

# 5 Reasons To Be a Puma

1

## COST

We're affordable. Maricopa County residents pay \$85/credit hour. Various payment options include Financial Aid (for those who qualify), scholarships, and payment plans.

2

## UNIVERSITY TRANSFER

Earn college credit while taking the time to select the 4-year institution that is right for you.

3

## FIRST RATE FACULTY

Our faculty will inspire and motivate you as they share their unique knowledge and experiences. As the heart of PVCC, they form an extraordinary teaching and learning-centered community for students.

4

## CLASS SIZE & FLEXIBILITY

Smaller class sizes mean you can build one-on-one relationships with your instructors and peers. We also have two campuses as well as online and hybrid classes to help you balance school with family or your career.

5

## VARIETY OF PROGRAMS

With more than 60 professional/short-term certificates, Associate degrees and transfer degrees to choose from, you can explore a variety of interests and find what's right for you.
