussion. Varied content due to changing honors forum themes and issues. Prerequisites: Admission to the college honors program or permission of Instructor.

HON201 3 Credits, 3 Periods
Leadership Development: Historical and Contemporary Perspectives
Interdisciplinary study of leadership focusing on development of leadership skills. Prerequisites: Admission to the college honors program or permission of Instructor.

Humanities

Division: Communication & Humanities
Chair: Dr. Marilyn Cristiano
Phone: 602.787.6567

HUM190AA, AB, AC 1, 1, 1 Credit
Honors Forum: 1, 1, 1 Period
Interdisciplinary studies of selected issues confronting the individual and society. Formal lectures followed by informal discussions with outstanding scholars and social leaders. Supplemented by readings and pre- and post-forum discussion and critique. Varied content from module to module due to changing forum themes and issues. Prerequisites: Admission to the College Honors Program or permission of the instructor.

HUM205 3 Credits, 3 Periods
Introduction to Cinema
Survey of the history and development of the art of motion pictures, including criticism of aesthetic and technical elements. Prerequisites: None.

HUM209 3 Credits, 3 Periods
Women and Films
Analysis of images of women in films from both historical and contemporary perspectives. Prerequisites: None.

HUM210 3 Credits, 3 Periods
Contemporary Cinema
A study of contemporary films, directors and critics with emphasis on evaluating film as an art form. Prerequisites: None.

HUM250 3 Credits, 3 Periods
Ideas and Values in the Humanities
An historical analysis of the interrelationships of art, architecture, literature, music, and philosophy from the early civilizations to the Renaissance, including western and non-western cultures. Prerequisites: ENG101.

HUM251 3 Credits, 3 Periods
Ideas and Values in the Humanities
An historical analysis of the interrelationships of art, architecture, literature, music, and philosophy from the Renaissance to modern period, including Western and Non-Western cultures. Prerequisites: ENG101.

Humanities: Spanish

SPH245 3 Credits, 3 Periods
Hispanic Heritage in the Southwest
A survey of Hispanic heritage in the Southwest. Cultural and social institutions and their contribution to the development of the region and its heritage. Prerequisites: None.

Information Studies

Division: Library
Chair: Ms. Paula Crossman
Phone: 602.787.6692

IFS201 3 Credits, 3 Periods
Information in a Post-Truth World
Development of critical thinking skills in using information. Exploration of how information can be used as a tool or a weapon. Explanation of the role of information as a consumer and creator. Recognition of the impact of culture and worldview on how information is understood, created, and disseminated. Prerequisites: A grade of "C" or better in ENG101 or ENG107.

IFS210 3 Credits, 3 Periods
Research in a Global Society
A comparative study focused on access to digital information in a global environment. Explore the global culture developing around the Internet and the impact of local, national and global cultures as well as economic and social factors related to the flow of information in a global society. Examine emerging technologies to produce and distribute information across cultures in a global society in an ethical manner. Prerequisites: None.

International Business

Division: Business/Information Technology
Chair: Dr. Dina Preston-Ortiz
Phone: 602.787.6728

IBS101 3 Credits, 3 Periods
Introduction to International Business
A basic overview of international business to introduce students to international trade concepts. Focus of the course is on international business environment issues that influence global business practices, decisions and applications. Prerequisites: None.

IBS109 3 Credits, 3 Periods
Cultural Dimension for International Trade
The importance of cultural sensitivity in international business relations investigated by studying the impact of geography, history, religion, politics, customs and cross-cultural communications on society. Prerequisites: None.

Japanese

Division: Communication & Humanities
Chair: Dr. Marilyn Cristiano
Phone: 602.787.6567

JPN101 5 Credits, 6 Periods
Japanese Elementary I
Basic grammar, pronunciation, and vocabulary of Japanese. Study of Japanese culture. Development of speaking, listening, reading and writing skills. Prerequisites: None.

JPN102 5 Credits, 6 Periods
Japanese Elementary II
Continued study of basic grammar, pronunciation and vocabulary of Japanese. Study of the Japanese culture. Intensive practice in oral communication and development of reading and writing skills. Prerequisites: JPN101 or permission of Department or Division. Completion of prerequisites within the last three years is required.

Journalism

Division: English
Chair: Ms. Christine Tabone
Phone: 602.787.6798

ENG235 3 Credits, 3 Periods
Magazine Article Writing
Basic skills and techniques used by professional writers for publication in magazines. Includes analyzing markets, identifying article slant, writing query letters, research techniques, editing, and submission procedures. Emphasis on nonfiction. Prerequisites: None.

JRN201 3 Credits, 5 Periods
News Writing
Writing and producing news for the media. Associated Press editing style, writing skills, and organizational structure for news. Prerequisites: ENG101 or ENG107.

JRN203 3 Credits, 3 Periods
Writing for Online Media
Writing using the modes and resources available on the Internet. Use of information and resources available on the Internet in writing, as well as writing for the Internet itself. Prerequisites: Placement into ENG101 on a District-approved writing placement test.

JRN215 3 Credits, 5 Periods
News Production
Writing, editing, and publishing the student newspaper on multiple platforms. Emphasis may vary according to student goals. Prerequisites: JRN201 or [(ENG101 or ENG107) and permission of Program Director or Instructor].

JRN234 3 Credits, 3 Periods
Feature Writing
Emphasis on crafting stylized human interest stories for publications. Includes research, interviewing, writing techniques, editing and professional concerns. Includes best practices for writing features for traditional and digital media. Prerequisites: ENG101, or ENG107, or permission of Instructor.

Journalism: Mass Communication

Division: English
Chair: Ms. Christine Tabone
Phone: 602.787.6798

MCO120 3 Credits, 3 Periods
Media and Society
Study of historical and contemporary roles of media and its pervasiveness in society as it related to politics, education and culture. Prerequisites: ENG101 or ENG107.

Latin

Division: Communication & Humanities
Chair: Dr. Marilyn Cristiano
Phone: 602.787.6567

LAT101 4 Credits, 4 Periods
Elementary Latin I
Introduction to the basic grammar and vocabulary of the Latin language. Practice reading and translating Latin into English. Prerequisites: None.

LAT102 4 Credits, 4 Periods
Elementary Latin II
Comparative study of English and Latin grammar. Emphasis on analytical thinking, memorization, and familiarization with new terminology. Translation from English and from original works in Latin. Prerequisites: LAT101 or permission of Department or Division. Completion of prerequisites within the last three years is required.

Leadership

Division: Counseling & Personal Development
Chair: Dr. James Rubin
Phone: 602.787.6546

LDR101 2 Credits, 2 Period
Emerging Leaders I
Concepts and application of leadership skills and service learning to promote social change and value clarification. Development of organizational leadership skills through experiential learning. Prerequisites: None.

LDR201 2 Credits, 2 Periods
Leadership Facilitation I
Designed to provide skills and practice for group facilitation of leadership activities in diverse settings Focus on development of organizational skills to promote effective group functioning. Prerequisites: LDR102, or permission of instructor

Management

Division: Business/Information Technology
Chair: Dr. Dina Preston-Ortiz
Phone: 602.787.6728

MGT109 3 Credits, 3 Periods
Development Of Professional Skills And Standards
Explores the skills and qualities necessary to develop and maintain a successful professional life. Topics include management/leadership skill development, effective job search, image development, career advancement, gender issues, professional conduct, time/financial management, and human relations. Prerequisites: None.

MGT126 3 Credits, 3 Periods
Customer Service Skills and Strategies
Explores strategies to help improve job performance and develop a service-oriented philosophy. Uses practical training concepts and techniques to demonstrate how superior customer service can lead to competitive advantage and profitability in business. Focuses on both internal and external customers, interactions among people, processes, and systems within the organization and how to integrate these areas into a total quality delivery program. Prerequisites: None.

MGT175 3 Credits, 3 Periods
Business Organization and Management
Covers basic principles of managing quality and performance in organizations. Covers management functions: planning, organizing, leading, and controlling. Emphasizes continual improvement, ethics, and social responsibility. Prerequisites: None.

MGT229 3 Credits, 3 Periods
Management And Leadership I
Covers management concepts and applications for business, industry, and government organizations. Prerequisites: None.

MGT251 3 Credits, 3 Periods
Human Relations In Business
Analysis of motivation, leadership, communications, and other human factors. Cultural differences that may create conflict and affect morale individually and within organizations. Prerequisites: None. MGT101 or MGT175 or MGT229 suggested, but not required.

MGT253 3 Credits, 3 Periods
Owning And Operating A Small Business
Starting, organizing, and operating a small business, including location, finance management processes, advertisement and promotion, credit, inventory control and ethics. Prerequisites: None.

MGT276 3 Credits, 3 Periods
Personnel/Human Resources Management
Human resource planning, staffing, training, compensating, and appraising employees in labor management relationships. Prerequisites: None. MGT101, or MGT175, or MGT229 suggested but not required.

Marketing

Division: Business/Information Technology
Chair: Dr. Dina Preston-Ortiz
Phone: 602.787.6728

MKT101 3 Credits, 3 Periods
Introduction To Public Relations
Emphasizes public relations techniques used both within and outside the business organization, including operation of a PR counseling firm. Prerequisites: None.

MKT110 3 Credits, 3 Periods
Marketing and Social Networking
Theory and practice in the use of social media in marketing. Topics may include a history of social media, preparation for social marketing, the power of collective influence, and how to engage with social media. Reviews social mediums, social networks, platforms and other marketing tools used to create a social media campaigns. Prerequisites: None.

MKT263 3 Credits, 3 Periods
Advertising Principles
Introduces the advertising function within business, including media study, creative strategies, and advertising campaigns. Prerequisites: None. MKT271 suggested, but not required.

MKT267 3 Credits, 3 Periods
Principles of Salesmanship
Analyzes and applies the steps and techniques used in personal selling. Highlights the role of the professional sales representative and his/her functions as they relate to the company's mission and customer expectations. Prerequisites: None.

MKT271 3 Credits, 3 Periods
Principles of Marketing
An analysis of the marketing process and environment with regard to the product, pricing, distribution, and communication in order to satisfy buyer needs. Prerequisites: None.

Mass Communication

Division: English
Chair: Ms. Christine Tabone
Phone: 602.787.6798

MCO 120 3 Credits, 3 Periods
Media and Society
Study of historical and contemporary roles of media and its pervasiveness in society as it relates to culture, politics and education. Prerequisites: ENG101 or ENG107.

Mathematics

Division: Mathematics
Chair: Dr. D. Michael Hamm
Phone: 602.787.6645

MAT081 4 Credits, 4 Periods
Basic Arithmetic
Primary emphasis on conceptual understanding of and solving problems involving whole numbers, integers, mathematical operations, decimals, decimal operations, fractions, percentages, angles and geometric figures. Use of systems of measure, similarity, proportionality and the Pythagorean theorem. Focus on mathematical language, connections, patterns and reasoning, and additive and multiplicative reasoning. Prerequisites: Satisfactory score on district placement exam.

MAT082 3 Credits, 3 Periods
Basic Arithmetic
Primary emphasis on conceptual understanding of and solving problems involving whole numbers, integers, mathematical operations, decimals, decimal operations, fractions, percentages, angles and geometric figures. Use of systems of measure, similarity, proportionality and the Pythagorean theorem. Focus on mathematical language, connections, patterns and reasoning, and additive and multiplicative reasoning. Prerequisites: Satisfactory score on district placement exam.

MAT091 4 Credits, 4 Periods
Introductory Algebra
Emphasis on meanings related to variable, equality, inequality, equivalence. The use of additive and multiplicative reasoning in solving linear equations and inequalities in one variable. Validation of solution(s) through a reasonable mathematical defense. Transfer and apply knowledge through a process of sense making and reasonableness in mathematical problems and practical application situations. Recognize patterns and organize data to represent situations where output is related to input. Understand the concept of function and be able to represent functions in multiple ways, including tables, algebraic rules, graphs and contextual situations, and make connections among these representations. Read, represent, and interpret linear function relationships numerically, analytically, graphically and verbally and connect the different representations. Model and solve real world problems involving constant rate of change. Prerequisites: An appropriate mathematics placement score, OR a grade of "C" or better for MAT081, or MAT082, OR (an appropriate diagnostic score, or a grade of "C" or better in each of the following courses: MAT051, MAT052, MAT053, and MAT054).

MAT092 3 Credits, 3 Periods
Introductory Algebra
Emphasis on meanings related to variable, equality, inequality, equivalence. The use of additive and multiplicative reasoning in solving linear equations and inequalities in one variable. Validation of solution(s) through a reasonable mathematical defense. Transfer and apply knowledge through a process of sense making and reasonableness in mathematical problems and

practical application situations. Recognize patterns and organize data to represent situations where output is related to input. Understand the concept of function and be able to represent functions in multiple ways, including tables, algebraic rules, graphs and contextual situations, and make connections among these representations. Read, represent, and interpret linear function relationships numerically, analytically, graphically and verbally and connect the different representations. Model and solve real world problems involving constant rate of change. Prerequisites: An appropriate mathematics placement score, OR a grade of "C" or better for MAT081, or MAT082, OR (an appropriate diagnostic score, or a grade of "C" or better in each of the following courses: MAT051, MAT052, MAT053, and MAT054).

MAT108 2 Credits, 2 Periods
Tutored Mathematics
Structured tutorial assistance and math study skills to help students achieve success in a mathematics course in which they are concurrently enrolled. Mathematics study skills emphasized. Corequisites: MAT082, or MAT090, or MAT091, or MAT092, or MAT120, or MAT121, or MAT122, or MAT140, or MAT141, or MAT142, or MAT150, or MAT151, or MAT152, or permission of Department Chair. Course Note: MAT108 may be repeated for a total of ten (10) credits.

MAT112 3 Credits, 3 Periods
Mathematical Concepts and Applications
A problem solving approach to mathematics as it applies to real-life situations. Development, use and communication of mathematical concepts and applications that relate to measurement, percentage, practical geometry, statistics, finance, and unit conversions. Prerequisites: An appropriate mathematics placement score, OR a grade of "C" or better for MAT090, or MAT091, or MAT092, OR (an appropriate diagnostic score, or a grade of "C" or better in each of the following courses: MAT055, MAT056, and MAT057).

MAT120 5 Credits, 5 Periods
Intermediate Algebra
Analysis of rational, radical, quadratic and exponential equations, functions and applications; graphs of radical, quadratic and exponential functions; operations on polynomial, rational, and radical expressions. Prerequisites: An appropriate mathematics placement score, OR a grade of "C" or better for MAT090, or MAT091, or MAT092, OR (an appropriate diagnostic score, or a grade of "C" or better in each of the following courses: MAT055, MAT056, and MAT057).

MAT121 4 Credits, 4 Periods
Intermediate Algebra
Analysis of rational, radical, quadratic and exponential equations, functions and applications; graphs of radical, quadratic and exponential functions; operations on polynomial, rational, and radical expressions. Prerequisites: An appropriate mathematics placement score, OR a grade of "C" or better for MAT090, or MAT091, or MAT092, OR (an appropriate diagnostic score, or a grade of "C" or better in each of the following courses: MAT055, MAT056, and MAT057).

MAT122 3 Credits, 3 Periods
Intermediate Algebra
Analysis of rational, radical, quadratic and exponential equations, functions and applications; graphs of radical, quadratic and exponential functions; operations on polynomial, rational, and radical expressions. Prerequisites: An appropriate mathematics placement score, OR a grade of "B" or better for MAT090, or MAT091, or MAT092, OR (an appropriate diagnostic score, or a grade of "B" or better in each of the following courses: MAT055, MAT056, and MAT057).

MAT140 5 Credits, 5 Periods
College Mathematics
College-level mathematics and its applications to real-life problems. Emphasis on understanding mathematical concepts and their applications. Topics include set theory, probability, statistics, finance, and geometry. Prerequisites: An appropriate mathematics placement score, OR a grade of "C" or better for MAT090, or MAT091, or MAT092 OR (an appropriate diagnostic score, or a grade of "C" or better in each of the following courses: MAT055, MAT056, and MAT057), or a grade of "C" or better in MAT120, or MAT121, or MAT122.

MAT141 4 Credits, 4 Periods
College Mathematics
Working knowledge of college-level mathematics and its applications to real-life problems. Emphasis on understanding mathematical concepts and their applications. Topics include set theory, probability, statistics, finance, and geometry. Prerequisites: An appropriate mathematics placement score, OR a grade of "C" or better for MAT090, or MAT091, or MAT092, OR (an appropriate diagnostic score, or a grade of "C" or better in each of the following courses: MAT055, MAT056, and MAT057), or a grade of "C" or better in MAT120, or MAT121, or MAT122.

MAT142 3 Credits, 3 Periods
College Mathematics
College-level mathematics and its applications to real-life problems. Emphasis on understanding mathematical concepts and their applications. Topics include set theory, probability, statistics, finance, and geometry. Prerequisites: An appropriate mathematics placement score, OR a grade of "B" or better for MAT090, or MAT091, or MAT092, OR (an appropriate diagnostic score, or a grade of "B" or better in each of the following courses: MAT055, MAT056, and MAT057), or a grade of "C" or better in MAT120, or MAT121, or MAT122.

MAT150 5 Credits, 5 Periods
College Algebra/Functions
Analysis and interpretation of the behavior and nature of functions including polynomial, rational, exponential, logarithmic, power, absolute value, and piecewise-defined functions; systems of equations, using multiple methods including matrices, modeling and solving real world problems, and defining and illustrating sequences and series. Prerequisites: A grade of "C" or better in MAT120, or MAT121, or MAT122, or satisfactory score on District placement exam.

MAT151 4 Credits, 4 Periods
College Algebra/Functions
Analysis and interpretation of the behavior and nature of functions including polynomial, rational, exponential, logarithmic, power, absolute value, and piecewise defined functions; systems of equations, modeling and solving real world problems. Additional topics may include matrices, combinatorics, sequences and series, and conics. Prerequisites: Grade of "C" or better in MAT120, or MAT121, or MAT122, or equivalent, or satisfactory score on District placement exam. Course Note: Students may receive credit for only one of the following: MAT150, MAT151, MAT152, or MAT187.

MAT182 3 Credits, 3 Periods
Plane Trigonometry
A study of measures of angles, properties of graphs of trigonometric functions, fundamental identities, addition and half angle formulas, inverse trigonometric functions, solutions of trigonometric equations, complex numbers and properties of triangle solution. May receive credit for only one of the following: MAT182 or MAT187. Prerequisites: Grade of "C" or better in MAT150, or MAT151, or MAT152, or equivalent, or concurrent registration in MAT150, or MAT151, MAT152, or satisfactory score on District placement exam.

MAT187 5 Credits, 5 Periods
Precalculus
A precalculus course combining topics from college algebra and trigonometry. Preparation for analytic geometry and calculus. May receive credit for only one of the following: MAT150, MAT151, MAT152, or MAT187. Prerequisites: Grade of B or better in MAT120, or MAT121, or MAT122, or equivalent, or satisfactory score on a placement test. Course Note: Strongly recommended that students have some knowledge of trigonometry. Students may receive credit for only one of the following: MAT150, MAT151, MAT152, or MAT187.

MAT206 3 Credits, 3 Periods
Elements of Statistics
Basic concepts and applications of statistics, including data description, estimation and hypothesis tests. Prerequisites: (A grade of "C" or better in MAT140, or MAT141, or MAT142), or (a grade of "C" or better in MAT150, or MAT151, or MAT152), or equivalent, or satisfactory score on district placement exam.

MAT212 3 Credits, 3 Periods
Brief Calculus
Introduction to the theory, techniques and applications of the differential and integral calculus of functions with problems related to business, life, and the social sciences. Prerequisites: Grade of C or better in MAT150, or MAT151, or MAT152, or MAT187, or appropriate Math placement test score.

MAT213 4 Credits, 4 Periods
Brief Calculus
Introduction to the theory, techniques, and applications of the differential and integral calculus of functions with problems related to business, life, and the social sciences. Prerequisites: Grade of "C" or better in MAT150, or MAT151, or MAT152, or MAT187, or appropriate Math placement test score. Course Notes: Students may receive credit for only one of the following: MAT212 or MAT213.

MAT217 3 Credits, 3 Periods
Mathematical Analysis for Business
An introduction to the mathematics required for the study of business. Includes multivariable optimization, Lagrange multipliers, linear programming, linear algebra, probability, random variables, discrete and continuous distributions. Prerequisites: Grade of C or better in MAT212 or MAT213.

MAT218 4 Credits, 4 Periods
Mathematical Analysis for Business
An introduction to the mathematics required for the study of business. Includes multivariable optimization, Lagrange multipliers, linear programming, linear algebra, probability, random variables, discrete and continuous distributions. Prerequisites: Grade of C or better in MAT212 or MAT213.

MAT220 5 Credits, 5 Periods
Calculus with Analytic Geometry I
Limits, continuity, differential and integral calculus of functions of one variable. Prerequisites: Grade of "C" or better in (MAT150, or MAT151, or MAT152, and MAT182), or MAT187, or equivalent, or satisfactory score on district placement exam. Course Notes: Students may receive credit for only one of the following: MAT220 or MAT221.

MAT225 3 Credits, 3 Periods
Elementary Linear Algebra
Introduction to matrices, systems of linear equations, determinants, vector spaces, linear transformations and eigenvalues. Emphasizes the development of computational skills. Prerequisites: Grade of "C" or better in MAT212 or MAT220, or MAT221, or equivalent.

MAT227 3 Credits, 3 Periods
Discrete Mathematical Structures
Introduction to lattices, graphs, Boolean algebras, and groups. Emphasis on topics relevant to computer science. Prerequisites: A grade of "C" or better in (CSC100 or CSC110) and (MAT220 or MAT221) or permission of Instructor.

MAT230 5 Credits, 5 Periods
Calculus with Analytic Geometry II
Techniques of integration for both proper and improper integrals with applications to the physical and social sciences, elements of analytic geometry, and the analysis of sequences and series. Prerequisites: Grade of C or better in MAT220, or MAT221, or equivalent. Course Note: Student may receive credit for only one of the following: MAT230 or MAT231.

MAT241 4 Credits, 4 Periods
Calculus with Analytic Geometry III
Multivariate calculus including vectors, vector- valued functions, partial differentiation, multiple integration and an introduction to vector fields. Prerequisites: Grade of "C" or better in MAT230 or MAT231. Course Note: Student may receive credit for only one of the following: MAT240 or MAT241.

MAT256 4 Credits, 4 Periods
Investigating Quantity: Number, Operations and Numeration Systems
Explore number, numeration systems and operations on numbers. Techniques of problem solving with an emphasis on exploring a variety of strategies. Use a variety of visualization techniques to develop a conceptual understanding of these topics. Prerequisites: A grade of "C" or better in (MAT150 or MAT151 or MAT152 or higher), or a grade of "C" or better in [(MAT120 or MAT121 or MAT122) and (MAT140 or MAT141 or MAT142 or higher)], or [a grade of "C" or better in (MAT140 or MAT141 or MAT142) and satisfactory score on District placement exam to permit enrollment in (MAT150 or MAT151 or MAT152 or higher)].

MAT257 4 Credits, 4 Periods
Investigating Geometry, Probability and Statistics
Explores geometry, measurement, probability and statistics. Uses visualization, technologies, problem solving, reasoning and proof to develop a conceptual understanding of these topics. Prerequisites: MAT256 or permission of Instructor.

MAT276 4 Credits, 4 Periods
Modern Differential Equations
Introduces differential equations, theoretical and practical solution techniques with applications. Problem solving using MATLAB. Prerequisites: Grade of "C" or better in MAT230, or MAT231, or permission of Department or Division. Course Notes: Students may receive credit for only one of the following: MAT276 or MAT277.

MAT296WA 1 Credit, 5 Periods
MAT296WB 2 Credits, 10 Periods
MAT296WC 3 Credits, 15 Periods
Cooperative Education
Work-college experiences that involve the combined efforts of educators and employers to accomplish an outcome related to the career objectives of the students. Prerequisites: Completion of at least twelve (12) college credits, minimum 2.6 grade point average, and be able to obtain a position related to student's academic or career goals (student's present job may qualify); or permission of instructor. Corequisites: Must be concurrently enrolled in at least one class which is related to student's major or career interest or with permission of the instructor.

Microsoft® Technology

Division: Business/Information Technology
Chair: Dr. Dina Preston-Ortiz
Phone: 602.787.6728

Note: Under the terms and conditions specified in the legal agreement between Microsoft® Corporation and each AATP campus in the Maricopa Community College District, Microsoft requires that "all instructors of Microsoft Official Curriculum and Microsoft Approved Study Guides pass the Microsoft® Certified Professional exam in the product area of the courseware being delivered."

MST140 3 Credits, 4 Periods
Microsoft Networking Essentials
Emphasis on local area network with overview of wide area networks. Includes terminology, hardware and software components, connectivity, network architecture, packet structure, topologies, communication standards and protocols, and security issues. Preparation for Microsoft certification examination. Prerequisites: None. (BPC110 or CIS105, and BPC121AB) suggested but not required. Note: MST140 is a foundation course for all MST courses and will also prepare students for the COMPTIA Network+ Exam.

MST150SV 3 Credits, 4 Periods
Microsoft Windows 7 Configuration
Knowledge and skills necessary to perform installation and day-to-day support of the Microsoft Windows 7 operating system. Prerequisites: None. CIS190, or CNT140AA, or MST140 suggested but not required. Course Notes: Preparation for Microsoft certification examination 70-680.

MST155DA 4 Credits, 5 Periods
Windows Server Network Infrastructure Configuration
Information and skills necessary to design a Microsoft Windows networking services infrastructure design. Includes network foundation design, Internet and private networks connectivity, in addition to functionality security and performance features of networking services. Prerequisites: MST150, or any MST150++ course, or permission of Instructor.

MST158DA 4 Credits, 5 Periods
Windows Server Administration
Knowledge and skills necessary to install, configure, customize, optimize, network, integrate, and troubleshoot Windows Server. Prerequisites: MST155DA, MST156DA, and MST157DA. Course Notes: MST158DA is a preparation for Microsoft 70-646 certification examination.

MST244 3 Credits, 4 Periods
Microsoft® SQL Server Administration
Knowledge and skills required to install, configure, and administer Microsoft SQL server. Preparation for Microsoft certification examination. Prerequisites: Any MST152 course, or MST170, or permission of instructor.

Music: Commercial

Division: Fine & Performing Arts
Chair: Dr. Christopher Scinto
Phone: 602.787.6686

MUC109 3 Credits, 3 Periods
Music Business: Merchandising and the Law
Operation, scope, and career opportunities in the music business. Focuses on music in the marketplace, songwriting, publishing, copyright procedures, and business affairs, agents, artist management, and concert production. Prerequisites: None.

MUC110 3 Credits, 3 Periods
Music Business: Recording & Mass Media
The operation, scope, and career opportunities in the music business. Focuses on the record industry; environmental music; uses of music in radio, telecommunications, and film; and career options. Prerequisites: None.

MUC111 3 Credits, 5 Periods
Digital Audio Workstation I (DAW I)
Use of digital mixing and automation software in conjunction

with editing and recording. Includes computer operation, troubleshooting, and file management. Prerequisites: MUC195 or MUC195AA.

MUC112 3 Credits, 5 Periods
Digital Audio Workstation II (DAW II)
Use of digital mixing and automation software in conjunction with editing and recording. Includes computer operation, troubleshooting, and file management. Prerequisites: MUC111.

MUC135 3.0 Credits, 3.0 Periods
Introduction to Disc Jockey Techniques
Development of beginning level live-performance disc jockey techniques. Emphasis on understanding the construction of industry-formatted dance songs, cueing, segueing/mixing methods, the relationship of beats per minute to segueing, and programming songs to entertain a live audience. Covers the history of the live performance DJ and strategies for soliciting employment in the field. Prerequisites: None.

MUC137 3 Credits, 4 Periods
Digital DJ Performance Techniques
Covers the skills required for live performance employing digital media with an emphasis on programs such as Serato Scratch Live and Ableton Live. Prerequisites: None.

MUC145 2 Credits, 2 Periods
Recording Studio Business Operations
Operation, scope, roles and responsibilities in the commercial music production process. Focuses on the business aspects and daily management of the professional recording studio. Includes strategies for project management, client service, marketing, equipment acquisition, staffing and employment. Prerequisites: None.

MUC194 3 Credits, 3 Periods
Introduction to Audio Mixing Techniques
Approaches in final mixing for different musical genres. Develop critical listening skills, and applying these techniques to students' projects. Professional-type facilities and equipment available for student use. Prerequisites: MUC112 and MUC195 or permission of Instructor.

MUC195 3 Credits, 5 Periods
Studio Music Recording I
Basic principles of studio sound recording. Emphasis on musical acoustics, operation of recording equipment, studio setups, and multitrack recording. Includes studio session process and musical production decisions. Prerequisites: None.

MUC196 3 Credits, 5 Periods
Studio Music Recording II
Emphasis on signal processing equipment, mixing consoles, and advanced musical recording session procedures, production, and engineering. Includes mix down and resultant master tape of a musical recording session. Prerequisites: MUC195 or MUC195AA.

MUC197 3 Credits, 3 Periods
Live Sound Reinforcement I
Basic principles of live sound engineering. Emphasis on signal flow, acoustic, sound reinforcement set-ups and installation, signal processing, microphone selections and placement. Includes setting up sound systems and mixing live music. Prerequisites: None.

MUC198 3 Credits, 3 Periods
Live Sound Reinforcement II
Emphasis on musical production decisions. Front-of-house and monitor console placement, loudspeaker arrangements, power considerations, program material and sound pressure levels. Includes setting up of sound system and mixing live performances with various styles of music. In addition to mixing at alternate locations. Prerequisites: MUC197.

MUC290AA 1 Credit, 1 Period
Music Business Internship
Music Business Internship work experience. Perform a variety of activities, to fulfill the routines and responsibilities of the department or business where the internship is served. Eighty (80) hours of designated work per credit. Prerequisites: Permission of Department or Division.

MUC295 3 Credits, 6 Periods
Studio Music Recording III
Producing and engineering a recording project. Covers how recording studios work and how recording projects are organized from pre-production through delivery of the final mix. Prerequisites: MUC196 and (MUC111 or permission of Instructor).

MUC293 1 Credit, 1 Period
Self Promotion for Music
Career goal development. Includes self-presentation and communication skills, keeping files and records, and developing self-promotional materials. Prerequisites: None.

MUC297AA 1 Credit, 1 Period
Music Internship
Music Internship work experience in a business or industry. Eighty (80) hours of designated work per credit. A maximum of 12 credits allowed. Prerequisites: Permission of department.

MUC297AB 2 Credits, 2 Periods
Music Internship
Music Internship work experience in a business or industry eighty (80) hours of designated work per credit. A maximum of 12 credits allowed. Prerequisites: MUC110.

MUC298AC 3 Credits, 3 Periods
Special Projects
Organized and tailored around the interests and needs of the individual student. Structured to provide an atmosphere of individualized research and study paralleled by professional expertise and guidance. Professionaltype facilities and equipment available for student use. Allows the best aspects of independent study and individualized learning to be combined to maximize student development. Prerequisites: Permission of Program

Director or Instructor.

Music: Humanities & Literature

Division: Fine & Performing Arts
Chair: Dr. Christopher Scinto
Phone: 602.787.6686

MHL140 3 Credits, 3 Periods
Survey of Music History
Study of composers, compositions, styles, and periods in music history. Prerequisites: None.

MHL143 3 Credits, 3 Periods
Music in World Cultures
Non European musical traditions including the study of music in rituals, musical instruments and the impact of cultures on musical styles. Prerequisites: None.

MHL145 3 Credits, 3 Periods
American Jazz and Popular Music
TThe study of cultural and social contributions to the evolution of American jazz and popular music from the mid-1800`s to present. Prerequisites: None.

MHL153 3 Credits, 3 Periods
Rock Music and Culture
History of Rock music and how cultural, social, political, and economic conditions have shaped its evolution. Prerequisites: None.

MHL155 3 Credits, 3 Periods
Survey of American Music
History of the music of North America from the earliest American Indian music to the present. Introduction to the musical trends, composers, socioeconomic developments and trends, musical forms and styles that influence our modern American musical sense. Prerequisites: None.

MHL204 3 Credits, 3 Periods
Hip-Hop Music and Culture
A history of Hip-Hop`s musical and artistic elements and how cultural, social, political, and economic conditions have shaped its evolution. Prerequisites: ENG101, or ENG107, or permission of Instructor.

MHL241 3 Credits, 3 Periods
Music History and Literature to 1750
In depth study of music history from the primitive era through the Baroque period. Prerequisites: MTC155 and MTC156 or permission of Instructor.

MHL242 3 Credits, 3 Periods
Music History and Literature 1750 to Present
In-depth study of music history from the Classical period through the Contemporary period. Prerequisites: MHL241 or permission of Instructor

MHL295 3 Credits, 3 Periods
Topics in Music
Exploration of selected topics in music. Focuses on a theme, era, genre, concept, or critical approach. Analysis and interpretation of topic's representation, development, and significance in a variety subjects related to music humanities. Includes reading, listening analysis and interpretation of music and musical texts.

Music: Performance

Division: Fine & Performing Arts
Chair: Dr. Christopher Scinto
Phone: 602.787.6686

MUP101 1 Credit, 0.6 Periods
Private Instruction (see Music Performance modules)
Private Instruction emphasizing developmental improvement of musicianship and technique from an entering skill level. Four course sequence required of all music majors meeting departmental requirements. Instruction provided on voice, piano, harpsichord, organ, guitar, trumpet, French horn, trombone, baritone horn, tuba, flute, oboe, clarinet, bassoon, saxophone, violin, viola, violoncello, contrabass, bass guitar, percussion, and harp. May be repeated for credit. Prerequisites: None.

MUP102 2 Credits, 1.2 Periods
Private Instruction (see Music Performance modules)
Private Instruction emphasizing musicianship, literature, technique and performance. Four course sequence designed for university transfer equivalency. May be repeated for credit. Prerequisites: None.

MUP151 1 Credit, 0.6 Periods
Private Instruction (see Music Performance modules)
Private Instruction emphasizing developmental improvement of musicianship and technique from an entering skill level. Four course sequence required of all music majors meeting departmental requirements. Instruction provided on voice, piano, harpsichord, organ, guitar, trumpet, French horn, trombone, baritone horn, tuba, flute, oboe, clarinet, bassoon, saxophone, violin, viola, violoncello, contrabass, bass guitar, percussion, and harp. May be repeated for credit. Prerequisites: MUP101 (appropriate module).

MUP152 2 Credits, 1.2 Periods
Private Instruction (see Music Performance modules)
Private Instruction emphasizing musicianship, literature, technique and performance. Four course sequence designed for university transfer equivalency. Instruction provided on voice, piano, harpsichord, organ, guitar, trumpet, French horn, trombone, baritone horn, tuba, flute, oboe, clarinet, bassoon, saxophone, violin, viola, violoncello, contrabass, bass guitar, percussion, and harp. May be repeated for credit. Prerequisites: MUP102 (appropriate module).

MUP201 1 Credit, 0.6 Periods
Private Instruction (see Music Performance modules)
Private Instruction emphasizing developmental improvement of musicianship and technique from an entering skill level. Four course sequence required of all music majors meeting departmental requirements. Instruction provided on voice, piano, harpsichord, organ, guitar, trumpet, French horn, trombone, baritone horn, tuba, flute, oboe, clarinet, bassoon, saxophone, violin, viola, violoncello,

contrabass, bass guitar, harp and percussion. May be repeated for credit. Prerequisites: MUP151 (appropriate module).

MUP202 2 Credits, 1.2 Periods
Private Instruction (see Music Performance modules)
Private Instruction emphasizing musicianship, literature, technique and performance. Four course sequence designed for university transfer equivalency. Instruction provided on voice, piano, harpsichord, organ, guitar, trumpet, French horn, trombone, baritone horn, tuba, flute, oboe, clarinet, bassoon, saxophone, violin, viola, violoncello, contrabass, bass guitar, percussion, and harp. May be repeated for credit. Prerequisites: MUP152 (appropriate module).

MUP251 1 Credit, 0.6 Periods
Private Instruction (see Music Performance modules)
Private Instruction emphasizing developmental improvement of musicianship and technique from an entering skill level. Four course sequence required of all music majors meeting departmental requirements. Instruction provided on voice, piano, harpsichord, organ, guitar, trumpet, French horn, trombone, baritone horn, tuba, flute, oboe, clarinet, bassoon, saxophone, violin, viola, violoncello, contrabass, bass guitar, percussion, and harp. May be repeated for credit. Prerequisites: MUP201 (appropriate module).

MUP252 2 Credits, 1.2 Periods
Private Instruction (see Music Performance modules)
Private Instruction emphasizing musicianship, literature, technique and performance. Four course sequence designed for university transfer equivalency. Instruction provided on voice, piano, harpsichord, organ, guitar, trumpet, French horn, trombone, baritone horn, tuba, flute, oboe, clarinet, bassoon, saxophone, violin, viola, violoncello, contrabass, bass guitar, percussion, and harp. May be repeated for credit. Prerequisites: MUP202 (appropriate module).

MUSIC PERFORMANCE (MUP) MODULES:

101, 102, 151, 152, 201, 202, 251, 252 AA	Voice
101, 102, 151, 152, 201, 202, 251, 252 AD	Piano
101, 102, 151, 152, 201, 202, 251, 252 AM	Guitar
101, 102, 151, 152, 201, 202, 251, 252 AP	Trumpet
101, 102, 151, 152, 201, 202, 251, 252 AS	French Horn
101, 102, 151, 152, 201, 202, 251, 252 AV	Trombone
101, 102, 151, 152, 201, 202, 251, 252 BB	Tuba
101, 102, 151, 152, 201, 202, 251, 252 BE	Flute
101, 102, 151, 152, 201, 202, 251, 252 BH	Oboe
101, 102, 151, 152, 201, 202, 251, 252 BK	Clarinet
101, 102, 151, 152, 201, 202, 251, 252 BN	Bassoon
101, 102, 151, 152, 201, 202, 251, 252 BQ	Saxophone
101, 102, 151, 152, 201, 202, 251, 252 BT	Violin
101, 102, 151, 152, 201, 202, 251, 252 BW	Viola
101, 102, 151, 152, 201, 202, 251, 252 BZ	Violoncello
101, 102, 151, 152, 201, 202, 251, 252 CC	Contrabass
101, 102, 151, 152, 201, 202, 251, 252 CF	Bass Guitar
101, 102, 151, 152, 201, 202, 251, 252 CI	Percussion

Class & Group Instruction

MUP130 2 Credits, 3 Periods
Beginning Group Piano
Basic introduction to playing piano through music reading, chords, rhythmic, and written activities. Designed for those with little or no piano experience. Prerequisites: None.

MUP131 2 Credits, 3 Periods
Class Piano I
Development of beginning piano techniques and the fundamentals of music including basic hand position, music reading skills of melodic and harmonic material, major scales, transposition, and harmonizations including the I, IV, V7 chords. Prerequisites: None.

MUP132 2 Credits, 3 Periods
Class Piano II
Continuation of Piano I with emphasis on elementary piano techniques including major and minor scales, transposition, improvisation, and sight reading. Prerequisites: MUP131 or permission of instructor.

MUP133 2 Credits, 3 Periods
Class Voice I
Introduction to the fundamentals of vocal production. Emphasis on breathing techniques, tone production and performances in class of solo vocal literature. Prerequisites: None.

MUP134 2 Credits, 3 Periods
Class Voice II
Continuation of Class Voice I including the elements of stage presence and diction. Prerequisites: MUP133 or permission of instructor.

MUP161 1 Credits, 3 Periods
Community Band
Emphasis on college/community participation and the preparation of band literature for public performance. Auditions may be required. Prerequisites: None.

MUP164 2 Credits, 3 Periods
Jazz Improvisation I
Theoretical and performance skills in many styles of jazz improvisation.
Prerequisites: None.

MUP225 2 Credits, 3 Periods
Class Guitar I
Emphasis on note-reading and folk-style harmonic accompaniment. Includes finger-style playing. Stresses development of efficient practice techniques and proper sitting and hand positions. Prerequisites: None.

MUP226 2 Credits, 3 Periods
Class Guitar II
Note-reading range including second position and parts of higher positions. Classical, popular, Latin, and other styles of music. Theory including scales, keys, and chord construction. Technical exercises of both hands. Prerequisites: MUP225 or permission of instructor.

MUP227 2 Credits, 3 Periods
Class Guitar III
Additional fingerboard positions. Ensemble techniques and performance. Prerequisites: MUP226 or permission of instructor.

MUP228 2 Credits, 3 Periods
Class Guitar IV
Advanced fingerboard positions. Duet and trio performances. Advanced ensemble techniques. Prerequisites: MUP227 or permission of instructor.

MUP231 2 Credits, 3 Periods
Class Piano III
Development of intermediate piano techniques including selected solo literature, transposition of harmonic patterns, and secondary dominants. Prerequisites: MUP132 or permission of instructor.

MUP232 2 Credits, 3 Periods
Class Piano IV
Continuation of Piano III including modulation techniques, improvisation of piano accompaniments, advanced chromatic harmony, and sight reading of advanced literature. Prerequisites: MUP231 or permission of instructor.

MUP233 2 Credits, 3 Periods
Class Voice III
Interpretive singing through a closer examination of coloring, tone production, dynamics, and tempo indications. Prerequisites: MUP134.

MUP234 2 Credits, 3 Periods
Class Voice IV
Emphasis on the preparation of solo vocal literature for the purpose of evaluation and the integration of the music with the drama of the music. Prerequisites: MUP233 or permission of instructor.

Choir, Ensemble, Orchestra

MUP150 1 Credit, 3 Periods
Community Chorus
A mixed chorus with emphasis on college/community participation and preparation of a variety of choral literature for public performance. Auditions may be required. May be repeated for credit. Prerequisites: None.

MUP153 2 Credits, 5 Periods
Concert Choir
A mixed choir designed to emphasize choral techniques and performance of all styles of choral literature. Public performances are scheduled each semester. Prerequisites: None.

MUP158 1 Credit, 3 Periods
Rock Band
Emphasizes instrumental and vocal techniques and the preparation of all styles of rock band literature. Introduces music business. Requires participation in public and private performances throughout the semester. Prerequisites: Auditions are required.

MUP159 1 Credit, 3 Periods
Community Orchestra
Emphasis on college/community participation and the preparation of orchestral literature for public performance. Auditions may be required. May be repeated for credit. Prerequisites: None.

MUP160 2 Credits, 5 PeriodsOrchestra
A class designed to emphasize orchestral ensemble techniques and the preparation of all styles of orchestral literature. Public performances are scheduled during the year. Auditions may be required. May be repeated for credit. Prerequisites: None.

MUP163 1 Credit, 3 Periods
Jazz Ensemble
Practical and performance experience in various jazz styles. Open to all students on the basis of auditions. May be repeated for credit. Prerequisites: None.

MUP171 2 Credits, 5 Periods
Opera Workshop
A workshop in the study and performance of operatic literature. Open to all students on the basis of auditions. May be repeated for credit. Prerequisites: None.

MUP181 1 Credit, 2 Periods
Chamber Music Ensembles
Practical and performance experience in instrumental, vocal, and mixed ensembles. May be repeated for credit. Prerequisites: None.

MUP181 Chamber Music Ensemble: African Drum 1
MUP181 Chamber Music Ensemble: Brass 1
MUP181 Chamber Music Ensemble: Flute 1
MUP181 Chamber Music Ensemble: Cello 1
MUP181 Chamber Music Ensemble: Guitar 1
MUP181 Chamber Music Ensemble: Jazz 1
MUP181 Chamber Music Ensemble: Jazz Combo 1
MUP181 Chamber Music Ensemble: Jazz Latin 1
MUP181 Chamber Music Ensemble: Jazz Piano 1
MUP181 Chamber Music Ensemble: Multi Media 1
MUP181 Chamber Music Ensemble: Open Score 1
MUP181 Chamber Music Ensemble: Piano - Classical 1
MUP181 Chamber Music Ensemble: Rock Band 1
MUP181 Chamber Music Ensemble: Saxophone 1
MUP181 Chamber Music Ensemble: String 1
MUP181 Chamber Music Ensemble: Union Jazz Institute 1

MUP185 1 Credit, 3 Periods
Flute Choir
Ensemble of the entire flute family that may include piccolo, E flat flute, C flutes, alto flutes, and bass flute. Literature will include commissioned works, original works for standard flute choir, and transcriptions from various musical periods. Prerequisites: Audition or permission of Instructor.

MUP270 2 Credits, 5 Periods
Musical Theatre Workshop
Workshop in the study and performance of Musical Theatre repertoire. Including audition techniques, talent evaluation criticism, rehearsal techniques, vocal acting styles, stage movement, and performance. May be repeated for credit. Prerequisites: None.

Music: Theory & Composition

Division: Fine & Performing Arts
Chair: Dr. Christopher Scinto
Phone: 602.787.6686

MTC101 3 Credits, 3 Periods
Introduction to Music Theory
Designed to develop written and aural skills necessary for advanced study of music theory and skills. Recommended for music majors. Prerequisites: None.

MTC103 2 Credits, 2 Periods
Introduction to Aural Perception
An introduction to the aural skills necessary to hear relationships of intervals, rhythms, melody, and harmony in music. May be repeated for a total of four (4) credit hours. Prerequisites: None.

MTC105 3 Credits, 3 Periods
Music Theory I
The chronological study of music theory including: harmony, melody, texture, structure and timbre through analysis, original compositions and basic exercises to demonstrate musical concepts. Prerequisites: MTC100, or MTC101, or permission of instructor. Corequisites: MTC106.

MTC106 1 Credit, 2 Periods
Aural Perception I
The development of listening and performing skills through dictation, sight singing and keyboard harmony. Prerequisites: None.

MTC113 1 Credit, 1 Period
Songwriting Techniques
Introduction to pop melody writing and harmonic settings. Development of short ideas into complete songs with the use of contrast, variation, and repetition. Consideration of the pros and cons of writing songs with a partner or small group. Prerequisites: None.

MTC155 3 Credits, 3 Periods
Music Theory II
A continuation of Music Theory I with emphasis on harmony and part-writing procedures. Prerequisites: MTC105. Corequisites: MTC156.

MTC156 1 Credit, 2 Periods
Aural Perception II
A continuation of Aural Perception I, including harmonic practices. Prerequisites: None. Corequisites: MTC155.

MTC191 3 Credits, 4 Periods
Electronic Music I
An introduction to producing music with Musical Instrument Digital Interface (MIDI) configurations consisting of computers, printers, synthesizers, and other compatible MIDI instruments. Prerequisites: None.

MTC192 3 Credits, 4 Periods
Electronic Music II
Continued study of the production of music with Musical Instrument Digital Interface (MIDI) configurations. Emphasis on more complex configurations and their applications in song arrangements. Prerequisites: MTC191.

MTC205 3 Credits, 3 Periods
Music Theory III
The study of chromatic harmony and melody, modulation techniques and expanded chords. The analysis of formal structure. Prerequisites: MTC155. Corequisites: MTC206.

MTC206 1 Credit, 2 Periods
Aural Perception III
A development of listening and performing skills, including an introduction of chromatic harmonic techniques and concepts of style. Prerequisites: None. Corequisites: MTC205.

MTC240 3 Credits, 0.6 Periods
Composition
Introduction to the basics of music composition, stressing techniques and procedures for developing original ideas. May be repeated for total of twelve (12) credit hours. Prerequisites: (MTC105 and MTC106, or equivalent), and permission of instructor.

MTC255 3 Credits, 3 Periods
Music Theory IV
A continuation of Music Theory III, including 20th century theories and techniques. Prerequisites: MTC205. Corequisites: MTC256.

MTC256 2 Credit, 2 Periods
Aural Perception IV
A continuation of Aural Perception III, including extended chords. Prerequisites: None. Corequisites: MTC255.

Nursing

Division: Health & Exercise Science
Department: Nursing
Director: Ms. Nelly Peterson
Phone: 602.787.7192

NUR101 1 Credit, 1 Periods
Student Success in Nursing
Individual self-awareness and self management strategies for success with nursing study, clinical reasoning and testing success. Emphasis on the development of prioritizing and delegation skills for the nursing student. Prerequisites: Permission of Instructor.

NUR104AB 1 Credit, 1 Period
Structured Nursing Review
Structured nursing tutorial assistance and nursing study skills to help students achieve success in their respective block of nursing courses. Nursing process and critical thinking application skills emphasized. Prerequisites: None. Corequisites: Concurrent enrollment in the Nursing program or permission of Department Chair. Course Note: Course offered as Credit (P) No credit (Z) basis. NUR104AB may be repeated for a total of eight (8) credits.

NUR106 Lec: 9.0 Credits, 5.5 Periods
Nursing Theory and Science Lab: 0 Credits, 0 Periods
Transition (Paramedic Bridge)
Introduction and utilization of Nurse of the Future competencies

to develop knowledge, skills, and attitudes to provide safe, quality patient care across the wellness-illness continuum in selected medical-surgical and mental health patients. Basic care concepts and nursing process are utilized to meet the needs of adult and older adult patients. Prerequisites: (Arizona or National Paramedic Registry Certificate), acceptance into the Maricopa Nursing advanced placement, NUR187, and (one year current work experience utilizing Paramedic scope of practice or permission of Nursing Department Chairperson).

NUR152 9 Credits, 4 Periods
Introduction of Nurse of the Future competencies as a foundational framework for development of the professional nurse. Basic care concepts and the nursing process are utilized to meet the needs of adult and older adult patients. Prerequisites: Admission into the Nursing Program.

NUR158 Lecture: 6 Credits, 4 Periods
Nurse Assisting Lab: 0 Credits, 6 Periods
Introduction to the role of the nursing assistant for clients across the wellness/illness continuum within the nurse assisting scope of practice. Includes basic problem solving processes specific to meeting the basic and holistic needs of clients, therapeutic communication skills essential for the nursing assistant, interventions to ensure the needs and safety of the client, specific types of diseases, conditions and alterations in behavior of the client, and principles of nutrition and fluid balance. Focus is on special needs of the elder client in the acute and long-term care settings, and basic emergency care skills and procedures. Provides opportunity for the development of clinical competency in the performance of selected nurse assisting skills and procedures through participation in the care of clients. Prerequisites: (A grade of "C" or better in RDG091 or higher RDG reading course or eligibility for CRE101 as indicated by appropriate reading placement test score, or HESI-A2 exam English Composite score of 75% or higher) AND (a grade of "C" or better in MAT082, or eligibility for MAT090 or higher as indicated by appropriate math placement test score, or HESI-A2 exam Math score of 75% or higher). Must provide current Level One DPS Fingerprint Clearance Card, meet pass status on MCCD Background Check, and submit required health and safety documentation.

NUR172 Lecture: 9.0 Credits, 5.5 Periods
Nursing Theory And Science II Lab: 0 Credit, 10.5 Periods
Utilization of Nurse of the Future competencies to develop knowledge, skills, and attitudes to provide safe, quality patient care across the wellness-illness continuum in selected medical-surgical and mental health patients. Prerequisites: (BIO202 and NUR152) or permission of Nursing Department Chair.

NUR252 Lec: 9.0 Credits, 5.5 Periods
Nursing Theory and Science III Lab: 0 Credits, 10.5 Periods
Application of critical thinking strategies related to holistic care of the newborn and childbearing patients. Integration of concepts related to holistic care of adults and older adult patients with selected acute and chronic alterations in health. Integration of professional nursing standards in role development. Utilization of previous knowledge of physical, biologic, psycho-social sciences, and the cultural, spiritual aspects of nursing care. Integration of concepts of nutrition, pharmacology, communication, health promotion, and pathophysiology into nursing care. Prerequisites: (CRE101 and NUR172 and PSY101) or permission of Nursing Department Chair.

NUR283 Lec: 9.0 Credits, 5.5 Periods
Nursing Theory and Science IV Lab: 0 Credits, 10.5 Periods
Applies Nurse of the Future competencies to practice and manage care for the child/family unit and adults requiring complex care throughout the wellness/illness continuum, and prepare for transition from student to professional nurse. Prerequisites: (BIO205 and NUR252) or permission of Nursing Department Chair.

Nursing: Continuing Education

Division: Health & Exercise Science
Department: Nursing
Director: Ms. Nelly Peterson
Phone: 602.787.7192

NCE221 Lec: 2.5 Credits, 2.5 Periods
Patient Care Technician Skills Lab: 0.5 Credit, 1.5 Period
Patient care technician skills and techniques which include: drawing blood, performing a variety of specimen collections, observing and reporting patient status, assisting in patient preparation and electrode placement for electrocardiograms, suctioning patients, performing urinary catheterizations, documentation and reporting of skill completion, maintaining patient confidentiality, and recognizing legal and ethical commitments related to patient care technician skills. Prerequisites: Certified Nurse Assistant (CNA), Nurse Assistant course or equivalent within the past year, and permission of continuing education program director and/or instructor.

NCE224 3 Credits, 3 Periods
Nursing Case Management
Case management and managed care responsibilities, insurance strategies, utilization management, legal and ethical issues, quality improvement and discharge planning. Prerequisites: Registered Nurse (RN) Licensed Practical Nurse (LPN) social worker or permission of Instructor.

NCE298AA 1 Credit, 1 Period
NCE298AB 2 Credits, 2 Periods
NCE298AC 3 Credits, 3 Periods
Special Projects
Organized and tailored around the interests and needs of the individual student. Structured to provide an atmosphere of individualized research and study paralleled by professional expertise and guidance. Professional-type facilities and equipment available for student use. Allows the best aspects of independent study and individualized learning to be combined to maximize student development. COMMON COMPETENCY COURSE. Prerequisites: Permission of Program Director or Instructor.

Office Automation Systems

Division: Business/Information Technology
Chair: Dr. Dina Preston-Ortiz
Phone: 602.787.6728

OAS101 3 Credits, 5 Periods
Computer Typing I: Keyboarding/Formatting
Keyboard mastery; letters, tables, and reports; office production; and manuscripts. Prerequisites: None.

OAS102 3 Credits, 5 Periods
Computer Typing II: Document Production
Arrangement of letters, memos, manuscripts, and tabulation; speed/accuracy improvement. Prerequisites: OAS101 or permission of department/division.

OAS108 3 Credits, 3 Periods
Business English
Comprehensive coverage of correct use of English grammar including spelling, punctuation, capitalization, and number style mechanics in a business context. Prerequisites: None.

OAS125 3 Credits, 3 Periods
Introduction to the Professional Office
Expectations of the professional in the electronic office of today. Realistic and practical coverage of roles, responsibilities, and environment. Prerequisites: None.

OAS181 3 Credits, 3 Periods
Medical Office: Vocabulary
Basic medical vocabulary with emphasis on pronunciation, spelling, and definition. Prerequisites: None.

OAS218 3 Credits, 3 Periods
Law Office Procedures
Law office procedures for general and specialty areas of law, including civil, estate planning and probate, business organizations, real estate, and litigation. Coverage of law office personnel, timekeeping, billing, filing, docket control, research, office equipment, legal forms, ethics, and professional associations. Prerequisites: (LAS101 OAS201 and OAS225) or permission of program director or department chair.

Philosophy

Division: Communication & Humanities
Chair: Dr. Marilyn Cristiano
Phone: 602.787.6567

PHI101 3 Credits, 3 Periods
Introduction to Philosophy
General consideration of human nature and the nature of the universe. Knowledge, perception, freedom and determinism, and the existence of God. Prerequisites: None.

PHI103 3 Credits, 3 Periods
Introduction to Logic
Informal logic, logical fallacies, elementary symbolic logic, analysis of argument forms, and construction of proofs for validity. Prerequisites: ENG101, or ENG107, or equivalent.

PHI105 3 Credits, 3 Periods
Introduction to Ethics
Major theories of conduct. Emphasis on normative ethics, theories of good and evil from Plato to the present. Prerequisites: None.

PHI201 3 Credits, 3 Periods
History of Ancient Philosophy
Historical survey of the intellectual history of the Greco-Roman world, focusing on the philosophical tradition and social/historical context. Prerequisites: None.

PHI213 3 Credits, 3 Periods
Medical and Bio-Ethics
A philosophical consideration of moral problems that arise in relation to medicine and biology, e.g., death, patient's rights and biological experimentation. Prerequisites: None.

Physical Education & Activities

Division: Health & Exercise Science
Chair: Ms. Karen Fehr
Phone: 602.787.7286

PED101AP 1 Credit, 2 Periods
Adapted PE
Fitness for persons with disabilities. Prerequisites: None.

PED101BC 1 Credit, 2 Periods
Boot Camp
Vigorous physical and mental conditioning incorporating cardiovascular,core fitness, strength training, and flexibility. Emphasis will be placed on proper body mechanics and safety. Prerequisites: None.

PED101BE 1 Credit, 2 Periods
Belly Dance
Practice and demonstration of basic belly dance skills and movements. Basic posture and muscularity, primary upper and lower body isolations, footwork, simple combination movements. Rhythms broken down, and at least one prop demonstrated. Basic routine, improvisation, and current styles and trends in belly dance. Belly dance etiquette and attire. Prerequisites: None.

PED101BL 1 Credit, 2 Periods
Ballet
Basics of ballet incorporating steps, poses, and graceful movements including leaps and spins. Prerequisites: None.

PED101BP 1 Credit, 2 Periods
Backpacking
Covers basic skills and techniques of backpacking and the application of these to wilderness travel. Prerequisites: None.

PED101BS 1 Credit, 2 Periods
Body Sculpting
Stretch and strengthen. Emphasizes increasing fitness, muscle tone, and body flexibility. Great for reducing stress. Prerequisites: None.

PED101DF 1 Credit, 2 Periods
Self Defense
Basic self-defense skills, ground-fighting skills, and stand-up fighting capabilities. Modified for all skill levels. Practice is based on real-life experiences and endurance enhanced drills. Develops self confidence. Prerequisites: None.

PED101FL 1 Credit, 2 Periods
Fitness For Life
Learn the basics of designing and implementing a personalized fitness program to meet your needs in the areas of Cardiovascular Fitness, Weight Control, Muscular Strength and Flexibility. Prerequisites: None.

PED101GF 1 Credit, 2 Periods
Group Fitness/Aerobics
Group exercise incorporating a variety of equipment to increase respiration, heart rates, strength, and flexibility. Prerequisites: None.

PED101GO 1 Credit, 2 Periods
Golf
Instruction and practice for all skill levels, beginning through advanced. Assistance on shot making, club selection and etiquette on the course. Prerequisites: None.

PED101HH 1 Credit, 2 Periods
Hip Hop
Basic skills of hip hop with instruction, practice, and performance including proper body mechanics, choreography, and behavioral competencies. Prerequisites: None.

PED101HK 1 Credit, 2 Periods
Hiking
Develop safe and effective hiking skills. Essentials and requirements for safe hiking; proper hiking clothing and attire; impact of hiking on the environment. Prerequisites: None.

PED101KB 1 Credit, 2 Periods
Kickboxing
Techniques to increase muscular endurance and strength, enhance flexibility and increase body awareness and self-confidence. Jabs, kicks, and blocks will be used in this martial arts based workout. Prerequisites: None.

PED101KF 1 Credit, 2 Periods
Kung Fu
Techniques of one of the most comprehensive martial arts in China. Prerequisites: None.

PED101PC 1 Credit, 2 Periods
Physical Conditioning
Exercise program with access to free weights, strength machines and cardio equipment. Prerequisites: None.

PED101PS 1 Credit, 2 Periods
Pilates
Mat based exercise system focused on improving flexibility and strength for the total body. Teaches core control and stabilization while improving postural alignment. Prerequisites: None.

PED101QG 1 Credit, 2 Periods
Qi Gong
Ancient Chinese Qi Gong breathing exercises for healing and opening channels of energy. Includes Power of Positive thought along with relaxation and meditation techniques. Prerequisites: None.

PED101SO 1 Credit, 2 Periods
Soccer
Basic skills and game strategy of soccer. Class emphasis on competition and drills.
Prerequisites: None.

PED101ST 1 Credit, 2 Periods
Strength Training
Introduction to techniques of basic weight training, concentrating on incorporating an exercise regimen for increased strength. Prerequisites: None.

PED101SU 1.5 Credits, 2.5 Periods
SCUBA Diving
Introduction to the theory and practice of SCUBA diving. Course includes lectures, pool dives, open water dives, and SCUBA Certification. Prerequisites: None.

PED101TC 1 Credit, 2 Periods
Tai Chi
Fundamentals of Tai Chi including moves, breathing and meditation. Prerequisites: None.

PED101TE 1 Credit, 2 Periods
Tennis
Basic skills and game strategy of tennis. Class emphasis on competition and drills. Prerequisites: None.

PED101TF 1 Credit, 2 Periods
Track and Field
Instruction and practice in track and field events, running, throwing and jumping. Prerequisites: None.

PED101WT 1 Credit, 2 Periods
Weight Training
Access to Olympic and Free Weights with a qualified instructor. Prerequisites: None.

PED101YG 1 Credit, 2 Periods
Gentle Yoga
A gentle body work class of floor exercises done on a soft foam mat, with some standing postures taught after a few weeks of class. Learn how to release tension through diaphragmatic breathing and relaxing stretching. Prerequisites: None.

PED101YO 1 Credit, 2 Periods
Yoga
Promotion of overall health by strengthening muscles and stimulating glands and organs. Basic postures, breathing and relaxation techniques. Prerequisites: None.

PED101ZU 1 Credit, 2 Periods
Zumba Fitness

Zumba® dynamic fitness program. Fuses hypnotic Latin rhythms and easy to follow moves. Interval training sessions where fast and slow rhythms and resistance training are combined to tone and sculpt while burning fat. Prerequisites: None.

PED102GO 1 Credit, 2 Periods
Golf Intermediate
Improving techniques of putting, chipping, the full swing, rules and scoring will be covered in this class. Prerequisites: None. Prior experience recommended.

PED102HH 1 Credit, 2 Periods
Hip Hop - Intermediate
Intermediate level dance instruction and practice in the skills of hip hop. Emphasis on performance including proper body mechanics, choreography, and behavioral competencies. Prerequisites: None. Prior experience recommended.

PED102PC 1 Credit, 2 Periods
Physical Conditioning - Intermediate
Intermediate level exercise program with access to free weights, strengthmachines and cardio equipment. Not recommended for the beginner. Prerequisites: None. Prior experience recommended.

PED102TC 1 Credit, 2 Periods
Tai Chi - Intermediate
Intermediate level techniques of Tai Chi including moves, breathing and meditation. Prerequisites: None. Prior experience recommended.

PED102TE 1 Credit, 2 Periods
Tennis Intermediate
Improve upon basic skills and game strategy of tennis at the intermediate level. Class emphasis on competition and drills. Prerequisites: None. Prior experience recommended.

PED102TF 1 Credit, 2 Periods
Track And Field Intermediate
To improve upon basic track and field event skills at the intermediate level. Class emphasis on competition and drills. Prerequisites: None. Prior experience recommended.

PED103BS 0.50 Credit, 1 Period
Body Sculpting
Stretch and strengthen. Emphasizes increasing fitness, muscle tone, and body flexibility. Great for reducing stress. Prerequisites: None.

PED103KF 0.50 Credit, 1 Period
Kung Fu Techniques of one of the most comprehensive martial arts in China. Prerequisites: None.

PED103 QG 0.5 Credit, 1 Period
Qi Gong Ancient Chinese Qi Gong breathing exercises for healing andopening channels of energy. Includes Power of Positive thought along with relaxation and meditation techniques. Prerequisites: None.

PED103YR 0.50 Credit, 1 Period
Restorative Yoga
Gentle form of Yoga utilizing props to create fully supported postures and yogic breathing techniques. Also utilizes technique adapted from the ancient tantric practice of nyasa. Slow internal class; focus on stillness and restoration. Prerequisites: None.

PED103ZU 0.50 Credit, 1 Period
Zumba Fitness
Zumba Fitness fuses Latin rhythms and easy to follow choreographed moves. Applies interval training sessions where fast and slow rhythms and resistance training are combined to tone and sculpt while burning fat. Prerequisites: None.

PED114 1.5 Credits, 3 Periods
Fitness
Fitness activity and wellness study to help develop a lifetime of regular exercise, stress management, and proper nutrition. Workout includes warm up/stretch, aerobic exercise, selected strength exercises, and cool down/stretch. Prerequisites: None.

PED115 2 Credits, 4 Periods
Lifetime Fitness
Fitness activity and wellness study to help develop a lifetime of regular exercise, stress management, and proper nutrition. Workout includes warm up/stretch, aerobic exercise, selected strength exercises, and cool down/stretch. Prerequisites: None.

PED116 2 Credits, 4 Periods
Cardiovascular Fitness
Blends an effective warm-up, challenging cardiovascular and strength/endurance training strategies and a relaxing cool-down. Tailored by certified fitness professionals to personal goals. Prerequisites: None.

PED117 2 Credits, 4 Periods
Weight Training for Wellness
Strength training and muscular fitness activity to help develop a lifetime of regular exercise and muscular strength maintenance. Development of full body strength and stability of the body's core musculature, translating to increased power, balance, and functional movement ability including assessment of current strength and goal-specific program design to increase strength and muscular fitness. Prerequisites: None.

PED118 1.5 Credits, 3 Periods
Exercise is Medicine®
Group exercise that is individualized by highly trained fitness professional to help meet personal health enhancement goals. Designed to follow the national initiative, "Exercise is Medicine®", coordinated by the American College of Sports Medicine (ACSM) and the American Medical Association (AMA) to help improve overall health and well-being. Designed for individuals over age 55. Prerequisites: None.

PED191 1 Credit, 2 Periods
Corrective Exercise for Athletes: Basic
Evaluation of functional movement ability and corrective activity to improve specific functional movements. Optimize functional

movement abilities by designing corrective activity to improve weaknesses, correct imbalances and asymmetries in order to contribute to athletic and fitness performance.
Prerequisites: None.

PED201TC 1 Credit, 2 Periods
Tai Chi - Advanced
Advanced level techniques of Tai Chi including moves, breathing and meditation. Prerequisites: None. Prior experience at competitive level recommended

Physics

Division: Science
Department: Physical Sciences
Chair: Dr. Scott Massey
Phone: 602.787.6644

PHY101 Lecture: 4 Credits, 3 Periods
Introduction to Physics Lab: 0 Credit, 3 Periods
A survey of physics emphasizing applications of physics to modern life. Prerequisites: Grade of "C" or better in MAT090, or MAT091, or MAT092, or MAT093, or equivalent, or satisfactory score on Math Placement exam. Course Note: Students may receive credit for only one of the following: PHY101 or PHY101AA.

PHY111 Lecture: 4 Credits, 3 Periods
General Physics I Lab: 0 Credit, 3 Periods
Includes motion, energy, and properties of matter. Prerequisites: MAT182 or MAT187 or MAT220 or MAT221 or eligibility for MAT220 as indicated by appropriate placement test score or one year high school Trigonometry with a grade of "C" or better or permission of Department or Division.

PHY112 Lecture: 4 Credits, 3 Periods
General Physics II Lab: 0 Credit, 3 Periods
Includes electricity, electromagnetism, and modern physics. Prerequisites: PHY105 or PHY111.

PHY121 Lecture: 4 Credits, 3 Periods
University Physics I: Mechanics Lab: 0 Credit, 3 Periods
Kinematics, Newton's laws, work, energy, momentum, conservation laws, dynamics of particles, solids, fluids, mechanical waves, and sound. Prerequisites: MAT220, or MAT221, or permission of Department or Division. One year of High School physics or PHY111 and PHY112 suggested but not required.

PHY131 Lecture: 4 Credits, 3 Periods
University Physics II: Lab: 0 Credit, 3 Periods
Electricity and Magnetism
Electric charge and current, electric and magnetic fields in vacuum and in materials, and induction. AC circuits, displacement current, and electromagnetic waves. Prerequisites: MAT230, or MAT231, or permission of Department or Division, and PHY121. Corequisites: MAT241 or permission of Department or Division.

Political Science

Division: Social Science
Chair: Dr. Doss Powell, Jr.
Phone: 602.787.6681

POS100 3 Credits, 3 Periods
Introduction to Political Science
Introduction to the discipline of political science and its relation to other disciplines with emphasis on the major philosophies and institutions of government. Prerequisites: None.

POS110 3 Credits, 3 Periods
American National Government
Study of the historical backgrounds, governing principles, and institutions, of the national government of the United States. Prerequisites: None.

POS120 3 Credits, 3 Periods
World Politics
Introduction to the principles and issues relating to the study of international relations. Evaluation of the political, economic, national, and transnational rationale for international interactions. Prerequisites: None.

Fall 2017 POS210 description and prerequisite::
POS210 3 Credits, 3 Periods
Political Ideologies
Survey of twentieth century nondemocratic ideologies and movements with emphasis on Marx, Lenin, Mussolini, Hitler, Stalin and Mao. Prerequisites: None.

Effective Spring 2018 POS210 description and prerequisite are::
POS210 3 Credits, 3 Periods
Political Ideologies
An exploration of the diversity of textual, historical, and cultural traditions of the political thought that has shaped the human experience. Prerequisites: (A grade of "C" or better in RDG091 or eligibility for CRE101 as indicated by appropriate reading placement test score) and (a grade of "C" or better in ENG091 or eligibility for ENG101 as indicated by appropriate writing placement test score).

POS220 3 Credits, 3 Periods
U.S. and Arizona Constitution
Examination of the United States Constitution and the constitution and government of the State of Arizona. Prerequisites: None.

POS221 1 Credit, 1 Period
Arizona Constitution
Examination of the Constitution of the State of Arizona. Equivalent to the second part of POS220. May not enroll in POS220 and POS221 concurrently. Prerequisites: None.

POS222 2 Credits, 2 Periods
U.S. Constitution
Examination of the United States Constitution. Equivalent to the first part of POS220. May not enroll in POS220 and POS222 concurrently. Prerequisites: None.

Psychology

Division: Behavioral Science
Chair: Mr. Doug Berry
Phone: 602.787.7113

PSY101 3 Credits, 3 Periods
Introduction to Psychology
To acquaint the student with basic principles, methods and fields of psychology such as learning, memory, emotion, perception, physiological, developmental, intelligence, social and abnormal. Prerequisites: None.

PSY132 3 Credits, 3 Periods
Psychology and Culture
Presents current knowledge about human diversity in behavior and culture using examples from a variety of contexts within western and global societies. Highlights topics in cross-cultural psychology, such as intergroup relations, diverse cognitive styles, ethnocentrism, gender, personality, emotion, language, communication, work and health. The role of enculturation throughout the lifespan will be explored to increase awareness of how behavioral and cognitive principles affect interactions in a multicultural world. Prerequisites: None.

PSY215 3 Credits, 3 Periods
Introduction to Sport Psychology
Application of the physiological, behavioral, social, cognitive, and humanistic perspectives in psychology to sport. Includes topics such as optimal performance, correlation, motivation, co action effect, self actualization, psycho behavioral techniques, self efficacy, and the general health benefits of sport participation. Prerequisites: PSY101 with a grade of C or better, or permission of Instructor.

PSY230 3 Credits, 3 Periods
Introduction to Statistics
An introduction to basic concepts in descriptive and inferential statistics, with emphasis upon application to psychology. Consideration given to the methods of data collection, sampling techniques, graphing of data, and the statistical evaluation of data collected through experimentation. Required of psychology majors. Prerequisites: PSY101 with a grade of "C" or better and MAT092 or equivalent, or permission of Instructor.

PSY231 1 Credit, 1.7 Periods
Laboratory for Statistics
Applications of inferential and descriptive statistics to computers in the field of psychology. Prerequisites: None. Corequisites: PSY230

PSY235 3 Credits, 3 Periods
Psychology of Gender
To assess historical and psychological perspectives on women and men and to evaluate contemporary viewpoints regarding the psychology of women and men. Prerequisites: PSY101 with a grade of C or better or permission of Instructor.

PSY240 3 Credits, 3 Periods
Developmental Psychology
Human development from conception through adulthood. Includes: physical, cognitive, emotional and social capacities that develop at various ages. Recommended for students majoring in nursing, education, pre med, and psychology. Prerequisites: PSY101 with a grade of C or better, or permission of Instructor.

PSY250 3 Credits, 3 Periods
Social Psychology
The scientific study of how people's thoughts, feelings, and behaviors are influenced by other people and situations. Includes how we think about ourselves and others, persuasion and influence, sexual and romantic attraction, friendship and helping others, aggression and prejudice. Prerequisites: PSY101 with a grade of C or better, or permission of Instructor.

PSY260 3 Credits, 3 Periods
Psychology of Personality
Introduction to theories of personality with emphasis upon application of specific theories towards the understanding of individuals. Prerequisites: PSY101 with a grade of C or better, or permission of Instructor.

PSY266 3 Credits, 3 Periods
Abnormal Psychology
Distinguishes between normal behavior and psychological disorders. Subjects may include stress disorders, problems with anxiety and depression, unusual and abnormal sexual behavior, schizophrenia and addictive behaviors. Causes and treatments of psychological problems and disorders are discussed. Prerequisites: PSY101 with a grade of C or better, or permission of Instructor.

PSY267 3 Credits, 3 Periods
Introduction to Forensic Psychology
Overview of the practice of psychology in the law, by the law, and of the law. Focuses on the complementary functions and distinctions between psychology and the legal justice system. Topics include, but are not limited to, criminal investigations, risk and level of danger, competency, interrogations, confessions, assessment, eyewitness testimony, child custody, and domestic violence. Prerequisites: PSY101.

PSY277 3 Credits, 3 Periods
Psychology of Human Sexuality
Survey of psychological and physiological aspects of human sexual behavior. Emphasis placed on the integration of the cognitive, emotional, and behavioral factors in sexual functioning. Prerequisites: PSY101 with a grade of C or better or permission of instructor Student must be 18 years or older.

PSY280 3 Credits, 3 Periods
Industrial/Organizational Psychology
The application of psychological principles to business and industry practices including organizational structure, leadership, personnel, employee stress and conflict, workplace conditions and job performance. Prerequisites: PSY101 with a grade of "C" or better, or permission of Instructor.

PSY290AB Lecture: 4 Credits, 3 Periods
Research Methods Lab: 0 Credits, 3 Periods
Planning, execution, analysis, and written reporting of psychological research using American Psychological Association guidelines (APA). Surveys the literature, procedures, and instruments in representative areas of psychological research. Prerequisites: ENG101, ENG107. Prerequisites or Corequisites: PSY230 with a grade of "C" or better, or permission of Instructor.

Reading

Division: English
Chair: Ms. Christine Tabone
Phone: 602.787.6798

RDG071 3 Credits, 3 Periods
Basic Reading
Provide opportunities for practice and application of basic reading skills. Includes phonic analysis, word recognition, structural analysis, use of context clues, and use of dictionary, reinforced through practical application. Development of vocabulary required for success in content area courses. Emphasis on literal comprehension and development of inferential interpretation. Prerequisites: Appropriate reading placement test score, or grade of "C" or better in ESL/RDG046, or permission of Instructor.

RDG081 3 Credits, 3 Periods
Reading Improvement
Designed to improve basic reading skills. Includes word recognition, interdisciplinary vocabulary development, recognizing patterns of organization, interpreting inference. Reviews interpreting graphic materials. Emphasis on identifying main ideas and related details. Prerequisites: Appropriate reading placement test score, or grade of "C" or better in RDG071, or permission of Instructor.

RDG095 6 Credits, 6 Periods
Intensive Foundations for College Reading
Accelerated format to improve basic reading skills, study skills, and information literacy skills including vocabulary development, main idea identification, patterns of organization recognition, and comprehension improvement. Prerequisites: Appropriate reading placement test score, or a grade of "B" or better in RDG071, or permission of Instructor.

RDG100 3 Credits, 3 Periods
Successful College Reading
Emphasis on reading study strategies for any introductory class in any subject area. Introduction to Learning Management System (LMS), how to successfully read course textbooks and assessments, how to navigate information technology and development of academic vocabulary. PPrerequisites: A grade of "C" or better in RDG081 or appropriate reading placement score or permission of Instructor. Corequisites: Any 100-level course in another content area or permission of Instructor.

Reading: Critical & Evaluative

Division: English
Chair: Ms. Christine Tabone
Phone: 602.787.6798

CRE101 3 Credits, 3 Periods
College Critical Reading and Critical Thinking
Develop and apply critical thinking skills through critically reading varied and challenging materials. Includes analysis, evaluation, interpretation, and synthesis through at least two substantial writing and/or speaking tasks. Prerequisites: (A grade of "C" or better in ENG101 or ENG107) and (appropriate reading placement test score or a grade of "C" or better in RDG091 or RDG095 or RDG100 or RDG111 or RDG112 or RDG113 or permission of Instructor).

Real Estate

Division: Business/Information Technology
Chair: Dr. Dina Preston-Ortiz
Phone: 602.787.6728

REA179 3 Credits, 3 Periods
Real Estate Principles I
Basics of real estate principles including introduction to the profession and license law, definition of real property, legal descriptions, rights and interests in property, ownership, contracts, real estate economics, financing and foreclosure, land use, and valuation. Prerequisites: None.

REA180 3 Credits, 3 Periods
Real Estate Principles II
Advanced work in real estate including escrow procedures and title insurance, liens and encumbrances, advanced contracts, water rights, toxic waste and environmental hazards, agency, ethics and professional relationships, real estate code and the Commissioner's rules, investment, property management, and government restrictions. Prerequisites: REA179 or permission of Instructor.

Recreation

Division: Health & Exercise Science
Chair: Ms. Karen Fehr
Phone: 602.787.7286

REC120 3 Credits, 3 Periods
Leisure And The Quality Of Life
Overview of the historical, psychological, social, and cultural aspects of play, leisure, and recreation and their role in contemporary society. Nature of play and leisure behavior in human development within different cultures and the contribution play, recreation, and leisure make to the quality of life for individuals in today's society. Prerequisites: None.

REC155AA 1 Credit, 2 Periods
Canyoneering
Basic canyoneering skills. Includes hydrology, navigation, safety systems, climbing and hiking skills, wading/swimming techniques and flood/weather identification. Prerequisites: None.

REC155AB 1 Credit, 2 Periods
Caving
Basic caving skills. Includes cave ecology, navigation, safety systems, lighting systems and equipment selection. Prerequisites: None.

REC155AC 1 Credit, 2 Periods
Outdoor Rock Climbing
Basic outdoor rock climbing skills. Includes belaying, climbing techniques, rope systems and anchor systems. Prerequisites: None.

REC155AE 1 Credit, 2 Periods
Indoor Rock Climbing
Basic indoor rock climbing skills. Includes belaying, climbing techniques, rope systems, anchor systems and safety. Prerequisites: None.

REC155AJ 1 Credit, 2 Periods
Outdoor Survival
Introduction to and practice of essential skills needed for procuring shelter, water and fire in a wilderness environment. Prerequisites: None.

REC230 3 Credits, 3 Periods
Programming of Recreation Services
Foundations for designing, planning, delivering and managing recreational and leisure events. Emphasis on application of recreation programming concepts and practices in a variety of settings and situations for a diversity of participants. Prerequisites: None.

Religious Studies

Division: Communication & Humanities
Chair: Dr. Marilyn Cristiano
Phone: 602.787.6567

REL100 3 Credits, 3 Periods
World Religions
The development of various religions from the prehistoric to modern times. Political, economic, social and geographic relationships among world religions. Consideration of both Eastern and Western religions. Prerequisites: None

REL101 3 Credits, 3 Periods
Introduction to Religion
Various religious expressions of humankind. Focuses on basic religious themes common to religions, such as encounter with the Holy, search for self and community, mystical illumination, spiritual discipline. Prerequisites: None.

REL201 3 Credits, 3 Periods
Classics of Western Religions
Academic study of the scriptures of Judaism, Christianity and Islam, and works from later phases of these religious traditions. Prerequisites: None.

REL203 3 Credits, 3 Periods
American Indian Religions
Tribal traditions of the peoples native to North America, and pan Indian religions in the twentieth century. Prerequisites: ENG101, or ENG107, or equivalent.

Sign Language

Division: Communication & Humanities
Chair: Dr. Marilyn Cristiano
Phone: 602.787.6567

SLG101 4 Credits, 4 Periods
American Sign Language I
Introduction of principles, methods, and techniques for communicating with deaf people who sign. Development of expressive and receptive sign skills, manual alphabet, numbers, and sign vocabulary. Overview of syntax, grammar, and culture related to American Sign Language (A.S.L.). Prerequisites: None. SLG103 suggested as a corequisite but not required.

SLG102 4 Credits, 4 Periods
American Sign Language II
Continued development of knowledge and language skills for communicating with deaf people who sign. Includes numbers, fingerspelling, and culture. Emphasis on enhancement of receptive sign skills and continued development of expressive sign skills. Application of rudimentary, syntactical, and grammatical structure stressed with continued development of sign vocabulary. Prerequisites: SLG101 with a grade of "C" or better, or permission of Department or Division. Completion of prerequisites within the last three years is required.

SLG201 4 Credits, 4 Periods
American Sign Language III
Linguistics of American Sign Language (A.S.L.) including non-manual behaviors and signing English idioms with conceptual accuracy. Emphasis on practical application of A.S.L. skills, expanded vocabulary, and cross-cultural communication. Prerequisites: SLG102 with a grade of C or better, or permission of Department or Division. Suggested but not required: (ENG101 or ENG107) and (CRE101, or CRE111, or exemption by score on the reading placement test (ASSET)). Completion of prerequisites within the last three years is required.

SLG202 4 Credits, 4 Periods
American Sign Language IV
Advanced American Sign Language skills including continued vocabulary. Emphasis on conversational techniques in a cross-cultural framework. Continued work on conceptual accurate signing of English idioms and words with multiple meanings Prerequisites: SLG201 with a grade of C or better, or permission of Department or Division. Suggested but not required: (ENG101 or ENG107), SLG200, and (CRE101, or CRE111, or exemption by score on the reading placement test). Completion of prerequisites within the last three years is required.

Small Business Management

See Business, General

Social Work

Division: Behavioral Science
Chair: Mr. Doug Berry
Phone: 602.787.7113

SWU102 3 Credits, 3 Periods
Introduction to Social Work
An introduction to the fields within the area of social work through a study of the disciplines of social case work, social group work, and community organization. Opportunities to experience the various techniques of practice within each discipline. Required for students enrolled in the associate degree program of the social work curriculum. Prerequisites: Eligibility for ENG101 and CRE101.

SWU258 3 Credits, 3 Periods
Victimology and Crisis Management
Victimology, the criminal justice system, techniques of crisis intervention, and the importance of a multicultural and global perspective. Includes sexual assault, family violence, post-traumatic stress disorder, the role of substance abuse, effective coping skills, appropriate community resources and the responsiveness of the justice system. Prerequisites: None.

Sociology

Division: Behavioral Science
Chair: Mr. Doug Berry
Phone: 602.787.7113

SOC101 3 Credits, 3 Periods
Introduction to Sociology
Fundamental concepts of social organization, culture, socialization, social institutions and social change. Prerequisites: None.

SOC212 3 Credits, 3 Periods
Gender and Society
A study of the way culture shapes and defines the positions and roles of both men and women in society. Major emphasis on social conditions which may lead to a broadening of gender roles and a reduction of gender role stereotypes and the implications of these changes. Open to both men and women. Prerequisites: None.

SOC241 3 Credits, 3 Periods
Race and Ethnic Relations
Examines how the social construction of race shapes social interaction and social institutions. Explores the consequences of power, privilege and oppression among major ethnic and racial groups in the United States. Prerequisites: None.

SOC270 3 Credits, 3 Periods
The Sociology of Health and Illness
Roles of health care providers and patients, various modalities of treatment and prevention, and the history, current status, and future trends in medicine and medical technology, and complementary health approaches from a cross-cultural and global sociological perspective. Prerequisites: None.

Spanish

Division: Communication & Humanities
Chair: Dr. Marilyn Cristiano
Phone: 602.787.6567

SPA101 4 Credits, 4 Periods
Elementary Spanish I
Basic grammar, pronunciation and vocabulary of the Spanish language. Includes the study of the Spanish speaking cultures. Practice of listening, speaking, reading, and writing skills. Prerequisites: None.

SPA102 4 Credits, 4 Periods
Elementary Spanish II
Continued study of grammar and vocabulary of the Spanish language and study of the Spanish-speaking cultures. Emphasis on speaking, reading, and writing skills. Prerequisites: (A grade of "C" or better in SPA101 or SPA101AA), or permission of Department or Division. Completion of prerequisites within the last three years is required.

SPA117 3 Credits, 3 Periods
Health Care Spanish I
Basic conversational Spanish for health care workers or students. Emphasis on basic sentence structure, pronunciation and vocabulary used in health care settings. Prerequisites: None.

SPA118 3 Credits, 3 Periods
Health Care Spanish II
Basic conversational Spanish for health care personnel or students. Emphasis on basic sentence structure, pronunciation, and vocabulary used in health care settings. Prerequisites: SPA117 or permission of Department or Division. Completion of prerequisites within the last three years is required.

SPA201 4 Credits, 4 Periods
Intermediate Spanish I
Continued study of essential Spanish grammar and Spanish-speaking cultures. Continued practice and development of reading, writing, and speaking skills in Spanish. Emphasis on fluency and accuracy in spoken Spanish. Prerequisites: A grade of "C" or better in SPA102, or SPA102AA, or SPA111, or permission of Department or Division. Completion of prerequisites within the last three years is required.

SPA202 4 Credits, 4 Periods
Intermediate Spanish II
Review of grammar, continued development of Spanish language skills with continued study of the Spanish-speaking cultures. Prerequisites: A grade of "C" or better in SPA201, or permission of Department or Division. Completion of prerequisites within the last three years is required.

Spanish Humanities

Division: Communication & Humanities
Chair: Dr. Marilyn Cristiano
Phone: 602.787.6567

SPH245 3 Credits, 3 Periods
Hispanic Heritage in the Southwest
A survey of Hispanic heritage in the Southwest. Cultural and social institutions and their contribution to the development of the region and its heritage. Prerequisites: None.

Sustainability/Natural Sciences

Division: Health & Exercise Science
Chair: Ms. Karen Fehr
Phone: 602.787.7286

SUS100 3 Credits, 3 Periods
Introduction to Sustainability
Introduction to the basic concepts of sustainability. Includes challenges of land, ocean, and resource management as well as the built environment. Also covers connections between global, local and personal sustainability challenges and responses at each level. Prerequisites: None.

SUS110 3 Credits, 3 Periods
Sustainable World
Introduction to the field of sustainability and exploration of the interaction between human and natural global systems. Framework for analyzing and investigating the global challenges such as land use change, competition for water and other natural resources, and renewable energy concerns and crises. Prerequisites: None.

Sustainability/Social Sciences and Humanities

Division: Health & Exercise Science
Chair: Ms. Karen Fehr
Phone: 602.787.7286

SSH111 3 Credits, 3 Periods
Sustainable Cities
Introduction to the field of sustainability and exploration of the practices leading to the development of sustainable cities. Explores the concept of sustainable development of cities within local, regional, and global contexts. Prerequisites: None.

Theatre

Division: Fine & Performing Arts
Chair: Dr. Christopher Scinto
Phone: 602.787.6686

THE111 3 Credits, 3 Periods
Introduction to Theatre
A survey of theatre, including basic elements and principles of production, styles, and/or historical perspectives of theatre, dramatic literature, and criticism. Prerequisites: None.

THE220 3 Credits, 3 Periods
Modern Drama
Analysis of dramatic literature studied within political, historical, and cultural contexts and examined from the perspective of the playwright's structure and style. Prerequisites: ENG101 or ENG107 or equivalent.

Theatre & Film

Division: Fine & Performing Arts
Chair: Dr. Christopher Scinto
Phone: 602.787.6686

THF115 3 Credits, 4 Periods
Makeup for Stage and Screen
Purposes, materials, and techniques of makeup for stage and screen. Prerequisites: None.

THF130 3 Credits, 4 Periods
Combat for Stage and Screen
Fundamental techniques and terminology of staged combat with and without weapons. Analysis and performance of safely choreographed violence that tells a story for stage and screen. Prerequisites: None.

THF209 3 Credits, 4 Periods
Acting for the Camera
Special technical aspects of acting before a camera. Prerequisites: THP112 or permission of Instructor.

THF219 3 Credits, 4 Periods
Advanced Acting for the Camera
Focuses on special technical aspects of advanced acting before a camera. Prerequisites: THF209 or permission of Instructor.

Theatre Performance/Production

Division: Fine & Performing Arts
Chair: Dr. Christopher Scinto
Phone: 602.787.6686

THP112 3 Credits, 4 Periods
Acting I
Fundamental techniques and terminology of acting through physical and vocal expression, improvisation, and monologue and scene work. Emphasis on characterization. Prerequisites: None.

THP131 3 Credits, 4 Periods
Stage Movement
Movement skills for the actor to develop a flexible, expressive physical instrument. Includes pantomime, physical isolation, and awareness exercises. Prerequisites: None.

THP151 3 Credits, 4 Periods
Theatre for Youth
Principles and techniques of selecting plays, adapting stories, playwriting, directing, designing, producing, and acting in theatre for youth. The course will provide the opportunity to analyze and experience the production process from creating a script to performing a theatre production for a youth audience.

THP201AA 1 Credit, 2 Periods
Theatre Production I
Designed to give college credit to the cast and technical production crews of college theatre productions. May be repeated for up to a maximum of four (4) credits. Prerequisites: None.

THP201AB 2 Credits, 4 Periods
Theatre Production II
Designed to give college credit to the cast and technical production crews of college theatre productions. May be repeated for up to a maximum of four (4) credits. Prerequisites: None.

THP212 3 Credits, 4 Periods
Acting II
Fundamental techniques of acting through script analysis, rehearsal, and performance. Prerequisites: THP112 or permission of Department or Division.

THP213 3 Credits, 5 Periods
Introduction To Technical Theatre
Procedures of technical theatre production and demonstration. Topics include design and construction of scenery; lighting and properties. Prerequisites: None.

THP214 3 Credits, 4 Periods
Directing Techniques
Contemporary theory and practice in directing, the evolution of present-day directing procedures, and a sampling of scripts for directing practice. Principles of script analysis, blocking, casting, rehearsing, and performing. Prerequisites: THP112 or THE220, or permission of Instructor.

THP216 3 Credits, 4 Periods
Beginning Stage Lighting
Basic theories and methods of stage lighting for all production types. Emphasis on technical/theoretical facts, artistic/design concept development, and teamwork structure of theatre. Examines stage lighting optics, instrument selection and application, color theory, circuiting and control systems, and basic design. Prerequisites: THP213 or permission of Instructor.

THP217 3 Credits, 4 Periods
Introduction to Design Scenography
The role of the theatre designer in creating scenic, lighting, costume, sound, and multimedia effects for stage productions. Elements of the design process and communication of dramatic themes and visions to the audience. Prerequisites: None.

THP226 3 Credits, 4 Periods
Introduction to Puppetry
Use of different types of puppets in a variety of performance settings. Practical experience with diverse audiences. Prerequisites: None.

THP226 3 Credits, 3 Periods
Theatrical Design: Costuming
Basic techniques involved in researching, designing, and constructing costumes for the stage. Prerequisites: None.

THP265 3 Credits, 6 Periods
Introduction to Stage Management
The focus of this course is the role of the stage manager. Topics include all aspects of preparation and implementation of rehearsals and performances for the stage manager position. Prerequisites: None.

THP268 3 Credits, 5 Periods
Opportunities in Production
Provides the continuing design student, dramaturge, stage managementand technical director students with opportunities to expand the versatility of professional skills. Emphasis on relating their work to the total production process. Linking design ideas to production concept. Maintain dramaturge, stage manager documentation. Practical application of student work for portfolio development.

THP270 2 Credits, 5 Periods
Musical Theatre Workshop
Workshop in the study and performance of Musical Theatre repertoire. Including audition techniques, talent evaluation criticism, rehearsal techniques, vocal acting styles, stage movement, and performance. Prerequisites: None.

THP271 3 Credits, 3 Periods
Voice and Diction
Exercises and techniques to free the voice and improve projection, resonance, and articulation. Covers international phonetic alphabet and standard stage speech. Prerequisites: None.

THP298AA 1 Credit, 1 Period
THP298AC 3 Credits, 3 Periods
Special Projects
Organized and tailored around the interests and needs of the individual student. Structured to provide an atmosphere of individualized research and study paralleled by professional expertise and guidance. Professional type facilities and equipment are made available for student use. Allows the best aspects of independent study and individualized learning to be combined to maximize student development. Prerequisites: Permission of Program Director or Instructor.

Wellness

Division: Health & Exercise Science
Chair: Ms. Karen Fehr
Phone: 602.787.7286

WED105 0.5 Credit, 0.5 Period
Minimizing Workplace Stress
Introduction of the application of Practical Relaxation Techniques for reducing workplace stress. Defines the characteristics, process and signs of worplace stress. Includes discussions of the physiology of stress and how these responses impact daily living. Use of the biofeedback instruments to monitor the relaxation techniques such as self hypnosis, visualization, guided imagery, and meditation. Prerequisites: None.

WED151 3 Credits, 3 Periods
Introduction To Alternative Medicine
Definition of health; exploration of mind body spirit connection in health; various therapeutic modalities; identification of strengths and limitations of alternative therapies. Also includes development of ability to critically review written material in the alternative therapy area. Prerequisites: None.

WED162 1 Credit, 1 Period
Meditation And Wellness
Physiology of meditation and its effects on physical and mental health; scholastic abilities and interpersonal relationships; differentiation between meditation and other relaxation techniques. Prerequisites: None.

WED172 1 Credit, 1 Period
Overview Of Herbal Remedies
History and evolution of herbs for healing applications. Preparation, usage, and effects of certain herbs used for healing purposes. Basic literature review skills in the area of herbal medicine. Prerequisites: None.

WED182 2 Credits, 2 Periods
Health Conditions and Popular Herbs
In-depth look at some of today's most popular herbs and their relationship to specific health conditions. Emphasis on research skills in relation to popular herbs. Includes the effects, uses, and application strategies of herbs. Prerequisites: None. WED172 suggested but not required.

WED257 2 Credits, 2 Periods
Kinetic Meditation
Focuses on posture, body movement, and energy centered meditations. In depth discussion of Chinese Chi Kung exercises and Chi Meditation. Reviews influence of Taoist and Buddhist philosophies on Chi Kung practice and stress management. Explores Kinetic Meditations, and scientific research into health benefits of Chi Kung practice. Prerequisites: WED151, WED162, PED101DD and (PED101VR or PED101YJ), or permission of department.

WED258 2 Credits, 2 Periods
Auditory Meditation
Focuses on the East Indian Yogic (Siddha) and Ayurvedic (Transcendental) meditation traditions and use of mantras, sounds and music in meditation. Discussion of the Vedanta System of Philosophy and the Bhagavad Gita. Explores the history and popularity of auditory meditations, and scientific research into the health benefits of Transcendental Meditation (TM) and other auditory meditations. Prerequisites or Corequisites: WED257 or permission of department.

WED 275 3 Credits, 15 Periods
Practicum: Teaching Healing, Meditation & Stress Management
Application, teaching, and training of fundamental healing meditation and stress management techniques. Prerequisites: WED259 and permission of instructor.

THE SUN SYSTEM COURSES

The SUN System is a college course numbering system designed to help Arizona students plan their education and ensure successful transfer of course credits. Refer to http://www.aztransfer.com/sun for more information.

Detailed information on degrees, transfer programs, course equivalency information, general education requirements, assessment, success seminars, and career information is available in the Advisement Center. We recommend that you consult with an advisor prior to registration.

PVCC HONORS PROGRAM

MISSION: The mission of the Paradise Valley Community College Honors Program is to provide promising scholars with challenging, innovative, and enriching learning opportunities within a close community comprised of faculty mentors and Honors students. In this atmosphere, our students learn to think critically, communicate effectively, and act with integrity. PVCC's Honors scholars are encouraged to take full responsibility for their journey of life-long learning and to excel in scholarship, leadership, and civic responsibility.

ELIGIBILITY: Recent high graduates may qualify for The Presidents' Honors Scholarship covers in-state/in-county tuition up to 15 credit hours (plus the $15 registration fee) per semester, but does not apply to summer sessions. To be eligible, students must enroll at the Maricopa Community College of your choice in the academic year (two academic semesters) following high school requirements without having attended another accredited college or university before enrolling in a Maricopa Community College (summer session excluded).

ELIGIBILITY REQUIREMENTS: Students submitting the Presidents' Honors Scholarship application must be able to show legal presence in the United States and fall under one of the following pathways to be eligible for the scholarship:

1. Verified rank in the top 20 percent of an NCA-accredited Maricopa County high school class in the sixth, seventh, or eighth semester AND at the time of application, have either tested into at least ENG 101 (with a minimum Write Placer score of 5 or higher), MAT 120, and CRE 101, or have successfully completed, at an MCCCD college, the requisite coursework to be prepared for placement in ENG 101, MAT 120 or higher, and CRE 101.
OR
2. Completion of a secondary education program in a Maricopa County high school class in the sixth, seventh, or eighth semester with a final cumulative high school grade point average of 3.0 or higher AND the following scores on the Maricopa Community College placement tests:
• English: WritePlacer score of 6 or higher;
• Reading: Exemption from CRE101;
• Math: Placement in MAT120 or higher.
OR
3. Home schooled student, as a Maricopa County resident, with verification from parents AND placement test scores as noted in #2 above.
OR
4. General Educational Development (GED) certificate completed, as a Maricopa County resident, AND placement test scores as noted in #2 above.
OR
5. Grand Canyon Diploma recipient, as a Maricopa County resident, AND placement test scores as noted in #2 above.

REQUIRED APPLICATION MATERIALS:
- A signed MCCCD Presidents' Honors Scholarship Agreement.
- An official final semester high school transcript must be sent via U.S. mail to the college Honors Program at the Maricopa Community College that you plan to attend. It must be impressed and sealed by the high school and show your graduation date, class rank, and final cumulative grade point average. Please inquire with the college Honors office for home school high school transcript guidelines.
- Your scholarship cannot be awarded until your final transcript has been received.

The Honors Achievement Award Scholarship is available to continuing students who meet the following eligibility requirements
- Have submitted a completed Honors Program application.
- Hold a minimum cumulative district-wide GPA of 3.25 or higher and have a minimum of twelve completed credit hours (must be 100 level or above) at one or any combination of the MCCCD college(s).
- Be enrolled in a minimum of one (1) – three (3) credit Honors class preferably an Honors-Only class for every semester you are participating in.

SCHOLARSHIPS:

Presidents' Scholarship (for recent high school graduates)
- full-time tuition (up to 15 credit hours)
- registration fee
- up to four consecutive semesters

Honors Achievement Award (continuing students and returning adults)
- $244-$500 per semester
- based on credit hours of enrollment

SELECTED SCHOLARSHIPS
- **Chancellor's** (current Honors students)
  This scholarship covers tuition and fees for one full year plus $150.00 per semester for books and supplies. To be eligible, a current full-time Honors student must plan to enroll on a full-time basis for the following year and maintain a GPA of 3.25 or higher. One scholarship is awarded at each college annually.
- **Foundation** (current Honors students)
  This scholarship is awarded by the PVCC Honors Faculty Committee. Amounts can vary from $500.00 to $1,000.00 for the academic year. To be eligible, a current full-time student must plan to enroll at Paradise Valley Community College on a full-time basis for the following year.

BENEFITS & OPPORTUNITIES:
- Free printing, laptop and iPod checkouts, a study/community center, and symphony tickets
- Honors-only classes in many academic disciplines
- Active, small group learning supported by related extracurricular activities
- Leadership positions and community involvement events through the Student Honors Advisory Council (SHAC)
- Customize your own Honors curriculum and participate in research through honors projects
- Small class sizes
- Travel opportunities including but not limited to the Honors Retreat, Honors Explorer Classes, and national and regional honors conferences
- All-USA, Chancellors' and Foundation Scholarships
- Honors Forum Speaker series, which features nationally known experts
- Fine arts and cultural experiences

Center for International Studies

The Center for International Studies at PVCC provides students with the opportunity to broaden their educational experience to include the countries of the Pacific Rim, both Asia and Latin America, that are affecting life in Arizona.

Both international and intercultural perspectives are integrated into a variety of disciplines. This infusion ensures that students develop the knowledge, skills, attitudes, and values necessary for success in a changing, multicultural world.

Within the Center for International Studies, courses fall under three options:

1) International Studies Academic Certificates
2) International Business Programs
3) International Studies Courses

Global Studies Academic Certificate

The Academic Certificate in Global Studies is designed to provide:

1) a foundation in general education courses relevant to global studies;
2) a specialization in global education for teaching faculty;
3) a foundation in global courses for people in government agencies or in local business and industries with international interests in Asia or Latin America; and
4) a wide offering of global studies courses for more meaningful experiences for international travelers.

International Business Programs

Rapid expansion of international business motivates companies to seek out opportunities originating beyond U.S. borders. As the world economy becomes increasingly integrated, the international businessperson is more important than ever. As part of PVCC's General Business AAS degree, with a specialization area in international business, this curriculum prepares future managers to understand and function in the global economy of the increasingly borderless world. The Certificate of Completion in International Business prepares students for careers in or advancement within international business and related professions.

Please contact an Advisor to assist you in your course selections.

International Studies Courses

International Studies courses are either a specialized International Studies course (as indicated by its title) or a traditional course that has been infused with International Studies content. For example, ARH210: Asian Art and ARH217: Mexican Art History are specialized, more detailed courses focused on particular subjects that are International Studies in nature; whereas ARH101 (Prehistoric thru Gothic Art) and ARH102 (Renaissance thru Contemp. Art) are traditional courses that now contain modules providing students the opportunity to study not only the "Western" tradition, but also traditions associated with India and its sphere of influence in south and southeast Asia, and with China and its traditional sphere of influence in Korea and Japan. Courses with International Studies content can be found in the class schedules under the following headings:

Anthropology (ASB / ASM)
Art Humanities (ARH)
Biology (BIO)
Business (GBS)
Ceramics (ART)
Communication (COM)
Computer Info. Syst (CIS)
Dance (DAH / DAN)
Economics (ECN)
Education (EDU)
Emerg. Med. Tech. (EMT)
English (ENG)
English Humanities (ENH)
Exercise Science (EXS)
French (FRE)
Geography (GCU / GPH)
Geology (GLG)
German (GER)
History (HIS)
Humanities (HUM)
Int'l Business (IBS)
Japanese (JPN)
Journalism (JRN)
Mass Communiction (MCO)
Music History & Lit (MHL)
Philosophy (PHI)
Physical Education (PED)
Political Science (POS)
Psychology (PSY)
Religion (RLG)
Social Work (SWU)
Sociology (SOC)
Spanish (SPA)
Spanish Humanities (SPH)
Theatre Arts (THE)
Wellness (WED)

The University of Arizona
Transfer to UA in Phoenix

Launched in Fall 2015, the UA North Valley (UANV) extension campus offers a degree completion program for students to earn a bachelor's degree from the University of Arizona in the Phoenix area. Entering students must have completed an AGEC certificate, and are encouraged to complete an associate degree prior to transferring. Students will then complete 60 additional units of General Studies coursework with University of Arizona faculty at Paradise Valley Community College campus to earn a Bachelor of General Studies (BGS).

This multi-disciplinary program allows students to concentrate their studies on one of several themes:

- Arts, Media, and Entertainment
- Economy and Industry
- Global and Intercultural Understanding
- Social Behavior and Human Understanding
- Study of the U.S. and the American Experience

A Bachelor of General Studies degree fosters students' ability to think critically and broadly about the world and trains students in how to express their questions and ideas in different formats. They can further expand their skills by participating in the internship component of the program. Students will benefit from small classes, faculty guidance, and a structured learning environment. Students will also enjoy access to the world-class resources and connections of the University of Arizona while staying in Phoenix.

The BGS program at UA North Valley provides the student-focused experience of a small liberal arts college within students' budgets. UANV operates on a lower tuition model than main campus and students have access to UA's transfer scholarships, including the Bridge award and an alumni scholarship.

For more information, please visit uanv.arizona.edu or contact Dr. Victoria N. Meyer, vmeyer@email.arizona.edu.

Find Yourself at The University of Arizona

As the leading public university in the Southwest, and one of the top universities in the world, UA offers more options to earn a degree and a college experience like any other. You can select from 250 undergrad degrees offered by 14 colleges – not to mention double majors, triple majors, and minors. If you're still on the fence about your major, we make it easy for you to find your fit. UA Degree Search (degreesearch.arizona.edu) helps students explore and compare majors side by side. You can also search for majors by college, math or second language requirements, personal interests, and more.

If you're an Arizona resident who is working on your associate's degree, and you know that you're destined to be a Wildcat, check out the UA Bridge (uabridge.arizona.edu) program. Bridge students are also assigned a Transfer Counselor and are eligible for a $2,000 renewable, annual scholarship for students who are a year away from transferring to the UA.

Midwestern University
College of Pharmacy

If you are interested in transfering and working toward a degree in medicine, pharmacy, biomedical sciences, or other health sciences area, please contact:

PVCC's Chemistry Faculty:

NORTHERN ARIZONA UNIVERSITY

Paradise Valley Campus

NAU's 3+1=

NAU's flexible B.A. and B.S. in Interdisciplinary Studies offers you an opportunity to design a plan of study (in consultation with an advisor) to meet your individualized educational needs. This program offers an emphasis in Public Management.

This degree is appropriate if you plan to enter an occupation which requires a broad general education, if you want to work within a local, state, or federal government agency, are seeking career advancement, or if you are considering a pre-professional plan.

Program Highlights:

- Students complete 90 credits with the community college at the community college tuition rate!
- Only 30 credits are required with NAU and can be completed within 1 year!
- Students can choose between a B.A. or B.S. degree.
- Students only attend class twice a week for a full-time schedule or once a week with a part-time schedule.
- Classes are small and will not exceed 25-30 students.
- On-site advisor to assist you with the admissions process and program completion.

WANT MORE INFORMATION?
Please email us at paradisevalley@nau.edu or visit our offices in the KSC Building, 2nd Floor

NAU @ PVCC

NAU-Paradise Valley is located on the Paradise Valley Community College campus. We offer several undergraduate degree programs, as well as the PVCC2NAU program. PVCC2NAU is a joint admission program between Paradise Valley Community College and Northern Arizona University.

PROGRAMS

- PVCC2NAU
- Bachelor of Business Administration
- BAS in Administration
- BAS in Justice Administration
- BAS in Public Agency Management
- BAS in Technology Management
- BA/BS in Interdisciplinary Studies-Justice Administration (90/30)
- BA/BS in Interdisciplinary Studies-Emergency Services Administration (90/30)
- BA/BS in Interdisciplinary Studies-Public Management (90/30)
- BA/BS in Interdisciplinary Studies-Technology Management (90/30)
- BSEd in Special and Elementary Education (dual major)

WANT MORE INFORMATION?
Please email us at paradisevalley@nau.edu or visit our offices in the KSC Building, 2nd Floor

Additional NAU partnership programs with Maricopa Community Colleges can be found at: www.maricopa.edu/connection.

Maricopa ASU Pathways Program (MAPP)

Maricopa to ASU Pathways Program
Ranked as one of the top colleges in the nation and the world for academics, innovation and values, Arizona State University offers more than 300 undergraduate degree programs and is a top choice for Arizona community college students.

The Maricopa to ASU Pathways Program is designed for students who plan to pursue a two-year degree at a Maricopa community college and complete a bachelor's degree at ASU. In MAPP, you follow a prescribed sequence of course work at a Maricopa community college that meets the lower-division course requirements for an ASU major. When you complete your MAPP, you will have met the requirements for your associate degree and be on track toward earning your chosen bachelor's degree at ASU.

Maricopa to ASU Pathways Program Timeline
As you work toward your associate degree at a Maricopa community college, keep in mind that you must complete the MAPP within a period of three years.

Benefits of the Maricopa to ASU Pathways Program include:
- guaranteed admission to ASU degree programs when all MAPP requirements are met
- cost-effective pathway ensuring all courses transfer and apply to an ASU degree
- 24/7 access to electronic tools, including the Pathway Tracker and My ASU to provide clear documentation of degree progress
- access to ASU transfer specialists and other pre-enrollment services on site at Maricopa community colleges
- invitations to special college events at ASU

The following are the terms for taking part in the Maricopa to ASU Pathways Program:
- working with your community college and ASU advisor to monitor progress on the MAPP
- completing the MAPP with a specified GPA and any special requirements
- completing the MAPP in a period not to exceed three years
- agreeing that student academic data and advising information may be shared between your community college and ASU
- pathway certification verifying completion of the MAPP requirements
- Pathways have been created for ASU's highest demand undergraduate degrees. The following degree programs are available through MAPP (these programs pertain to all Maricopa community colleges, however, course offerings vary by location):
-

For more information, see: www.asu.edu/transfer

Grand Canyon University 3+1 Transfer Degree Programs

Grand Canyon University has transfer partnership Bachelor Degree programs in the following areas:

Bachelor of Science in Biology (3+1)
- Preparation in Basic Biological Sciences, Pre-Physician Assistant, Pre-Medicine, Pre-Physical Therapy or Pre-Pharmacy
- Transfer up to 84 community college credits of recommended courses including an Associate of Business
- Complete 36-40 credits at Grand Canyon University

Bachelor of Science in Business (3+1)
- Preparation in Applied Management, Business Administration, Business Management, Entrepreneurial Studies, Finance and Economics, Marketing, Sports Management or Public Safety and Emergency Management
- Transfer up to 84 community college credits of recommended courses including an Associate of Business
- Complete 36-40 credits at Grand Canyon University

Bachelor of Arts
- Preparation in Christian Studies, Government or Communications
- Transfer up to 84 community college credits of recommended

Bachelor of Science
- Preparation in Forensic Science, Psychology, Justice Studies, Engineering, Computer Science, Information Technology, Exercise Science or Education
- Transfer up to 84 community college credits of recommended

For more information about specific programs, transfer options, and scholarships, contact a Grand Canyon University representative at 1.800.800.9776 or visit their website at http://www.gcu.edu/admissions/college-transfer-center.php .

For information about the Bachelor of Science in Biology and the preparatory program at PVCC, contact Dr. Scott Massey at 602.787.6642

ADMISSION, REGISTRATION, AND ENROLLMENT

2.1 GENERAL REGULATION

1. **General Statement**
   Compliance with Policies, Rules, Regulations
   Every student is expected to know and comply with all current published policies, rules and regulations as stated in the college catalog, class schedule, and/or student handbook. Documents are available on each college's website.

   Policies, courses, programs, fees and requirements may be suspended, deleted, restricted, supplemented or changed through action of the Governing Board of the Maricopa Community Colleges.

   The Maricopa Community Colleges reserve the right to change, without notice, any materials, information, curriculum, requirements and regulations.

   Note: The regulations that comprise the student section contain language that appears in various sources such as the Catalog Common Pages and the Student Handbook. All areas became Administrative Regulations with the 1996 adoption of the Governance Model. Changes are made annually either through the Administrative Regulations approval process, or by Board approval for those items that fall under its statutory duty, such as Tuition and Fees. In an effort to prevent duplication, topics in this section may be incorporated by reference, as they are featured in other areas of the manual and are noted accordingly.

   The Maricopa Community Colleges Vision, Mission and Values that are featured in the Common Pages are a part of approve Governing Board Policy and are located in the policy section of the manual. As such, the following statement related to Outcomes Assessment that appears in the Common Pages is presented here as a general statement.

2. **Outcomes Assessment**
   The mission of the Maricopa Community Colleges is to create and continuously improve affordable, accessible, and effective learning environments for the lifelong educational needs of the diverse communities we serve. In order to evaluate how successfully Maricopa Community Colleges accomplish this mission, student outcomes will be assessed as part of the continuous improvement process.

   Students may be asked to participate in a variety of assessment activities at each college. Assessment results will be used to improve educational programs, services and student learning.

2.2.1 ADMISSION POLICY

Persons meeting the admissions criteria may attend any Maricopa Community College of their choice. Falsification of any admission materials or official college records may be cause for denial or cancellation of admission. Exceptions to the admissions policies may be requested through the Admissions and Standards Committee. Admission is determined in accordance with state law (A.R.S. §15-1805.01, 15-1821) and regulations of the Maricopa Community Colleges Governing Board.

ADMISSION CLASSIFICATIONS

1. **Admission of Regular Students**
   Admission to the community college in Arizona may be granted to any person who meets at least one of the following criteria:
   A. Is a graduate of a high school, which is accredited by a regional accrediting association as defined by the United States Office of Education or approved by a State Department of Education or other appropriate state educational agency.
   B. Has a high school certificate of equivalency.
   C. Is at least 18 years of age and demonstrates evidence of potential success in the community college.
   D. Is a transfer student in good standing from another college or university.
2. **Admission of Students Under 18 Years of Age**
   A. Admission to the community colleges in Arizona shall be granted to any student who is under age 18 and who completes any one of the following requirements:
      i. a composite score of 93 or more on the Preliminary Scholastic Aptitude Test (PSAT).
      ii. a composite score of 930 or more on the Scholastic Aptitude Test (SAT).
      iii. a composite score of twenty-two or more on the American College Test (ACT).
      iv. a passing score on the Arizona Instrument to Measure Standards test (AIMS Science).
      v. a passing score on the relevant portions of the Arizona's Measurement of Education Readiness to Information Teaching (AZMERIT) test.
      vi. the completion of a college placement test designated by the community college district that indicates the student

is at the appropriate college level for the course.

vii. is a graduate of a private or public high school or has a high school certificate of equivalency.

B. A community college may limit the number of semester hours in which the student may enroll to not more than six (6) credit hours.

C. Home schooled students are exempt from this sub-section.

D. A student shall not be denied admission because of age, lack of a high school diploma or high school certificate of equivalency, grade in school, lack of permission of school officials or lack of concurrent enrollment in a public or private school, if the student has achieved at least a specified score on a college entrance examination.

3. Specialized Vocational / Training Program

Students who enroll in Vocational Courses may be admitted on an individual basis with the approval of college officials if the student meets the established requirements of the courses for which the student enrolls and the college officials determine that the student's admission is in the best interest of the student.

4. Western Undergraduate Exchange Program

The Western Undergraduate Exchange (WUE) program is a student exchange program coordinated by the Western Interstate Commission for Higher Education (WICHE), and administered by the Arizona Board of Regents. Through WUE, students who reside in western states (Alaska, Arizona, California, Colorado, Hawaii, Idaho, Montana, Nevada, New Mexico, North Dakota, Oregon, South Dakota, Utah, Washington, and Wyoming) Guam and the Commonwealth of the Northern Marianas Islands (CNIMI) and who meet the eligibility requirements, pay 150 percent of the regular resident tuition plus fees. Students must mark prominently on the Student Information Form that they seek admission as WUE students. Students may not apply as out-of-state students and expect to receive the WUE tuition rate after admitted. Once admitted as WUE students, students may not petition for in-state residency. Further information may be obtained from the Admissions and Records Office/Office of Student Enrollment Services.

5. Admission of F-1 Nonimmigrant Students

Prospective students should contact the Admissions and Records Office/Office of Student Enrollment Services or designated office for the international student application form(s). When completed, the form(s) should be returned to the Admissions and Records Office/Office of Student Enrollment Services or the International Education office with all requested supporting documents. After the file has been reviewed, a notice will be sent to the applicant indicating either acceptance or denial of admission.

To be guaranteed consideration for admission, all application materials must be received by July 1 for the fall semester and November 1 for the spring semester.

Prospective students seeking admission based on F-1 nonimmigrant status must provide proof of secondary school completion with documentation comparable to a United States high school diploma or higher degree. It is recommended that F-1 nonimmigrant students have graduated in the upper 50% of their secondary school (high school or equivalent) in order to ensure success in academic classes at this college. Applicants for admission to the college must have high school and college (if applicable) transcripts sent directly from the high school or college to the Admissions and Records Office/ Office of Student Enrollment Services or designated office. In addition, it is the applicant's responsibility to have all transcripts translated into English and evaluated by a foreign credential evaluation service if necessary.

A. Admission to Academic Programs

Applicants who wish to enroll in an academic program at the college must present evidence of English language proficiency. If the Test of English as a Foreign Language (TOEFL) is used to satisfy this requirement, the applicant must attain a score of at least 500 (on the paper-based TOEFL) or 61 (on the internet-based TOEFL, known as the iBT). If the International Language Testing System (IELTS) is used to satisfy this requirement, an IELTS overall Band Score of 5.5 or better is required, and a minimum IELTS individual Band Score of 5.0 on each module is recommended. The dean or director of admission and records of the college may accept other proof of English language proficiency for admissions purposes, such as the ASSET, ACCUPLACER, COMPASS or CELSA tests.

B. Admission to an Intensive English Program

Applicants for admission to an Intensive English Program are advised to check with individual colleges for their respective admission requirements. Applicants must provide evidence of at least an intermediate command of English by way of one or more of the following criteria:

i. At least six years of English language instruction as shown by the applicant's school transcript(s);

ii. A minimum TOEFL score of 400 (on the paper-based TOEFL) or 23 (on the internet-based TOEFL);

iii. An original letter of recommendation from a teacher, school principal or headmaster/headmistress, or the director of an English language institute attesting to the applicant's proficiency at the intermediate level;

iv. Other credentials, test scores, interview results, or evidence accepted by the coordinator of an intensive English program or the college's responsible designee. Students admitted to an Intensive English Program will not be allowed to enroll in courses outside those officially designated as part of the program unless and until they have met all of the prerequisites or other course requirements.

v. Foreign students under certain types of visas may need special permission to enroll and should contact the appropriate college official.

C. Financial Support

Evidence of financial support will be required prior to issuance of the I-20 form. The colleges have no scholarship or financial aid provisions for foreign students; therefore, students must be fully prepared to meet the necessary financial obligations for the full time they will be in the United States. The colleges estimate a student's average expenses for 10 months to be:

Tuition and fees:	$ 8,010	(1)
Living Expenses:	$10,140	(2)
Books:	$ 1,100	(3)
Health Insurance:	$ 1,100	(4)
Total	$20,350	(5)

*Pending revised fee schedule from District Business Services

D. Dependent Financial Guarantee

Evidence of financial support for dependents of F-1 students (spouse and dependent children) is also required: $5,000 for the first dependent and $2,500 for each additional dependent.

E. Health Insurance

All F-1 students who have an I-20 issued by one of the Maricopa Community Colleges are required to purchase the Maricopa Community Colleges' international student health insurance plan. Health insurance coverage for dependents of F-1 students is highly recommended. The Maricopa Community Colleges contracts with an insurance provider annually to offer a health insurance plan for F-1 students. For more information contact the college Admissions and Records Office/Office of Student Enrollment Services or designated international student office.

Footnotes:

(1) Based on 2016-2017 tuition and fee schedule.

(2) Based on estimated living expenses for two (2) semesters (10 months).

(3) Based on average new and used textbook prices. Assumes books are sold at the end of the semester.

(4) Based on 2016-2017 insurance premium for the mandatory Maricopa Community Colleges' International Student Health Plan.

(5) Applicants must provide evidence of this minimum amount of financial support before an I-20 is issued.

2.2.2. ADMISSION INFORMATION

Students must file a Student Information Form with the Admissions and Records Office/Office of Student Enrollment Services at the college of attendance. There is no charge for this service.

1. **Student Status**
   A. Freshman - A student who has completed fewer than 30 credit hours in 100-level courses and above.
   B. Sophomore - A student who has completed 30 credit hours or more in 100-level courses and above.
   C. Unclassified - A student who has earned an associate degree or higher.
2. **Student Identification Number**
   Disclosure of the social security number is voluntary (A.R.S. §15-1823). However, students must use social security numbers for reporting information pertaining to potential educational tax credits and for processing federal financial aid applications and Veterans Administration benefits.
3. **Residency for Tuition Purposes (Appendix S-1)**
   All students are classified for tuition purposes under one of the following residency classifications:
   A. Maricopa County resident
   B. Out-of-County resident
   C. Out-of-State resident (including F-1 non-immigrant students)

   Residency for tuition purposes is determined in accordance with state law (A.R.S. §15-1801, 15-1802, 151802.01, 15-1803, et. seq.) and regulations of the Maricopa Community Colleges Governing Board. All of the Maricopa Community Colleges are subject to the above statutes and regulations. Students who have questions about their residency should contact the Admissions and Records Office/Office of Student Enrollment Services for clarification.

A. Implementation

i. Domicile status must be established before the student registers and pays fees. It is the student's responsibility to register under the correct domicile status.

ii. Enforcement of domicile requirements shall be the responsibility of the Chancellor of the Maricopa Community Colleges. The Chancellor has charged the Director of Admissions and Records or other designee at each college to make the initial domicile classification. In determining a student's classification, the college may consider all evidence, written or oral, presented by the student and any other information received from any source which is relevant to determining classification. The college may request written sworn statements or sworn testimony of the student.

iii. A request for review of the initial classification may be made to a District review committee. The request must be in writing, signed by the student and accompanied by a sworn statement of all facts relevant to the matter. The request must be filed with the admissions officer of the college within ten days of receipt of notification of classification as a non-resident. Failure to properly file a request for review within the prescribed time limit constitutes a waiver of review for the current enrollment period. The decision of the review committee shall be final.

B. Definitions

i. "Armed Forces of the United States" means the Army, the Navy, the Air Force, the Marine Corps, the Coast Guard, the commissioned corps of the United States Public Health Services, the National Oceanographic and Atmospheric Administration, the National Guard, or any military reserve unit of any branch of the Armed Forces of the United States.

ii. "Continuous attendance" means enrollment at one of Maricopa Community Colleges as a full-time or part-time student for a normal academic year since the beginning of the period for which continuous attendance is claimed. Students need not attend summer sessions or other such intersession beyond the normal academic year in order to maintain continuous attendance.

iii. "Maricopa County resident" means an individual who has lived in Maricopa county for at least fifty (50) days before the first day of classes of the semester. In-State Residency must be established prior to county residency for those moving from other states. Refer to section C for guidelines.

iv. "Domicile" means a person's true, fixed, and permanent home and place of habitation. It is the place where he or she intends to remain and to which he or she expects to return when he or she leaves without intending to establish a new domicile elsewhere.

v. "Emancipated person" means a person who is neither under a legal duty of service to his parent nor entitled to the support of such parent under the laws of this state.

vi. "Full-time student" means one who registers for at least twelve (12) credit hours per semester.

vii. "Part-time student" means one who registers for fewer than twelve (12) credit hours per semester.

viii. "Parent" means a person's father, or mother, or if one parent has custody, that parent, or if there is no surviving parent or the whereabouts of the parents are unknown, then a guardian of an unemancipated person if there are not circumstances indicating that such guardianship was created primarily for the purpose of conferring the status of an in-state student on such unemancipated person.

C. Criteria for Determining Residency

i. In-State Student Status

1. Except as otherwise provided in this article, no person having a domicile elsewhere than in this state is eligible for classification as an in-state student for tuition purposes.
2. A person is not entitled to classification as an in-state student until the person is domiciled in this state for one year preceding the official starting day of the semester, except that a person whose domicile is in this state is entitled to classification as an in-state student if the person meets one of the following requirements:
   a. The person's parent's/legal guardian's domicile is in this state and the parent/guardian is entitled to claim the person as an exemption for state and federal tax purposes.
   b. The person is an employee of an employer that transferred the person to this state for employment purposes, or the person is the spouse of such an employee.
   c. The person is an employee of a school District in this state and is under contract to teach on a full-time basis, or is employed as a full-time non-certified classroom aide, at a school within that school District. For purposes of this paragraph, the person is eligible for classification as an in-state student only for courses necessary to complete the requirements for certification by the state board of education to teach in a school District in this state. No member of the person's family is eligible for classification as an in-state student if the person is eligible for classification as an in-state student pursuant to this paragraph, unless the family member is otherwise eligible for classification as an instate student pursuant to this section. Eligibility for

in-state tuition is subject to verification of intent to domicile in this state. Determination of residency is made by the Admissions and Records Office/Office of Enrollment Services.

d. The person's spouse has established domicile in this state for at least one year and has demonstrated intent and financial independence and is entitled to claim the student as an exemption for state and federal tax purposes or the person's spouse was temporarily out of state for educational purposes, but maintained a domicile in this state. If the person is a non-citizen, the person must be in an eligible visa status pursuant to federal law to classify as an in-state student for tuition purposes.

3. The domicile of an unemancipated person is that of such person's parent.
4. An unemancipated person who remains in this state when such person's parent, who had been domiciled in this state, removes from this state is entitled to classification as an in-state student until attainment of the degree for which currently enrolled, as long as such person maintains continuous attendance.
5. A person who is a member of the Armed Forces of the United States and who is stationed in this state pursuant to military orders or who is the spouse or a dependent child of a person who is a member of the armed forces of the United States and who is stationed in this state pursuant to military orders is entitled to classification as an in-state student. The student does not lose in-state student classification while in continuous attendance toward the degree for which he or she is currently enrolled.
6. A person who is a member of the armed forces of the United States or the spouse or a dependent of a member of the armed forces of the United States is entitled to classification as an in-state student if the member of the armed forces has claimed this state as the person's state of home record for at least twelve consecutive months before the member of the armed forces, spouse or dependent enrolls in a university under the jurisdiction of the Arizona Board of Regents or a community college under jurisdiction of a community college District governing board. For purposes of this subsection, the requirement that a person be domiciled in this state for one year before enrollment to qualify for in-state student classification does not apply.
7. Immediate classification as an in-state student shall be granted to a veteran who meets the provision of Arizona Statute HB 2091, paragraph G, which reads:

   G. A person holding an honorable discharge from the uniformed services of the United States from either active duty or reserve to National Guard status, or who has retired from active duty or reserve of National Guard status, shall be granted immediate classification as an in-state student and, while continuously enrolled, does not lose in-state student classification if the person has demonstrated objective evidence of intent to be a resident of Arizona that, for the purposes of this section, includes at least one of the following:

   1. Registration to vote in this state.
   2. An Arizona driver license.
   3. Arizona motor vehicle registration.
   4. Employment history in Arizona.
   5. Transfer of major banking services to Arizona.
   6. Change of permanent address on all pertinent records.
   7. Other materials of whatever kind or source relevant to domicile or residency status.

8. A veteran using Chapter 30 of 33 benefits who does not otherwise qualify under item 7 above (paragraph G or PL 2091), or a veteran's dependent or spouse who is using transferred post-9/11 GI Bill (Chapter 33) benefits or the Marine Gunnery Sergeant John David Fry Scholarship, may be eligible for immediate classification as an in-state student if he/she meets the provisions of Arizona Statute HB 2091, paragraph H: h. A person who, while using educational assistance under 38 United States Code Chapter 30 or Chapter 33, enrolls in a university under the jurisdiction of the Arizona Board of Regents or a community college under th jurisdiction of a community college district governing board within three years after the veteran's discharge from active duty service of ninety or more days or within three years after the service member's death in the line of duty following a period of active duty service of ninety or more days or who remains continuously enrolled beyond the three-year period following the discharge of the veteran or the service member's death shall be granted immediate classification as an in-state student and does not lose in-state students classification if the person has demonstrated objective evidence of intent to be a resident of this state that, for the purposes of this section, includes at least one of the following:

   Students are required to submit the following:

   1. Certification of eligibility letter from the VA awarding Chapter 30 or 33 benefits or the Fry Scholarship, OR the Department of Defense document approving the transfer of Ch. 33 benefits
   2. DD-214 proving a minimum of 90 days service and no more than 3 years since discharge or since death of veteran

3. Students must also provide at least one of the following:
    a. Registration to vote in this state.
    b. An Arizona driver license.
    c. Arizona motor vehicle registration.
    d. Employment History in Arizona.
    e. Transfer of major banking services in Arizona.
    f. Change of permanent address on all pertinent records.
    g. Other materials of whatever kind or source relevant to domicile or residency status.

9. Per Arizona state law, a person who is honorably discharged from the Armed Forces of the United States on either active duty or Reserve or National Guard status, or who has retired from active duty or Reserve or National Guard status, shall be granted immediate classification as an in-state student on honorable discharge from the Armed Forces and, while in continuous attendance toward the degree for which currently enrolled, does not lose in-state student classification if the person has met the following requirements:
    a. Registered to vote in this state.
    b. Demonstrated objective evidence of intent to be a resident of Arizona which, for the purposes of this section, include at least one of the following:
        1. An Arizona driver license
        2. Arizona motor vehicle registration
        3. Employment history in Arizona
        4. Transfer of major banking services to Arizona
        5. Change of permanent address on all pertinent records
        6. Other materials of whatever kind or source relevant to domicile or residency status
        7. A person who is a member of an Indian Tribe recognized by the United States Department of the Interior whose reservation land lies in the state and extends into another state and who is a resident of the reservation is entitled to classification as an in-state student.

ii. Alien In-State Student Status

1. An alien is entitled to classification as an in-state refugee student if such person has been granted refugee status in accordance with all applicable laws of the United States and has met all other requirements for domicile.
2. In accordance with the Illegal Immigration Reform and Immigrant Responsibility Act of 1996 (P.L. 104208; 110 Stat. 3009), a person who was not a citizen or legal resident of the United States or who is without lawful immigration status is not entitled to classification as an in-state student pursuant to A.R.S. §15-1802 or entitled to classification as a county resident pursuant to A.R.S. §15-1802.01. A student will be assessed out-of-state tuition until such time that documentation of status is received in the office of Admissions & Records/Enrollment Services prior to the end of the term in which residency classification is being requested. Documentation received after the end of the term will be used for residency determination in subsequent terms.
3. In establishing domicile, the alien must not hold a visa that prohibits establishing domicile in this state. After meeting other domicile requirements, students holding valid, unexpired visas in the following categories may be classified as in-state students:
    A Foreign Government Official or Adopted Child of a Permanent Resident
    E Treaty Trader G Principal Resident Representative of Recognized Foreign Member
    G Government to International Staff
    K Spouse or Child of Spouse of a U.S. Citizen, Fiancé or Child of Fiancé of U.S. Citizen
    L Intracompany Transferee, or Spouse or Child
    N6 NATO-6
    U Victim of Criminal Activity
    V Spouses and Dependent Children of Lawful Permanent Residents
4. Students who hold a current visa and have submitted an I-485 to U.S. Citizenship and Immigration Services (USCIS), may establish residency if other domicile requirements have been met. Residency eligibility for I-485 applicants may be considered one year after the date on the USCIS Notice of Action letter (I-797c) confirming application for permanent resident status. Students must provide required residency documentation in addition to the Notice of Action for residency consideration. In establishing domicile, the alien must be in a status that does not prohibit establishing domicile in this state for at least one year immediately preceding the official starting date of the semester. EXCEPTION: In the event that an alien student's parent is allowed to claim the student as an exemption for state or federal tax purposes (3C.1.2.A) (E.G. The student is under 23 and not emancipated), the student's residence is deemed to be the same as the parent's. If the parent holds a visa that is not listed in section 3 above, he or she would not be eligible to establish residency. In such circumstances, the student would likewise be barred notwithstanding his or her own filing of an I-485.

iii. Proving Lawful Presence in the United States

All applicants for instate tuition (and other public benefits) must first show at least one of the following documents in accordance with ARS 1-502 to demonstrate that they are lawfully present in the United States by presenting to the Registrar at least one of the following documents:

- An Arizona Driver's License issued after 1996 or an Arizona Non-operating Identification License.
- A birth certificate or delayed birth certificate issued in any state, territory, or possession of the United States.
- A United States Certificate of Birth abroad.
- A United States Passport.
- A Foreign Passport with a United States Visa.
- An 1-94 Form with a photograph.
- A United States Citizenship and Immigration Services Employment Authorization (Work Permit) or Refugee Travel Document.
- A United States Permanent Resident Card.
- A United States Certificate of Naturalization.
- A United States Certification of Citizenship.
- A Tribal Certificate of Indian Blood.
- A Tribal or Bureau of Indian Affairs Affidavit of Birth.

Tribal members*, the Elderly and "Persons with disabilities or incapacity of the Mind or Body," may submit certain types of documentation under section 1903 of the federal Social Security Act (42 United States Code 1396B, As Amended By Section 6036 of the Federal Deficit Reduction Act of 2005)**

*A document issued by a federally recognized Indian Tribe Evidencing Membership or Enrollment in, or affiliation with, such tribe.

**If you think that this may apply, please contact the Legal Services Department for assistance.

iv. Presumptions Relating to Student Status

Unless there is evidence to the contrary, the registering authority of the community college or university at which a student is registering will presume that:

1. No emancipated person has established a domicile in this state while attending any educational institution in this state as a full-time student, as such status is defined by the community college District governing board or the Arizona Board of Regents, in the absence of a clear demonstration to the contrary.
2. Once established, a domicile is not lost by mere absence unaccompanied by intention to establish a new domicile.
3. A person who has been domiciled in this state immediately before becoming a member of the Armed Forces of the United States shall not lose in-state status by reason of such person's presence in any other state or country while a member of the Armed Forces of the United States.

v. Proof of Residency

When a student's residency is questioned, the following proof will be required:

1. In-State Residency
   a. An affidavit signed by the student must be filed with the person responsible for verifying residency.
   b. Any of the following may be used in determining a student's domicile in Arizona:
      1. Arizona income tax return
      2. Arizona Voter registration
      3. Arizona Motor Vehicle registration
      4. Arizona Driver's license
      5. Employment history in Arizona
      6. Place of graduation from high school
      7. Source of financial support
      8. Dependency as indicated on federal income tax return
      9. Ownership of real property
      10. Notarized statement of landlord and/or employer
      11. Transfer of major banking services to Arizona
      12. Change of permanent address on all pertinent records
      13. Other relevant information
2. County Residency
   a. An affidavit signed by the student must be filed with the person responsible for verifying domicile

to prove continuous residency in a county for fifty (50) days, and

b. Any of the following may be used to determine a student's county residency:
   1. Notarized statements of landlord and/or employer
   2. Source of financial support
   3. Place of graduation from high school
   4. Ownership of real property
   5. Bank accounts
   6. Arizona income tax return
   7. Dependency as indicated on a Federal income tax return
   8. Other relevant information

D. **Concurrent Enrollment in Arizona Public Institutions of Higher Education (A.R.S. §15-1807) (Appendix S-3)**
Under Arizona Revised Statutes §15-1807, it is unlawful for any non-resident student to register concurrently in two or more public institutions of higher education in this state including any university, college or community college for a combined student credit hour enrollment of more than six (6) credit hours without payment of non-resident tuition at one of such institutions. Any non-resident student desiring to enroll concurrently in two or more public institutions of higher education in this state including any university or community college for a combined total of more than six (6) credit hours who is not subject to non-resident tuition at any of such institutions shall pay the non-resident tuition at the institution of his choice in an amount equivalent to non-resident tuition at such institution for the combined total of credit hours for which the non-resident student is concurrently enrolled.

2.2.3 OTHER ADMISSION INFORMATION

1. **Veterans**
By Arizona statute, any failing grades from any Arizona university or community college that were received prior to military service will not be used to determine admission to the community college for the honorably discharged veterans with two years' service in the Armed Forces of the United States. Students admitted or re-admitted to the community college under this statute are subject to progression, retention, graduation and other academic regulations and standards. (Also see Withdrawal - Appendix S-7)
2. **Ability to Benefit**
A. Federal guidelines require that students who are applying for financial aid demonstrate the ability to benefit. Under federal law, a student who enrolls after June 30, 2012, must be a high school graduate, have a GED certificate, or have completed a secondary school education in a home school setting that is treated as a home school or private school under state law, be admitted as a regular student, and be pursuing an eligible degree or certificate to qualify for federal financial assistance under Title IV of the Higher Education Act.
B. For students enrolled prior to July 1, 2012, an evaluation during the admission process resulted in the student being admitted to the college with the status of Regular, Regular with Provisional Requirements, or Special.
   i. "REGULAR" status, for the purpose of 2.2.3.2, is granted to an individual admitted to the college who is a high school graduate, has a GED certificate, or has completed a secondary school education in a home school setting that is treated as a home school or private school under state law. A student without a high school diploma or GED certification and beyond the age of compulsory high school attendance may be a regular status student if the student has been assessed to benefit from college instruction by receiving qualifying scores on approved assessment instruments. All regular status students must be pursuing a degree/certificate in an eligible program.
   ii. "REGULAR WITH PROVISIONAL REQUIREMENTS" status, for the purpose of 2.2.3 B, is granted to a student admitted to the college who is not a high school graduate, does not have a GED certificate, and is beyond the age of compulsory high school attendance but has been assessed to benefit from college instruction requiring developmental/remedial coursework and is pursuing a degree/certificate or be in an eligible program.
   iii. "SPECIAL" status, for the purpose of 2.2.3 B, is granted to a student admitted to the college for concurrent enrollment or pursuing one or more courses of special interest and who meets all the requirements for admission.
3. **Transcripts**
The Maricopa Community Colleges reserve the right to require an official transcript for admission to specific programs, for verification of course requisites and for determination of academic standing. The official transcript must be sent directly from the source institution to the college Admissions and Records Office/Office of Student Enrollment Services. The official transcripts may be sent via a secured website. Please contact the Admissions Office of the Maricopa College you plan to

attend to verify which secure websites may be valid. It is the student's responsibility to ensure that official transcripts have been received and are complete.

Students entering as high school graduates may be required to submit high school transcripts. Please contact the Admissions Office of the Maricopa College you plan to attend for more information on preparing a home-schooled official transcript. Students entering as GED recipients may be required to present a copy of the high school equivalency certificate or official report of qualifying GED scores.

4. **Educational Assessment**
   All students are encouraged to undergo an educational assessment to determine course placement. Prospective students who do not possess a high school diploma or GED equivalence certificate are required to complete an educational assessment to determine their ability to benefit from college instruction. See Student Assessment and Course Placement (AR 2.2.7).

2.2.4 PRIOR LEARNING ASSESSMENT CREDIT

Credit may be awarded for Prior Learning recognized through a variety of forms of evaluation and examination, as outlined in this policy. Students may be awarded no more than 30 credit hours, unless required by a specific program of study, within the Maricopa Community Colleges using one or more of the following assessment methods recommended by the Council for Adult and Experiential Learning (CAEL) and the American Council on Education (ACE):

- **Credit By Evaluation**
  - Educational experiences in the Armed Services
  - Training programs/college credit recommendation service
  - Departmental credit by evaluation
- **Credit by Exam (College-Level Equivalency Examinations)**
  - Advanced Placement (AP)
  - College-Level Examination Program (CLEP)
  - International Baccalaureate (IB) Diploma/Certificate
  - Cambridge International Exams (CIE), A and AS Level
  - Defense Activity for Non-Traditional Education Support (DANTES) Examination Program (also known as DANTES Subject Standardized Tests (DSST))
  - American College Testing Proficiency Examination Program (ACT-PEP)
  - Department exams (also known as "Challenge" exams Articulated Transfer Credit

ARTICULATED TRANSFER CREDIT

Credit awarded for prior learning does not count as hours in residence for graduation requirements. Exceptions may be granted at some of the Maricopa Community Colleges for unique programs of study. No more than 20 semester credit hours may be applied to AGEC. Credit received through Prior Learning Assessment is transferable within the Maricopa Community Colleges but is not necessarily transferable to other colleges and universities. Therefore, students are strongly advised to research the credit for prior learning policies at any college or university outside of the Maricopa Community College to which they plan to transfer. Please direct questions about Credit for Prior Learning at the Maricopa Community College to the offices of Admissions and Records / Student Enrollment Services.

DESCRIPTIONS OF ASSESSMENT METHODS

1. **Credit by Evaluation**
   The Maricopa Community Colleges offer credit by evaluation. The American Council on Education (ACE) evaluates military training and experiences as well as non-collegiate sponsored training programs and recommends credit awards based on this evaluation. The numbers of credits listed in the ACE guide are recommendations only.

   A college is not required to grant a student the number of credits recommended. The credits are included on a student's transcript.

   A. Educational Experiences in the Armed Services
      The Maricopa Community Colleges may award credit for military experiences based on the ACE Guide to the Evaluation of Educational Experiences in the Armed Services. A student may receive college credit if:
      i. training parallels a discipline area offered through the Maricopa Community Colleges, and
      ii. credit meets a program requirement or is used as elective credit.

Upon request, individuals who have successfully completed Basic Training, four (4) credit hours in Physical Education will be awarded as indicated in the ACE Guide and the Community College of the Air Force Catalog. Official documentation of military training is required.

SERVICEMEMBERS OPPORTUNITY COLLEGE (SOC)

The Maricopa Community Colleges recognized the unique educational problems confronting many active duty military personnel in attaining their eductional goals. The college have, therefore, established themselves as Servicemembers Opportunity College (SOC). This means that the colleges recognize the needs of military personnel in that they provide courses on the various military bases located in Maricopa County and provide opportunities to complete courses through non-traditional means when education is interrupted by military obligations. The Maricopa Community Colleges are open-access institutions that offer maximum credit for eductional experiences obtained in the military services, and follow residency statutes applicable to the special needs of servicemen. Maricopa Community College follow the recommendations established by the American Council on Education. If, for any reason, Maricopa Community Colleges' status as a Servicemembers Opportunity College (SOC) District is discontinued, it will nonetheless maintain ites commitment to students previously enrolled. In addition, the option to enter into a "Contract for a Degree" allows the community college, as the college of record, to grant a degree upon completion of twelve (12) credit hours at the college and the satisfaction of all other graduation requirements.

B. **College Credit Recommendation Service**

ACE evaluates training programs offered by business, industry, and government and publishes its credit recommendations in The National Guide to College Credit for Workforce Training. If a student has received training that appears in the guide, he or she may receive college credit if:

i. training parallels a discipline area offered through the Maricopa Community Colleges, and
ii. credit meets a program requirement or is used as elective credit.

C. **Departmental Credit By Evaluation**

Students may apply for Departmental Credit by Evaluation in certain courses by obtaining the appropriate form in the Admissions and Records Office/Office of Student Enrollment Services, and completing applicable paperwork and other requirements of the college, including payment of required fee. See fee schedule for appropriate fee. Fees are not refundable if a student fails to obtain credit. Students may not request:

i. the evaluation of a course a second time;
ii. the evaluation of a course while currently enrolled in the course;
iii. to establish credit in a previously completed course; and
iv. to establish credit for a lower level of a course in which credit has been received. Exceptions may be granted at some of the Maricopa Community Colleges for unique programs of study.

Academic departments may have additional requirements which must be met before credit may be granted through departmental credit by evaluation. When credit is granted as outlined above, a notation of "credit by evaluation," and the number of credits will appear on the student's transcript. These credits are not used in computing the grade point average. Credit by evaluation is transferable within the Maricopa Community Colleges, but is not necessarily transferable to other colleges and universities.

2. **Credit by Exam (College-Level Equivalency Examinations)**

ACE has published credit recommendations for a number of national standardized examinations such as the ones listed below in the Guide to Educational Credit By Examination. The Maricopa Community Colleges use these recommendations as guidelines to award credit for equivalent Maricopa Community Colleges coursework as well as elective credit. Scores must be sent directly to the Offices of Admissions and Records / Student Enrollment Services from the specific testing company(s) before credit is awarded. All equivalency is subject to future review and possible catalog change.

A. **Advanced Placement Examinations (AP) Credit**

Students who have taken an advanced placement course of the College Entrance Examination Board (CEEB) in their secondary school and who have taken an Advanced Placement Examination of the CEEB may receive course credit with a score of 3, 4 or 5. Scores must be received directly from CEEB before credit is awarded.

Changes to exams and scores are determined by the respective statewide Articulation Task Force (ATF). The credit awarded and equivalent courses are established by the Maricopa Community College Instructional Councils (ICs). Disclaimer: test scores are continually reviewed and may be updated at any time. Changes will be noted as they occur.

See AP Chart on the following pages

B. **College Level Examination Program (CLEP) Credit**

The Maricopa Community Colleges may award credit to individuals who have received a score of 500 or more for the 1986 version of the College Level Examination Program (CLEP) General Examinations (610 on the 1978 version) and who meet or exceed the American Council on Education (ACE) recommended scores for awarding credit on the CLEP subject examinations. The ACE credit-granting score recommendation is 50 (on the 20-80 scale) for all CLEP computer-based exams as of July 1, 2001.

- Credit received through CLEP is transferable within the Maricopa Community Colleges, but is not necessarily transferable to other colleges and universities.
- Rio Salado College and Paradise Valley Community College are national CLEP test sites. For more information on registering for the CLEP examinations, contact Rio Salado College or Paradise Valley Community College.

Changes to exams and scores are determined by the respective statewide Articulation Task Force (ATF). The credit awarded and equivalent courses are established by the Maricopa Community College Instructional Councils (ICs). Disclaimer: test scores are continually reviewed and may be updated at any time. Changes will be noted as they occur.

Credit by exam is awarded based on the date the exam was taken. Students who take the exam during the current catalog year will earn credit based on the credit equivalency found in the current catalog. If the test was taken in a prior academic year, please refer to the catalog for that year.

See CLEP chart on the following pages

Foreign Languages Credit Prior to July 1, 2001:

Credit earned through CLEP examination for French, German, and Spanish meets the language proficiency requirements of the Maricopa Community Colleges. For CLEP examinations taken prior to July 1, 2001, the Maricopa Community Colleges will grant credit based on the scaled scores indicated below:

Course	Spanish	French	German	Credit
101	50-54	50-54	39-45	4 (101)
102	55-65	55-61	46-50	8 (101 & 102)
201	66-67	62-65	51-59	12 (101 & 102 & 201)
202	68-80	66-80	60-80	16 (101 & 102 & 201& 202)

At the discretion of the individual college, an oral exam at the 202 level may be administered.

COLLEGE LEVEL EXAMINATION PROGRAM (CLEP)

Changes to exams cut scores are determined by the respective statewide Articulation Task Force (ATF). The credit awarded amd equivalent courses are established by the MCCCD instructional Councils (ICs). Disclaimer: test scores are continually reviewed and may be updated at any time. Changes will be noted as they occur..

E. **DANTES Subject Standardized Tests (DSST) Credit**
The Maricopa Community Colleges may award credit for the DANTES Subject Standardized Tests (DSST) Examination Program to individuals who meet or exceed the ACE recommended scores for awarding credit on the DANTES subject examinations. The Maricopa Community Colleges do not award credit for ENG 102 through DANTES examination. Credit received through DANTES is transferable within the Maricopa Community Colleges, but is not necessarily transferable to other colleges and universities. *See CIE Examination chart on the following pages*
The Assessment Center at Rio Salado College is a national test site. For additional information on registering for DANTES examinations, call (480) 517-8560.
Changes to examscut scores are determined by the respective statewide Articulation Task Force (ATF). The credit awarded and equivalent courses are established by the MCCCD Instructional Councils (ICs). Disclaimer: test scores are continually reviewed and may be updated at any time. Changes will be noted as they occur.

F. **American College Testing Proficiency Examination Program**
The Maricopa Community Colleges may award credit for the American College Testing Proficiency Examination Program (ACT-PEP) based on the scores earned.

G. **Departmental Credit by Examination**
Students may apply for Departmental Credit by Examination in certain courses by obtaining the appropriate form in the Admissions and Records Office/Office of Student Enrollment Services, paying the required fee, and completing the examination and other requirements of the college. See fee schedule for appropriate fees.

Students may not request:
i. to challenge a course a second time;
ii. to challenge a course while currently enrolled in the course;
iii. to establish credit in a previously completed course; and
iv. to establish credit for a lower level of a course in which credit has been received.

- Exceptions may be granted at some MCCCD colleges for their unique programs of study.
- Certain departments may have additional requirements which must be met before credit may be granted through departmental credit by examination.
- Only grades of A, B, C, D, or P earned as a result of this examination will be recorded on the student's transcript. Fees are not refundable after the examination has been administered, regardless of results.
- When credit is granted as outlined above, a notation of "credit by examination," a grade and the number of credits will appear on the student's transcript. The grade is used in computing the grade point average.

H. **Health Care Credit By Examination and Credit By Skills Demonstration Assessment**
Health care students may apply for credit for prior learning in certain courses. Specific information and required forms can be found on http://healthcare.maricopa.edu/healthcarecourses.php. Credit by Examination in the HCIES is determined through the use of HCIES Competency Assessment Tests (CATs) and/or Skills Demonstration Assessment under the direction of the HCIES Integrated Competency Assessment Network (I CAN). Students may apply for HCIES Healthcare Pathway/Program Advanced Placement in certain courses by obtaining the appropriate form(s) in the Admissions and Records Office/Office of Student Enrollment Services, paying the required fee(s), and successfully completing the examination and/or skills demonstration and other requirements of the college. See fee schedule for appropriate fee. Fees are not refundable if a student fails to obtain credit. Students may not request:
A. to challenge a course a second time;
B. to challenge a course while currently enrolled in the course;
C. to establish credit in a previously completed course; or
D. to establish credit for a lower level of a course in which credit has been received.

Certain healthcare pathways/programs have additional requirements which must be met before credit may be granted through HCIES credit by examination and credit by skills demonstration assessment.

Grades of A, B, C, D or P, earned as a result of examination or skills assessment will be recorded on the student's transcript. Fees are not refundable after the examination/skills demonstration has been administered, regardless of results. A grade of P/Z is not used in computing the grade point average.

When credit is granted as outlined above, a notation of "Credit by Examination," "Credit by Evaluation," or "Credit by Skills Demonstration" and the number of credits will appear on the student's transcript. If a grade is assigned, it will be used in computing the grade point average.

3. **Transferring to the Maricopa Community Colleges**
A student enrolling at one of the Maricopa Community Colleges after having attended other post-secondary institutions can have coursework evaluated for transfer credit. To be eligible for evaluation, coursework must appear on official transcripts from the source institutions. The official transcripts must be mailed directly from the source institutions to the Admissions and Records/Enrollment Services Offices of the receiving institutions. The Admissions and Records/Enrollment Services Offices at the receiving institutions will complete course-by-course evaluations for all submitted transcripts upon student request.

Conditions of Transfer Credit:

- The coursework was completed at colleges and/or universities accredited by the following regional accrediting agencies: New England Association of Schools and Colleges, Middle States Association of Colleges and Schools, North Central Association of Colleges and Schools, Northwest Association of Schools and Colleges, Southern Association of Colleges and Schools, and/or Western Association of Schools and Colleges.
- Coursework from other institutions may be considered for evaluation on a case-by-case basis.
- The coursework was earned with a grade of C or better.
- The coursework was taken at another Arizona community college to fulfill general education requirements for the Arizona General Education Curriculum (AGEC).
- Acceptance and applicability of courses from another Maricopa Community College that fulfill requirements other than general education is determined by individual Maricopa Community Colleges.
- Applicability of non-AGEC designated courses from another Maricopa Community College toward the requirements of a college-specific degree or certificate is determined by individual Maricopa Community Colleges.
- The award of transfer credit shall not express or imply that all transfer credit will be fully applicable toward all Maricopa associate's degree and certificate requirements.
- Developmental coursework (below 100-level) is accepted for the purpose of fulfilling course prerequisites. The credit does not apply toward a degree or certificate.
- Courses with different credit systems (quarter hours, units) are converted to semester hours of credit. The semester conversion of quarter credits is at a rate of .67 semester credit hours for each quarter hour
- The age of credit may be considered in applying credit toward degrees and certificate programs.
- College-level courses completed outside the United States and recorded on official transcripts will be evaluated for transfer credit, provided that the institution where the courses were taken is accredited by the ministry of education in that country. It is the student's responsibility to submit all foreign and international transcripts to one of the international credential evaluation to be translated into English, evaluated on a course-by-course-basis, and sent directly to the receiving colleges. Contact your college admissions and records/enrollment services office to obtain a list of approved agencies.
- For military credit, credit by examination, credit by evaluation, and CLEP/AP/IB/CIE/DSST/ACT-PEP credit see the section for Credit For Prior Learning.

A. **Transfer Credit from Maricopa Community Colleges Established Articulation Agreements**
The Maricopa Community Colleges have developed formal agreements to facilitate the transfer of credit to four year colleges and universities. This is accomplished through the development of course and program articulation agreements. The Maricopa Community Colleges articulate with private, public, and international baccalaureate degree granting institutions that have achieved full accreditation or candidacy status with a regional accreditation commission. Maricopa transfer agreements are on behalf of the District as a whole and not with individual colleges within the district. Courses taken at any of the Maricopa Community Colleges are equally transferable by institutions wishing to articulate. Students planning to transfer to a university may be required to submit official transcripts from all institutions attended.

Articulated transfer programs and pathways between the Maricopa Community Colleges and baccalaureate-granting institutions (such as the Maricopa-ASU Pathway Program [MAPP], the U of A Bridge Program, Connect2NAU and 90/30 Transfer Agreements) are official, recognized programs of study that fulfill both Associate's degree and Bachelor's Degree requirements. These articulated programs and pathways are designed to aid in a smooth transition for a student planning to transfer to a four-year college or university by identifying the required, transferable, and applicable coursework for that student's specific program of study.

B. **Articulation and Transfer Agreements**
i. Maricopa Skill Center and the Southwest Skill Center: The Maricopa Community Colleges have articulation agreements with the Maricopa Skill Center and the Southwest Skill Center in limited areas of study. Students who have participated in these agreements may be granted credit for prior learning. No fees will be assessed for credits awarded for prior learning. Articulated course/program credit is transferable within the Maricopa Community Colleges, but may not necessarily be transferable to other universities and colleges. Students should contact the admissions and records office/office of student

enrollment services for specific information related to these agreements.

ii. Arizona Public Community Colleges and Universities: Maricopa is a participant in the Arizona statewide transfer system. The aztransfer.com website is the official source of information for the statewide articulation agreements between the Arizona public community colleges and universities (Arizona State University, Northern Arizona University, and University of Arizona). Included on aztransfer.com is the course equivalency guide (CEG), which shows how institutions have agreed to transfer coursework from Arizona public community colleges and tribal institutions to Arizona State University, Northern Arizona University, and the University of Arizona. The transferability of a course does not indicate directly how the course will apply to meet requirements for specific bachelor's degrees. https://www.aztransfer.com/cgi-bin/WebObjects/Admin_CEG

iii. Domestic (U.S) and International Institutions: The Maricopa Community Colleges have transfer agreements with U.S. universities and colleges that are regionally accredited as well as international institutions that have been approved by the Ministry of Education. These partnerships are formalized through district-wide articulation agreements and are designed to help students maximize their transfer credit toward a bachelor's degree. To access a list of institutions with which Maricopa has established articulation agreements, visit: http://www.maricopa.edu/academic/ccta/artic/partner_list.php

C. **Limitations on the Transfer of Credit**

Generally, the following types of courses are not intended for transfer. Contact the Admissions and Records office at your college for specific information.

i. Remedial/developmental courses or courses numbered below 100
ii. Arizona government university courses
iii. Cooperative education
iv. Experimental courses
v. Post baccalaureate courses
vi. Contractual training for business, industry, and government
vii. Some forms of credit for prior learning
viii. Non-credit courses

D. **Time Limit for Transfer Coursework**

Students should be aware other colleges and universities may have age of credit limits on certain coursework to be used in transfer. Students should refer to the policy of their intended transfer institution regarding time limits for transfer coursework.

E. **Shared Unique Numbering (SUN) System Course Information**

Senate Bill 1186, which passed into law in 2010, mandated the creation of a shared numbering system for public college and university courses in Arizona to identify courses that transfer from community colleges to universities toward a baccalaureate degree. The shared unique number (SUN) system is a college course numbering system designed to help students locate and enroll in courses that have direct equivalents for transfer among Arizona's public community colleges and three state universities. However, even if a course at the Maricopa Community Colleges is not designated as a SUN course, it could still transfer to other Arizona public institutions with a direct equivalent as per the course equivalency guide on aztransfer.com. The SUN system does not address the applicability of courses. Students are encouraged to work with an academic advisor on course selections. To access a list of SUN courses, visit www.azsunsystem.com.

2.2.6 ACADEMIC ADVISING AND NEW STUDENT ORIENTATION

1. Academic Advising
   A. Students who will be attending college for the first time, and intend to earn an Associate's degree or to transfer on to a college/university to complete a Bachelor's degree, will be required to meet with an academic advisor prior to the start of their first semester at a MCCCD college.
      i. Recent high school students who received MCCCD credits through Dual/Concurrent Enrollment, ACE, Hoop of Learning, or any MCCCD Early Outreach Program are considered first time to college.

2. New Student Orientation
   Students who will be attending college for the first time, and intend to earn an Associate's degree or to transfer to a College/university to complete a Bachelor's degree, will be required to attend New Student Orientation prior to the start of their first semester at a MCCCD College.
      i. Recent High School students who received MCCCD credits through Dual/Concurrent Enrollment, ACE, Hoop of Learning, or any MCCCD Early Outreach Program are considered first time to college.
3. Students who will be attending college for the first time and intend to earn an Associate's degree or transfer to a college/university to complete a Bachelor's degree, and who test into one of more developmental education courses, will be required to successfully complete a college success course (CPD150 or CPD/AAA115) within the first two semesters at a MCCCD college.
      i. Recent high school students who received MCCCD credits through Dual/Concurrent enrollment, ACE, Hoop of Learning, or any MCCCD Early Outreach program are considered first time to college.

2.2.7 STUDENT COURSE PLACEMENT PROCESS

1. **Testing for Course Placement**
   A. Students will be required to complete a course placement test under any one of the following conditions:
      i. The student is taking his or her first college credit English, reading or math course, or any college course for which English, reading or math is a prerequisite.
      ii. The student is pursuing a degree or transfer pathway and does not have current valid district approved course placement scores on file or does not have previous college credit in English, reading and math.
      iii. The student for whom English is not the primary language and is taking his or her first English as a Second Language class is required to take a test of English proficiency.
   B. Course placement scores will be valid for two years.
   C. Reading Placement Scores that indicate "Exempt from CRE101" Do Not Expire.
   D. Students will be permitted one re-test in English, reading, or by math level at least a 24-hour waiting period. ONE additional re-test is permitted no sooner than three months from the oldest valid score date at any course placement testing site.
   E. The vice president of student affairs or designee may approve re-testing for students with special needs or circumstances. The re-test date will then serve as the date of record.
   F. Students will be exempt from a course placement test if at least one of the following conditions apply:
      i. The student has earned an associate or higher degree from a regionally accredited college.
      ii. The student has earned college credits from a regionally accredited college in English, reading, and math with a grade of C or higher.
      iii. The student has currently valid district approved course placement scores on file.
   G. The student who is exempt from a course placement test must fulfill the minimum graduation requirements.

2. **Course Placement**
   A. Students who enroll in English, Reading, or Math will be advised and placed into courses based valid district approved scores.
   B. Students who test into course(s) that are below college-level (i.e., Below 100-Level) will be advised and placed into the course(s) within the first two semesters enrolled.
   C. A department/division chair or designee may grant a course placement waiver under special circumstances. The signed waiver will be noted on the student's electronic record.

3. **Implementation of Policy**
   To ensure consistency of the course placement process within the Maricopa Community Colleges:
   A. All colleges shall accept the same approved course placement instruments.
   B. All colleges shall adhere to the same approved cut-off scores.
   C. Course placement scores will be valid for two years.
   D. Reading Placement Scores that Indicated "Exempt from CRE101" Do Not Expire.

4. **Evaluation**
   The Maricopa Community Colleges will provide an ongoing evaluation of the course placement process. An annual report shall be submitted to the Governing Board to indicate the policy's effectiveness noting the number of students assessed, their placement scores and their success in courses. Every three years a thorough review of the policy and procedures shall be implemented, including recommendations from the English, Reading and Math Instructional Councils regarding cut-off scores, course placement assessment tools and procedures.

2.2.8 REGISTRATION

Students must register according to the dates indicated and in the manner described in the college class schedule. To be eligible for registration, students must have completed the appropriate steps listed under the Admissions section. The college may allow early or priority registration. Tuition and fees must be paid or payment arrangements made by the due date to secure class enrollment. Students may not attend a class for which they are not registered.

The colleges reserve the right to enroll students in courses. The final decision for admission to any class for students admitted under Section 2 of AR 2.2.1 will be determined by the designated college administrator in consultation with the department chairperson and/or faculty.

Class Registration Deadlines:

1. For classes with published start dates and meeting times, registration in the class must be completed before the first official class meeting date and time. Students may not register for a class once it has started. Self-Service registration for a class through my.maricopa.edu will end at 11:59 PM on the day before the class starts. Registration for a class on the date it starts must be

done in person or on the phone, and must be completed before the class start time.

2. For classes without published meeting times (for example, online classes, special projects), registration in the class must be completed by 11:59 PM on the day before the class starts.
3. Exceptions
    a. Exceptions to class registration deadlines require permission of appropriate instructor(s) and approval of the appropriate department/division chair or designee.
        b. Exceptions are limited to
            i. Courses requiring permission of instructor
            ii. Courses requiring auditions or try-outs
            iii. Courses for Special Populations or Cohorts
            iv. Enrollment in an alternative section of a course taught by the same instructor
            v. Enrollment in an alternative section of a course taught by a different instructor
            vi. Course level changes
            vii. Students dropped for non-payment during the 100% refund period may be reinstated if they attended since the first class meeting.
            viii. Students dropped due to Human or system errors may be reinstated if they attended the first class meeting.
            ix. Other exceptions may be granted after faculty consultation with the student.

2.2.9 TUITION AND FEES POLICY

Tuition and fees are public monies within the jurisdiction and responsibility of the Maricopa Community Colleges Governing Board under the laws and regulations of the State of Arizona and must be administered by the Governing Board. The Governing Board reserves the right to change tuition and fee charges when necessary without notice. All students are classified for tuition purposes under one of the following residency classifications:

1. Maricopa County resident
2. Out-of-County resident
3. Out-of-State resident (including F-1 non-immigrant students)

Residency for tuition purposes is determined in accordance with state law (A.R.S. §15-1801, et. seq.) and regulations of the Maricopa Community Colleges Governing Board. All of the Maricopa Community Colleges are subject to the above statutes and regulations. Students who have questions about their residency should contact the Admissions and Records Office/Office of Student Enrollment Services for clarification.

Students attending more than one Maricopa Community College will be assessed fees for their enrollment at each of the Maricopa Community colleges/centers. (Students who are considered to be out-of-state residents for tuition and fees purposes should refer to the Concurrent Enrollment in Arizona Public Institutions of Higher Education policy under the Residency section of this publication.)

1. Time of Payment*
   All tuition, fees, assessments and deposits must be paid at the time of registration or by the specified deadline date and in accordance with the fee schedule approved by the Maricopa Community Colleges Governing Board.

2. Tuition and Fees Schedule (effective July 1, 2016 for fall, spring and summer sessions)*
   Current information can be found at: https://chancellor.maricopa.edu/public-stewardship/governance/administrative-regulations/appendices/students-appendices/s-4-tuition-and-fee-schedule

   The following is a tuition and fees schedule for 2017-2018 and is provided for reference. ***These tuition and fees are subject to change.*** Consult the college's Admissions and Records Office/Office of Student Enrollment Services for course fees in effect during the semester/term in which you intend to register. See Appendix S-4.

Appendix S-4: Tuition & Fee Schedule Student Status

2017-2018	Maricopa County Resident (In County)	In County Resident Audit Rate	Out of County Resident	Non-Resident Living in Arizona	Non-Resident Study Abroad Program	Non-Resident Distance Learning	Western Undergraduate Exchange(WUE)

* Students from any other county in Arizona are considered Maricopa County Residents (in county) due to a reciprocal arrangement with that county. Reciprocal agreements allow for in-county tuition rates for residents of all Arizona counties *except* Apache, AND Greenlee counties without an Out-of-County Residence Affidavit.

** According to ARS §15-1802F, "A person who is a member of an Indian tribe recognized by the US Department of the Interior whose reservation lies in this state and extends into another state and who is a resident of the reservation is entitled to classification as an in-state student." Therefore, unclassified and out-of-state surcharges do not apply to such students.

*** According to ARS §15-1470, community college districts may offer credit and noncredit courses and services outside of this state. A district is not entitled to state aid payments for students who are provided courses and services outside of this state.

\+ This rate applies to out-of- state resident students who are taking distance learning courses or students who are taking classroom-based credit courses through a contract agreement between MCCCD and the company they work for. This rate does not apply to Study Abroad Programs as there is a separately calculated rate for those students.

A. Determine Student Residency Status
Refer to admissions information (AR 2.2.2) of the college catalog for residency information and to review the requirements for classification as a Maricopa county resident. Contact the Admissions and Records Office/Office of Student Enrollment Services if you have questions about residency requirements.

B. Use the Chart to Locate Tuition Charges
Determine the correct column based on your residency status and then select the number of credit hours. The general tuition chart is provided for reference only.

C. Add Any Additional Fees
A one-time, per semester $15 registration fee is due by the official start of the term (semester) or by the specified due date or at time of registration.

D. There may also be additional course fees for classes, please refer to the college schedule for course fees.

E. If you choose to audit a class, add an additional fee of $25 per credit hour.

F. Additional course fees may apply for specific courses. Check with the college's Admissions and Records Office/Office of Student Enrollment Services for a current listing of course fees.

G. Pay Your Fees - Payment of fees may be made by cash, check, money order, VISA, MasterCard, Discover or American Express. Payment Plan options are also available.

NOTE: If you do not pay your tuition and fees at the time of registration or by the specified due date, you may be dropped from your classes and may be responsible for the tuition and fees based on the refund schedule which outlines the refund deadlines for each course.

Skill Center Tuition Rates

Regular	$5.00 per clock hour
Nursing Assistant	$6.00 per clock hour
Practical Nursing	$6.00 per clock hour

Credit by Examination & Credit by Evaluation (excludes Allied Health courses)

Regular Rate	$86.00 per credit hour
Contract Rate	$43.00 per credit hour

3. **Outstanding Debts**

Any debt or returned check may revoke a student's current enrollment and the student's right to register in subsequent semesters at all Maricopa Community Colleges. Delinquent debts may require penalties, late charges, collection costs, and/or legal fees to be paid before good standing is restored to the student.

The following procedure will be used for the collection of returned checks and other outstanding debts:

A. The designated college official or fiscal officer is responsible for:
   i. verifying the student's District-wide debt,
   ii. attempting to notify the student of the debt, and
   iii. attempting to collect the debt.

B. All Maricopa Community College services will be withheld pending payment of debt (at designated college office) with cash, certified check or money order or online with debit or credit card or in person with credit card. Student may be withdrawn from classes.

C. If other collection attempts fail, the Maricopa Community Colleges District Office will either collect or use other means available, including:
   i. collection agency, requiring payment of collection fees by the student;
   ii. the Tax Refund Setoff Programs as stated in A.R.S. §42-133;
   iii. litigation, requiring payment of court costs and legal fees by the student.

D. Debt holds may be lifted by the appropriate College or District business services designee for the extension of services provided that at least one of the following conditions are met:
   i. MCCCD staff verify that full payment has been made to another College;
   ii. The College can deduct payment from a financial aid award made to the student (referring to student authorization guidelines for regulations on applying federal financial aid to debt balances);
   iii. A third party not related to the student, such as an employer or state agency, makes a verified payment directly to the College; or
   iv. It is determined and verified with the appropriate MCCCD office that the hold resulted from a system error and the error is due to an activity that requires correction by the appropriate College or District personnel.

Admission Criteria to Attend a College within the Maricopa Community College District (MCCCD) is determined in accordance with state law (ARS §§15-1805.01 AND 15-1821) and regulations of the Maricopa Community Colleges Governing Board and the Chancellor. As such, participants enrolled in courses as part of third party agreements are also subject to the same admissions criteria. This includes the participants resolving any current enrollment or administrative holds that are unrelated to the Third party in an existing student account, but that otherwise impact his/her eligibility to enroll in courses or participate in programs delivered by MCCCD faculty or staff.

4. **Discounted Fees and Waivers**

A. Citizens 62 years of age and older shall be issued ID cards that allow them the privilege of attending events at no cost and that allow them to use the library facilities.

B. Employees, Dependents and Mandated Groups
   The Maricopa Community Colleges waives tuition and student activity fees for employees and their dependents, and for legislative mandated groups. Special fees and fees for Non-Credit/Special Interest Community Services courses are not waived.

C. Tuition and Registration Fee Waiver for Members of the Pima-Maricopa Indian Community
   Tuition and fee waivers shall be funded through Auxiliary Fund Monies for college credit courses for the enrolled members of the Pima-Maricopa Indian Community who live on the Pima-Maricopa Reservation.

All other guidelines and procedures established for the purpose of administering waivers, affidavits and exemptions are outlined in the Maricopa Community Colleges tuition waiver manual.

COLLEGE SPECIFIC FEES

Please check with the PVCC Admissions & Records or Fiscal Office. Students may incur expenses beyond the established fees in certain courses. Noncredit Courses / Seminars / Workshops / Community Services: fees for these are determined by the length and type of each course and will cover total costs.

Registration Processing Fee - (assessed on a per student, per semester, per college basis)	- Refundable only if the student drops all credit classes at a particular college during the 100% refund period	$ 15.00

2.2.10 REFUND POLICY

1. **Refund Policy for Credit/Clock Classes**
   Students who officially withdraw from credit/clock classes (in fall, spring, or summer) within the withdrawal deadlines listed below will receive a 100% refund for tuition, class and registration processing fees. Deadlines that fall on a weekend or a college holiday will advance to the next college workday except for classes fewer than 10 calendar days in length or as specified by the college. Calendar days include weekdays and weekends. Refer to individual colleges for withdrawal and refund processes. Never attending is not an allowable refund exemption or an excuse of the debt incurred through registration.

Length of Class	Official Withdrawal Deadlines for 100% Refund*
1–9 calendar days	Prior to the class start date
10–19 calendar days	1 calendar day including the class start date
20–29 calendar days	2 calendar days including the class start date
30–39 calendar days	3 calendar days including the class start date
40–49 calendar days	4 calendar days including the class start date
50–59 calendar days	5 calendar days including the class start date
60–69 calendar days	6 calendar days including the class start date
70+ calendar days	7 calendar days including the class start date

**Course fees and registration processing fees will be refunded only if the student qualifies for a 100% refund. Debts owed to any MCCCD college must be satisfied before any refunds are paid to the student. Refunds for students receiving federal financial assistance are subject to federal guidelines. Requests for exceptions to the refund policy must be filed within one year from the semester in which the course was taken.*

2. **Refund Policy for Non-Credit Classes**
   Unless otherwise specified, students must drop non-credit classes prior to the course start date to be eligible for a 100% refund.

3. **Canceled Classes**
When a class is canceled by the college, a 100% refund will be made.

4. **Refund Exceptions**
Students withdrawing from a college or from courses for one of the following reasons must submit a written request for a refund exception to the Admissions & Records Office/Office of Student Enrollment Services or designated college official:
A. A student with a serious illness, verifiable by a doctor's written statement that the illness prevents the student from attending all classes for the semester. The doctor's statement must be on file with the college before a refund can be given.
B. Serious illness or death of an immediate family member that prevents the student from attending all classes for the semester. Immediate family members include spouse/partner, father, mother, grandfather, grandmother, child, foster child, grandchild, stepchild, sibling, stepsibling, stepfather, stepmother, or spouse's/partner's father, mother, grandfather, grandmother, or in-laws in any one incident. Appropriate documentation must be provided before a refund can be given.
C. Death of a student. Appropriate documentation must be provided before a refund can be given.
D. A student in the Armed Forces or the Arizona National Guard who is called to active duty and assigned to a duty station, verifiable by a copy of the orders, will be allowed to withdraw and receive a 100% refund of tuition, provided courses have not been completed. Requests for a total withdrawal from a college or courses for one of the above reasons may result in a partial prorated refund of tuition, provided courses have not been completed. All decisions made by the College are final.

LIMITATION: Never attending is not an allowable refund exception or an excuse of the debt incurred through registration.

5. **Refund Policy for Department of Defense Tuition Assistance Funds**
Students who receive tuition assistance (TA) funds for a course or courses from the department of defense (DOD) may have a refund processed and returned to the student's DOD branch of service in the following situations. Refer to individual colleges for withdrawal and refund processes.
A. Per refund exception D, a student who is called to active duty and assigned to a duty station, verifiable by a copy of the orders, will be allowed to withdraw, provided courses have not been completed. Aa 100% refund of TA funds will be issued to the student's DOD branch of service.
B. A student who withdraws for reasons other than those outlined above within the first 60% of the period for which funds were received will have the proportional amount of unearned TA funds returned to the student's DOD branch of service. Refer to individual colleges and DOD branch of service for potential student financial responsibility as a result of withdrawal. *Requests for refund should be referred directly to the college of enrollment.*

2.2.11 STUDENT FINANCIAL ASSISTANCE

The Maricopa Community Colleges provide students financial assistance to enable access to higher education. Student financial assistance shall be awarded on the basis of demonstrated financial need except where funds are specified for recognition of special talents and achievements. Additional procedural information on financial assistance is available in Appendix S-5.

Appendix S-5: Student Financial Assistance
The Maricopa Community Colleges provide students financial assistance to enable access to higher education. Student financial assistance shall be awarded on the basis of demonstrated financial need except where funds are specified for recognition of special talents and achievements. Only those with a lawful presence in the United States may qualify for Federal Financial Aid or Maricopa County Community College District (MCCCD) scholarships. Under Arizona Law, any information the student provides about his or her legal status when applying for Financial Aid or publicly funded scholarships may be subject to mandatory reporting to Federal Immigration authorities. This does not apply to applications for the private scholarship funds held in and distributed by the Maricopa Community Colleges Foundation.

The office of financial aid may request to have the validity of a student's high school completion evaluated if either the college or the United States Department of Education has reason to believe that the high school diploma is not valid or was not obtained from an entity that provides secondary school education. An evaluation may be conducted on the basis of any of the following:

- Alerts, bulletins, or similar communications provided by any state, federal, or other governmental agency, another institution, a professional or similar organization, or any other resource that might provide information helpful to the evaluation;
- A transcript or other record received from another institution the student may have attended;
- The contents of the student's Free Application for Federal Student Aid, student information form, or any other information the student provides to the college;
- The independent professional judgment by any official of the office of student financial aid.

How to Apply for Federal Financial Aid
New students must complete the Free Application for Federal Student Aid (FAFSA) or FAFSA on the Web at http://www.fafsa.ed.gov/. Each academic year, continuing students must reapply by completing a FAFSA, Renewal FAFSA, or FAFSA on the Web. Scholarships require separate applications. Specific information regarding financial assistance, including application deadlines or priority dates, may be obtained from the college Office of Student Financial Aid.

Types of Aid
Grants, loans, student employment, and scholarship funds may be available from federal, state, and/or private sources.

The Maricopa Community Colleges Foundation offers a variety of scholarship opportunities. Scholarship opportunities are available year round. However, most scholarships are posted mid-January and most deadlines are the last week of March. Options are available at at https://mcccdf.org/ or by calling 480-731-8400.

Distribution of Aid
Criteria by which aid is distributed among eligible financial aid applicants are available on request at the college Office of Student Financial Aid.

Rights and Responsibilities
Students should read all information provided in the process of applying for federal financial aid in order to gain a greater knowledge of all the rights as well as responsibilities involved in receiving that assistance.

Satisfactory Academic Progress
Specific requirements for academic progress for financial aid recipients are applied differently than scholastic standards. In addition to scholastic standards which are explained elsewhere in this catalog, financial aid recipients are also subject to the following Standards of Satisfactory Academic Progress. Specific information is available at the college Office of Student Financial Aid.

Refunds and Repayments
In accordance with federal regulations (CFR 668.22), a student may be required to repay federal financial aid funds if they completely withdraw, are withdrawn, or fail to earn a passing grade from all classes during a semester. Further information is available at the college Office of Student Financial Aid. This could affect a student's ability to receive Financial Aid in the future at any school. For a student receiving Financial Aid, also see Appendix S-7 for Withdrawal procedures.

Verification of Information
1. A Free Application for Federal Student Aid (FAFSA) or a change to that FAFSA may be selected for verification. If a student's FAFSA is selected for verification, the student will be notified via the Student Center in my.maricopa.edu. In most cases, the student will be required to submit documentation as part of the verification process. The earlier the Financial Aid Office receives the required documentation, the earlier the student's eligibility for financial aid can be determined. The verification process must be completed no later than 120 days after the last date of enrollment or August 31, whichever comes first. In addition, the Financial Aid Office must receive a final and valid electronic SAR by the student's last day of enrollment or June 30 of the award year, whichever comes first. The verification process must be completed before the Financial Aid Office can award any federal aid.
2. If an award has already been made and a FAFSA is selected for verification, the student must provide required documentation within thirty days after it has been requested of the student or on June 30, whichever comes first. If documentation is not received within this deadline, the student's award may be adjusted or canceled.
3. The required forms and documents a student submits for verification will be compared to the information reported on the student's FAFSA. If the information provided does not match what is shown on the FAFSA, the Financial Aid Office will submit changes to the US Department of Education FAFSA processor. After all changes are made to the FAFSA data, the student's eligibility for financial aid will be reviewed. If there are any changes to the student's financial aid eligibility as a result of verification, the student will be notified by means of the Student Center in my.maricopa.edu. If, following verification, the institution discovers evidence of student aid fraud (including identity theft), waste or abuse of US Department of Education funds, such evidence may be referred to the Office of Inspector General of the US Department of Education.

Award Amount and Level of Enrollment
Award amount is determined, in part, on the level of enrollment. A reduction in course load after financial aid has been awarded may result in an adjusted financial aid award. Federal student aid recipients are advised to register at the same time for all classes they intend to take during a semester to maximize award. Some federal aid may not be awarded for classes added at a later date. Contact the college Office of Student Financial Aid for more information.

Repeated Coursework and Financial Aid Enrollment Status

Federal regulations regarding repeated coursework may impact your financial aid eligibility and awards. Federal regulations specify that students may receive federal financial aid funding for one repetition of a previously passed course. A passed course is defined as one in which a grade of A, B, C, D, or P is received. If you enroll in a course in which you have previously received passing grades twice, the course will not be counted towards your enrollment level for financial aid purposes. You may repeat a failed course until it is passed. Your enrollment for financial aid purposes will be calculated accordingly.

Maricopa Community Colleges Standards of Satisfactory Academic Progress (SAP) for Financial Aid Eligibility

Federal regulations (CFR 668.32(f) and 668.34) require a student to move toward the completion of a degree or certificate within an eligible program when receiving financial aid. Specific requirements for academic progress for financial aid recipients are applied differently than Scholastic Standards. Federal regulations state that Academic Progress Standards must include a review of all periods of enrollment, regardless of whether or not aid was received. Students will be evaluated using the standards described below. Failure to meet any of these minimum standards will result in loss of title IV, HEA program (federal financial aid) eligibility.

Evaluation Period

Standards of Satisfactory Academic Progress (SAP) will be evaluated at the end of each semester; fall, spring and summer. Programs less than one year in length will be evaluated at the midpoint of the program. Non-standard sessions will be evaluated at the completion of the session.

Standards of Satisfactory Academic Progress

Standards of Satisfactory Academic Progress (SAP) are evaluated on each of the three measurements outlined below. Failure to meet any of these standards will result in suspension of eligibility for financial aid.

Note: Grades of F,I,N,W,X,Y,Z, and courses not yet graded are considered attempted but not meeting progress standards for the purposes of financial aid.

- **Grade Point Measurement**

  Students must meet the following credit hour/cumulative grade point average (CGPA).

Total Credits Attempted*	Min CGPA
< 15.75	1.60
16–30.75	1.75
31–45.75	1.90
46 *	2.00

**for which grade points are computed*

- **Pace of Progression Measurement**

  Students must successfully complete 2/3 (66.67%) of all attempted course work during the semester.
- **Maximum Time Frame Measurement**

  Students who have attempted more than 150% of the published credits required for their program of study are considered not meeting SAP.

Coursework Treatment in SAP Calculation

Course work taken during the semester also included in the evaluation:

- Courses funded through a consortium agreement
- All attempted remedial credits
- Repeated course work

Course work included in the Maximum Time Frame evaluation:

- All of those included in the semester evaluation
- All evaluated transfer credits
- Any Bachelors degree or higher earned will be considered to have exhausted maximum timeframe eligibility

Course work not included in SAP evaluation:

- Audited courses
- Non-credit courses
- Credit by examination
- Credit for prior learning option (as outlined in the college general catalog)

Notification

Students that have applied for federal assistance, but who do not meet the standards, will be notified. This notification will direct students to information regarding the appeal process.

Ineligibility Determination Appeal

Any student who has lost financial aid eligibility due to extenuating circumstances may appeal. Appeal must:

- Be in writing and submitted to the Financial Aid Office where the student is applying for aid.
- Include the extenuating circumstances that caused the student not to meet SAP standards.
- Include appropriate supporting documentation.
- Include how that condition or situation has been resolved thus allowing the student the ability to meet SAP standards.

Students will be notified of the results of their appeal and any restrictions or conditions pertaining to their appeal. The outcome of an appeal may include a probationary term or denial.

Failure to successfully complete all conditions during the probationary period (as defined in the academic plan) will result in loss of financial aid eligibility.

Regaining Eligibility

A student who has lost financial aid eligibility may only regain eligibility by meeting the minimum SAP standards. Course work taken at other colleges will not be considered for reinstatement purposes.

Terminology and Information Pertaining to this Policy

- **Summer Sessions** - Enrollment in any or all Summer Sessions within the same calendar year will be considered one term.
- **Non-Standard Session** - Sessions that do not follow the traditional start and end dates for the semester.
- **Attempted Credit** – Any credit for which a grade of A, B, C, D, F, I, IP, N, P, W, X, Y, or Z is received and courses not yet graded.
- **CGPA [Cumulative Grade Point Average]** – The MCCCD grading policy is published in the administrative regulations at 2.3.3. The CGPA does not include credits accepted in transfer.
- **Appeal** – "A process by which a student who is not meeting the institution's satisfactory academic progress standards petitions the institution for reconsideration of the student's eligibility for title IV, HEA program assistance."
- **Extenuating Circumstance** – Examples are: personal injury or illness, serious illness or death within the immediate family, or other circumstance beyond the reasonable control of the student.
- **Supporting Documentation** – Examples could include: an obituary notice, divorce decree, an accident report, or a letter from a physician, attorney, social services agency, etc.
- **Financial Aid Warning** – "A status assigned to a student who fails to make satisfactory academic progress at an institution that evaluates academic progress at the end of each payment period" (semester).
- **Financial Aid Probation** - "A status assigned by an institution to a student who fails to make satisfactory academic progress and who has appealed and has had eligibility for aid reinstated." A student in this status "may not receive title IV, HEA program funds for the subsequent payment period unless the student makes satisfactory academic progress or the institution determines that the student met the requirements specified by the institution in the academic plan for the student."
- **Academic Plan** – A plan developed through the SAP Appeal Process which will lead a student to qualify for further title IV, HEA program funds.
- **Financial Aid Suspension** – The status assigned upon failing to meet the minimum SAP standards or the terms of a probationary status. Students in this status are not eligible to receive title IV, HEA assistance.

For more information, please contact the college Financial Aid Office.
If you are receiving federal financial aid it is important to read the information below prior to making a decision to withdraw.

TREATMENT OF TITLE IV AID WHEN A STUDENT WITHDRAWS

The law specifies how your school must determine the amount of Title IV program assistance that you earn if you withdraw from school. The Title IV programs that are covered by this law are: Federal Pell Grants, TEACH Grants, Stafford Loans, PLUS Loans, Federal Supplemental Educational Opportunity Grants (FSEOGs), and Federal Perkins Loans.

When you withdraw during your payment period or period of enrollment (you may contact the Financial Aid office to define these for you and tell you which one applies) the amount of Title IV program assistance that you have earned up to that point is determined by a specific formula. If you received (or your school or parent received on your behalf) less assistance than the amount that you earned, you may be able to receive those additional funds. If you received more assistance than you earned, the excess funds must be returned by the school and/or you.

The amount of assistance that you have earned is determined on a pro-rata basis. For example, if you completed 30% of your payment period or period of enrollment, you earn 30% of the assistance you were originally scheduled to receive. Once you have completed more than 60% of the payment period or period of enrollment, you earn all the assistance that you were scheduled to receive for that period.

If you did not receive all of the funds that you earned, you may be due a post-withdrawal disbursement. If your post-withdrawal disbursement includes loan funds, your school must get your permission before it can disburse them. You may choose to decline some or all of the loan funds so that you don't incur additional debt. Your school may automatically use all or a portion of your post-withdrawal disbursement of grant funds for tuition, fees, and room and board charges (as contracted with the school). The school needs your permission to use the post-withdrawal grant disbursement for all other school charges. If you do not give your permission, you will be offered the funds. However, it may be in your best interest to allow the school to keep the funds to reduce your debt at the school.

There are some Title IV funds that you were scheduled to receive that cannot be disbursed to you once you withdraw because of other eligibility requirements. For example, if you are a first-time, first-year undergraduate student and you have not completed the first 30 days of your program before you withdraw, you will not receive any FFEL or Direct loan funds that you would have received had you remained enrolled past the 30th day.

If you receive (or your school or parent receives on your behalf) excess Title IV program funds that must be returned, your school must return a portion of the excess equal to the lesser of:

1. your institutional charges multiplied by the unearned percentage of your funds, or
2. the entire amount of excess funds. The school must return this amount even if it didn't keep this amount of your Title IV program funds.

If your school is not required to return all of the excess funds, you must return the remaining amount. Any loan funds that you must return, you (or your parent for a PLUS Loan) repay in accordance with the terms of the promissory note. That is, you make scheduled payments to the holder of the loan over a period of time. Any amount of unearned grant funds that you must return is called an overpayment. The maximum amount of a grant overpayment that you must repay is half of the grant funds you received or were scheduled to receive. You must make arrangements with your school or the Department of Education to return the unearned grant funds.

The requirements for Title IV program funds when you withdraw are separate from any refund policy that your school may have. Therefore, you may still owe funds to the school to cover unpaid institutional charges. Your school may also charge you for any Title IV program funds that the school was required to return. You can view the tuition refund policy and requirements and procedures for withdrawing from school at https://chancellor.maricopa.edu/public-stewardship/governance/administrative-regulations/2-students/2.2-admission-registration-enrollment

2.2.12 VACCINATIONS (AS REQUIRED BY 20 USC §1092(A)(1)(V)):

The Maricopa County Community College District does not require that students receive vaccinations prior to enrollment. Certain professional or occupational programs do require particular vaccinations for participation in those programs. More information about these programs can be found on college websites.

2.9 VETERANS SERVICES

The Maricopa Community Colleges' veterans services offices act as liaisons with the Department of Veterans Affairs. Each program must be approved by the Department of Veterans Affairs. Students may be eligible to receive educational benefits if they are registered in courses that apply to the student's approved program. Application forms, counseling, advisement and tutoring are available for students who are eligible for veteran's educational benefits. Students applying for veteran's educational benefits should allow eight to ten weeks before receiving benefits. The amount of benefits awarded is determined by the Department of Veterans Affairs, and is based on the number of credit hours or clock hours for which a student is enrolled and the length of the enrollment period for each course.

VETERAN'S BENEFITS AVAILABLE:

1. Chapter 30 - Montgomery GI Bill
2. Chapter 31 - Vocational Rehabilitation (separately served through the local VA office)
3. Chapter 32 - VEAP Program
4. Chapter 33 - Post 9/11 GI Bill & Transfer of Eligibility to Dependents (TOE)
5. Chapter 35 - Survivors and dependents of deceased/100% disabled veterans
6. Chapter 1606 - Montgomery GI Bill, Selected Reserve
7. Chapter 1607 - REAP Reserve Educational Assistance Program

It is the student's responsibility to notify the office that serves veterans at their campus regarding any change in enrollment, address, program of study, enrollment at another institution, or any other change that may impact their veteran's educational benefits. Those students receiving benefits must follow the VA academic progress policy to continue to receive benefits.

Department of Veterans Affairs regulations require that all persons using any type of veteran educational assistance program make satisfactory academic progress toward achievement of their educational objective (program of study). A student who does not meet the minimum standards of 2.0 upon completion of 12 or more credit hours will be placed on probation, at which point the student will have no more than two semesters in which to improve academic standing to acceptable. At this point, if satisfactory academic progress has not been demonstrated, veteran educational benefits will be terminated. Benefits may be resumed when the student raises the cumulative grade point average to the required minimum standards or demonstrates the ability to meet these standards through the approval of a written appeal. For appeal procedures, contact the office that serves veterans at your campus.

For additional details and information regarding veteran's educational benefits, contact the office that serves veterans at your campus.

DISTANCE LEARNING:
The course content and compenencies for Distance Learning classes are the same as courses offered in-person or in a hybrid format. The courses offered in this format lead to completion of MCCCD degrees and/or certificates of completion.

Colleges use Learning Management Systems (LMS) like Canvas and RioLearn for online offerings. These portals are used for both hybrid and online classes. Students must use their Maricopa Enterprise ID and password to access the portal. The link to the portal is provided on the college home page and on my.maricopa.edu, the district's website for student access to Maricopa tools. Maricopa-assigned student email addressed are used for communicating with students within the tools. Students are also able to communicate with the instructor through the LMS, via Maricopa email or by phone.

EXTERNSHIP PROGRAMS:
The Maricopa Community College's official district course descriptions for credited experiential learning opportunities (internships, externships, practicums, and clinicals) state the amount of hours required in order for a student to receive college credit. The descriptions also indicate if a maximum amount of credit is allowable for any given experiential learning opportunity. Each course that includes an experiential learning opportunity is assigned a Maricopa instructor of record who is responsible for ensuring that the student completes the required hours and assignments in order to receive credit. Additionally, the instructor works extensively with a site supervisor to ensure that the student is making satisfactory progress and meeting the time requirements. The experiential credit process for the student includes the specific course details and learning outcomes, how hours will be tracked, and what is required for grading and course completion. The instructor submits the final grade for the experience. Maricopa's experiential learning process is in compliance with CFR 38 21.4265

A complete list of internship courses, along with course objectives, can be found on the Maricopa Community College's District - Center for Curriculum and Transfer Articulation website, located at: https://asa.maricopa.edu/departments/center-for-curriculum-transfer-articulation.

PRIOR CREDIT EVALUATION:
Department of Veterans Affairs requires that all persons using any type of Veteran's educational assistance must have all prior education and training evaluated. Students will be required to request transcripts from all prior institutions, include military training. Without all prior institutions and military training, veteran educational assistance may not be certified. Transcripts will be evaluated and credit will be granted, as appropriate.

SCHOLASTIC STANDARDS

2.3.1 ACADEMIC LOAD

A credit hour is defined as an amount of work represented in course competencies and verified by evidence of student achievement that reasonably approximates not less than one hour of classroom or direct faculty instruction and a minimum of two hours of out-of-class student work each week for approximately fifteen weeks for one semester hour of credit, or the equivalent amount of work over a different amount of time, or at least an equivalent amount of work for other academic activities, including laboratory work, internships, practica, studio work, and other academic work leading to the award of credit hours. In accordance with common practice in higher education, instruction representing a credit hour is typically delivered in a 50 minute class period.

- Students carrying at least twelve (12) credit hours will be considered full-time students for the fall and spring semesters. Three-quarter-time is 9-11.9 credit hours. Half-time is 6-8.9 credit hours. Fewer than six (6) credit hours is considered less than half-time. Academic load for summer and special terms may be defined differently. Contact the Admissions and Records Office/Office of Student Enrollment Services for clarification.
- Courses may vary in length, and begin and end throughout the year. A credit hour indicates the value of an academic credit. Standards for the awarding of credit hours may be time based or competency based. To obtain credit, a student must be properly registered and must pay fees for the course. The fall and spring semesters are typically sixteen (16) weeks in length. Summer sessions are typically five or eight weeks in length.
- Students desiring to take more than eighteen (18) credit hours must obtain approval from the designated college official. Ordinarily, only students with a grade point average of 3.0 or higher for the preceding semester or first semester students who were in the upper quarter of their high school graduating class are permitted to carry more than eighteen (18) credit hours.
- Students participating in extra-curricular or co-curricular activities or receiving financial assistance may be required to maintain a specified minimum academic load.
- Students who are working, have considerable extra-curricular or co-curricular activities, or have been reinstated from academic suspension/probation should plan their academic load accordingly.

SCHEDULE CHANGES

Students may change their schedule by following the designated procedures at their college of enrollment. It is the student's responsibility to notify the college if he/she will no longer be attending class (see Appendix S-7 for Withdrawal Procedures).

2.3.2 ATTENDANCE (AR 2.3.2)

- Only persons who are registered for a class at any of the Maricopa Community Colleges may attend that class.
- Attendance requirements are determined by the course instructor. Students who do not meet the attendance requirement as determined by the course instructor may be withdrawn.
- Students who fail to attend the first scheduled class meeting, or to contact the instructor regarding absence before the first scheduled class meeting may, at the option of the instructor, be withdrawn.
- At the beginning of each course, each faculty member will provide students with written attendance requirements. It is the student's responsibility to consult with the instructor regarding official or unofficial absences. Absences begin to accumulate with the first scheduled class meeting.
- Students bear the responsibility of notifying the Admissions and Records Office/Office of Student Enrollment Services when they discontinue studies in a course or at the college. Please refer to Appendix S-7 for Withdrawal Procedures.

1. Official Absences

A. Official absences are those which occur when students are involved in an official activity of the college (e.g., field trips, tournaments, athletic events) and present an official absence excuse form. Absences for such events shall not count against the number of absences allowed by an instructor or department. Students who must miss a class for an official reason must obtain an official absence verification card from the appropriate vice president or designee, and present it to the appropriate instructor(s) before the absence. Prior arrangements must be made with each instructor for make-up work. If prior arrangements have been made, the student will not be penalized.

B. Other official absences include jury duty and subpoenas. Appropriate documentation will be required. Prior arrangements must be made with each instructor for makeup work. If prior arrangements have been made, the student will not be penalized.

C. In the event of military commitments. Absences for periods of up to one week will not be counted against the number of absences allowed by an instructor or department. The student is required to provide appropriate documentation of the specific orders, length of assignment and location. Prior notification must be initiated with each instructor to discuss make-up work. If the length of the absence will be longer than one week, the instructor and the student will determine whether there is sufficient opportunity for the student to make up the work. If it is determined that

the length of absence for the military commitment provides an undue hardship on the student's ability to make up the assignments, he or she will be provided an opportunity to request an incomplete grade or drop the class or, in the case of open-entry classes, the opportunity to request an extension.

D. In the event of the death of an immediate family member, absences for periods of up to one week will not be counted against the number of absences allowed by an instructor or department. Students should contact instructor(s) as soon as possible to arrange for make-up work. Appropriate documentation will be required (for example, a copy of the obituary or funeral program). In specialized programs that require clinical rotations, this regulation may not apply.

2. Religious Holidays

Students shall have the right to observe major religious holidays without penalty or reprisal by any administrator, faculty member or employee of the Maricopa Community Colleges. Absences for such holidays shall not count against the number of absences allowed by an instructor or department. At least one week before the holiday, students shall submit to their instructor(s) a written statement which includes both the date of the holiday and the reason why class attendance is impossible. Prior arrangements must be made with each instructor for make-up work. If prior arrangements have been made, the student will not be penalized.

2.3.3 GRADING

1. Policy

It is the policy of the Maricopa Community Colleges that a grade will be assigned at the conclusion of the course. Official grades are available on designated college web sites.

Grade Key

A	Excellent	4 grade points per credit hour
B	Above Average	3 grade points per credit hour
C	Average	2 grade points per credit hour
D	Passing	1 grade point per credit hour
F	Failure	0 grade point per credit hour
I	Incomplete	Not computed in grade point average
IP	Course In Progress	Not computed in grade point average
N	Audit	Not computed in grade point average
P*	Credit	Not computed in grade point average
W	Withdrawn, passing	Not computed in grade point average
Y	Withdrawn, failing (effective Fall 2000)	0 grade point per credit hour
Z	No Credit	Not computed in grade point average

**A "P" is judged to be equivalent to a grade of C or higher.*

2. Incomplete Grade

A. Students who are doing acceptable work may request an incomplete grade "I" if they are unable to complete the course requirements by the end of the term because of illness or other extenuating circumstances. If the request is approved by the instructor, he or she shall define, in a written/electronic contract, how the course will be completed.

B. Students must complete the requirements within the time period agreed to—maximum time allowed is seven (7) months from the last date of class in which the grade of incomplete was assigned. Students who do not complete the requirements within the approved time period will have their grade recorded in accordance with the written contract. Students should NOT reregister for the course to complete the contract.

C. A student's eligibility for financial aid may be jeopardized by an incomplete grade. Refer to the Standards of Satisfactory Academic Progress for details.

3. Repeating a Course/Improving a Grade

Students who wish to improve a previously earned grade, students may repeat a course within the Maricopa Community Colleges up to three times after the initial attempt to improve a grade. (A "W" or "Y" is not considered an attempt.). Students planning to repeat a course should seek advisement prior to enrolling. The lower grade(s) and credit for repeated courses taken at the same college will automatically be excluded from the grade point calculation. However, if the course(s) were taken at a different Maricopa Community College, students must submit a repeated course petition and an electronic official transcript(s), from that college to the Admissions and Records Office/Office of Student Enrollment Services at the college where the repeated course is to be excluded. Students receiving Federal Financial Assistance and/or benefits should follow up with the Office of Financial Aid and/or Veterans' Services regarding their policies for repeated courses. An official student transcript is a permanent academic record issued by the college registrar. It displays all courses taken for credit within the Maricopa Community Colleges District and includes all grades received. Unlike an unofficial transcript, it is signed and dated by the college registrat and displays the college seal of the Maricopa college issuing the official transcript. Check individual courses and programs for exceptions.

4. Credit/No Credit Courses (P/Z)

A. Some courses may be taken under a credit/no credit grading system. These courses carry grades of P (credit, equivalent to a grade of C or higher) or Z (no credit) and are not computed in the student's grade point average. Credits earned with a grade of P may be counted toward graduation with the exception of AGEC (Arizona General Education Curriculum).

B. The prescribed time limits are for full semester classes. Time limits for classes which meet fewer than sixteen (16) weeks are adjusted accordingly. See "Important Deadlines for Students."

C. In courses with credit/no credit (P/Z) grading, the student may request standard grading (A,B,C,D,F), within fourteen (14) days including the date of the first class meeting. The instructor must immediately notify the Admissions and Records Office/Office of Student Enrollment Services.

D. In courses with standard grading (A, B, C, D, F), the instructor determines if the credit/no credit option is available. If the option is available, the student must obtain the permission of the instructor. The instructor must notify the Admissions and Records Office/Office of Student Enrollment Services within fourteen (14) days including the day of the first class meeting.

E. It is the student's responsibility to verify the transferability of credit/no credit courses. Some universities place a limitation on the number of credit/no credit courses that can be transferred.

Advisory note: Some institutions outside the Maricopa Community Colleges may translate the Z grade as failing.

5. Audit Courses

A. Auditors are those who enroll in a course for the sole purpose of obtaining information; they receive no credit, grades, homework, or tests. If an auditor wishes to earn credit, he or she must change from audit status to credit status within the first week. If a student wishes to audit a course for which he or she is enrolled for credit, the change must be made within the first five (5) weeks of a semester. Auditors are subject to the same attendance policies as other students and must meet the same prerequisite requirements or obtain approval of the instructor. See the fee schedule for charges. Financial aid is not available for audited courses.

B. The prescribed time limits are for full semester classes. Time limits for classes which meet fewer than sixteen (16) weeks are adjusted accordingly. See "Important Deadlines for Students."

6. Important Deadlines for Students *(see chart on the following page)*

IMPORTANT DEADLINES FOR STUDENTS

Class Length	Deadline for Students to Withdraw with Guaranteed Grade of W	Deadline for Students to Withdraw from a Course (Instructor Signature Required)	Deadline for Students to Request Complete Withdrawal from the College	Deadline to Change Type of Grading (A-F to P/Z, or P/Z to A-F)	Deadline to Change from Audit Grade to Credit Grade	Deadline to Change from Credit Grade to Audit Grade
One Week or less (1 to 7 days)	1st Day of Class	1st Day of Class or Prior to the Last Day of Class	1st Day or Class or Prior to the Last Day of Class	1st Day of Class	1st Day of Class	1st Day of Class
Two Weeks (8 to 14 days)	3rd Calendar Day	6th Calendar Day	6th Calendar Day	1st Calendar Day	1st Day of Class	3rd Calendar Day
Three Weeks (15 to 21 days)	6th Calendar Day	12th Calendar Day	12th Calendar Day	2nd Calendar Day	1st Day of Class	5th Calendar Day
Four Weeks (22 to 28 days)	9th Calendar Day	17th Calendar Day	17th Calendar Day	3rd Calendar Day	2nd Calendar Day	7th Calendar Day
Five Weeks (29 to 35 days)	12th Calendar Day	23rd Calendar Day	23rd Calendar Day	4th Calendar Day	2nd Calendar Day	9th Calendar Day
Six Weeks (36 to 42 days)	14th Calendar Day	29th Calendar Day	29th Calendar Day	5th Calendar Day	3rd Calendar Day	11th Calendar Day
Seven Weeks (43 to 49 days)	17th Calendar Day	35th Calendar Day	35th Calendar Day	5th Calendar Day	3rd Calendar Day	12th Calendar Day
Eight Weeks (50 to 56 days)	20th Calendar Day	41st Calendar Day	41st Calendar Day	6th Calendar Day	3rd Calendar Day	15th Calendar Day
Nine Weeks (57 to 63 days)	23rd Calendar Day	46th Calendar Day	46th Calendar Day	7th Calendar Day	4th Calendar Day	17th Calendar Day
Ten Weeks (64 to 70 days)	26th Calendar Day	52nd Calendar Day	52nd Calendar Day	8th Calendar Day	5th Calendar Day	19th Calendar Day
Eleven Weeks (71 to 77 days)	29th Calendar Day	58th Calendar Day	58th Calendar Day	9th Calendar Day	5th Calendar Day	21st Calendar Day
Twelve Weeks (78 to 84 days)	32nd Calendar Day	63rd Calendar Day	63rd Calendar Day	10th Calendar Day	5th Calendar Day	23rd Calendar Day
Thirteen Weeks (85 to 91 days)	35th Calendar Day	70th Calendar Day	70th Calendar Day	10th Calendar Day	5th Calendar Day	25th Calendar Day
Fourteen Weeks (92 to 98 days)	38th Calendar Day	76th Calendar Day	76th Calendar Day	11th Calendar Day	6th Calendar Day	27th Calendar Day
Fifteen Weeks (99 to 105 days)	41st Calendar Day	82nd Calendar Day	82nd Calendar Day	12th Calendar Day	6th Calendar Day	28th Calendar Day
Sixteen Weeks or more (106 or more days)	End of the 7th Week	Two weeks before the last class period	Two weeks before the last class period	Within 14 days including the first class period	Within the first week of class	Within the first five weeks

Deadlines are based on calendar days and begin with the first day of class.
Deadlines that fall on a weekend or holiday advance to the next college work day.

2.3.4 ACADEMIC PROBATION (PROGRESS)

1. **Probation**
   A student will be placed on academic probation after completion of twelve (12) or more credit hours, the student's cumulative grade point average is less than 2.0.
   Students on academic probation may take no more than twelve (12) credit hours per semester unless approved by the Admissions and Standards Committee.

2. **Continued Probation**
   A student on academic probation who fails to raise the cumulative grade point average 2.0 will be placed on continued probation and may be limited to taking six (6) credit hours. Academic probation and continued probation are calculated at the conclusion of every term including summer.

2.3.5 INSTRUCTIONAL GRIEVANCE PROCESS

A student who feels that he or she has been treated unfairly or unjustly by a faculty member with regard to an academic process such as grading, testing, or assignments, has the right to appeal according to the approved procedures.

The appeal process for grades must be initiated no later than sixty (60) calendar days from the date the grade was issued. Steps outlining the process are available in Appendix S-6.

Appendix S-6: Instructional Grievance Process
A student who feels that he/she has been treated unfairly or unjustly by a faculty member (full-time or part-time) with regard to an academic process such as grading, testing or assignments, should discuss the issue first with the faculty member involved. This conference should be requested by the student within fifteen (15) working days from the time the student knew or reasonably should have known about the unfair or unjust treatment.

This instructional grievance process should not be utilized in a case in which a student feels he/she has experienced discrimination. If the student feels that he/she has experienced discrimination on the basis of race, color, religion, national origin, gender, age, disability, veteran status, or sexual orientation, the student should refer to the Discrimination Complaint Procedures for Students as administered by the Vice President for Student Affairs.

Steps for students to follow:

1. If, within ten (10) working days of the request for the conference with faculty member, the problem is not resolved or the faculty member has been unable to meet with the student, the student may continue the process by filing a written complaint with the Department/Division Chairperson and appropriate administrative officer at the college/center. This written complaint must be filed within ten working days following the previous deadline. The written complaint will be given to the faculty member five days before any official meetings are convened.
2. Upon receipt of a written complaint, the Department/Division Chair or appropriate college administrative officer will work with the parties in an attempt to resolve the conflict. The faculty may ask that the College Faculty Senate President be in attendance. Every attempt will be made to maintain confidentiality during this process. A faculty member will not be required to respond to a complaint which is not in writing and which, when appropriate, did not have specific documentation including dates, times, materials, etc. The written complaint will be made available to the faculty member.
3. If the grievance is not resolved at this level within ten working days, the student should forward to vice president of academic affairs or designee, a copy of the original written complaint with an explanation regarding action taken at each prior level. The dean of instruction or appropriate college/ center administrative officer will meet with the student, faculty member, the College Faculty Senate President if requested by the faculty member, and Department/Division Chair and attempt to resolve the issues. This level will be the final step in any grievance process regarding grades.
4. If the grievance, other than those concerning grades, is not resolved by the vice president of academic affairs or designee, it may be forwarded in writing by the student to the college president for final resolution. The college president or designee will issue a final written determination in the grievance process.
5. Instructional grievances are resolved at the college level. The district office is not an avenue of appeal for the instructional grievance process.

Note: The grievance process for grades must be initiated no later than sixty (60) calendar days from the date the grade was issued.

2.3.12 NON-INSTRUCTIONAL COMPLAINT RESOLUTION PROCESS

A student who feels that he or she has been treated unfairly or unjustly by any employee with regard to a non-instructional process such as a student or administrative services has the right to file a formal and written complaint according to the approved procedures. See Appendix S-8

Appendix S-8: Non-Instructional Complaint Resolution Process

A student who feels that he or she has been treated unfairly or unjustly by any employee with regard to a non-instructional process such as a student or administrative services has the right to file a formal and written complaint according to the approved procedures.

Steps for students to follow:

1. Discuss the issue with the employee involved. The student should request this conference within fifteen (15) working days from the time the student knew or reasonably should have known about the unfair or unjust treatment.

2. If, within ten (10) working days of the request for the conference with the employee, the problem is not resolved or the employee has been unable to meet with the student, the student may continue the process by filing a written complaint with the appropriate supervisor of the employee where authority exists to take corrective action. This written complaint must be filed within ten (10) working days following the previous deadline. The written complaint will be given to the employee five (5) working days before any official meetings are convened.

3. Upon receipt of a written complaint, the appropriate supervisor will work with the parties in an attempt to resolve the conflict. Every attempt will be made to maintain confidentiality during this process. An employee will not be required to respond to a complaint which is not in writing and which, when appropriate, does not have specific documentation including dates, times, actions, supporting documents, etc. The written complaint will be made available to the employee.

4. If the complaint is not resolved at this level within ten (10) working days, the student should forward to the or appropriate college/center dean and/or associate dean, a copy of the original written complaint with an explanation regarding action taken at each prior level. The dean and/or associate dean will meet with the student, the employee, and the relevant supervisor and attempt to resolve the issues.

5. If the associate dean and/or dean do not resolve the complaint, the student may forward it in writing to the college president for final resolution. The college president or designee will issue a final written determination in the complaint process.

2.3.6 WITHDRAWAL

To withdraw from a course or courses from the college, students must follow approved procedures (See Appendix S-7). The Office of Admissions and Records provides information about the withdrawal process. The official date of withdrawal is the date the withdrawal is received in the Admissions and Records Office/Office of Student Enrollment Services.

Never attending is not an allowable refund exception or an excuse of the debt incurred through registration. Please see the refund policy.

APPENDIX S-7: STUDENT AND FACULTY WITHDRAWAL PROCEDURES

Student Withdrawal Procedures

1. **Withdrawal from Specific Courses**
   A student may officially withdraw from specific courses in the following ways:
   A. Through the 7th week*, a student may initiate an official withdrawal from any course by completing the withdrawal process online using the student self service system or by submitting a course withdrawal form to the Admissions and Records Office/Office of Student Enrollment Services in accordance with the published deadlines. A grade of W (withdrawn, passing – not computed in the grade point average) will be assigned.
   B. After the 7th week*, a student must initiate a withdrawal request with the faculty member. If, after consultation with the student, the faculty member approves the request, a grade of W (withdrawn, passing--not computed in the grade point average) or Y (withdrawn, failing--computed in the grade point average as a failing grade) will be assigned. If the request is not approved, the student will remain in the course
   C. A student has the right to appeal a withdrawal decision according to the approved procedures. Steps outlining the process are available in Appendix S-6.

   **The prescribed time limits are for full semester classes. Time limits for classes which meet fewer than sixteen (16) weeks are adjusted accordingly. See Important Deadlines for Students. Failure to file an official withdrawal form may result in failing grades and responsibility for course tuition and fees. Refunds will only be processed within the refund period.*

2. **Complete Withdrawal from College**
   Students electing to withdraw from the college must contact the Admissions and Records Office/Office of Enrollment Services no later than two weeks* before the end of the last class meeting and may be required to file a written request.

   A grade of W will be assigned in all courses for students who withdraw by the end of the 7th week* of classes. Withdrawals completed after this time will result in a grade of W (withdrawn, passing – not computed in the grade point average) or Y (withdrawn, failing – computed in the GPA as a failing grade).

   **The prescribed time limits are for full semester classes. Time limits for classes which meet fewer than sixteen (16) weeks are adjusted accordingly. See Important Deadlines for Students. Failure to file an official withdrawal form may result in failing grades and responsibility for course tuition and fees. Refunds will only be processed within the refund period.*
3. **Withdrawal of Financial Aid Students**
   In accordance with federal regulations (34CFR 668.22), a student may be required to repay federal financial aid funds if they completely withdraw or are withdrawn, or fail to earn a passing grade from all classes during a semester. Further information is available at the college Office of Student Financial Aid. This could affect a student's ability to receive Financial Aid in the future at any school.

FACULTY WITHDRAWAL PROCEDURES
A faculty member has the option of withdrawing a student who has accumulated unofficial absences in excess of the number of times indicated in that faculty member's attendance policy in the course syllabus (see AR 2.3.2). Students withdrawn for excessive absences may be reinstated only with the approval of the faculty member. A grade of W will be assigned through the 7th week*. After the 7th week*, a grade of W or Y will be assigned. Faculty members electing to withdraw students must record the withdrawal through the online system, including last date of attendance and withdrawal code.

*The prescribed time limits are for full semester classes. Time limits for classes which meet fewer than sixteen (16) weeks are adjusted accordingly. See Important Deadlines for Students. Failure to file an official withdrawal form may result in failing grades and responsibility for course tuition and fees. Refunds will only be processed within the refund period.

2.3.7 ACADEMIC RENEWAL

Students who are returning after a separation of five (5) years or more from the Maricopa Community College District, may petition for academic renewal. The request must be in writing and submitted to the Admissions and Records Office/Office of Student Enrollment Services at the college where the grades were earned.

Academic renewal at one of the Maricopa Community Colleges does not guarantee that colleges outside the Maricopa Colleges will accept this action. Acceptance of academic renewal is at the discretion of the receiving institution.

1. Prior to petitioning for academic renewal, the student must demonstrate renewed academic performance by earning a minimum of twelve (12) credit hours and a cumulative grade point average of 2.5 or higher within Maricopa Colleges after reenrollment.
2. Upon approval, all courses taken prior to reenrollment with a grade of "A," "B," "C," "D," "F," and "Y" will be annotated as academic renewal on the student's permanent record. All course work affected by academic renewal will not be computed in the grade point average. Courses with grades "A," "B," or "C" will have the associated credit hours counted in the total credit hours earned. Such credit will not be computed in the grade point average.
3. All course work will remain on the student's permanent academic record, ensuring a true and accurate academic history.
4. The academic renewal policy may be used only once at each college and cannot be revoked once approved.
5. Students who have been granted Academic Renewal must also meet the Financial Aid Standards of Academic Progress if they wish to receive financial aid.

2.3.8 HONORS PROGRAM

Each of the Maricopa Community Colleges has an honors program. Interested students should contact the college honors coordinator for information about the program and available scholarships, including the Chancellor's, Foundation's, and President's Scholarships.

PRESIDENT'S HONOR LIST

The President's Honor List for each college consists of all students who complete twelve (12) or more credit hours in residence in courses numbered 100 or higher in a given semester with a college semester grade point average of 3.75 or higher.

2.3.9 GENERAL GRADUATION REQUIREMENTS

Note: Also see "Catalog Under Which a Student Graduates" (AR 2.2.5)

All students are required to complete the degree and/or certificate requirements as approved by the MCCCD Governing Board. The college reserves the right to make necessary course and program changes in order to meet current educational standards. In addition, students must:

1. be credited in the Admissions and Records Office/Office of Student Enrollment with not fewer than: 60 semester credit units in courses numbered 100 or above for the Associate in Arts degree, Associate in Science degree, Associate in Transfer Partnership degree, and Associate in General Studies degree; 60 semester credit units for the Associate in Applied Science degree; 62 semester credits for the Associate in Business degrees. For specific certificate programs, be credited with not fewer than the minimum total of credit units required for the certificate program. Students not continuously enrolled, as outlined in the Catalog Under Which a Student Graduates policy, must satisfy current graduation requirements.
2. have earned a minimum of 12 semester credit units toward the degree or certificate at the district college granting the degree or certificate. The 12 hours in the AAS degree curricula may be in the Required Courses area and/or Restricted Electives courses. Courses from the General Education Core and Distribution area are excluded. In cases where the certificate requires fewer than 12 credit units, a minimum of six credit units must be completed at the college awarding the certificate. The minimum of six credit hours in the certificate or degree curricula may be in the Required Courses area and/or the Restricted Electives. Courses from the General Education Core and Distribution areas are excluded. Shared Programs are programs offered at multiple colleges but not available at all colleges. The requirements are identical at all the colleges offering the program.

   A shared program requires a minimum of six credit hours from the total program requirements to be completed with a grade of "C" or better at the college awarding the certificate or degree. The exception is the Nursing program. For those shared programs with less than six credit hours, the total hours for the program must be completed at the college awarding the certificate.

   The same degree or certificate can only be awarded once within the Maricopa Community College District.
3. Have filed an application for the degree or certificate with the Admissions and Records Office/Office of Student Enrollment Services on the date determined by the college/center.
   Students must apply for graduation from the college where they have successfully completed Block 4 of the Associate in Applied Science in Nursing.
4. Have a minimum cumulative grade point average of 2.000 at the college granting the degree.
5. Have a minimum cumulative grade point average of 2.000 in all courses used to fulfill degree requirements. Some specific programs have higher grade requirements. It is the student's responsibility to be aware of these program requirements.
6. Have removed, thirty (30) days after the anticipated graduation date, all deficiencies on the record to use those courses toward program completion.
7. Have removed any indebtedness to any MCCCD college /center.
8. Have paid required degree or certificate application fee.
   See fee schedule for charges.

Graduation with Honors

All courses used to fulfill graduation requirements, including courses from other accredited institutions, will be entered in the grade point average calculation for honors designations.
Students who have the following grade point averages will graduate with the following distinctions:

- 3.50 to 3.69 "with distinction"
- 3.70 to 3.89 "with high distinction"
- 3.90 to 4.0 "with highest distinction"

Certificates/Degrees

The Maricopa Community Colleges offer Certificates of Completion as well as Associate Degrees, one of which is conferred on each student who has completed a program of study. These certificates and degrees are as follows: (1) Certificate of Completion (Career Program Specified); (2) Academic Certificate; (3) General Education Certificate; (4) Associate in Arts; (5) Associate in Science; (6) Associate in Business; (7) Associate in General Studies; (8) Associate in Transfer Partnership; (9) Associate in Applied Science (Career Program Specified).

All candidates for a degree and/or certificate must complete the General Graduation Requirements as approved by the MCCCD Governing Board.

All students are urged to meet with a faculty advisor, program advisor or counselor as soon as possible to determine which program meets their needs and to plan their course of study.

Licensure Disclaimer

Maricopa Community Colleges courses and programs prepare students for entry into a variety of professions. Many of these professions require that a person hold an occupational license or certificate in order to work in a particular field. Typically, a person must meet certain legal requirements before obtaining such a license or certificate. These requirements are established by county, state or federal agencies, and often are based on a person's character, or whether the person has been convicted of a criminal offense. It is possible for a student who has obtained a degree or certificate from a community college to be denied the right to work in a particular profession after completing the degree or certificate because of concerns over the student's character or criminal background. Any student preparing to enter a field for which a professional license or certificate is required is strongly advised to consult with the appropriate government agency that issues such credentials. That agency can provide the student complete information about any requirements the law imposes for working in a particular occupation.

MCCCD General Education Statement

The general education core of the program of study for an associate degree or a certificate helps students develop a greater understanding of themselves, of their relationship with others, and of the richly diverse world in which they live. The general education experience provides students with opportunities to explore broad areas of commonly held knowledge and prepares them to contribute to society through personal, social, and professional interactions with others. General education fosters students' personal development by opening them to new directions, perspectives, and processes.

Through its general education requirements, the Maricopa County Community College District is committed to helping students develop qualities and skills that will serve them throughout their lives. General education opportunities encourage students to:

1. Build self-awareness, self-respect, and self-confidence
2. Recognize and respect the beliefs, traditions, abilities, and customs of all people and all cultures
3. Consider the local, global, and environmental impacts of personal, professional, and social decisions and actions
4. Access, evaluate, analyze, synthesize, and use information wisely
5. Communicate effectively personally, socially, and professionally
6. Think critically, make informed decisions, solve problems, and implement decisions
7. Consider the ethical implications of their choices
8. Value the learning process throughout their lives
9. Integrate and connect ideas and events in a historical perspective, and see relationships among the past, the present, and the future
10. Develop a personal sense of aesthetics
11. Use technological resources appropriately and productively
12. Work cooperatively and respectfully with others to serve their communities

The general education experience at MCCCD is composed of specific elements across the curriculum designed to provide the learner with essential knowledge and skills:

- Communication
- Arts and Humanities
- Numeracy
- Scientific Inquiry in the Natural and Social Sciences
- Information Literacy
- Problem-Solving and Critical Thinking
- Cultural Diversity

General Education Designations (example: (FYC), [SB], [HU], etc.)

Effective fall 2000 the course evaluation and/or general education designation as listed in the Arizona CEG (Course Equivalency Guide) within the Arizona Course Applicability System (AZCAS) is valid for the term in which the student is awarded credit on the transcript. A course evaluation and/or general education designation may be subject to change. Given that curriculum is dynamic at both MCCCD and the institutions to which MCCCD students transfer, students have the option to petition for general education evaluations and/or general education designations.

The college reserves the right to make necessary course and program changes in order to meet current educational standards.

2.2.5 CATALOG UNDER WHICH A STUDENT GRADUATES

Students maintaining continuous enrollment at any public Arizona community college or university may graduate according to the requirements of the catalog in effect at the time of initial enrollment or according to the requirements of any single catalog in effect during subsequent terms of continuous enrollment. Students may maintain continuous enrollment whether attending a single public community college or university in Arizona or transferring among public institutions in Arizona while pursuing their degrees.

1. A semester in which a student earns course credit will be counted toward continuous enrollment. Non-credit courses, audited courses, failed courses, or courses from which the student withdraws do not count toward the determination of continuous enrollment for catalog purposes.

EXAMPLE A	
Admitted & Earned Course Credit at a Public Community College or University	Fall '05 (Active)
Continued at a Public Community	Spring '06, Fall '06 (Active)
College Transferred to a University	Spring '07 (2005 or Any Subsequent Catalog)
EXAMPLE B	
Admitted & Earned Course Credit at a Public Community College or University	Fall '02 (Active)
Enrolled But Earned All Ws, Zs, or Fs	Spring '03 (Inactive)
Enrolled in Audit Courses Only	Fall '03 (Inactive)
Nonattendance	Spring '04 (Inactive)
Transferred to a University	Fall '04 (2004 or Any Subsequent Catalog)

2. Students who do not meet the minimum enrollment standard stipulated in No. 1 during three consecutive semesters (fall/spring) and the intervening summer term* at any public Arizona community college or university are no longer considered continuously enrolled, and must meet requirements of the public Arizona community college or university catalog in effect at the time they are readmitted or of any single catalog in effect during subsequent terms of continuous enrollment after readmission.

	EXAMPLE A
Admitted & Earned Course Credit at a Public Community College or University	Fall '02 (Active)
Nonattendance	Spring '03, Fall '03, Spring '04 (Inactive)
Readmitted & Earned Course Credit at a Public Community College	Fall '04 (Active)
Transferred to a University	Spring '05 (2004 or Any Subsequent Catalog)
	EXAMPLE B
Admitted & Earned Course Credit at a Public Community College or University	Fall '02 (Active)
Nonattendance	Spring '03 (Inactive)
Readmitted & Earned Course Credit at a Public Community College	Summer '03 (Active)
Nonattendance	Fall '03, Spring '04 (Inactive)
Transferred to a University	Fall '03, Spring '04 (Inactive)
	Fall '04 (2002 or Any Subsequent Catalog)

**Students are not obligated to enroll and earn course credit during summer terms, but summer enrollment may be used to maintain continuous enrollment status.*

3. Students admitted or readmitted to a public Arizona community college or university during a summer term must follow the requirements of the catalog in effect the following fall semester or of any single catalog in effect during subsequent terms of continuous enrollment.

EXAMPLE	
Admitted & Earned Course Credit at a Public Community College or University	Summer '04 (Active)
Continued at a Public Community College	Fall '04, Spring '05 (Active)
Nonattendance	Fall '05 (Inactive)
Readmitted & Earned Course Credit at a Public Community College	Spring '06 (Active)
Transferred to a University	Summer '06 (2004 or Any Subsequent Catalog)

4. Students transferring among Arizona public higher education institutions must meet the admission requirements, residency requirements, and all curricular and academic requirements of the degree-granting institution.

   NOTE: Time Limit for Transfer Coursework

   Students should be aware that the receiving institution may have age and credit limits on certain coursework to be used in transfer. Students should be knowledgeable about the policies on time limits for transfer coursework for the institution to which they plan to transfer.

   The college reserves the right to make necessary course and program changes in order to meet current educational standards.

2.3.10 TRANSCRIPTS FOR TRANSFER

An official student transcript is a permanent academic record issued by the college registrar. It displays all courses taken for credit within the Maricopa Community College District and includes all grades received. Unlike an unofficial transcript, it is signed and dated by the college registrar and displays the college seal of the Maricopa College issuing the official transcript.

The transcript is issued upon written request only. Those students who want to transfer to other institutions of higher education, including other Maricopa Community Colleges, must request their transcript be sent from the Admissions and Records Office/ Office of Student Enrollment Services. However, transcripts may be shared within the Maricopa Community College District without the written request of the student in compliance with FERPA.

Official transcripts will not be issued to students having outstanding debts to any of the Maricopa Community Colleges. The release of transcripts is governed by the guidance of the Family Education Rights and Privacy Act of 1974 (see Records Policy in the Student Rights and Responsibilities section of this manual). There is no charge for unofficial transcripts, or for official transcripts sent between Maricopa Community Colleges. See the Tuition and Fee Schedule for charges for other official transcripts.

- Consensual Relationships

COLLEGE ENVIRONMENT

2.4.4 SEXUAL HARASSMENT POLICY FOR STUDENTS

1. Sex Discrimination and Sexual Harassment

"*No person in the United States shall, on the basis of sex, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any education program or activity receiving federal financial assistance....*" 20 USC §1681 / 34 C.F.R. part 106

The policy of the Maricopa Community Colleges is to provide an educational, employment, and business environment free of sexual violence, unwelcome sexual advances, requests for sexual favors, and other verbal and/or physical conduct or communications constituting sexual harassment as defined and otherwise prohibited by local, state, and federal law. Discrimination under this policy is an unequal treatment of a student based on the student's actual or perceived gender, sexual orientation, or pregnancy. This policy prohibits sexual harassment and discrimination in any college education program or activity, which means all academic, educational, extracurricular, athletic and other programs. This policy is subject to constitutionally protected speech rights and principles of academic freedom. Questions about this policy may be directed to the Maricopa Community Colleges Equal Employment Opportunity/ Affirmative Action (EEO/AA) Office.

A. Sexual Harassment

Any unwelcome verbal or physical conduct of a sexual nature that is sufficiently severe, persistent, or pervasive that it unreasonably interferes with, limits, or deprives a student of the ability to participate in or benefit from any mcccd educational program or activity. The unwelcome behavior may be based on power differentials, the creation of a hostile environment, or retaliation for allegations of sexual harassment under this Policy. Sexual harassment can occur regardless of the relationship, position or respective sex of the parties. Sexual harassment includes hostile environment harassment, sexual assault, inducing incapacitation for sexual purposes, sexual exploitation, dating violence, and stalking. Same sex sexual harassment violates this Policy. Sexual harassment by and between students; employees and students; and campus visitors and students is prohibited by this Policy.

Depending on the particular circumstances, sexual harassment may include, but is not limited to, the following:

1. Physical assaults of a sexual nature, such as rape, sexual battery, molestation, or attempts to commit these assaults; and intentional physical conduct that is sexual in nature such as touching, pinching, patting, grabbing, poking, or brushing against another individual's body in a sexual manner.
2. Offering or implying an education-related reward (such as a better grade, a letter of recommendation, favorable treatment in the classroom, assistance in obtaining employment, grants or fellowships, or admission to any educational program or activity) in exchange for sexual favors or submission to sexual conduct.
3. Threatening or taking a negative educational action (such as giving an unfair grade, withholding a letter of recommendation, or withholding assistance with any educational activity) or intentionally making the individual's academic work more difficult because sexual conduct is rejected.
4. The use or display in the classroom, including electronic, of pornographic or sexually harassing materials such as posters, photos, cartoons or graffiti without pedagogical justification.
5. Explicit sexual comments by one or more students about another student, or circulating drawings or other images depicting a student in a sexual manner.
6. Unwelcome sexual advances, repeated propositions or requests for a sexual relationship to an individual who has previously indicated that such conduct is unwelcome, or sexual gestures, noises, remarks, jokes, questions, or comments by a student about another student's sexuality or sexual experience. Such conduct between peers must be sufficiently severe, persistent, or pervasive that it creates an educational environment that is hostile or abusive. A single incident involving severe misconduct may rise to the level of Sexual Harassment.

B. Hostile Environment Harassment

Harassment based on sex, pregnancy, gender identity, gender expression, or sexual orientation that is sufficiently serious (i.E., Severe, pervasive, or persistent) and objectively offensive so as to deny or limit a person's ability to participate in or benefit from the college's programs, services, opportunities, or activities.

A Hostile Environment can be created by anyone involved in a college program or activity (e.G., Administrators, faculty members, students, and campus visitors or contractors). Mere offensiveness is not enough to create a hostile environment. Although repeated incidents increase the likelihood that harassment has created a hostile environment, a serious incident, such as a sexual assault, even if isolated, can be sufficient.

In determining whether harassment has created a Hostile Environment, consideration will be made not only as to whether the conduct was unwelcome to the person who feels harassed, but also whether a reasonable person in a similar situation would have perceived the conduct as objectively offensive. Also, the following factors will be considered:

a. The degree to which the conduct affected one or more students' education;
b. The nature, scope, frequency, duration, and location of incident or incidents;
c. The identity, number, and relationships of persons involved;
d. The nature of higher education.

C. Sexual Assault

An act involving forced or coerced sexual penetration or sexual contact.

D. Inducing Incapacitation for Sexual Purposes

Using drugs, alcohol, or other means with the intent to affect, or having an actual effect on, the ability of an individual to consent or refuse to consent to sexual contact.

E. Sexual Exploitation

Taking non-consensual or abusive sexual advantage of another for anyone's advantage or benefit other than the person being exploited, and such behavior does not otherwise constitute a form of sexual harassment under this policy. Examples of behavior that could rise to the level of sexual exploitation include:

a. Prostituting another person;
b. Non-consensual visual (e.g., Video, photograph) or audio-recording of sexual activity;
c. Non-consensual distribution of photos, other images, or information of an individual's sexual activity, intimate body parts, or nakedness, with the intent to or having the effect of embarrassing an individual who is the subject of such images or information;
d. Going beyond the bounds of consent (such as letting your friends hide in the closet to watch you having consensual sex);
e. Engaging in non-consensual voyeurism;
f. Knowingly transmitting an STI (Sexually Transmitted Infection), such as hiv, to another without disclosing one's STI status;
g. Exposing one's genitals in non-consensual circumstances, or inducing another to expose his or her genitals;
h. Possessing, distributing, viewing or forcing others to view obscenity.

F. Dating Violence

Violence committed by a person who is or has been in a social relationship of a romantic or intimate nature with the victim and where the existence of such a relationship shall be determined based on a consideration of the following factors:

A. The length of the relationship;
B. The type of relationship;
C. The frequency of interaction between the persons involved in the relationship.

G. Stalking

Engaging in a course of conduct directed at a specific person that would cause a reasonable person to fear for his or her safety or the safety of others or suffer substantial emotional distress.

H. Consenting to Sexual Activity

Consent is clear, knowing, and voluntary; it is active, not passive. Silence, in and of itself, cannot be interpreted as consent. Consent can be given by words or actions, as long as those words or actions create mutually understandable clear permission regarding willingness to engage in sexual activity.

Consent to one form of sexual activity cannot imply consent to other forms of sexual activity. Previous relationships or consent cannot imply consent in future sexual acts. Consent cannot be procured by use of physical force, compelling threats, intimidating behavior, or coercion.

Coercion is unreasonable pressure for sexual activity. Coercive behavior differs from seductive behavior based on the type of pressure someone uses to get consent from another. When people make clear to you that they do not want sex, that they want to stop, or that they do not want to go past a certain point of sexual interaction, continued pressure beyond that point can be coercive. In order to give effective consent, one must be age 18 or older.

If you have sexual activity with someone you know to be – or should know to be – mentally or physically incapacitated, you are in violation of this policy. Incapacitation is a state where one cannot make a rational, reasonable decision because one lacks the ability to understand the who, what, where, why or how of that person's sexual interaction.

II. Definitions

Alleged victim
The person who is the victim of any alleged sexual harassment or discrimination in violation of this policy.

Complainant
A person who has experienced or witnessed, or otherwise knows of sexual harassment or discrimination in violation of this policy and files a formal complaint pursuant to this policy.

Respondent
The person who is alleged to have engaged in sexual harassment or discrimination prohibited under this policy.

Title IX Coordinator
The Vice President of Student Affairs serves as each respective college's Title IX Coordinator. The Title IX Coordinator is the individual responsible for providing education and training about discrimination and sexual harassment to the college community and for receiving and investigating allegations of discrimination and sexual harassment in accordance with this policy. The Title IX Coordinator is authorized to designate other appropriately trained individuals to investigate discrimination and sexual harassment complaints and reports as deemed appropriate. The contact information for the Title IX Coordinator at each college may be found at https://asa.maricopa.edu/departments/office-of-student-affairs/student-affairs-your-college

III. Reporting Discrimination

A. Bystander

No student or employee should assume that an official of the college knows about a particular situation. The college encourages any student who feels he or she has been discriminated against or harassed in violation of this policy to promptly report the incident to the Title IX Coordinator. Any student who knows of discrimination or sexual harassment prohibited under this policy that is experienced by another student should report that information to the Title IX Coordinator. Before a student reveals information, college employees will try to ensure that the student understands the employee's obligations and, if the student wishes to maintain confidentiality, direct the student to confidential resources. A student may choose to make a full report or request confidentiality as he or she determines.

All members of the college community are expected to adhere to this policy, to cooperate with the procedures for responding to complaints of discrimination and harassment, and to report conduct or behavior they believe to be in violation of this policy to the Title IX Coordinator. A duty to report conduct or behavior that violates this policy is imposed on all administrators, supervisors, faculty members, and persons in positions of authority. Such employees perform their duty to report by reporting the conduct or behavior to the Title IX Coordinator.

B. College Complaints and Reporting

Any person who has experienced, witnessed, or otherwise knows of sexual harassment or discrimination prohibited under this policy is to report such conduct to the college's Title IX Coordinator. The Title IX Coordinator is trained to help you find the resources you might need, to explain all reporting options, and to respond appropriately to conduct of concern. Such conduct is to be reported to the Title IX Coordinator as soon as possible after it occurs. The Title IX Coordinator tracks all reports of sexual harassment or discrimination.

There are several avenues available for any person who experiences, witnesses, or otherwise knows of sexual harassment or discrimination to report such conduct:

- Leave a private voice message for the Title IX Coordinator;
- Send a private email to the Title IX Coordinator;
- Mail a letter to the Title IX Coordinator's office;
- Visit the Title IX Coordinator (although it is best to make an appointment first to ensure availability);
- File a formal complaint pursuant to this policy;
- Report to another trusted college official (e.G., Faculty member, coach, advisor) who will provide information as required under the policy to the Title IX Coordinator.

If there is an allegation of conduct in violation of this policy about the Title IX Coordinator or any staff member who is part of the vice president of student affairs' office, that allegation should be lodged with the president of the college. The president will appoint another trained individual to take the place of the Title IX Coordinator for purposes of the allegation.

C. Retaliation Prohibited

Retaliation occurs when adverse action is taken against a student or employee because he or she has engaged in protected activity such as filing a complaint of discrimination or harassment. Retaliation may be found even when the underlying charge does not constitute discrimination or harassment in violation of this policy, and all persons who participate in a discrimination or harassment proceeding, not only the complaining party, are protected against retaliation. A retaliatory adverse action is an action taken to deter a reasonable person from opposing a discriminatory or harassing practice, or from participating in a discrimination or harassment proceeding, or more generally, from pursuing that person's rights.

D. Criminal Reporting

Please remember that if someone is in immediate danger or needs immediate medical attention, the first place to report is 911. You may also report to college safety or local law enforcement. Some forms of discrimination and harassment may also be crimes. For example, sexual assault, stalking and rape are crimes. Criminal reports should be made to law enforcement, even if it is uncertain whether the particular conduct is a crime. Calling local law enforcement can help you: obtain emergency and nonemergency medical care; get immediate law enforcement response for your protection; understand how to provide assistance in a situation that may escalate to more severe criminal behavior; arrange a meeting with victim advocate services; find counseling and support; initiate a criminal investigation; and answer questions about the criminal process.

E. Confidentiality of Complaints and Reports

Parties in these processes, including the alleged victim, respondent, complainant and witnesses, have privacy rights and reasonable expectations of confidentiality in the investigation of matters subject to this policy. In addition, the integrity of the process depends on ensuring reasonable expectations of confidentiality. The Title IX Coordinator or investigator will keep confidential the complaint, report, witness statements, and any other information provided by the alleged victim, respondent, complainant or witnesses, and will disclose this information only to the alleged victim, complainant, respondent, or witnesses as necessary to give fair notice of the allegations and to conduct the investigation; to law enforcement consistent with state and federal law; to other college officials as necessary for coordinating interim measures or for health, welfare, and safety reasons; and to government agencies who review the college's compliance with federal law. The written investigation report and any written decision will be disclosed only to the alleged victim, complainant, respondent, Title IX Coordinator, and discipline authority. In the case of employees, the discipline authority is the college administrator with the authority to impose sanctions in accordance with applicable employment policies. In the case of students, the discipline authority is the vice president for student affairs and college officials as necessary to prepare for subsequent proceedings (e.G., College president and mcccd legal counsel).

F. Anonymous Reporting

The Title IX Coordinator accepts anonymous reports of conduct alleged to violate this policy and will follow up on such reports. The individual making the report is encouraged to provide as much detailed information as possible to allow the Title IX Coordinator or investigator to inquire into or investigate the report, and respond as appropriate. The Title IX Coordinator or investigator may be limited in the ability to follow up on an anonymous report unless sufficient information is furnished to enable the Title IX Coordinator or investigator to conduct a meaningful and fair inquiry or investigation.

IV. Rights of Parties

A. Alleged victim: the alleged victim has the right to:

1. An inquiry and appropriate resolution of all credible allegations of sexual harassment, discrimination, and sexual violence made in good faith to the Title IX Coordinator.
2. Be treated with respect by college officials.
3. Have the same opportunity as the respondent to have others present (in support or advisory roles) during an investigation.
4. Report sexual harassment, discrimination, and violence to both on-campus and off-campus authorities.
5. Be informed of the investigation findings and imposed sanctions at the same time as the respondent.
6. Be informed of and afforded access to available counseling, mental health, physical health or student services for victims of sexual harassment, discrimination, and violence.
7. Have notification of and options for, and available assistance in, changing academic and living situations after an alleged act of sexual harassment or discrimination prohibited under this policy, if so requested by the alleged victim and if such changes are reasonably available. No formal complaint, or investigation--campus or criminal--need occur before this option is available. Accommodations may include:

- Change of on-campus student's housing to a different on-campus location;
- Assistance from college support staff in completing relocation;
- Arranging to dissolve a housing contract and pro-rating a refund;
- Exam, paper, or assignment rescheduling;

- Taking an incomplete in a class;
- Transferring class sections;
- Temporary withdraw from institution;
- Alternative course completion options.

8. Not have irrelevant prior sexual history admitted as evidence in an investigation.
9. Make a victim-impact statement available to the investigator and decision-maker.
10. Access to available protection against another student who has engaged in or threatens to engage in stalking, threatening, harassing or other improper behavior that presents a danger to the welfare of the complaining student or others.
11. Have allegations of sexual misconduct that might be criminal in nature responded to quickly and with sensitivity by campus law enforcement.
12. Seek reconsideration of the finding of the investigation and any sanction imposed.
13. Review all documentary evidence collected, used, and disseminated during the investigation and sanctioning process.
14. Petition that any member of the investigative process be removed on the basis of demonstrated bias.
15. Have an advocate or advisor present at all phases of the investigation.
16. Present relevant witnesses to the investigator and decision-maker, including expert witnesses.
17. Be fully informed of campus conduct rules and procedures as well as the nature and extent of all alleged violations.
18. Have mcccd compel the presence of student, faculty, and staff witnesses.
19. Written notice of the investigation, findings and sanctions.
20. Challenge documentary evidence obtained during the investigation.
21. Be informed in advance of any public release of information regarding the investigation.
22. Give consent for the release of any personally identifiable information contained in the investigation.

B. Immediate Action and Interim Measures

The college may take interim measures to assist or protect the parties during the inquiry or investigation process, as necessary and with the alleged victim's consent. Such measures for an alleged victim may include arranging for changes in class schedules or living arrangements, issuing a no-contact order, obtaining counseling, and modifying test schedules or other class requirements temporarily.

C. Respondent: The Respondent has the right to:

1. An inquiry and appropriate resolution of all credible allegations of sexual harassment, discrimination, and sexual violence made in good faith to the Title IX Coordinator.
2. Be treated with respect by college officials.
3. Have the same opportunity as the alleged victim to have others present (in support or advisory roles) during an investigation.
4. Be informed of and have access to campus resources for medical, counseling, and advisory services.
5. Be fully informed of the nature, rules, and procedures of the investigation process, and to thorough and timely written notice of all alleged violations, including the full nature of the violation and possible sanctions.
6. Protections of due process required by local, state, or federal law.
7. Not have irrelevant prior sexual history admitted as evidence in an investigation.
8. Make an impact statement available to the investigator and decision-maker.
9. Seek reconsideration of the finding of the investigation and any sanction imposed.
10. Review all documentary evidence collected, used, and disseminated during the investigation and sanctioning process.
11. Present relevant witnesses to the investigator and decision-maker, including expert witnesses.
12. Petition that any member of the investigative process be removed on the basis of demonstrated bias.
13. Have mcccd compel the presence of student, faculty, and staff witnesses.
14. Challenge documentary evidence obtained during the investigation.
15. Have an advocate or advisor present at all phases of the investigation.
16. An outcome based solely on evidence presented during the investigation. Such evidence should be credible, relevant, based in fact, and without prejudice.
17. Written notice of the investigation, findings, and sanctions.
18. Be informed in advance of any public release of information regarding the investigation.
19. Give consent for the release of any personally identifiable information contained in the investigation.

V. Due Process

Due process is afforded any employee, student, or visitor accused of sexual harassment or discrimination prohibited under this policy. On receipt of a formal complaint, or upon receipt of credible evidence that sexual harassment or discrimination prohibited under this policy has occurred, an immediate preliminary inquiry will be conducted to determine if there is reasonable cause to believe this policy has been violated. A preliminary inquiry shall be concluded within ten working days following the determination that such reasonable cause exists; however, it may be re-opened in the event additional evidence of a violation of this policy is later discovered. If, following a preliminary inquiry, such reasonable cause is found, a prompt, thorough, impartial investigation will be conducted by a qualified, authorized investigator. An investigation will be conducted using a preponderance of evidence standard. A preponderance of evidence standard means that an investigator will conclude that sexual harassment or discrimination occurred only if the results of the investigation demonstrate it is more likely than not that such conduct took place. If the investigator's final decision is that sexual harassment or discrimination prohibited under this policy occurred, the college will take immediate action to eliminate the harassment or discrimination, prevent its recurrence, and address its effects. Remedies for the victim of sexual harassment or discrimination will also be sought. Violations of this policy may result in disciplinary action up to and including termination for employees; sanctions up to and including suspension or expulsion for students; and appropriate sanctions against campus visitors. This policy applies to prohibited conduct that impacts the educational environment, whether it occurs on or off campus, and covers students, employees, and visitors.

A. Sex Discrimination Grievance Procedures for Students

The purpose of these procedures is to provide a prompt and equitable resolution for allegations of discrimination as prohibited under this policy. Persons believing that they have been subjected to or witnessed, or otherwise know of discrimination or harassment on any of these bases may file a complaint with the college. These procedures address allegations of discrimination or sexual harassment as prohibited under this policy. The procedures also address allegations of retaliation against those who have opposed practices forbidden under the policy, those who have made allegations of discrimination or harassment under the policy, and those who have testified or otherwise participated in enforcement of the policy.

B. Mediation

Alleged victims who believe they have been discriminated against or harassed may choose in certain circumstances to resolve their allegations through mediation. Mediation is an informal and confidential process where parties can participate in a search for fair and workable solutions. An alleged victim may choose to ask the Title IX Coordinator to assist in the mediation process.

Allegations that are addressed through mediation are not required to be made in writing. The parties may agree upon a variety of resolutions such as modification of work assignment, training for a department, or an apology. Parties may agree to a resolution that is oral or embodied in a written agreement. With a written agreement, the parties may elect to file it with the Title IX Coordinator in the event enforcement becomes necessary. Once both parties reach a mediated agreement, it is final and cannot be the basis of a request for reconsideration. The Title IX Coordinator or either party may at any time, prior to a final agreement, decide that attempts at mediation have failed. Upon such notice, the Title IX Coordinator may conduct a preliminary inquiry to determine whether this policy has been violated. The mediation process may not be used if the alleged conduct constitutes criminal conduct.

C. Formal Complaint Process

A person who has experienced, witnessed, or otherwise knows of sexual harassment or discrimination in violation of this policy may file a formal complaint by contacting the Title IX Coordinator at each respective college or center. A complainant may file a formal complaint either orally or in writing. The Title IX Coordinator will accept formal complaint filings within 300 calendar days of the most recent occurrence of the alleged discriminatory act.

The complainant's documentation in support of a formal complaint should clearly and concisely identify the action, decision, conduct, or other basis that constituted an alleged act or practice of discrimination prohibited under this policy. Upon receipt of a formal complaint, the Title IX Coordinator will notify the college president and the office of general counsel. The office of general counsel will assign a case number to the formal complaint.

A copy of the formal complaint will be shared with the Respondent within five (5) working days of receipt by the Title IX Coordinator. The Respondent will be put on notice that retaliation against the complainant, alleged victim, or potential witnesses will not be tolerated and that an investigation will be conducted.

The Respondent must provide a written response to the formal complaint within fifteen (15) calendar days of his or her receipt of the formal complaint.

After either accepting a formal complaint or receiving credible evidence that discrimination has occurred, and determining after a preliminary inquiry that there is reasonable cause to believe this policy has been violated, the Title IX Coordinator will:

- Designate an investigator to conduct a fact-finding investigation, which will include, at a minimum, a review of written evidence (including the complaint and response) and interviews with appropriate employees and students. The Title IX Coordinator may serve as investigator;
- Determine the identity and contact information of the complainant;
- Identify the correct policies allegedly violated;
- Conduct a thorough, reliable, and impartial investigation;
- Complete the investigation promptly (within 60 calendar days, unless—owing to the complexity of the investigation or the severity and extent of the alleged conduct--more time is necessary to complete the investigation);
- Make findings based on the preponderance of evidence; and
- Present the findings to the Title IX Coordinator, who will deliver the findings, in writing, within ten (10) working days, to the President, with a recommendation as to the disposition of the matter.

The President shall accept, reject, or modify the recommendation, and provide a written notification of his or her action, along with the findings presented by the Title IX Coordinator, to the complainant, alleged victim, and respondent within fifteen (15) calendar days of receiving the findings and recommendation from the Title IX Coordinator.

Evidence which is collateral to the allegations of discrimination or sexual harassment and which was obtained during an investigation may be used in subsequent grievance or disciplinary procedures.

D. Maintenance of Documentation

Documentation resulting from each level in the formal complaint process (including witness statements, investigative notes, etc.) Will be forwarded to and maintained by the office of general counsel. Investigative records are not to be maintained with or considered as a part of a student record. Documentation regarding corrective action is considered part of the student's record.

E. Right to Assistance

A complainant, alleged victim or respondent may receive the assistance of an attorney or other person at any stage of a complaint filed under the formal complaint process. Such person may attend any investigative interview and advise the complainant, alleged victim or respondent but shall not otherwise participate in the interview. The investigator shall direct communications directly to the complainant, alleged victim and respondent, and not through such individual's attorney or other person providing assistance.

F. Time Fame and Grounds for Filing a Request for Reconsideration

A complainant, alleged victim or respondent who is not satisfied with the decision of the president has ten (10) working days to request, in writing, reconsideration of the decision by the maricopa community college district's executive vice chancellor and provost. There are four grounds upon which a request for reconsideration may be made: (1) the party has new information, unavailable at the time of the investigation; (2) the party has procedural concerns that may change or affect the outcome of the determination; (3) the party perceives that there was insufficient evidence to support the investigators findings; or (4) the party perceives any action taken by the president to be too severe. The executive vice chancellor and provost will review the findings of the investigation and recommendation of the Title IX Coordinator, and respond to the request for reconsideration within ten (10) working days from its receipt. The Title IX Coordinator shall ensure that, prior to acting on any request for reconsideration, the executive vice chancellor and provost has been fully briefed regarding every component of this policy. If the executive vice chancellor and provost determines that the investigation was not conducted in a fair manner, or that the determination is not consistent with the evidence, or that any disciplinary action is not commensurate with the allegations, the case file will be reopened and assigned for further investigation. If the executive vice chancellor and provost concludes that the investigation was conducted in a proper manner, that the determination is consistent with the evidence, and that any disciplinary action is commensurate with the allegations, he or she will—in writing-- certify that the executive vice chancellor and provost has read and thoroughly considered all of the information collected in the investigation, certify that the investigation was conducted in a proper manner and the decision is consistent with the evidence, and deny the request for reconsideration. The written certifications and decision by the executive vice chancellor and provost shall be delivered to the complainant, alleged victim, and respondent promptly after they are issued. At this point, or if no request for reconsideration is made, the investigation into alleged discrimination under this policy is concluded.

G. External Filing of Discrimination Complaint

MCCCD encourages students to use the due process under this policy to resolve discrimination concerns. Students also have the right to file civil rights complaints with appropriate external agencies. No retaliation will be taken against a person for filing a complaint with an external agency. The following agency accepts discrimination charges filed by, or on behalf of, students:

Office for Civil Rights
U.S. Department of Education, Denver Office
Cesar E. Chavez Memorial Building
1244 Speer Boulevard, Suite 310
Denver, Colorado 80204-3582
Phone: 303-844-5695
Fax: 303-844-4303
TDD: 303-844-3417
E-mail: OCR.Denver@ed.Gov

5.1.9 EXAMPLES OF POLICY VIOLATIONS

It shall be a violation of Maricopa Community College' Sexual Harassment Policy for any employee, student or campus visitor to:

1. Make unwelcome sexual advances to another employee, student or campus visitor;
2. Make unwelcome requests for sexual favors, whether or not accompanied by promises or threats with regard to the employment or academic relationship;
3. Engage in verbal or physical conduct of a sexual nature with another employee, student or campus visitor, that may threaten or insinuate, either explicitly or implicitly, that the individual's submission to, or rejection of, the sexual advances will in any way:
   A. Influence any personnel decision regarding that person's employment, evaluation, wages, advancement, assigned duties, shifts or any other condition of employment or career development; or
   B. Influence his or her grades, participation in or access to academic programs, class standing or other educational opportunities;
4. Engage in verbal or physical conduct of a sexual nature that:
   A. Has the purpose or effect of substantially interfering with an employee's ability to do his or her job; or with a student's ability to learn or participate in a class; or
   B. Which creates an intimidating, hostile or offensive work or academic environment;
5. Commit any act of sexual assault or public sexual indecency against any employee or student whether on Maricopa Community Colleges property or in connection with any Maricopa Community Colleges-sponsored activity;
6 Continue to express sexual interest in another employee, student or campus visitor after being informed or on notice that the interest is unwelcome (reciprocal attraction is not considered sexual harassment);
7. Engage in other sexually harassing conduct in the workplace or academic environment, whether physical or verbal, including, but not limited to, commentary about an individual's body (or body parts), sexually degrading words to describe an individual, sexually offensive comments, sexually suggestive language or jokes, innuendoes, and sexually suggestive objects, books, magazines, computer software, photographs, cartoons or pictures. Other sexual misconduct may include sexual exploitation, stalking, and gender-based bullying.
8. Treat a complainant or witness of sexual harassment in a manner that could dissuade a reasonable person from pursuing or participating in the complaint and investigation.

5.1.10 ADDITIONAL POLICY VIOLATIONS

Supervisors, managers, administrators and faculty who disregard or fail to report allegations of sexual harassment (whether reported by the person who is the subject of the sexual harassment or a witness) are in violation of this policy.

5.1.11 RESPONSIBILITY FOR POLICY ENFORCEMENT

Every Maricopa Community Colleges employee and student must avoid offensive or inappropriate sexual and/or sexually harassing behavior at work or in the academic environment.

Employees and students are encouraged (but not required) to inform perceived offenders of this policy that the commentary/conduct is offensive and unwelcome.

5.1.12 COMPLAINTS

1. **Employees**
   Employees who experience sexual harassment at work (by a supervisor, co-employee, student or visitor) are urged to report such conduct to the direct attention of their supervisor their college president or to the Maricopa Community Colleges Equal Employment Opportunity/Affirmative Action Office (480-731-8885). If the complaint involves the employee's supervisor or someone in the direct line of supervision, or if the employee for any reason is uncomfortable in dealing with his or her

immediate supervisor, the employee may go directly to the Maricopa Community Colleges EEO/AA Office.

2. **Students**
   Students who experience sexual harassment or sexual assault in a school's education program and activities (by a faculty member, administrator, campus visitor or other student) are urged to report such conduct to the Title IX Coordinator, who is the vice president of student affairs at each campus. A student may also contact the Maricopa Community Colleges EEO/AA Office to obtain the name and phone number of the college official designated to respond to sexual harassment complaints.
3. **General - Applicable to Both Employees and Students**
   A. Complaints will be investigated according to procedures established by the Maricopa Community Colleges EEO/AA Office. Copies of these procedures may be obtained in the college president's office, Office of the Vice President of Student Affairs and the Maricopa Community Colleges EEO/AA Office.
   B. The college/center/MCCCD will investigate all complaints in a prompt, thorough, and impartial manner.
   C. Where investigation confirms the allegations, appropriate responsive action will be taken by the college/center/MCCCD.

5.1.13 CONFIDENTIALITY

Records will be maintained in a confidential manner to the extent permitted by law and insofar as they do not interfere with Maricopa Community Colleges' legal obligation to investigate and resolve issues of sexual harassment.

5.1.14 VIOLATIONS OF LAW

An employee or student may be accountable for sexual harassment under applicable local, state, and/or federal law, as well as under Maricopa Community Colleges policy. Disciplinary action by Maricopa Community Colleges may proceed while criminal proceedings are pending and will not be subject to challenge on the grounds that criminal charges involving the same incident have been dismissed or reduced.

5.1.15 FALSE STATEMENTS PROHIBITED

Any individual who knowingly provides false information pursuant to filing a discrimination charge or during the investigation of a discrimination charge, will be subject to appropriate disciplinary action, up to and including, employment termination or academic dismissal.

5.1.16 RETALIATION PROHIBITED

Retaliation against an employee or student for filing a sexual harassment complaint, or participating in the investigation of a complaint, is strictly prohibited. Maricopa Community Colleges will take appropriate disciplinary action, up to and including employment termination or academic dismissal if retaliation occurs.

2.4.6 EMISSIONS CONTROL COMPLIANCE

Pursuant to A.R.S. §15-1444 C. no vehicle shall be allowed to park in any college parking lot unless it complies with A.R.S. §49-542 (the vehicle emissions inspection program). At the time of course registration, every out-of-county and out-of-state students will be required to sign an affidavit stating that the student's vehicle meets the requirements of A.R.S. §49-542. Vehicles which are not in compliance are subject to being towed at the owner's expense.

2.4.8 PETITION SIGNATURE SOLICITATION

1. This regulation shall govern access to college premises by representatives who wish to solicit signatures on petitions for the purpose of submission of a ballot proposition to voters, or nomination of a candidate for elective office, in a city-, county-, or state-wide election.
2. Each college president shall designate general hours of accessibility for solicitation and a location on college premises where all representatives on behalf of any candidate or ballot proposition may solicit signatures. The location shall be in a common area where the solicitation will not serve as an obstruction to student activities or otherwise disrupt the college environment.
3. All solicitation must take place in designated areas. Standard space may include one or two tables and chairs. Campus restrictions regarding amplification will apply. Representatives may not distribute or make available to students, employees, or college visitors any tangible item, except for informational literature about the proposed candidate or ballot initiative.
4. Representatives shall notify the designated official at each college or center of their intent to be present on college premises no fewer than three working days prior to soliciting signatures. Upon obtaining authorization, representatives shall be provided a written version of this regulation.

Specific procedures on how to implement the Petition Signature regulation can be found in Appendix S-14.

2.4.9 USE OF COLLEGE GROUNDS BY NON-MCCCD-AFFILIATED USERS

In contrast to traditional public forums such as a public square, park, or right of way, Maricopa's campuses are dedicated by law to the purpose of formal education. They are, and have been since their creation, for the use and benefit of prospective and enrolled students, the Maricopa employees who serve them, and those who are invited to campus by members of the College community to attend or participate in sponsored events. The Maricopa County Community College District (MCCCD) has a long history of regulating the time, place, and manner in which expressive activities are conducted on campuses, for the purposes of avoiding disruption or interference with its educational activities, and protecting the rights of the members of the campus community and their invited guests to express themselves and access information. While members of the general community always have been welcome to share their ideas with the campus community, they are subject to reasonable, content-neutral regulation of the time, place and manner of the event and to the institution's mission-based priorities – including but not limited to the need to provide an environment conducive to teaching and learning.

POLICY

This administrative regulation governs use of the campus grounds, defined as the open areas and walkways of the campus by non-MCCCD-affiliated users. Use of campus buildings is governed by a separate administrative regulation. Parking lots are not available for events and activities other than those sponsored and authorized by the College president.

Camping is not permitted anywhere on the campuses. Camping is defined as the use of campus grounds or facilities for living accommodations or housing purposes such as overnight sleeping or making preparations for overnight sleeping (including the laying down of bedding for the purpose of sleeping), the making of any fire for cooking, lighting or warmth, or the erection or use of tents, motor vehicles, or other structures for living or shelter. These activities constitute camping when it reasonably appears, in light of all the circumstances, the participants conducting these activities intend to use or are using the facilities or grounds for living accommodations or housing, regardless of the duration or other purpose of the use.

Lawful use of college grounds for events or expressive activities by individuals, groups, and organizations may be authorized by college officials when the events and activities are lawful and consistent with the non-profit, educational nature of the campus, authorized and conducted in accordance with MCCCD policies, administrative regulations and priorities, and compliant with reasonable restrictions as to time, place, and manner. The content of the expression will not be a factor in authorizing, locating, or scheduling decisions. However, events and activities will not be permitted to disrupt or obstruct the teaching, research, or administrative functioning of the College by means of physical obstacles and crowds, by the creation of sound or noise that would interfere with teaching, learning, and the conduct of College business, or by any other means. Each College president will designate a Responsible Campus Official with delegable authority to approve, locate, and schedule use of college grounds.

Permit Application: Any non-MCCCD-affiliated organization, group, or individual desiring to use campus grounds for an event or activity must submit a request form to the Responsible Campus Official in advance of the use date.

If the activities proposed in the application are limited to low-impact, non-commercial activities the request form shall be submitted at least two business days in advance of the expected use date. For purposes of this administrative regulation, "low-impact, non-commercial activities" are defined as: (1) activities that do not seek to sell or promote a product or service for direct or indirect financial gain; (2) activities that are limited to gatherings of five people or less at any given time; and (3) activities that do not involve machinery, temporary structures, tables, chairs, displays or electronic equipment, including amplifiers, or the distribution of food products.

For events that are not low-impact, non-commercial activities, the request form shall be submitted at least seven business days before the expected use. The additional advance time is required to allow the College to prepare for conditions that may affect the flow of foot traffic, involve signs and displays, create crowds, involve significant numbers of participants, or require the use of significant amounts of space and/or use of equipment and resources.

Designated Areas: Because each College has a limited amount of outdoor space, activities and events sponsored by non-MCCCD-affiliated users, including speech and literature distribution, shall be restricted to designated areas. For each College, the Responsible Campus Official shall establish specific designated areas for such activities. A written description of these areas shall be maintained at the office of Student Life and Leadership for each College. Consistent with the goal of providing a healthy, comfortable, and educationally productive environment, the Responsible Campus Official should attempt to locate the designated areas in prominent locations on campus where there is a likelihood of significant pedestrian traffic. The designated areas shall not be located in building stairways and entryways, parking lots, or congested areas. The Responsible Campus Official will make every effort to assign users to their requested space when a specific space is desired. However, in order to ensure the potential success of all scheduled events, the College reserves the right to assign an event or activity to the area the College deems most appropriate in light of the campus capacity, other activities scheduled, and the type of event or activity being planned.

Use Fees and Proof of Insurance: To offset the costs associated with the use of campus grounds, non-MCCCD-affiliated users shall be required to pay a fee of $50 per day or $125 per week. In order to protect the health and safety of College students, faculty and staff and to protect MCCCD resources, non-MCCCD-affiliated users shall also be required to provide proof of insurance that indicates at least $1 million in general liability coverage and names MCCCD as an additional insured for the anticipated use date.

The fee and proof-of-insurance provisions of this administrative regulation shall not be applied to low-impact, non-commercial users. A user may request designation as a low-impact, non-commercial user from the applicable College's Responsible Campus Official. Any questions or comments about the criteria for approval or denial of such request shall be directed to the District Ombudsman.

Permits: The approved request form will describe the location of the authorized activity and any other restrictions specific to the event. Violation of the terms of the approved request form, District policy, administrative regulation or law shall be grounds for immediate revocation of the permit, and the individual violators and their organizations may be banned from the campus.

Priorities and Criteria for Approval of Permits: The content or subject of the proposed expressive activity or event will not affect approval of the application. Availability of space is not guaranteed. Reservations shall be approved on a space-available basis and will be addressed on a first come-first served basis, subject to the following priorities and criteria for the use and scheduling of space on campus grounds:

Scheduling Priorities (in order):

1. The use of facilities and grounds for the operations of the College. For example, there are times when the campus is unusually crowded by members of the campus community, such as registration and orientation at the beginning of the semester. Other uses may reasonably be precluded during those times.
2. Activities and events sponsored by the College administration.
3. Activities and events sponsored by MCCCD student organizations or employee groups.
4. Activities of non-MCCCD-affiliated individuals and organizations.
5. Commercial advertising or activities.

Criteria:

1. Capacity of campus grounds to accommodate the number of participants at the scheduled time and proposed location.
2. Capacity of Campus Safety staff to provide security for all events and activities scheduled at the time.
3. Possible interference or conflict with College operations or other scheduled activities and events on the grounds.
4. General feasibility of hosting the event as proposed.

Other Policies: This administrative regulation will be applied in conjunction and coordination with all other MCCCD policies and administrative regulations and College processes and procedures, including but not limited to regulations on facilities use, signage, sales of alcohol and/or food, and solicitation of donations.

Specific procedures on how to implement the Use of Campus Grounds regulation can be found in Appendix S-15.

2.4.10 CHILDREN ON CAMPUS

- Children (younger than 18) may not attend any class unless they are officially registered for the class.
- Children will not be allowed on campus unless participating in an authorized college program or under the supervision of an adult.

2.4.11 CRIME AWARENESS AND CAMPUS SECURITY ACT

Federal legislation requires the college to maintain data on the types and number of crimes on college property as well as policies dealing with campus security. To obtain additional information on this subject, contact the college Safety and Security Department.

2.4.12 WORKPLACE VIOLENCE PREVENTION

Purpose

It is the policy of the Maricopa Community Colleges to promote a safe environment for its employees, students, and visitors. The Maricopa Community Colleges are committed to working with its employees to maintain an environment free from violence, threats of violence, harassment, intimidation, and other disruptive behavior.

Policy

Violence, threats, harassment, intimidation, and other disruptive behavior in our facilities will not be tolerated, and it is the responsibility of all members of the Maricopa Community Colleges to report any occurrence of such conduct. Every employee, student and visitor on Maricopa Community College District property is encouraged to report threats or acts of physical violence of which he/she

is aware. All reports will be taken seriously and will be dealt with appropriately. Such behavior can include oral or written statements, gestures, or expressions that communicate a direct or indirect threat of physical harm.

Prohibited Behavior
For example, and without limiting the generality of the foregoing statement, this policy prohibits:

- direct threats or physical intimidation
- implications or suggestions of violence
- stalking
- assault of any form
- physical restraint, confinement
- dangerous or threatening horseplay
  loud, disruptive, or angry behavior or language that is clearly not part of the typical work environment
- blatant or intentional disregard for the safety or well-being of others
- commission of a violent felony or misdemeanor on MCCCD property
- abuse
- violation of a protective order or restraining order
- any other act that a reasonable person would perceive as constituting a threat of violence

This list is illustrative only and not exhaustive.

Future Violence
Employees, students, and visitors who have reason to believe they, or others, may be victimized by a violent act or sometime in the future, at the workplace or as a direct result of their relationship with MCCCD, shall inform a supervisor or manager as soon as possible. The supervisor or manager shall inform the Public Safety Department. Students, contractors, and visitors shall contact the Public Safety Department as soon as possible.

Employees who have signed and filed a restraining order, temporary or permanent, against an individual due to a potential act of violence, who would be in violation of the order by coming near them at work, shall immediately supply a copy to the Department Director, Human Resources, and Public Safety. Students shall supply a copy of the signed order to the Public Safety Department.

This policy applies to employees and students, as well as independent contractors and other non-employees doing business with the Maricopa Community Colleges. Individuals who commit such acts may be removed from the premises and may be subject to disciplinary action, criminal penalties, or both. The Chancellor is hereby instructed to enact all administrative regulations necessary to implement this policy.

2.4.13 STUDENT RIGHT TO KNOW

Under the terms of the Student Right To Know Act, the college must maintain and report statistics on the number of students receiving athletically related student aid reported by race and sex, the graduation rate for athletes participating in specific sports reported by race and sex, the graduation rate for students in general, reported by race and sex and other similar statistics. To obtain copies of these reports, contact the Admissions and Records Office/Office of Student Enrollment Services.

STUDENT RIGHTS AND RESPONSIBILITIES

2.4.5 COPYRIGHT ACT COMPLIANCE

Students are expected to comply with the provisions of the Copyright Act of 1976 pertaining to photocopying of printed materials, copying of computer software and videotaping. In order to assist students in complying with the Copyright Law, appropriate notices shall be placed on or near all equipment capable of duplicating copyrighted materials.

3.2 COPYRIGHT REGULATION

A. It is the intent of the Governing Board of the Maricopa County Community College District to adhere to the provisions of the U.S. Copyright Law (Title 17, United States Code, Section 101, et seq.). Though there continues to be controversy regarding interpretation of the Copyright Law, this policy represents a sincere effort by the Board to operate legally within the District.

B. The Governing Board directs the Chancellor or his designee(s) to develop and distribute to employees guidelines that (1) clearly discourage violation of the Copyright Law and (2) inform employees of their rights and responsibilities under the Copyright Law.

C. Each college president or provost and the Chancellor shall name an individual(s) at each District location who will assume the responsibilities of distributing copyright guidelines, act as a resource person regarding copyright matter and provide training programs on current copyright laws.

D. Employees are prohibited from copying materials not specifically allowed by the (1) Copyright Law, (2) fair use guidelines, (3) licenses or contractual agreements, or (4) other permission.

E. The Governing Board disapproves of unauthorized duplication in any form. Employees who willfully disregard this Board policy and/or the aforementioned copyright guidelines do so at their own risk and assume all liability for their actions.

F. In order to assist employees and students in complying with the Copyright Law, appropriate notices shall be placed on or near all equipment capable of duplicating copyrighted materials.

WHAT STUDENTS SHOULD KNOW ABOUT COPYRIGHT

What is copyright?

- Copyright is a protection afforded under federal law for various types of creative works. A work is copyrightable if it is an original work of authorship fixed in a tangible medium of expression. Copyrightable works include literary, musical or dramatic works; motion pictures and other audiovisual works; choreographic works and pantomimes; sound recordings; and architectural works.
- The owner of a copyright in a particular work has the exclusive right to copy, display, perform, distribute, and create a derivative version of the work. Generally, then this means that you may not duplicate, show or perform a copyrighted work unless it is expressly allowed under the Copyright Act or you have the prior permission of the copyright holder.
- A copyright exists in a work at the time it becomes fixed in some tangible medium of expression. Neither registration of the copyright with the federal government nor a copyright notice on the work itself is required for copyright protection.

What is copyright infringement?

Generally, copyright infringement occurs when you copy, display, perform, distribute or create a derivative version of a copyrightable work either without the permission of the copyright holder or when such activity is not otherwise allowed under an exception provided by federal copyright law. The penalties for infringement include significant damages--potentially in excess of $100,000 for each work infringed.

How does copyright law affect information I obtain off the Internet?

Copyright law covers works in both traditional and new media, including digital media. Copyrightable materials are often available on the Internet without any indication of their copyrighted status. As a rule of thumb, you should assume that everything you find on the Internet is copyrighted, unless otherwise labeled. Even popular activities, such as file swapping or copying software, or pictures from the Internet, may be copyright infringement and should be avoided.

The Digital Millennium Copyright Act, which Congress enacted in 2000, affords greater protection for copyright holders of digital works. Generally, then, even if a work appears solely in a digital form, it is likely subject to copyright law protections.

New technology has made many creative works widely available through the Internet. For example, the technology known as Peer to Peer (P2P) allows for the transmission of music, videos, movies, software, video games and other materials--most of which is subject to copyright protection.

Remember that a copyright exists in a work at the time it becomes fixed in some tangible medium of expression. That means that an image you have downloaded from the Internet, as well as a video or musical performance is almost certainly subject to copyright protection. When you download these works, transfer them to a disk or other medium, or send them to a friend, you are infringing on the rights of the copyright holder. Trafficking in such material without the permission of the copyright holder, then, violates copyright law. This includes unauthorized music file sharing over the Internet.

According to a statement recently issued by representatives of the motion picture, recording and songwriting industries, uploading and downloading copyrighted works over the Internet is theft: "It is no different from walking into the campus bookstore and in a clandestine manner walking out with a textbook without paying for it."

Why is it important for a student to be aware of copyright law?

Copyright infringement is expressly prohibited by the U.S. Copyright Act. Anyone who infringes another's copyright in a creative work is subject to liability, and could be required to pay large sums in damages.

In addition, as the law clearly prohibits copyright infringement, using any college resources--such as photocopiers, desktop and laptop computers, printers, central computing facilities, local-area or college-wide networks, Internet access, or electronic mail--for the purpose of infringing a copyright in any work may be grounds for student discipline. According to Maricopa Community College District administrative regulation, "students are expected to comply with the provisions of the Copyright Act of 1976 pertaining to photocopying of printed materials, copying of computer software and videotaping."

Moreover, under the Maricopa Community Colleges Computing Resource Standards, a student is prohibited from the "use of software, graphics, photographs, or any other tangible form of expression that would violate or infringe any copyright or similar legally-recognized protection of intellectual property rights." The Standards also prohibit "transmitting, storing, or receiving data, or otherwise using computing resources in a manner that would constitute a violation of state or federal law…"

A student who violates these policies, then, can be disciplined at any of the Maricopa Community Colleges. This discipline could include suspension or even expulsion.

Does copyright law allow me to download files from a college web site?

Thanks to recent changes to copyright law colleges and universities are allowed to transmit copyrighted images, recordings, and other materials over the Internet in connection with distance learning offerings. These changes allow for the performance of non-dramatic literary works or musical works, as well as the display of "reasonable and limited portions" of any work in an amount comparable to that typically displayed in a live classroom setting. Use of the works must, however, be "an integral part" of the distance-learning class session, and available solely to students enrolled in the class. In addition, the transmission of the copyrighted works must be under the direction or actual supervision of a faculty member.

Even though the college does not hold the copyright to these works, or even have the express permission of the copyright holder, they may be delivered over the Internet to students in distance learning classes.

The fact that the law authorizes such use of copyrighted materials, though, does not allow a student in these classes to freely download, copy, or re-transmit the works. They are intended solely for use by the institution in connection with distance instruction; any other use would likely constitute a violation of copyright law.

3.4 TAPING OF FACULTY LECTURES

The Maricopa Community Colleges acknowledge that faculty members are, by law, afforded copyright protection in their classroom lectures and, therefore, may limit the circumstances under which students may tape (audio/visual) their classes.
Each faculty member shall inform his/her students within the first week of classes to his/her policy with regard to taping. Failure to do so will accord students the right to tape lectures.

Students with disabilities that render them unable to take adequate lecture notes are entitled to reasonable accommodation to remedy this inability. Accommodation may require a faculty member to exempt a student from his/her taping policy.

4.4 TECHNOLOGY RESOURCE STANDARDS

INTRODUCTION

The Maricopa County Community College District (MCCCD) provides its students, employees, Governing Board members and the public with access to information resources and technologies. MCCCD recognizes that the free exchange of opinions and ideas is essential to academic freedom, and the advancement of educational, research, service, operational, and management purposes, is furthered by making these resources accessible.

Arizona constitutional and statutory mandates require that MCCCD resources, including technology, be used only for the public's business, and not for private purposes. Those mandates apply to all MCCCD public officials–employees of every kind and the Governing Board. The aim of those laws is to safeguard the use of resources, including technology resources, acquired and maintained with public funds. Compliance with other laws–both federal and state–also dictates the need for standards for the use of MCCCD technology resources. In some cases, the Governing Board policies emphasize the importance of compliance with the law such as

the requirement to adhere to copyright laws. Governing Board policies also establish MCCCD's own standards, such as the directive that all persons within the MCCCD community be treated in a manner that is humane, fair and dignified.

This administrative regulations established standards for the use of MCCCD technology resources. They should be seen as supplementing, and not in lieu of, Governing Board policy, applicable law and other applicable administrative regulations such as Administrative Regulation 4.3 "Electronic Communications."

GENERAL RESPONSIBILITIES

Technology resources (including, but not limited to, desktop and laptop systems, printers, central computing facilities, District-wide or college-wide networks, local-area networks, access to the Internet, electronic mail and similar electronic information) of the Maricopa County Community Colleges District are available only to authorized users, and any use of those resources is subject to these Standards. All users of Maricopa's technology resources are presumed to have read and understood the Standards. While the Standards govern use of technology resources District-wide, an individual community college or center may establish guidelines for technology resource usage that supplement, but do not replace or waive these Standards.

The first screen that each MCCCD computer exhibits on starting up advises users of these Standards and requires an acknowledgment before the user may proceed to the next screen. Additionally, all MCCCD employees are responsible for annually acknowledging receipt of the Blue Book, which contains this regulation. So all users of MCCCD technology resources are presumed to have read and understood the Standards. While the Standards govern use of technology resources MCCCD-wide, an individual community college or center may establish guidelines for technology resource usage that supplement, but do not replace or waive, these Standards.

USE OF NON-MCCCD TECHNOLOGY

Under Arizona's public records law, MCCCD is required to transact business so that its records are accessible and retrievable. The policy underlying the law is that work done in the name of the public be transparent. Thus, any member of the public may request public records and, except in a few specific instances, are entitled to get copies of them.

Each individual employee or Governing Board member is responsible for ensuring that MCCCD records that he or she initiates or receives are retained for the period of time required by and disposed of according to mandates established by Arizona State Library, Archives and Public Records–the state agency tasked with setting standards for record retention. Therefore, an employee's or Governing Board member's use of non-MCCCD technology resources for communication of any type of MCCCD business is heavily discouraged because those records are less capable of being managed according to MCCCD's process for ensuring retention, retrieval and disclosure set forth in Administrative Regulation 4.15 "Retrieval, Disclosure and Retention of Records."

Additionally, an MCCCD employee who receives a communication allegedly from another MCCCD employee using a non-MCCCD e-mail address is not required to respond substantively to that e-mail. The employee receiving the e-mail is entitled to verify that the sender is whom he or she says that he or she is. The employee receiving the e-mail may request that the sender provide the information or inquiry set forth in the e-mail via hard-copy form

ACCEPTABLE USE

Use of Maricopa's technology resources, including websites created by employees and students, is limited to educational, research, service, operational, and management purposes of the Maricopa County Community Colleges District and its member institutions. Likewise, images and links to external sites posted on or transmitted via Maricopa's technology resources are limited to the same purposes.

Frequently, access to MCCCD's technology resources can be obtained only through use of a password known exclusively to the MCCCD employees, Governing Board members or students. It is those users' responsibility to keep a password confidential. While MCCCD takes reasonable measures to ensure network security, it cannot be held accountable for unauthorized access to its technology resources by other persons, both within and outside the MCCCD community. Moreover, it cannot guarantee employees, Governing Board members and students protection against reasonable failures. Finally, under certain limited circumstances defined in Administrative Regulation 4.15 "Retrieval, Disclosure and Retention of Records," certain MCCCD employees are authorized to access information on an MCCCD technology device.

It is not Maricopa's practice to monitor the content of electronic mail transmissions, files, images, links or other data stored on or transmitted through Maricopa's technology resources. The maintenance, operation and security of Maricopa's technology resources, however, require that network administrators and other authorized personnel have access to those resources and, on occasion, review the content of data and communications stored on or transmittted through those resources. Any other review may be performed exclusively by persons expressly authorized for such purpose and only for cause. To the extent possible in the electronic environment and in a public setting, a user's privacy will be honored. Nevertheless, that privacy is subject to Arizona's public records laws and other applicable state and federal laws, as well as policies of Maricopa's Governing Board all of which may supersede a user's interests in maintaining privacy in information contained in Maricopa's technology resources.

INCIDENTAL COMPUTER AND TECHNOLOGY USAGE

Limited incidental personal use of MCCCD technology resources including through use of personal e-mail systems is permitted, except as described in item 16 under "Prohibited Conduct." MCCCD employees are responsible for exercising good judgment about personal use in accordance with this regulation, Colleges' consistent local guidelines and MCCCD ethical standards. Personal use refers to activities which only affect the individual and that are not related to an employee's outside business. MCCCD employees are required to conduct themselves in a manner which will not raise concern that they are or might be engaged in acts in violations of the public trust. Refer to the Guidelines for Incidental Computer Usage for the Maricopa Community Colleges (Appendix AS-8) and Guidelines for Incidental Telephone Usage for the Maricopa Community Colleges (Appendix AS-9).

PROHIBITED CONDUCT

The following is prohibited conduct in the use of Maricopa's technology resources:

1. Posting to the network, downloading or transporting any material that would constitute a violation of Maricopa County Community College District contracts.
2. Unauthorized attempts to monitor another user's password protected data or electronic communication, or delete another user's password protected data, electronic communications or software, without that person's permission.
3. Installing or running on any system a program that is intended to or is likely to result in eventual damage to a file or computer system.
4. Performing acts that would unfairly monopolize technology resources to the exclusion of other users, including (but not limited to) unauthorized installation of server system software.
5. Hosting a website that violates the .EDU domain request.
6. Use of technology resources for non-Maricopa commercial purposes, including to advertise personal services, whether or not for financial gain.
7. Use of software, graphics, photographs, or any other tangible form of expression that would violate or infringe any copyright or similar legally-recognized protection of intellectual property rights.
8. Activities that would constitute a violation of any policy of Maricopa's Governing Board, including, but not limited to, Maricopa's non-discrimination policy and its policy against sexual harassment.
9. Transmitting, storing, or receiving data, or otherwise using technology resources in a manner that would constitute a violation of state or federal law, or MCCCD policy or administrative regulation including, but not limited to, obscenity, defamation, threats, harassment, and theft.
10. Attempting to gain unauthorized access to a remote network or remote computer system.
11. Exploiting any technology resources system by attempting to prevent or circumvent access, or using unauthorized data protection schemes.
12. Performing any act that would disrupt normal operations of computers, workstations, terminals, peripherals, or networks.
13. Using technology resources in such a way as to wrongfully hide the identity of the user or pose as another person.
14. Allowing any unauthorized access to Maricopa's technology resources.
15. Making personal long distance or other toll calls, except where the charges for the calls are incurred directly by the caller or arrangements are otherwise made at the time of the call to directly bill the caller.
16. Intermittent use of technology resources that interferes with the performance of an employee's main responsibilities.
17. Use of technology resources to market or conduct other activities on behalf of a third party regarding the "hosting" of an event that is prohibited under MCCCD's Use of College Facilities administrative regulation.
18. Conducting District or college-related business using any electronic mail account other than one hosted or provided by MCCCD, and approved by the Vice Chancellor of Information Technology Services, even when the email account copies all outgoing and incoming messages to the MCCCD hosted account.
19. Deleting or altering a technology public record in violation of public records retention requirements, or in anticipation of receivingor after receipt of a public records request, subpoena or a complaint filed as part of an MCCCD grievance, investigation or review, or other lawful request for the record.
20. Deleting or altering a technology record on an MCCCD device in anticipation or after receipt of a public records request, subpoena or a complaint filed as part of an MCCCD grievance, investigation or review, or other lawful request for the records where the record may demonstrate a misuse of technology resources under this regulation.

REVIEW AND APPROVAL OF ALTERNATE EMAIL ACCOUNT SYSTEMS

The prior review and approval by the Vice Chancellor of Information Technology is required for the implementation of alternate College electronic mail account systems. Requests will be evaluated based upon the following considerations:

1. The system must be compatible and interoperable with the MCCCD e-mail system. All information within the e-mail system must meet the standards and authorize District Office access as specified in Administrative Regulation 4.15, "Retrieval, Disclosure and Retention of Records."
2. Any proposed changes to an MCCCD's entity's e-mail system with e-discovery implications must be approved in advance during the planning stages as specified in Administrative Regulation 4.15, "Retrieval, Disclosure and Retention of Records."

DISCLAIMER

The home page of a web site must display, or link to, the following disclaimer in a conspicuous manner:

All information published online by MCCCD is subject to change without notice. MCCCD is not responsible for errors or damages of any kind resulting from access to its internet resources or use of the information contained therein. Every effort has been made to ensure the accuracy of information presented as factual; however errors may exist. Users are directed to countercheck facts when considering their use in other applications. MCCCD is not responsible for the content or functionality of any technology resource not owned by the institution.

The statements, comments, or opinions expressed by users through use of Maricopa's technology resources are those of their respective authors, who are solely responsible for them, and do not necessarily represent the views of the Maricopa County Community College District.

INFORMATION ACCURACY AND MARKETING STANDARDS

In order to help ensure that the most accurate information sources are reflected on web pages, information should be cited, sourced or linked from the website of the official District or college custodian responsible for the particular subject. In addition, the design of web pages shall reflect established marketing standards with respect to the imaging and using of MCCCD marks as outlined in the marketing standards handbook and Use of Marks administrative regulation.

COMPLAINTS AND VIOLATIONS

Complaints or allegations of a violation of these standards will be processed through Maricopa's articulated grievance procedures or resolution of controversy.

Upon determination of a violation of these standards, Maricopa may unilaterally delete any violative content and terminate the user's access to Maricopa's technology resources. It is the user's responsibility to demonstrate and/or establish the relevance of content in the event that a content complaint is made official. Users retain the right to appeal through Maricopa's grievance procedures or resolution of controversy.

2.6 HAZING PREVENTION REGULATION

The Maricopa County Community College District (MCCCD) strives to exceed the changing expectations of our many communities for effective, innovative, student-centered, flexible and lifelong educational opportunities. Our employees are committed to respecting diversity, continuous quality improvement and the efficient use of resources. We are a learning organization guided by our shared values of: education, students, employees, excellence, diversity, honesty and integrity, freedom, fairness, responsibility and public trust.

Central to the vitality and dignity of our community of learners is an environment that produces broadly educated responsible citizens, who are prepared to serve and lead in a free society. Academic instruction, co-curricular activities and community involvement come together to meet this goal. All members of the Maricopa Community Colleges' community, through the best of their abilities, must be provided the opportunity to contribute in a safe, orderly, civil and positive learning environment. One factor that inhibits the achievement of the above stated purpose is the practice of hazing.

1. Hazing by any student, employee or other person affiliated with the Maricopa Community Colleges is prohibited.
2. "Hazing" is defined as any intentional, knowing or reckless act committed by a student or other person in any MCCCD college or affiliated educational setting, whether individually or in concert with other persons, against another student, and in which both of the following apply:
   A. The act was committed in connection with an initiation into, an affiliation with or the maintenance of membership in any club/organization that is affiliated with Maricopa Community Colleges; and,
   B. The act contributes to a substantial risk of potential physical injury, mental harm or personal degradation, or causes physical injury, mental harm or personal degradation.
3. Any solicitation to engage in hazing is prohibited.
4. Aiding and abetting another person who is engaged in hazing is prohibited.
5. Victim consent is not a defense for violation of the Maricopa Community Colleges Hazing Prevention Regulation.
6. All students, faculty and staff must take reasonable measures within the scope of their individual authority to prevent violations of the Maricopa Community Colleges Hazing Prevention Regulation.
7. Hazing activities and situations include, but are not limited to, the following:
   A. Pre-pledging, illegal pledging or underground activities.
   B. Acts of mental and physical abuse, including, but not limited to: paddling, slapping, kicking, pushing, yelling, biting, duck-walking, line-ups, tuck-ins, belittling, excessive exercise, beating or physical abuse of any kind, and the potentially forced consumption of any food or beverage that contributes to or causes physical injury, mental harm or personal degradation.
   C. Sleep deprivation (activities that deprive prospective and/or current students and/or members of the opportunity of a minimum of six hours sufficient sleep each day).

D. Encouraging or forcing use of alcohol or drugs.
E. Any type of student club/organization scavenger hunt, quest, road trip or activity that would physically or psychologically endanger prospective and/or current students and/or members or others.
F. Stroking or physically touching in an indecent or inappropriate manner. See Sexual Harassment policy 5.1.8
G. Student club/organization activities that subject prospective and/or current students and/or members or others to public nuisance or spectacle.
H. Aiding or abetting theft, fraud, embezzlement of funds, destruction of public, personal or private property, or academic misconduct.
I. Being required to wear odd or look-alike apparel that contributes to or causes physical injury, mental harm or personal degradation.
J. Personal services that contribute to or cause physical injury, mental harm or personal degradation.

8. Alleged violations of this regulation by students or student organizations can be reported to the vice president of student affairs' office for investigation by any member of the college community. The vice president of student affairs' office will investigate the complaint in accordance with the student disciplinary code, all other college and Maricopa Community Colleges policies, and local and state laws. Alleged violations of the Maricopa Community Colleges hazing prevention regulation or interference with an investigation under this regulation by students or student organizations are subject to sanctions under the student disciplinary code. The student disciplinary code shall govern all proceedings involving such a complaint. Decisions arrived at as outcomes of the proceedings shall be final, pending the normal appeal process.
9. Alleged violations of the Maricopa Community Colleges hazing prevention regulation by any faculty or staff member can be reported to the vice president of student affairs' office for investigation by any member of the college community. The vice president of student affairs' office will investigate the complaint in accordance with college and Maricopa Community Colleges policies, and local and state laws. Any Maricopa Community Colleges faculty or staff member who knowingly permitted, authorized or condoned the alleged hazing activity is subject to disciplinary action in accordance with college and Maricopa Community Colleges policies, and local and state laws.
10. If the vice president of student affairs' office receives a report or complaint of an alleged hazing activity involving physical injury, threats of physical injury, intimidation, harassment or property damage, or any other conduct that appears to violate Arizona state law, the college will report such conduct to the appropriate college safety office. The said college safety office will investigate, respond to and report on the alleged hazing activity in accordance with all college, District, local, state and federal guidelines, policies and laws.
11. Should the proceedings outlined above substantiate an occurrence of hazing activity—where students or student organizations knowingly permitted, authorized or condoned the hazing activity—the college can recommend the following sanctions against student clubs/organizations:
    A. CENSURE: Censure can include the required completion of a program designed with the intent of eliminating the hazing activity. The programs will be devised with the cooperation of all involved parties and monitored by the vice president of student affairs' office.
    B. PROBATION: The student club(s)/organization(s) will be placed on probation for a specified period of time. Conditions of probation will be determined by the vice president of student affairs' office and outlined in writing to the student club(s)/organization(s). The probationary term will be monitored by the vice president of student affairs' office.
    C. SUSPENSION: The student club(s)/organization(s) will be suspended. The terms of the suspension can be defined in the sanction, including criteria the student club(s)/organization(s) must meet within a specified time to be considered for admission or renewal of college recognition status.
    D. REVOCATION: The student club(s)/organization(s) will have its status revoked, with the loss of all college associations, recognitions and privileges. The national or international office of an organization, if so affiliated, will be requested to revoke the charter of an organization.
12. The Maricopa Community Colleges hazing prevention regulation is not intended to prohibit or sanction the following conduct:
    A. Customary athletic events, contests or competitions that are sponsored by any of the Maricopa Community Colleges.
    B. Any activity or conduct that furthers the goals of a legitimate educational curriculum, a legitimate co-curricular experience or a legitimate military training program.
13. For the purposes of the Maricopa Community Colleges hazing prevention regulation: "Organization" is defined as an athletic team, association, order, society, corps, cooperative, club or other similar group that is affiliated with Maricopa Community Colleges, whose membership consists primarily of students enrolled at Maricopa Community Colleges and that may also be classroom-related or co-curricular in nature.

2.4.7 ABUSE-FREE ENVIRONMENT

See also the Auxiliary Services Section (4.12) Smoke-Free/Tobacco-Free Environment and the Appendices/Student Section (S-16) Medical Marijuana Act of the Administrative Regulations

1. **Substance Abuse/Misuse Statement**

   Drug abuse and misuse has become a national issue and is receiving national attention, particularly in the academic community. The insidious effects of the abuse of these agents are also felt by all walks of life and economic levels. Therefore, as an education providing institution, we are responsible to provide knowledge and guidelines about prevention, control, and treatment of the abuse/misuse of alcohol, illegal and legal drug uses and misuses. Annual acknowledgments for students and employees are provided through the online messaging accounts.

   Students who experiment with drugs, alcohol, and illegal substances or use them recreationally may develop a pattern of use that leads to abuse and addiction. Maricopa community colleges recognized drug and alcohol abuse as an illness and a major health problem as well as a potential safety and security issue.

   Part of the educational mission of the Maricopa Community Colleges is to educate students about positive self-development, the benefits of a healthy lifestyle and the health risks associated with substance abuse. This mission closely aligns with the drug-free school and communities act of 1989, and other relevant substance abuse laws

2. **Student Program to Prevent Illicit Use of Drugs and Abuse of Alcohol**

   The maricopa community college district fully supports disciplinary action for misconduct and the enforcement of state laws governing the use of alcohol and the use, abuse,possession or distribution of controlled substances or illegal drugs

   A. Introduction and Purpose

   The recent adoption by Congress of the Drug-Free Schools and Communities Act amendments of 1989 (Public Law 101-226) requires federal contractors and grantees to certify that they will provide a drug-free school. As a recipient of federal grants, the District must adopt a program toward accomplishing this goal. While federal legislation has been the impetus for creation of the program, the administration and Governing Board recognize that substance abuse is a problem of national proportions that also affect students at Maricopa Community Colleges.

   The Maricopa Community Colleges are committed to maintaining learning environments that enhance the full benefits of a student's educational experience. The Maricopa Community College District will make every effort to provide students with optimal conditions for learning that are free of the problems associated with the unauthorized use and abuse of alcohol and drugs.

   B Standards of Conduct

   In the student handbooks of the Maricopa Community Colleges under codes of conduct, the following are examples of behavior that is prohibited by law and/or college rules and policies:

   i. Drinking or possession of alcoholic beverages on the college campus.
   ii. Misuse of narcotics or drugs.

   C. Sanctions for Violation of Standards of Conduct

   Disciplinary actions include, but are not limited to:

   i. Warning,
   ii. Loss of privileges,
   iii. Suspension, or
   iv. Expulsion.

   D. Legal Sanctions

   Local, state, and federal law prohibit the unlawful possession, use or distribution of illicit drugs and alcohol. Conviction for violating these laws can lead to imprisonment, fines, probation, and/or assigned community service. Persons convicted of a drug – and /or alcohol related offense will be ineligible to receive federally funded or subsidized grants, loans, scholarships, or employment.

   Any employee is subject to disciplinary action, up to and including employment termination, for any of the following: reporting to work under the influence of alcohol and/or illegal drugs or narcotics; the use, sale, dispensing, or possession of alcohol and/or illegal drugs or narcotics on mcccd premises, while conducting MCCCD business, or at any time which would interfere withthe effective conduct of the employee's work for the MCCCD; and use of illegal drugs.

3. MCCCD Program Standards

The Maricopa Community College District is committed to establishing a preventative substance abuse program at each college designed to affect positively the problems of irresponsible use of alcohol and the use and abuse of illegal substances. A main focus of the program will be on education of the campus community and assistance to individuals.

A. Identify a key individual, at each college, to provide emergency services and/or to contact and work with outside agencies that provide drug and alcohol counseling, treatment or rehabilitation programs that may be available to students and employees.
B. Support disciplinary action for misconduct and the enforcement of state laws governing the use of alcohol and the use, abuse, possession or distribution of controlled substances or illegal drugs.
C. Establish a preventative substance abuse program at each college designed to affect positively the problems of irresponsible use of alcohol and the use and abuse of illegal substances.

4. Alcoholic Beverages - Usage Regulation (AR 4.13)

This Administrative Regulation prohibits the use of District funds to purchase alcoholic beverages or services related to them except in small amounts to be used in cooking for the District's culinary programs. Additionally, it generally prohibits the presence of alcoholic beverages on premises owned by the District, or those leased or rented by the institution. It permits a few, narrow exceptions to that latter prohibition. The exceptions are not available to the general population of District employees or officials. More importantly, they are established to ensure that the District's actions stay within the boundaries of state law and the District's insurance coverage. Therefore, strict compliance with this regulation is essential.

A. **No Funds.** No funds under the jurisdiction of the governing board of the District may be used to purchase alcoholic beverages, except for the limited purposes of purchasing small amounts of them for use solely as ingredients in food preparation for classes and at the District's culinary institutes. Alcoholic beverages may not be stored on premises owned, leased, or rented by MCCCD except as provided in Paragraph 8.
B. **No Service or Sale of Alcoholic Beverages.** The law of the state of Arizona strictly regulates the service, sale, distribution and consumption of alcoholic beverages. In light of that law, the District does not permit alcoholic beverages to be served, sold or distributed on or in the premises owned by the District or leased or rented by the Maricopa Community Colleges for District-approved educational, fund-raising or other community purposes, except as provided in Paragraphs 3 and 4.
C. **Service at District Events on District-owned Property.** The Chancellor has the sole authority to approve the service, but not the sale or other distribution, of wine or beer at District events on district-owned property that the Chancellor either sponsors or approves. The only District employees authorized to request the Chancellor's approval are the College Presidents and the Vice Chancellors. Additionally, the law strictly limits the service of wine or beer by the District on District-owned property, and those restrictions are specified in Paragraph 5. Unless approved by the Chancellor in compliance with the law and this regulation, alcoholic beverages may not be served on District-owned property.
D. **Event Form Required.** A College President or Vice Chancellor who wishes to obtain the Chancellor's approval for the service of wine or beer at a District-sponsored event on District-owned property shall forward a completed written request to the Chancellor no later than 30 days before the event. The request form is available at: http://www.maricopa.edu/publicstewardship/governance/adminregs/appendices/AS-6.doc On signing the form, the Chancellor will provide a copy of it to the requestor and to the MCCCD Risk Manager. For events that the Chancellor sponsors, he or she will complete the form, sign it and provide it to the MCCCD Risk Manager no later than 10 business days before the event. The MCCCD Risk Manager will forward copies of the forms to the Arizona Department of Liquor Licenses and Control.
E. **Service restrictions required by law.** An event approved under Paragraph D must, by law, comply with the all of the following restrictions:
    i. The only alcoholic beverages that may be served and consumed are wine and beer. Wine consumption is limited to 6 oz. per person, and beer consumption is limited to 24 oz;
    ii. The gathering must be by invitation only, and not open to the public;
    iii. The gathering may not exceed 300;
    iv. Invitees may not be charged any fee for either the event or the beer or wine; and
    v. The consumption may only take place between noon and 10:00 p.m.

Additionally, beer and wine may only be served by a beverage service contractor whose liquor license with the state of Arizona is in good standing, except as provided in Paragraph 6. The contractor must provide all of the beverages served and well as the servers or bartender. Before the event, the contractor must provide a certificate of insurance that meets the requirements of the District's Risk Manager and that adds the District as an additional insured. The contractor must also agree in writing to indemnify the District regarding the service of the beverages.

F **Culinary Institutes.** The Chancellor may sponsor or approve an event at one of the District's culinary institutes. Students may serve wine and beer at the event as part of their class requirements, subject to the limitations of Paragraph 5. Any student serving those beverages must, by law, be 19 years or older.

G. **Third-Party Event.** The Maricopa County Community College District foundation and the friends of public radio Arizona may, with the approval of the Chancellor, sponsor an event on District-owned property under this regulation. The City of

Phoenix and the friends of the Phoenix Public Library may also do so, with the approval of the Chancellor, at the joint library on the campus of South Mountain Community College. These third-party, non-district entities are solely responsible for determining the steps that they are required to take to comply with Arizona's alcoholic beverages laws. Additionally, they must comply with the following steps:

i. The entity obtains a liquor license from the Arizona Department of Liquor Licenses and control for each event and fully complies with the laws, rules and other requirements applicable to that license;
ii. The entity completes the form available at http://www.maricopa.edu/publicstewardship/governance/adminregs/appendices/AS-7.doc and provides it to the Chancellor for approval along with a copy of the liquor license no later than 60 days before the event;
iii. The entity provides a certificate of insurance demonstrating that it has liquor liability coverage and that it adds the District as an additional insured;
iv. The entity agrees in writing to indemnify the District from any claims of any kind arising out of the event;
v. Beer and wine are the only alcoholic beverages served and only served through a beverage service contractor whose liquor license with the state of Arizona is in good standing;
vi. The contractor provides all of the beverages served and well as the servers or bartenders;
vii. Before the event, the contractor provides a certificate of insurance that meets the requirements of the District's Risk Manager and that adds the District as an additional insured; and
viii. The contractor agrees in writing to indemnify the District regarding the service of the beverages.

H. **Receipt of Beverages; Storage.** It is not permissible to store wine or beer on premises owned, leased or rented by MCCCD, except as provided in this paragraph. Alcoholic beverages purchased for use in cooking in District culinary courses must be stored in such a way that it is inaccessible to anyone except the Director or designee of the culinary program. For wine and beer to be used for receptions at the district's culinary institutes, as authorized by this administrative regulation, the following storage requirements apply:
   i. Wine and beer to be served may only be brought to MCCCD property no sooner than four hours prior to the event, and remain there no longer than four hours after the event; and
   ii. Once the wine and beer arrives on MCCCD property, the Director the culinary program shall assign an MCCCD employee to ensure that it is not stolen or that it is not opened until ready to be served.

I. **Compliance with Law.** In compliance with applicable law, any persons planning an event under this administrative regulation are required to familiarize themselves with the pertinent laws and other requirements established by the state of Arizona for the service of alcoholic beverages, particularly those in Arizona Revised Statutes Title 4 (Alcoholic Beverages) Chapters 1 (General Provisions), 2 (Regulations and Prohibitions) and 3 (Civil Liability of Licensees and Other Persons) as well as Arizona Administrative Code Title 19, Articles 1 (State Liquor Board) and 3 (Unlicensed Premises Definitions and Licensing Time-Frames).

J. **Residential Housing.** Lawful occupants of residential housing under the jurisdiction of the Governing Board, if over the age of 21 years and not otherwise lawfully barred from such practice, may possess and consume alcoholic beverages in the privacy of their respective leased housing facility. Guests of such occupants over the age of 21 years shall have the same privilege. No alcohol is permitted in public areas (nor common areas of a dormitory) at any time.

K. **Personal Responsibility.** The personal or individual purchase of alcoholic beverages by individuals attending District-approved functions held in places serving alcoholic beverages is a personal and individual responsibility. Administrative discretion shall be exercised in the approval of the location of such activities, as such decision pertains to the nature of the group involved.

L. **Miscellaneous Usage Issues.** Any issues that are not specifically addressed within this regulation require the review and determination by the Chancellor or Executive Vice Chancellor and Provost on matters related to culinary programs, academic or student affairs.

5. Other Health Concerns

General Guidelines Concerning AIDS

Neither a diagnosis of AIDS nor a positive HIV antibody test will be part of the initial admission decision for those applying to attend any of the Maricopa Community Colleges. The Maricopa Community Colleges will not require screening of students for antibody to HIV.

Students with AIDS or a positive HIV antibody test will not be restricted from access to student unions, theaters, cafeterias, snack bars, gymnasiums, swimming pools, recreational facilities, restrooms, or other common areas, as there is not current medical justification for doing so.

Where academically and logistically feasible, students who have medical conditions, including AIDS, may seek accommodation in order to remain enrolled. Medical documentation will be needed to support requests for accommodation through the Office of Disabled Resources and Services or the Office of Vice President of Student Affairs.

The Maricopa Community Colleges acknowledge the importance of privacy considerations with regard to persons with AIDS. The number of people who are aware of the existence and/or identity of students who have AIDS or a positive HIV antibody

test should be kept to a minimum. When a student confides in a faculty member, knowledge of the condition should be transmitted to the appropriate vice president or designee who will make the determination if the information should be further disseminated. It should be remembered that mere exposure to the person in a classroom does not constitute a need to know the diagnosis. It is, therefore, unnecessary to document in a student's file the fact that he or she has AIDS unless the information is to be used for accommodation reasons. Sharing confidential information without consent may create legal liability.

Students are encouraged to contact the Office of Disabled Resources and Services and/or the vice president of student affairs or designee for the types of services available in the District or community on matters regarding AIDS or the HIV virus.

4.12 SMOKE-FREE/TOBACCO-FREE ENVIRONMENT

The Maricopa County Community College District is dedicated to providing a healthy, comfortable, and educationally productive environment for students, employees, and visitors. In order to promote a healthy learning and work environment, the Chancellor has directed that the Maricopa County Community College District serve as a total smoke free and tobacco free environment, effective July 1, 2012. Smoking (including the use of "e-cigs") and all uses of tobacco shall be prohibited from all District owned and leased property and facilities, including but not limited to parking lots, rooftops, courtyards, plazas, entrance and exit ways, vehicles, sidewalks, common areas, grounds, athletic facilities, and libraries.

Support signage prohibiting the use of smoking instruments and tobacco shall be placed throughout all college and District locations.

Continued violations by and employee or student shall be handled through the respective conduct procedures established for employees and students.

APPENDIX S-16 STATEMENT ON THE ARIZONA MEDICAL MARIJUANA ACT (PROPOSITION 203)

In 2010, Arizona voters approved the Arizona Medical Marijuana Act (Propositions 203), a state law permitting individuals to possess and use limited quantities of marijuana for medical purposes. Because of its obligations under federal law, however, the Maricopa Community Colleges will continue to prohibit marijuana possession and use on campus for any purpose.

Under the Drug Free Workplace Act of 1988, and the Drug Free Schools and Communities Act of 1989, "…no institution of higher education shall be eligible to receive funds or any other form of financial assistance under any federal program, including participation in any federally funded or guaranteed student loan program, unless it has adopted and has implemented a program to prevent the use of illicit drugs and abuse of alcohol by students and employees." Another federal law, the Controlled Substances Act, prohibits the possession, use, production, and distribution of marijuana for any and all uses, including medicinal use. This law is not affected by the passage of the Arizona Medical Marijuana Act. Because Maricopa Community Colleges could lose its eligibility for federal funds if it fails to prohibit marijuana, it is exempt from the requirements of the Arizona Medical Marijuana Act. Therefore, Maricopa Community Colleges will continue to enforce its current policies prohibiting the unlawful manufacture, distribution, dispensation, possession, or use of a controlled substance on its property or as part of any of its activities.

Employees and students who violate Maricopa Community Colleges policy prohibiting the use or possession of illegal drugs on campus will continue to be subject to disciplinary action, up to and including expulsion from school and termination of employment.

2.8.1 DISABILITY RESOURCES & SERVICES - ELIGIBILITY FOR ACCOMMODATIONS & REQUIRED DISABILITY DOCUMENTATION

PURPOSE

To specify the disability documentation requirements that will qualify (i.e., support current and essential needs) Maricopa County Community College District students for reasonable and appropriate accommodations through each college's Disability Resources and Services (DRS) office or designated professional.

GENERAL ELIGIBILITY REQUIREMENTS

DRS applicants must be admitted or enrolled as an MCCCD student, and must provide the Disability Resource Services (DRS) office with qualifying disability documentation, verifying the nature and extent of the disability prior to receiving any accommodation.

WHO IS ELIGIBLE FOR SERVICES?

To be eligible for DRS Support Services, a student must have a disability as it is defined by federal law (section 504 of the 1973 Rehabilitation Act, the Americans With Disabilities act of 1990 (ADA), and the Americans With Disabilities Act Amendments Act of 2008 (ADAAA)).

Definitions

- Disability: A disability is any physical or mental condition which causes substantial limitation to the ability to perform one or more major life activities.
- Academic adjustment: An academic adjustment is a modification of a non-essential academic requirement, an examination, or an institutional rule that is necessary to avoid discriminating on the basis of handicap against qualified students with disabilities. Modifications may include changes in the length of time permitted for the completion of degree requirements, substitution of specific courses required for the completion of degree requirements, and adaptation of the manner in which specific courses are conducted.

***Documentation can be transferred within MCCCD for current consideration for eligibility.*
***Determination made by another institution or organization does not guarantee eligibility.*

Special Considerations

Any employee who receives a request for academic adjustment must refer the studentto the drs office. The drs office alone is responsible for evaluating documentation and determining eligibility and academic adjustments. All situations shall be considered on an individual, case-by-case basis, and all requests for academic adjustments from qualified students with a disability shall be considered by drs. Drs may exercise its right to require additional documentation.

Academic adjustments are determined by the drs office through an interactive exchange with the eligible student. The drs office will give priority to the request of the student, but will also consider the instructor's perspective when it is offered. The interactive exchange may continue during the course of the year, and the drs may make reasonable alterations in approved academic adjustments based on input from the student and the faculty member. Academic adjustments is determined by the drs office are required for students except when the institution subsequently determines that an adjustment would alter an academic requirement that is essential to the instruction being pursued by the student, or to a directly related licensing requirement. MCCCD is not required to provide "best" or "most desired" accommodations but rather a reasonable accommodation sufficient to meet accessibility needs.

In the event the instructor believes the modification determined by drs would alter an academic requirement that is essential to the instruction being pursued by the student, or to a directly related licensing requirement, the instructor will first meet with the director of the drs office within three working days of receipt of the determination and attempt to resolve the issue informally. If the faculty member's concern remains unresolved, within three days of the above meeting he or she may submit a written request to the college's chief academic officer (or a comparably qualified administrator designated by the college president) for his or her academic judgment on the question.

Any change in the drs office's initial recommendation resulting from the above meeting or the chief academic officer's decision will be communicated to the student by the drs office. The interactive exchange with the student will continue in an effort to achieve a mutually satisfactory outcome.

If a student is not satisfied with the academic adjustment provided, he or she may file a complaint under the discrimination complaint procedures for students. In such cases, the vice president for student affairs will assign an investigator whose qualifications and experienceinclude curriculum development and educational accommodations for students with disabilities.

In all cases in which academic adjustments are in controversy, whether as a student discrimination complaint or a faculty member's appeal to the chief academic officer, the ultimate decision will be informed by consultation with the duly appointed faculty representatives who serve in the development of the curriculum for the institution and the program. The committee will study the requested academic adjustment and alternatives, their feasibility, cost and effect on the academic program, and come to a rationally justifiable conclusion as to whether the available alternatives would result either in lowering academic standards or requiring substantial program alteration. This conclusion will be submitted in writing to the chief academic officer, who will consult with the vice chancellor and the office of general counsel before making the final determination.

Nothing in this policy prohibits a faculty member from making minor, commonsense alterations in the manner in which a course is presented. A student who asks the instructor to change the color of chalk used because he is colorblind may be so accommodated without registering with DSO. However, the faculty member must report making such accommodations to DSO.

Documentation Guidelines

Students requesting accommodations must provide documentation of their disability. Documentation consists of an evaluation prepared by a trained and qualified professional that identifies:

- current level of functioning
- current documentation
- all standardized testing must use adult-normed instruments

- age of the documentation may vary for some disabilities, provided the presence of a substantial limitation(s) is adequately established
- how the disability impacts the student's learning
- contain information supportive of the student's request for specific academic support, auxiliary aids, and accommodations

Specific Eligibility Requirements

1. Physical Disabilities
   A. Required Documentation
   The student must submit a written, current of any physical disabilities that are based on appropriate diagnostic evaluations administered by trained and qualified (i.e., certified and/or licensed) professionals (e.g., medical doctors, ophthalmologists, neuropsychologists, audiologists). Disability diagnosis categories include:
      i. Orthopedic Disability
      ii. Blind or Visual Impairment
      iii. Deaf or Hard-of-Hearing
      iv. Traumatic Brain Injury
      v. Other Health-Related/Systemic Disabilities
   B. Diagnostic Report
   The diagnostic report must include the following information:
      i. A clear disability diagnosis, history, and the date of diagnosis.
      ii. A description of any medical and/or behavioral symptoms associated with the disability.
      iii. Medications, dosage, frequency, and any adverse side effects attributable to use.
      iv. A clear statement specifying functional limitations.
      v. A recommendation for accommodation(s).
2. Specific Learning Disabilities
   A. Required Documentation
   Submit a written diagnostic report of specific learning disabilities that is based on age appropriate, comprehensive, psycho educational evaluations using adult normed instruments.

   The assessment or evaluation which leads to the diagnosis must be administered by a trained and qualified (i.e., certified and/or licensed) professional (e.g., psychologist, school psychologist, neuropsychologist, or educational diagnostician) who has had direct experience with adolescents and adults with learning disabilities.

   An appropriate Psycho Educational Evaluation must include comprehensive measures in each of the following areas:
      i. Aptitude: evaluation must contain a complete intellectual assessment, with all sub-tests and standard scores reported.
      Examples Of Measures (including but not limited to):
         1. Wechsler Adult Intelligence Scale (WAIS-R)
         2. Stanford Binet Intelligence Scale
         3. Woodcock-Johnson Psycho-Educational Battery
         4. Kaufman Adolescent And Adult Intelligence Test
      ii. Academic Achievement: evaluation must contain a comprehensive achievement battery with all sub-tests and standard scores reported. The test battery should include current levels of functioning in the relevant area(s).
      Examples of Achievement (including but not limited to):
         1. Wechsler Individual Achievement Tests (WIAT)
         2. Woodcock-Johnson Psycho-Educational Battery
         3. Stanford Test of Academic Skills (TASK)
         4. Scholastic Abilities Test for Adults (SATA)
      iii. Information Processing: evaluation should assess specific information processing areas such as short- and long-term memory, sequential memory, auditory and visual perception/processing, processing speed, executive function, and motor ability.
      Examples of Achievement (including but not limited to):
         1. Wechsler Individual Achievement Tests (WIAT)
         2. Woodcock-Johnson Psycho-Educational Battery
         3. Stanford Test of Academic Skills (TASK)
         4. Scholastic Abilities Test for Adults (SATA)
   B. Diagnostic Report
   The diagnostic report must include the following information:
      i. A diagnostic interview that addresses relevant historical information, past and current academic achievement, instructional foundation, past performance in areas of difficulty, age at initial diagnosis, and history of accommodations used in past educational settings and their effectiveness.

ii. A list of all instruments used in the test battery.
iii. Discussion of test behavior and specific test results.
iv. A diagnostic summary or statement with the following information:
1. DSM-IV, including all five axes.
2. A clear and direct statement that a learning disability does or does not exist, including a rule-out of alternative explanations for the learning problems. Terms such as "appears," "suggests," or "probable" used in the diagnostic summary statement do not support a conclusive diagnosis.
3. A clear statement specifying the substantial limitations to one or more major life activities.
4. A psychometric summary of scores.
5. A recommendation for accommodations, including rationale.

Diagnosis of specific learning disabilities that do not contain psycho-educational measures may not be sufficient for determining eligibility for academic accommodations. For example, school plans such as individualized education plans (IEP) or 504 plans may not be sufficient documentation. DRS reserves the right to request reassessment when questions regarding previous assessment or previous service provision arise.

3. Attention Deficit Hyperactivity Disorder (ADHD) / Attention Deficit Disorder (ADD)
A. Required Documentation
Submit a current diagnosis of attention deficit hyperactivity disorder (ADHD)/attention deficit disorder (ADD) that is based on appropriate diagnostic evaluations.
B. Diagnostic Report
Acceptable documentation must include:
i. DSM V Classification
ii. A summary or statement which includes the following information:
iii. A clear summary or statement specifying evidence of behavior that significantly impairs functioning, including degree of severity.
iv. A recommendation for accommodations, including rationale.

4. Psychological/Psychiatric Disabilities
A. Required Documentation
i. Depression and/or bipolar disorder
ii. Generalized anxiety disorders
iii. Post traumatic stress disorder
iv. Psychotic disorders
v. Autism spectrum disorder.
B. Diagnostic Report
If the diagnostic report is not current, a letter from a qualified professional that provides an update of the diagnosis may be requested
The diagnostic report must include the following:
i. DSM-V Classification
ii. A diagnostic summary or statement that includes the following:
1. A clear summary or statement that a disability does or does not exist.
2. A clear summary or statement specifying evidence of behavior that significantly impairs functioning including degree of severity.
3. A discussion of medications and their possible impact on academic functioning.

5. Neurological Disorders
A. Required Documentation
Disorders of the central and peripheral nervous system, including but not limited to:
i. Acquired Brain Injury/Traumatic Brain Injury
ii. Epilepsy/Seizure Disorder
iii. Stroke
B. Diagnostic Report
Written statement of diagnosis:
i. Current functional limitations
ii. Information regarding current symptoms
iii. Information regarding prescribed medication(s) and possible side effect and impact on student academic performance
iv. Restrictions on activities imposed by the condition
v. Where learning has been affected, a recent neuro-psychological evaluation is requested

6. Temporary Disabling Conditions
A. Required Documentation
i. Temporary disabling conditions as a result of surgery, accident, or serious illness may require accommodations

for a limited time. Acceptable documentation must include:

ii. Written statement of diagnosis
iii. List of current symptoms and degree of severity
iv. Information regarding functional limitations and impact within an academic environment
v. Medications and possible side effects
vi. Duration of symptoms and estimated length of time services will be needed

2.8.2 ELIGIBILITY OF STUDENTS TAKING REDUCED COURSE LOADS

Although any student may register for fewer than twelve credit hours, a student with a disability may request a reduced academic load as a reasonable and appropriate accommodation. A college Disability Resource Services (DRS) professional may certify that a student who is afforded a reduced academic load as an accommodation for a disability shall nevertheless be deemed a full-time student. Such certification shall be solely to enable the student to seek eligibility for health insurance benefits and to seek eligibility to comply with mandates of the National Junior College Athletic Association. The college DRS professional will certify that a student may be deemed a full-time student as provided under this regulation only on a semester-by-semester basis.

The appropriate college offices will receive documentation of the DRS professional's certification from the professional or the student. An incoming student may apply for such certification upon acceptance to the college. Requests for certification must be made prior to the beginning of each semester. Every attempt will be made to accommodate these requests.

The following criteria also apply:

- Students taking a reduced course load must register for at least 6 credit hours (based on DRS approval) during the regular fall and spring semesters. It is recommended that students register for at least three (3) credit hours during the summer to offset the impact of academic eligibility.
- Students taking a reduced course load must maintain satisfactory academic progress standards as defined by the College catalog.
- The reduced credit load may result in an adjusted financial aid package. There may be additional ramifications including, but not limited to, extra time to complete college, insurance coverage, Vocational Rehabilitation funding, etc.
- Eligibility for Federal Stafford Loans may be reduced according to the total number of credit hours taken in the full academic year. A student, taking a reduced course load, must be at least half time in a semester (6 credits) in order to receive a Stafford Loan.
- The amount of Federal Financial Aid (Title IV) awarded is based on the actual number of credit hours taken.
- Requirements for continuation of funding through Vocational Rehabilitation may differ. The student must contact his/her VR counselor to determine how a reduced course load will impact their funding.
- The National Junior College Athletic Association (NJCAA) has published standards in regard to the designation of Certified Disabled Student-Athlete in Article V Section J of the NJCAA bylaws. This procedure addresses the NJCAA criteria for reduced course loads.

Application Process

1. Applications for reduced course loads must be submitted to the Disability & Services professional with supporting documentation. Requests must be made prior to the beginning of each semester.
2. Supporting documentation must include a diagnostic evaluation from an appropriate professional. The documentation must meet the guidelines set forth by the Maricopa Community College District's Documentation Policy in order to evaluate the current impact of the disability in regards to the request. Students are required to complete an application form for this status every semester, but do not need to re-submit their documentation. Continuation of this status is not automatic. Each case will be re-evaluated at the end of the semester to determine if this accommodation is still appropriate.
3. Students requesting a reduced course load should consult with their academic advisor regarding the consequences of this status for making progress toward graduation requirements and eligibility for various academic distinctions and designations.
4. Students registered in occupational and/or academic programs that have specific block formats will not be considered for reduced course loads.
5. Students who are approved for a reduced course load will be required to sign the Reduced Course Load Approval Form (see Appendix S-10), which includes a statement acknowledging that he or she has reviewed the consequences that go with reduced load status and accepts them.
6. When a reduced course load status is granted by the Disability Resources & Services professional, a copy of the Reduced Course Load Approval Form will be sent to the appropriate individuals.

2.3.11 ACADEMIC MISCONDUCT

1. **Definitions**
   A. Academic Misconduct - includes any conduct associated with the classroom, laboratory, or clinical learning process that is inconsistent with the published course competencies/objectives and/or academic standards for the course, program, department, or institution. Examples of academic misconduct include, but are not limited to: (a) cheating and plagiarism (including any assistance or collusion in such activities, or requests or offers to do so); (b) excessive absences; (c) use of abusive or profane language; and (d) disruptive behavior.
   B. Cheating is any form of dishonesty in an academic exercise. It includes, but is not limited to, (a) use of any unauthorized assistance in taking quizzes, tests, examinations, or any other form of assessment whether or not the items are graded; (b) dependence upon the aid of sources beyond those authorized by the faculty member in writing papers, preparing reports, solving problems, or carrying out other assignments; (c) the acquisition, without permission, of tests or other academic material belonging to or administered by the college or a member of the college faculty or staff; and (d) fabrication of data, facts, or information.
   C. Plagiarism is a form of cheating in which a student falsely represents another person's work as his or her own – it includes, but is not limited to: (a) the use of paraphrase or direct quotation of the published or unpublished work of another person without full and clear acknowledgment; (b) unacknowledged use of materials prepared by another person or agency engaged in the selling of term papers or other academic materials; and (c) information gathered from the internet and not properly identified.
2. **Academic Consequences**
   Any student found by a faculty member to have committed academic misconduct may be subject to the following academic consequences, based on the faculty member's judgment of the student's academic performance
   Warning - A notice in writing to the student that the student has violated the academic standards as defined in 1.A.
   Grade Adjustment - Lowering of a grade on a test, assignment, or course.
   Discretionary assignments - Additional academic assignments determined by the faculty member.
   Course Failure - Failure of a student from a course where academic misconduct occurs.
3. **Disciplinary Sanctions**
   If the misconduct is sufficiently serious to warrant course failure, and if either (a) the failure results in a student being removed from an instructional program or (b) the student refuses to accept responsibility for the misconduct and its academic consequences, the faculty member will, in addition to awarding the course grade, consult the department chair and the vice president of academic affairs as to whether institutional sanctions set forth below should be sought under AR 2.5. Regardless whether the student has accepted responsibility for academic consequences, in all cases of academic misconduct the faculty member may make recommendations for sanctions and may file a written complaint of misconduct. The vice president of academic affairs will serve as the student conduct administrator in all academic misconduct cases, and will follow the procedure established in AR 2.5.2 to evaluate whether disciplinary sanctions are warranted. College probation, suspension, or expulsion will be imposed only by the vice president of academic affairs or designee, and only after the student has received the procedural rights provided in AR 2.5.2.
   Disciplinary Probation - Disciplinary probation is for a designated period of time and includes the probability of more severe sanctions if the student commits additional acts of academic misconduct.
   College Suspension - Separation of the student from the college for a definite period of time, after which the student is eligible to return. Conditions for readmission may be specified. (A suspension from one Maricopa Community College will apply to all other colleges/centers in the District.)
   College Expulsion - Permanent separation of the student from the college. (Expulsion from one Maricopa Community College will apply to all colleges/centers in the District.)
4. **Appeal of Sanctions for Academic Misconduct**
   Students can appeal academic consequences by following the instructional grievance procedure (AR 2.3.5; Appendix S-6). Students can appeal Students may appeal disciplinary sanctions as provided in AR 2.5.2. If the student appeals through both processes, the instructional grievance process will be suspended until a final decision is reached in the student discipline procedure. In all cases in which financial aid has been adversely affected by academic consequences or disciplinary sanctions that are the subject of ongoing hearing or appeal proceedings, the student may appeal the financial aid determination on the grounds that a final decision has not been made. In such an event, a final decision on financial aid will not be made until after the final decision on consequences and/or sanctions.

Amended through direct approval from the Chancellor and Executive Vice Chancellor & Provost on August 7, 2013

2.5.1 DISCIPLINARY STANDARDS

1. **Disciplinary Probation and Suspension**
   According to the laws of the State of Arizona, jurisdiction and control over the Maricopa Community Colleges are vested in the District Governing Board. The Governing Board and its agents--the chancellor, administration and faculty--are granted broad legal authority to regulate student life subject to basic standards of reasonableness.

   In developing responsible student conduct, the Maricopa Community Colleges prefer mediation, guidance, admonition and example. However, when these means fail to resolve problems of student conduct and responsibility, appropriate disciplinary procedures will be followed.

   Misconduct for which students are subject to disciplinary action falls into the general areas of:
   A. Cheating on an examination, assessment tests, laboratory work, written work (plagiarism); falsifying, forging or altering college records.
   B. Actions or verbal statements which threaten the personal safety of any faculty, staff, students, or others lawfully assembled on the campus, or any conduct which is harmful, obstructive, disruptive to, or interferes with the educational process or institutional functions.
   C. Violation of Arizona statutes, and/or college regulations and policies.
   D. Use of college computer resources such as the Internet in violation of Technology Resource Standards (AR 4.4) which may result in notification of law enforcement authorities.
2. **Disciplinary Removal from Class**
   A faculty member may remove a student from class meetings for disciplinary reasons. If a faculty member removes a student for more than one class period, the faculty member shall notify the department/division chair and the appropriate vice president or designee in writing of the problem, action taken by the faculty member, and the faculty member's recommendation. If a resolution of the problem is not reached between the faculty member and the student, the student may be removed permanently pursuant to due process procedures.

2.5.2 STUDENT CONDUCT CODE

The purpose of this Code is to help ensure a healthy, comfortable and educationally productive environment for students, employees and visitors.

ARTICLE I: DEFINITIONS

The following are definitions of terms or phrases contained within this Code:

1. “Accused student” means any student accused of violating this Student Conduct Code.
2. "Appellate boards" means any person or persons authorized by the college president to consider an appeal from a Student Conduct Board's determination that a student has violated this Student Conduct Code or from the sanctions imposed by the Student Conduct Administrator. The college president may act as the appellate board.
3. "College" means a Maricopa Community College or center.
4. "College premises" means all land, buildings, facilities and other property in the possession of or owned, used or controlled by the college or District.
5. "College official" means any person employed by the college or District, performing assigned administrative or professional responsibilities pursuant to this Student Conduct Code. The college president shall designate the college or center official to be responsible for the administration of the Student Conduct Code.
6. “Complainant” means any person who submits a charge alleging that a student violated this Student Conduct Code. When a student believes that s/he has been a victim of another student's misconduct, the student who believes s/he has been a victim will have the same rights under this Student Conduct Code as are provided to the complainant, even if another member of the college community submitted the charge itself.
7. “Day” means calendar day at a time when college is in session, and shall exclude weekends and holidays.
8. “Disruptive behavior” means conduct that materially and substantially interferes with or obstructs the teaching or learning process in the context of a classroom or educational setting.
9. “District” means the Maricopa County Community College District.
10. "Faculty member" means any person hired by the college or District to conduct classroom or teaching activities or who is otherwise considered by the college to be a member of faculty.
11. "May" is used in the permissive sense.
12. "Member of the college community" means any person who is a student, faculty member, college official or any other person employed by the college or center. A person's status in a particular situation shall be determined by the college president.
13. "Organization" means any number of persons who have complied with the formal requirements for college recognition.

14. "Policy" is defined as the written regulations of the college and/or District as found in, but not limited to, this Student Conduct Code and Governing Board policy.
15. "Shall" is used in the imperative sense.
16. "Student" means any person taking courses at the college whether full-time or part-time. Persons who are not officially enrolled for a particular term but who have a continuing relationship with the college are considered "students".
17. "Student Conduct Administrator" means a college official authorized on a case by case basis by the college official responsible for administration of the Student Conduct Code to impose sanctions upon students found to have violated this Student Conduct Code. A Student Conduct Administrator may serve simultaneously as a Student Conduct Administrator and the sole member or one of the members of a Student Conduct Board. The college official responsible for administration of the Student Conduct Code may authorize the same Student Conduct Administrator to impose sanctions in all cases.
18. "Student Conduct Board" means any person or persons authorized by the college president to determine whether a student has violated this Student Conduct Code and to recommend sanctions that may be imposed when a violation has been committed.
19. "Threatening behavior" means any written or oral statement, communication, conduct or gesture directed toward any member of the college community, which causes a reasonable apprehension of physical harm to self, others or property. It does not matter whether the person communicating the threat has the ability to carry it out, or whether the threat is made on a present, conditional or future basis.

ARTICLE II: JUDICIAL AUTHORITY

1. The college official responsible for administration of the Student Conduct Code shall determine the composition of Student Conduct Board and determine which Student Conduct Administrator, Student Conduct Board, and appellate board shall be authorized to hear each case.
2. The college official responsible for administration of the Student Conduct Code shall develop procedures for the administration of the judicial program and rules for the conduct of hearings that are consistent with provisions of this Student Conduct Code.
3. Decisions made by a Student Conduct Board and/or Student Conduct Administrator shall be final, pending the normal appeal process.

ARTICLE III: PROHIBITED CONDUCT

1. Jurisdiction of the College

The Student Conduct Code shall apply to conduct that occurs on college or District premises, or at college- or District-sponsored activities that adversely affects the college community and/or the pursuit of its objectives. Each student shall be responsible for his/her conduct from the time of admission through the actual awarding of a degree, certificate, or similar indicator of completion of a course of study, even though conduct may occur before classes begin or after classes end, as well as during the academic year and during periods between terms of actual enrollment (and even if their conduct is not discovered until after a degree is awarded). The Student Conduct Code shall apply to a student's conduct even if the student withdraws from school while a disciplinary matter is pending.

2. Temporary Removal of Student

Disruptive behavior includes conduct that distracts or intimidates others in a manner that interferes with instructional activities, fails to adhere to a faculty member's appropriate classroom rules or instructions, or interferes with the normal operations of the college. Students who engage in disruptive behavior or threatening behavior may be directed by the faculty member to leave the classroom or by the college official responsible for administration of the Student Conduct Code to leave the college premises. If the student refuses to leave after being requested to do so, college safety may be summoned. For involuntary removal from more than one class period, the faculty member should invoke the procedures prescribed in the Student Conduct Code.

3. Conduct - Rules and Regulations

Any student found to have committed the following misconduct is subject to the disciplinary sanctions outlined in Article IV:

A. Acts of dishonesty, including but not limited to the following:
   i. Furnishing false information to any college official or office.
   ii. Forgery, alteration or misuse of any college document, record or instrument of identification.
   iii. Tampering with the election of any college- recognized student organization.

B. Obstruction of teaching, research, administration, disciplinary proceedings or other college activities, including its public service functions on campus, in clinical settings or other authorized non-college activities, when the conduct occurs on college premises a faculty member may remove a student from a class meeting for disciplinary reasons. If a faculty member removes a student for more than one class period, the faculty member shall notify the college official responsible for administration of the Student Conduct Code in writing of the problem, action taken by the faculty

member, and the faculty member's recommendation. If a resolution of the problem is not reached, the student may be removed permanently pursuant to appropriate due process procedures.

C. Physical abuse, verbal abuse, threats, intimidation, harassment, coercion, conduct which threatens or endangers the health or safety of any person, and/or disruptive behavior as defined in Article II.B. above.
D. Attempted or actual theft of and/or damage to property of the college or property of a member of the college community or other personal or public property.
E. Failure to comply with direction of college officials or law enforcement officers in the performance of their duties and/or failure to identify oneself to these persons when requested to do so.
F. Unauthorized possession, duplication or use of keys to any college premises, or unauthorized entry to or use of college premises.
G. Violation of any college or District policy, rule or regulation published in hard copy such as a college catalog, handbook, etc. or available electronically on the college's or District's website.
H. Violation of federal, state or local law.
I. Use, possession, manufacturing or distribution of illegal or other controlled substances except as expressly permitted by law.
J. Illegal use, possession, manufacturing or distribution of alcoholic beverages or public intoxication.
K. Illegal or unauthorized possession of firearms, explosives, other weapons, or dangerous chemicals on college premises, or use of any such item, even if legally possessed, in a manner that harms, threatens, or causes fear to others, or property damage.
L. Participation in a demonstration, riot or activity that disrupts the normal operations of the college and infringes on the rights of other members of the college community; leading or inciting others to disrupt scheduled and/or normal activities within any college building or area.
M. Obstruction of the free flow of pedestrian or vehicular traffic on college premises or at college-sponsored or supervised functions.
N. Conduct that is disorderly, lewd or indecent; breach of the peace; or aiding, abetting or procuring another person to breach the peace on college premises or at functions sponsored by or participated in by the college or members of the academic community. Disorderly conduct includes but is not limited to: any unauthorized use of electronic or other devices or to make an audio or video record of any person while on college or District premises without his/her prior knowledge, or without his/her effective consent or when such a recording is likely to cause injury or distress. This includes, but is not limited to, secretly taking pictures of another person in a gym, locker room, or restroom.
O. Attempted or actual theft or other abuse of technology facilities or resources, including but not limited to:
    i. Unauthorized entry into a file, to use, read or change the contents or for any other purpose
    ii. Unauthorized transfer of a file
    iii. Unauthorized use of another individual's identification and/or password
    iv. Use of technology facilities or resources to interfere with the work of another student, faculty member or college official
    v. Use of technology facilities or resources to send obscene or abusive messages
    vi. Use of technology facilities or resources to interfere with normal operation of the college technology system or network
    vii. Use of technology facilities or resources in violation of copyright laws
    viii. Any violation of the District's technology resource standards
    ix Use of technology facilities or resources to illegally download files
P. Abuse of the Student Conduct system, including but not limited to:
    i. Falsification, distortion or misrepresentation of information before a Student Conduct Board.
    ii. Disruption or interference with the orderly conduct of a Student Conduct Board proceeding.
    iii. Invoking a Student Conduct Code proceeding with malicious intent or under false pretenses
    iv. Attempting to discourage an individual's proper participation in, or use of, the Student Conduct system
    v. Attempting to influence the impartiality of the member of a judicial body prior to, and/or during the course of, the Student Conduct Board proceeding
    vi. Harassment, either verbal or physical, and/or intimidation of a member of a Student Conduct Board prior to, during and/or after a Student Conduct Board proceeding
    vii. Failure to comply with the sanctions imposed under this Student Conduct Code
    viii. Influence or attempting to influence another person to commit an abuse of the Student Conduct Code system
    ix. Failure to obey the notice from a Student Conduct Board or college official to appear for a meeting or hearing as

part of the Student Conduct system.

Q. Engaging in irresponsible social conduct.
R. Attempt to bribe a college or District employee.
S. Stalking behavior, which occurs if a student intentionally or knowingly maintains visual or physical proximity toward another person on two or more occasions over a period of time and such conduct would cause a reasonable person to fear for his or her safety.

4. Violation of Law and College Discipline

A. Disciplinary proceedings may be instituted against a student charged with conduct that potentially violates both the criminal law and this Student Conduct Code (that is, if both possible violations result from the same factual situation) without regard to pending of civil or criminal litigation. Proceedings under this Student Conduct Code may be carried out prior to, simultaneously with, or following civil or criminal proceedings off campus at the discretion of the college official responsible for administration of the Student Conduct Code. Determinations made or sanctions imposed under this Student Conduct Code shall not be subject to change because criminal charges arising out of the same facts giving rise to violation of college rules were dismissed, reduced, or resolved in favor of or against the criminal law defendant.
B. When a student is charged by federal, state or local authorities with a violation of law, the college will not request or agree to special consideration for that individual because of his or her status as a student. If the alleged offense is also being processed under this Student Conduct Code, however, the college may advise off campus authorities of the existence of this Student Conduct Code and of how such matters will be handled internally within the college community. The college will cooperate fully with the law enforcement and other agencies in the enforcement of criminal law on campus and in the conditions imposed by criminal courts for the rehabilitation of student violators. Individual students and faculty members, acting within their personal capacities, remain free to interact with governmental representatives as they deem appropriate.

ARTICLE IV: STUDENT CONDUCT CODE PROCEDURES

1. Charges and Student Conduct Board Hearings

A. Any member of the college community may file charges against a student for violations of this Student Conduct Code. A charge shall be prepared in writing and directed to the Student Conduct Administrator. Any charge should be submitted as soon as possible after the event takes place, preferably within thirty (30) days following the incident. Misconduct charges of a sexual nature, including sexual harassment and sexual assault, should be sent to the vice president of student affairs who is the designated Title IX Coordinator at each MCCCD college. Title IX protects students from sexual misconduct and other forms of discrimination in connection with all academic, extracurricular, athletic, and other programs sponsored by the college at any college facility or other location. The Title IX Coordinator (or designee) will conduct an investigation that is prompt, thorough, and impartial according to the MCCCD sexual harassment complaint process.
B. The Student Conduct Administrator may conduct a prompt, thorough, and impartial investigation to determine if the charges have merit and/or if they can be disposed of administratively by mutual consent of the parties involved on a basis acceptable to the Student Conduct Administrator. Such disposition shall be final and there shall be no subsequent proceedings. If the charges are not admitted and/or cannot be disposed of by mutual consent, the Student Conduct Administrator will convene th student conduct board. If the student admits violating institutional rules, but sanctions are not agreed to, the hearing shall be limited to determining the appropriate sanction(s).
C. All charges shall be presented to the accused student in written form. The student conduct administrator will provide written notice of the time, date, and location of the student conduct hearing. The notice will describe the evidence of alleged misconduct, the code provisions violated, and the possible sanctions. The student conduct hearing notice, plus a copy of this code, shall be provided to the student accused of misconduct no less than five (5) workdays before the hearing date. The hearing will be held no more than fifteen (15) workdays after the student has been notified unless the student conduct administrator extends the deadline for good cause in his or her sole discretion.
D. Hearings shall be conducted by a Student Conduct Board according to the following guidelines, except as provided by Article IV A.7 below:
   i. Student Conduct Board hearings normally shall be conducted in private.
   ii. The complainant, accused student and their advisors, if any, shall be allowed to attend the entire portion of the Student Conduct Board hearing at which information is received (excluding deliberations). Admission of any person to the hearing shall be at the discretion of the Student Conduct Board and/or its Student Conduct Administrator.
   iii. In Student Conduct Board hearings involving more than one accused student, the Student Conduct Administrator, in his or her discretion, may permit the Student Conduct Board hearing concerning each student to be conducted either separately or jointly.

iv. The complainant and the accused shall have the right to be assisted by any advisor they choose, at their own expense. A party who elects to be assisted by an advisor must notify the student conduct administrator of the name and contact information of the advisor not less than two (2) days before the scheduled hearing. The advisor must be a member of the college community and may not be an attorney. Both the complainant and the accused are responsible for presenting their own information and, therefore, advisors are not permitted to speak or participate directly in any Student Conduct Board hearing before a Student Conduct Board.

v. The complainant, the accused student, and the Student Conduct Board may arrange for witnesses to present pertinent information to the Student Conduct Board. The student conduct administrator will try to arrange the attendance of possible witnesses who are members of the college community, if reasonably possible, and who are identified by the complainant and/or accused student at least two days prior to the Student Conduct Board hearing. Witnesses will provide information to and answer questions from the Student Conduct Board. Questions may be suggested by the accused student and/or complainant to be answered by each other or by other witnesses. This will be conducted by the Student Conduct Board with such questions directed to the chairperson, rather than to the witness directly. This method is used to preserve the educational tone of the hearing and to avoid creation of an adversarial environment. Questions of whether potential information will be received shall be resolved in the discretion of the chairperson of the Student Conduct Board.

vi. The student conduct administrator will present the information he or she received.

vii. Pertinent records, exhibits, and written statements may be accepted as information for consideration by a Student Conduct Board at the discretion of the chairperson.

viii. All procedural questions are subject to the final decision of the chairperson of the Student Conduct Board.

ix. After the portion of the Student Conduct Board hearing concludes in which all pertinent information has been received, the Student Conduct Board shall determine (by majority vote if the Student Conduct Board consists of more than one person) whether the accused student violated the section of this Student Conduct Code which the student is charged with violating.

x. The Student Conduct Board's determination shall be made on the basis of whether it is more likely than not that the accused student violated this Student Conduct Code.

E. There shall be a single verbatim record, such as a tape recording, of all Student Conduct Board hearings before a Student Conduct Board (not including deliberations). The record shall be the property of the District.

F. No student may be found to have violated this Student Conduct Code because the student failed to appear before a Student Conduct Board. In all cases, the evidence and support of the charges shall be presented and considered.

G. The Student Conduct Board may accommodate concerns for the personal safety, well-being, and/or fears of confrontation of the complainant, accused student, and/or other witness during the hearing by providing separate facilities, by using a visual screen, and/or by permitting participation by telephone, videophone, closed circuit television, video conferencing, videotape, audio tape, written statement, or other means, where and as determined in the sole judgment of the college official responsible for administration of the Student Conduct Code.

2. Sanctions

A. The following sanctions may be imposed upon any student found to have violated the Student Conduct Code:

i. Warning - a written notice to the student that the student is violating or has violated institutional rules or regulations.

ii. Probation - a written reprimand for violation of specified rules or regulations. Probation is for a designated period of time and includes the probability of more severe disciplinary sanctions if the student is found to violate any institutional rules or regulation(s) during the probationary period.

iii. Loss of Privileges - denial of specified privileges for a designated period of time.

iv. Restitution - compensation for loss, damage or injury. This may take the form of appropriate service and/or monetary or material replacement.

v. Discretionary Sanctions - work assignments, essays, service to the college, or other related discretionary assignments. (Such assignments must have the prior approval of the Student Conduct Administrator.)

vi. College Suspension - separation of the student from all the colleges in the District for a definite period of time, after which the student is eligible to return. Conditions for readmission may be specified.

vii. College Expulsion - permanent separation of the student from all the colleges in the District.

B. More than one of the sanctions listed above may be imposed for any single violation.

C. Other than college expulsion, disciplinary sanction shall not be made part of the student's academic record, but shall become part of the student's disciplinary record. Upon graduation, the student's disciplinary record may be expunged of disciplinary actions upon the student's application to the Student Conduct Administrator. Cases involving the imposition of sanctions other than suspension or expulsion shall be expunged from the student's confidential record five (5) years after final disposition of the case. In situations involving both an accused student(s) (or group or organization) and a student(s) claiming to be the victim of another student's conduct, the records of the process and of the sanctions imposed, if any, shall be considered to be the education records of both the accused student(s) and the student(s) claiming to be the victim because the educational career and chances of success in the college community of each

may be impacted.

D. The following sanctions may be imposed upon groups or organizations:
   i. Those sanctions listed above in Article IV B. 1. a through d.
   ii. Loss of selected rights and privileges for a specified period of time.
   iii. Deactivation - loss of all privileges, including college recognition for a designated period of time.

E. In each case in which a Student Conduct Board determines that a student and/or group or organization has violated the Student Conduct Code, the sanction(s) shall be determined and imposed by the Student Conduct Administrator. In cases in which persons other than, or in addition to, the Student Conduct Administrator have been authorized to serve as the Student Conduct Board, the recommendation of the Student Conduct Board shall be considered by the Student Conduct Administrator in determining and imposing sanctions. The Student Conduct Administrator is not limited to sanctions recommended by members of the Student Conduct Board. Following the Student Conduct Board hearing, the Student Conduct Board and the Student Conduct Administrator shall advise the accused student, group and/or organization (and a complaining student who believes s/he was the victim of another student's conduct) in writing of its determination and of the sanction(s) imposed, if any.

3. Emergency Suspension

If a student's actions pose an immediate threat or danger to any member of the college community or the educational processes, a college official responsible for administering the Student Conduct Code may immediately suspend or alter the rights of a student pending a Student Conduct Board hearing. Scheduling the hearing shall not preclude resolution of the matter through mediation or any other dispute resolution process. The decision will be based on whether the continued presence of the student on the college campus reasonably poses a threat to the physical or emotional condition and well-being of any individual, including the student, or for reasons relating to the safety and welfare of any college property, or any college function. When an emergency suspension is imposed, the student conduct administrator will seek to resolve the complaint at the earliest possible date. This suspension is not a sanction but an effort to protect people and property and prevent disruption of college operations.

In imposing an emergency suspension, the college official responsible for administration of the Student Conduct Code may direct that the student immediately leave the college premises and may further direct the student not to return until contacted by that official. An accused student shall be in violation of this policy regardless of whether the person who is the object of the threat observes or receives it, as long as a reasonable person would interpret the communication, conduct or gesture as a serious expression of intent to harm.

4. Administrative Hold

The student conduct administrator may place a temporary administrative hold preventing an accused student's registration, financial aid award, transcript release, or graduation if it is necessary to secure the student's cooperation in the investigation or compliance with a direction. This hold is not a sanction but a necessary step to resolve the complaint promptly.

5. Academic Consequences

Violations of the student conduct code can have academic consequences if the violation also constitutes failure to meet standards of performance or professionalism set by the instructor or the program, or if it constitutes cheating, plagiarism, falsification of data, or other forms of academic dishonesty. The instructor may award a failing grade for the assignment or the course in such cases, and the program faculty may decide that the student is ineligible to continue in the program. Academic consequences are determined by the faculty and academic administration, and are not dependent on the decisions of the student conduct board, the appeals board, or the student conduct administrator.

6. Appeals Regarding Student Code of Conduct

A. A decision reached by the Student Conduct Board judicial body or a sanction imposed by the Student Conduct Administrator may be appealed by accused students or complainants to an Appellate Board within five (5) days of receipt of the decision. Such appeals shall be in writing and shall be delivered to the Student Conduct Administrator.

B. Except as required to explain on the basis of new information, an appeal shall be limited to the review of the verbatim record of the Student Conduct Board hearing and supporting documents for one or more of the following purposes:
   i. To determine whether the Student Conduct Board hearing was conducted fairly in light of the charges and information presented, and in conformity with prescribed procedures giving the complainant a reasonable opportunity to prepare and present information that the Student Conduct Code was violated, and giving the accused student a reasonable opportunity to prepare and to present a response to those allegations. Deviations from designated procedures will not be a basis for sustaining an appeal unless significant prejudice results.
   ii. To determine whether the decision reached regarding the accused student was based on substantial information, that is, whether there were facts in the case that, if believed by the fact finder, were sufficient to establish that a violation of the Student Conduct Code occurred.
   iii. To determine whether the sanction(s) imposed was appropriate to the violation of the Student Conduct Code which the student was found to have committed.
   iv. To consider new information, sufficient to alter a decision or other relevant facts not brought out in the original

hearing, because such information and/or facts were not known to the person appealing at the time of the original Student Conduct Board hearing.

C. If an appeal is upheld by the appellate board, the matter shall be returned to the original Student Conduct Board and Student Conduct Administrator for reopening of the Student Conduct Board hearing to allow reconsideration of the original determination and/or sanction(s). If an appeal is not upheld, the matter shall be considered final and binding upon all concerned.

ARTICLE V: INTERPRETATION AND REVISION

Any question of interpretation regarding the Student Conduct Code shall be referred to the college official responsible for administration of the Student Conduct Code for final determination.

2.5.3 STUDENT RECORDS

1. **Definitions**

   For the purposes of this policy, the Maricopa County Community College District has used the following definition of terms.

   A. "College" includes all colleges, educational centers, skill centers and District office.

   B. "Educational Records" means any record (in handwriting, print, tapes, film, or other media) maintained by the college or an agent of the college which is directly related to a student, except:

      i. A personal record kept by a staff member, if it is kept in the personal possession of the individual who made the record, and information contained in the record has never been revealed or made available to any other person except the maker's temporary substitute

      ii. An employment record of an individual whose employment is not contingent on the fact that s/he is a student, provided the record is used only in relation to the individual's employment

      iii. Records maintained by the colleges security unit, if the record is maintained solely for law enforcement purposes, is revealed only to law enforcement agencies of the same jurisdiction and the security unit does not have access to education records maintained by the community college

      iv. Alumni records which contain information about a student after he or she is no longer an attendant of the community college and the records do not relate to the person as a student

2. **Records Request**

   Official verification of educational records is issued by the Admissions and Records Office/Office of Student Enrollment Services.

3. **Fees**

   If a copy(ies) of a portion or all of the records in a student's file is requested, the custodian of the records may charge a fee for copies made. However, the willingness or ability to pay the fee will not effectively prevent students from exercising their right to inspect and review (under supervision of a college employee) their records. A fee will not be charged to search for or to retrieve records. Standard fees for printing and duplication services will apply.

4. **Annual Notification (see also FERP explanation)**

   Students will be notified of their further rights annually by publication in the college catalog and/or the student handbook.

   Individuals requesting admission or enrollment at any of the Maricopa Community Colleges are asked to provide certain contact information that is collected and used for the purpose of responding to the request. The information collected may include your name, address, telephone number or email address. Maricopa County Community Colleges and/or its agents, including attorneys and/or collection agencies, may use this information to contact you through various means, including phone calls, text messages, e-mail and postal mail. Communication may includ, but is not limited to, information regarding account balances, programs, and servces that we offer.

   Rights of Access to Educational Records

   The Family Educational Rights and Privacy Act (FERPA) affords students certain rights with respect to their education records. These rights are:

   A. **The right to inspect and review the student's education records within 45 days of the day the college receives a request for access.**

      Students should submit to the college admissions and records department written requests that identify the record(s) they wish to inspect. The college official will make arrangements for access and notify the student of the time and place where the records may be inspected. If the records are not maintained by the college official to whom the request was submitted, that official shall advise the student of the correct official to whom the request should be addressed.

   B. **The right to request the amendment of the student's education records that the student believes to be inaccurate or misleading.**

      Students may ask the college to amend a record that they believe is inaccurate or misleading. They should write the

college official responsible for the record, clearly identify the part of the record they want changed, and specify why it is inaccurate or misleading.

If the college decides not to amend the record as requested by the student, the college will notify the student of the decision and advise the student of his or her right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the student when notified of the right to a hearing.

C. ***The right to provide written consent to disclosures of personally identifiable information contained in the student's education records, except to the extent that FERPA authorizes disclosure without consent.***
CONDITIONS OF DISCLOSURE WITHOUT CONSENT
FERPA permits the disclosure of personally identifiable information (PII) from students' education records, without consent of the student, if the disclosure meets certain conditions found in §99.31 of the FERPA regulations. Except for disclosures to school officials, disclosures related to some judicial orders or lawfully issued subpoenas, disclosures of directory information, and disclosures to the student, §99.32 of FERPA Regulations requires the institution to record the disclosure. Eligible students have a right to inspect and review the record of disclosures. A postsecondary institution may disclose PII from the education records without obtaining prior written consent of the student:

1. To other school officials, including instructions, administrators, supervisors, governing board members, academic or support staff, law enforcement and health staff, within the MCCCD whom the college or district has determined to have legitimate educational interests. A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibilities. This includes contractors, attorneys, auditors, collection agents, consultants, volunteers, or other parties to whom the college has outsourced institutional services or functions, provided that the conditions listed in §99.31(A)(1)(I)(B)(1) – (A)(1)(I)(B)(2) are met. (§99.31(A) (1))
2. To officials of another school where the student seeks to or intends to enroll, or where the student is already enrolled if the disclosure is for purposes related to the student's enrollment or transfer, subject to the requirements of §99.34. (§99.31(A) (2))
3. To authorized representatives of the US Comptroller General, the US Attorney General, and the US Secretary of Education, or State and Local Educational Authorities, such as a state postsecondary authority that is responsible for supervising the college's state supported education programs. Disclosures under this provision may be made, subject to the requirements of §99.35, in connection with an audit or evaluation of federal-or state-supported education programs, or for the enforcement of or compliance with federal legal requirements that relate to those programs. These entities may make further disclosures of PII to outside entities that are designated by them as their authorized representatives to conduct any audit, evaluation, or enforcement, or compliance activity on their behalf (§§99.31(A) (3) AND 99.35)
4. In connection with financial aid for which the student has applied or which the student has received, if the information is necessary to determine eligibility for the aid, determine the amount of the aid, determine the conditions of the aid, or enforce the terms and conditions of the aid. (§99.31(A) (4))
5. To organizations conducting studies for, or on behalf of, the college, in order to: (A) Develop, Validate, or Administer Predictive Tests; (B) Administer student aid programs; or (C) Improve instruction (§99.31(A) (6))
6. To accrediting organizations to carry out their accrediting functions. (§99.31(A) (7))
7. To parents of an eligible student if the student is a dependent for IRS tax purposes. (§99.31(A) (8))
8. To comply with a judicial order or lawfully issued subpoena.(§99.31(A) (9))
9. To appropriate officials in connection with a health or safety emergency, subject to §99.36. (§99.31(A) (10))
10. Information the college has designated as "Directory Information" under §99.37. (§99.31(A) (11))
11. To a victim of an alleged perpetrator of a crime of violence or a non-forcible sex offense, subject to the requirements of §99.39. The disclosure may only include the final results of the disciplinary proceeding with respect to that alleged crime or offense, regardless of the finding. (§99.31(A) (13))
12. To the general public, the final results of a disciplinary proceeding, subject to the requirements of §99.39, if the school determines the student is an alleged perpetrator of a crime of violence or non-forcible sex offense and the student has committed a violation of the college's rules or polices with respect to the allegation made against him or her.(§99.31(A) (14))
13. To parents of a student regarding the student's violation of any federal, state, or local law, or of any rule or policy of the school, governing the use or possession of alcohol or a controlled substance if the school determines the student committed a disciplinary violation and the student is under the age of 21. (§99.31(A) (15))

Students who believe that MCCCD or an agent of the college has disclosed information contrary to the provisions outlined in this section may submit a grievance via the non-instructional complaint resolution process. The process is posted at: www.maricopa.edu/publicstewardship/governance/adminregs/appendices/S-8.php

D. **The right to file a complaint with the US Department of Education concerning alleged failures by the college to comply with the requirements of FERPA.**

The name and address of the Office that administers FERPA is:
Family Policy Compliance Office
US Department of Education
400 Maryland Ave., S.W.
Washington, DC 20202-4605

5. Student Directory

A Maricopa community college may release directory information about any student who has not specifically requested the withholding of such information. Students who do not want directory information released may so indicate during the admissions process or notify the Admissions and Records OFFICE/OFFICE OF STUDENT ENROLLMENT SERVICES.

At any Maricopa community college, directory information is defined as a student's name, address, telephone number, major field of study, participation in officially recognized activities and sports, weight and height of members of athletic teams, degrees and awards received, dates of attendance, part-time or full-time status, most recent previous educational agency or institution attended by the student, college within the Maricopa Community Colleges where the student has been enrolled, photograph of student, and electronic mail address.

6. Disclosure to Parents

In accordance with federal law, college officials may disclose educational records to parents of minors or to parents of a student who have established the student's status as a dependent according to the Internal Revenue Code of 1986, section 152, without the written consent of the student.

Appendix S-17: FERPA Appeal Process

FERPA APPEAL PROCESS

In instances where the college decides not to amend an education record as requested by the student, the college willnotify the student of the decision and advise him/her of the right to an appeal hearing according to the following process:

- The student must have first presented the issue in writing to the college's Admissions/Enrollment Office or designee identifying the records that he/she wishes to have amended and provided any supporting documentation. Note: With the exception of clerical errors, requests that are expressly related to grade disputes are not subject to this process and must be vetted through the Instructional Grievance Process.
- If the request to change the record was deemed unsubstantiated by the college designee and the institution was able to demonstrate that the record was accurate, the student will be informed of the right to a formal appeal hearing.
- Students must request a formal hearing within 10 business days from the date they are informed of the right to an appeal hearing.
- The request for a formal hearing must be in writing and delivered to the [Dean of Admissions/Enrollment Services, Vice President of Student Affairs] or designee.
- The college official who receives the formal hearing request will either review the case personally or designate a hearing committee if the issue involves a matter not clearly established by current policy or administrative regulation.
- A written decision will be delivered to all parties summarizing the evidence and stating the reason(s) for the decision. If the decision is in favor of the student, the education record will be amended. If the decision is for the record to remain the same, the student may place a statement commenting on or disagreeing with the decision in the education record.

4.18 CONSENSUAL RELATIONSHIPS

1. General

The existing Governing Board Policy on Hiring of Relatives prohibits employees from involvement in any employment or key decision that involves a relative. This would include work performance, job assignments, or pay related matters. In that relationships can create a conflict with the interests of the Maricopa Community Colleges, and the increased potential for nepotism and favoritism, the same principles also apply in the case of consensual amorous, romantic and/or sexual relationships that occur between employees or between employees and students.

In the work and academic environment, such a relationship that might be appropriate in other circumstances is inappropriate if one of the individuals in the relationship has a professional responsibility toward, or is in a position of authority with respect

to, the other, such as in the contexts of supervision, purchasing or contract decisions, instruction, coaching, counseling, advisement or security personnel. An element of power is present in such a context and it is incumbent upon those with authority not to abuse that power. In addition, consensual relationships may present or suggest to third parties the appearance that unfair bias or favoritism towards the student, supervisee or vendor is taking place.

A. Definitions
   i. Consensual relationships are defined as romantic, amorous and/or sexual relationships between consenting employee, between employees and vendors, or between employees and adult (18 years or older) college students currently enrolled at one of the community colleges.
   ii. An employee is any individual who is employed by the Maricopa County Community College District (MCCCD). An employee includes an individual who is subject to an established employee job group manual. An employee also includes at-will, part-time, temporary or a contract worker (special services employment, request for personnel services) working or serving as an agent or designee on behalf of the MCCCD.
   iii. A student is considered to be any person currently enrolled in a credit or non-credit class at one of the colleges or centers within the Maricopa County Community College District.
   iv. A vendor is someone who sells or can sell products or services to the Maricopa County Community College District.
   v. A recent consensual relationship is considered to be one that has taken place within the past 24 months.

B. Prohibited Conduct
   i. An employee shall not maintain, engage in or be involved in a consensual relationship with another employee who is subject to that individual's supervision or with a student that is currently enrolled in the individual's class, or a student whom the individual otherwise instructs, coaches, counsels or advises, or with a vendor or prospective vendor if the employee manages that contract or otherwise exerts influence over the contract.
   ii. This regulation does not seek to prohibit romantic relationships that exist between parties where the context of power-authority between employees or between employees and students is not present; and provided that the relationship does not affect the employee's effectiveness in fulfilling his or her professional obligation. For these instances, appropriate measures should still be taken in order to avoid conflicts of interest from occurring. For relationships that may exist prior to the time that either a student or employee is placed in a situation of instruction or supervision that is considered to be a conflict of interest, the employee(s) involved shall disclose and take immediate measures to avoid the conflict or appearance of conflict.

2. Procedures for Disclosure

Employees should first avoid allowing an inappropriate consensual, amorous or sexual relationship to develop with a supervisee or student.

A. Where the employee is already in or has had a recent consensual relationship with a supervisee, the following procedures shall be followed:
   i. Immediate disclosure by the employee of the relationship to their supervisor and to the appropriate Vice President or Vice Chancellor in order to ensure that any conflicts of interest have been adequately addressed.
   i. The respective administrator responsible for the department or division shall place the subordinate under alternate supervision when a supervisor under his/her direction has or has had a recent consensual relationship with the employee.
   iii. The supervisor shall recuse himself or herself from any discussions or involvement with decisions related to evaluations, promotion, hiring, determination of salary, or continuation of contract or employment.
   iv. The respective Vice President or Vice Chancellor shall prepare and retain a report that specifies the appropriate alternate arrangements that have been made to eliminate the conflict of interest. The Vice Chancellor of Human Resources shall be provided a copy of the report along with the employees involved in the relationship.

B. Where the employee is already in or has had a recent consensual relationship with a student prior to enrollment in his or her class, the following procedures shall be followed:
   i. The faculty member shall counsel and advise the student not to enroll in his or her course.
   ii. The Consensual Relationships Policy will be made available to students via the student handbook and other appropriate communications vehicles.
   iii. If it is not possible for a student to enroll in another course, section, or course and section at another college due to a requirement for completion of a degree or certificate and no other academic option is available, disclosure of the relationship will be made to the appropriate Department Chair, Dean and Vice President of Academic Affairs or Vice President for Student Affairs as appropriate for review. The Vice President will refer the matter to the Vice Chancellor for Academic and Student Affairs for consideration. The Chancellor or his/her designee may allow a student to enroll in the class only upon a showing by the student that the enrollment is necessary to avoid an extreme hardship, and upon a showing by the college President or designee that the academic integrity of the student's enrollment in the class will nevertheless be maintained.

3. Persons who are married, or were married, are included within the definition of persons that have or who have had a consensual amorous relationship. Disclosure in this instance may be made via the Maricopa disclosure process at www.maricopa.edu/disclosure/

4. An employee who fails to follow the requirements established in this policy and who does not withdraw from participation in activities or decisions that may reward or penalize a supervisee or student with whom the employee has or has had a recent consensual amorous relationship, will be considered in violation of policy and will be addressed in accordance with established processes in job group policy manuals.

2.8.3 Technology Accessibility

The Maricopa Community College District is committed to ensuring equal access to information, programs, services and activities through its technologies, Web pages, and resources both in the academic and work environments. This regulation establishes that Electronic and Information Technology (EIT) that are used to conduct the business of the Maricopa Community Colleges shall adhere to established accessibility standards and guidelines.

Student Services

Academic Advising Center

Kranitz Student Center, KSC-1123
Phone: (602) 787-7060
Website: www.paradisevalley.edu/advisement

Academic Advising at Paradise Valley Community College is an on-going, intentional, and educational partnership dedicated to our students' academic success. This partnership is designed to assist you from the start of your college experience through graduation from PVCC or whatever your chosen academic goals may be (transferring to a University, entering the workforce, increasing your career marketability, etc.). Advisors are available on both a walk-in and appointment basis.

Admissions, Records & Registration

Kranitz Student Center, KSC-1100
Phone: (602) 787-7020
Website: www.paradisevalley.edu/admissions

The Admissions, Records & Registration Office is where students submit admission and registration forms to register for your classes. All student records are kept in this office.
Services:

- Drop/Add/Withdrawal
- Education records
- Enrollment Services
- Enrollment verification
- Collection of tuition/fees
- Name/address changes
- Foreign Student Admissions
- Graduation
- Registration
- Transcript evaluation
- Transcript requests

Adult Re-Entry Services Program

Kranitz Student Center, Counseling & Personal Development Division
Phone: (602) 787-6540
Website: www.paradisevalley.edu/counseling/ar

Adult Re-Entry Services are designed to help students 25 years and older to make a successful transition to college life.

Services:

Counseling: personal, academic and career
Re-Entry Seminars: free day and evening seminars on a variety of personal, academic and career growth and development topics

AWARE Club: the Adults Who Are Returning to Education club provides mentoring, support and networking opportunities

Course: CPD103BA-Women In Transition Personal growth college credit courses are designed to support men and women who are returning to education.

Student Services

Assessment Testing Center

Kranitz Student Center, KSC-2400
Phone: (602) 787-7050
Website: www.paradisevalley.edu/assessment/

The purpose of the Assessment Center is to help students through the assessment of existing skills and knowledge to identify and achieve personal, academic, and career goals. Additional information and links to sample questions are available online.

Services:
- Placement assessment
- Instructional testing
- Special test administrations
- College-Level Examination Program (CLEP)
- English as a Second Language (ESL) assessment
- HESI A2 Nursing Entrance Test

Athletics Department

Location: L-109
Phone: (602) 787-7173
Website: www.paradisevalley.edu/athletics/

PVCC Athletics competes in Region 1 of the National Junior College Athletic Association (NJCAA), and is part of the Arizona Community College Athletic Conference (ACCAC).

Intercollegiate athletics are an important part of college life, providing personal growth opportunities, entertainment and a source of pride. The success of our student-athletes both on the field and in the classroom is a priority to our coaches, faculty and staff. We strive to serve as a model amongst NJCAA and ACCAC athletic programs for excellence in academic success and athletic achievement. We empower Puma student-athletes to achieve championship performance, while graduating/transferring and preparing them for life after intercollegiate athletics with the highest priority on integrity.

PVCC sponsors intercollegiate men's and women's athletics teams in:
- Baseball
- Cross Country
- Golf
- Soccer
- Softball
- Tennis
- Track & Field

Black Mountain PVCC Campus

Location: 34250 N 60th Street, Scottsdale, AZ 85266
Phone: (602) 493-2600
Website: www.paradisevalley.edu/blackmountain

PVCC at Black Mountain is a satellite site of PVCC located on 60th Street just south of Carefree Highway in the northern part of Maricopa County. Black Mountain offers one stop registration, advisement, placement testing, and cashiering services. Students are able to meet with academic advisors who can assist with registration and academic planning to reach their educational goals. Black Mountain offers transferable classes for students seeking AA, AS, and ABUS degrees including courses to transfer to the University. Check out our website or come see us at Black Mountain for more information!

- Employee Relations
- Employee Wellness

iStartSmart New Student Orientation

Kranitz Student Center, KSC 1208
Student Development Office
Phone: (602) 787-7316
Website: www.paradisevalley.edu/nso

It's important that you StartSmart! PVCC's student success program, iStartSmart, includes Placement Testing, Academic Advising, Orientation and a Student Success class. It is required for all new students who are degree/transfer seeking.

Learning Support Center (LSC)

Learning Resources Complex, E-180
Phone: (602) 787-7180
Website: www.paradisevalley.edu/lsc/

Hours of Operation:
Monday–Thursday: 8:00am–7:00pm
Friday*: 8:00am–5:00pm
Saturday*: 10:00am–2:00pm
*Hours vary in the summer and over breaks

The LSC offers academic support to PVCC students. Programs and services include:

- free drop-in tutoring: No appointment needed, tutoring for most subjects, with math always available.
- Math Lab: Work with math tutors in math classes up to MAT122.
- The Writing Center: Available by appointment or by dropping in, tutors assist in helping students to address any stage of the writing process, including grammar, punctuation, thesis statements, sentence and paragraph development, organization, transitions, documentation, and ESL assignments.
- Academic Reading Coaching: Meet one-on-one with a reading coach to learn skills and strategies for college reading to get the most out of your textbooks.

Student Services

- Academic Success Coaching: Work one-on-one with a success coach on time management, study skills, and how to get the most out of PVCC through referrals to campus offices and resources.
- English Grammar Workshops: The LSC sponsors several workshops designed to help students improve their writing skills, once a week in the fall and spring semesters for students in composition classes and weekly for students in ESL classes.
- ESL Conversation Groups: Students and community members who are learning English may participate in these tutor-led informal discussions about topics of interest for those who wish to practice English language skills. Schedules are available online and at the LSC.
- Calculator workshops: Beginning and advanced workshops for users of TI83 and TI84 calculators.
- Language Lab: Rosetta Stone is available for students of English and Spanish and several other languages to practice speaking, listening, reading, and writing.
- Learning Resources: Resources for use in the LSC include science models, textbooks, laptops, calculators, Semester-at-a-Glance calendars, and handouts. The LSC also has rooms available to reserve for group study.

PVCC at Black Mountain is a satellite site of PVCC located on 60th Street just south of Carefree Highway in the northern part of Maricopa County. Registration, Advisement, Placement testing, Cashier, and Tutoring services area all offered on site.

Check out our website or come see us at Black Mountain for more information!

Student Financial Assistance

Kranitz Student Center, Welcome Center, KSC-1100
Phone: 1-(855)-622-2332
Website: www.paradisevalley.edu/students/financial-aid
Email: dl-pvc- finaid@paradisevalley.edu

The Financial Aid Office at Paradise Valley Community College provides financial aid to eligible students to help pay for their educational expenses including tuition, program and course fees, books, and living expenses. The Financial Aid Office provides information and guidance to students and families on understanding what aid is available, how to apply, and how to successfully remain eligible for aid throughout your educational career. Educational funding is provided through Pell Grants, Supplemental Educational Opportunity

Student Services

Grants (SEOG), Arizona Leveraging Educational Assistance Partnership (AzLEAP) Grants, William D. Ford Federal Direct Student Loans, Federal Work-Study Employment opportunities and Scholarships. The first critical step in the aid process is to complete the Free Application for Federal Student Aid (FAFSA). This application is required to be submitted annually. The Free Application for Federal Student Aid covers the school year which includes the Fall Semester, Spring Semester, and Summer Sessions. The priority deadline is July 1 prior to the start of the Fall Semester in August, November 1 prior to the start of the Spring Semester in January, and April 1 prior to the start of summer in June. Applications received after these dates will still be considered for aid, but funds may not actually be received until after the start of the semester. Please check our website and your individual "My.Maricopa.edu" often for new information and opportunities.

Student Life & Leadership

Kranitz Student Center, KSC-1303
Phone: (602) 787-7240
Website: www.paradisevalley.edu/studentlife

The Student Life & Leadership offers students the opportunity to become involved in campus and community life.

Services and Programs:

- Campus activities and events
- Student Clubs and Organizations
- Puma2Puma Pantry
- Leadership Development Training
- Intramural Sports Tournaments
- Service Learning Projects
- Student Government
- Diversity Training
- Workshops and speakers

Student Recruitment Office

Kranitz Student Center, KSC-1230
Phone: (602) 787-7444
Website: www.paradisevalley.edu/students/student-recruitment
Email: pvcrecruitment@paradisevalley.edu

The Student Recruitment Office provides personal assistance to prospective, new and returning to college students as they explore and then start the enrollment process. In addition, recruiters work with high schools, local businesses, community groups and government agencies to increase access to Paradise Valley Community College. Recruiters regularly schedules high school visits, campus tours and conduct outreach events through the year. The Recruitment Office also coordinates the PVCC Puma Scholarship and houses the campus switchboard.

Technology Helpdesk

Location: Computer Commons, E Bldg
Phone: (602) 787-7780
Website: www.paradisevalley.edu/employees/technology-helpdesk
Email: helpdesk@paradisevalley.edu
Hours: Monday-Friday, 7:00am - 7:00pm

The Technology Helpdesk is your one stop for all technology needs. The Helpdesk is the liaison to technical and functional departments to assist students, faculty and staff in resolving technical issues. The Helpdesk supports all students, faculty and staff technical issues with items such as classroom technical problems, password resets, pay for print, software and hardware checkout, email, printer, computer, Canvas, SIS, and HRMS issues. Feel free to give a tech a call if you want PVCC email setup on your cell phone or tablet (iPad, Android, Windows), or have an issue with WiFi.

Veterans Services

Kranitz Student Center, KSC-2300
Phone: (602) 787-7045
Website: www.paradisevalley.edu/students/veterans-services
email: veterans@paradisevalley.edu

Paradise Valley Community College (PVCC), a Military-Friendly and Veteran Supportive School, is proud to serve our veterans and their dependents. The PVCC Veterans Services Center (VSC) acts as a liaison between the college and the Department of Veterans Affairs. The VSC connects veteran students with the resources and services needed to be successful. The staff personally assists veteran students and their dependents with important undertakings such as registering for classes, navigating the student financial assistance process, tuition and book deferments, scheduling time with academic advisors, etc.

In addition, the PVCC Veterans Services Center will certify eligible veterans and dependents for the following programs:

- Post 9/11 GI Bill (Chapter 33) & Transferability of Educational Benefits (TOE)
- Montgomery GI Bill (Chapter 30)
- Survivors and Dependents Educational Assistance Program (Chapter 35)
- Veterans Vocational Rehabilitation (Chapter 31)
- Montgomery GI Bill-Selective Reserve (Chapter 1606)
- Reserve Education Assistance Program (REAP) (Chapter 1607)

All veterans expecting to utilize their VA educational benefits should contact the Veterans Services Center as early as possible to obtain appropriate forms and instructions, verify student status, and ensure that their certification of enrollment is current. For more information, please visit our website.

Welcome Center

Kranitz Student Center, KSC-1100
Website: http://www.paradisevalley.edu/welcome-center
Hours: Fall/Spring: Mon - Thur: 8:00am -5:30pm, Friday: 8:00am - 3:00pm
Summer Hours (Mid-May through July): Monday–Thursday 8:00am–6:00pm/Closed Friday

The PVCC Welcome Center is committed to providing students with success from day one. The Welcome Center offers a host of comprehensive services, information, and referrals that enable students to take advantage of the excellent campus resources that support enrollment, academic advising, financial aid, career services, testing and placement, student life, student development, disability resources, veterans services, and more. If you have questions about Paradise Valley Community College, the Welcome Center is the best place to start. Our friendly and knowledgeable staff is here to make sure your experience at the PVCC campus is the best it can be.

Glossary of Terms

Academic Advisor: A paraprofessional, or designated individual who has been formally trained to assist students with academic information that will enable them to enroll in the proper classes which will provide them with a reasonable degree of success.

Add/Drop period: A period of time before classes begin when schedule changes are made **without** charge. A penalty may be charged for changes made **after** the start of classes.

AGEC: A 35 semester credit general education program of study that fulfills lower-division general education requirements for students planning to transfer to any Arizona public community college or university and transfers as a block without loss of credits.

Assessment: Also known as placement or Assessment of Skills for Successful Entry and Transfer (ASSET) testing. Assessment is a way of evaluating students' present skills in English, reading and math so students may choose courses that match their skills. Assessment is based on scores on the ASSET course placement test. Scores are used as a guide for proper course placement, which leads to greater success.

Associate Degree: Degree awarded by the community colleges after a student completes a specified number of course requirements and credit hours, generally a minimum of 60-64 semester credits. May be an Associate of Arts (AA) or Transfer Partnership Associate of Arts (AA), designed primarily for transfer to complete a baccalaureate degree; an Associate of Applied Science (AAS), designed primarily to enhance workplace skills and knowledge; or an Associate of General Studies (AGS), designed to fulfill students' goals of higher education. See the degree portion of this catalog for further information.

Associate Transfer Partnership Degree (ATP): The Associate Transfer Partnership Degree (ATP) is designed for students transferring to public and private colleges and universities. This AA degree is specifically developed for students who have an identified major and have selected the baccalaureate degree granting institution to which they intend to transfer.

Audit: When a student pays to attend class but does not want to receive credit. See Schedule of Classes for information on fees for auditing a course.

Baccalaureate or Bachelor's Degree: A degree awarded by a four-year college or university, often referred to as a B.A. or B.S. degree.
choices@pvc: Distance Learning program for students who desire or need more flexible scheduling options.

Commencement: Also known as graduation. A ceremony during which colleges award certificates of completion and degrees to graduating students.

Continuous Enrollment: The process of registering for and completing courses during consecutive semesters, which may include summer sessions. Determines catalog year for graduation.

Corequisite: Specified conditions, requirements, or courses that must be completed at the same time as another course.

Counselor: A services faculty who has both a teaching and counseling role. Counselors are professionally trained faculty who help students with educational, career, or personal concerns.

Course: A specific subject studied within a limited period of time taught by a faculty member. Also called course offering or class.

Course Fee: A charge for services, supplies, and/or materials for a course, in addition to tuition and registration fees for the course.

Course Number: A three-digit number that identifies a specific course, i.e. the 101 in ENG 101, Freshman English.

Course Title: The name of a specific course, i.e. College Algebra.

Credit Hour: The numerical unit earned for the completion of a specific course. For example, 3 credit hours may be earned for successful completion of PSY101. Also referred to as semester hour or unit.

Curriculum: A planned sequence of courses aimed at an academic or occupational goal; also referred to as a program of study.

Division: A group of faculty who teach classes in related subjects such as accounting, management, and word processing in the Business & Information Technology division.

Electives: Non-required courses that students may select to complete their program of study.

Faculty: Instructors who meet specific qualifications to teach courses.

Final Exams: Tests or exercises given at the end of a term that are often comprehensive; that is, they may include all material covered during the semester. The schedule of final exam dates and times for each term is included in the schedule of classes.

Glossary of Terms

Fiscal Office: Also known as the Cashier's Office. Students may pay tuition and fees, course fees and other encumbrances owed the college at the Fiscal Office.

Grade Points: The numerical value of a grade multiplied by the credit hours for a course. (A = 4 pts.; B = 3 pts.; C = 2 pts.; D = 1 pt.). For example: If a student earns an A in ENG 101, (3 credit hours), then the student earns 12 points. A = 4 points x 3 (credit hours) = 12 points.

Grade Point Average: Determined by dividing the total number of grade points earned by the total number of semester hours earned. For example, 45 grade points divided by 15 credit hours earned = 3.0 GPA.

Hybrid: Hybrid blends face-to-face (in person) instruction in a classroom with online learning. It is convenient for you and your schedule because you spend approximately half the time in a regularly scheduled class with your instructor and the rest of the time online. It is designed for highly motivated, self-disciplined, technology-literate students. It requires reliable web and e-mail access for communication and assignments outside of the classroom.

Load: When referring to a student's "academic load" = the total number of credit hours taken in one semester.

Lower Division: Normally freshman and sophomore level courses offered by a college. Community colleges offer only lower division courses while four-year institutions offer both lower and upper division (junior and senior) courses.

Major: An area of concentrated study often for a specific degree such as Journalism or Engineering.

Official Absence: Absence approved by Dean of Learning for official participation in a college activity.

Online (www2.pvc.maricopa.edu/online): Distance Learning courses administered via the Internet. Students must have access to a computer with an Internet connection either at home or the office. Students must enroll in and start by the enrollment deadline (enrollment is limited).

Pass/No Credit: An option for class registration in which students choose to receive a grade of Pass or No Credit in lieu of a letter grade (A,B,C,D,F). Students can earn credits toward graduation by passing these courses but the grades will not count in their GPA. It is best to check with an advisor to make sure that a grade of "Pass" will transfer to another college or university. "No Credit" will not transfer.

Period: One period is equivalent to 50 minutes per week.

Placement Test: See Assessment.

Prerequisite: Specified conditions or classes which must be completed prior to enrolling in certain classes. For example, ENG 102 has a prerequisite of ENG 101.

Probation: A warning that a student is not in good academic standing. May be accompanied by restricted credit hour enrollment.

Registration: Actual enrollment of a student into specific courses after the student has been admitted to the college and has received academic advisement.

Required Course: A course that is needed to meet certain goals or to complete a certain curriculum. For example, AJS 103 is a required course in the Administration of Justice curriculum.

Scholastic Suspension: Not being allowed to enroll in the college for one semester. This is caused by not maintaining the minimum required GPA for two consecutive semesters.

Section Number: A four-digit number used to identify each class of each subject offered. Each class has a different section number such as MAT 122, section 2123 and MAT 122, section 2124.

Subject Code : The three-letter abbreviation used to identify a particular subject such as MAT for mathematics or SOC for sociology. It appears before the course number.

Syllabus: One or more pages of course requirements that instructors give to students on the first day of class. The syllabus may include detailed information about a course, such as an instructor's grading system, attendance policies, and testing and assignment dates.

Transcript: An official record of a student's college coursework that is maintained by the college registrar. Courses taken, grades, credits, GPA, and graduation information are included on a transcript.

Transfer Credit: Course credit that is accepted by another college.

Glossary of Terms

Tuition and Fees: The cost per semester credit unit that students must pay for their college courses. Tuition and fees are determined by the Maricopa County Community Colleges Governing Board.

Withdrawal: Officially withdrawing from any or all courses during a semester. Students withdrawing from one or more courses must notify the Admissions, Records and Registration Office in writing and request that they be officially withdrawn. Refunds are based on the refund schedule/policy set forth in the catalog.
